

# Castle Learning

## Are you ready to test your skill levels?

Castle Learning will test your ability at all levels and all of the standards.

Earn extra credit, practice this year's concepts and develop key skills for next year.

Castle Learning has questions in all subject areas. Questions of Math, Science, Social Studies and Technological Skills.

Please go through Class Link and log into your account. You will need to set a password and then you should have full access to the program.

example: username- ocs-nagabler (8 letters)  
password: (you need to set)
