

Olean City School District
Buildings and Grounds Committee Meeting
PLC Building
Tuesday, October 16, 2018
4:30 p.m.

Present:	Mary Hirsch-Schena	Andrew Caya
	Paul Hesney	Ira Katzenstein
	Rick Moore	Mark Huselstein
	Kathy Elser	

Guest: Carl Carlarco, Campus Management

Carl Carlarco updated the committee on the current capital project for each building. Carl answered questions from the Board members as requested. Carl stated that work will continue throughout the school year to help keep the contractors on track with the work schedule.

Mary brought up the District's position on implementing the Raptor Visitor Management System. Each member stated their opinion and concerns were discussed. It was recommended that the District move forward with this program.

Lighting on the Third and Fourth Streets for the High School building was discussed. Mark stated that he is having issues finding lights that match the current front lighting and that he will research LED lighting for front and sides of the building.

Safety concerns continue to be an agenda topic and were discussed in conjunction with the visitor management system. Paul brought up the topic of metal detectors.

Meeting adjourned at approximately 5:25 p.m.

Next meeting: November 13, 2018 at 4:30 p.m.
