

Olean City School District  
Building and Grounds Committee  
410 West Sullivan Street  
Thursday, November 19, 2015  
12:00 p.m.

Present:	Jim Padlo	Frank Steffen, Jr.
	Kathy Elser	Dave Fidurko
	Colleen Taggerty	Ira Katzenstein
	Vicki Zaleski-Irizarry	
Guest:	Jeff Andreano	

#### Brick Walkway

- Colleen noted that the Olean City School District Foundation is interested in creating a brick walkway in front of the High School from the fountain to Sullivan Street
- The Foundation would sell bricks, stone monuments, etc. as a fundraiser (similar to the bricks around the fountain)
- The committee recommended that the Foundation advise of anticipated timeline, number of bricks and/or monuments it intends to sell as well as its financial commitment to the project completion
- Dave Fidurko recommended the Foundation get quotes for the cost of a brick or stone monument as well as the cost of engraving

#### Update on projects/ramp/complex/issues

- Dave Fidurko and Colleen gave updates on the sports complex and OHS ramp

#### Next cap. project projections

- Young and Wright presented the Building Condition Survey (BCS) to the board at its November 17<sup>th</sup> meeting
- Discussed health and safety issues identified in BCS as well as “wish list” items

#### Other

- RFP for capital project architectural and construction management services
- Solar panel – City of Olean project
- Restructing of committee meetings – combine Audit and Finance – meetings to be held during the day; Operations and Buildings and Grounds Committees would meet before a board meeting on alternate months

Meeting adjourned at 12:50 pm

Next meeting: December 7th

Next Meeting: December 15, 2015
