OLEAN HIGH SCHOOL
OLEAN, NEW YORK
FOR THE SCHOOL YEAR 1943-44

"This generation of Americans has indeed a rendezvous with destiny"

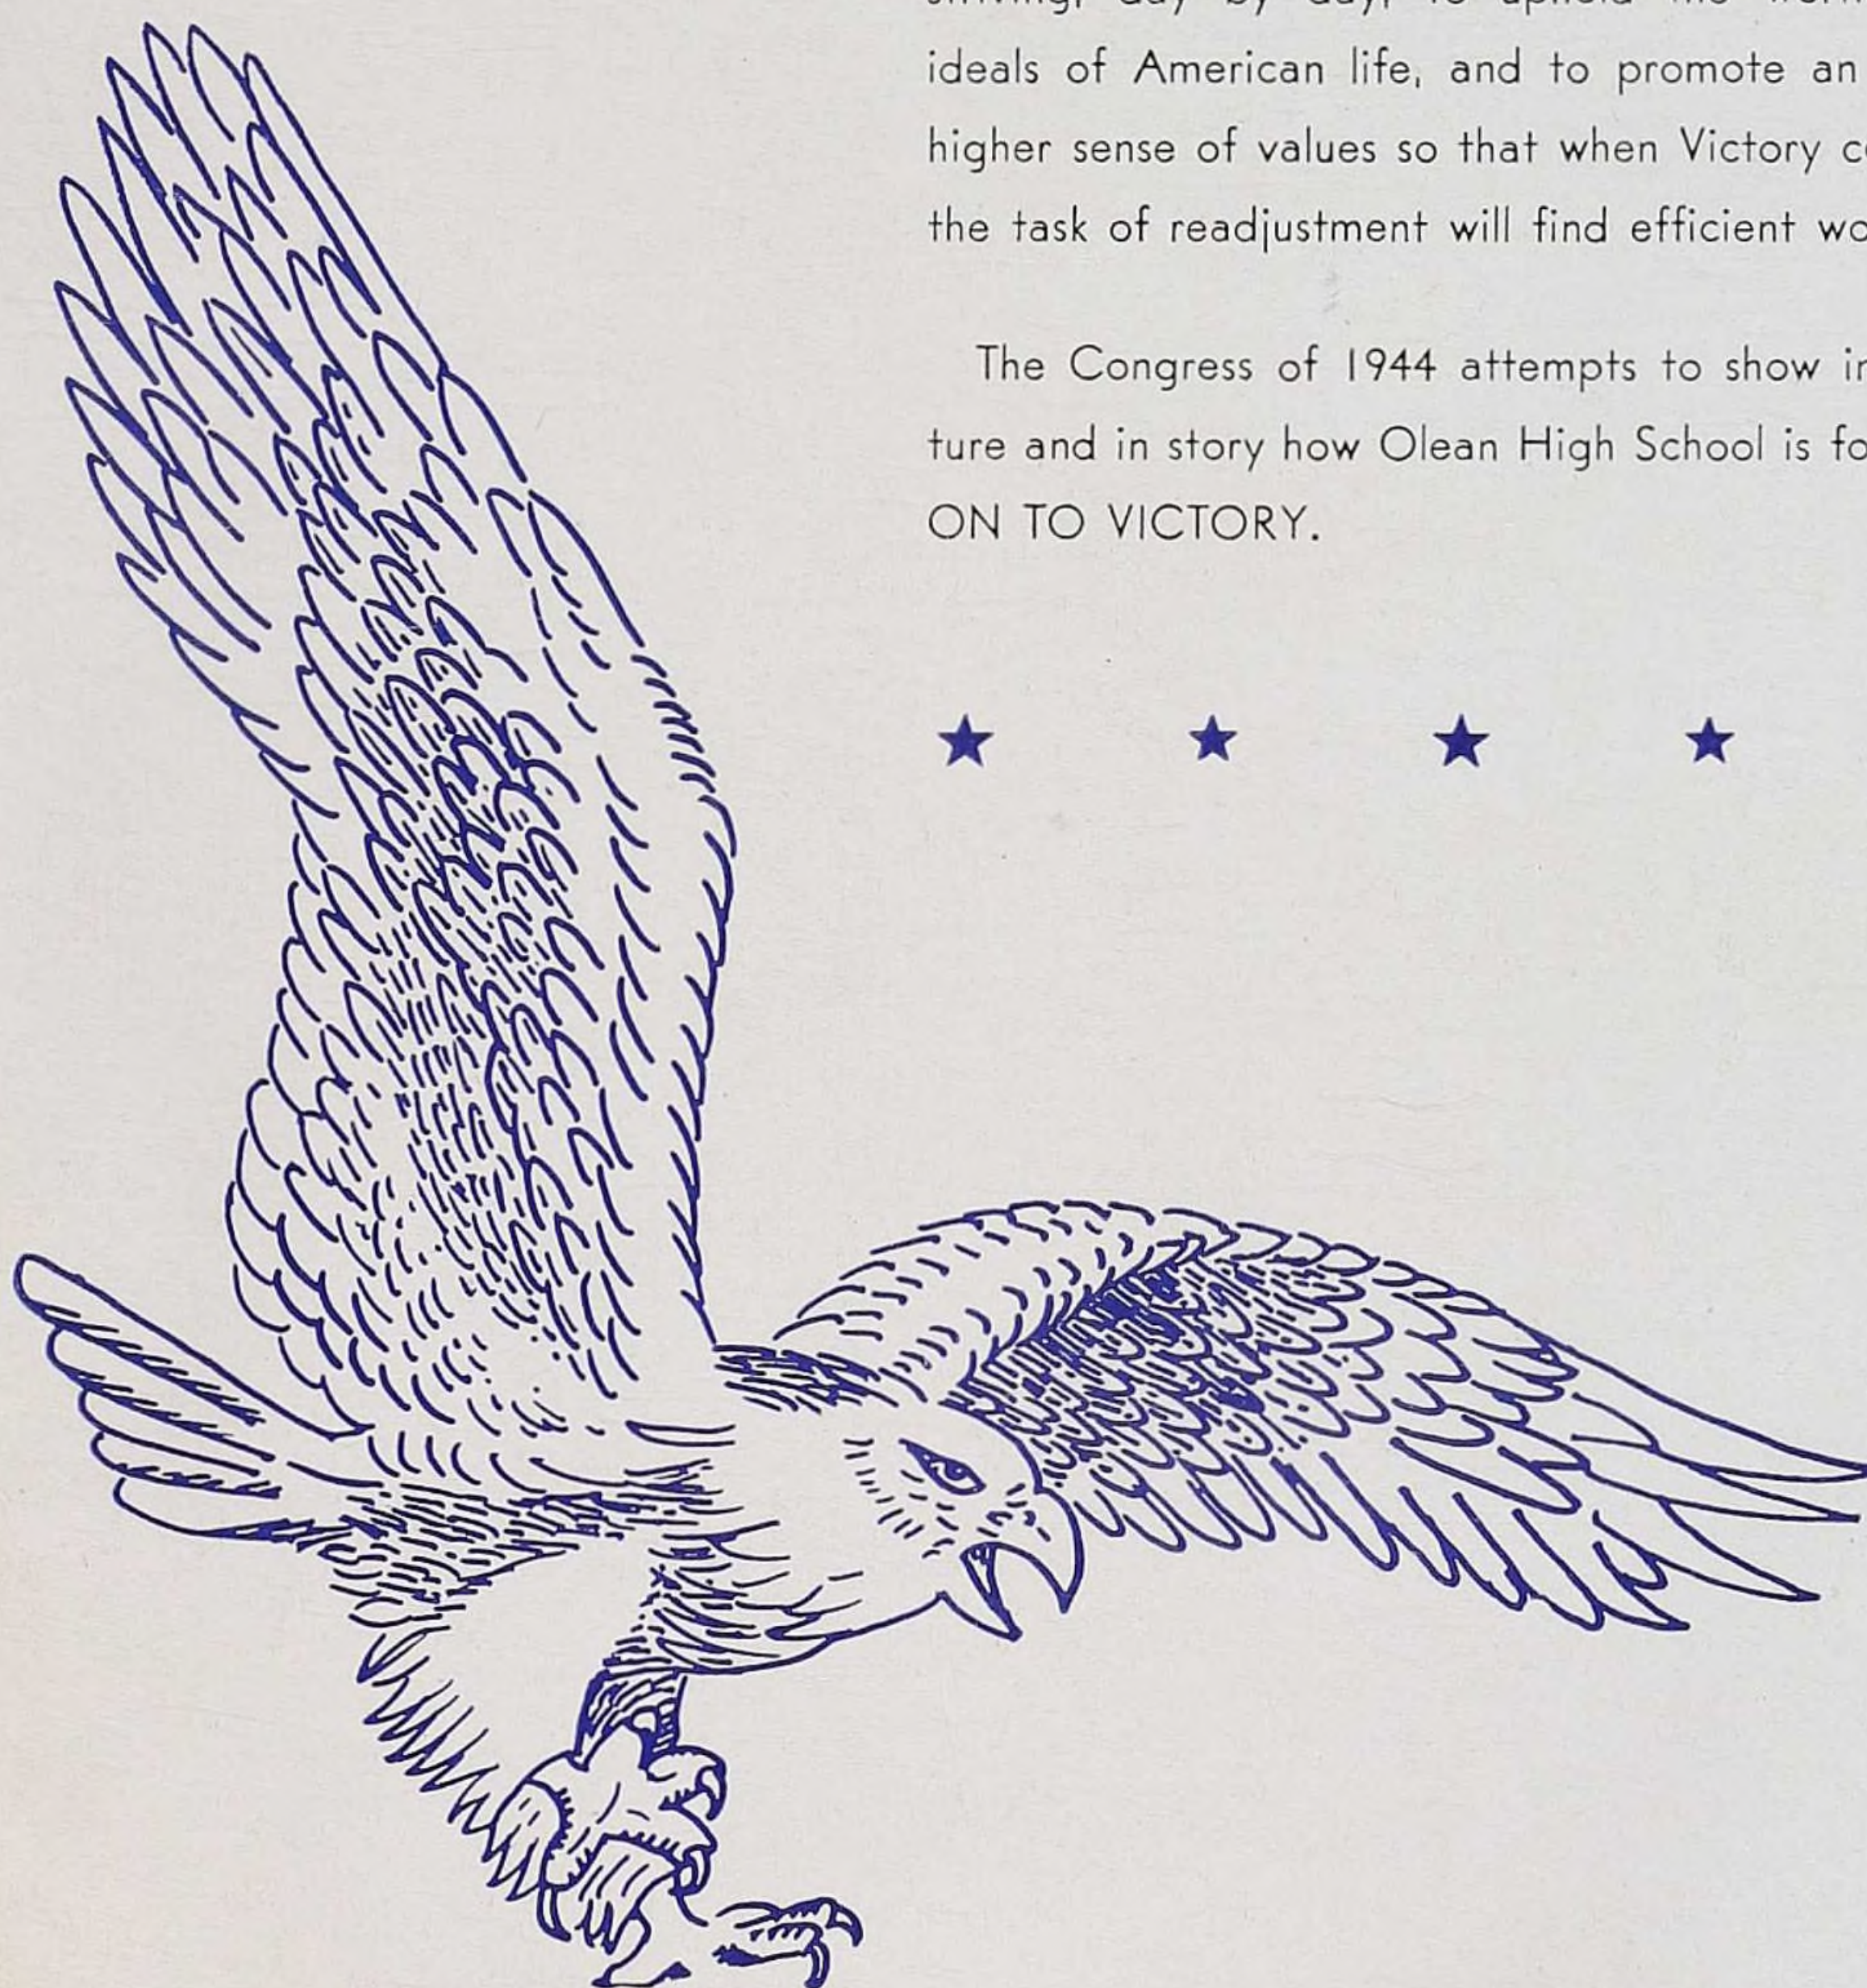

—FRANKLIN D. ROOSEVELT

Foreword

ACROSS the seven seas, on every continent in the world, Olean High School has sent her sons and daughters, giving their lives if need be, to bring a victorious close to the greatest undertaking in American history.

At home, teachers and pupils alike are earnestly striving, day by day, to uphold the worthwhile ideals of American life, and to promote an even higher sense of values so that when Victory comes, the task of readjustment will find efficient workers.

The Congress of 1944 attempts to show in picture and in story how Olean High School is forging
ON TO VICTORY.

Alma Mater

Oh Alma Mater fair and true
Thy honor we acclaim,
We rally 'round the Red and Gold
To laud thy noble name.
In thee we students shall renew
Our faith of days gone by;
Across the years, we'll live anew
Thy spirit, Olean High,
Across the years, we'll live anew
Thy spirit, Olean High.

—BRADY SHOFF '31

MR. ERNEST H. HOELDTKE, Principal of Olean High School

Because he has recently come among us as our Principal and our leader; because he has won our respect and admiration; and because he is leaving us to enter the armed forces of the United States, we dedicate this, the 1944 Congress, to Mr. Ernest H. Hoeldtke.

Ernest H. Hoeldtke

(*) Denotes that these men have given their life for their country.

NOTE: This list of one-time students of the Olean High School was compiled from data furnished by the local draft board, the Olean recruiting officers for the Navy, the Marine Corps, the Coast Guard, the files of the Olean Times Herald, and names submitted by the student body.

The list is admittedly incomplete,—since many of our graduates and former students have enlisted from other induction centers. But it is, at least, a goodly proportion,—and we offer it as representative of the honored group of O. H. S. heroes who are, in different branches of the Armed Forces, loyally serving their country.

HOME ECONOMICS CLUB

THE first Home Economics Club of Olean High School was organized in January of 1927. Since that time it has been active and has sponsored many interesting projects.

In September, 1940, through this group a Junior Red Cross Unit was organized which has been responsible for quotas of sewing, Pearl Harbor activities and an assembly. In February at the completion of a course, Home Nursing certificates were awarded by Mrs. Fairchild, a representative of the Red Cross, to twenty-two girls at a special assembly.

More on the social side, at the beginning of the year, the club gave a tea in the apartment to welcome Mr. and Mrs. Hoeldtke, and has since served four teas for the Parent-Teacher's Association.

In the history of the club, four plays have been published. On January 7 of this year, another original play entitled "Today and Then Tomorrow" was presented in assembly.

Articles on student club activities have been published this year in the New York State Home Economics Club Association Magazine, and also in the National Club Magazine, with both of which organizations, this club is again associated.

PAM POWERS, with the ingenuity of a fourteen year old, manages the affairs of her family, her relatives, and her friends. Pam's best pal, Marge Farrell, shares Pam's enthusiasm and helps solve the Powers' family problems. Edwina, Pam's older sister, much interested in boys with cars, adds Jack Marriner to her conquests. The play opens soon after an automobile accident in which Mrs. Powers is injured while driving with one of Edwina's friends, Dexter Carlton. Because of the accident, the household is enlarged to include a stern nurse, Miss Vanniger, and Mrs. Powers' attractive sister, Pheobe Lord. Dr. Doug Kirkland, the family doctor and Pheobe are in love, although Pam's choice for her aunt is a South American actor, Michael Alvarado. Michael eliminates himself by eloping with Sylvia Ashton, a neighbor. Mr. Powers, entirely absorbed in business affairs, leaves the household somewhat in the care of Pislaam the maid. After amusing complications, the play ends happily, with Pam and Marge about to visit their beloved Hollywood.

THE REARDONS are a typical American family whose peculiarities, although hilarious, are only normal. Laura, the mother, is a social climber. She is deliriously happy because she has engineered a match between her daughter, Marcia, and wealthy Sherwin Parker. The youngest Reardon, Penelope, is a demon with a slingshot and the piano; Warry, the only son, is positive he is the coming Eugene O'Neill; Reginald, the father, would rather tinker with the automobile than with ticker tape; and Nana, the wise-cracking grandmother, is only concerned with Bing Crosby records and getting rid of the Parkers.

Nana succeeds in doing this with the help of Cousin Lily, an adorable liar from down home, with stage ambitions. Lily agrees to impersonate another Cousin Lily if Nana will help her get an acting job. Her performance as the skeleton in the Reardon closet is so convincing and the facts she reveals so shocking that the mighty Parkers take to their heels in a hurry; and Marcia is reunited with the boy she really loves.

DURING the past year, the Student Council was one of the important functioning bodies of Olean High School.

The year's activities were initiated by the P. T. A. membership drive. The council also cooperated in the planning of assemblies and the sale of war bonds and stamps. The qualifications for the 20-point letter, goal of every ambitious student, were examined and approved by the Council. The members of the Council also elected the cheerleaders who led the cheers for the Huskies, both at home and out of town.

Mr. Ernest H. Hoeldtke is the sponsor of the Student Council.

As usual, and despite war time restrictions, the Congress Staff has worked diligently to produce a successful yearbook. The aim has been to give the students a record that will recall every phase of school life—friends, teachers, classes, and all those things that go to make a school year memorable.

Each week, this group has written the Congress for the Olean Times Herald. These columns have recorded the activities of the preceding week, and in general voiced the policy of the school.

THE CLASSICAL CLUB is composed of those students who wish to further their knowledge of Roman customs, costumes, and laws.

Through discussions and debates, games and contests, one's knowledge of Latin and English vocabularies is broadened.

During this time of national emergency, every good citizen must turn his or her thoughts to the problems which are now facing him. In studying the foundation of our world's culture today, we turn back to the history of the greatest nation of antiquity—the nation that furnished us with the basis of our laws and government, language, and literature. The knowledge of Latin also develops observation, accuracy, and concentration of the mind, and this lays the foundation of success in business or professional life.

Advisers		

EVERY Tuesday afternoon, Room 102 is the scene of a lively discussion for "We the Students" is in full session there. The problems of democracy are considered, remedies suggested, and new ideas contributed that may be official someday.

Heated debates have occurred now and then during the course of the year. Some of the topics considered were: What to do with Germany after the war; Labor, and a favorite topic among the several members was the coming election.

"We the Students" has been one of the outstanding clubs of the year as it provides both pleasant social associations and worth while information upon topics that are necessary for every well-read individual with which to be familiar. The "We the Student's" club was organized in 1940 and bids fair to continue to be an active discussion group for years to come.

JUNIOR RED CROSS

OUR JUNIOR RED CROSS is a branch of the national organization in which all students from kindergarten through high school received membership through the home room membership drive in the fall. This drive netted us in high school a membership of over one thousand students, and over eighty dollars in cash.

A group called the Junior Red Cross council composed of members selected from all schools in the city, and in this district, controls the organization. The council meets monthly to go over business matters, to offer helpful suggestions, and to plan details of drives.

The boys of the council have done considerable of the heavier work for the organization. They have collected the woolen scraps from the barrels in front of the various stores; they have cleaned a Red Cross work room and packed away materials; they ushered at the Red Cross rally in the auditorium—in fact they have been most helpful.

A group of over twenty girls of our high school formed a club called the Junior Red Cross Work club. They planned to meet weekly to knit afghans, but were willing to do anything to help. They knitted blocks for an afghan featuring a large red cross in a white field with a border of blue; they have made utility bags and hot water bottle covers for hospital use; they have worked for the Senior Red Cross by setting tables for the Red Cross breakfast held at the beginning of their War Relief drive, and by doing errands. Some of the commercial students in the fall ran mimeographs and assembled the many pages of the annual report of the local Red Cross chapter.

The Junior Red Cross of our school has helped to put the finances of the chapter on a good basis; the membership drive money is used partly for local work, such as buying yarns, and other materials, and partly for the relief of needy children in devastated countries. Two hundred dollars was used for this relief work. The paper salvage drive sponsored by the council, but carried on by the grade schools, netted over a hundred and twenty-five dollars, which was given to help fill Olean's quota for the annual Red Cross War fund.

OIL PAINTING CLUB

JOYCE JOHNSON	- - - - -	President
ANN CULVER	- - - - -	Vice President
CAROL LINGENFELTER	- - - - -	Secretary and Treasurer
MISS BALL	- - - - -	Adviser

THIS year instead of having the Sketch Club as formerly, pupils interested in oil painting formed a new club known as the Oil Painting Club.

In this club the students bought their own oil paints, brushes, palettes, oil, turpentine, and canvasses. They met in the Art Room once every two weeks and occasionally on the alternate Tuesdays.

Reproductions of oil paintings and originals were studied for technique and for inspiration. Demonstrations were given by the club adviser, Miss Ball. At first, copies were made in order to learn to mix colors and to plan compositions. Later original paintings of still life, portraits and landscapes were attempted.

In March an exhibit of the first paintings was held in the Art Room. In June there was an exhibit of the originals.

Much interest was shown in the club, and no doubt it will be a permanent organization in the future.

THE DRAMATIC CLUB of Olean High School is still one of the enjoyable clubs of the school. An active membership of more than seventy-five has been maintained throughout the year.

Members of the Dramatic Club have put on plays both for the other members of the club and for assembly programs. The advisers gave the members lessons on pantomime and conducted several quizzes pertaining to the theatre. Readings and monologues were also used for entertainment.

This club has not only been an asset to its members, but to the school as a whole.

WAYSIDE is the oldest organization in Olean High School, as it has been meeting for over forty years. The Junior and Senior girls are eligible for membership in the club and the spirit of friendship and loyalty is promoted among these girls.

At the first meeting, Miss Percival instructed the girls in parliamentary law, and the later programs were carried on according to these rules.

Programs were given by speakers and members of the club themselves. Very interesting bi-weekly meetings were held.

An outstanding social event of the school year was the annual Wayside Spring Party in the gym. It proved to be a very colorful and enjoyable occasion to all who attended.

As usual, Wayside donated five dollars to the Red Cross drive for war relief.

Wayside offers an encouragement to every member toward participation in a democratic and interesting high school program.

TITLE—The Science Club.

OBJECT—To give the pupils of Olean High School who are interested in science a chance to express themselves.

APPARATUS—Books and magazines dealing with science, and equipment from the Chemistry Laboratory.

MATERIALS—Students who are interested in furthering their knowledge of science.

PROCEDURE—Every other Friday afternoon, the future Einsteins of America meet in the Laboratory. There, they have interesting discussions and experiments. For an example: one week they had a discussion on the wonder drugs, sulfa and penicilin. They also tested the reaction of various chemicals.

OBSERVATION—The club members observe each experiment with great interest at the same time learning many new facts.

CONCLUSION—In these days of gigantic undertakings in the field of science, it is important that there be an interest in research and a definite attempt to understand science. The Science Club fulfills this necessity as it encourages its members to express themselves and to delve further into the unexplored realms of modern chemistry.

The picture of this club is used on division page 63.

THE knowledge of the language of France has been of great value during the present war effort. It is of still greater value in the occupied countries.

Le Cercle Francais, the French Club of Olean High School, has been in progress for many years. Meetings were held bi-weekly during this year.

The programs have consisted of French plays, French puzzles, games, quizzes, and French readings, which were presented by committees chosen by the officers and guided by Miss Trenkle, their adviser. The members have also enjoyed several parties.

These meetings are conducted almost entirely in French, thus giving the students the opportunity of gaining further knowledge about the beautiful French language.

Under the able direction of Miss Trenkle, "Le Cercle Francais" has become one of the outstanding extra-curricular activities in Olean High School and will welcome into its membership many more students of French in the years to come.

THE GIRLS' HI-Y CLUB is a Christian organization which endeavors each year to promote clean sports, clean speech, clean scholarship and clean living, and thereby to make courageous and worthwhile American women. The meetings of the Girls' Hi-Y Club are held at the Y. M. C. A. where monthly a speaker is heard.

The activities of the Girls' Hi-Y have been a bake sale, rummage sales and skating parties.

This year, the club sent Joan Duffy and Patricia Weis to the Fredonia Hi-Y Conference and Joan Duffy to the Conference at Albany.

The pledgees for this year were Barbara Lee, Nancy Kelly, Joan Severn, Molly Boyle, and Delores Baker.

ONE of the leading and most active clubs of Olean High School is the Boys' Hi-Y. This club has long been noted for its spirit of enthusiasum and cooperation. This spirit is what sends the American boys on to Victory. We meet once a week under the able guidance of Mr. Ellsworth Brown, faculty adviser.

The past year has proved to be most successful. Our organization sponsored sport dances, sleigh-rides, and a most successful card party.

Delegates were sent to the annual Hi-Y Conferences at Fredonia and Albany. At the Fredonia Conference Robert O'Melia was elected president for the Boys' Hi-Y Clubs in this area. Our club has also been participating in the publishing of the area Hi-Y paper.

Our club enjoyed the Pledgees' Dinner Dance which was followed by the annual June banquet. This banquet brought to a close the club year 1943-1944.

THE HORIZON CLUB is the senior organization of the Camp Fire Girls. Each year this club undertakes a project which is helpful to the war effort.

Last year the girls were Canteen Aides and now have the right to wear the official Canteen Aide uniform. This year, the group is serving at the Olean General Hospital as Junior Nurses' Aides. The club has also purchased a bond toward an ambulance plane.

February 29, 1944, the annual Mother and Daughter Banquet was held. Prizes were presented to the groups having the most original table decorations.

Betty Weis, Patty Sturm, Molly Rodie, Marilyn Curtis, June Brandon, Jacquelyn Lish, Patty Clark, Susan Richards, Pat Kelly, and Patty Weis received their Nurses' Aides Caps for having served more than 25 hours.

Sleigh-rides, parties, and various forms of program entertainment were enjoyed during the year.

THE A. M. C. chapter of the Girls' Hi-Y is celebrating its sixth year. This chapter was organized to bring together the girls of high school age and to teach the principles of clean speech, clean sports, and clean living.

Charlene Peterson and Gene Piatt, as delegates, attended the Hi-Y conventions at Fredonia and Albany in November and December. Another activity was a successful bake sale.

The A. M. C. members have entertained and helped at several occasions including the Mother and Daughter Banquet at the Stratton. These occasions have revealed the willingness of the girls and their generally good spirit of socialability. This club, along with all the other Hi-Y clubs in the United States, is learning true democracy by working together for the common purpose of helping one another.

N. Y. STATE HONOR LEAGUE

THE NEW YORK STATE HONOR LEAGUE is an honorary state-wide organization of high school students who rank highest in scholastic ability and extra-curricular activity. The purpose of the league is to promote good scholarship and school citizenship.

The members of the League in each high school are chosen by two votes. A list of all seniors with the highest grades, up to and including the previous January examinations, is first submitted to the teachers. They select from this list a number, equal to fifteen per cent of the class, of those whom they consider of the finest character and of most value to the school.

The result of the teacher vote is then submitted to the members of Senior class who then select ten per cent of the number of the Senior class for the year. Character, value to the school, and future promise are the points upon which their selection is based.

The 1944 New York State Honor League members chosen in Olean High School are:

THE LIBRARY 1943-44

THE library's outstanding contribution in the fall of this year was bibliographies. Seventeen of these aids were compiled by Miss Schleich as follows: three for General Reference, one each for American History, Civics, and Science, and eleven for World History, our new tenth year course in Social Studies.

Early in Book Week, November 14th-20th, Patricia Lippert, one of our student staff, broadcast as the topic for home room discussion the Care of Books both Text and Library. A Book Care Daily Reminder contest resulted, in which the first prize was won by Miss Driscoll's boys and the second by Miss Gould's girls—a poster in each case—and honorable mention by the home rooms of Miss Percival and Miss Noonan.

All that week, lists of the John Newbery, the Nobel and the Pulitzer prize winners with as many of their books as the library has, were on display. In the Book Week Assembly, Nancy Westbrook, Chairman, a paper on these prizes was read by Donna Watters; and original posters on the Care of Books, were presented to each study hall. These posters were drawn, under the direction of Miss Ball, by John Aiello, Carol Bell, Camilla Brown, Shirley Miller, Gloria Stomerovsky and Jane Zoghibe.

The assembly program closed with a one-act play "Above Suspicion" from "The Free Company Presents" by James Boyd et al, the prologue of which was read by Mr. Wesley Smith. The leading role, that of a refugee boy, was played by Melvin Davidson, supported ably by Patricia Weis, Thomas Hickey, Ruth Randall, John McGranaghan and Dorothy Harris.

All year, both reading advice and books on Current History and English were supplied by request to three of our faculty who have begun advanced work at St. Bonaventure College: Miss Driscoll, Mrs. Lee and Miss Noonan. The library has also been the weekly afternoon meeting place of a faculty committee working on the Digest of the Suggested Proposals for the Betterment of Secondary Schools as requested by the State Department.

THE most important work of all the Olean Parent-Teacher Association in 1943-1944 was the War Stamps and Bonds sales each week in each school. Every Wednesday, Mrs. Callahan was at the table in the high school lobby where between October and May she sold War Bonds and Stamps to the amount of \$2,561.85. The sales in all the public schools in the city rose to the sum of \$43,401.50.

The regular meetings of the P. T. A. were held in the Little Theatre Room on the second Thursday of October, November, February, March and May. Tea was served in the Cafeteria before each meeting. At the May meeting, there was a student program contributed by the presidents of the various classes and organizations of the school.

After the Commencement Exercises, a party was given by the P. T. A. to the members of the class of '44.

"STRIKE!" "C'mon—let's see you pick up that split!" "How about a spare this time?" "Look at that curve!" This is what you hear every Monday afternoon at the Palace Alleys—the Olean High School Bowling Club in full swing!

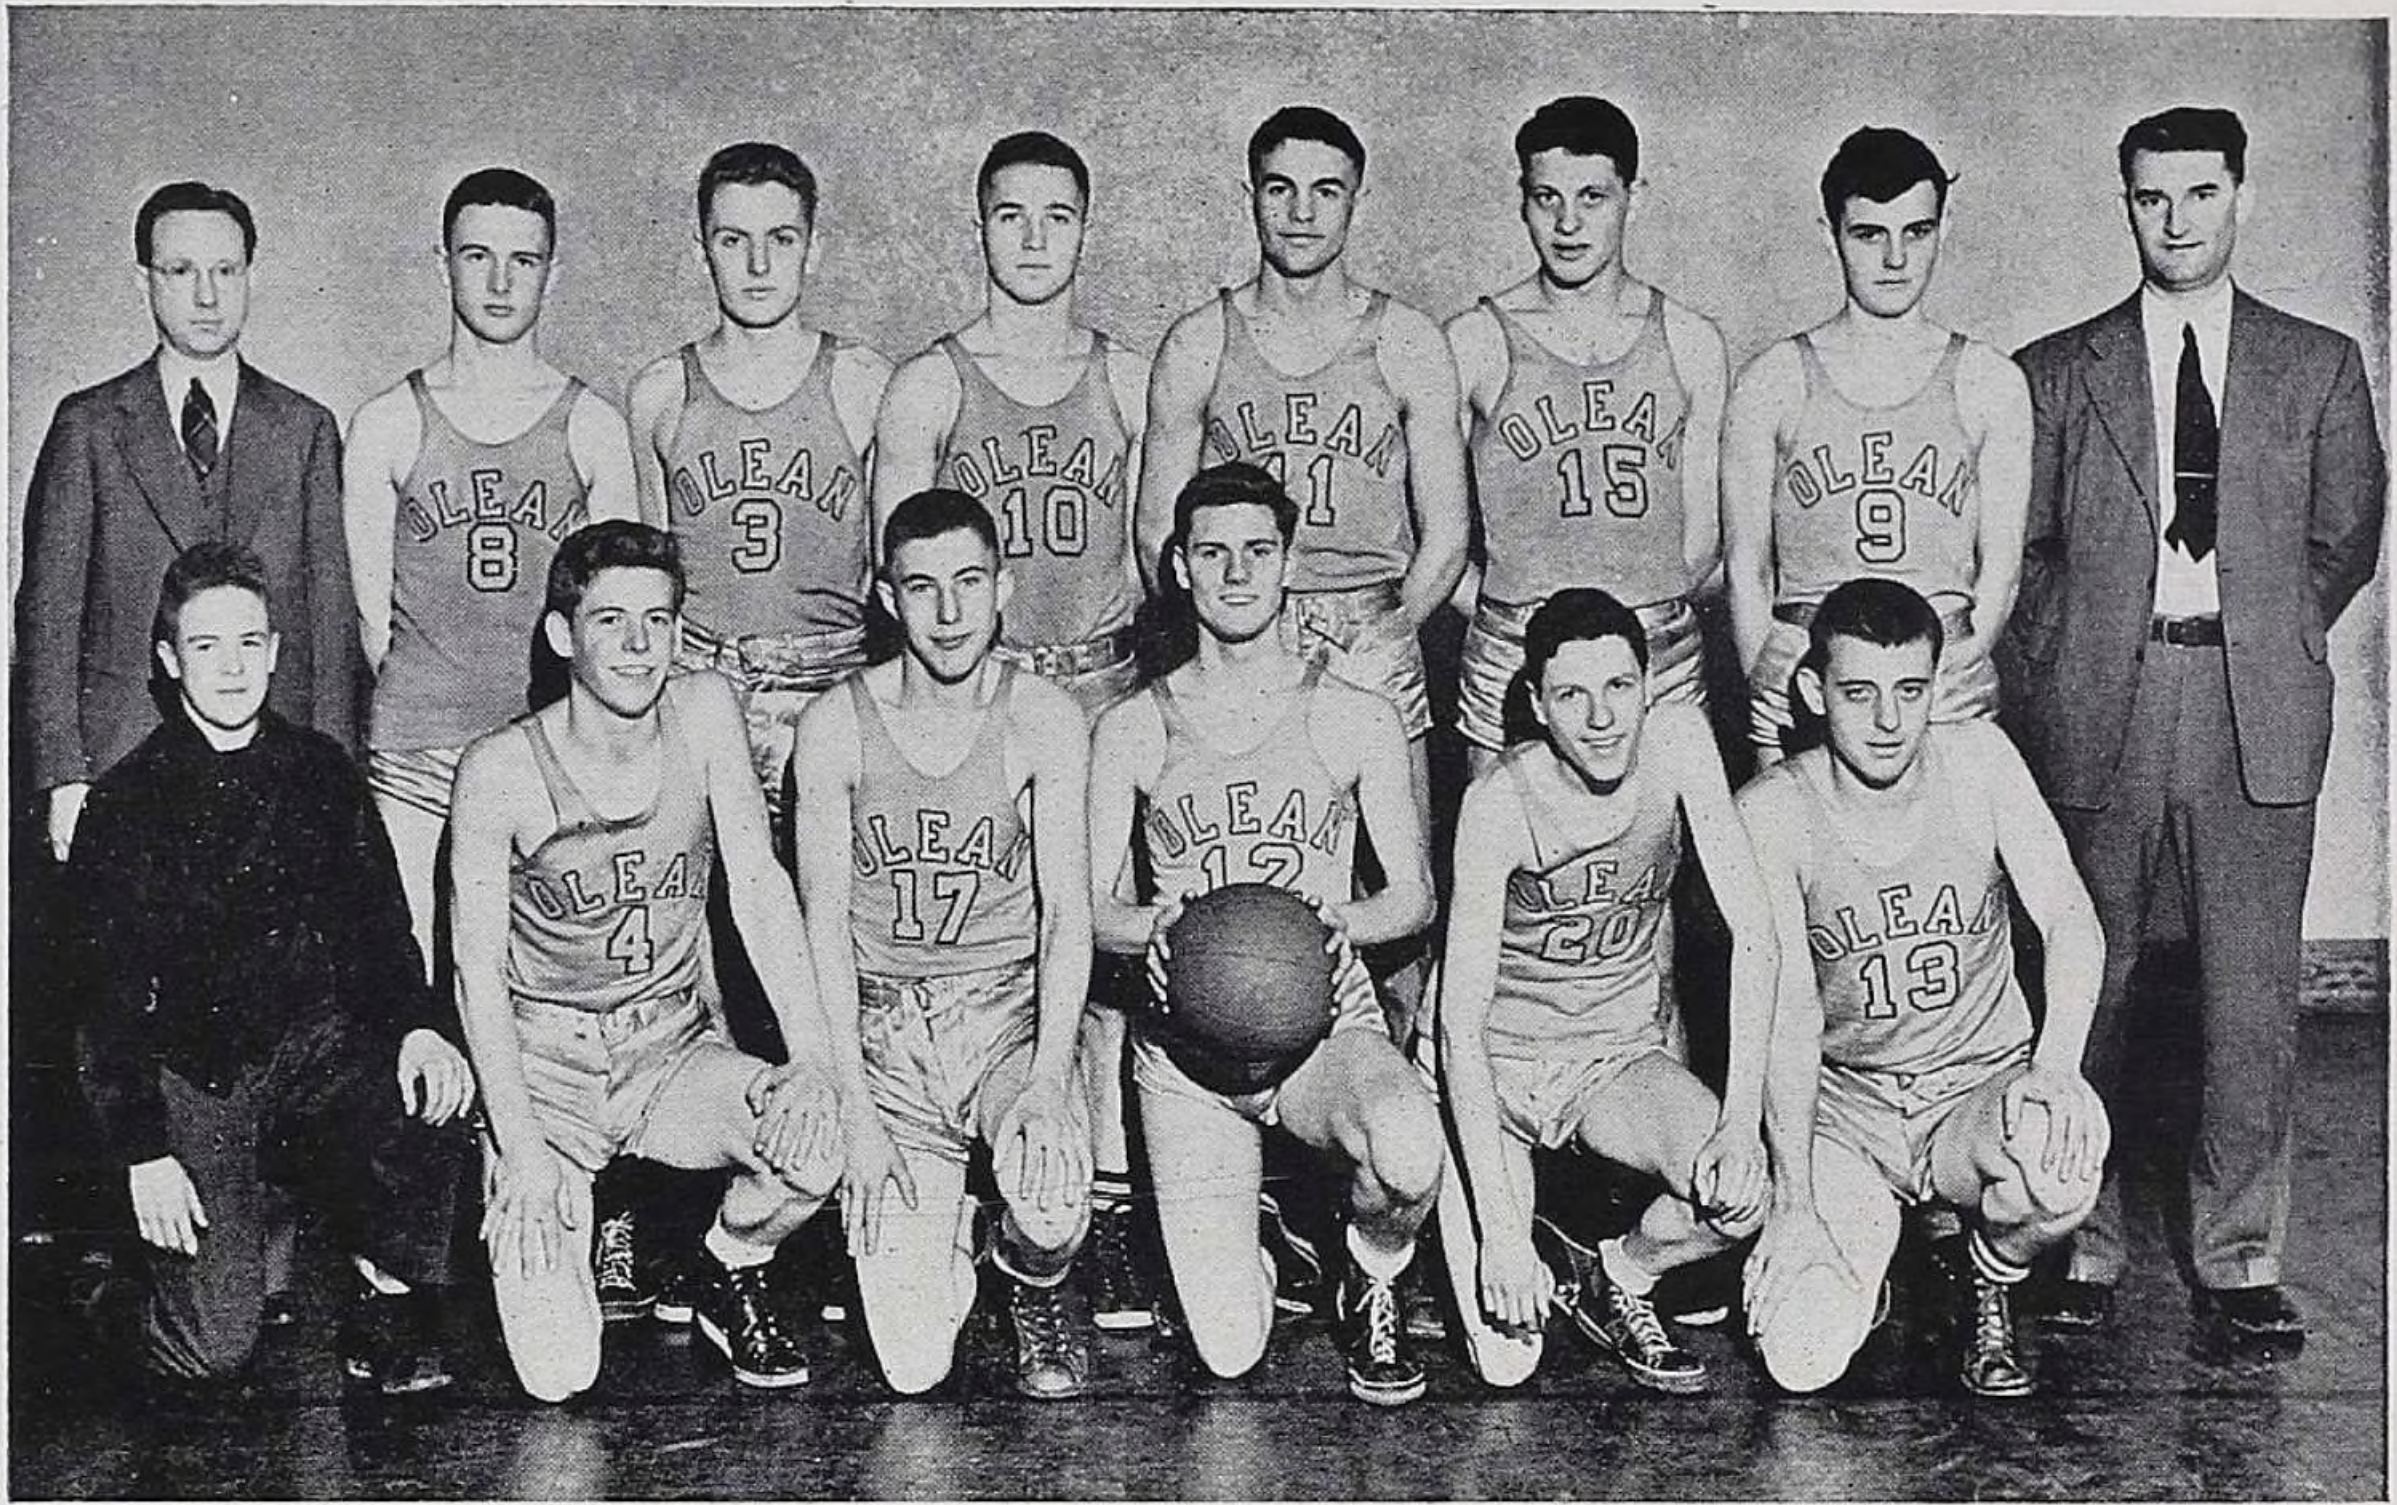

This club was newly organized this year under the direction of two bowling enthusiasts, Miss Lannen and Miss Cieri, who demonstrate their skill (?) occasionally. It is open to anyone interested in this favorite sport. By the regular attendance of its members, it ranks as one of the most popular activities for boys and girls alike.

Have you ever tried to bowl? It's easy. Just keep your ball on the alley and out of the gutter. Aim your ball at the pocket, between the head-pin and the three-pin. Don't aim at the pin boy. He's there to set pins. A curved ball is better than a straight ball if you can control it. When you have a pin in the kitchen, use a straight ball or you may chop it. Are you familiar with these bowling terms? Bowling is such grand fun! You should try it!

for Victory

 Standing: Mr. Brown, James O'Neil, Max Halley, Harold Miller, Russell Abbott, John Kolkowski,
 Gerald McAuliffe, Mr. Smith.

AFTER a year's absence from the court game, basketball was brought back to Olean High School. Under the able guidance of Mr. Arthur Smith and Mr. Ellsworth Brown, faculty advisers, the Huskies had a very successful season considering that there was no nucleus from the year before on which to build. A large number of candidates answered Coach Smith's call to the first practice. Harold Miller and John Kolkowski were the only lettermen returning from the two years before. Russ Abbott, Max Halley, Bob O'Toole, James O'Neil, Jack Gaeta, Bud MacAuliffe, Dan Brown, Walter Melnyk, Bruce Bradley, and Chris Fitch comprised the rest of the varsity squad.

OLEAN 35—HORNELL 41

We started the season at Hornell, losing a close, hard-fought battle to a much taller team.

OLEAN 31—FALCONER 22

Coming back strong in the first home game, the Huskies took the strong Falconer team into camp to the tune of 31-22.

OLEAN 29—DUNKIRK 33

The Huskies journeyed to Dunkirk to lose a heartbreaker 33-29. The Crimson led throughout the fray but their defense crumbled during the last period.

OLEAN 22—ALLEGANY 20

Playing without O'Toole and Miller, the Husky crew eaked out a 22-20 victory over Allegany in our spacious gymnasium. A basket by Fitch in the closing minutes of the game put Olean out in front.

OLEAN 28—BRADFORD 30

In, perhaps, the most exciting game of the year the Golden boys from Olean lost a 30-28 decision to their old rivals from Bradford. The game was nip and tuck all the way. A capacity crowd that had been on edge from the opening whistle made so much noise in the closing seconds that no one heard the referee blow his whistle before "Knuck" Miller scored a basket that would have tied the game. The basket was not counted and Bradford went home with the victory.

OLEAN 31—PORTVILLE 8

Scoring almost at will, we trounced Portville in their gymnasium 31-8.

OLEAN 38—SALAMANCA 18

Getting off to a slow start, the Huskies had little trouble in disposing of Salamanca 38-18 on our own court.

This was the last game for Bob O'Toole, high scoring guard on the Crimson team, who entered the United States Navy. His loss was felt very deeply the rest of the season.

OLEAN 14—BRADFORD 55

The Huskies, although playing brilliantly were no match for the peerless crew of Bradford that night. The Bradford boys had a field day in their own gymnasium and the Olean team came home on the short end of a 55-14 score.

OLEAN 35—RANDOLPH 20

Coming back for a win to make up for the trouncing they took at Bradford the week before, the Crimson journeyed to Randolph and took a 35-20 win. "Bail" Kolkowski, high scoring Crimson center, led the way with 17 points.

OLEAN 30—PORTVILLE 14

Portville proved easy on our court and we walked away with a 30-14 victory.

OLEAN 23—GOWANDA 26

The Red and Gold lost another close game to the tall Gowanda team, 26-23. It was anybody's ball game up to the final minutes of play, when a field goal and a foul shoot gave the game to Gowanda.

OLEAN 25—SALAMANCA '14

The determined Huskies, with Kolkowski, O'Neil and Abbott showing the way, won a hard fought game from the Salamanca team 25-14, in the Indian's small gym.

OLEAN 27—ALLEGANY 29

The Huskies, their defense cracked and their offense sagging on the small Allegany court, dropped a close game to the Blue Devils, 29-27.

OLEAN 33—GOWANDA 52

In a rough and tumble game at Gowanda, with several of the first team out on fouls, the Olean quintet dropped its second game to Gowanda, 52-33.

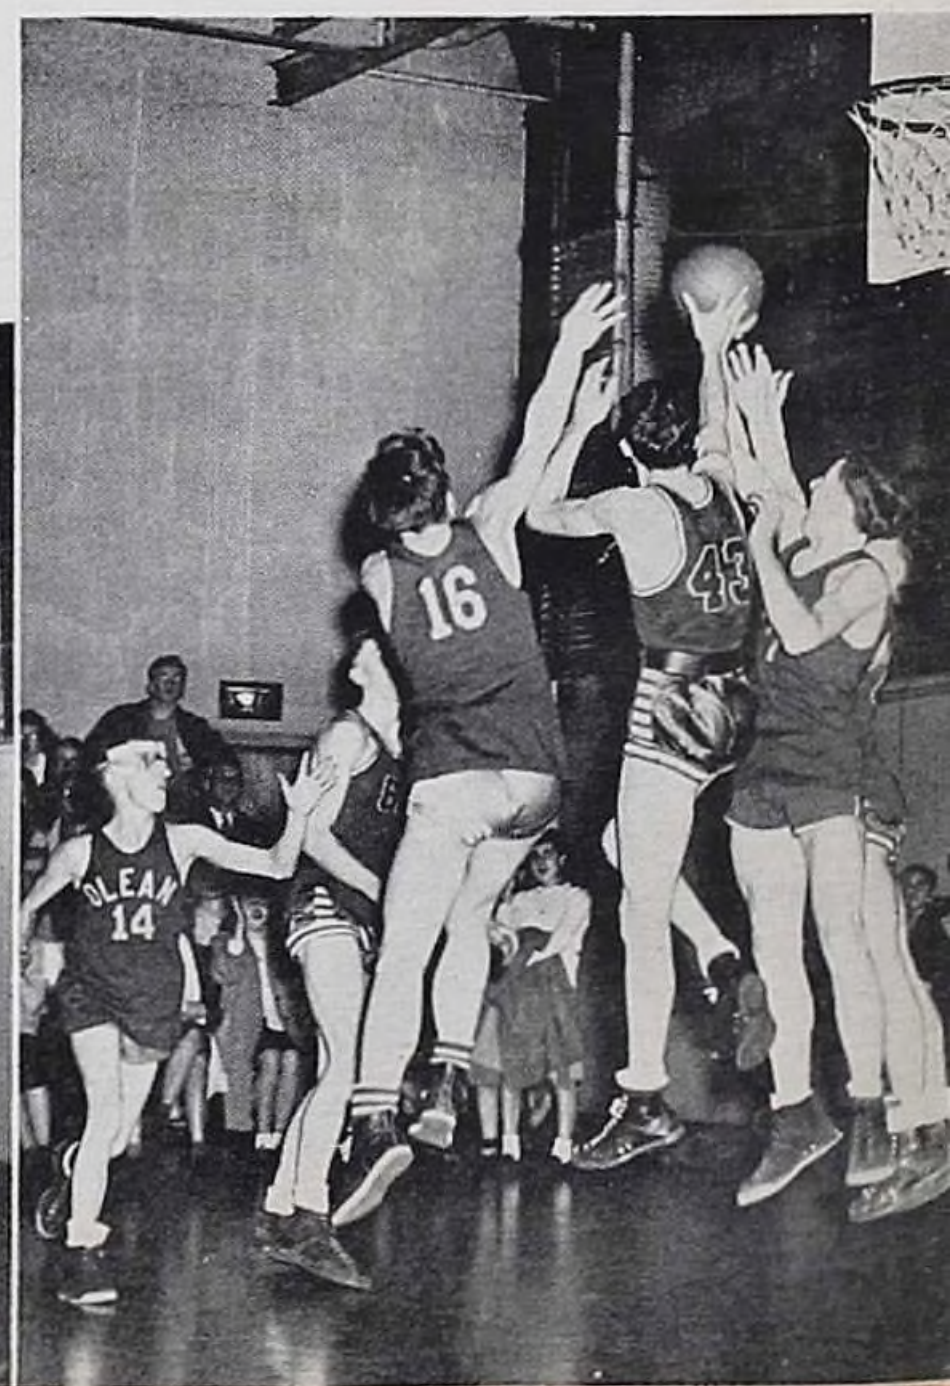

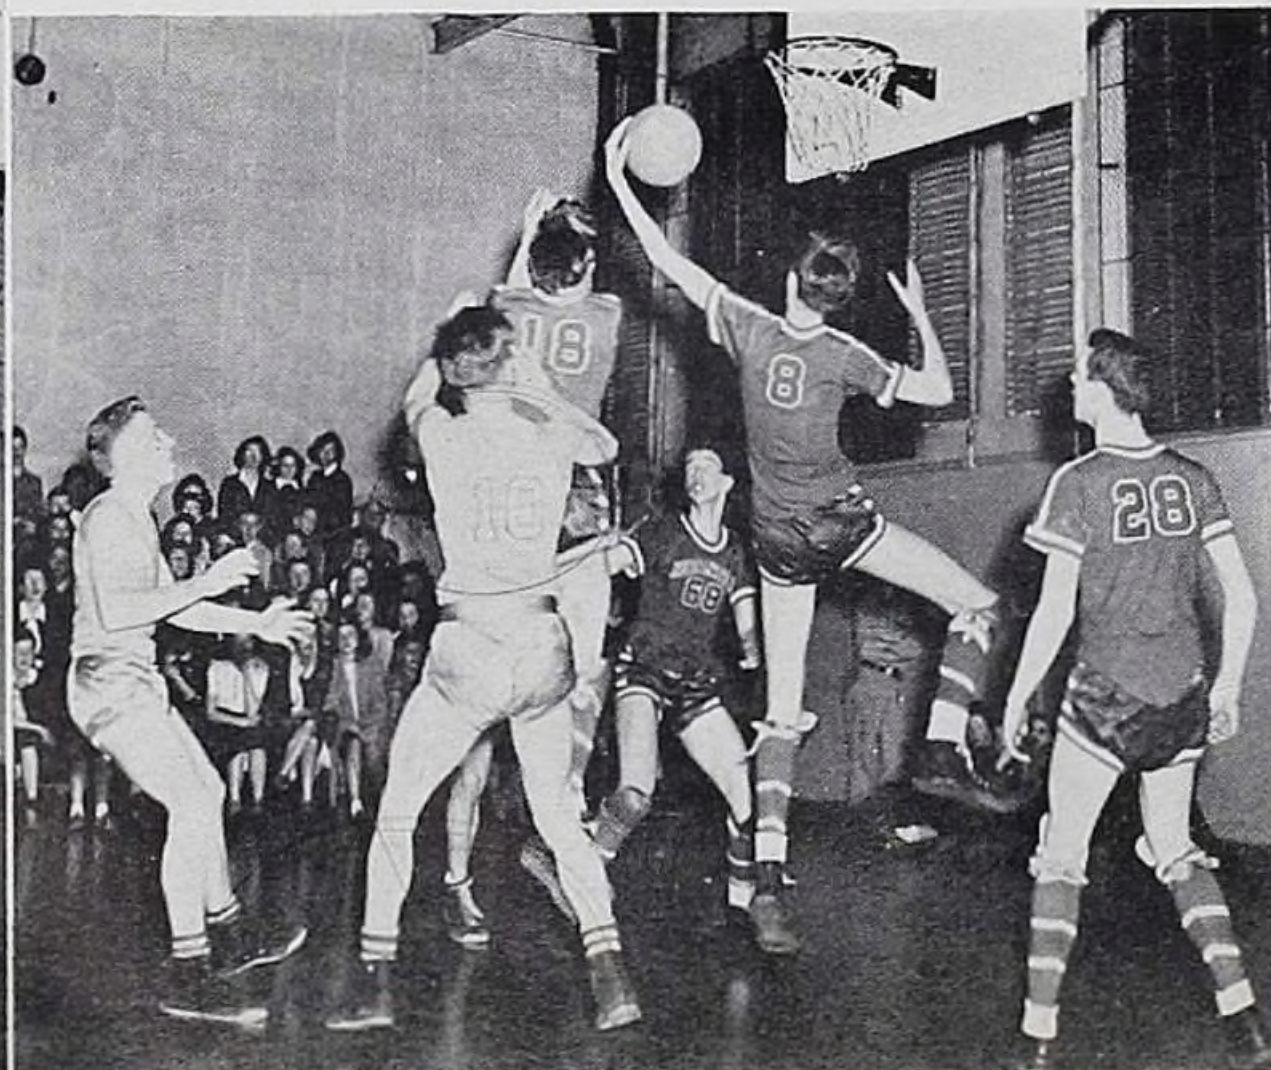

OLEAN 28—HORNELL 35

The Golden Huskies concluded their regular schedule against the undefeated Hornell team in the Hilltop gymnasium. Max Halley passed in the Huskies in a determined game against the favored Red Raiders. The game was close but Hornell's height proved too much for the Olean aggregation.

OLEAN 30—JAMESTOWN 46

Olean embarked to Jamestown, March 10, to engage the Swedes for sectional laurels. The big team from Jamestown was too much for the ever valiant Huskies but it was only after a hard fought game that the Jimmers won 46-30.

Height has been the drawback all through the past season. An otherwise fine team has taken the losing end of well played and hard fought contests. The Huskies of 1944 were not a weak team. They played good basketball; their passing, footwork and aggressiveness were at top, but when the going got tough, their taller opponents could, and occasionally did, take over.

The girls develop team work, dependability, patience, perseverance, initiative, athletic prowess, and the ability to accept responsibilities.

GIRLS' VOLLEYBALL

VOLLEYBALL, the second sport of the season, is also second in popularity. This year eleven well-organized teams battled for the championship. Team C, with Janet Lilly as captain, beat Team J, by a score of 2 to 1.

SENIOR CLASS HISTORY

1940-1941

In September, 1940, with the world we had known falling to pieces before us, we entered the halls of Olean High School as lowly freshmen . . . We were shy but determined . . . Many were the loud calls of "Freshie" but the period of hazing was soon over and we were full-fledged students . . . We received helpful hints from the faculty and upperclassmen on how to get along. . . .

We chose as leaders: President, Shirley Hurwitz; Vice President, "Bob" O'Toole; Secretary, Jeanne Reichenback; Treasurer, "Joey" Wallen; Student Council, "Art" Johnson. Advisers: Mrs. Carpenter, Miss Karl.

A courageous few of us turned out for the dime dances . . . We joined the newly formed and popular "We the Students" Club. . . .

1941-1942

We became lofty Sophomores . . . We hazed freshmen with skill, remembering our own experiences. . . .

For leaders we selected: President, Paul Branch; Vice President, Theresa Florio; Secretary, "Connie" Snodgrass; Treasurer, Max Halley; Student Council, "Dick" Craddock and "Joey" Wallon. Advisers: Miss Wilson and Miss Noonan.

December 7th brought the unexpected attack on Pearl Harbor . . . The President's address was broadcasted in school on the 8th . . . A Golden Jubilee of basketball was celebrated in our gym with all the trimmings . . . The first blackout was held and we've been in one ever since . . . Track was reorganized under the direction of Coach Pohndorf . . . Our class enthusiastically participated in sports and musical activities. . . .

1942-1943

To start our Junior year we elected: President, "Dick" Craddock; Vice President, "Franny" Potter; Secretary, Jeanne "Smitty" Smith; Treasurer, "Don" Dick; Student Council, "Jerry" Collins, Rita Allram, "Bob" Bernard. Advisers: Miss Wombough and Miss Oliver.

Our teachers, Messrs. Wands, Eaton, Wittenburg, and Frey leave for the Navy. Messrs. Faragher and Thomas enter the Army . . . This results in a greatly depleted faculty . . . The A. B. C.'s (Alfred Buley's Commandoes) are organized . . . Olean defeats Bradford on the football field . . . Wayside presents Olean High School with service flags . . . Junior play, "Joy", proves entertaining . . . Victory Corps is organized . . . The first A-12 and V-12 exams are given . . . Easter vacation arrives in a snowstorm . . . The annual Junior Prom and Wayside dances add much to our social life . . . At the end of the year we suffered a great loss in the departure of Mr. Sackett . . . We still miss him. . . .

1943-1944

At long last we became Seniors . . . Even the word had spelled enchantment to us . . . When a great number of our classmates joined the armed services they transferred from school life to life's school . . . We often think of them. . . .

Our esteemed leaders for this important year were as follows: President, Harold "Knuck" Miller; Vice President, Anne Dudley; Secretary, Jeanne Smith; Treasurer, John Seamon; Student Council, "Franny" Potter, "Don" Dick, "Pat" Weis, George Weber. Advisers: Miss Hobart and Miss Zuber.

Mr. Hoeldtke was welcomed as our new principal and has made many friends among us . . . Assemblies were held in the morning for a change and were directed by student leaders . . . Senior pictures and rings were ordered . . . Basketball was reorganized under the direction of Mr. Brown and Mr. Smith . . . All in all they had a successful season, too . . . "Every Family Has One", the Senior play, was an astonishing success . . . The ever popular Wayside dance concluded the social year . . . Preparation is made for our last regents . . . Commencement came all too soon. . . .

The Lowest Price, That's All!

Don't worry too much about Mr. Lowest Price—his proposition glitters only at first glance. Buyers of printing seldom are fooled by him more than once. He spikes his own game with the delivery of the job—in fact, he gives the show away with the very first proof Remember: the salesman who sells brains and craftsmanship, who can create good selling ideas and put them on paper, has no competition from the out-and-out price cutter.

Education For Life

The youth of Germany and Japan are educated for death; you are being educated for life; to use the power of your knowledge for the good of mankind, not for its destruction.

Books are weapons. There are no national boundary lines which can stop the flow of ideas.

The First National Bank is 73 years old and our greatest years are still ahead of us. The faith born of nearly three-quarters of a century of service tells us that American Institutions and ideals will outlast the last of the dictators.

Few individuals or organizations live so long. A movement such as the Young Men's Christian Association may live indefinitely because of good purposes and genuine services that take into account the mental, social, physical and religious needs of persons and of groups.

The Olean Young Men's Christian Association was organized in 1886. Since that year it has endeavored to be helpful to the residents of Olean and the surrounding communities. Its present services are diversified and worth while.

You are invited to become a member

CLOTHING COMPANY

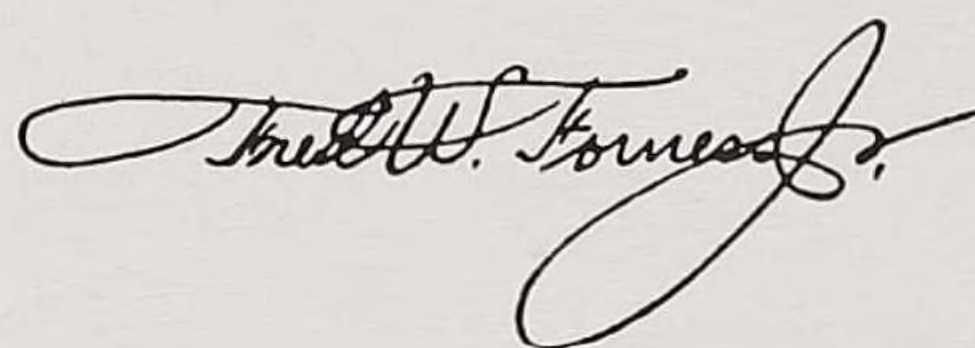

A LITTLE more than a century and one-half ago, the immortal Jefferson in speaking on education said, "Any democratic society that imagines itself half educated and half illiterate, imagines what never was nor never can be." In other words the only safe repository of those institutions that make democracy possible is with an enlightened populace.

As trained soldiers in that great army to whom America looks for her future greatness, I congratulate the graduates of 1944.

Through the wisdom and farsightedness of our Board of Education few cities enjoy such excellent facilities as does Olean. We are proud of our schools and rightly so.

As your friend, my best wishes for your success and happiness are most cordially extended on this the occasion of your graduation.

**THRIFT IS THE MOST VALUABLE LESSON
TAUGHT IN THE SCHOOL OF LIFE**

Thrift and economy are assets in starting out in life. Without these two qualities, success cannot be achieved. Learn early the value of saving regularly and spending wisely. A regular part of your income . . . no matter how small should be set aside each week and put into a bank account. And for freedom's sake, buy war bonds to help yourself and your country. Bonds and savings are the allies of Victory . . . the two-edged sword defending liberty!

Come in today and open an interest account . . . any amount, no matter how small. It's your entry-ticket to security!
