OLEAN HIGH SCHOOL FROM AN AIRPLANE

"Next in importance to freedom and justice is popular education without which neither freedom nor justice can be permanently maintained."

—JAMES A. GARFIELD

FOREWORD

THE present generation of American youth is being educated for today's battlefields and tomorrow's peace tables. As President Roosevelt has said "The youth of today has, indeed, a rendezvous with destiny." Olean High School is aiming to meet that destiny, well armed with the essentials of training and education.

Across the seven seas, on every continent in the world, Olean High School is fighting and dying to preserve the birthrights of democracy. Our school, represented by the fighting prowess of 1500 men, is proud of their accomplishments.

The Congress of 1943 attempts to show, in picture and in story, the part its faculty, alumni, and student body are playing in what is termed the greatest undertaking in American history — this present world-wide struggle for freedom.

MR. HERBERT L. SACKETT
Principal of Olean High School—1917-1943

Mr. Herbert L. Sackett, twenty-six years Principal of Olean High School, sympathetic adviser, esteemed civic leader, person of high ethical standards; to you we respectfully and affectionately dedicate this book.—Class of 1943.

MR. HERBERT L. SACKETT

PRINCIPAL OLEAN HIGH SCHOOL 1916-1943

RADUATING from Forestville High School, Mr. Sackett completed his teacher training course at Fredonia Normal School, Fredonia, New York. Following this preliminary training, he took his Bachelor of Philosophy and Master of Arts degrees at Brown University. Further graduate work was completed at Harvard University, University of Chicago, and Columbia University.

While in college he was actively engaged in the Glee Club, in the Debating Team, as Managing Editor of his College Yearbook, as Class Historian, and as President of combined Musical Clubs. He was a member of Kappa Sigma Fraternity and was elected to Phi Beta Kappa Society.

Following his graduation from Brown he instructed in philosophy for one year at Brown University, two years as Master of Science at Pingry Preparatory School, Elizabeth, New Jersey; two years as principal of the high school at Dunkirk, New York; seven years as principal of the County High School at Lewistown, Montana; and twenty-six years as principal of the High School at Olean, New York.

Actively engaged in projects contributing to educational advancement, he has been a member of the Central Athletic Committee since 1929, Chairman of the State Central Committee 1931, 1932, President of the State Association of Secondary School Principals 1924, wrote and directed the Pageant commemorating the 50th anniversary of the State Association of Secondary School Principals, and completed and published the Fifty Year History of the Associated Academic Principals' Association begun by the late Avery W. Skinner and left unfinished at his death.

Since assuming the principalship of the Olean High School he has been actively engaged in many civic and community affairs. As President of the Little Theatre Guild for several years, President of Kiwanis Club, President of Torch Club, President of Olean Men's Club and member of the Session of the Presbyterian Church, he has contributed generously of his time and energy that others might benefit.

A sound philosopher, an educational leader, a cooperative worker, a generous contributor to projects for civic betterment, Mr. Sackett retires with the good wishes of the community that he and Mrs. Sackett may enjoy many years of a well earned, profitable, retirement.

A TOAST

Let us raise a toast to the widening host
 Of Americans serving their nation.
 To those thousands o' lads, and their
 brothers and dads,
 Who are saving our free civilization.
 To the men from the mills and the farms
 and the hills
 And the cities and mountains and plains.
 To the workers and miners and plane
 designers
 And crews on the ships and the trains.
 Wherever they are—be it near, be it far
 On the land, in the air, on the sea.
 With a stoutness of heart they are doing
 their part
 To keep this "The land of the free."
 So, good luck and God speed them, may
 nothing impede them
 Nor make them delay nor digress
 May due time find them with power behind
 them
 To roll up a final success!

—JOSEPH FISCHER '43

(*) Denotes that these men have given their life for their country.

NOTE: This list of one-time students of the Olean High School was compiled from data, furnished by the local draft board, the Olean recruiting officers for the Navy, the Marine Corps, the Coast Guard, the files of the Olean Times-Herald, and names submitted by the student body.

The list is admittedly incomplete,—since many of our graduates and former students have enlisted from other induction centers. But it is, at least, a goodly proportion,—and we offer it as representative of the honored group of O. H. S. heroes who are, in different branches of the armed forces, loyally serving their country.

OUR SCHOOL AT WAR

THE year of 1943. The Nation at War. We think of "War" as a series of dramatic actions, a medley of screeching shells, the 400-mile-an-hour swoop of the dive bomber, the roaring advance of tanks, the dash of the destroyer, the thundering broadside of the battleship—and great shells striking their target, twenty miles away.

But back of all this, stretches a supply line of workers and materials—men and women in factories, blood donors, Red Cross workers, airplane spotters, war bond sellers, patient sitters at communication centers, and tenders of victory gardens. The machine gun, the riveting gun, and the spray gun are all working at the same job.

In America's "all out" war, O. H. S. is playing its loyal part. Eight of our teachers are in service. Some 1500 of our boys are wearing the uniforms of the various armed forces, and are fighting on every front. The pupils of our undergraduate group are vying with each other in civilian service—in making possible the maintenance of a ten-million army in the battle fronts of the world. Besides their effort to attain physical fitness and mechanical proficiency for possible war activity, they are buying War Stamps and Bonds, manning observation posts, acting as air wardens, building model-airplanes for identification purposes at aviation schools, rolling bandages, collecting scrap and tending "Victory Gardens".

In our zeal for the "war effort", however, we are not forgetting the needs of the post war period and the return of peace. Our English and our social science classes, our student organizations, such as "We, The Students", are striving to instill a world consciousness and a world mindedness into the minds of our youth, as a necessary prerequisite to this new era. We must sense the need of greater unity, within our nation; we must continue with unity among the United Nations; we must look forward to unity among all the peoples of the world. The O. H. S. reports for service.

ALMA MATER

Oh Alma Mater fair and true!
Thy honor we acclaim,
We rally round the Red and Gold
To laud thy noble name.
In thee we students shall renew
Of faith of days gone by;
Across the years, we'll live anew
Thy spirit, Olean High,
Across the years we'll live anew
Thy spirit, Olean High.

Dear Olean, thy loving ways
And charms will ever be,
Those memories of golden days,
Those friends and hearts so free
To thee we pledge thy honor due,
And parting sound thy cheers;
Our thoughts of you so staunch, so true,
Will live through all the years.
Our thoughts of you so staunch, so true,
Will live through all the years.

ALUMNI GREETINGS

"Perhaps the remembrance of these things will prove a source of future pleasure."

VIRGIL—AENEID I, 203

ANOTHER school year has come to a close and the Alumni Association of the Olean High School wishes to extend greetings and good wishes to the officers and members of the Class of 1943 and also to urge you to attend the annual Alumni reunion and election on June twenty-third at the Ashton Parish House.

The exigencies of the present World conflict affect all groups but when we realize that one of the reasons for which this war is being fought is for the preservation of just such institutions as our beloved High School, we should prove by word and deed that we have not forgotten the privileges and opportunities enjoyed, and through affiliation with the Alumni group, continue our interest and support. Now this is your opportunity to bring the Class of 1943 into the ranks of the Association, the future of which will depend on the efforts of the younger classes. This is a special invitation addressed to all members of the Class of 1943.

You may not realize that this year marks the Sixtieth anniversary of the first graduation class (1883) from the Olean High School, of which there were but three members. The Alumni Association was organized two years later and continued to flourish for many years then, for some reason, it became difficult to sustain interest. However, a few years ago, it was revived and, we trust, that it may survive through these days of strife and sacrifice.

Records indicate over 1500 former students are in the various branches of the service, among them the President of our Association for the current year, William Meade Pelton.

At this time we wish to express to Herbert L. Sackett, Principal of the Olean High School, our appreciation for his advice and never-failing interest in the welfare of the individual students, the activities of the yearly classes and all High School groups, which have grown and flourished during the twenty-six years of his administration. While retiring from active duty, we know that his interest in educational affairs will continue and that all worth-while efforts in this community will be given his support. May good luck and good health be his for many years to come. Hoping many representatives of the Class of 1943 will respond to this invitation, we remain,

Faithfully yours,

EXECUTIVE COMMITTEE

Alumni Association of the Olean High School

WAR TIME IN THE LIBRARY

THIS library in 1942-43 has been visited by a two way stream of alumni servicemen going out for induction and returning on leave or furlough, the latter harder, steadier and more mature. So remarkable was this maturity that one of them had to ask, "Did you like the Navy Magazine, Miss Schleich?" before she gasped, "Joe Bush!" From another of these "old boys" Joseph Gasdick, a former member of the ground crew of the Flying Tigers, the library received Exhibit A, a two yuan Chinese shin-plaster bearing a picture of the Generalissimo and worth currently fifty-nine cents.

On November 13th and April 2nd, the librarian conducted Army and Navy examination and aptitude tests. She also presented the faculty of the English, Commercial and Social Studies Departments with a six page annotated bibliography on our twelve groups of reference books.

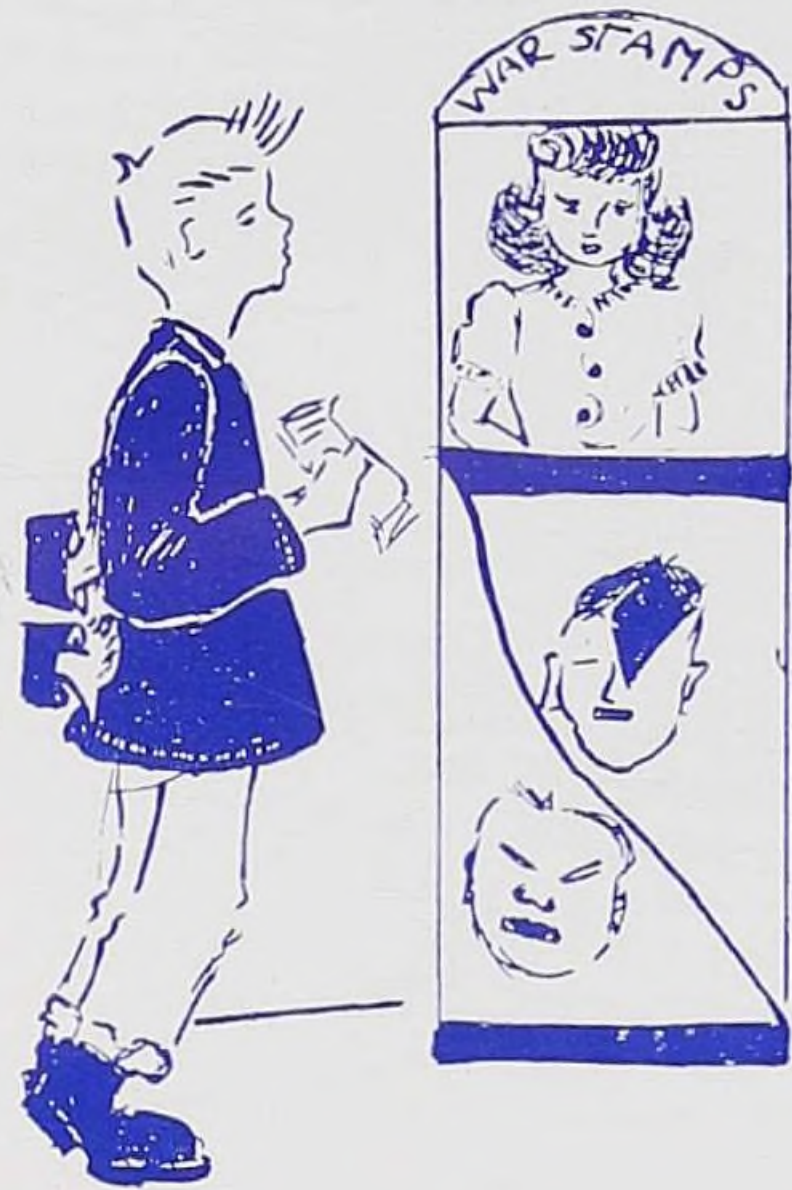

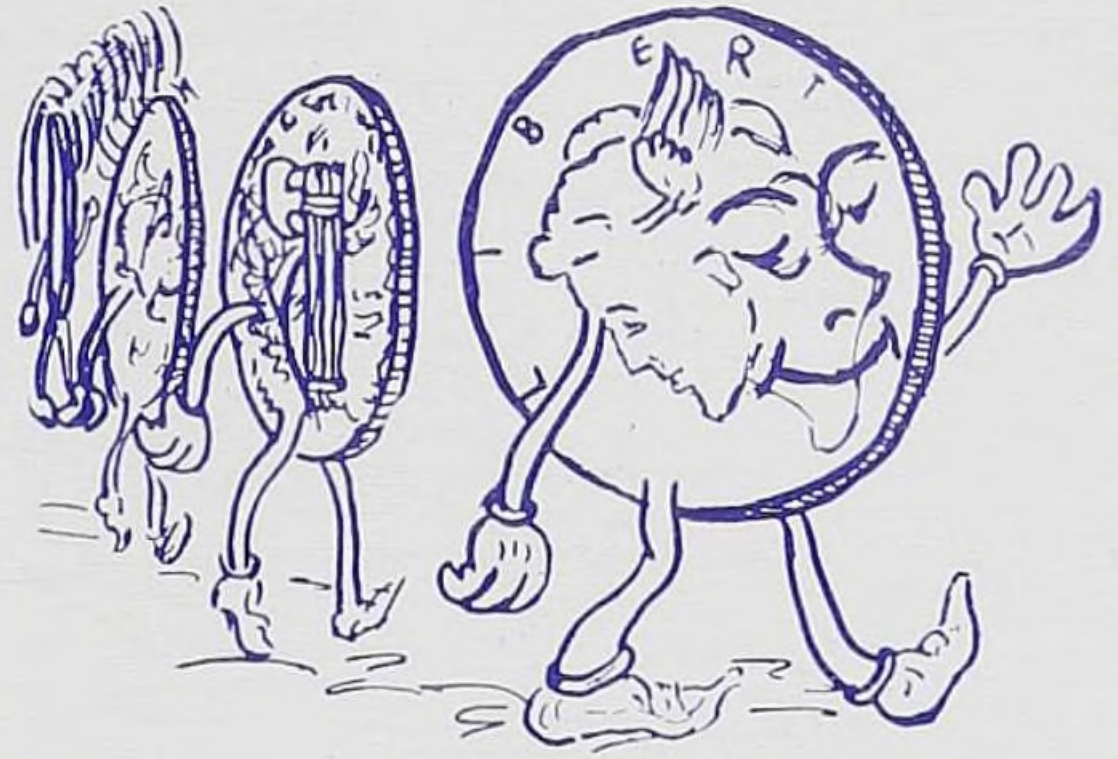

The Student Staff pictured on this page are Betty DeGolier, Alice Grecke, Patricia Lippert, Mildred Lyman and Vivian Mueller to whom we all owe thanks.

Our library has taken advantage of its priority on book lacquer for our new books. In the current book order 100 titles, together with magazines and clippings, bring our information on current issues up-to-date. These include personal narratives like "They Were Expendable", plays like "This is War", fiction like "The Seventh Cross", refreshers in Mathematics, Chemistry, Physics, Nutrition, Aviation and War Terms for Commercial Classes and Social Studies on our relations with other countries and planning for a just and lasting peace. Of these, 24 titles are on shop subjects of practical help in the war effort.

THE SKETCH CLUB

THE SKETCH CLUB, organized ten years ago to provide an opportunity for high school pupils to become acquainted with the art department, has this year specialized in drawing from real life. Pupils from high school and young children of pre-kindergarten age posed. They were Norene Smith, age 2½, "Butch" Young, age 4, Carol Clark, a student of O. H. S.

At one meeting members experimented with finger-painting. Another meeting was very successfully devoted to the modeling of clay figures. The sketches of various members have been exhibited on the art bulletin board; the clay figures were on display in the art room.

During warm weather meetings were held out-of-doors. In May, the last meeting was a picnic in Oak Hill Park.

MEMBERS

Paula Chase, Anne Dudley, Dolores Dwailabee, Delores Flynn, Nellie Gorecki, Marianne Halley, Renate Halley, Joyce Johnson, Rose Pappas, Mary Randall, Margaret Sader, Carol Sega, Carolyn Sega, Lila Simon, Gloria Stomerowski, Francis Young, Jane Zoghibe.

THE HOME ECONOMICS CLUB is an important, helpful activity of Olean High School. For three years it has sponsored the Red Cross which has promoted many useful projects.

This year the club has sponsored two Red Cross projects. The first was Pearl Harbor Day, December 7. Each girl in the Home Economics Department contributed one class period. As a result, 75 bedside bags were completed for an emergency call. A similar project was carried out in March, when 60 hot water bottle covers were made.

December 3, a one act play, "Just Between Us", was presented in Assembly. This play was written by members of the Home Economics Club. Twenty-five dollars was received for the publication of this manuscript by a National Home Economics magazine. This money was used to pay for the pages in the yearbook.

This year the club is again affiliated with New York State and American Home Economics student clubs.

DURING the school year of 1942-1943, the Student Council was very active in school affairs.

The members of the council elected the cheerleaders and Drum Major-ettes who took part in all home football games.

The Council members have also taken part in the Victory Corps program and chose the design for the service flags which hang in the school lobby.

CONGRESS STAFF

FOLLOWING in the footsteps of its many predecessors, this year's Congress staff has prepared and published another successful yearbook. Due to a war-time shortage of newsprint, the weekly spread in the Olean Times-Herald was reduced to two columns. Thus, student photography was postponed for the duration, and the staff realized what print curtailment meant.

Another successful venture of the staff of '43 was the composition of a program for the annual football classic—Bradford vs. Olean.

A COUNCIL for victory has been organized in Olean High School. This nation wide chain of Victory Corps Councils has been organized for the purpose of providing a stimulus in each school for a more active part to be played by the students in the war program.

This Council, in our school, consists of five main divisions; Production Service, Community Service, Land Service, Air Service, and Sea Service. Each one of these divisions has its own special requirements, and each department has its own insignia. The right to wear these insignias is earned by the student when he has thirty hours of credited work in one of these departments.

The Victory Corps Council is a joint group of teachers and students working for Victory. The Council sponsors such worthwhile activities as selling War Bonds and Stamps, Red Cross work, Industrial Arts Projects, Radio Work, and many other necessary services. The Victory Corps Council selected two Service Flags for the High School.

As time goes on this organization will continue to become even more active in the war effort.

EACH Monday afternoon democracy is put to work at the meeting of the We, the Students Club. Here current events and other interesting subjects are taken up. Both sides of a question are represented and usually a lively debate ensues.

We, the Students in the past year has entered many contests. In the contest concerning the choice of the ten most important events of 1942, the club received honorable mention, which was, indeed, a great honor. During the course of the year a study was made of the various peace plans for the future. This club is a very commendable organization. It teaches its members to stop and think about problems that will affect them in the future.

The club is sponsored by Miss Wombough, Miss Gould, and Mrs. Cowell.

N. Y. S. HONOR LEAGUE

THE NEW YORK STATE HONOR LEAGUE is an honorary state-wide organization of high school students who rank highest in scholastic ability and extra curricular activity. The purpose of the league is to promote good scholarship and school citizenship.

The members of the League in each high school are chosen by two votes. A list of all seniors with the highest grades, up to and including the previous January examinations, is first submitted to the teachers. They select from this list a number, equal to fifteen per cent of the class, of those whom they consider of the finest character and of most value to the school.

The result of the teacher vote is then submitted to the Senior class who then select ten per cent of the number of the Senior class for the year. Character, value to the school, and future promise are the points upon which their selection is based.

The 1943 New York State Honor League members chosen in Olean High School are:

LETTERMEN'S CLUB

THE LETTERMEN'S CLUB is an honorary organization of the school composed of students who have earned a Varsity Letter in either football, basketball, baseball or the coveted "twenty-point" letter. The twenty-point letter is gained by participation in extra-curricular activities during the four years in high school. Membership in this club is one of the highest honors attainable during one's career in high school.

ONE of the most outstanding and successful units in boys' activities is the Boys' Hi-Y Club. The club meets once a week, discusses club problems, and organizes social activities.

This year, the club sponsored numerous sport dances, a sleigh ride and rummage sale. Delegates were sent to the annual Hi-Y conference in Albany and they were highly commended for their representation in the state legislature.

Many members have volunteered their services as air-raid observers, and spend a weekly four hour period atop one of the city's banks.

Also interested in civic affairs, club members attended lectures given by such notables as Robert Zimmerman, organizer of the Y. M. C. A. in Thailand; the Rev. Whitney M. Trousdale, pastor of a local church, and Chief Petty Officer Locke of the U. S. Navy.

The club is now making plans for its annual June banquet which will highlight this years' activities and bring the club year 1942-1943 to a successful conclusion.

THE GIRLS' HI-Y of Olean was the first Hi-Y Club formed in New York State. It is a Christian organization which endeavors each year to promote clean sports, clean speech, clean scholarship, and clean living.

In September Mrs. Kershner was welcomed as our new sponsor.

Many activities were promoted during the year. Marie Smith and Mary Murphy attended the Albany convention in December and succeeded in presenting the bill "Should 18 Year Olds Be Allowed To Vote?" This bill was passed.

Dances, rummage sales and a penny social were held successfully.

Six new members were taken in this year: Betty Nitchie, Barbara Jesson, Carol Bell, Ellen Driscoll, Jackie Forness, Theresa Florio.

THE A. M. C. Chapter of the Girls' Hi-Y is celebrating its fifth year. This chapter was organized to bring together girls of high school and to teach the principles of clean speech, clean sports, and clean living.

The club has held two sport dances. The proceeds of one dance enabled Barbara Dietterich and Meredith Wheeler to attend the Hi-Y convention at Albany in December. Another activity was a bake sale.

The A. M. C. Club members have entertained and helped at several occasions including the annual Mother and Daughter Banquet at the Y. M. C. A. This shows the willingness of the girls to do their part.

This club, along with all the other Hi-Y Clubs in the United States, is learning true democracy by working together for the common purpose of helping one another.

DEBATING CLUB

THE DEBATING CLUB, one of Hilltop's newest and most advanced clubs, is composed of students interested in public speaking and debating. The club helps the student to think clearly, enunciate carefully, and sort the wheat of truth from the chaff. The club attempts to teach the student to distinguish the essential from the trivial.

Weekly informal debates were enjoyed and on April seventh a formal debate was presented in assembly. The teams for this occasion consisted of three girls: Ruth Storer, Paula Chase, and Jean McGranaghan, versus three boys: Richard Gavin, Joseph Fischer, and Kenneth McLean. The proposition was: Resolved, that women should be drafted for military service. The judges decided in favor of the negative.

This activity was a very successful venture.

The club held one dime dance and realized a substantial profit from it.

THE DRAMATIC CLUB of O. H. S. is one of the most popular clubs of the school. An active membership of more than seventy-five has been maintained throughout the year.

Members of the club have put on plays for the club and also for Assembly. The advisers have given the members lessons on pantomime and several meetings were devoted entirely to this subject. Readings by members were included at the meetings. Members were also encouraged to write plays and were given help by the advisers.

A dime dance was sponsored by this club along with three other clubs.

This club has not only been an asset to its members but to the school as a whole.

WAYSIDE, a traditional institution for about forty years of continual existence, is the oldest club in Olean High School. It is a club to which all Junior and Senior girls may belong.

In former years a literary program was enjoyed once in two weeks. This year, however, the literary work has been suspended largely and the girls are busily engaged in learning to knit, and also actually knitting for the Red Cross. Blocks for afghans, scarfs and helmets have been made. Girls who did not knit made scrapbooks for crippled children in hospitals.

Wayside also paid for the Service Flags, which were designed by the Art Department, adopted by the Victory Corps, and now hang in the front hall of Olean High School.

Five dollars was given to the defense drive for the American Red Cross.

HILLTOP

"Extra! Extra! Read all about it!"

HILLTOP, the paper published by the commercial department, has just completed another successful year.

Before attempting to edit the paper, the pupils are thoroughly trained in the use of the mimeograph, mimeoscope, and the cutting of stencils.

The staff this year includes the following:

CHRISTINA LUNDY.....	Editor-in-Chief
MEREDITH WHEELER.....	Art Editor
VIRGINIA SWANSON.....	Business Manager
HELEN PANCIO.....	Production Manager
MISS CIERI.....	Organization and Galley
MISS NOONAN.....	Stenciling and Mimeographing
MISS EVERLETH.....	Distribution
MRS. KERSHNER.....	Finance

Due to the shortage of material caused by the war, only three issues were published this year. All expenses for the paper are defrayed by the subscriptions.

Throughout the year the group has tried to compose a paper that would be of interest, not only to the student body but to the boys in the armed services, by using a patriotic theme.

WE call ourselves the "Rhythm Writers" because this year we were mainly interested in typing to music. Special records were used on our record player which enabled us to type in perfect rhythm. In this way we improved our speed and our tempo.

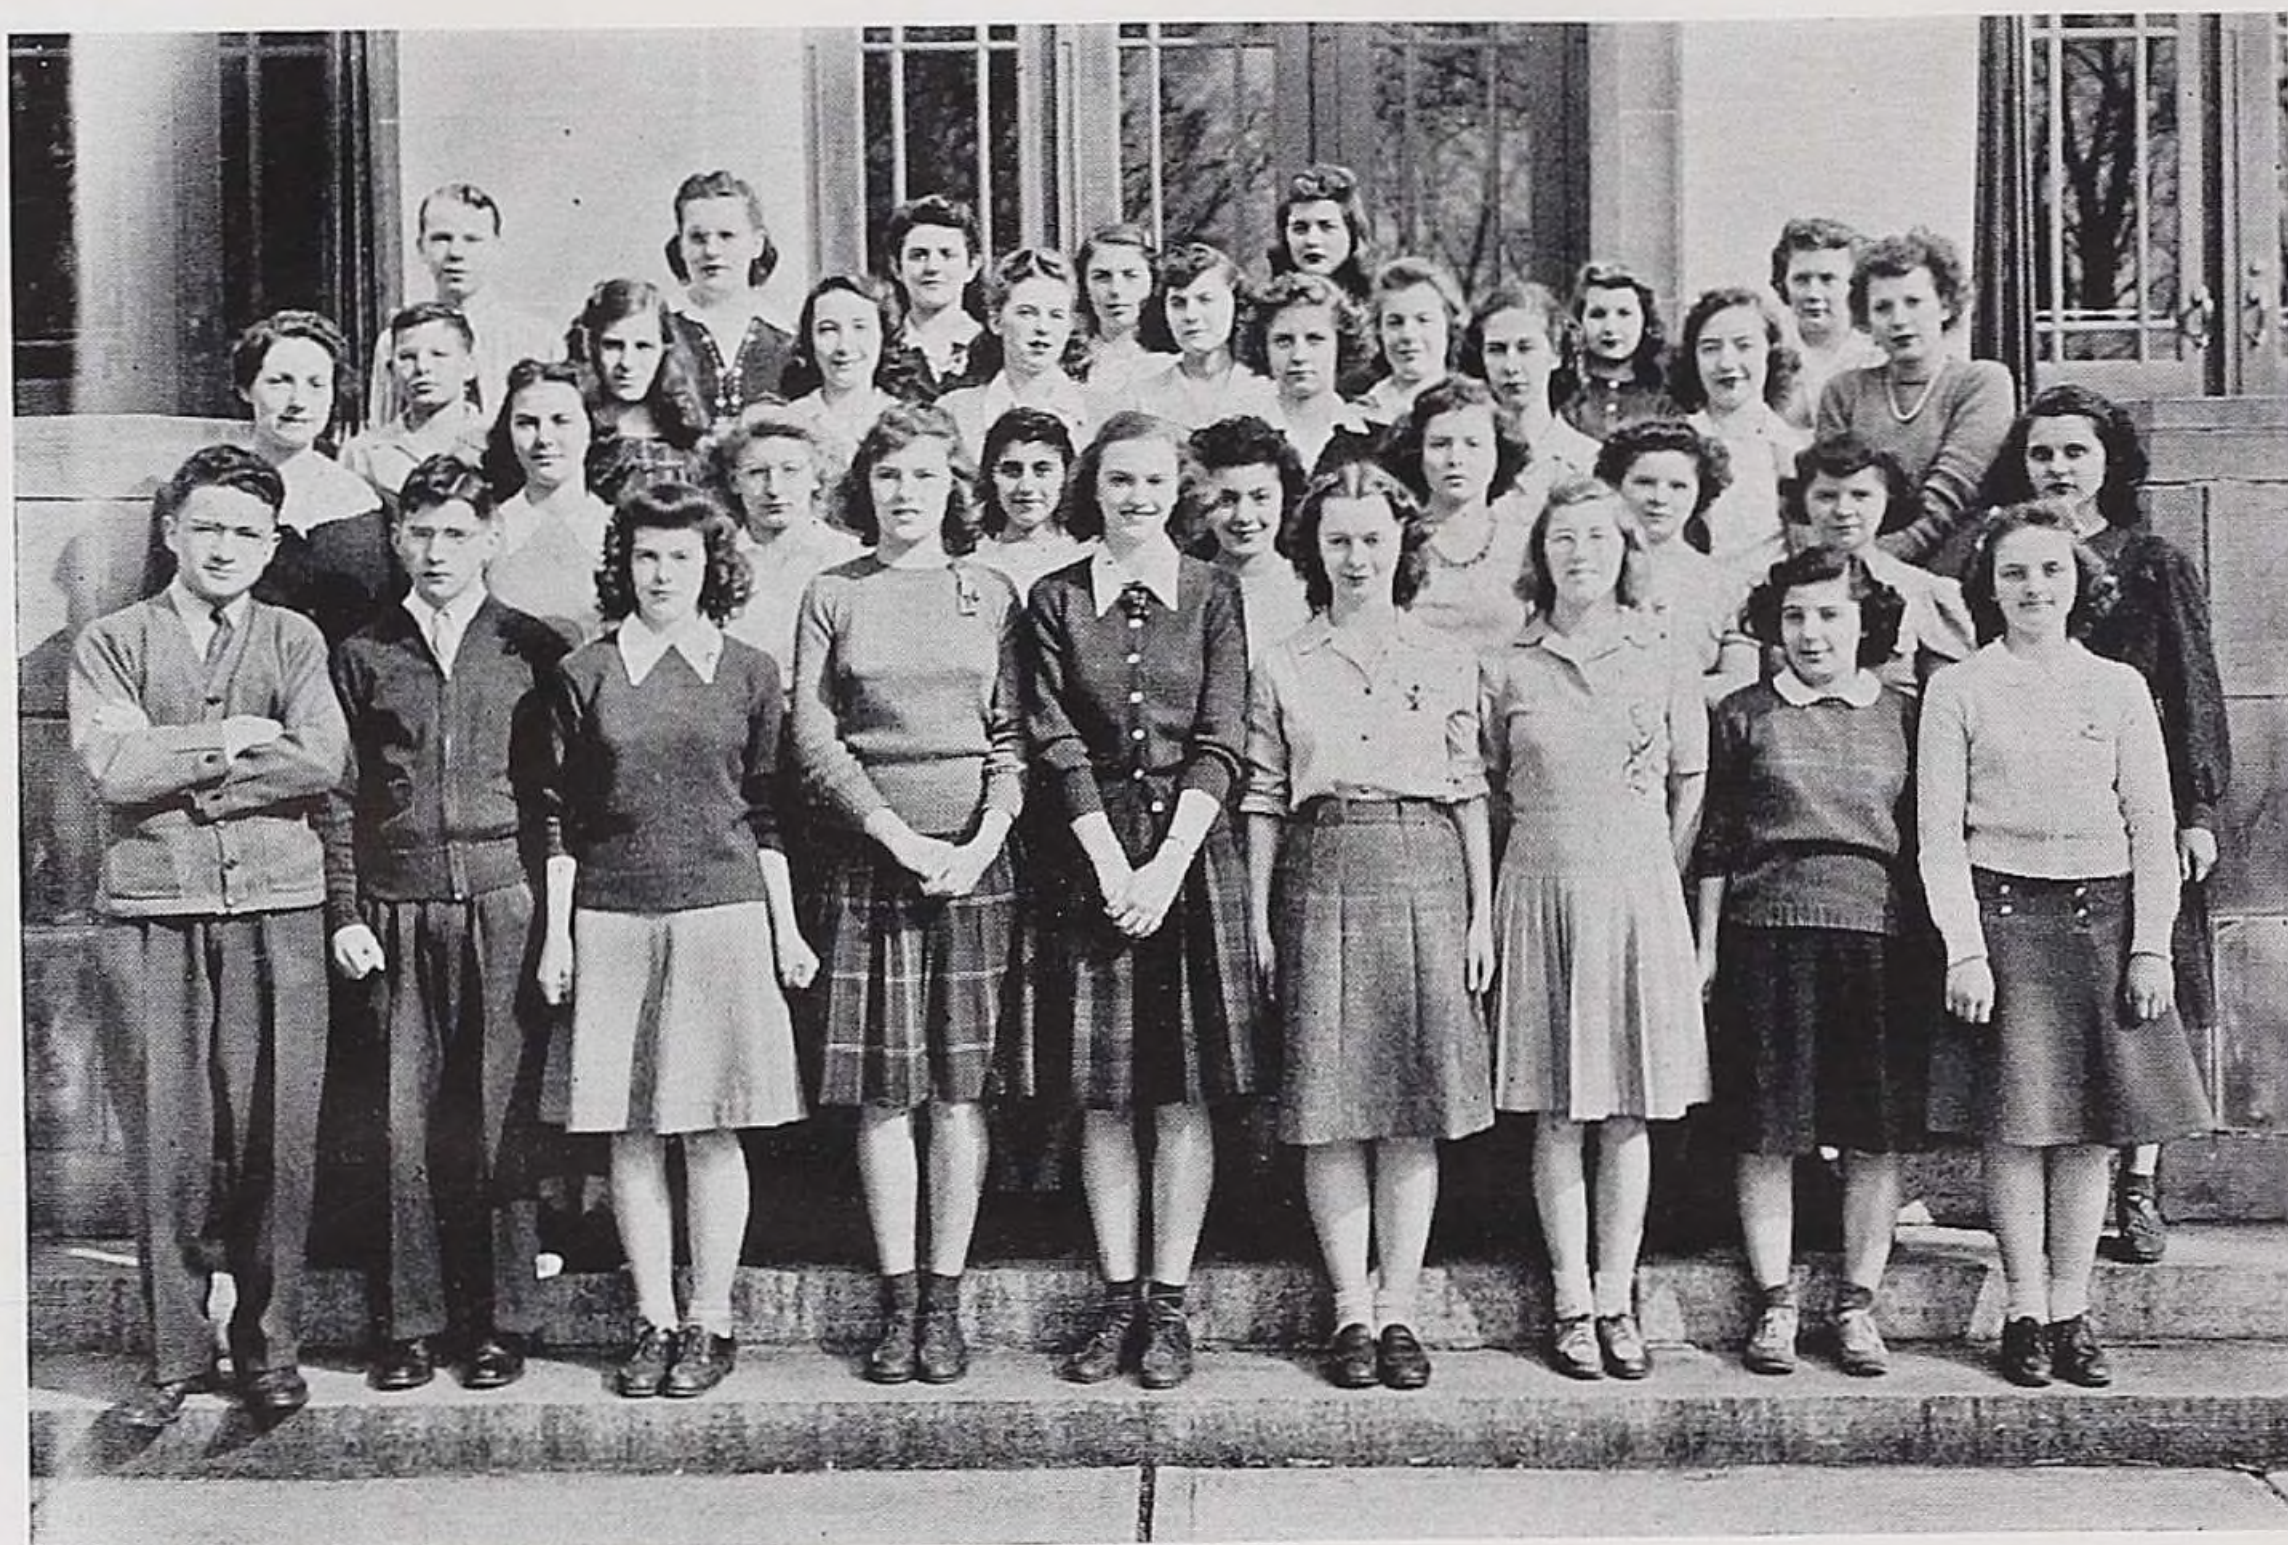

Because of the great demand for secretaries in government positions today, we also made a thorough study of the Army and Navy technique and found it to be entirely different and much more complicated than ordinary business correspondence.

Opportunity was given to learn how to operate the different office machines which our school has to offer, such as: the adding machine, the calculator, the mimeograph, the mimeoscope and even the switchboard in the school office.

This club is not only beneficial to the commercial students, but it also offers a real opportunity for those students who do not have the chance to fit any of the commercial subjects into their course of study.

FOR the present, France has had a crushing blow, but its language, cities, great men, and interesting structures have been kept alive during the sessions of Le Cercle Francais, the French Club of Olean High School, which has been in progress for many years. Meetings were held bi-weekly during the school year.

Members have enjoyed parties, French plays, games, French readings, and quizzes which were presented by committees chosen by the officers and guided by Miss Trenkle, their adviser. A dime dance was also sponsored by this club together with some of the other clubs of the school.

These meetings are conducted almost wholly in French and provide the members with the opportunity to talk in the beautiful language of France.

This club is open to all students of French and to anyone wishing to participate in the fun and experience which the club offers.

THE CLASSICAL CLUB is composed of those students who desire to further their study of Roman antiquities.

Through the club's activities, in which each member participates, one acquires the ability to express his views convincingly with clearness and force—an indispensable requisite in civic influence. Discussions and debates encourage thought; games and contests broaden one's knowledge of Latin and English vocabulary.

During this time of national emergency, every good citizen must turn his thoughts to the problems at hand. In studying the foundation of our world today, we turn back to the history of the greatest nation of antiquity—the nation that furnished us with the basis of our laws and government, language, and literature. The knowledge of Latin also develops observation, accuracy, and concentration of the mind, and thus lays the foundation of success in business or professional life.

SCIENCE CLUB

It has been the purpose of the Science Club, under the supervision of Miss Hill and Miss MacDowell, to give pupils who are interested in Science a chance to express themselves, to introduce new students to Science, and to introduce new Sciences to the students.

This has been accomplished throughout the year by reports, discussions and demonstrations. Reports and discussions were given on hobbies, plastics, and up-to-minute scientific facts. Demonstrations were given on making hydrogen, dry ice, and blowing glass.

The Science Club worked hard this year to raise money to cover their expenses of the year. They were so successful that they put aside a large fund for next year.

Such spirit, cooperation, and study will help much toward the winning of the war and will give the students a background for the post-war era.

UNDER the guidance of Mr. Smith and Mr. Brown, the Camera Club was re-organized in the latter part of September of last year.

The purpose of the club is to teach students the art of making pictures which includes, taking, developing and printing the picture.

Although the club started out as an inexperienced group it was well organized and the members have worked together until at the end of the year the club functioned as an efficient and modern club. Through the year a gradual improvement was noted in the work of the members, and some very good pictures were made.

EACH home room in the school elected one student to represent the students in that home room. Home rooms 202, 215, 109, 104 elected two representatives. These students lead their respective classes into assembly and perform many other necessary services in their home rooms. They seem to have been somewhat neglected in the past but here, in the 1943 yearbook, we give these 37 students their due. The sponsor is Principal Herbert L. Sackett.

CHEER LEADERS

THE cheerleading squad of 1942-43 closed their season at the county play-offs in Olean. Joey Wallon, Lucie Paglioroli, Mary Timme, Frances Potter, Mary McCready, and Rita Allram led the cheers for the Olean supporters both at home and out-of-town games. All cheerleaders were well pleased with the cooperation and sportsmanship which the Olean students showed this year.

PIGSKIN REVIEW FOR '42

OLEAN 6—CORNING 6

The Huskies started their season with a bang, scoring in the first quarter, but the Corning power was too much and tied the game in the second quarter. Out-weighted, the Huskies held up brilliantly against a stronger team.

OLEAN 7—DUNKIRK 0

The Huskies came into their own, pounding out their first victory against the heavier Dunkirk team. The winning score came in a wild third quarter on a short pass from Hannon to Panada.

OLEAN 35—WELLSVILLE 0

Knee deep in mud, the Huskies roared to a 35 to 0 win over the fighting but outmanned Wellsville club. "Gotta" Hannon was the mainstay of the Huskies' attack, scoring 20 out of the 35 points scored in that game.

OLEAN 13—JAMESTOWN 35

Olean suffered the first and only defeat of the season at the hands of the undefeated Jamestown team. The Huskies fought valiantly and though out-weighted, broke the Moonmen's proud unscored slate.

OLEAN 7—HORNELL 0

Out-weighted as usual the Huskies went on to smash the Red Raiders of Hornell 7 to 0. Fumbles slowed down the Huskies' attack and many times saved the day for Hornell.

OLEAN 14—GOWANDA 0

The Huskies met a strong Gowanda team and rang up another victory. The Huskies scored twice to make the game all theirs.

OLEAN 6—BRADFORD 0

The Huskies brought their 1942 football season to a successful and by plastering a 6 to 0 powerhouse defeat on the Bradford Owls ending their six year victory in this annual classic. True, the Huskies did not swamp the Owls with points, but they did with everything else. Olean scored 17 first downs to the Owls four. That pass from Hannon to Kervin which came in the fourth quarter, culminating a ninety-yard sustained drive down field, just took care of the scoring matters.

The season all in all was a successful one for Olean.

THE J. V.'s

THE JUNIOR VARSITY did not have as easy a time as their senior brothers and were able only to eke out two victories during the season. Their scores are as follows:

Olean	0		Allegany	20
Olean	0		Bolivar	13
Olean	0		Cuba	6
Olean	6		Cuba	0
Olean	7		Port Allegany	18
Olean	13		Bolivar	6
Olean	7		Portville	26

The Lowest Price, That's All!

Don't worry too much about Mr. Lowest Price—his proposition glitters only at first glance. Buyers of printing seldom are fooled by him more than once. He spikes his own game with the delivery of the job—in fact, he gives the show away with the very first proof Remember: the salesman who sells brains and craftsmanship, who can create good selling ideas and put them on paper, has no competition from the out-and-out price cutter.
