## Literacy with Mrs. Acosta

- ★ Sesame Street Letter U: [Click Here](#)
- ★ Story time! The Big Umbrella: [Click Here](#)
- ★ Practice writing these U words: up, under, us, umbrella
- ★ What am I thinking of? 1. It starts with the letter U. 2. This is a magical animal-it is not real. 3. It has a horn on it's head. What am I?

## Math with Miss Geary

- ★ Let's count to 10 and sing along! [Click here.](#)
- ★ Show your child 3 fingers on your hand and ask him/her to get that many toys to show you! Repeat with numbers 1-5.
- ★ Practice identifying amounts and numbers! [Click here](#) to play a fun game!

## Explore with Mrs. Abdo

★ Color **PURPLE** and Oval

★ The Purple Song [Click Here](#)

★ Find the Oval song [Click Here](#)

★ Get some play dough out and experiment with making balls (circles) of play dough and then squishing it slightly to turn the circles into ovals.

★ If you don't have playdough here is a recipe to make your own. You will need your parents help:

★ All Natural Play-Dough

★ *Ingredients:*

- ★ 1-cup flour
- ★ ¼-cup salt
- ★ ½-cup warm water
- ★ 3-5 drops of natural food coloring

★ *Instructions:*

- ★ Mix together the flour and the salt.
- ★ In a separate container, mix water and food coloring.
- ★ Combine ingredients by pouring the water mixture onto the flour mixture.
- ★ Knead together until smooth.
  - ★ If the dough seems too sticky, add more flour until the stickiness is gone.

**\*Use below if you have NO technology \***

# Thursday (5/21)

## Literacy with Mrs. Acosta

- ★ Practice writing these u words: up, under, us, umbrella
- ★ Sing the Alphabet song: when you get to U stop and tiptoe around the room.
- ★ What am I thinking of? 1. It starts with the letter U. 2. It is a magical animal-it is not real. 3. It has a horn on it's head. What am I?

## Math with Miss Geary

- ★ Practice counting 1-10! Parents can lead and ask child to join.
- ★ Show your child 3 fingers on your hand and ask him/her to get that many toys to show you! Repeat with numbers 1-5.
- ★ Repeat activity above with number flash cards 1-5.

## Explore with Mrs. Abdo

- ★ Color PURPLE and oval
- ★ Get some play dough out and experiment with making balls (circles) of play dough and then squishing it slightly to turn the circles into ovals.

★ If you don't have playdough try making some here is a recipe  
you will need a parents help for this:

★ All Natural Play-Dough

★ *Ingredients:*

- 1-cup flour
- ¼-cup salt
- ½-cup warm water
- 3-5 drops of natural food coloring

★ *Instructions:*

- Mix together the flour and the salt.
- In a separate container, mix water and food coloring.
- Combine ingredients by pouring the water mixture onto the flour mixture.
- Knead together until smooth.
  - ★ If the dough seems too sticky, add more flour until the stickiness is gone.
