	Colleen Taggerty	Mark Huselstein

1. Current Capital Project Update
 - Access Ramp Completion – fully open
 - Construction plaque – not at this time
2. BOCES Option
 - Renovation cost of Central Receiving
 - Colleen explained Erie1's request
 - Would need to contract out
 - Need to discuss at Finance Committee
 - Move forward in discussion
 - Aidability with/without BOCES
 - No education aid
3. Streamlining new Capital Project pending approval
 - Coat WW roof instead of replacing (half the cost)
 - Check with architects – will there be extra cost to remove it
 - Currently no leaks
 - Other cost reductions
4. Other
 - Bathrooms – completed in 1991 and 2000 – why renovate again?
 - Colleen noted this is due to the changes in code, cleaning, societal needs
 - Should we have full doors (floor to ceiling) – maintenance friendly?

Meeting adjourned at 6:15 pm.

Next Meeting: April 12, 2016 at noon
