Technology & Coding

Technology skills are something we have all become semi-experts at during this time virtual learning. Listed below are some good websites that work on coding skills, 3-D design and technological integration.

https://studio.code.org/users/sign_in

https://scratch.mit.edu/

https://codecombat.com/   (class code is BigHalfShare)

https://historyview.org/library/liberty-bell/

https://www.colonialwilliamsburg.org/learn/virtual-tours/
