FOR THE SCHOOL YEAR 1944-45

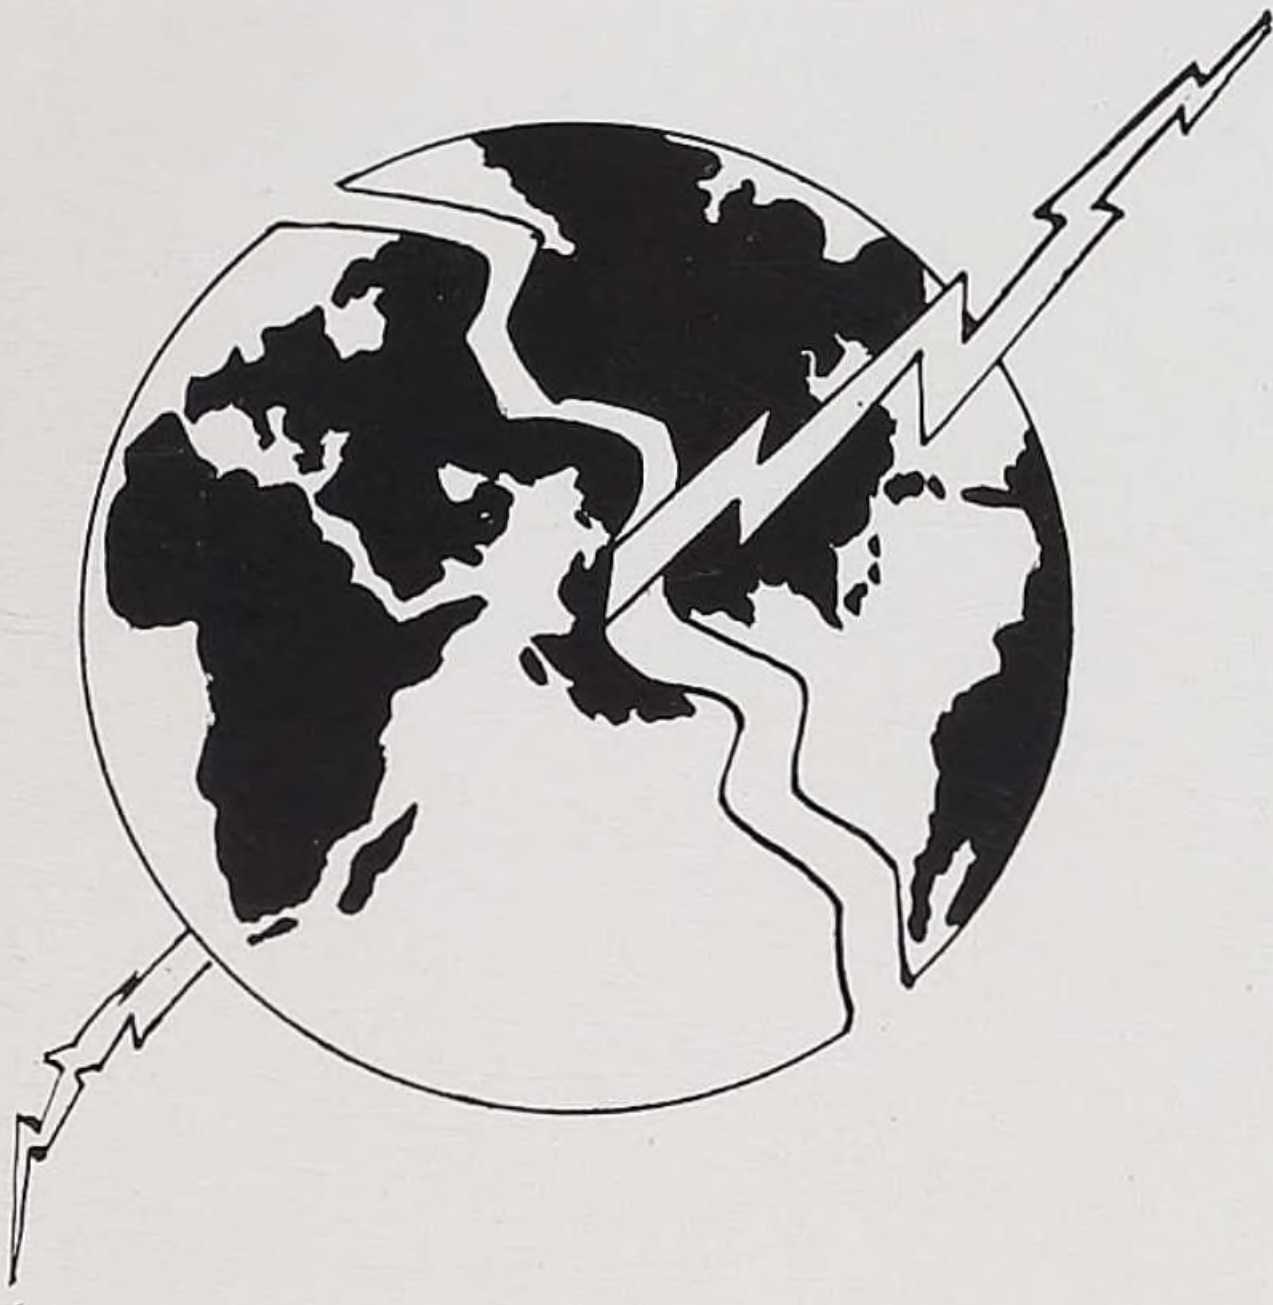

Olean High School Mourns the Loss of a Great President.

April 12, 1945

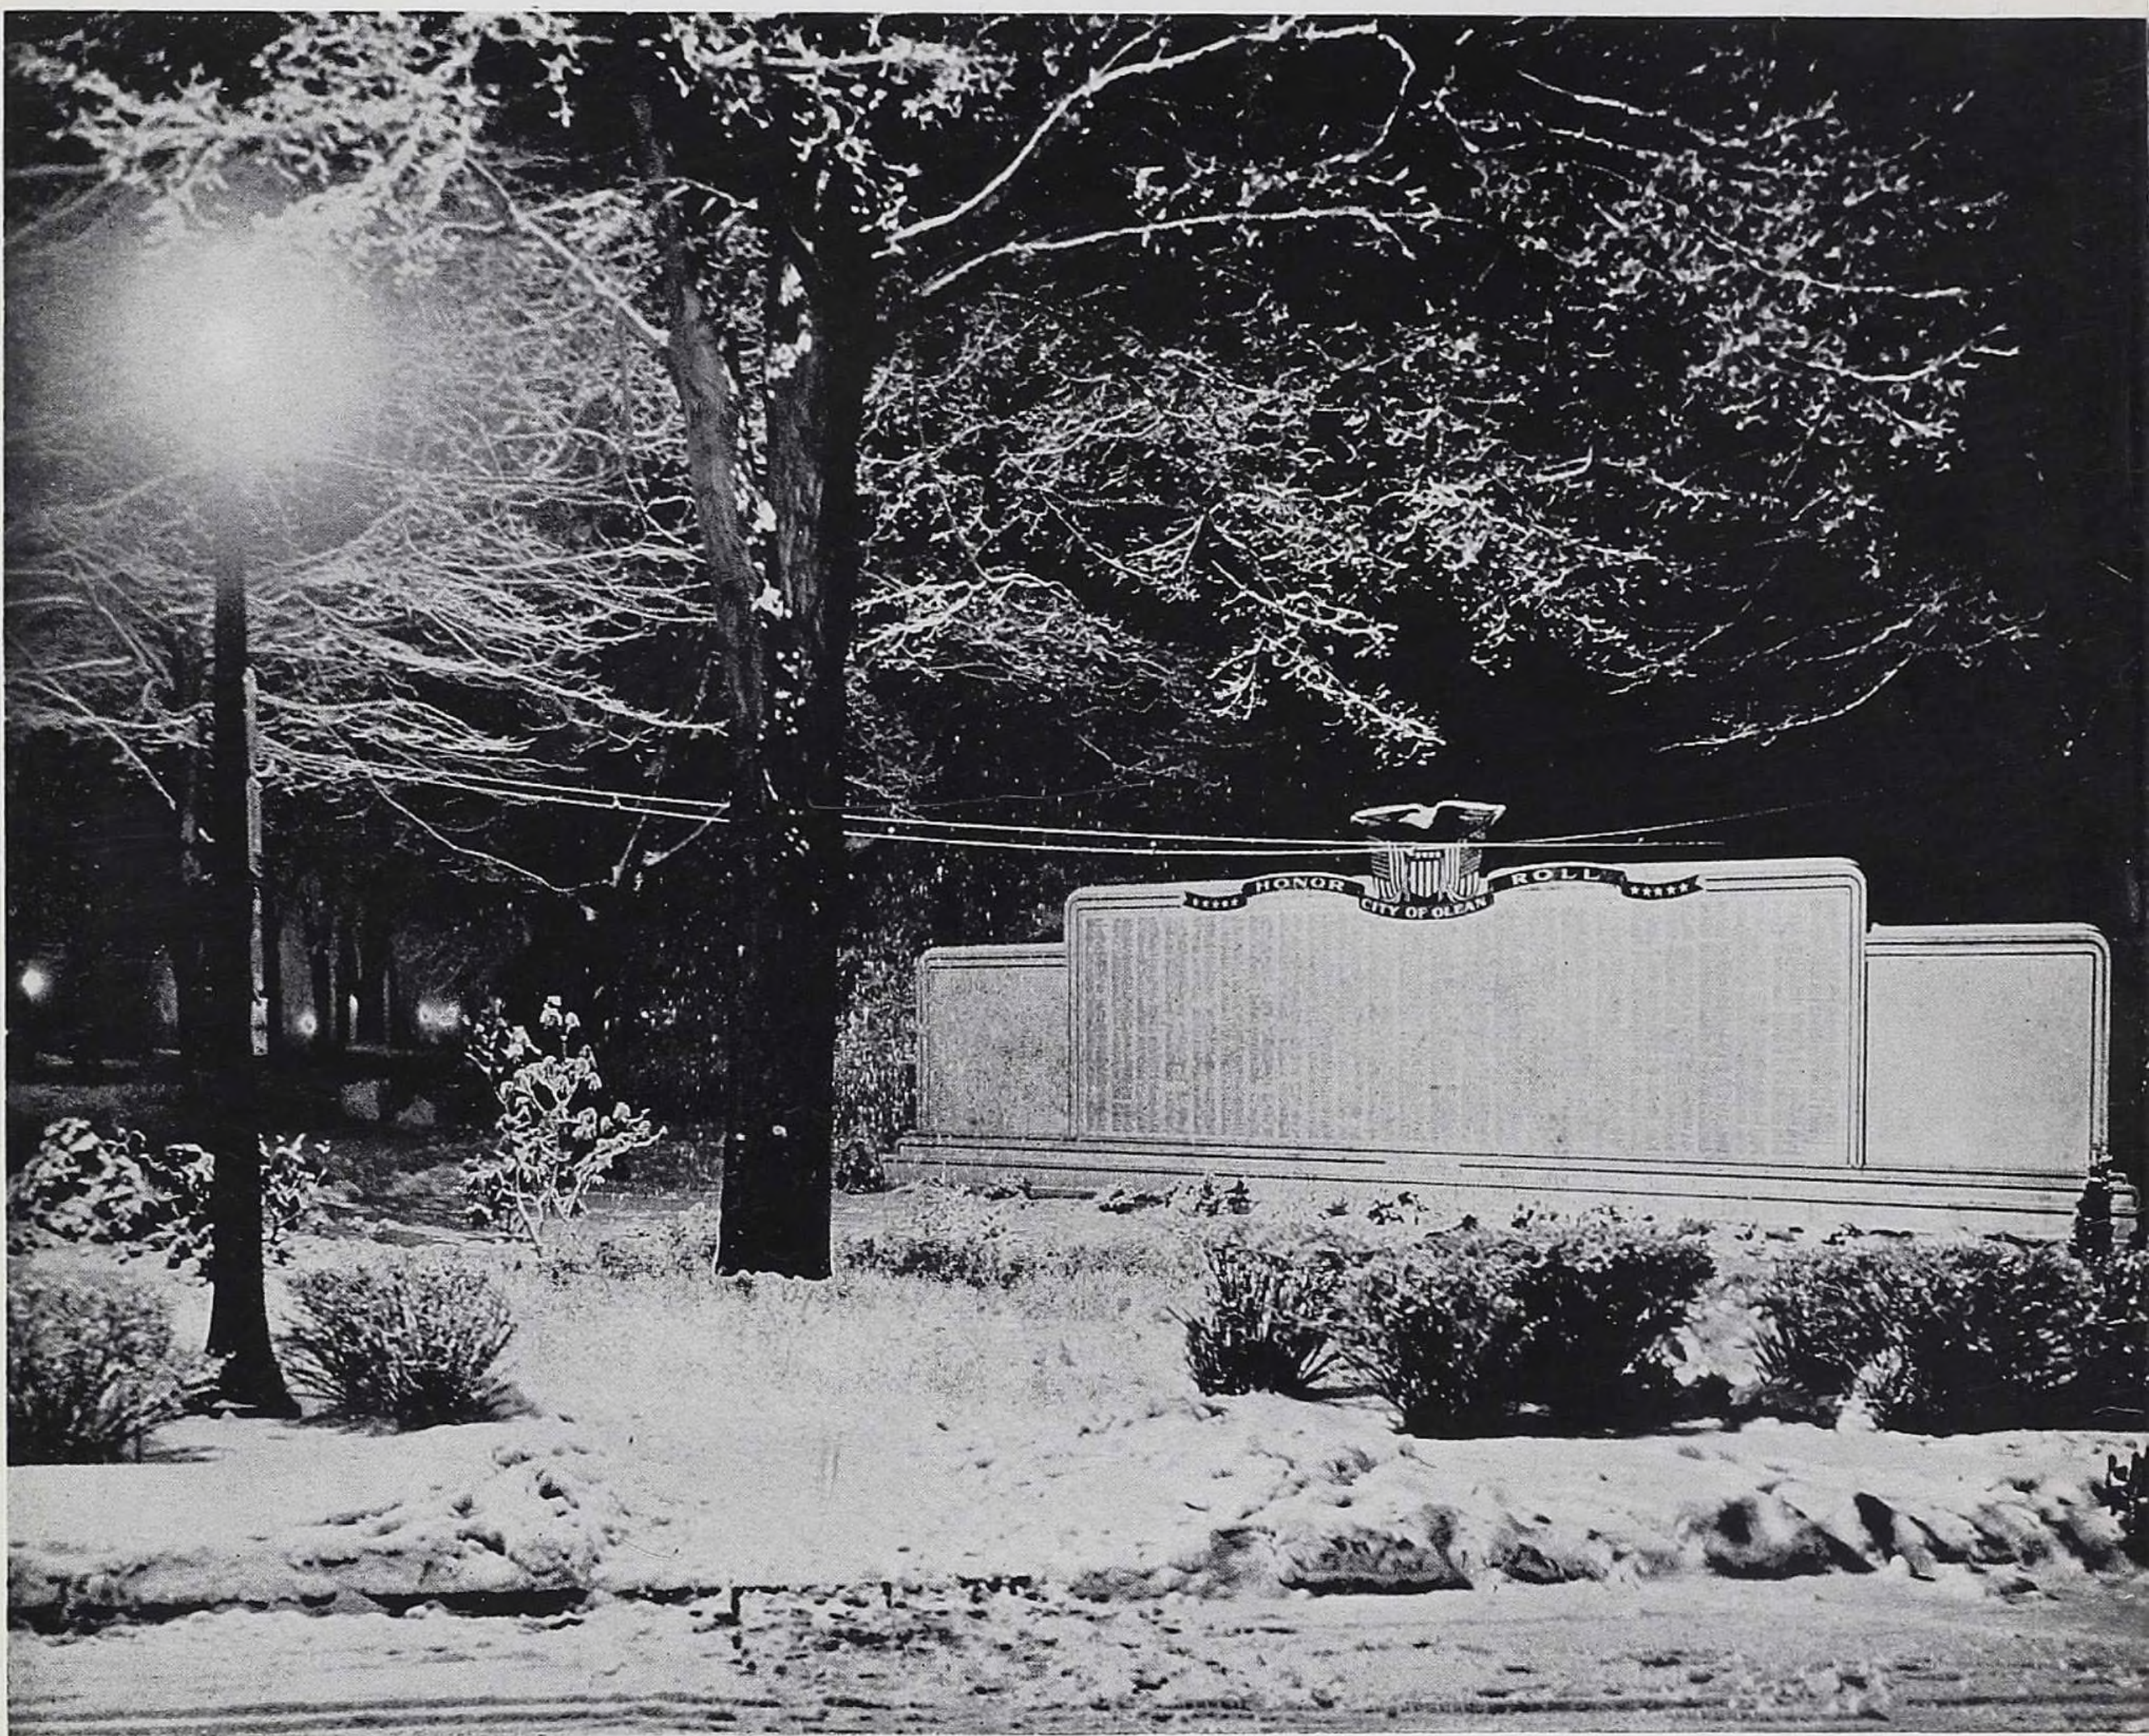

# FOREWORD

OLEAN HIGH SCHOOL is more than bricks and mortar. It is people; it is action; it is an ideal; it is a conviction.

One function of this "Congress" of 1945 is to honor former students of this high school who, in the service of their country, have carried the ideals promoted here to the farthest corners of the World. Some have given their lives in the attempt. Others are still in the heat of battle. Olean High School salutes them all!

Another function of this book is to show students and faculty working and playing together to keep building healthy, intelligent, purposeful citizens to cope with the problems of a new World.

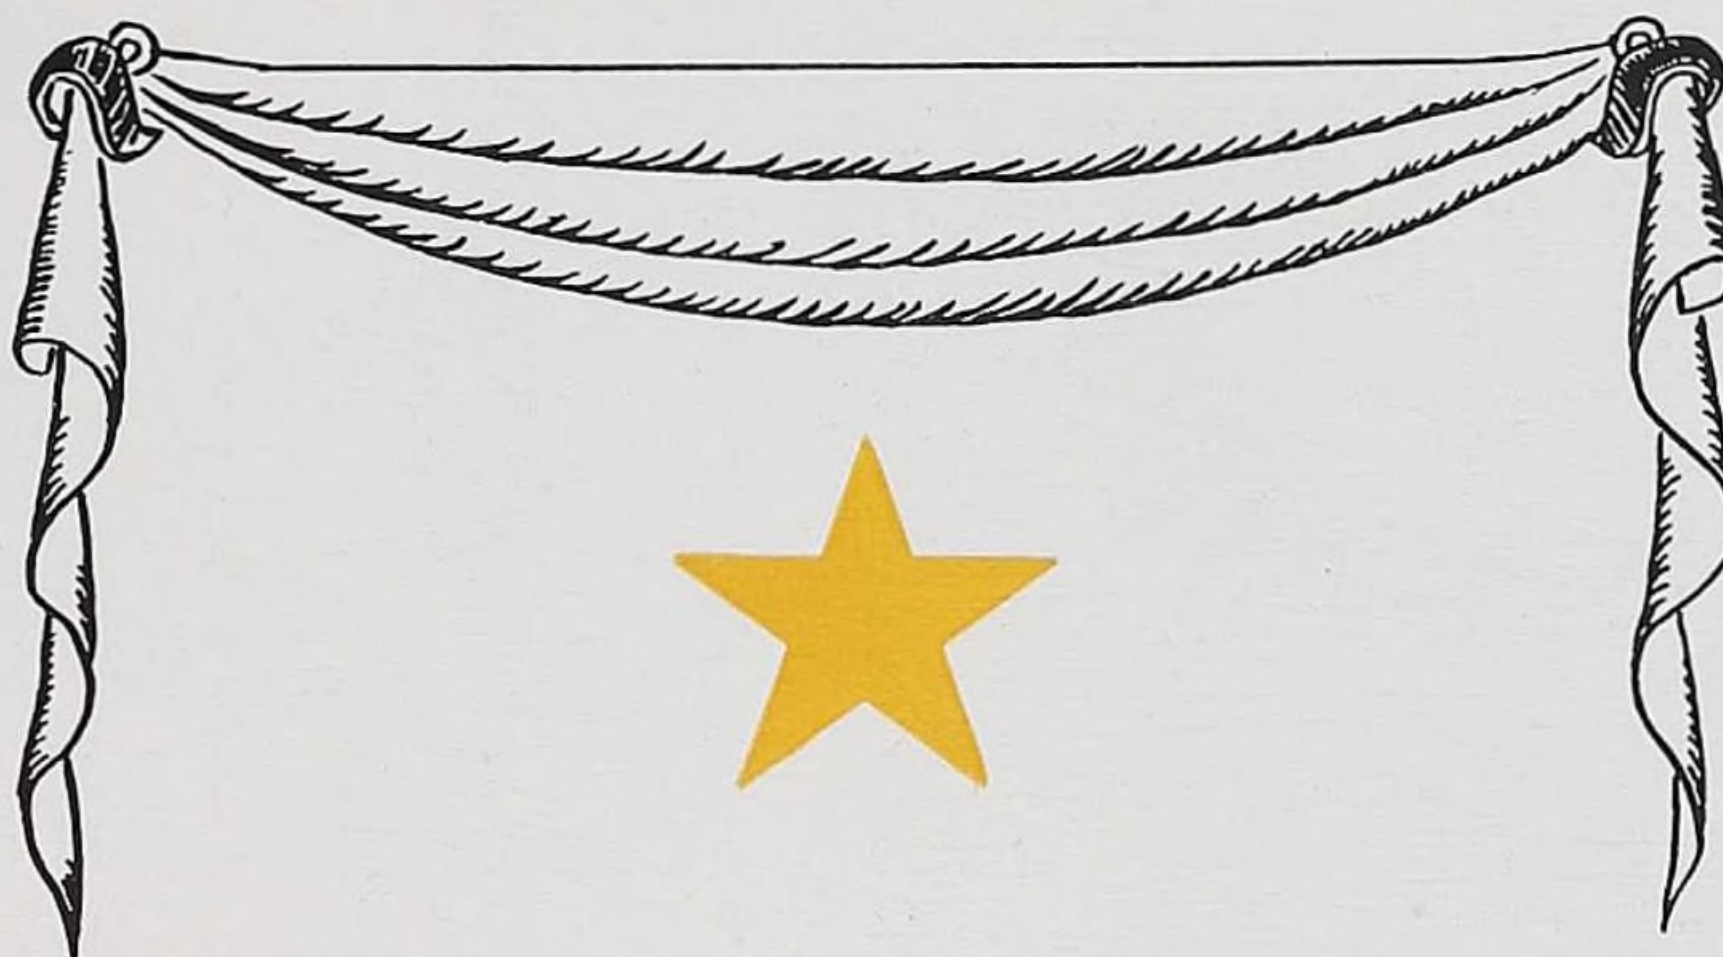

"They shall not grow old, as we that are left grow old;  
Age shall not weary them, nor the years condemn.  
In the morning and the evening shall we remember them."

—From a War Memorial in All Hallows Berking-by-the Tower, London.

NOTE: This list of one-time students of the Olean High School was compiled from data furnished by the local draft board, the Olean recruiting officers for the Navy, the Marine Corps, the Coast Guard, the files of the "Olean Times Herald," and the names submitted by the student body.

The list is admittedly incomplete since many of our graduates and former students have enlisted from other induction centers. But it is at least a goodly proportion, and we offer it as representative of the honored group of Olean High School Heroes who are, in different groups of the Armed Forces, loyally serving their country.

# A Message to the Class of 1945

AMERICA has been defined as "the place, where anything can happen,"—and I add,—"and does." So it has come about that a country, that is founded on the principles of peace, equal rights, and the "brotherhood of man," is perhaps the leading allied participant in the deadliest war of all history.

America is not a warring nation. Except for marching-drill in gymnasium, no subject, even savoring of military science, enters into the curricula of our schools. Yet the boys from our high schools, who, only a year or two ago, were in English or geometry classes, attending Junior proms, and playing basketball, are battling to a standstill the panzer divisions of a nation, where militarism has been an art, for generations, and whose entire and intensive school training has been a professional training for war.

Perhaps at no time since its founding, has our public school system proven itself more worthy of acclaim,—than in the way in which our boys have met the challenge of the unexpected, the terrifying, the soul-shattering. American opportunism is winning against preparedness; resourcefulness against training; native courage and conviction of purpose against fanaticism and arrogance. Originality and quick-thinking are winning against routinized training and regimented thought. Our boys have developed, in their schooling, the greatest quality of mind for war or for peace,—the ability to change the aim, as the target moves.

The Class of 1945 is leaving its Alma Mater in, undoubtedly, the final year of the war. Its members will find their places and their work in the brave new world that is to be. Our more than two thousand one-time members of this school, who have kept the "American Way of Life" still open for you, are passing on to you the greater responsibility of **preserving** that "way of life." The fifty-five members, to whom this book is dedicated, have re-consecrated to you, as a priceless heritage, the safeguarding and maintaining of that way of life,—a still "unfinished work."

Once more, "it is for us, the living," to take from the sacrifice of American heroes, a renewed devotion to that cause, for which men still give the last full measure of devotion.

And thus again should we, from **our** "honored dead", highly resolve that "these dead shall not have died in vain,"—but that, through our own fostering interest and care, **any** "government of the people, by the people, and for the people, shall not perish from the earth."

—Herbert L. Sackett.

# THE JUNIOR RED CROSS

Left: L. Joseph, G. Seward, H. Slocum, D. Johnson, R. Gavin, J. Eberl

**T**HE JUNIOR RED CROSS has completed a most enthusiastic year of work. Cooperating with a nation wide drive in the fall for student members, our council, the executive officers of the society, put on such a successful drive that every student, through one-hundred per cent home room enrollment, became a member of the Junior Red Cross.

Through monthly council meetings, with senior Red Cross members, the officers learned where the junior members could help. The council and officers of the various classes sponsored a dime dance, a skating party to raise funds to give to the War Fund drive of Red Cross. About fifty boys conducted a tin can scrap drive, and turned the money obtained from this sale of scrap to the Junior Red Cross.

All these activities, together with the help of the grades in collecting waste paper and fats, earned them a sum of over two hundred and fifty dollars to give to the War Fund. In addition, the Junior Red Cross will be able to give at least two hundred dollars to the children of lands, devastated by war, to buy necessary clothing and supplies for them. This money is supplied from the funds received from the membership drive in the fall.

Olean High School can be proud of the work that its Junior Red Cross has done.

## RED CROSS ASSEMBLY

Left to right: H. Jaekle, Mrs. R. Conkling, R. Buffington, R. Spink, S. Pancio, P. Dietterich, R. Gavin, J. Perry, Mr. B. Harder, Mrs. E. Anderson, D. Brown, J. Brandon, M. Johnson, M. Lown, R. Hinz, Mr. Sackett

AT THIS Assembly two hundred dollars earned in the Dime Dance, the Skating Party, and the Tin Can Drive was turned over to the Red Cross.

## TIN CAN COLLECTION

Students of the High School are efficient tin can collectors.

## STAMPS AND BONDS

THE SCHOOL sponsored War Bond and Stamp Campaign was just one more example of the work done in the school this year.

This campaign was headed by Mary Ellen Brooks and aided by Aileen Allen, Myron Lown, and Mary Lou Cone. The beginning of school in October until May 23, the high school has bought \$8,680.15 in War Bonds and Stamps. These bonds and stamps have purchased three jeeps. The credit has gone to home rooms 215, 210, and 216, these home rooms having the largest amount of sales.

Mrs. Elmer Anderson, chairman of the Parent Teachers Association on War Bond and Stamps, has aided the program by checking and banking the money from the sales every Wednesday.

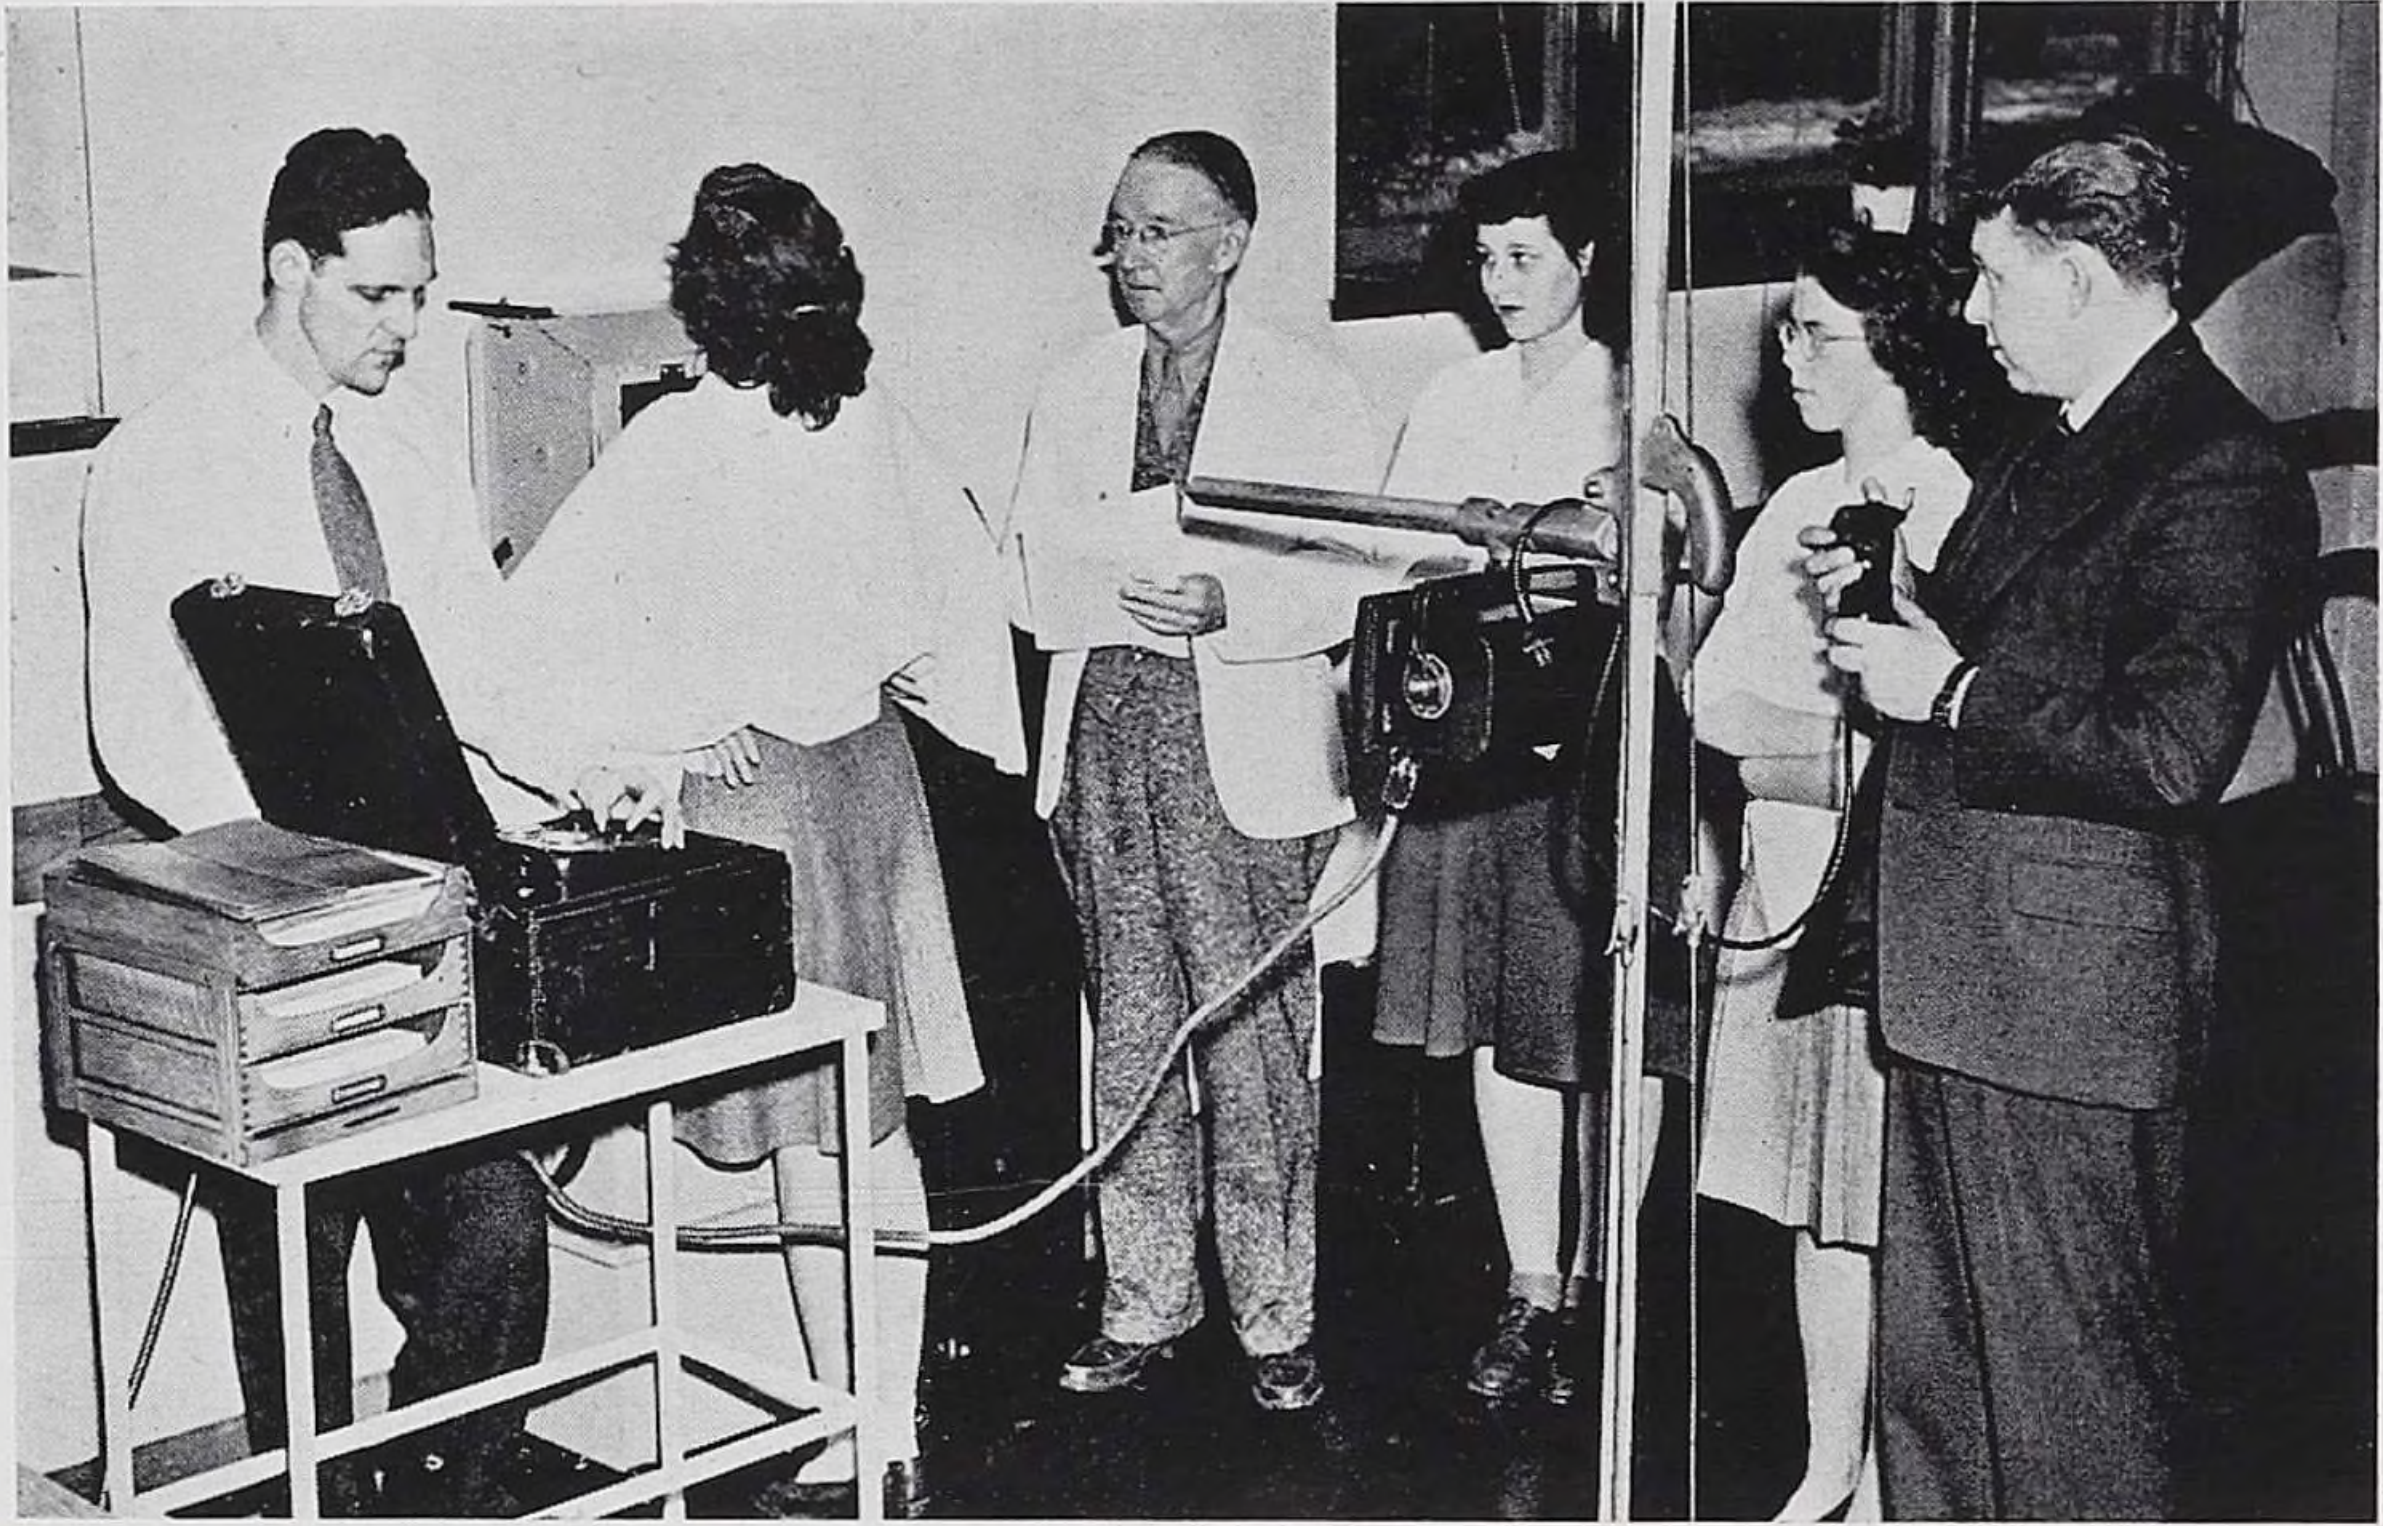

## ASSEMBLIES

TRADITIONALLY, the life and spirit of a high school centers around its assemblies. In modern school philosophy and procedure, the assembly program should furnish abundant opportunity for student participation.

The Olean High School recognizes both assumptions. Programs are arranged which feature the musical, dramatic, and athletics,—as well as the less formal extra-curricular activities of the school. The retrospect of former O. H. S. students is enriched by fond memories of assembly programs.

Left to right: Phillip Bolis, Marilyn Schnell, C. A. Greenleaf, M. D., Mildred Williams, Betty Sandburg, Richard Nauen, M. D.

## OLEAN HEALTH PROTECTION

EVERY year all pupils in the Olean Schools have a careful test of their sight and hearing, and a thorough examination of the heart. In addition to this routine program, special clinical examinations are made.

Over ninety per cent of all pupils in Olean are now protected against Diphtheria. That is the reason why there have been no cases of this dread disease in Olean in years amongst the students who have been protected. The five cases occurring this year had never been protected, one baby died and one school pupil developed a serious heart condition.

Since about eighty per cent have been vaccinated against Small Pox, there has been no case of Small Pox in Olean since 1929.

This year the importance of Tuberculosis control was emphasized. The Patch Test was used to indicate the presence or absence of tubercular germs in the body. Thirteen hundred and fifty-one pupils, all over thirteen years of age received this test. Three hundred pupils showed positive reactions, and were X-rayed to inform the doctors as to possible existence of the beginning of Tuberculosis in the lungs.

A few cases of slight tubercular infection were found. These cases will be X-rayed at intervals, active development will be guarded against; and the student-body will be thus protected against Tuberculosis.

The accompanying picture shows the routine employed in the X-ray examination.

## LIBRARY STAFF SERVICE

AS THIS write-up goes to press Miss Schleich has invited her efficient staff, Joan Cashimere, Mary Lou Cone, Mary Lyman, and Geraldine Wiegartz pictured here to the Senior Play and a buffet supper in her apartment.

Post-war Plans have been the pivot of this year's library service. Beginning at the fall Cattaraugus County Teachers' Convention an exhibit was set up on eight tables, of books, pamphlets and pictures covering the following subjects: World War, 1939—; Citizenship, United States and World; Our Neighbors; Our Allies; Our Enemies; "The Last Time I Saw Paris"; The Eternal City; Vital Needs. Visiting librarians and teachers paid most attention to the brightly colored Picture Sets with Texts, Vocational Guidance Monographs, checked Indexes and Bibliographies both printed and locally compiled, and the prize Care of Books poster.

Material in books, magazines, and pamphlets together with bibliographies have been in constant use by pupils preparing for the annual speaking Contest on the Constitution, and the Scholarship Examination sponsored by the Organization of Peace Commission.

All this ephemeral material will be added to the Verticle File for future use under Reconstruction, World War, 1939— with cross references from Bretton Woods, Teheran, Dumbarton Oaks, Yalta, Chapultepec and the San Francisco Conferences.

# MUSIC FESTIVAL

OLEAN HIGH SCHOOL, NOVEMBER 17, 1944

THE NEW YORK STATE MUSIC ASSOCIATION and the Olean High School Music Department sponsored a Music Festival for Southwestern New York on November 17 and 18, 1944. This was one of ten festivals conducted in New York State.

Nearly three hundred students participated in the Band, Orchestra, and Chorus. Rehearsals of the Festival groups were held Friday night and on Saturday with a concluding concert in the High School Auditorium on Saturday evening. Twenty-seven communities were represented. The crowded auditorium indicated the interest of Olean and the surrounding towns in the festival.

Guest directors of the groups were: Mr. Wallace Doubleday, Lockport, Orchestra; Mr. Paul Zellar, East Aurora, Choir; and Mr. Robert Grant, East Aurora, Band.

## ACTIVITIES OF MUSICAL ORGANIZATIONS

The Choir sang at the Cattaraugus Teachers' Association, at a special assembly and at the Christmas Concert.

The Glee Club sang at the Christmas Concert and gave a Christmas Program at the Clark Brothers' Company Plant. They also took part in the Spring Concert.

The Band presented an assembly program, played at the Spring Concert, on Memorial Day, and at Commencement.

The Orchestra played at the Cattaraugus County Teachers' Association, at the Christmas Concert, at the Junior Play, the Senior Play, and the Spring Concert.

## ACTIVITIES OF SPECIAL MUSIC GROUPS

Several groups of the various organizations have appeared on special occasions during the year. Five members of the Choir, nine of the Band, and thirty-one members of the Orchestra participated in the Festival Concert in November.

A small band has played at each assembly.

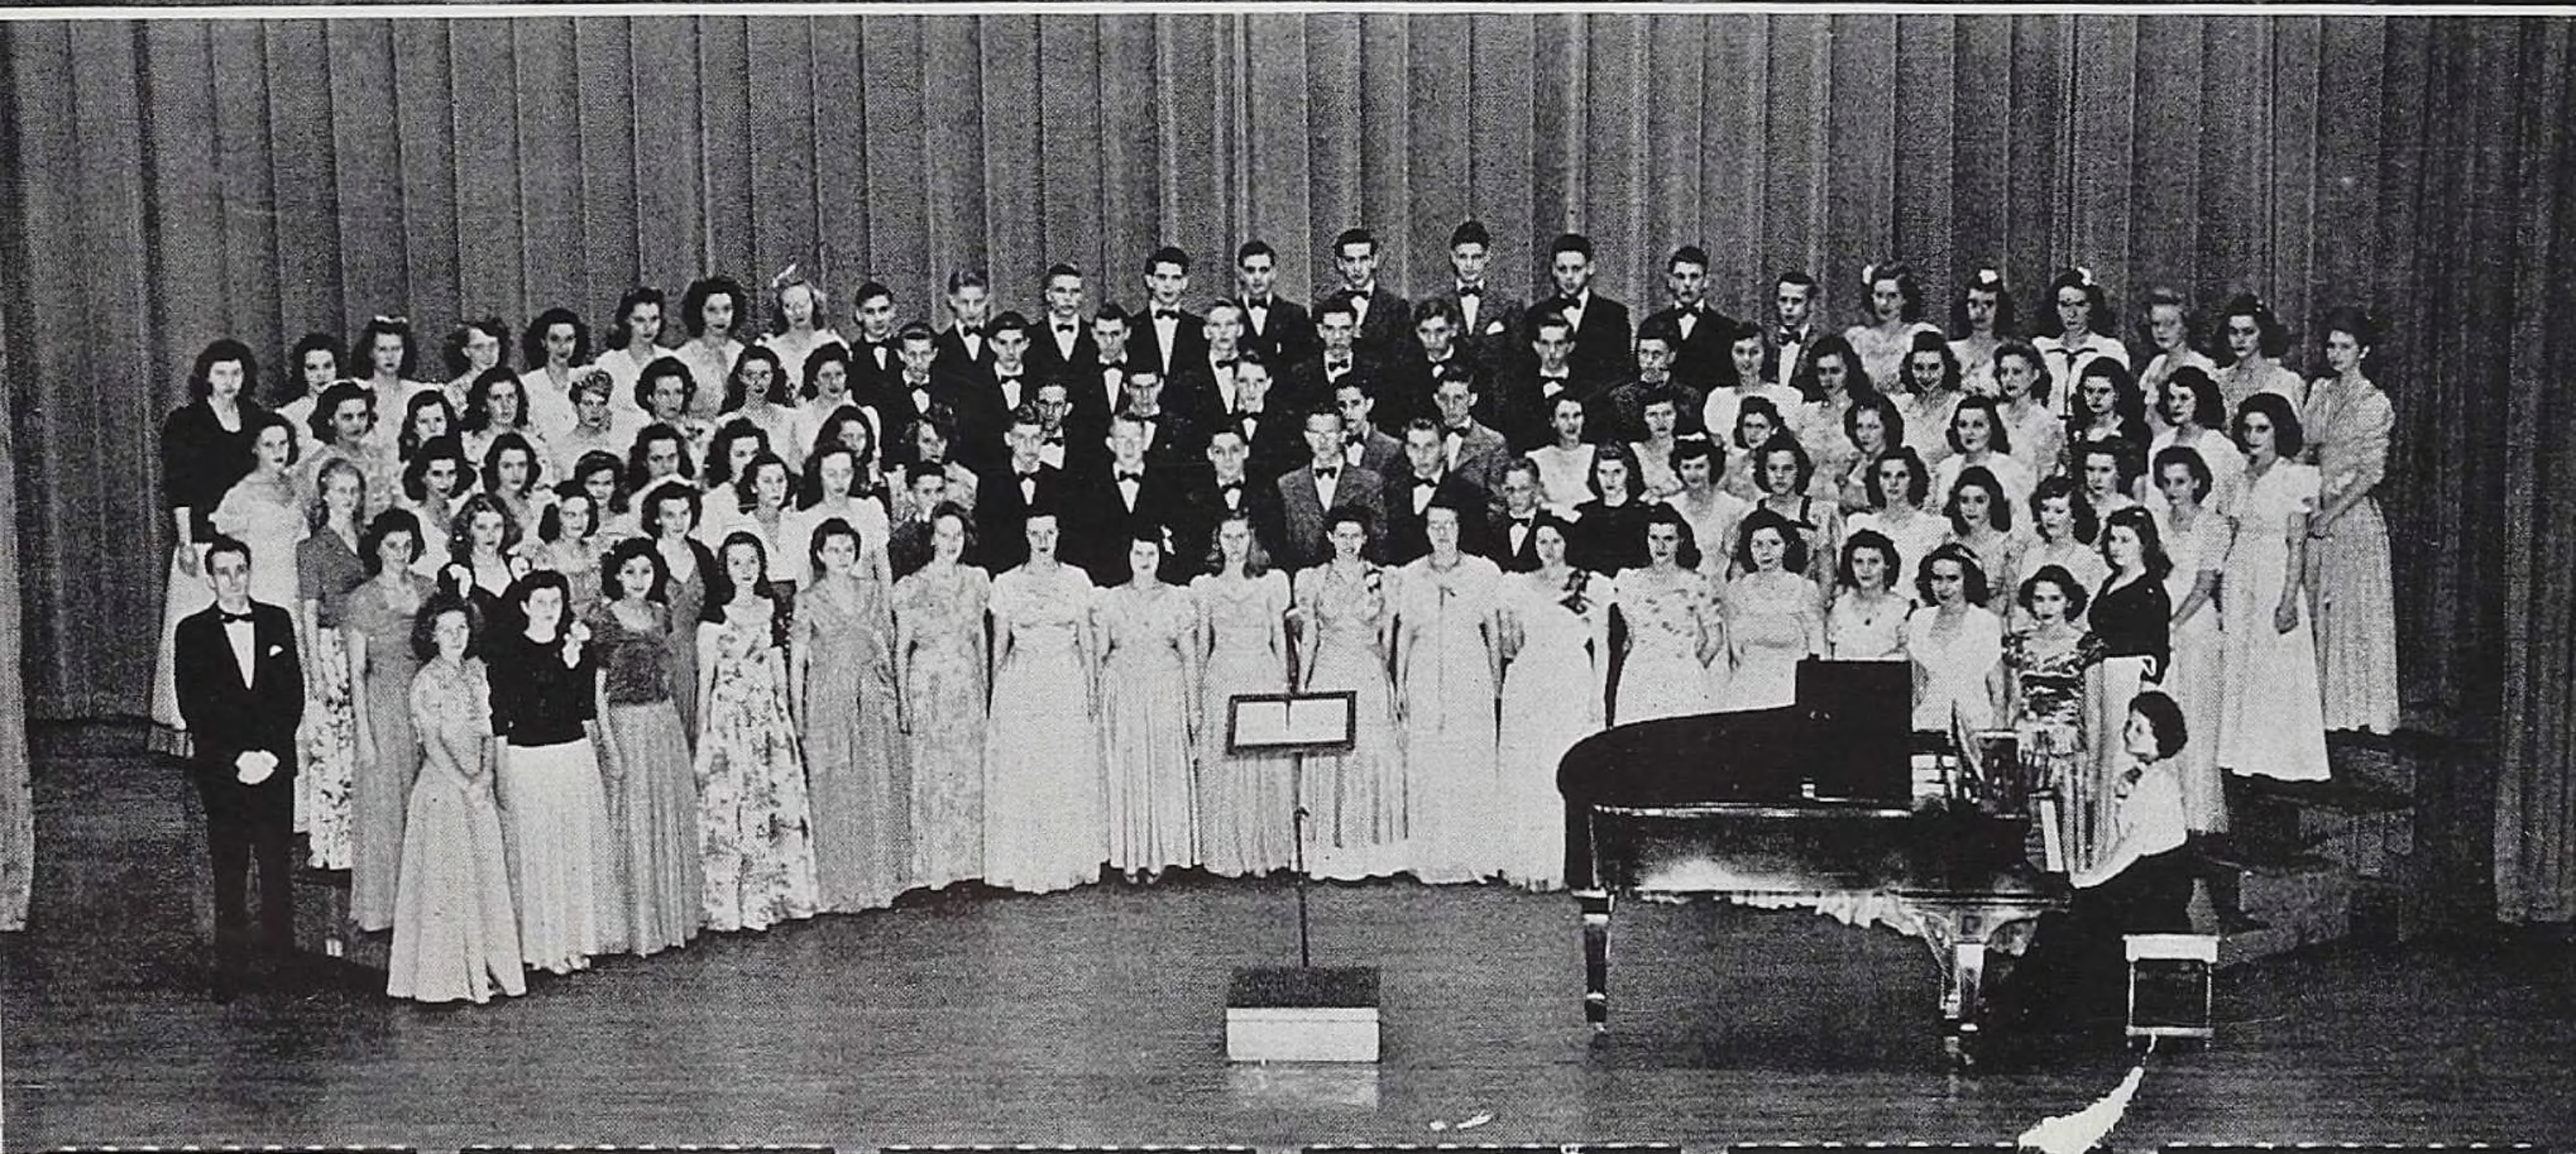

Under the management of Paul Dietterich, president of the Olean High School Organizations, a program was given at the Rotary Club meeting on January 9, 1945. The following participated: Lois Easley, Choir; Seth Bell, Band; Doreen Davis, accompanist of the Choir and Orchestra; and William Storer, Band.

A String Ensemble, composed of the following members played at the Christmas Concert: Ruth Becker, Mary Ellen Brooks, Dorothy Harris, Patricia Henry, Richard Mayer, Robert Paugh, Ray Spink, and Betty Zink.

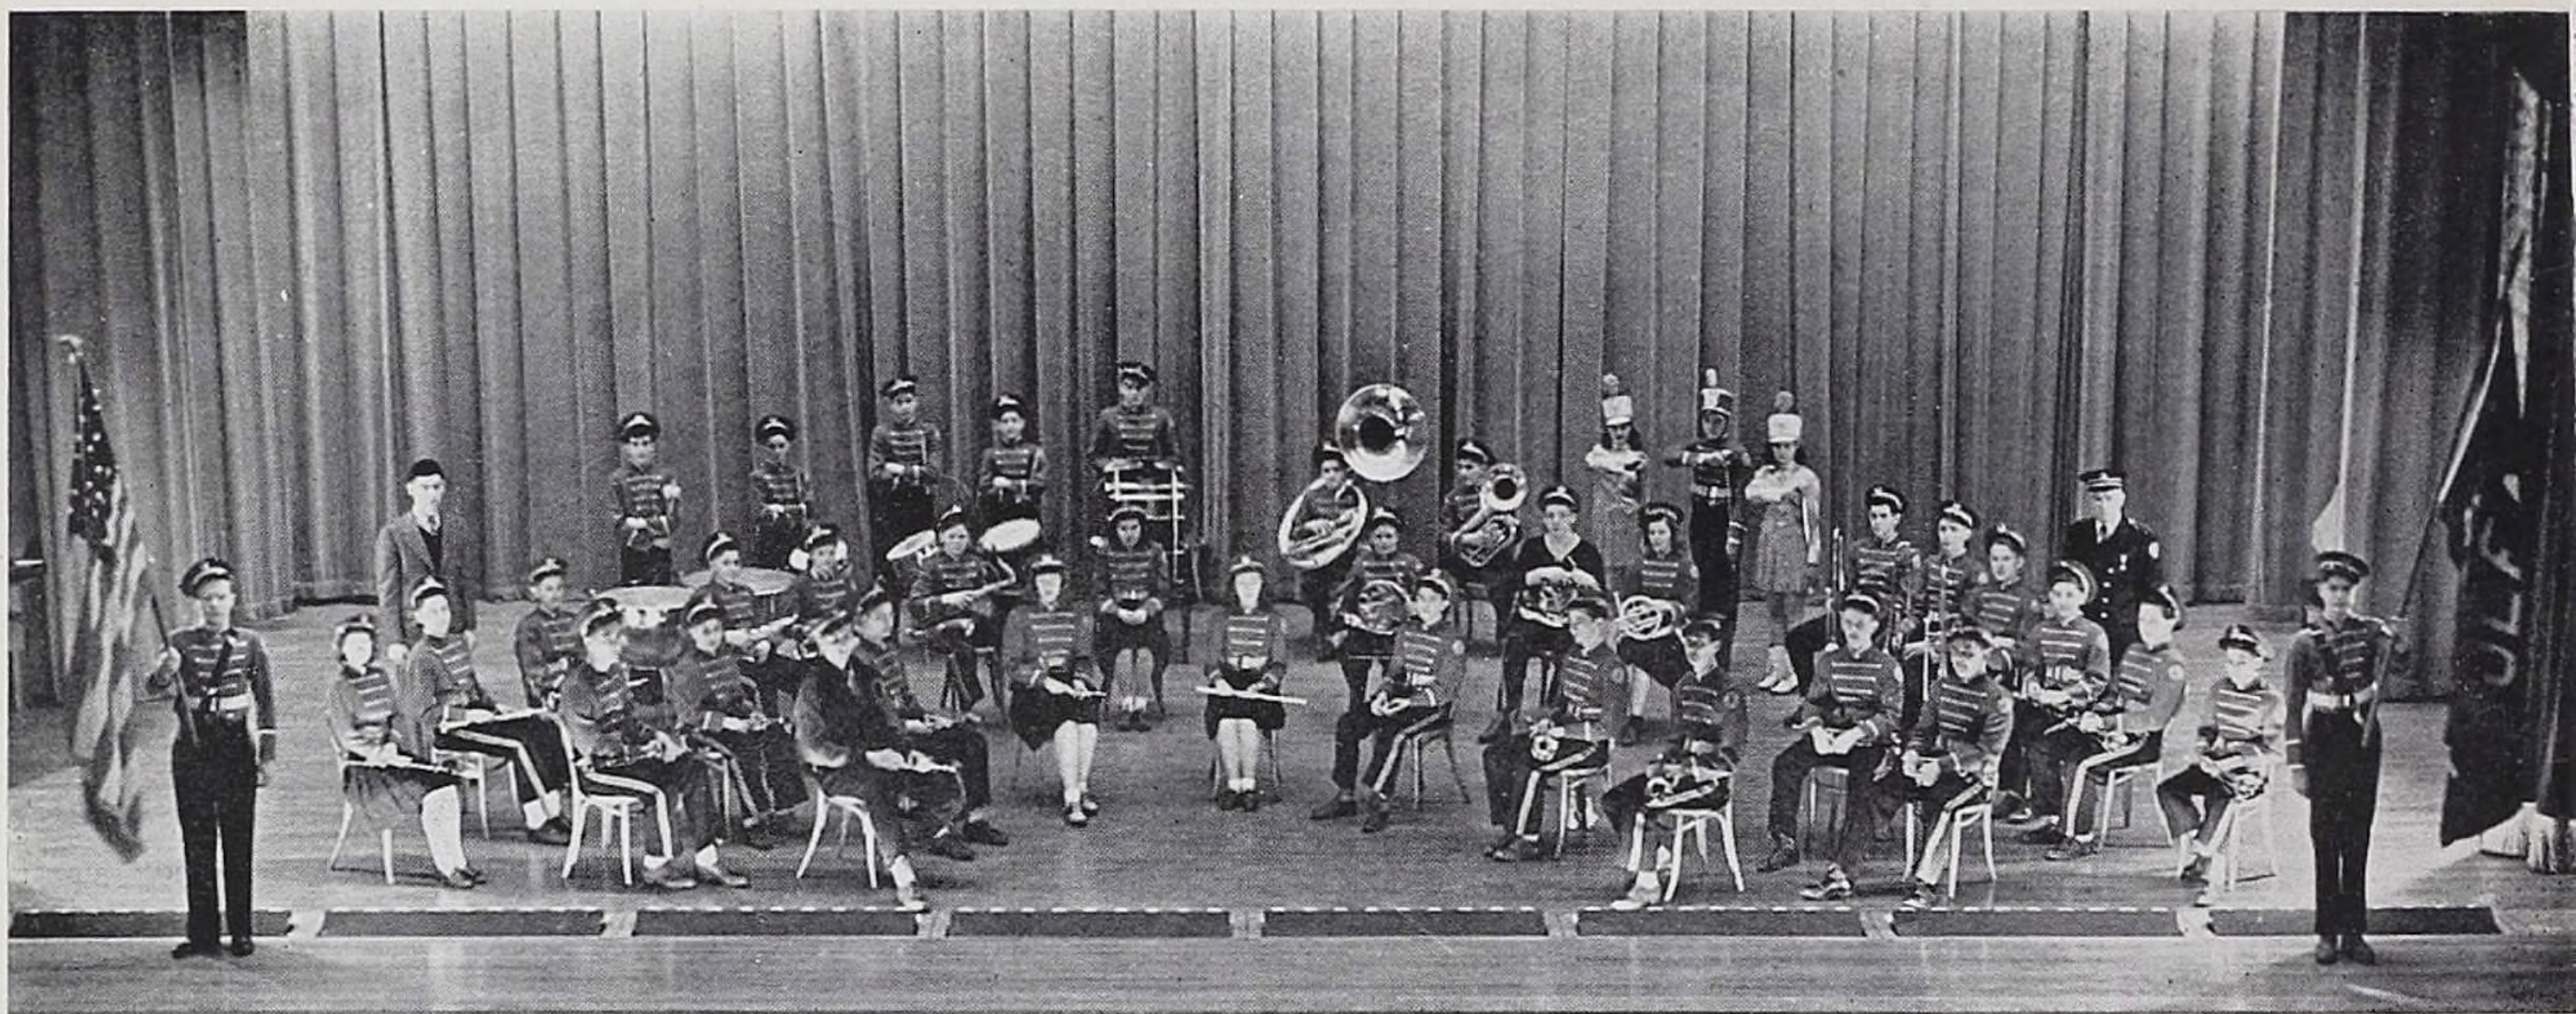

Also at the Christmas Concert the following groups of Students formed a Brass Ensemble: Paul Dietterich, Paul Dohl, James Foster, William Johnston, William Storer, Maurice Swartz, and Patricia Taylor.

Many soloists from these groups have appeared on Parent-Teacher Association programs, at other club meetings, and in the Music Festival Held in Hornell in May, 1945.

## STUDENT COUNCIL

MARTIN JOHNSON	-	-	-	-	President
MARY ELLEN BROOKS	-	-	-	-	Vice President
AILEEN ALLEN	-	-	-	-	Secretary

THIS LAST October, it was decided that an election similar to the National election should be held for the purpose of electing the president of the Student Council.

Platform Committees and Campaign Managers were chosen by the opposite parties—the Liberty party and the Federal party. Candidates chosen by each group were Martin Johnson representing the Liberty party and Thomas Hickey, the Federal party. Campaign Managers presented speakers over the Broadcasting System and in Assembly supporting their respective candidates. The election which was by ballot, resulted in the election of Martin Johnson.

During the year, James Perry headed a Constitutional Revision Committee appointed by the President. This committee presented an excellently revised Constitution which was later adopted by the Student Body.

The students were brought into closer contact with the Council through their Home Room Representatives.

The Council also chose the Varsity and Junior Varsity Cheerleaders and acted as examiners of the credentials presented by students for the twenty-point school letter. Other activities consisted in assisting in Assemblies and in promoting the sale of War Bonds and Stamps.

Mr. Herbert L. Sackett, Acting Principal has been the sponsor of this group.

The 1944-1945 Student Council Members are:

Freshman		Juniors	
STEPHEN WAITE		PAUL DIETTERICH	
		BARBARA JESSON	MARY RANDALL
		Seniors	
Sophomores		THOMAS HICKEY	JAMES O'NEILL

# HOME ROOM SENATE

EACH HOME ROOM chooses one of its members as its representative in the Home Room Senate. Room 109 elects two representatives because it has a larger enrollment.

The Home Room Senate acts in conjunction with the Student Council whenever there are matters of importance for the benefit of the students under consideration.

On assembly days these representatives conduct their respective groups to the auditorium. Each member of the Senate also performs any necessary services in promoting special school activities in his or her respective Home Room.

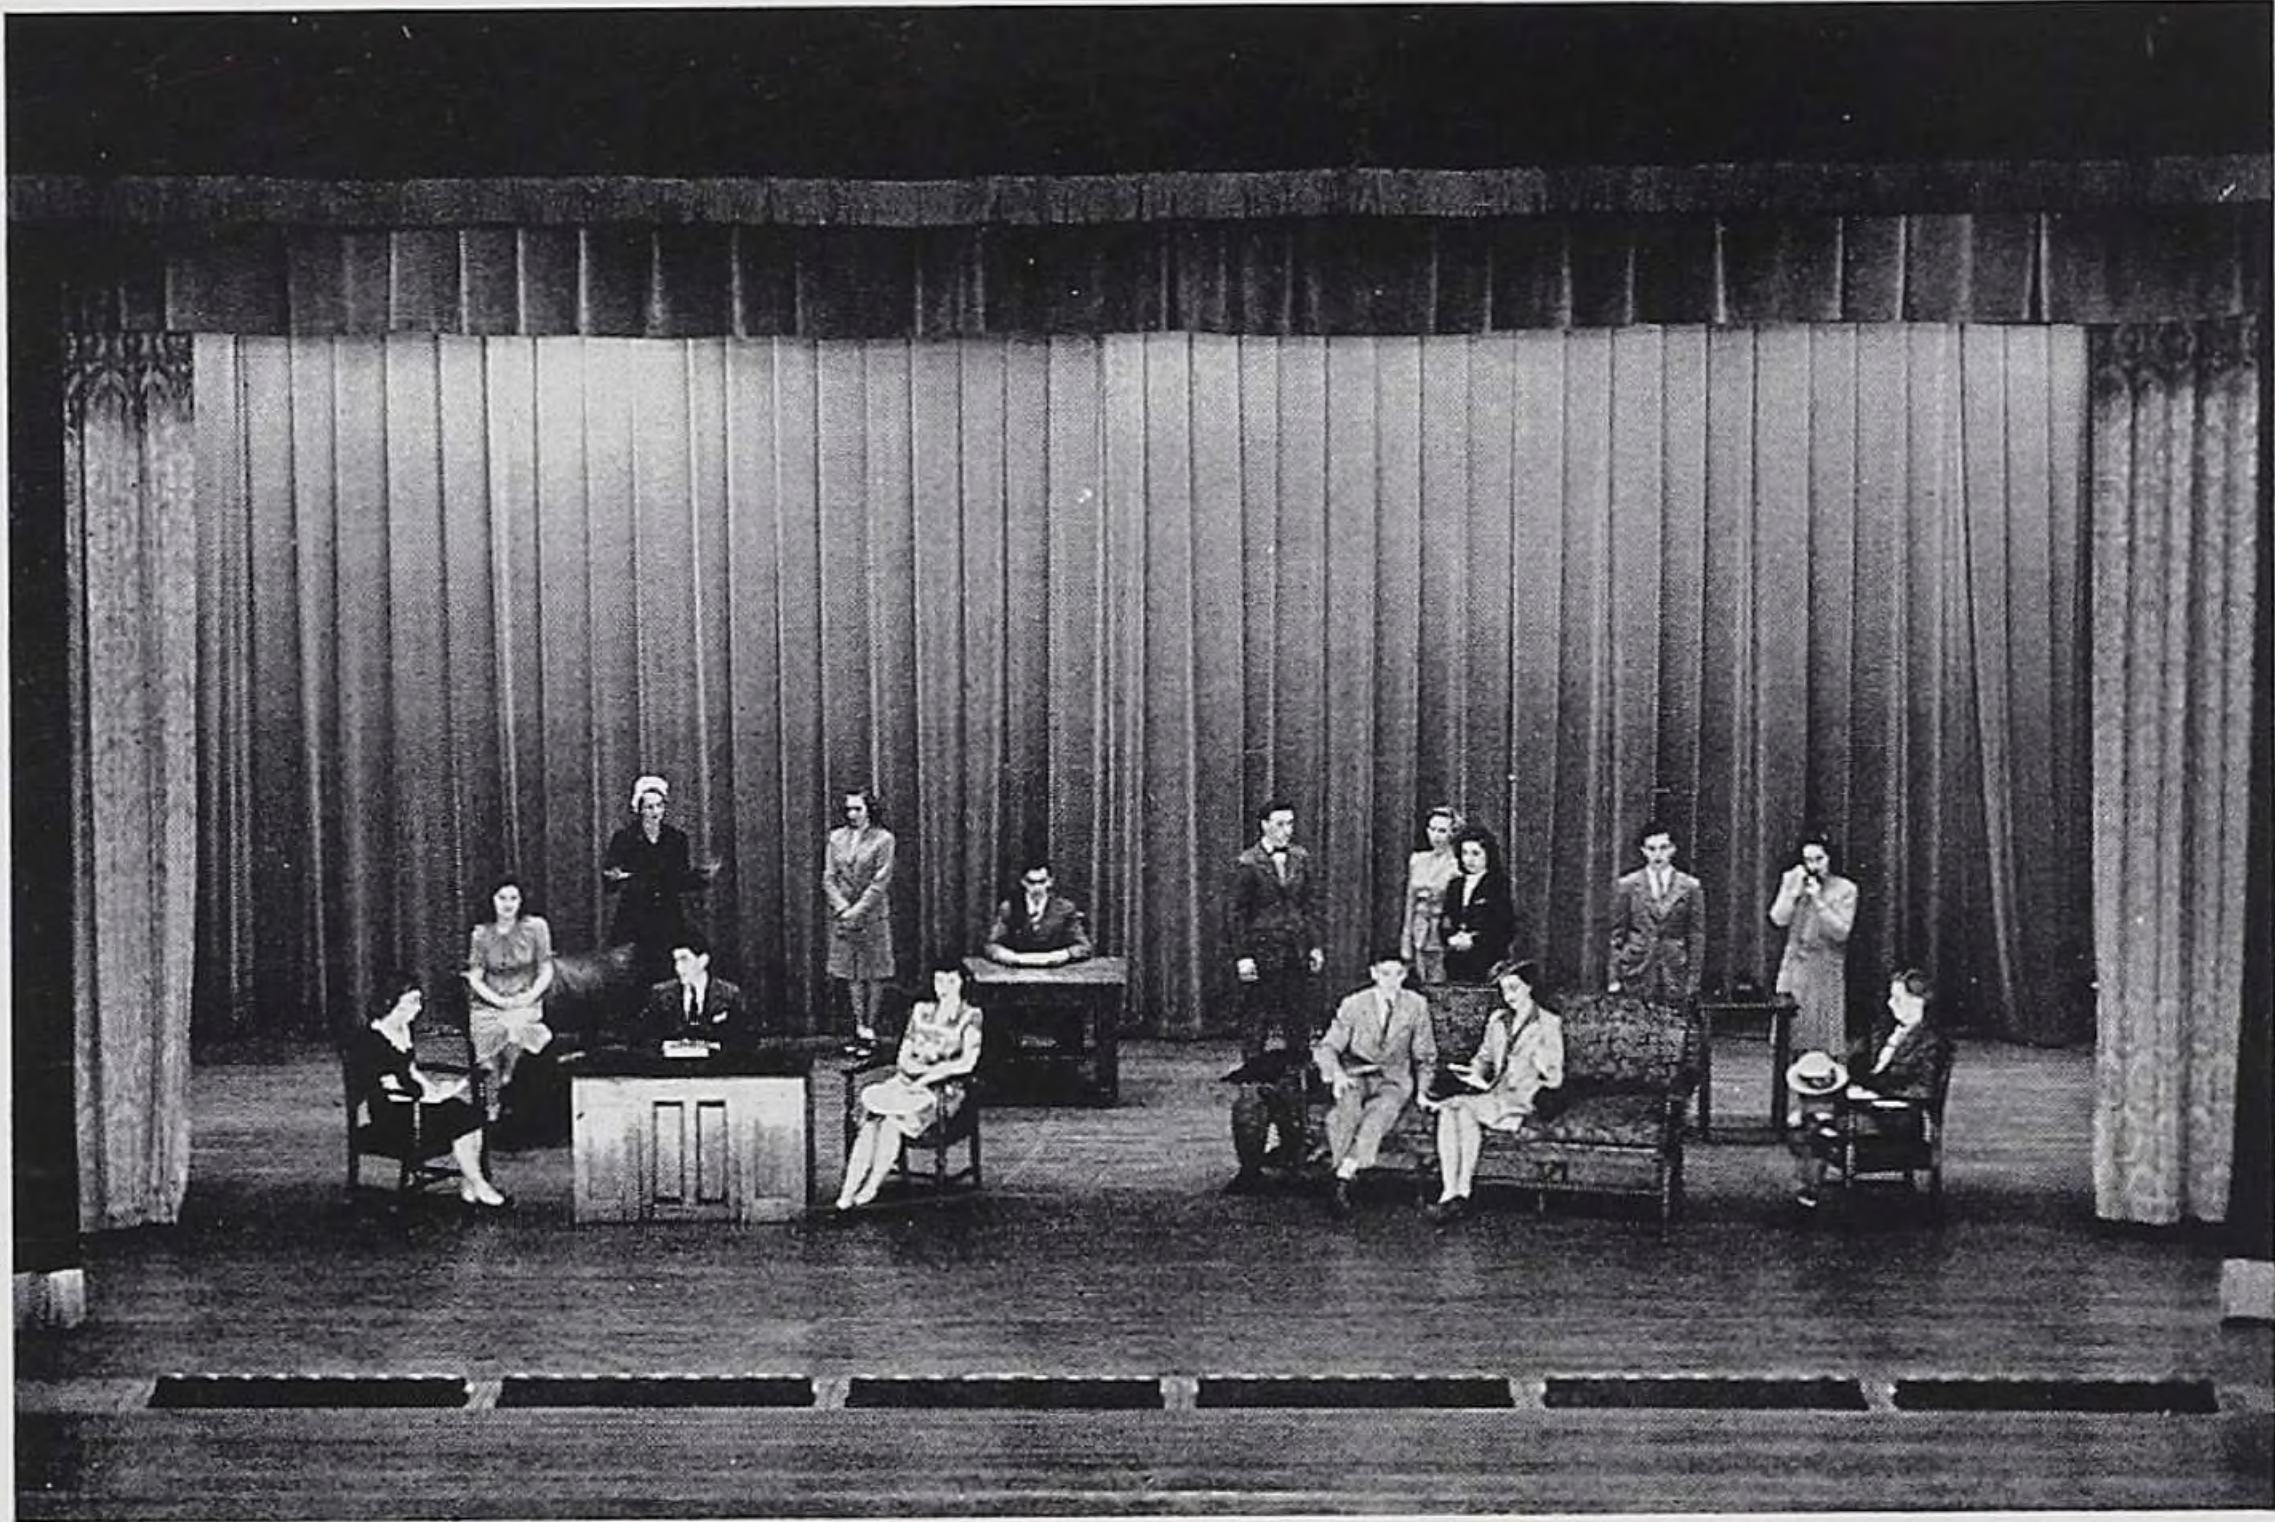

The Home Room Senate for 1944-1945 includes:

## "GHOST OF THE AIR"

A Mystery comedy in three acts  
 by Robert St. Clair

THE ENTIRE action of this mystery comedy takes place in Radio Station KUX. Thomas Watson, the president of the station, has received several threatening messages, warning him to get off the air. To further complicate matters, Gordon Mowbray, official announcer for Station KUX, has incurred the wrath of several of his associates who threaten to get revenge. Gordon has been engaged to Betty Mack, a pretty radio singer, whom he jilts for Lucile La Roy, the golden voice of KUX. However, Don Bellamy, a handsome crooner, appears on the scene, Lucile and Don fall in love and become engaged. Gordon uses all of his schemes to make Lucile break her engagement to Don. The latter springs to the defense of Lucile and during an announcement of a program Don picks up a revolver and levels it at Gordon. Suddenly the lights go out and a shot is heard in the dark. Evidence points to Don as the guilty party when Jasper Holmes, the famous detective—no relation to Sherlock—starts an investigation. Don is declared innocent and the master sleuth turns to the other members of Station KUX looking for the guilty party. Gordon's prophecy, that dead or alive he will continue to announce from Station KUX, appears to come true when his voice is heard over the microphone.

## THE FIGHTING LITTLES

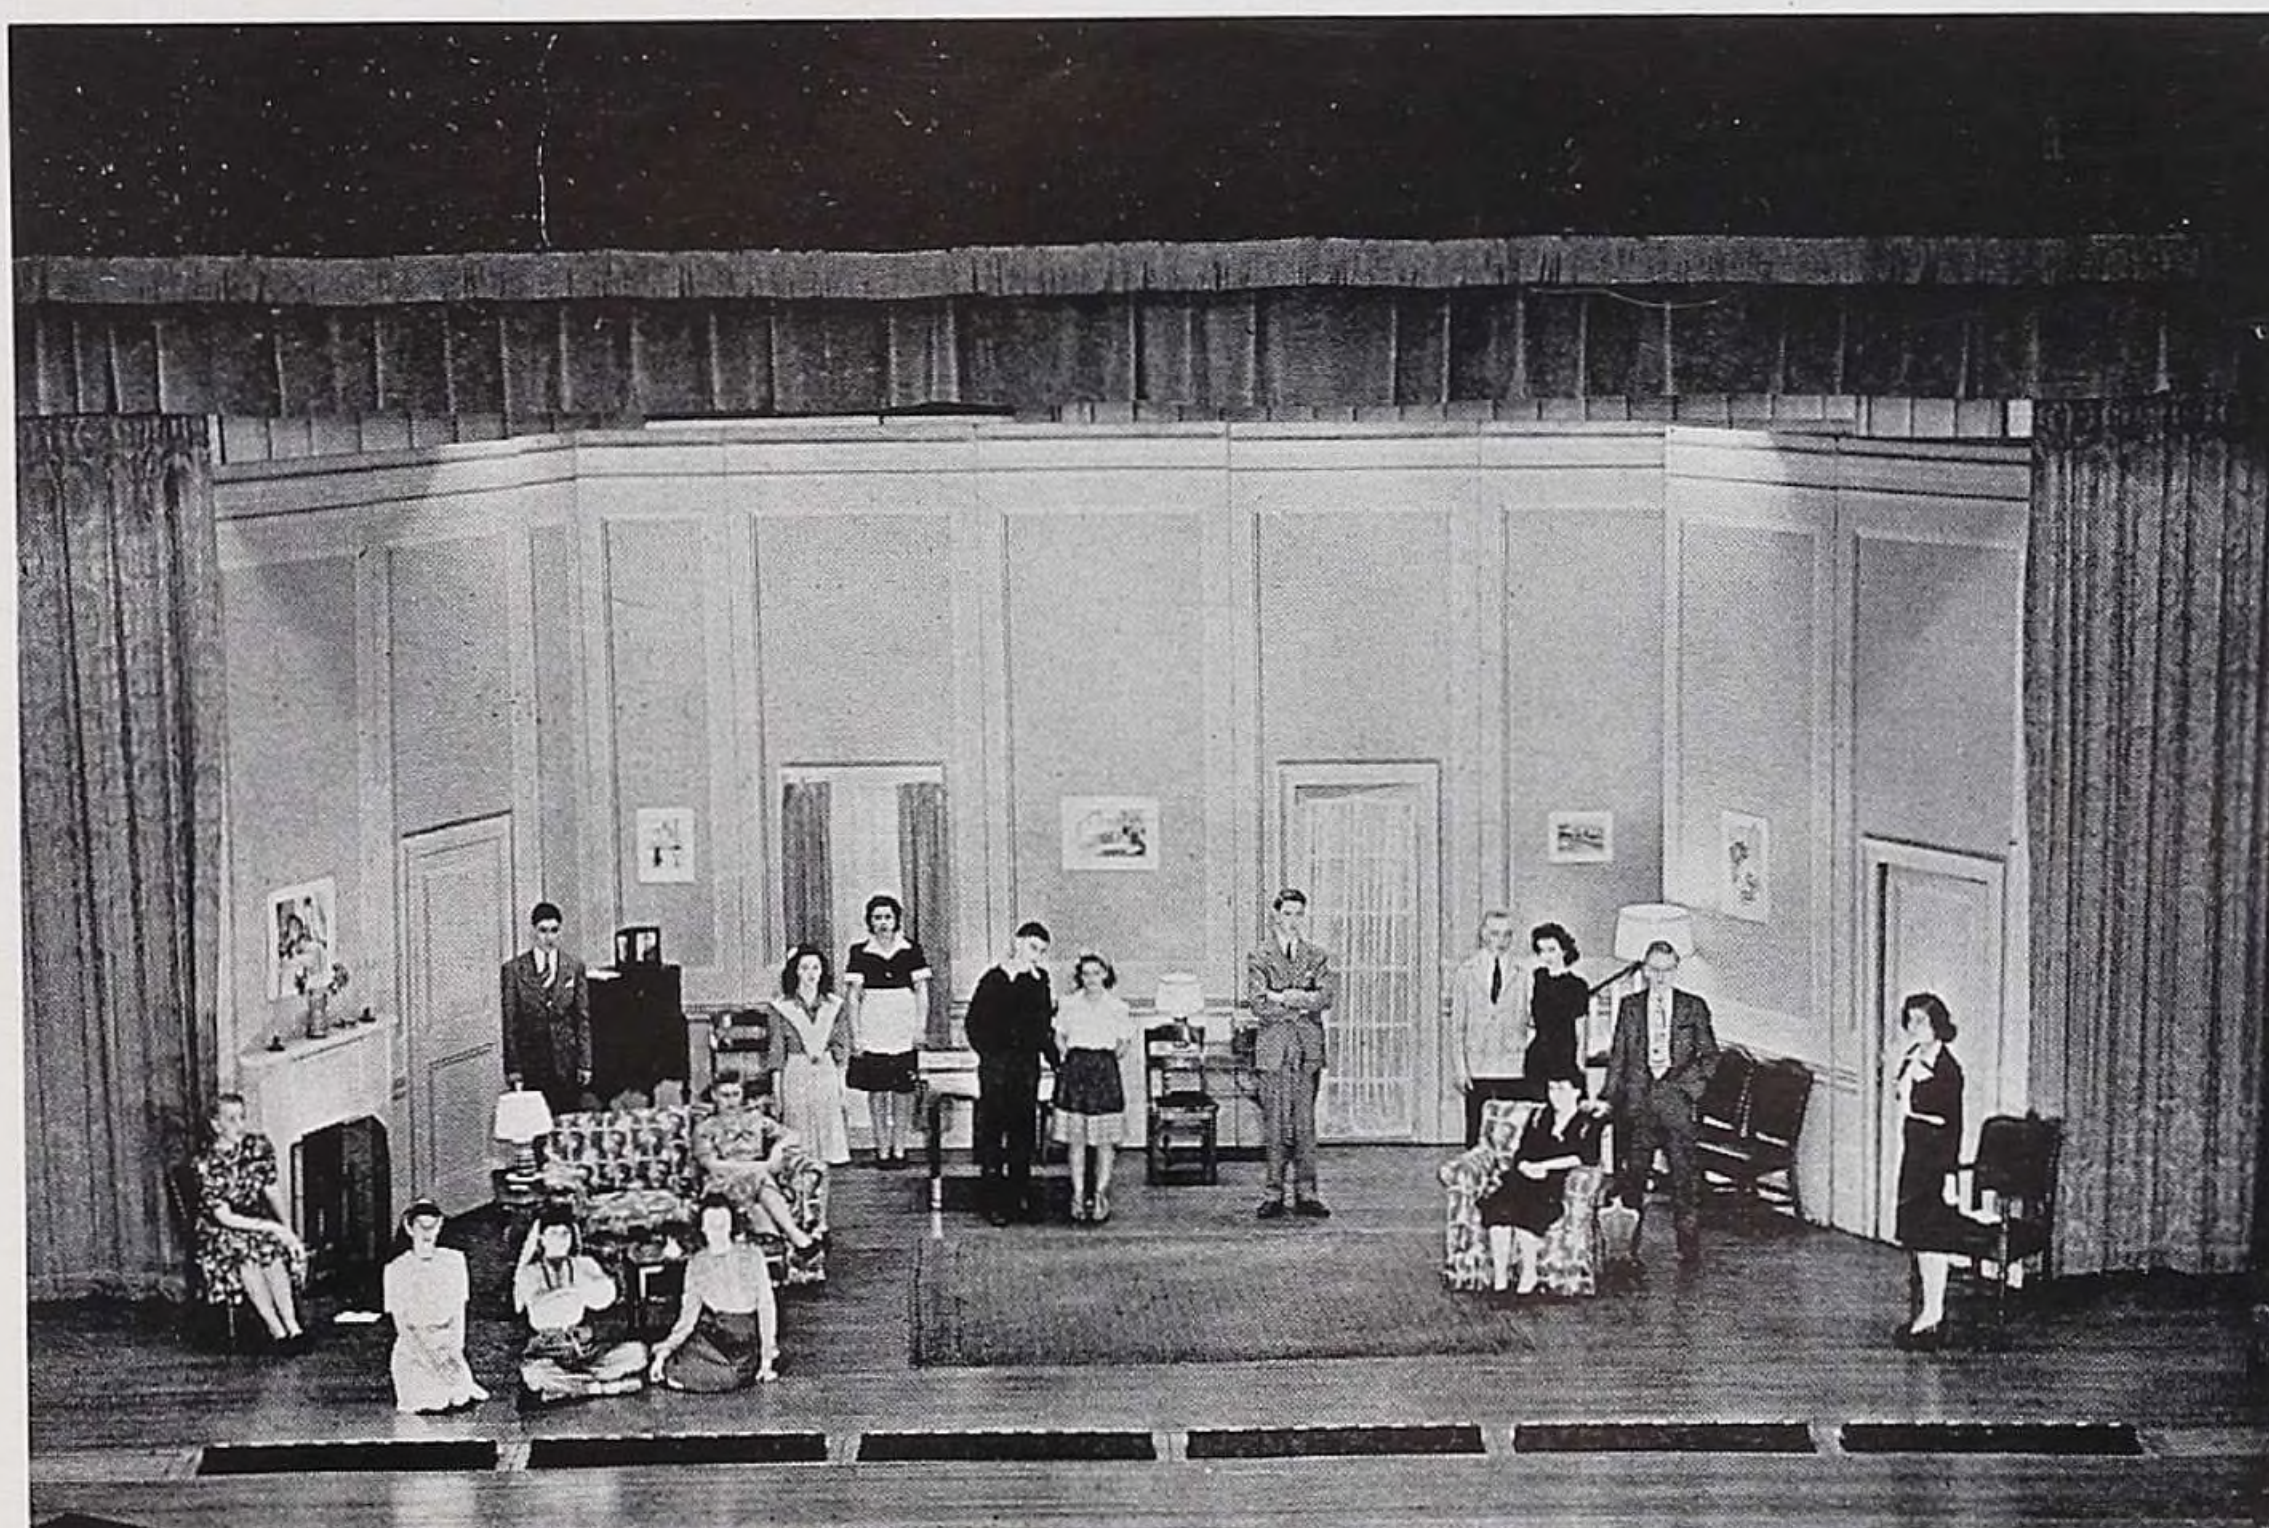

"THE FIGHTING LITTLES" is a comedy in three acts, adapted by Caroline Franke from the novel of the same name by Booth Tarkington.

Mr. Little is the head of the delightful Little household, and he rules it vociferously. He makes two very important mistakes: he assumes that his son Filmer is a model child, and he supports Norman Peel for the hand of his pretty daughter Goody. A sprightly and self-sufficient girl, Goody prefers the casual, amiable Ham Ellers. Mrs. Little does her best to keep things peaceful, but humorously fails. Business-like Norman Peel, when he learns that Mr. Little likes him, even goes so far as to suggest not only that Mr. Little doesn't run his business properly but that he, Norman, could improve it considerably. When he tries to buy his way into the business through his snobbish aunt, it is too much for Mr. Little who is forced to admit that he was wrong. Ham Ellers, on the other hand, turns out to be a thoroughly likeable fellow. As to son Filmer—he finds himself in love with the girl next door, takes a dare and wrecks the family car just outside the windows. Mr. Little is forced to reconsider his preconceptions of worth in his children and their friends; this is a difficult thing for a man like Mr. Little to do.

"READY on stage!" "Lower the house lights!" "Curtain!" Many times in the past year that familiar old cry of the theater has echoed through the Little Theater Room. It all meant that the "grease paint gang" was off on another production of some sort. For this we must thank Miss Elizabeth Baldwin, Miss Agnes Casey, and Miss Bertha Bear, our faculty advisers.

The Dramatic Club has had another active and interesting year. Students acting as program committees have presented varied and attractive programs at the meetings. A playlet entitled "Let's Go Formal" was put on at one meeting and was enjoyed by all. Mr. Earl Hodges of the National Broadcasting Company gave a very interesting talk on his experiences with the Columbia Studios and the Pasadena Playhouse.

The advisers have given the members lessons on pantomime and conducted several quizzes pertaining to the theater. Readings and monologues have also been used for entertainment.

MISS BALL	-	-	-	-	-	Adviser

THE OIL PAINTING CLUB newly organized last year is made up of many supposedly artistic persons who desire to knowledge of the fundamentals of oil painting. Since oil painting is not taught in Class, this club offers a good opportunity for any student interested in this line of art.

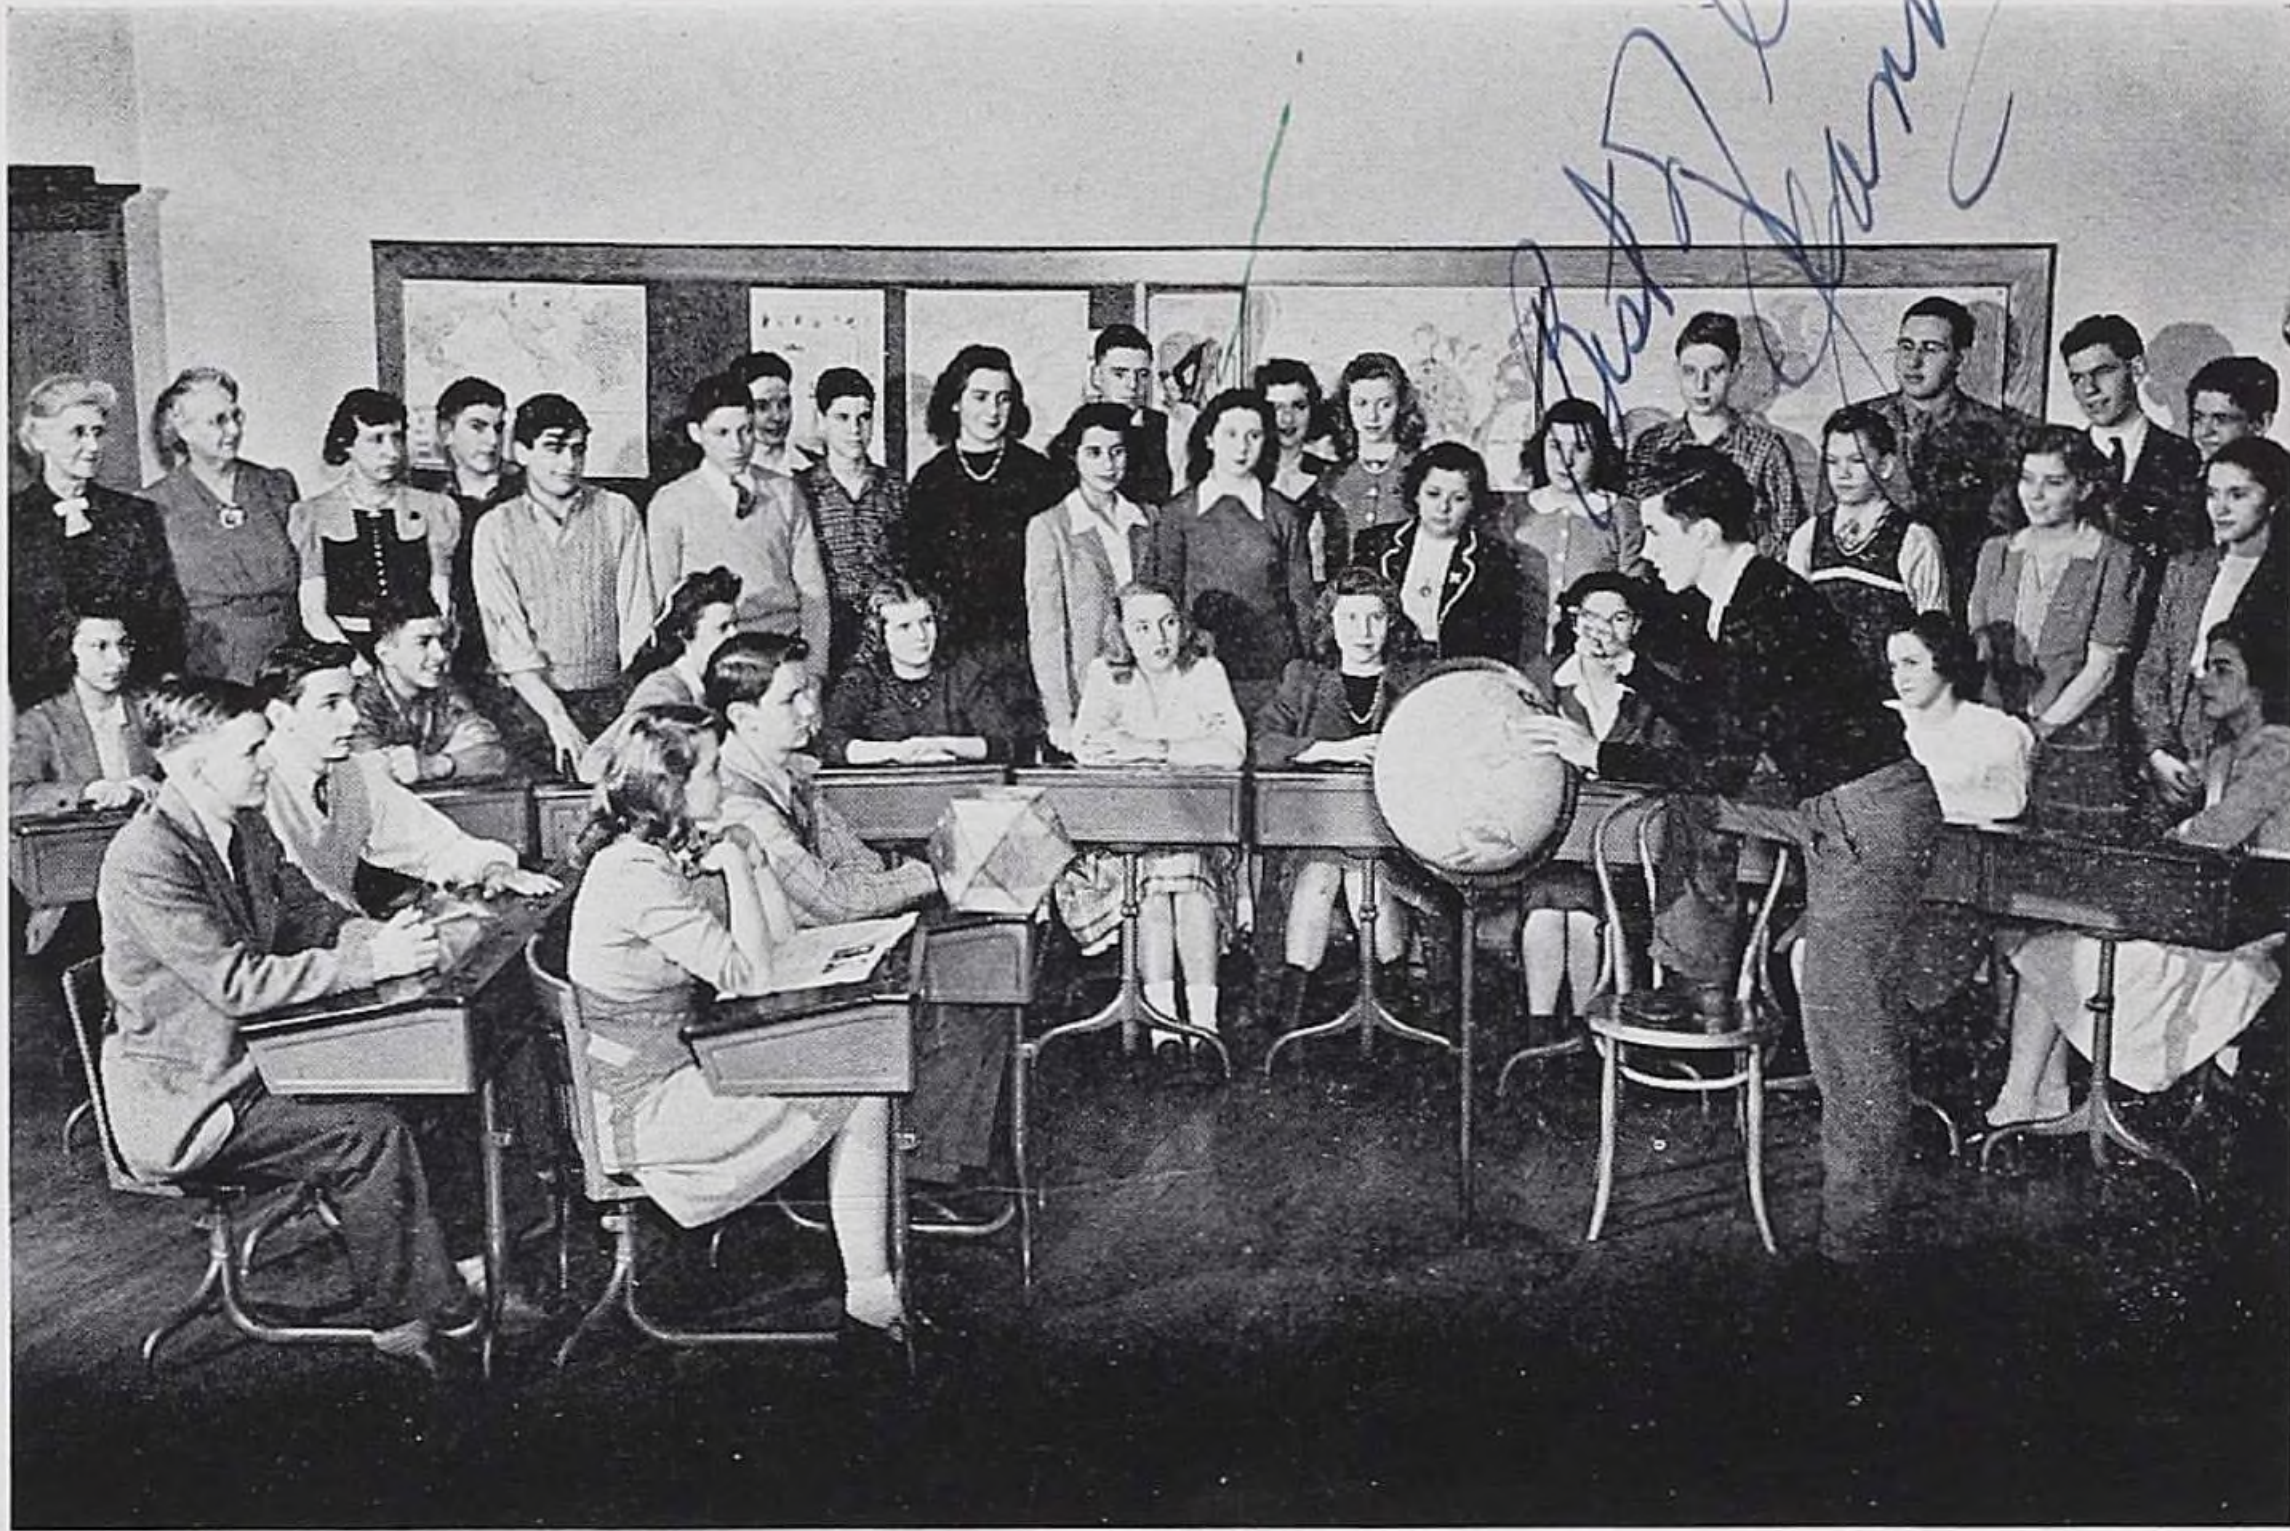

The students bring their own paints and meet every Wednesday after school in the Art Room. They paint from real life models, still life, or anything that attracts their artistic sense. Since artists also eat, they have tea and cookies after their masterpieces are finished.

The members this year are: Mary Ash Joan Brundage, Jean Brennan, Ann Culver, Patty Foster, Shirley Johnson, Lorraine Kellogg, Marilyn King, Katie Strickland, Betty Taylor, and Nancy Williams.

ENTER the portal of 102 with weapons unsheathed for "We the Students" is meeting this afternoon. Nothing is safe from the wagging tongues and inquisitive minds of this group of students. They keep up with the world with their weekly meetings, at which discussions arise over momentous international incidents and then again over the fairness of Regents.

This year as never before has "We the Students" been both entertaining and educational, for the "Debating Club" and "We the Students" have joined under a common name. It's views are to develop independent thinking, and to alert the young mind to the world in which it lives. It trains boys and girls to express themselves clearly and explicitly; it enables them to speak before others without fear; and it teaches them to see both sides of a question.

Under the leadership of Miss Wombough, Miss Gould, Mrs. Hannigan, Miss Percival, and Miss Zuber, "We the Students" has offered a very entertaining and educational program.

THE CLASSICAL CLUB is composed of those Latin students who desire to learn more about Rome and the Roman way of life.

Through plays written in Latin, spelldowns, lectures and games for which prizes are given, the students gain more detailed information concerning Rome than can be learned in the classes.

Because the Romans have left us the background of most of our own present form of government, we feel indebted to them for establishing the basis of one of the greatest governments of the world today.

By studying Latin, students gain a broader cultural background as well as ability for concentrated effort for work.

Latin also tends to imprint accuracy, patience and perserverance for study on the minds of the student.

Lastly, by their intense love of country, the Romans have set a fine pattern for us Americans to follow in these trying times.

"PARLEZ-VOUS francais?" "Comment t'allez-vous." "Je vais tres bien!" "Comment vous appelez-vous?"

Le Cercle Francais is made up of French students who are interested in furthering their knowledge of the customs and the language of the French people. These meetings are conducted almost entirely in French, thus giving the students the opportunity of gaining further knowledge about the beautiful French language.

During the past year many interesting and varied programs have been enjoyed. Among these were quizzes, speakers, skits, games, and readings, which were presented by various program committees and guided by Miss Trenkle, the adviser. The meetings were scheduled for every other Thursday.

Le Cercle Francais owes its success to a sincere effort on the part of its members to improve their conversational French and to the opportunity afforded for social enjoyment for all who participate in the programs from time to time.

THE RED CROSS WORK CLUB composed of about twenty-five girls and teacher sponsors, has again filled its quota in aiding the Senior Red Cross.

The club has met once a week in the sewing room to make afghans, lap robes, hospital folders, hot water bottle covers, utility bags, for the armed forces, and to make articles needed by the local Red Cross Chapter.

The Red Cross called on the junior members to make the table decorations when they had their "kick-off" dinner at the start of the War Fund drive. The girls put in hours after school making the large and effective crosses used on the tables.

Again in the spring the senior club needed work done on hospital slippers, and called on the junior members. Some of the girls, and teacher sponsors, in addition to the regular weekly meeting, gave an additional afternoon each week as long as they were needed.

Another project that was sponsored by the junior members was the filling of gift boxes with pens, pencils, needles, thread, tooth brushes, etc., for the school children of devastated countries.

The Work Club has spent a most enjoyable and profitable year.

## THE HOME ECONOMICS CLUB

JOYCE CARPENTER	-	-	-	-	-	President
MARY ANN QUINN	-	-	-	-	-	Secretary
BARBARA MURRAY	-	-	-	-	-	Treasurer

THE FIRST Home Economics Club of Olean High School was organized in January of 1927. Since that time it has been active and has sponsored many interesting projects.

The Red Cross Unit was organized by this group in September, 1940. Since that time they have retained their membership as a member of the Junior Red Cross. They have taken part in many work activities such as: changing the figures on the Service Flags.

This year the Home Economics Club of Olean High School was one of the four clubs in New York State chosen to send a representative to the North Atlantic Regional Conference of Home Economics Student Club, at Syracuse, April 13 and 14.

During the year the club presented a fashion show in assembly. The girls of the sewing classes modeled the garments that they had made.

The Home Economics Club, during the Christmas season, through their gifts of food and clothing, made it possible for a very worthy family to have a pleasant Christmas.

## N. Y. STATE HONOR LEAGUE

THE NEW YORK State Honor League is an honorary state-wide organization of high school students who rank highest in scholastic ability and extra curricular activity. The purpose of the league is to promote good scholarship and school citizenship.

The members of the League in each school are chosen by two ballots. From this list they selected 32 equal to 15 per cent of the class, whom they considered of the finest character and of most value to the school.

The result of the teacher vote is then submitted to the members of the Senior class which then selects ten per cent of the number of the senior class for the year. Character, value to the school, and future promise all the points upon which their selection is based.

**D**ID YOU realize that there are fifteen million bowlers in the United States? Are you a bowler? If not, you have an opportunity to learn how to bowl and how to improve your technique by regularly attending the Bowling Club meetings at the Palace Alleys every Monday afternoon.

Now for a few bowling tips: A beginner must first select a ball that fits well; then concentrate on the delivery of the ball. A three-or four-step approach is a simple method and gives plenty of time to swing the ball **unhurriedly**. It is important to have the ball and foot go into action simultaneously.

Now that you have a suitable ball and a suitable approach, let's bowl. Roll the ball near the right gutter toward the one-three pocket. Watch your ball as it runs down the alley toward the pins. The ball hooks sharply to the left and crashes into the one-three pocket and topples the pins in every direction. They all fall. It's a strike! At this rate, you are sure to win the prize for the highest score at the Annual Banquet.

The highlight of the year was the Bowling Club Dime Dance to raise funds for the Banquet.

THIS YEAR found a new club distinguishing itself as an up-and-coming activity placing more importance on winter sports. In competitive contests at Allegany State Park, this last winter many members of the Club have taken first class prizes, and all have participated in the various contests.

Other activities of the Ski Club included the clearing of the ski runs on Mt. Hermans, and taking part in, and sponsoring special feats at the Conservation Club on the Rock City Road.

This winter was a severe one with a steady very cold temperature. This afforded an opportunity for all who wished to do so to take up the fine art of skiing.

## OUR SPORTS

## 

OUR HUSKIES started the year with a new coach, Mr. Wilmer Kunkle. Mr. Kunkle did a fine job as coach and Mr. Brown acted as faculty manager. Nearly a hundred boys reported for practice with only one returning regular, James O'Neill. There were also four other returning lettermen, Bud MacAuliffe, Dan Brown, Walter Melnyk and Bruce Bradley. Stan Turek, John Rodie, Jack Callahan, Charles Smith, Robert Snyder and Charles Karuck comprised the rest of the varsity squad.

OLEAN 21—HORNELL 30

The Huskies took the floor after a mere ten days of practice against a larger and more experienced Hornell five. The Huskies kept pace until the last three minutes when the Hornell five pulled away.

OLEAN 27—FALCONER 38

The Huskies journeyed to Falconer only to be defeated by a sharp shooting Falconer five.

OLEAN 17—PORTVILLE 24

Traveling to Portville our boys were defeated in the final minutes by a fast Portville quintet.

OLEAN 18—BRADFORD 49

In their second appearance on the home floor the Huskies were badly beaten by our traditional rivals, Bradford. Bradford started fast and, before the Huskies could score, had garnered 18 points. The Huskies came back strongly in the third quarter but were never really in the game.

OLEAN 31—ALLEGANY 22

The Huskies scored their first victory of the new year, and of the season over the Blue Devils.

OLEAN 45—SALAMANCA 29

The boys defeated the Salamanca team at Salamanca for their first league victory of the season.

OLEAN 51—RANDOLPH 42

Randolph was given their first defeat of the year on the Huskies home floor.

OLEAN 36—RANDOLPH 34

Randolph was again defeated for the second time in a week, at Randolph.

OLEAN 29—GOWANDA 25

The Huskies won their fifth straight by defeating Gowanda on the home floor in a league contest.

OLEAN 35—HORNEILL 37

The boys journeyed to Hornell only to lose a heartbreaker by two points. A last second basket by MacAuliffe was ruled out by the referee. It was their first defeat of the new year.

OLEAN 22—BRADFORD 60

The Huskies were overwhelmed by the Bradford Owls on the latter's court. Although they played well, the Huskies were no match for the bigger and more experienced Bradford team.

OLEAN 31—SALAMANCA 24

The team gained its winning ways by defeating Salamanca here in a league game.

OLEAN 28—ALLEGANY 27

The Huskies won a thrilling victory over the Blue Devils on the Allegany court.

OLEAN 30—PORTVILLE 26

Portville was defeated on the High School court, thus avenging the defeat of the early season.

OLEAN 34—GOWANDA 38

The Huskies dropped a close game at Gowanda, their final regularly scheduled game.

OLEAN 38—GOWANDA 37

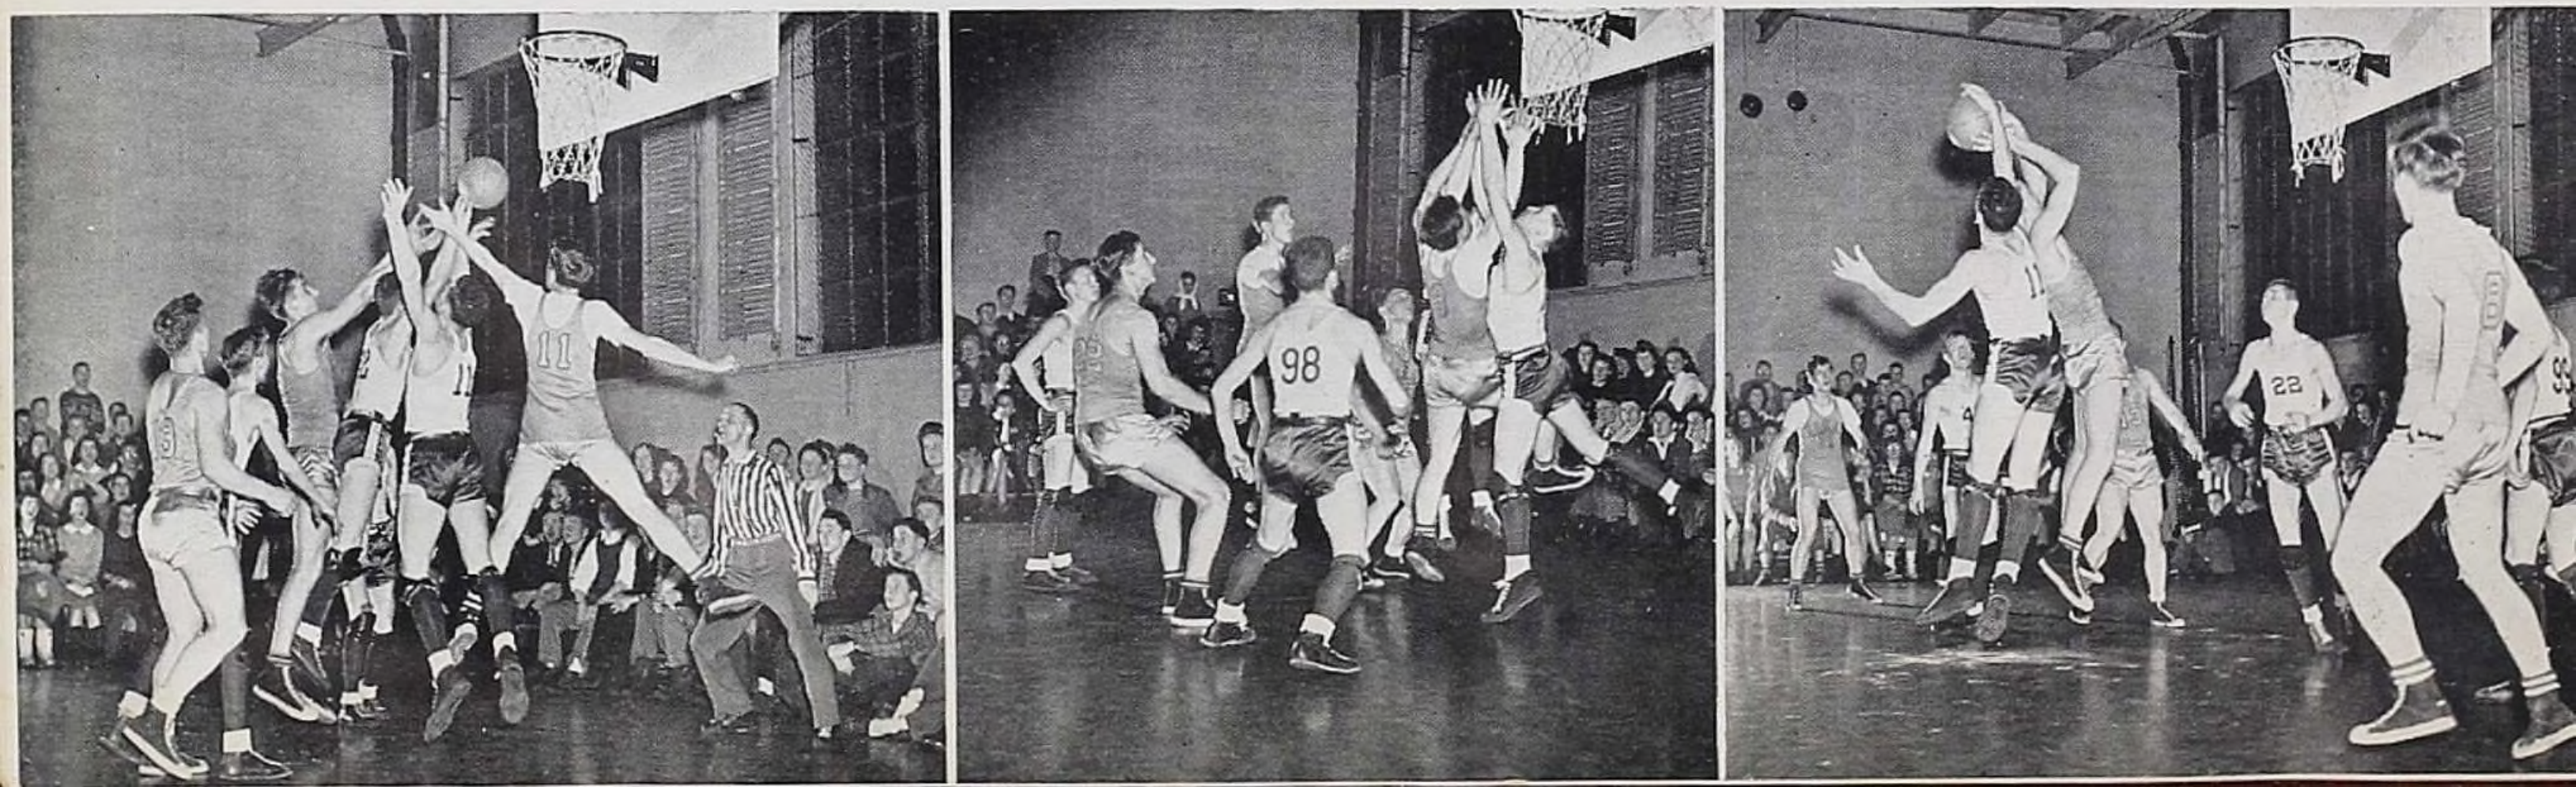

Gowanda was defeated here in a post season game for the Double A. A. Championship.

OLEAN 37—RANDOLPH 35

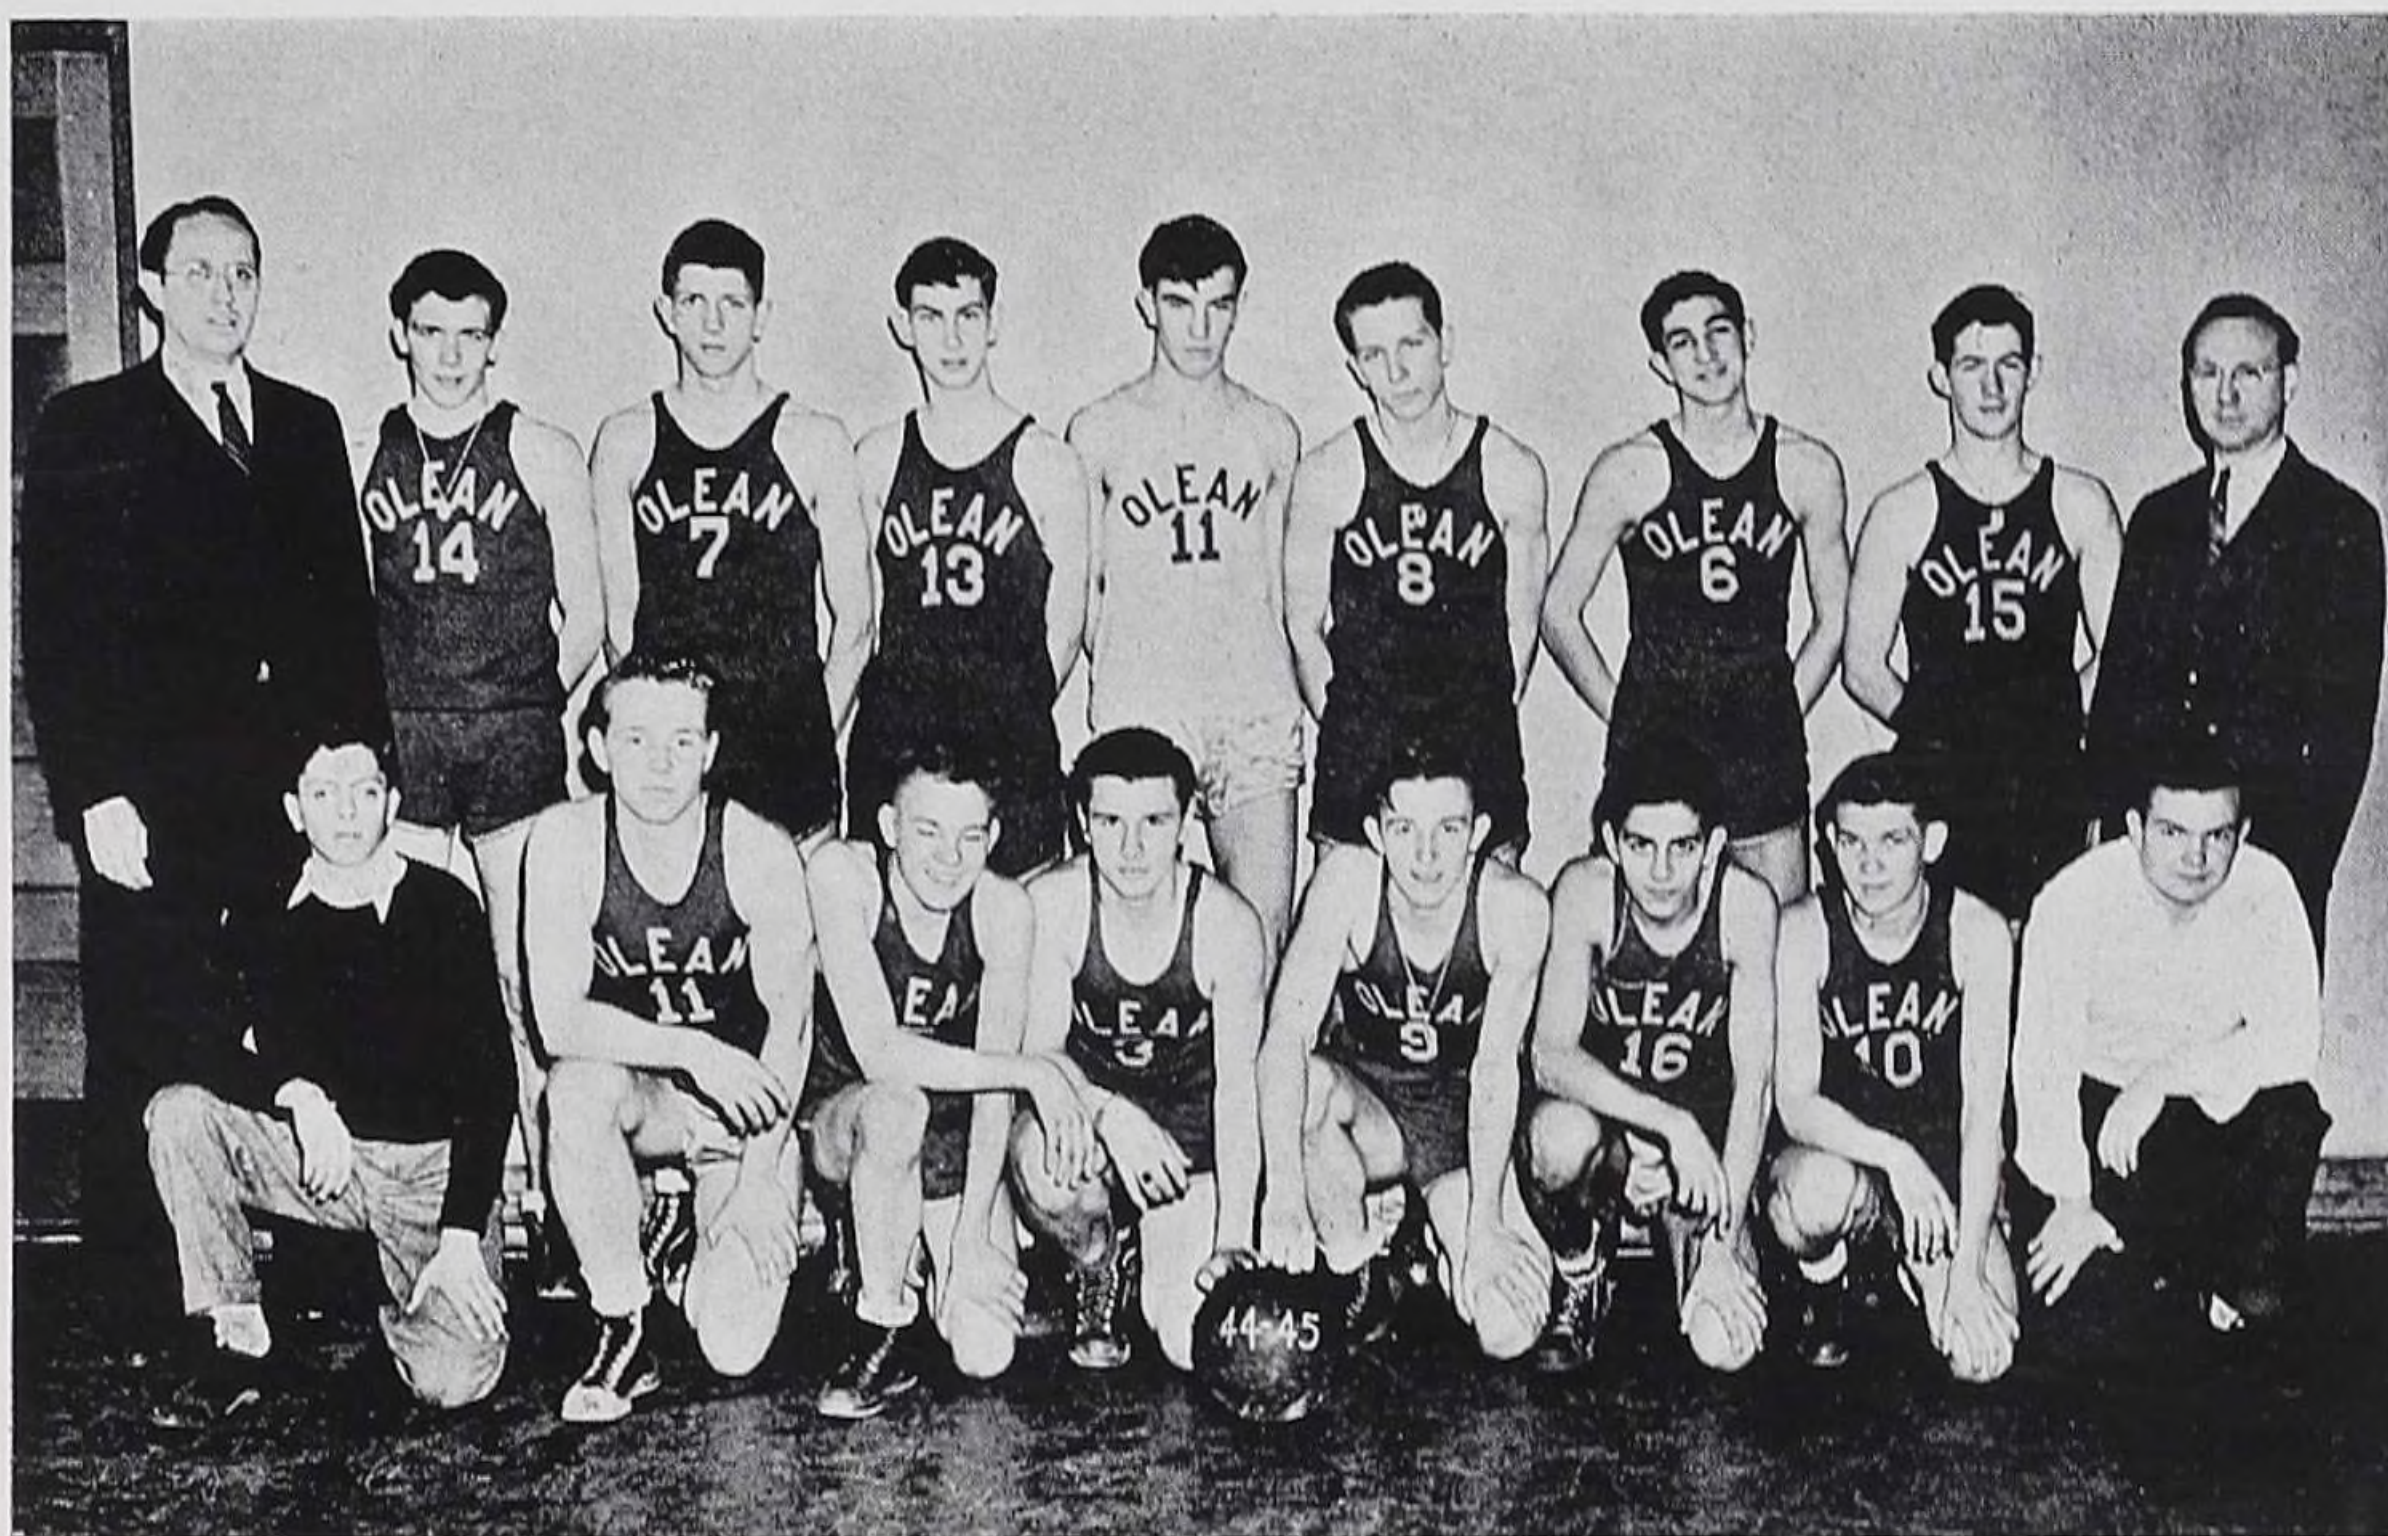

The Huskies licked Randolph in an overtime contest to gain the County Championship and the Bi-County Finals.

OLEAN 31—JAMESTOWN 56

The Huskies lost to Jamestown in the Bi-County Finals. The men of Jamestown were too much for the Red and Gold. Dan Brown was elected permanent captain before the game. It was the final game for "Doc" Rodie, "Mickey" MacAuliffe, "Darb" O'Neill, and Dan Brown.

Kneeling: D. Harris, (Manager); R. Spink, B. Weis, D. Donovan, J. Grega, J. Ash, D. Weber, P. Douglas, (Manager); Standing: Mr. Kunkle, (Coach); J. Kubiak, B. Gazdik, P. Peterson, D. Hurlburt, H. McGavisk, D. Shaw, Mr. Brown, Faculty (Manager)

## THE JUNIOR VARSITY

WITH MOST of last year's J. V.'s moved to the Varsity, Mr. Kunkle formed a new squad. Dick Donovan was the only holdover from the squad of the previous year. Joe Ash, Sam Fleri, Bill Gazdik, Joe Kubiak, Paul Peterson, Don Shaw, Ray Spink, Don Weber, Bob Weis, Harry McGavisk, John Grega and Don Hurlburt composed the rest of the squad.

THE GIRLS' TUMBLING CLUB is made up of girls of the O. H. S. The purpose of this club is to arouse interest among the athletic girls; to create poise, grace, good walking posture, and many a stiff tumbling position. The club this year made up many new stunts which they performed in an athletic assembly. A great deal of credit goes to Mrs. Lee, the adviser of this club.

To a sweet kid.

# The Lowest Price, That's All!

Don't worry too much about Mr. Lowest Price — his proposition glitters only at first glance. Buyers of printing seldom are fooled by him more than once. He spikes his own game with the delivery of the job—in fact, he gives the show away with the very first proof . . . Remember: the salesman who sells brains and craftsmanship, who can create good selling ideas and put them on paper, has no competition from the out-and-out price cutter.

## TO THE CLASS OF 1945:

Success in the world of today demands the best of preparation on the part of those young men and women who are about to take their places as members of a competitive society. Second only to good character is intellectual equipment.

The future of the world and the personal success and happiness of its membership will not be determined by the extent and strength of its armed might but rather will its course be charted and its future made secure by the character and the intellectual discipline of its people.

To you the graduates of 1945, the leaders of tomorrow, congratulation and best wishes. In this great democracy each shall write his own history. May your hand be steady, your purposes noble, and your mind clear.

Sincerely,

A handwritten signature in cursive script, reading "Fred W. Fourness, Jr.", with a large, elegant flourish at the end.

### *Youth's Responsibility*

Billions of dollars and millions of lives are being spent to give you a world fit to live in. Your job in school is to study to make yourself fit to play a worthy part in it.

You must help to relieve human misery, to erase poverty, to stamp out war, to stand off Death with the new and shining weapons of Science, to use the power of your knowledge for the good of mankind, not for its destruction.
