Public Comments:

Public Comments

1. Lee Filbert discussed the district required proof of COVID vaccination and/or weekly COVID testing; employee that has served the district well for three years and has an impeccable record being placed on unpaid leave because they stood up for their rights; district is depriving students of a quality education
2. Tim Sherlock discussed district policies and procedures that are extremely antiquated; discipline matrix being used at the discretion of an administrator; inequity, etc. The district needs to provide the best service for students, teachers, etc. Look at all policies and ask, "is the policy relevant, is it progressive?" Set standards for the board and the district
3. Anna Ard-Sledge discussed "in loco parentis" meaning "in place of a parent"; a parent giving some rights to the school to act in place of the parent when while child is on school grounds. Briefly discussed an example. Provide training on the proper use of this term so that is it no misused
4. Mary Fay discussed masking, COVID testing, etc. Noted it is unconstitutional and the district needs to uphold the Constitution; table personnel item
5. Nate Smith discussed the district's policy regarding vaccination requirement and/or weekly testing. An individual can still get COVID if vaccinated. Many local businesses do not require employee vaccination. Olean is a small town; do not treat employees this way
6. Martin Maynard discussed vaccination and testing requirements; many organizations offer alternative testing methods. It is not easy to find quality teachers; Olean is a high poverty community; etc.

Moved by M. Hirsch-Schena, seconded by J. Fodor, to adjourn from the Regular Meeting and enter Executive session at 6:50 pm to discuss a personnel issues and real property acquisition. Karen Geelan and Aaron Wolfe invited to attend. Executive Session in the library.
