Dedication

IN THE past hundred years, many teachers have devoted the best years of their lives to the Olean Public Schools. They have given far more than a tangible return could have remunerated them.

In appreciation of their unselfish service rendered, the Congress Staff of 1946 dedicates this book to all of the inspiring Olean teachers of the past and of the present.

Foreword

THE YEARS of 1945 and 1946 will be recorded as the most important in human history.

This yearbook is a record of Olean High School in the year of 1945-1946. These events are not important in any national or international sense; rather, they are important because they represent another year in the lives of every student in this school.

The theme of this year's "Congress" is Olean High School throughout the years, honoring the generations of students in which Olean High stands personified.

Olean High School looks back with pride; it looks forward with confidence.

OLEAN SCHOOLS - A HISTORY

IN THE handsome marble wall of the foyer in Olean High School is fastened a bronze plaque stating, "This property was donated in 1852 for school purposes by Ansel Adams." Perhaps a few of the students who hurry by it every day have noticed it; perhaps some have paused to wonder at the paradoxical situation it suggests: They are standing in a building constructed within their lifetime, but on a plot of land dedicated for that very purpose almost a century before. Yet such is the case, for the first Olean Academy, the forerunner of our High School, was built on the very same spot a decade before the Civil War.

The idea of erecting an academy for "higher" education was conceived early in the year 1851 by a group of the leading citizens of Olean. Professional men, business men, and men of God, they had a common pride in the town of Olean, and an honest desire to present their children with an opportunity for a more finished education. The most immediate problem to be surmounted in this plan was the lack of funds to erect an adequate building. The men decided that entering upon the project as a business venture afforded the best chance of success; so a meeting was accordingly held, and the Olean Academy Association was formed to raise the necessary money. The spectacle of these men devoting their time and financial support so unselfishly to such a community undertaking was gratifying to say the least; but it was not surprising, for the people of Olean had always considered the education of their children important.

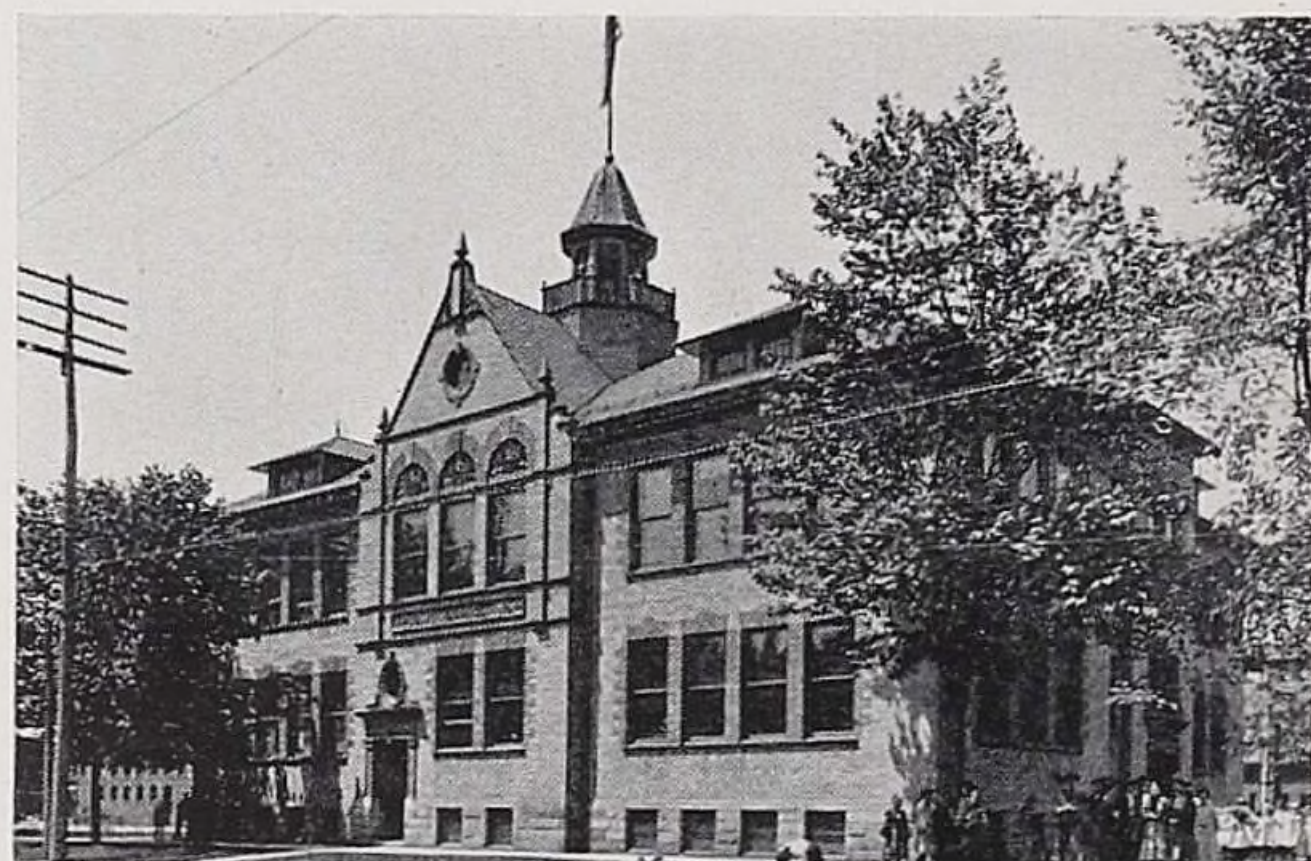

OLD OLEAN HIGH SCHOOL

Barry Street; and in 1822 a frame schoolhouse was erected by Seth Simmons and his son Ephrian, approximately on the location of the present School No. 3.

In actuality, little is known about these early schools of Olean; certainly no comparison can be drawn between these schools of over a century ago, and the ones of today. The former were drab, cheerless, lacking in light and comfort; representing, perhaps, more the spirit of education than its development. The subjects were as rudimentary as the facilities, reading, figuring, and writing being the staple ones. As different to us was the schoolmaster, or schoolmarm, as the case may have been, who as members of a learned although alien profession, enjoyed a unique position in the community. One of their prerogatives was the privilege of boarding at the homes of the students, compensating for their board by helping with the tasks about the house, and by extra tutoring of the children.

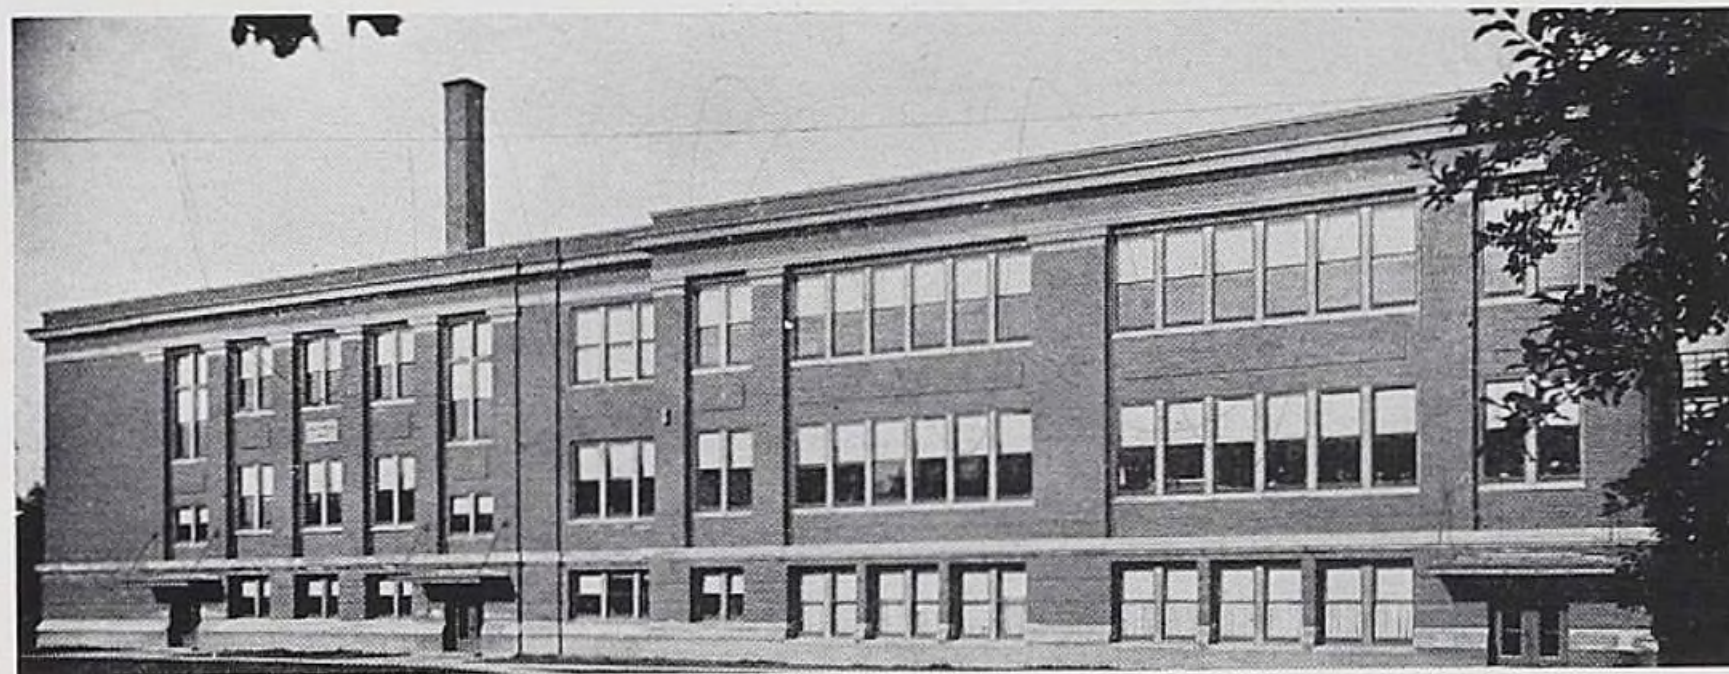

The school slowly grew; by 1846 it numbered almost one hundred students and teachers. With the passage of time came the change from the one-man ruler of the schoolhouse, to a staff of teachers. The schoolhouse itself progressed from the rude log cabin to a fine two-story building, put up in 1851

on the same spot as the first frame school twenty-nine years before. This growth was no quick mutation; it was the culmination of slow evolution, keeping pace with the growth of Olean itself.

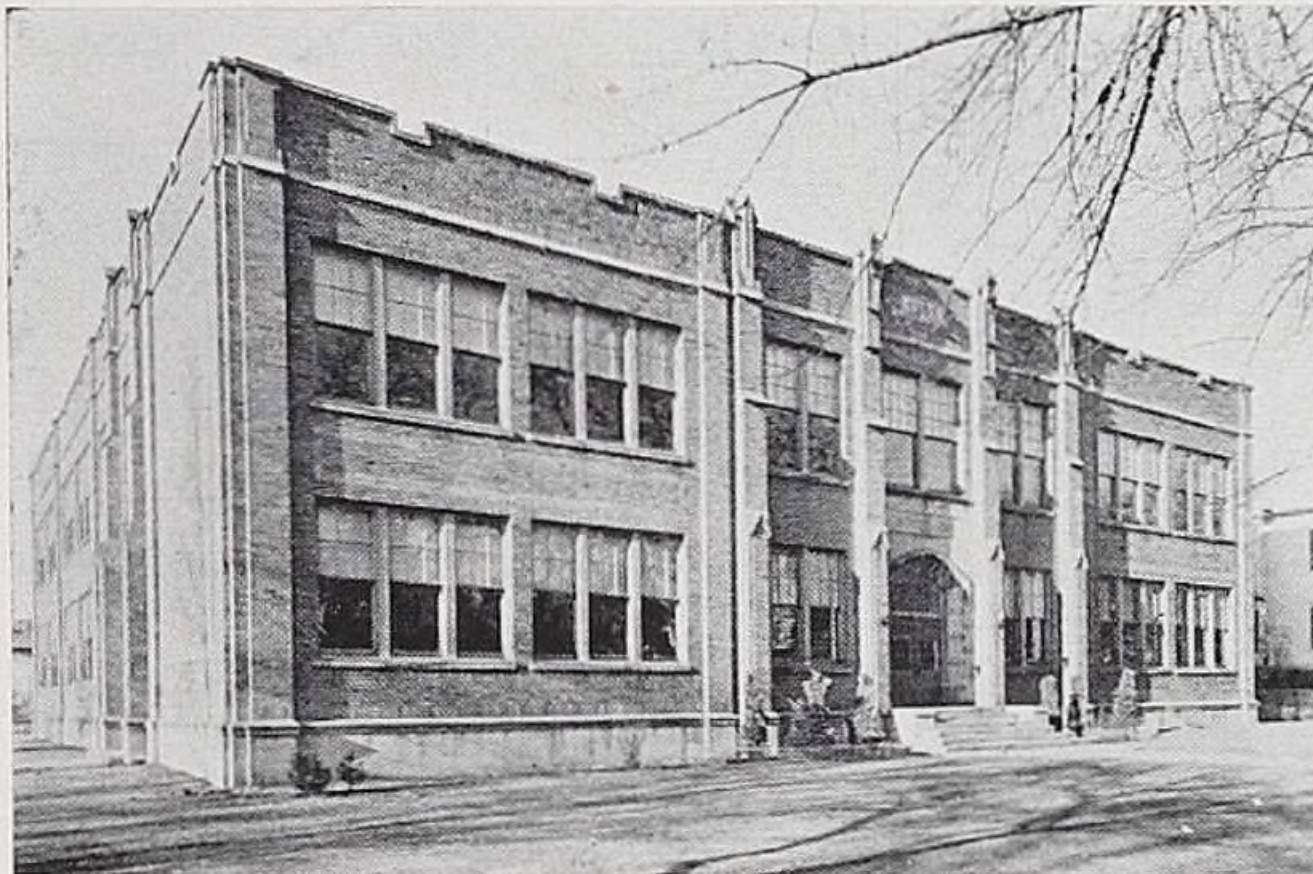

SCHOOL 4

Olean had indeed grown; in 1851 the population was numbered on the larger side of 900. The Erie railroad had recently been completed to Olean; local manufacturing was established; and the construction of the long awaited Genesee Valley Canal was to be undertaken. The town was ready for its next step in education—the Olean Academy.

The money which the Association had set out to raise was secured without difficulty. Con-

struction was begun, and the building was completed in 1852, after which Professor J. A. Woodruff assumed office as the first principal. But neither he, nor anyone else present at the opening of the new building, had any vision of what fate had in store for the product of their work and hopes. Three years later the building burned to the ground.

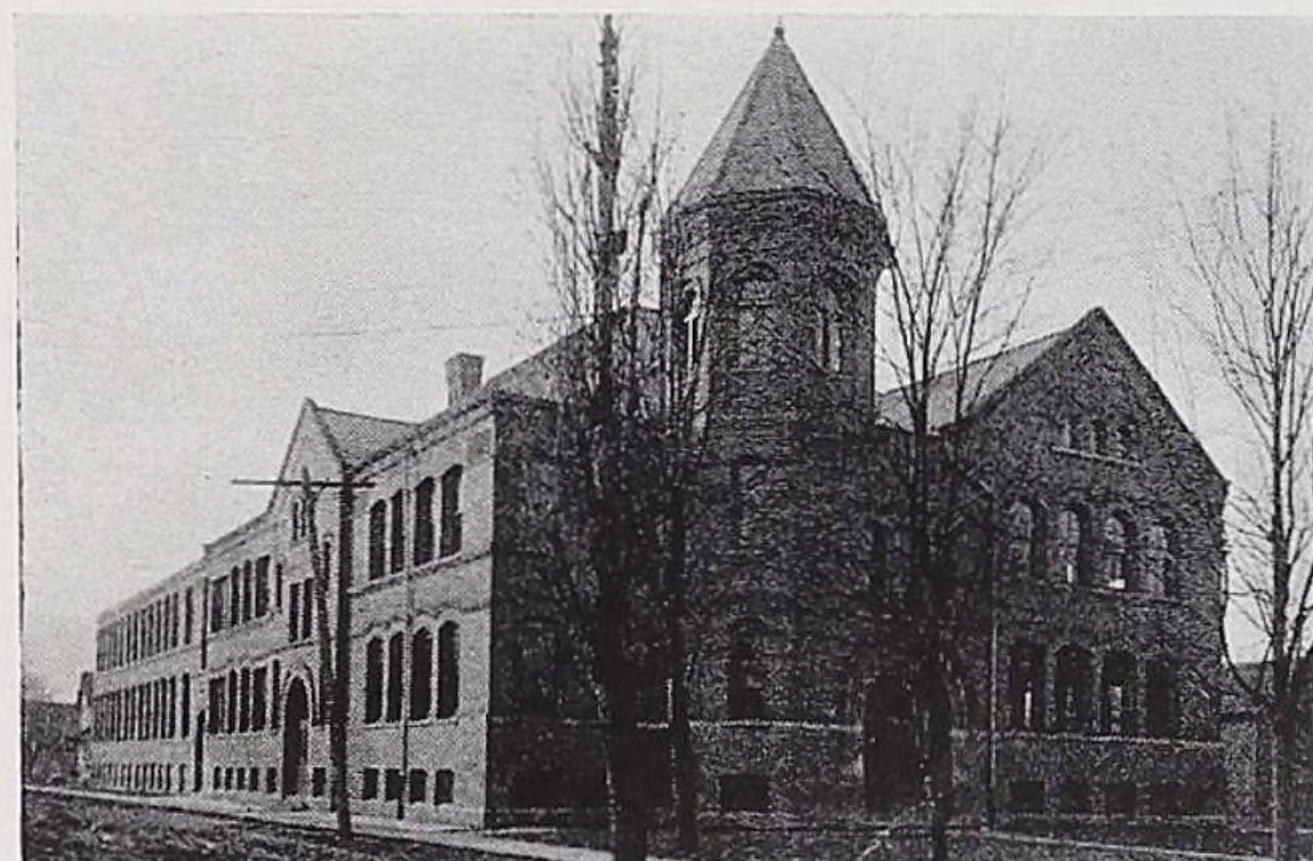

SCHOOL 1

nancial embarrassment work was not begun on the permanent building until a few years later. The school was completed in 1858, with Fayette Royce as principal.

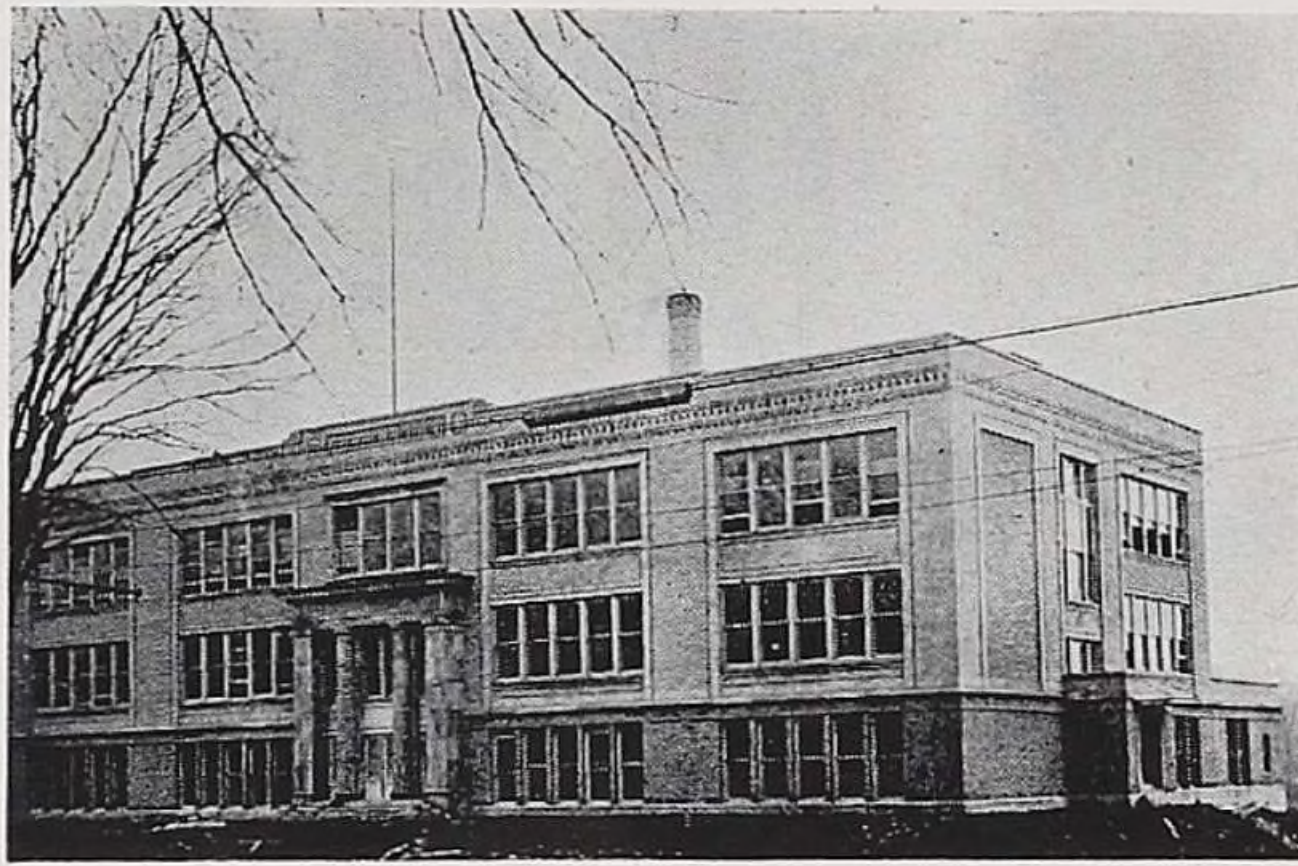

The school itself was situated on a prominence overlooking the city, and only a few minutes ride from the railroad track, as an early Academy Bulletin expressed it. While the location is perhaps familiar, the curriculum was certainly alien to a student of today. Such beguiling subjects as Metaphysics, Ethics, Orthography, Rhetoric, Astronomy, and Intellectual Arithmetic were among those subjects pursued by the scholars of the Academy. Since the institution was privately owned, tuition was also paid; the sum of fifteen dollars was the cost of the entire three-year course.

The history of the Olean Public Schools actually began in the year 1864, with the establishment of Olean Union Free School District No. 1. Four years after the District was organized it purchased the Olean Academy; and in 1880 funds were voted to construct a new building. This was to form the central portion of the "old" high school which was demolished in 1935.

SCHOOL 2

OLEAN SCHOOLS - A HISTORY

SCHOOL 5

In 1886 a brick building was constructed to replace the frame school formerly located at State and North Barry Streets, and was called School No. 3; however, this new edifice burned a few years later, and the present School No. 3 was built in 1896. School No. 6 was erected in 1888, on the corner of Reed and North Tenth.

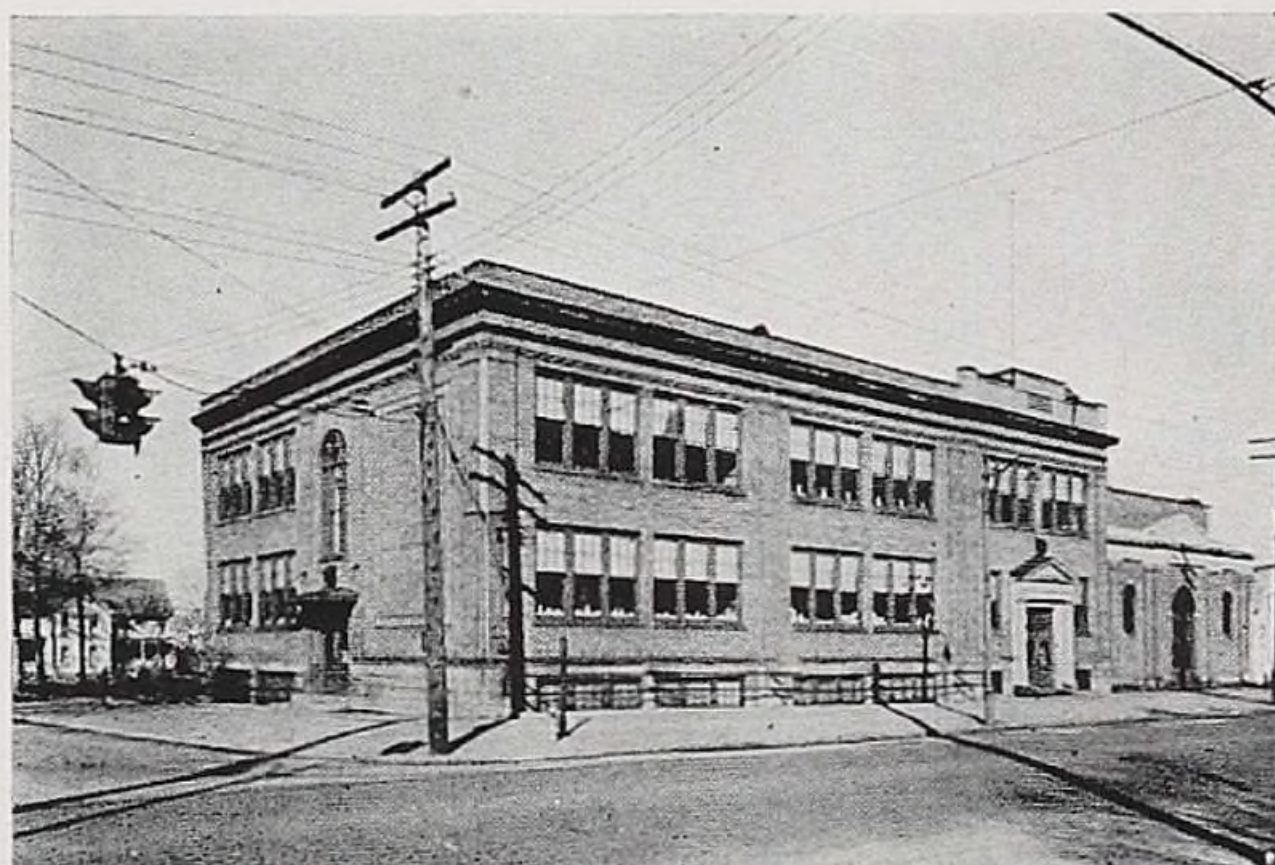

It is easy to trace the expansion of Olean by the corresponding extent of its grade school system. The year 1907 seemed to inaugurate another building program, this time for the accommodation of the children in the outlying portions of Olean. School No. 4, in East Olean, was sold and a new building was consequently constructed on the corner of King and Railroad Avenue. At the same time, a small building was put up on School Street in Boardmanville, to serve as School No. 5.

SCHOOL 10

Prior to 1907, North Olean had maintained a separate school district, District No. 3, but in June of that year District No. 1 annexed the former; and as a result two new schools were built in that section. School No. 7 was located on the corner of North Union and West Forest, while School No. 8 was put up on Homer Street.

In 1909, District No. 1 was again enlarged to include a section lying south of the Allegheny River, and the first School No. 9 was built on South Union Street in that year. A site was also purchased on the corner of West Henley and South Fourth to erect a School No. 10.

SCHOOL 7

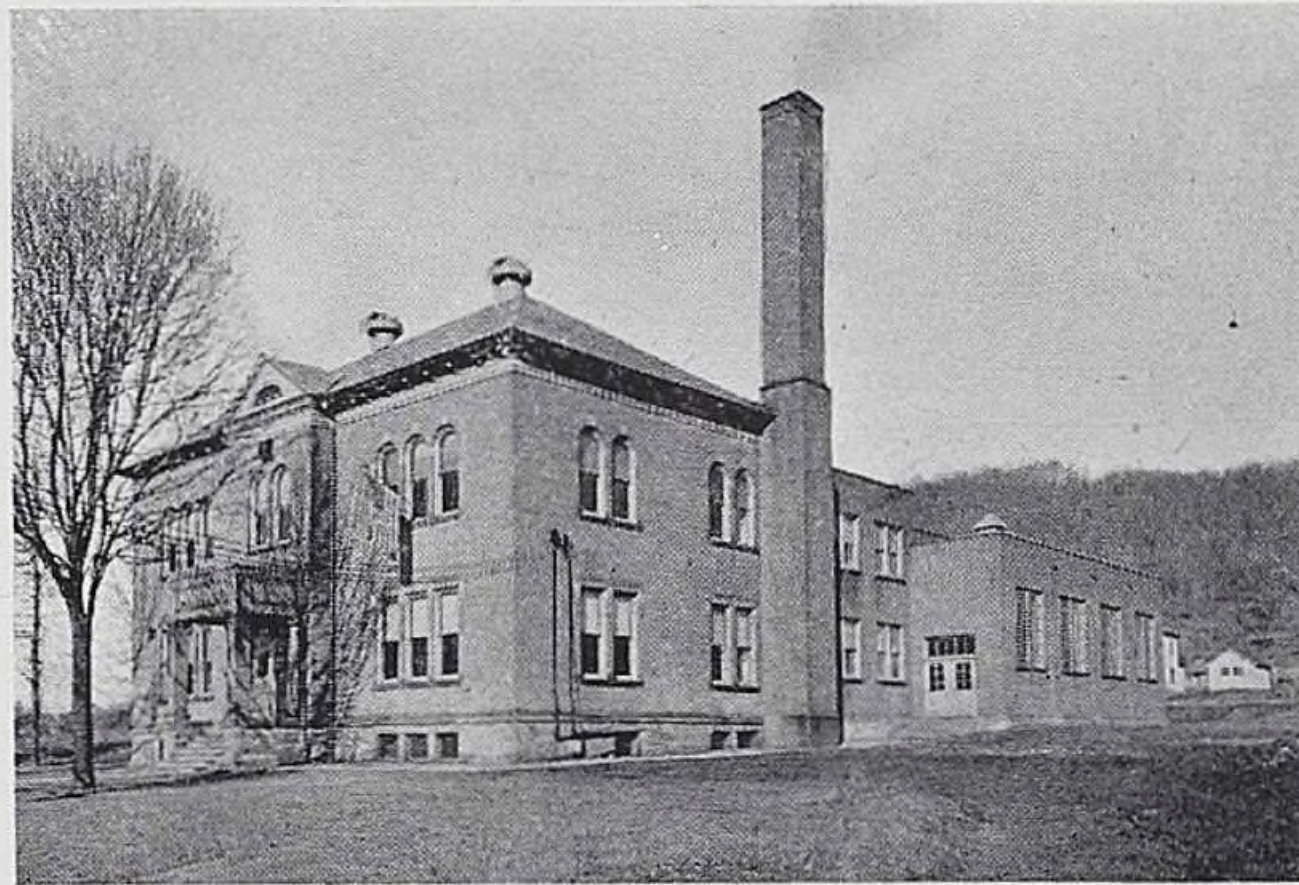

The year 1882 marked the beginning of a rapid growth for the school system, due probably to the influx of people into Olean, attracted by the oil and other industries springing up here at that time. That year the trustees of the School District No. 1 first employed a Superintendent of Schools, and a building program was undertaken. A four-room frame school replaced the former School No. 2 on the corner of West State and South Eleventh Streets; and a two-room building designated as School No. 4 was erected at Chestnut and Bishop.

The High School enlarged as rapidly as the grade schools. In 1892 it was found necessary to build a West wing, and an East wing was completed in 1896. This latter addition made possible what is believed to be the first Junior High School in the country. Known for many years as School No. 1, this was finally discontinued in 1910 because of lack of room in the High School building.

Perhaps more important, however, were the additions made to the curriculum of both the High

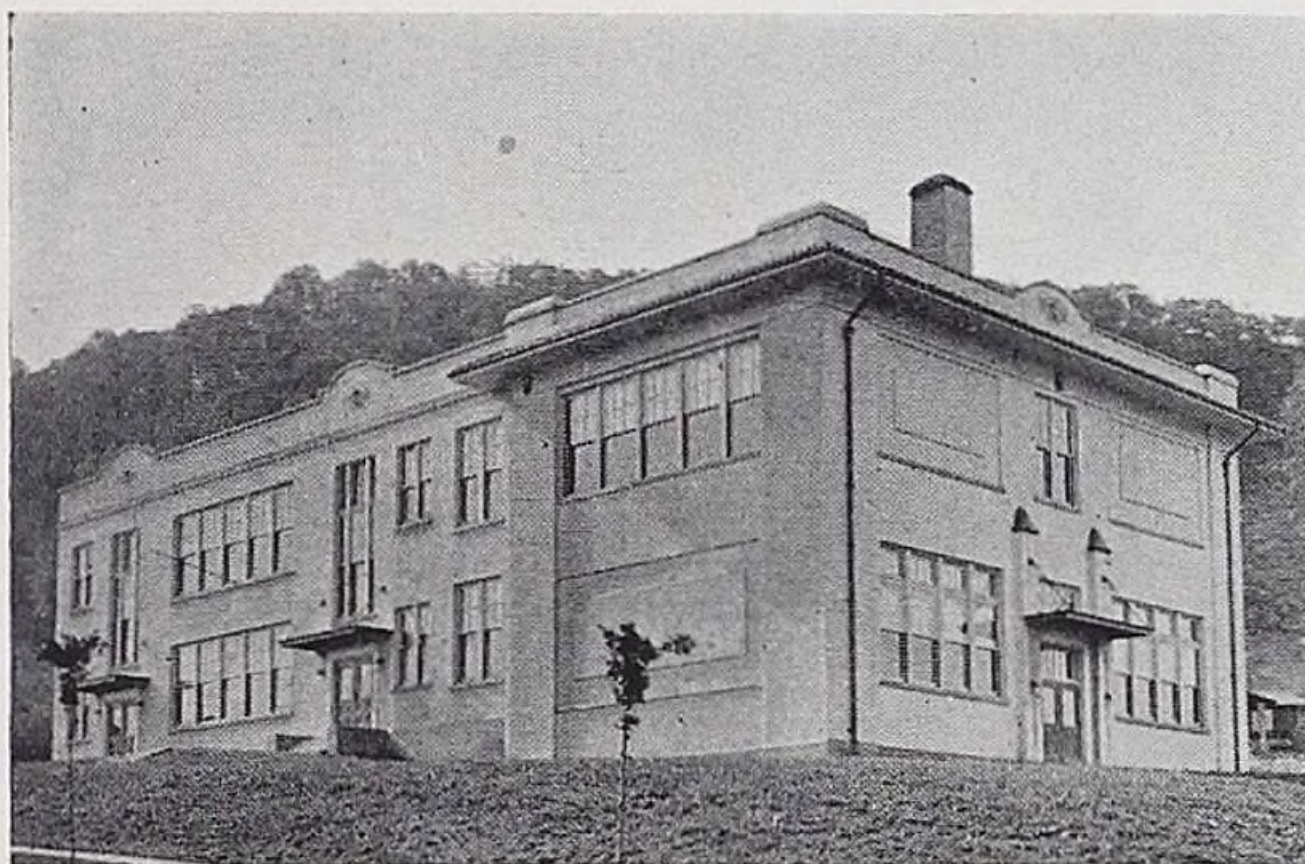

OLEAN SCHOOLS - A HISTORY

and Grade schools. In 1883 drawing and penmanship began, while Music was added in 1889. Industrial Arts was introduced in the grades in 1888; free text books for the grades were first used in 1894; 1904 saw Manual Training inaugurated; and Domestic Science was offered to girls of grade school age in 1905. Art courses were introduced into the High School in 1908; the next year a Commercial Department was added. Medical inspection, however, was not started until 1915, the same year that a library was established in the High School. One year later Physical Education became a part of the students' daily routine.

SCHOOL 8

With 1917 came what could be aptly entitled the first chapter of the Olean Schools' "War History." As early as 1914, the students had contributed to the Belgian Relief, both by raising funds and by making bandages; now they continued the work for the Red Cross. Under the guidance of Mr. Sackett, then in his first year as principal, the students of the High School raised \$400 to buy Liberty Bonds for the High School; while in 1918 the Seniors contributed the receipts from their play, amounting to \$622, to the Red Cross.

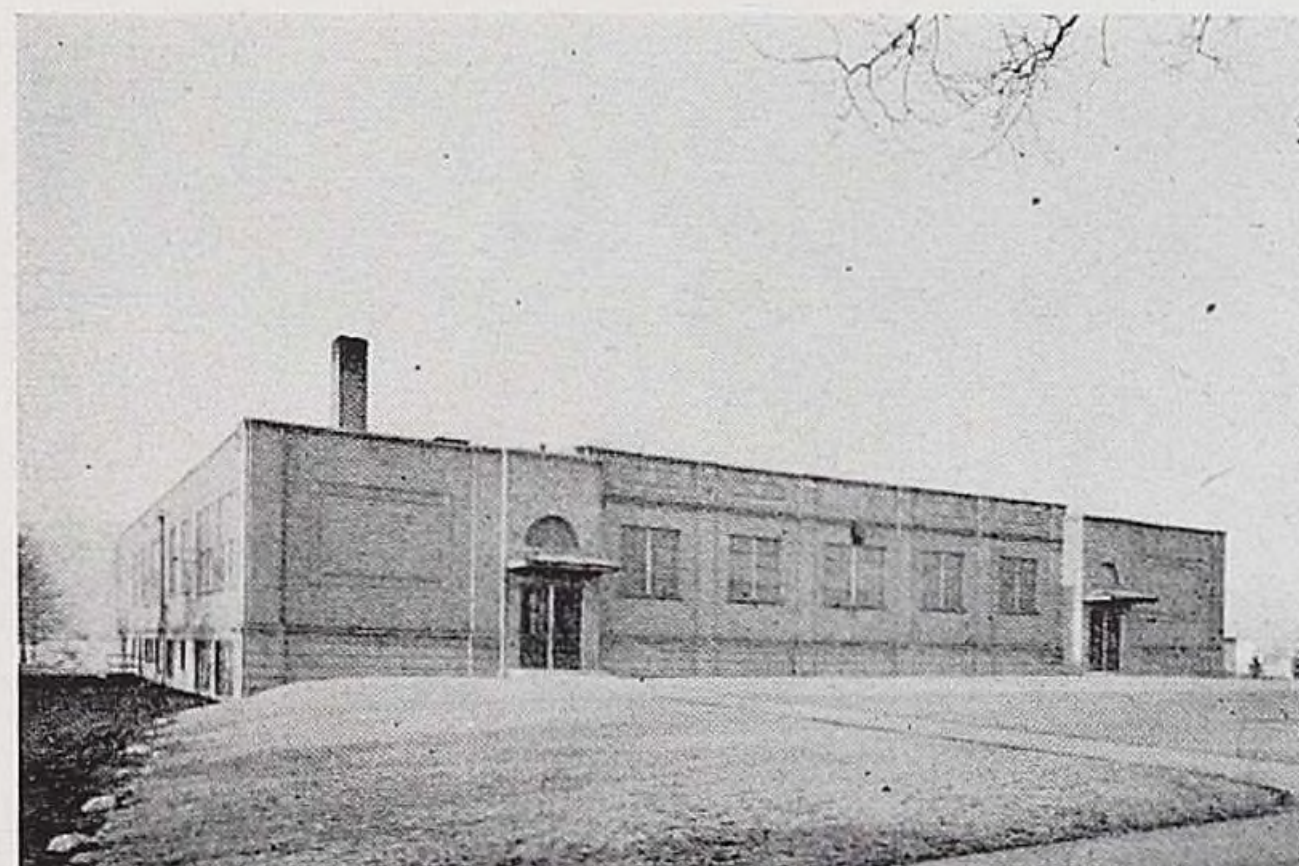

SCHOOL 9

Following the war, the Board of Education again undertook a series of renovations in the school buildings. A new addition was made on School No. 4 in 1922; and the next year the present School No. 5 building was completed. In 1924, the existing School No. 9 building was erected in Seneca Heights.

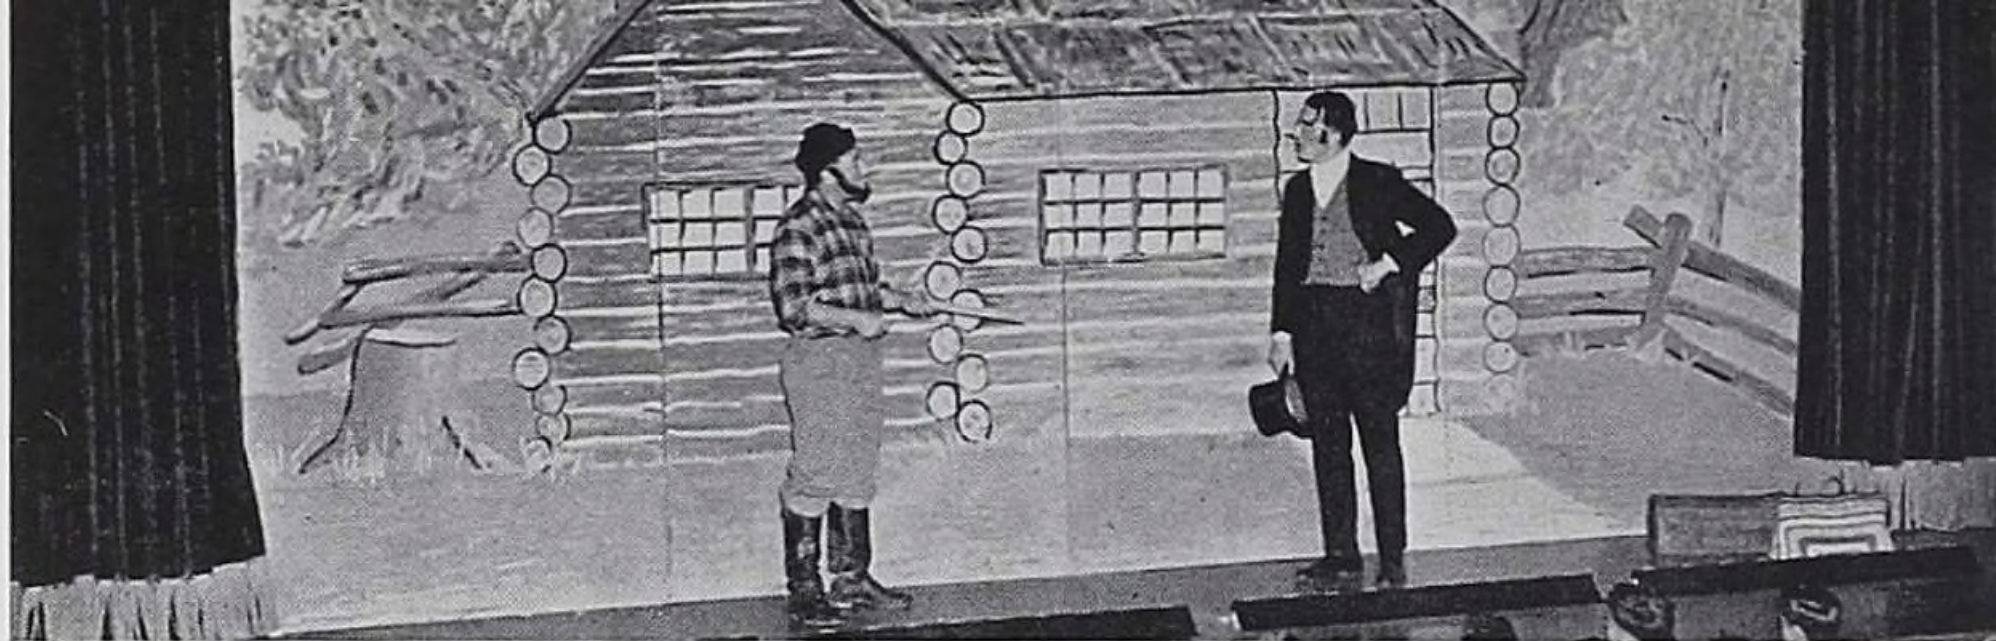

Since the old School No. 1 had been discontinued, a new one was built in 1925 on the corner of West Sullivan and North Sixth Streets, a site formerly occupied by St. Mary's Academy. The last grade school in the Olean system was School No. 11, erected three years later on West State Street to facilitate the education of the children in that area.

For a number of years, Olean had felt the need for a new High School, and now the inadequacies and age of the old building made the need acute. Therefore, in conjunction with the Federal program for the construction of High and Central Schools throughout the country, the existing High School was razed in 1935, and work was started on project No. 6318, destined to become Olean High School. The million dollar building was completed in 1936. It now insures the best educational opportunities for the future citizens of Olean.

Activities

ALMA MATER

Oh, Alma Mater fair and true
Thy honor we acclaim,
We rally 'round the Red and Gold
To laud thy noble name.
In thee we students shall renew
Our faith of days gone by;
Across the years, we'll live anew
Thy spirit Olean High,
Across the years, we'll live anew
Thy spirit Olean High.

Dear Olean, thy loving ways
And charms will ever be
Those memories of golden days,
Those friends and hearts so free;
To thee we pledge thy honor due,
And parting sound thy cheers;
Our thoughts of you, so staunch, so true,
Will live through all the years,
Our thoughts of you, so staunch, so true,
Will live through all the years.

ACTIVITIES - MUSIC ORGANIZATIONS

1945 - 1946

THIS YEAR the Swing Band was organized from the members of the Band and Orchestra. It has played at two assemblies and for the Junior Dime Dance.

The Olean High School Band under the new director, Mr. Robert Grant, has finished a very successful year. During the fall term, the Band played for two pep rallies and for several very wet football games, which were made colorful by the Band's intricate parade formations. On October 12, the Band went to Bradford with the Huskies. The month of May was the busiest month: On the second, the Band presented an Assembly program; a Music Week's Concert was given on the seventh; and on the twenty-first, took part in the annual Spring Concert. The Band also went on parade for the opening of the baseball season of the Olean Oilers Baseball Team.

Under the direction of Mrs. Florence Pratt, the Olean High School Orchestra also has completed a busy season. Music was provided by the Orchestra at the New York State Teacher Association Pageant and for the Junior and Senior Plays. The Orchestra took part in the Olean High School Christmas Concert and the Spring Concert.

Both the Choir and the Glee Club, directed by Mrs. Gladys Harris, sang at the Christmas Concert where they gave a very admirable performance. They also sang at the Spring Concert in May, and at an Assembly. The Parent-Teacher Association has also been favored with vocal selections by these groups at several of their meetings.

A brass quartet played for the Christmas Concert and over WHDL along with several soloists who sang.

A clarinet quartet played for the P.T.A. and a small band, directed by Mr. Grant, has furnished music for assemblies.

From the Orchestra has come a string ensemble which has appeared on several programs.

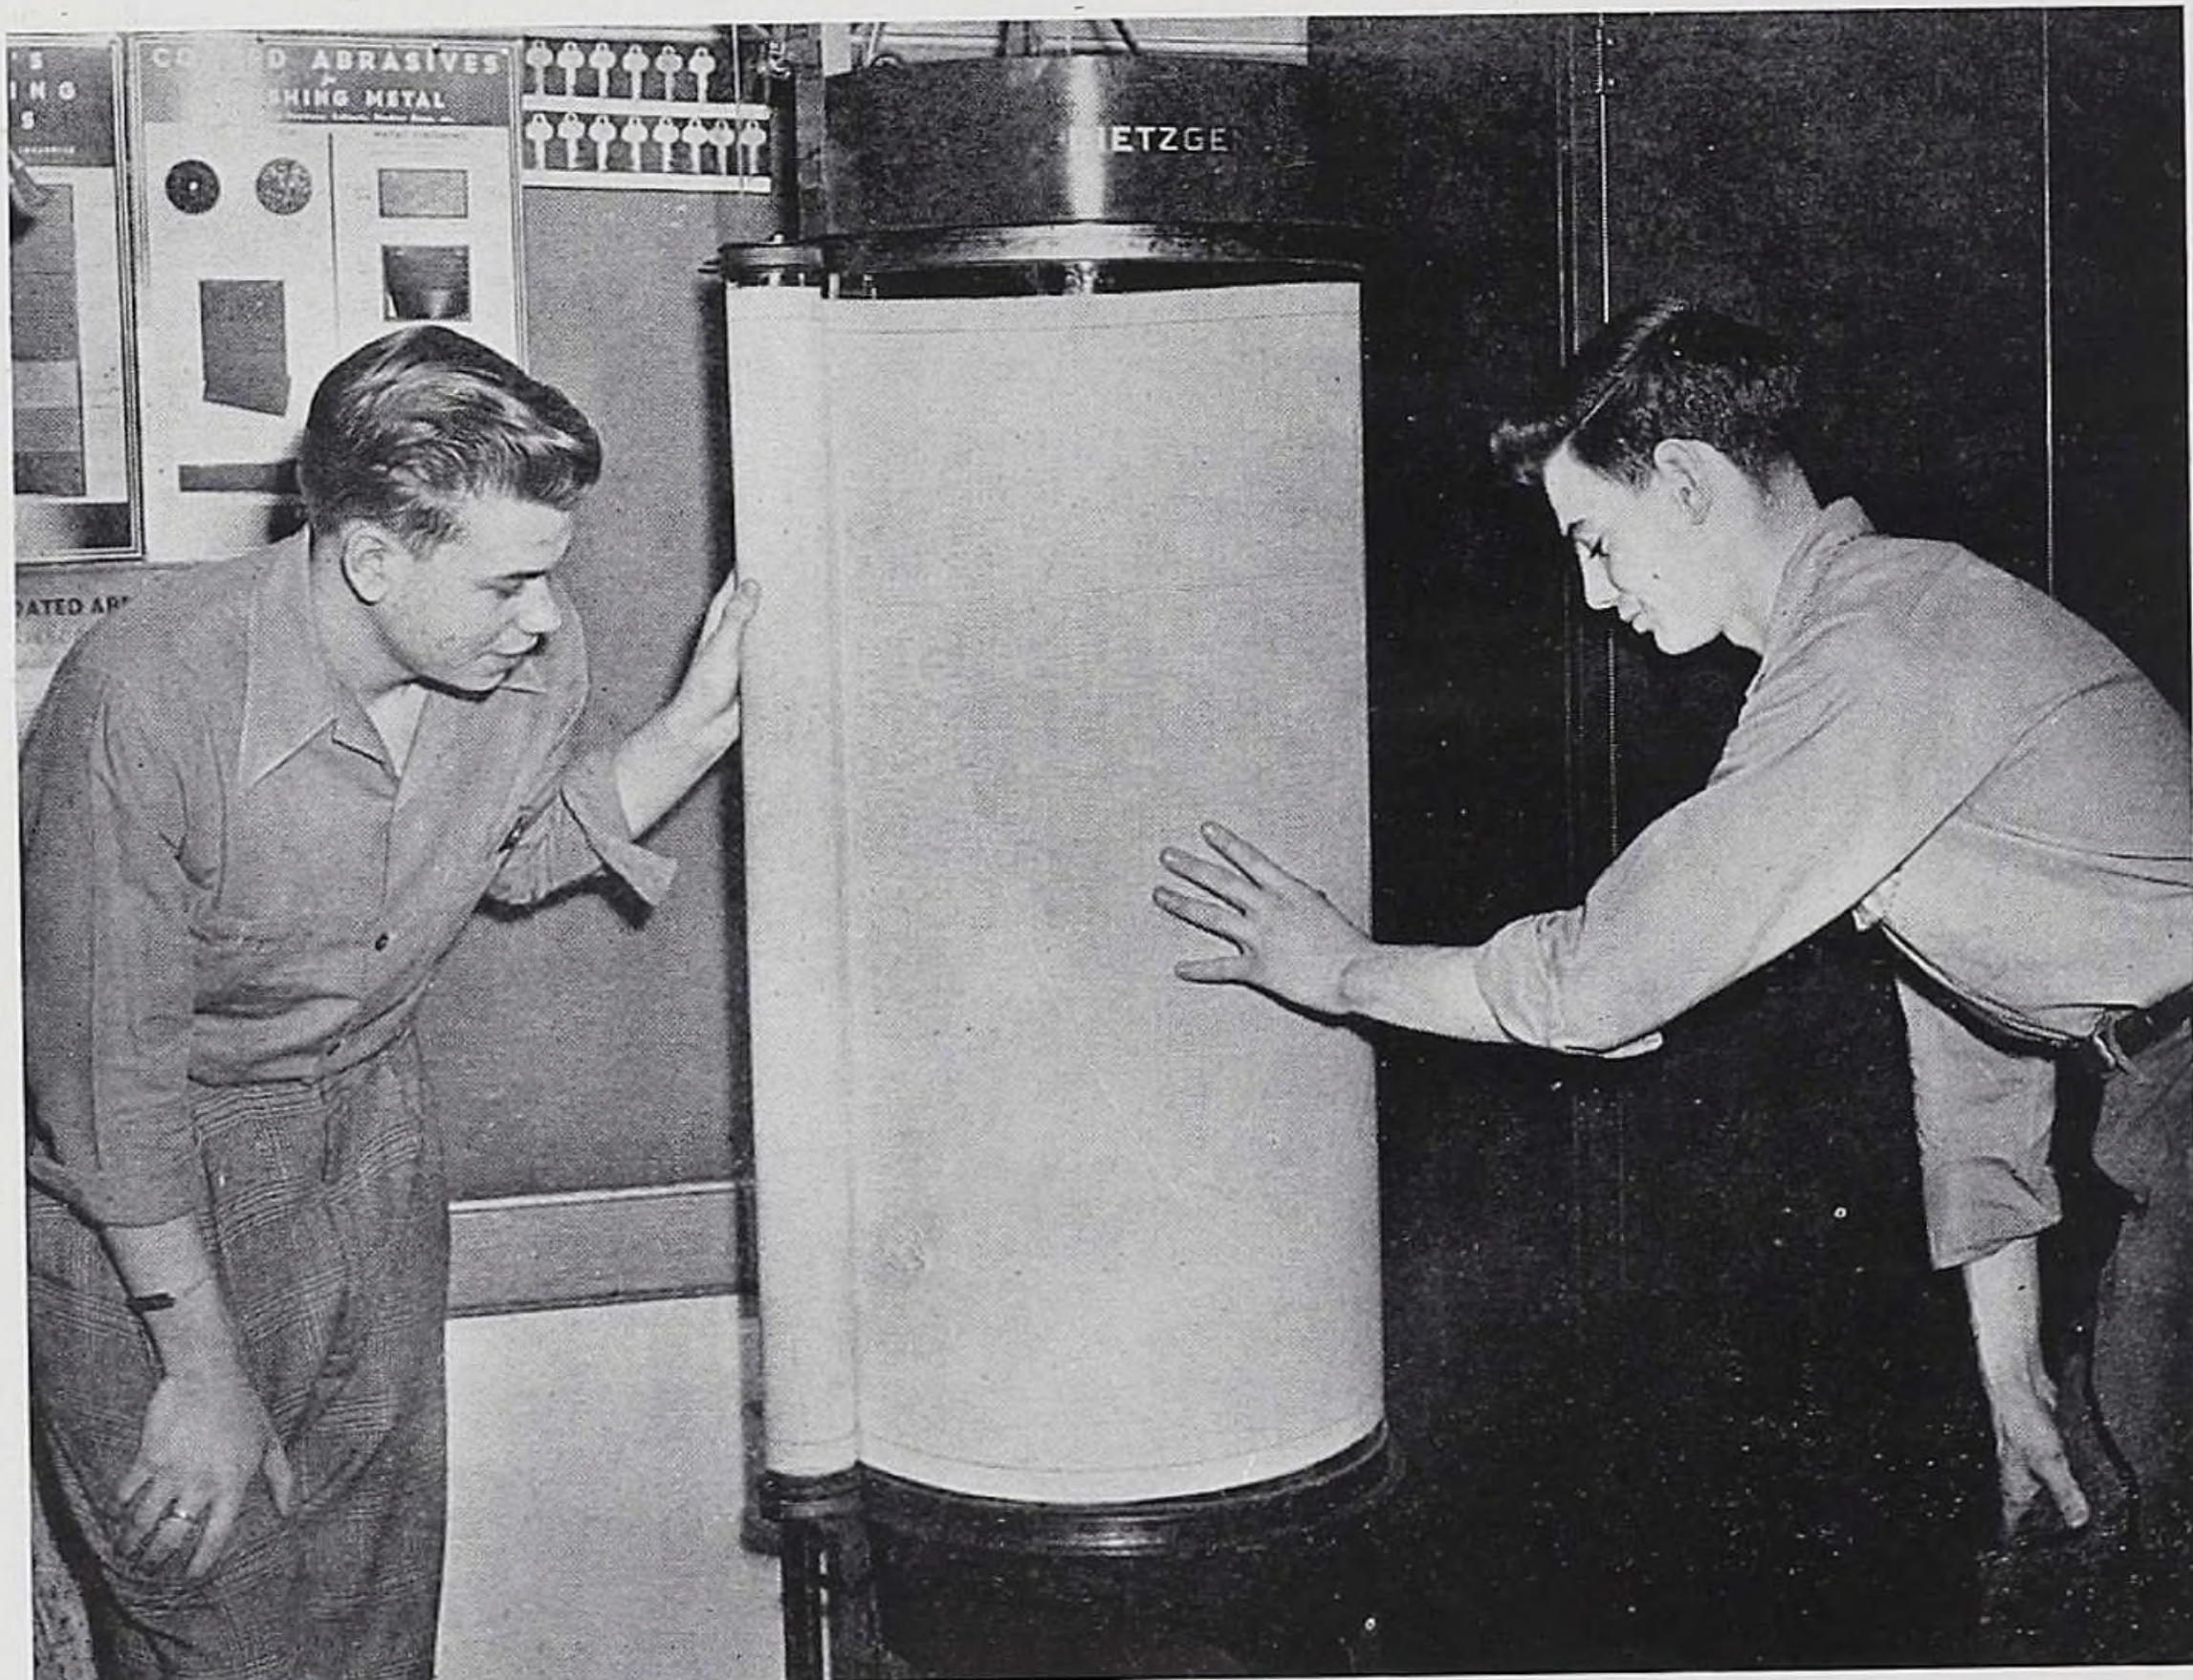

A small Orchestra played for the Minstrel Show and Revue.

Many soloists from all of these groups have competed in the Music Festival in Fredonia, given in May. Both the Band and the Orchestra were given the highest State rating in this competition.

THESE girls have shelved fiction, travel, collective and individual biography and helped keep these shelves read. They have also assisted in the preparation of new books for the shelves by collating, stamping and pasting book pockets.

For them Miss Schleich gave a pre-Christmas party at her apartment including also Miss Elizabeth Herzog, Delores Eliot and Kathleen Deneen as guests.

Miss Schleich gratefully acknowledges the following gifts to the library: Potted English violets from Miss Anna Ball; an azalea, Mrs. George Dunn; Bob Hope's "I Never Left", Miss Ida Gould; J. C. Miller's "Origins of the American Revolution", Woman's Study Club; Carter Field's "Bernard Baruch", Friends of the Subject; J. M. Bernstein's "Spotlight on the Far East", Miss Jennie Wombough.

As her Book Week Gift Miss Schleich presented Lane Cooper's "Louis Agassiz As a Teacher".

The following Library Conventions were attended by the O.H.S. Librarian: The County Institute where Miss Schleich was elected next year's Chairman; the Western one N.Y.S.L.A. at Buffalo and the A.L.A. at Buffalo.

Our Memorial Books began with three presented in memory of the late Richard Bair, augmented recently by one for Daniel J. Malone. To these have been added volumes in memory of the following former O.H.S. Students who made the supreme sacrifice in World War II: Lt. Carl A. Boberg, Jr.; Sgt. Raymond B. Oppenheim; Lt. William B. Pelton.

J. Brenan, W. Whitman, P. Bearfield, Janet Brenan, G. Weigartz, M. Lyman. Anne O'Toole was absent when the picture was taken.

THE VIRTUAL beehive of activity pictured here is none other than one of O.H.S.'s art classes hard at work on illustrations for the 1946 yearbook. The work produced in this year's book is only a sample of what imagination plus artistic talent can do when confronted with a brush and paint.

Since our theme this year deals with the past and present of Olean High, some students thumbed back fifty years in O.H.S.'s history for inspiration. This resulted in a fine turnout of high-buttoned shoes, bustles, knickers and croquet mallets.

You'll all agree Phil Dietterich's front page illustration would do credit to a veteran cartoonist. Who do you suppose inspired Florence Ligouri's charming teacher's portrait on the administration page? Marilyn's spot of the Senior Play shows obvious knowledge of the secret rites performed by natives in deepest Africa. Can't you almost hear the tom-toms?

Our minstrel show proved to be quite a stimulant to the budding artists of Olean High School, as is witnessed by the cartoons of Thomas Burke, Don Malick and Patty Foster. The Seniors will find that Anne Culver's portrait from 109 looks familiar.

All students attending art classes were given an opportunity to submit their own ideas and the results were too numerous to allow us to mention everyone here. However, you'll find a complete list of contributors on page eight so why not turn back now and look it over? Unsuspected talent may be lurking in one of your own school chums.

FLYING HIGH

A REVUE — MINSTREL

Sponsored by the Student Council

ONE OF THE most successful Student Council activities of this school year was the Revue Minstrel, "Flying High", in which over one hundred and fifty pupils were cast. The show was a good one.

The entire faculty aided the home room representatives in the ticket sales through the home rooms and the Grammar Schools. Room 317 led in the number sold. As a result the gross proceeds amounted to \$1810.25. The cost of production and the federal tax amounted to over one thousand dollars but the Student Council turned over to the school over eight hundred dollars for a movie projector for the auditorium.

James Perry, president of the Student Council for 1945-1946, conceived the idea and organized the many students to participate efficiently in this project. Everyone worked tirelessly to bring it to its successful completion. The Revue Minstrel certainly served as an example of splendid student cooperation—a magnificent example of school spirit. The Council has well proved its worth to Olean High School.

STUDENT COUNCIL

JAMES PERRY	- - - - -	President
ELSIE TAYLOR	- - - - -	Vice President
PATRICIA KELLY	- - - - -	Secretary

THIS YEAR the Student Council, under its revised Constitution, has risen to the highest position ever held by a governing body of students in the Olean High School.

At the beginning of the school term, campaigns for the presidency were held similar to those employed for national elections, by having two different organized parties put up their candidates and a platform of aims. James Perry of the Student Federation party was elected president and Elsie Taylor of the Hyer party was elected vice president.

Since its election the Council has carried out a varied program. It has revised the twenty point letter values, bringing it up to date with fast-moving events. The Council has appointed cheerleaders, introduced a system of committees to increase student responsibility, such as a committee for the publishing of a hand book, an assembly committee, and an activities committee as well as others.

The main event of the year was the Minstrel Revue sponsored by the Council. This Revue was composed of one hundred per cent student talent to raise money for a projector for the auditorium. The house was filled to capacity for two nights and the net proceeds assure Olean High School of a good projector.

Another project of the Council was the awarding of pins to different students for achievements in extra curricular activities. This recognition is important in the promotion of student activity.

HOME ROOM SENATE

EACH HOME ROOM chooses one of its members as its representative in the Home Room Senate. Room 109 elects two representatives because it has a large enrollment.

The Home Room Senate acts in conjunction with the Student Council whenever there are matters of importance for the benefit of the students under consideration.

On assembly days these representatives conduct their respective groups to the auditorium. Each member of the Senate also performs any necessary services in promoting special school activities in his or her respective Home Room.

The Home Room Senate for 1945-1946 includes:

CLARENCE, a discharged soldier, one of the millions who served where he was sent, has no medals or shoulder bars. He goes to Mr. Wheeler's office seeking a position. While waiting to see Mr. Wheeler, he meets the members of the Wheeler family who accidentally confide their troubles to him. He is sympathetic and patient. Mr. Wheeler hires him as "handy-man" and secretary. The family's troubles are a tangled mass of love affairs which eventually iron themselves out with the aid of Clarence.

ASSEMBLIES

IN AN EFFORT to present assemblies of interest to the students and to encourage student participation during the year, the Student Council established a student committee to work in conjunction with the faculty assembly committee. The Council also inaugurated the system of presenting the assemblies entirely under student supervision.

Highlighted during the year were a number of outstanding assemblies. At one of the first programs several returned veterans, including Master Sergeant Daniel Sirianni, First Sergeant Mark Griffin, and Lieutenant Jane Bernreuther Scott, told of their war experiences. The Junior Town Meeting presented four students in a discussion of a current topic of interest to the student body. The basketball squad staged a short history of basketball and demonstrated modern basketball rules. The musical organizations gave some excellent programs. In addition, several professional entertainers and speakers appeared, in preview of the numerous programs of this type planned for next year.

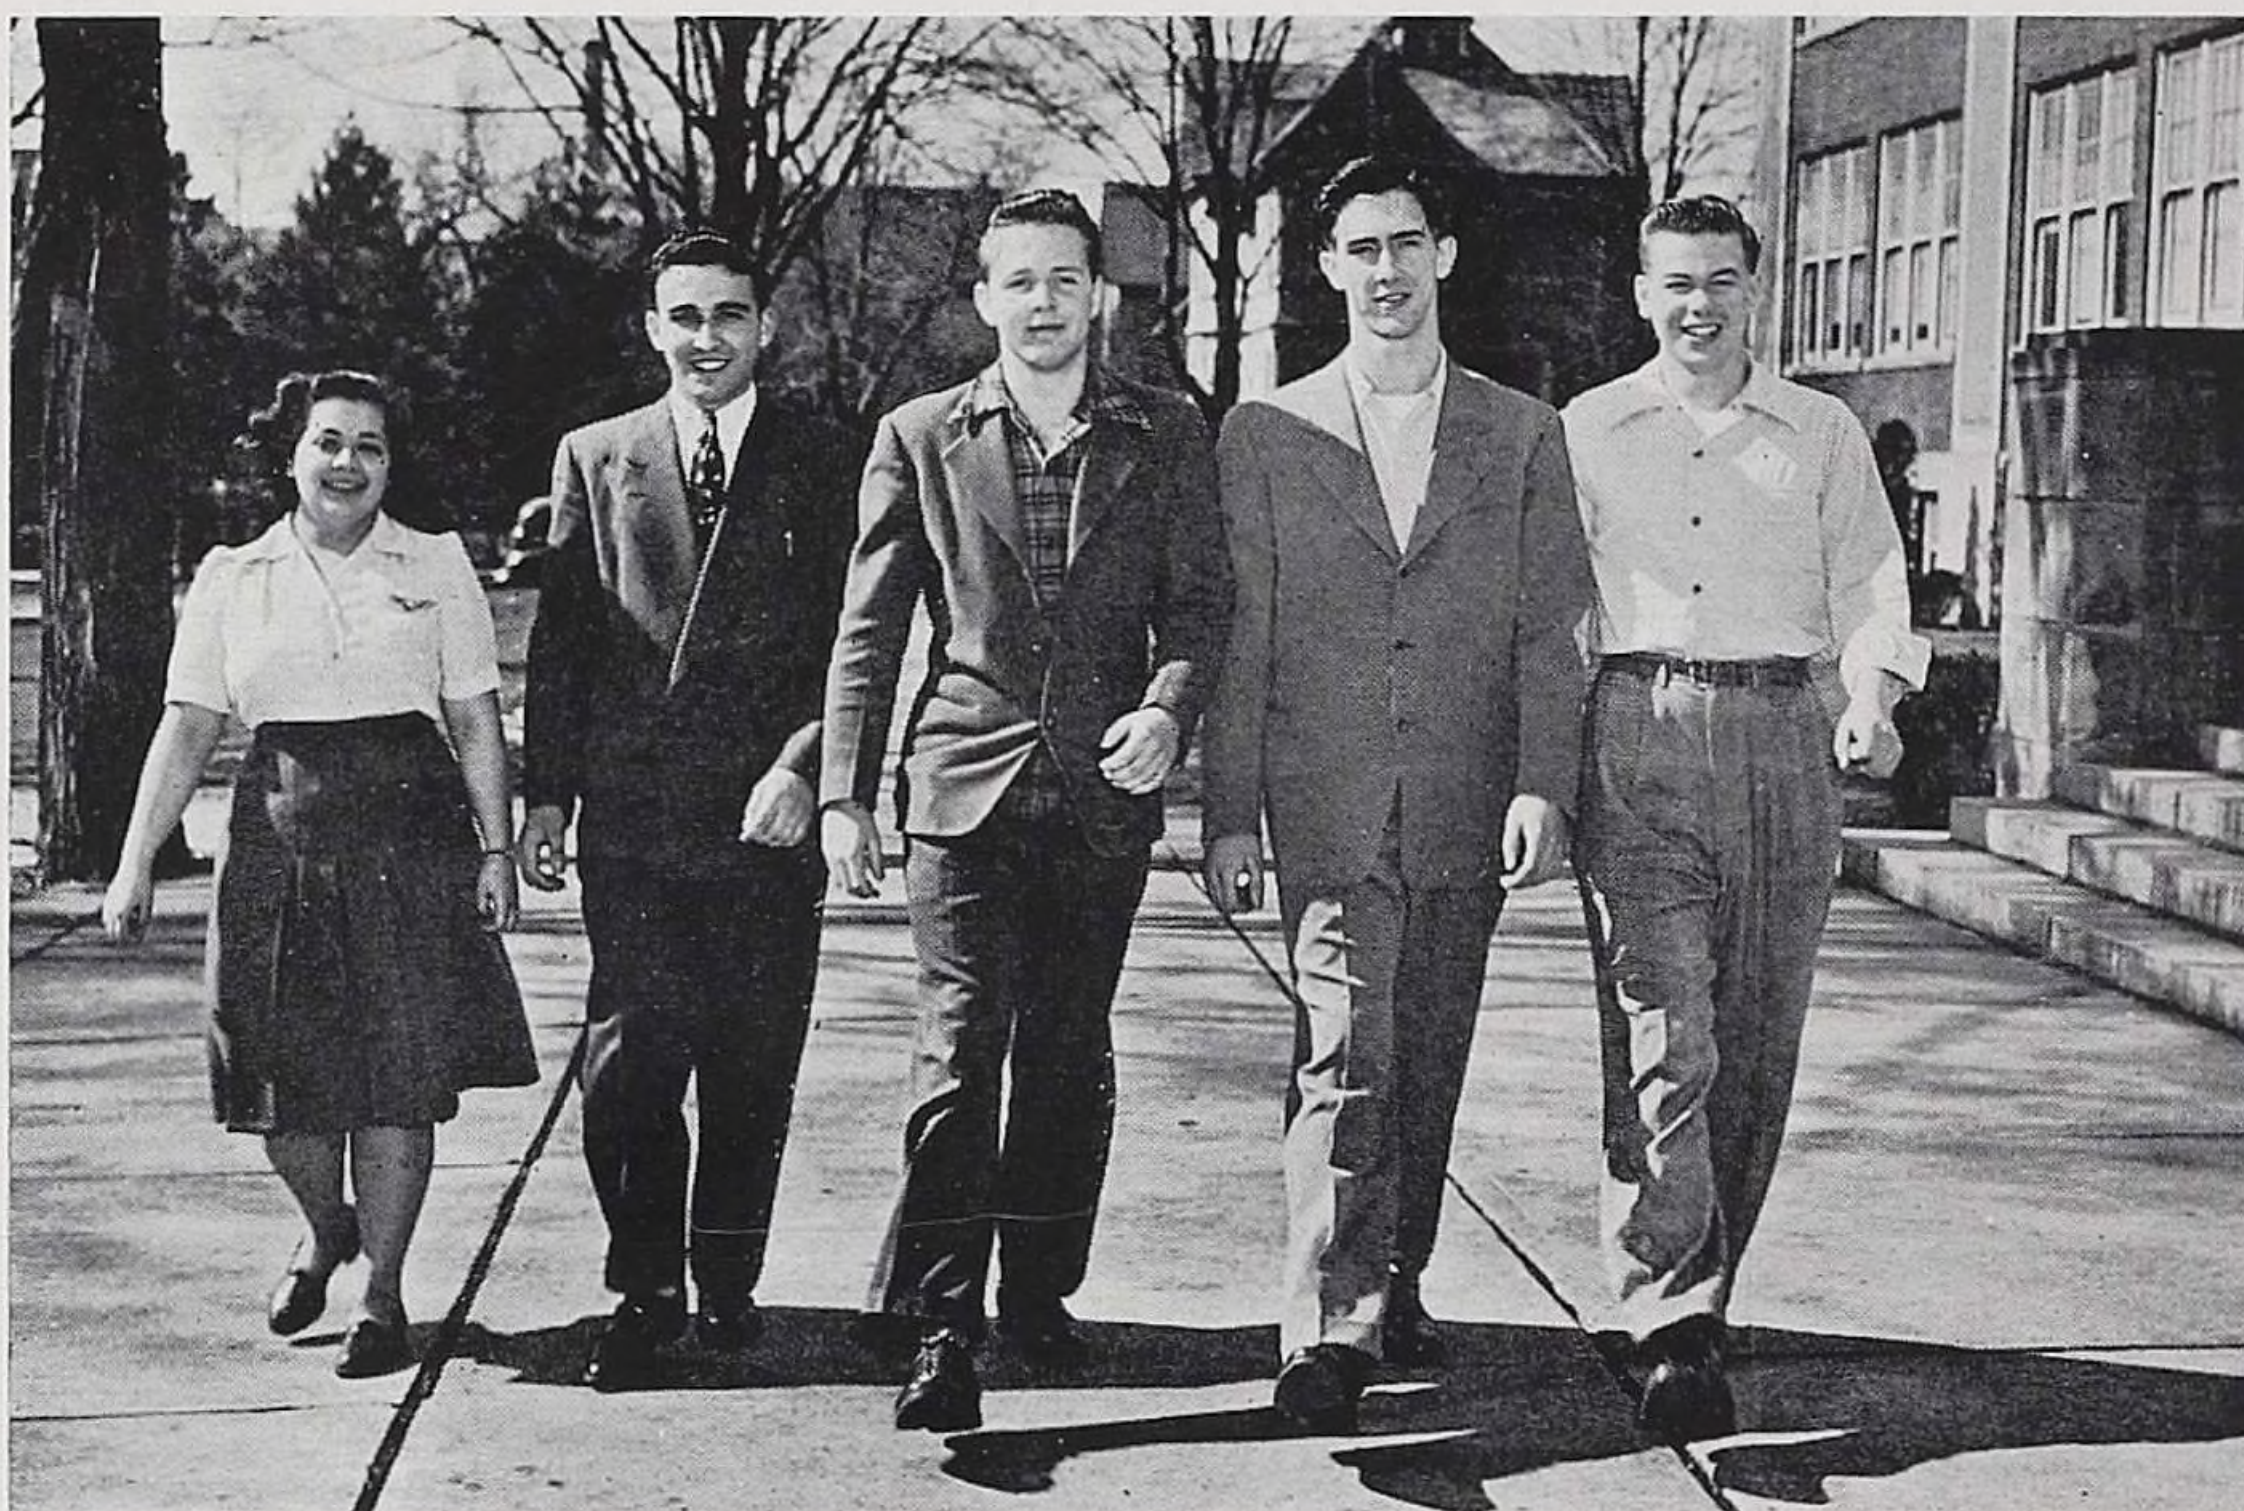

STAMPS AND BONDS

THE SALE of Bonds and Stamps in Olean High School was begun on November 30, 1942, by the P.T.A. as a result of a survey held by the "Congress" staff showing that pupils would buy more stamps if they were sold at school.

In 1943 two jeeps were purchased with the help of Mrs. Callahan as saleswoman.

During the year 1944 and 1945 \$16,664.25 worth of Bonds and Stamps were sold through the undying efforts of Mrs. Anderson. Jeeps were purchased by Home Rooms 210, 216, 215, 101, and 316.

In the year 1945 and 1946 a goal of \$3,000 was set to care for a hospitalized veteran. The students of Olean High School purchased \$5,976.25 worth, a record to be proud of. Corporal Charles Martique occupies our bed in Rhodes General Hospital. Mrs. Prentiss and Mrs. Hollands had charge of the sales this year. Mrs. Sheldon had general charge of this work in all of the schools.

THE JUNIOR RED CROSS COUNCIL is a group of students who are at the head of the Junior Red Cross organization of the City of Olean.

These students take charge of the annual membership drives, the annual War Fund drive, the tin can and paper drives and almost all of the other things that the Junior Red Cross organization does as a body.

These students are the representatives of the students of the Olean schools at Red Cross sponsored lectures, banquets, and other important meetings where the services of the Junior Red Cross are desired or needed.

The Council meets once every month in its rooms at the Bartlett Community Center and discusses at these meetings the things that the Junior Red Cross is doing and makes suggestions as to the things the Junior organization might do to help the Red Cross effort in any way. All business transactions pertaining to Junior Red Cross are discussed and approved by this Council.

The faculty adviser to this Council is Mrs. Ethel Q. Kershner who has been a very helpful and interested adviser and has done much in helping the Council on all matters it handles.

"ONLY TWO minutes to go!" "All set, it's time!" These and many other such phrases may have been heard ringing through the Little Theater Room in the past year, for it all added up to the fact that there was another production being presented by the Dramatic Club. Under the splendid guidance of our faculty advisers, Miss Elizabeth Baldwin, Miss Agnes Casey, and Miss Bertha Bear, the club showed improvement and success in all their undertakings.

Meeting every other week, the Dramatic Club enjoyed a busy and successful year. Programs, both interesting and instructive, were arranged by committees of students. Plays were presented, poetry recited, and skits given. Theater quizzes, lessons on pantomime, readings and monologues helped make interesting programs and gave the group a better understanding of the theater.

There were over seventy-five members this year, thus showing by the increasing number over last year that the students of O.H.S. are well interested in the theater and wish to further their knowledge of it.

A KNOWLEDGE of French has always been useful but it is especially so today, since the United States is endeavoring to establish peace relations with all the world. France and other European countries are only a matter of air hours away, and thus we will be in closer contact with them. Even on this continent, French is spoken extensively in Canada and in New Orleans. It is therefor commendable that the future citizens of the world have at least a reading knowledge of French.

Le Cercle Francais is active in furthering our understanding of the French language, customs and civilization. This year the club has met on alternate Thursdays. The programs have been arranged so that all members might share in them. Two French plays have been written, acted and directed by the members. French cross-word puzzles have been worked, French phonograph records and French quizzes have been enjoyed.

This splendid extra-curricular activity is under the able leadership of Miss Gretchen Trenkle. In the years to come, may this club continue to be as successful and entertaining as ever.

THE HOME ECONOMICS CLUB has always been a popular and instructive extra-curricular activity at the Olean High School. Its members are students who are interested in the knowledge, skill, and practical experience of fitting themselves for healthier, happier, and more efficient home life.

An annual feature of the Club is the faculty tea, which is planned to allow each student to put into practice the information which she has learned in class. Mrs. Roland Stowe was the guest of honor at this year's tea. The club also served at several of the County Teachers' Home Economics meetings.

During the Christmas season the traditional spirit of service was carried out in the distribution of baskets to the needy.

All members of the 1946 Home Economics Club received pins from the National Home Makers Organization, which made them members of the Future Homemakers of America.

The club is under the excellent supervision of Miss Jessie Wall, Miss Eaton, and Miss Veazie. Its noteworthy projects and interesting programs have always been an inspiration to the members, and the practical experience gained will be of untold importance to them in the future.

THE RED CROSS WORK CLUB is a group of girls who volunteer to make the articles assigned to the Olean High School as its annual quota.

These articles consist of afghans, bed pan covers, utility bags, hot water bottle covers, handkerchiefs, and many other articles useful in our veterans' hospitals here and abroad.

To date this club has completed two full sized bed afghans, 36 handkerchiefs, and with the aid of Miss Veazie's Home Economics Class, approximately 100 utility bags and hot water bottle covers.

The ending of the war has decreased the demand for articles made by this club but various and numerous articles for overseas relief, veterans' hospitals and various children's hospitals are still being made. Several pairs of bedroom slippers for children have just been finished.

The Red Cross Knitting Club is very ably and efficiently advised and sponsored by Mrs. Ethel Q. Kershner, Miss Thelma Everleth and Miss Virginia Veazie.

Although the war is over and this group has not been called on as much as in previous years, the girls and teacher sponsors are still as interested and as loyal as ever.

IN THESE unpredictable days when all alert Americans are sitting on the edges of their chairs in anxious expectancy, the members of We the Students Club, discuss weekly the pros and cons of questions vital to an organized and lasting world peace. We the Students Club was organized in 1940, and promises to be an active discussion group for years to come.

The meetings are held in Room 102 on Wednesday afternoons. Discussions are animated and interesting. Heated debates have occurred upon such topics as: The right way to deal with German and Japanese War Criminals, Strikes, and Socialized medicine. Each year the Club sponsors an assembly based upon the "Town Meeting" radio program. The question discussed this year was, "Do Movies Raise or Lower Moral Standards?"

Five competent advisers: Miss Wombough, Miss Gould, Miss Percival, Miss Zuber, and Mrs. Hannigan directed the programs this year.

We the Students is a valuable asset to Olean High School, and a club to be proud of. It serves to develop good, alert, thinking American citizens.

"VENI, VIDI, VICI," "Alia iacta est," "Et tu, Brute," "Divide et impera," "Quo usque tandem abutere, Catilina, patientia nostra?" If you happened to go into Room 104 on a Thursday afternoon after school you would very likely hear these or similar phrases for the Classical Club would be in session. The purpose of this club is to help its members to learn more about the Roman way of living and to increase its knowledge of the Latin language.

This is accomplished through spelldowns, stories, games, debates, plays, and discussions which are done in or relating to Latin. These not only increase the knowledge of Latin but the English vocabulary as well.

It is easy to see how this great ancient empire has influenced our way of life. Many of Caesar's military tactics are still used, and Cicero's orations are still studied because of their excellent style. Indeed we have learned much from the Romans which has benefited us greatly. And further study can still give us a wider knowledge which we need to build an everlasting peace.

THE CHESS CLUB

GEORGE E. CRAMER - - - - - President

JAMES W. SMITH - - - - - Secretary-Treasurer

THE CHESS CLUB, now in its second year, has been a source of much enjoyment to a group of young men of analytical minds. Regular Thursday afternoon meetings have been held during the year with remarkable interest shown. President George Cramer's remarks in assembly early in the year focused desired interest in the Chess Club direction.

Several beginners at the early part of this year took advantage of the opportunity to get instruction and have become good players through weekly practice and by consulting references to chess books in the library. An adequate number of sets and boards have been purchased with club dues so that all who attend may now play.

Semi-annual play-off tournaments have provided ample challenge. It appears at the time of writing that Robert Coleman will be spring champion. The Chess Club is, as in the past, glad to extend the invitation to join to students who may like to learn to play, or who may like to learn to play a better game.

GEORGE CRAMER	-	-	-	-	-	-	Treasurer

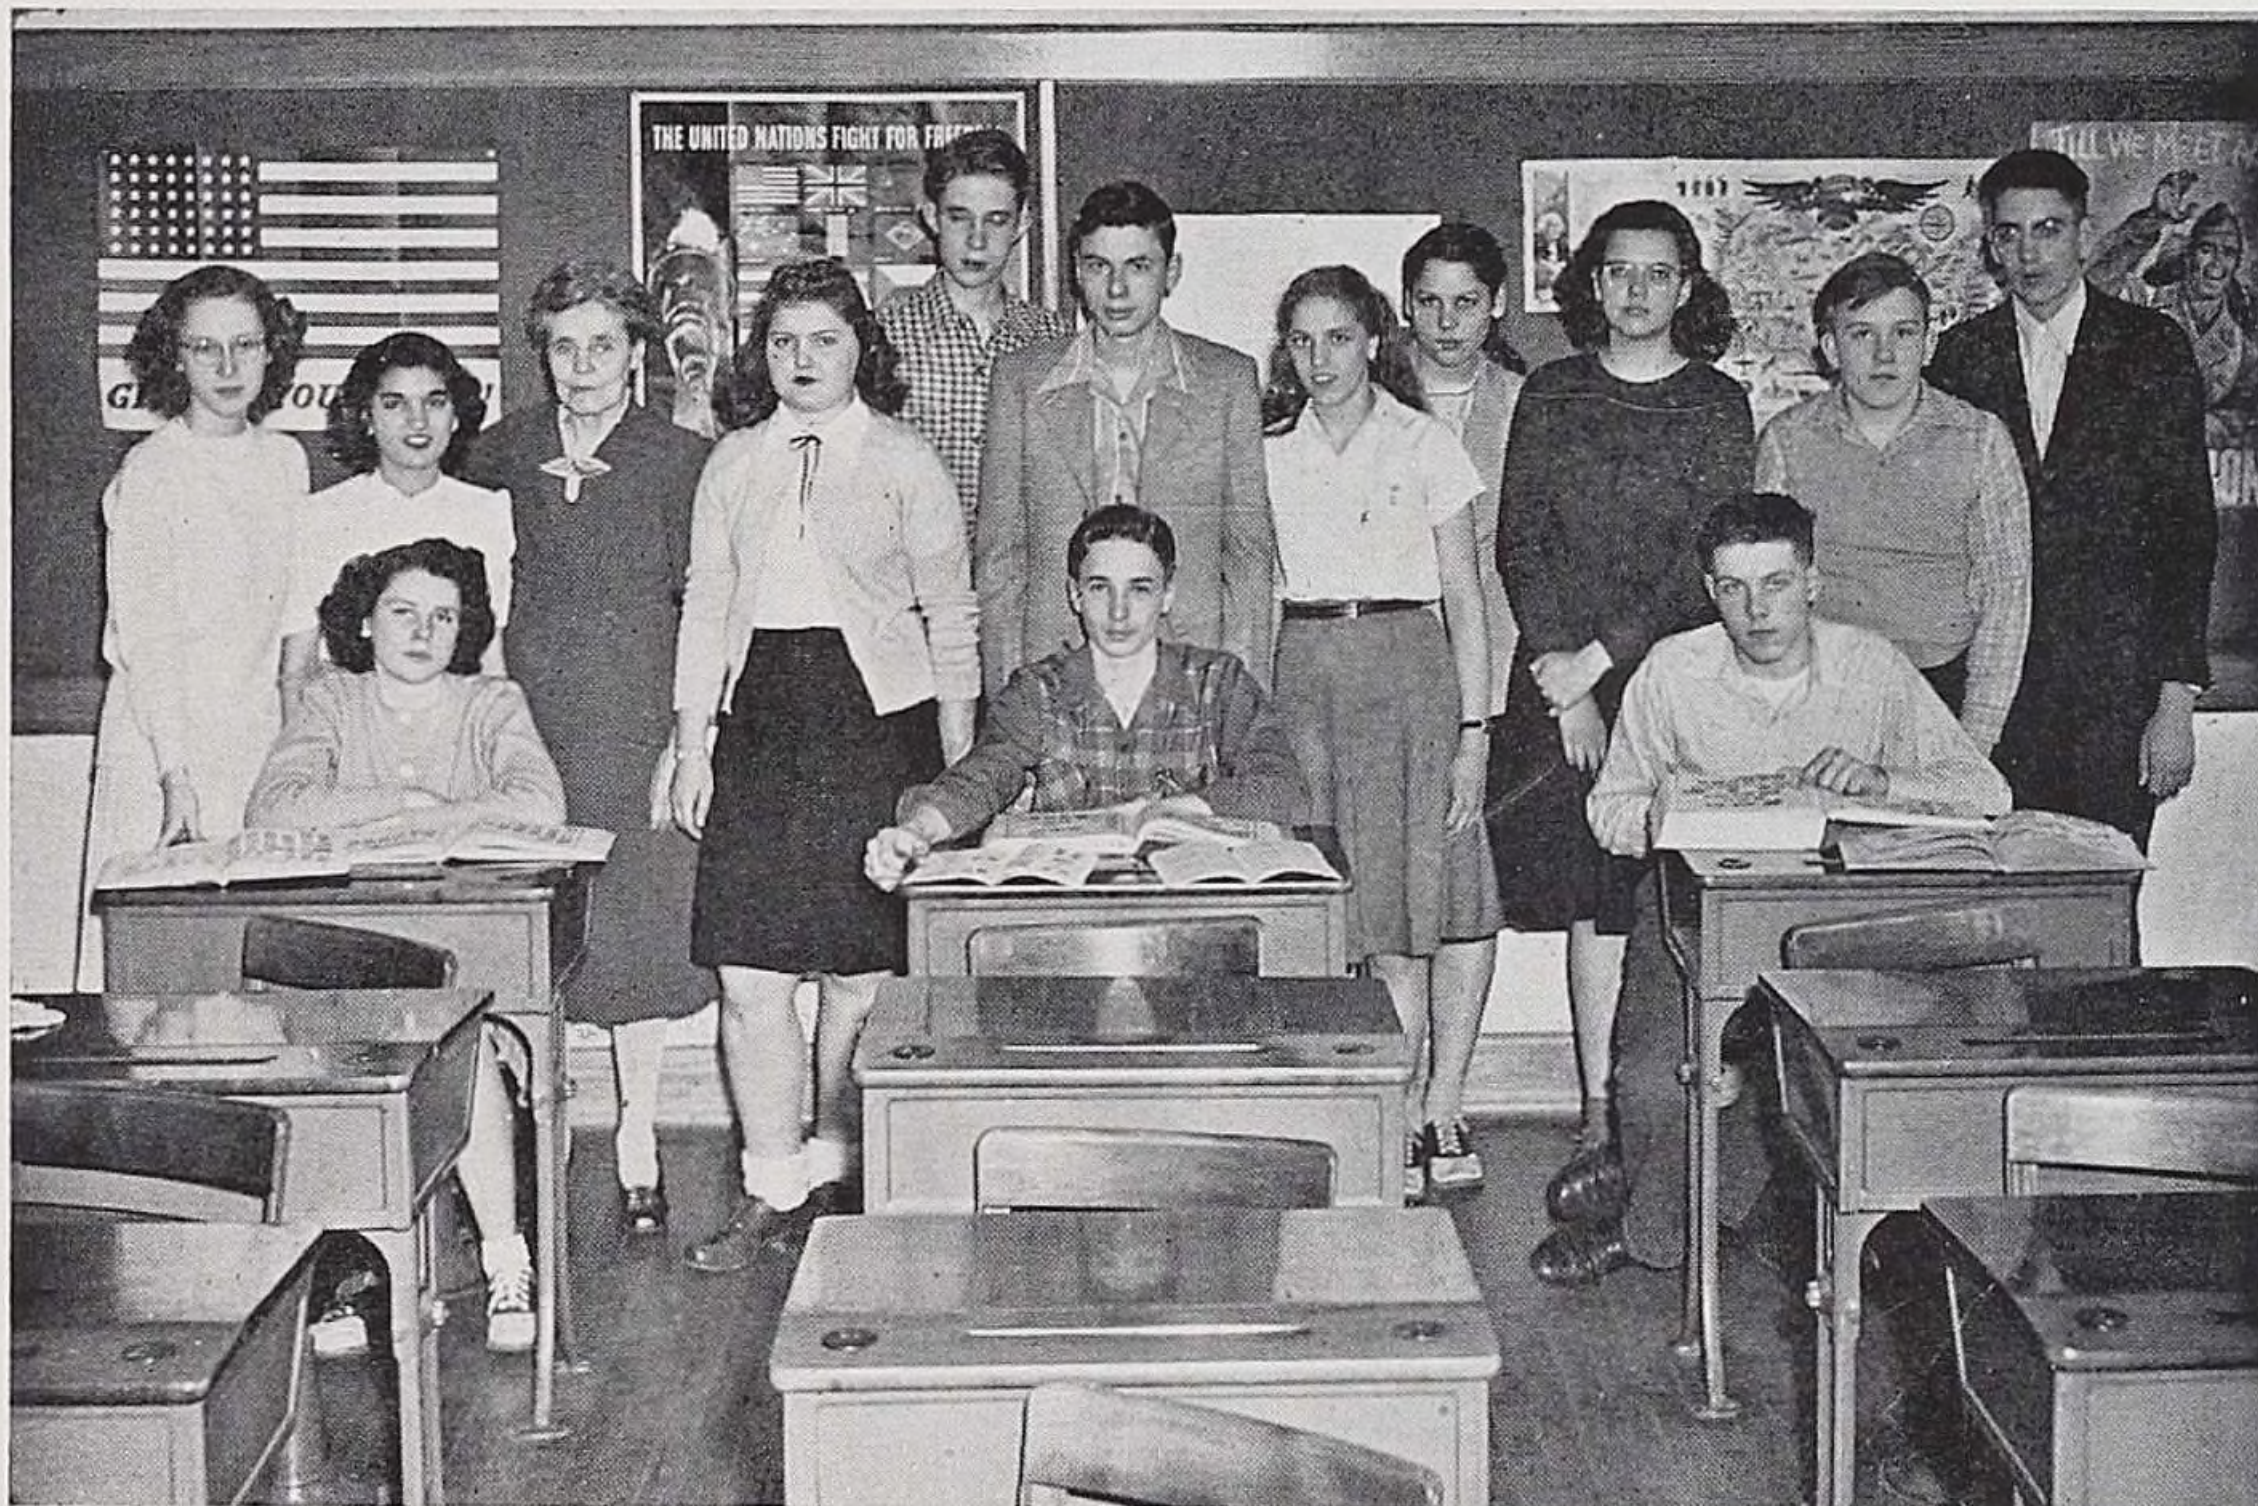

THE STAMP CLUB, newly organized this year, is composed of those students of Olean High School who are interested in stamps and stamp collecting.

Through the medium of stamps more knowledge of the past and the present is to be gained. Stamp collecting has become perhaps the world's most popular hobby. It is about three times as popular among students as any other pastime.

Stamps create a lively interest in history, geography, current events and in personalities.

Meetings of the Olean High school Stamp Club are held on alternating Mondays in Room 310. The members bring their stamp albums and stamps of special interest. Programs are varied, consisting of quizzes, readings, discussions, and the buying and selling, and trading of stamps.

Miss Bass, an ardent stamp collector, is the adviser of this group. The members this year are Mary Ann Ambrose, Josephine Augustini, Thomas Blade, Robert Canary, Donald Capin, Richard Collins, George Cramer, Frederick Fagan, Mary Foskit, Patricia Henry, Beverly Lape, Clara Potter, Robert Schaumleffel, and Kay Wright.

NEW YORK STATE HONOR LEAGUE

THE NEW YORK STATE Honor League is an honorary state-wide organization of high school students who rank highest in scholastic ability and extra-curricular activities. The purpose of the league is to promote good scholarship and outstanding school citizenship.

The members of the League in each school are chosen by two ballots. In Olean this year, a list of forty-eight seniors, with the highest grades, up to and including the previous January examinations, was first submitted to the teachers. From this list they selected thirty-six equal to fifteen per cent of the class, whom they considered the finest characters and being the most valuable to the school.

The result of the teacher vote was then submitted to the members of the Senior Class who selected ten per cent of the number of the Senior Class or twenty-four for the year. Character, value to the school, and future promise are the points upon which their selection was based.

The Olean High School members of the 1946 New York State Honor League are:

ASH, EDWARD
BURFORD, ARTHUR
BOWERSOX, KENNETH
BURNETT, BEVERLY

LETTERMEN'S CLUB

THE LETTERMEN'S CLUB is composed of Varsity men from three major sports, football, basketball, and track; and also of those who have earned a twenty-point letter for participation in the various extra-curricular activities of the school. As the membership in this club is seldom over fifty, the students comprising it are the most prominent in all types of school activities—those who have developed elements of leadership.

Probably there is no activity in which membership is more desired than this, as belonging to this club is the highest honor attainable during one's career in Olean High School.

The wearers of the coveted "O" this year are:

WAYSIDE is the oldest club at Olean High School. Its membership is open to all girls who have earned eight units or more toward high school graduation. Wayside aims to promote among girls a spirit of friendliness and an interest in worthwhile bits of service to the school and community.

The meetings this year have been rather few in number but interesting with programs devoted to book reviews, scrap book making for hospitalized children, and one interesting talk on the much discussed detective story. At this meeting Miss Lannen gave an excellent talk on the subject.

Last year conditions caused by the war interrupted the annual spring parties.

Wayside has become almost a tradition at Olean High School. It has stood for the best in girlhood and it is hoped that its influence may be present for many years to come.

Miss Lotta B. Hobart has for many years been the adviser.

EVERY Monday and Wednesday afternoon at the sound of the dismissal bell, the would-be bowlers of Olean High School gather in their favorite meeting place, the Palace Bowling Alleys.

Careful records are kept of each member's score and at the end of the Bowling season, a banquet is held with prizes for the high scores.

The club is open to all Olean High School students, bowlers and non-bowlers. The beginners are capably directed by Miss Cieri and Miss Lannen, the club sponsors.

Although the club is a comparatively new one, it has one of the largest memberships in the school. The Bowling Club has proved its popularity by the steadily increasing number of bowlers joining this activity.

THE ARCHERY CLUB, which was organized at the beginning of this school year, has enjoyed a very successful year. It has become one of Olean High School's most active clubs. The group boasts 17 members. These are all students who are interested in Archery and range anywhere from the gangling freshman to the almighty senior.

Mr. Paul Whitehill first presented the idea of such a club to a group of students. The would-be "Robin-hoods" went to work, and so came about the Archery Club.

At the beginning of the year, the club purchased a target and cover. Some of the male members constructed a stand and a backdrop was ingeniously made out of rugs. Many of the members purchase their own bows and arrows through the club, and an extra bow for loaning was bought by the the club.

Among the many activities of this club have been roving trips along the Windfall and River roads; target shoots at Thatcher Field, weather permitting, and indoors shooting in the High School gym. At the time this yearbook goes to press, plans are being made for a spring tournament.

THE SKI CLUB started off this year full of their old enthusiasm; skis were taken out and dusted off; muscles were limbered up; ski clothes were taken out of mothballs and all looked forward to the thrill of their favorite winter sport. This winter was to have seen several slalom meets at the Allegany State Park and Ellicottville slopes in which Olean High's ski zealots were to have made a fine showing.

An early snow provided one weekend of skiing in December at the Park, but the remainder of the Winter was a failure.

Skiing in America is fast growing into a major outdoor sport. The Olean Junior Ski Club, in cooperation with the Olean Winter Sports Council, is doing its part to see that Olean youth has a chance to participate in winter recreation.

Next year the club aims to make use of the new tow on Wildcat Hill, east of Olean, which it has helped to construct and which will give Olean the facilities to encourage outdoor winter sports.

VETERANS CLUB

WITH THE war over, soldiers and sailors turned their attention again to school. Olean High School welcomed back fifty-three of these men. Some of them came for refresher courses and some to complete their units for high school graduation. Two of the members completed their work in January and are now in College.

The war records of these men are very interesting. About half of them were in camps or naval bases in this country. Of those who saw overseas service, at least six took part in the Philippine liberation and one has a Pearl Harbor citation.

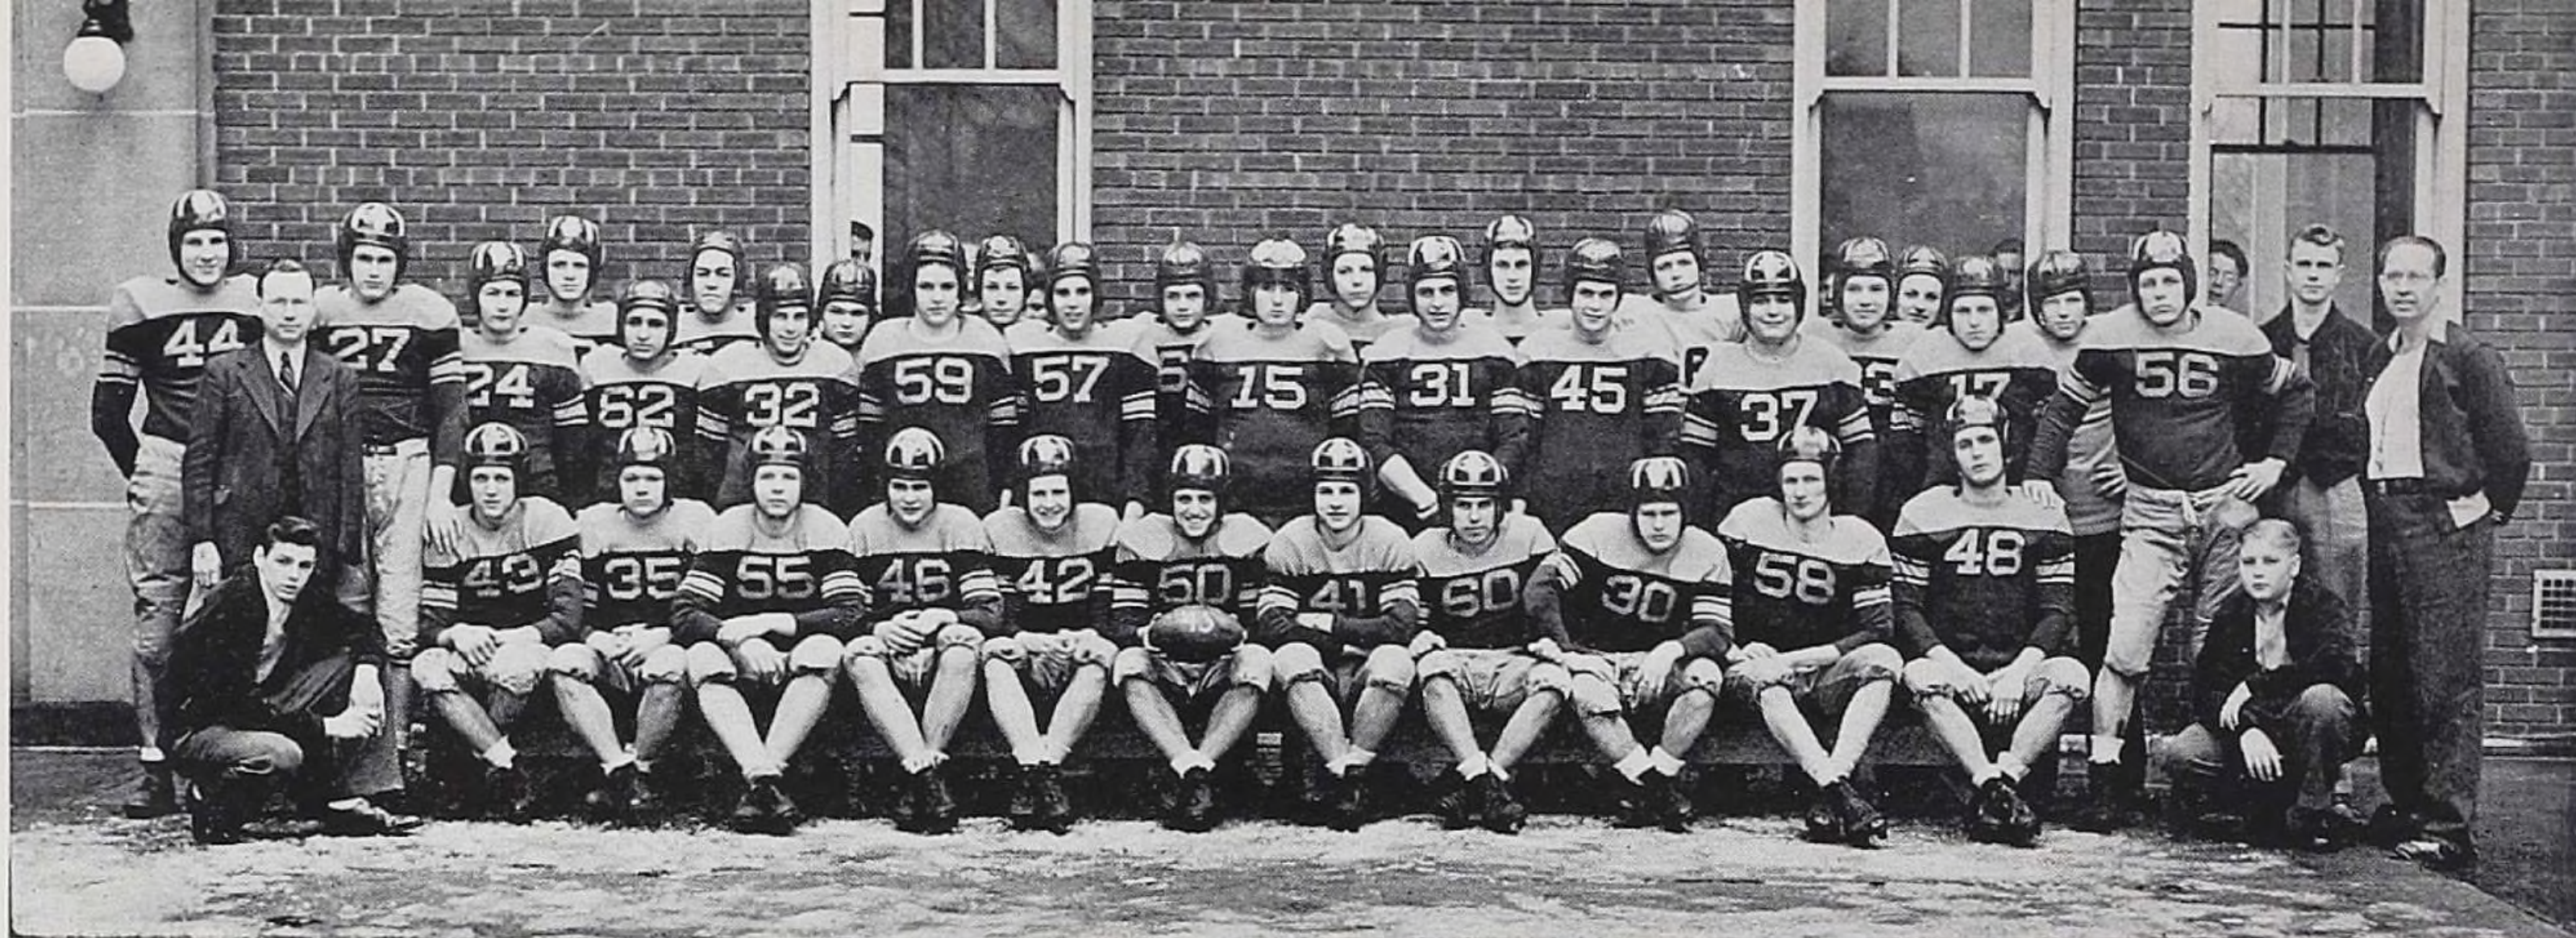

These men are possessors of many decorations including thirty-four battle stars. There is one Distinguished Flying Cross, one Air Medal with two gold stars, two Presidential Citations, two Presidential Unit Citations, one Purple Heart, and many Good Conduct and Victory Medals. This list does not take into account ribbons for service in the various fields of operation.

This group has proved its courage in combat and in time of danger. Congress salutes each of them!

PIGSKIN REVIEW FOR 1945

AFTER a lapse of three years, the Hill Toppers returned to football. Other than the setbacks which the Crimson squad suffered during the season, the team emerged from the din of the play with a favorable record considering the inexperience of the boys. Victories were scored over Salamanca, St. Marys, and Batavia. The Hill Toppers lost to Bradford and Warren with two real heartbreakers to Hornell and Dunkirk.

OLEAN 25—SALAMANCA 0

In the opening game of the season, Olean encountered the inexperienced Salamanca "Chiefs" but the fine work and coordination of the team enabled them to keep up the fast pace.

OLEAN 7—St. MARY'S 0

Victory number two was chalked up by the Crimson squad when they scored a 7-0 win over St. Mary's. The opponents showed plenty of fight and heads-up playing, and only the great offensive and defensive play of the Red and Gold turned back St. Mary's bid for victory.

OLEAN 0—BRADFORD 27

Bradford High School's football team may have been but a pale shadow of past Owl elevens that rose to gridiron heights, but it had the power and stamina to down the Red and Gold by the score of 27-0. The Owls had a stone wall line and hard-running backs that proved to be devastating to the Huskies.

OLEAN 20—BATAVIA 0

Although the Crimson suffered a sound defeat by the Bradford gridders, they still possessed an undying spirit that enabled them to roll over Batavia for a score of 20-0.

OLEAN 13—HORNELL 19

On a field of mud and rain the Hill Toppers went down to defeat by the lone score of 13-19. With but minutes remaining, the Crimson fumbled with Hornell recovering, thus going over for the last touchdown that led to victory.

OLEAN 6—DUNKIRK 13

The Crimson Tide had victory turned into defeat in a mud-soaked field by the Dunkirk eleven who won by the narrow margin of 13-6. The Huskies scored in the start of the game but Dunkirk came back and scored in the third and then again in the fourth and this was fatal to the Hill Toppers.

OLEAN 7—WARREN 19

In the last game of the season, the Warren Dragons defeated the Huskies by an unsuspected score of 19-7. The Dragons began driving down the field at the opening of the first quarter and continued so throughout the game. Warren's passes worked beautifully, which enabled them to pick up yardage. The Hill Toppers fought hard, with a lot of fight but came out on the short end.

Thirteen boys received their letters for their achievements during the season. All but five will be back for the '46 season. These senior boys are: Harry McGavisk, Joe Stanek, Joe Scech, Charlie Karuch, and Stan Turek.

Left: Mr. Brown, C. Smith, C. Karuch, B. Snyder, S. Turek, J. Green, J. Sullivan, D. Shaw, D. Weber, Mr. Kunkle, Coach; B. Burdsall, kneeling.

ON NOVEMBER 30th, the Allegany aggregation entered the O.H.S. gym to meet the Huskie quintet in the first battle of the current cage season. It was a close game but the Red and Gold proved too strong for the opponents.

OLEAN 33—FALCONER 42

After their first victory was tucked away, the Huskies journeyed to Falconer but it was altogether a different story there for the Falconer boys came out on top.

OLEAN 28—PORTVILLE 24

The rampaging Huskies, learning from the Falconer encounter, tore into the boys from Portville and showed no mercy.

OLEAN 24—RANDOLPH 30

The Crimson boys took a fateful trip to Randolph and came out on the short end of the score. It was a close game all the way through and Olean lost out in the overtime period.

OLEAN 35—ALLEGANY 23

Again the Huskie quintet came to the front to score its third victory. It was again over the Allegany Blue Devils, and turned out to be a fine game.

OLEAN 30—FALCONER 34

The Huskies again tried for victory but was deprived of it at the hands of the Falconer quintet. It was a thrilling game with Olean losing out in the closing seconds.

OLEAN 22—GOWANDA 32

At Gowanda the Huskies lost another thriller. The Crimson boys showed true form in the game but the dauntless boys from Gowanda forged ahead to take the game.

OLEAN 32—BRADFORD 55

The invincible Owls proved too much for the Huskies. The Owls broke away and swamped the Huskies in a furious ball game.

OLEAN 55—SALAMANCA 23

It was the celebration of the Golden Jubilee of Basketball in the Olean High gym, and the Huskies celebrated at the expense of the daunted Salamanca quintet.

OLEAN 47—PORTVILLE 26

In the second game with the Panthers, the Huskies downed the Portville boys for a second time. The Huskies played with vengeance, and really made the floorboards burn.

OLEAN 31—GOWANDA 30

Playing one of the best all-around games of the season, the Huskies downed the tricky quintet of Gowanda. It was in the waning seconds of the game that a foul shot gave the victory to Olean.

OLEAN 27—BRADFORD 35

The invincible Owls were still forging ahead. They came against the Huskies for a second time and were victorious. The Owls cut loose later in the game and made their shots count.

OLEAN 59—SALAMANCA 17

The bad luck that reigned supreme on that fateful day fell on the hopeless Salamancans in the form of the fine gold clad gladiators.

OLEAN 17—RANDOLPH 21

The Huskies played host to Randolph for a second time. It was close all through the game, but fate held the reigns and the Huskies were on the short end.

OLEAN 27—GOWANDA 39

By losing to the Gowanda five, the Huskies lost the western AA-A Championship of Cattaraugus County. It wasn't a free for all by any means. They both wanted the trophy but Olean lost out.

OLEAN 27—JAMESTOWN 52

The last game of the season was an unfortunate one for the Olean boys. They were playing the Jamestown lads for the Sectional Championships but the Swedes were overpowering.

THE JUNIOR VARSITY

WITH MOST of last year's J.V.'s moved to the Varsity, Mr. Kunkle formed a new squad. The boys had worked and played hard and it proved to be a favorable season for them. Paul Peterson was the only holdover from the squad of the previous year. Lee Winters, Joe Kelly, L. Carnicelli, D. Williams and D. Boyle composed the rest of the squad.

TRACK

AFTER four years of track inactivity, the endurance sport has again taken the spotlight at Olean High School. Due to circumstances resulting from the war, track was eliminated for the duration, but has once again taken the attention of the majority. The boys have worked very hard to make this sport a success again.

Coach Pohndorf has the direction of the track squad, with the boys ably suited to their respective assignments. Among the events to be featured in the inter-school meets, in which Olean High will undoubtedly hold a distinctive place, are the 100 yard dash, the mile race, broad jump, high jump, shot put, and discus throw.

The schedule follows:

APRIL 26TH.

Intra-squad meet at Nichols in Buffalo.

MAY 4TH.

At Bradford

Warren, Bradford, and Olean competing.

MAY 11TH.

County meet at Gowanda.

MAY 18TH.

BASEBALL

FIVE YEARS had elapsed since nineteen hundred and forty-one, before Olean High School adopted varsity baseball again in the year nineteen hundred and forty-six. In this year the Crimson squad looked forward to a favorable season.

The baseball team was organized under the direction of Coach Kunkle. At first the plan was to have only an intramural baseball league, but plans were reorganized and a varsity squad was formed. At the first practice, fifty boys reported to drill but the team was cut down to thirty-three. After a few weeks, another cut was made to about sixteen players.

The Hilltoppers, as this book goes to press, look forward to winning the County Championship.

The following league circuit games were scheduled. In addition to these, there were to be two to four non-league games.

MAY 17—Away—Salamanca
MAY 24—Home—Hinsdale
MAY 31—Away—Portville

MAY 3—Home—Salamanca
MAY 10—Away—Hinsdale

IT IS THE object of the Girls' Sports Council to promote student leadership among the girls; to organize their sports; and to develop an interest in athletics suited to developing a healthy and graceful young woman.

In the election of officers certain requirements are necessary. All girls nominated must have at least one sports letter and the president of the Council must be a Senior.

The Council thus chosen has general supervision of all girls' sports.

GIRLS' BASKETBALL

AGAIN this season basketball proved the most popular sport for girls. There were various teams made up of girls of the Senior, Junior, Sophomore and Freshman Classes.

This year the only team to be undefeated was the Double Troubles, composed of Seniors.

The final game for the championship was played between the Senior team, Double Troubles, and the Wolverines, made up of Sophomore girls. The score for the game was seventeen and fourteen.

Advertisers

THE CLASS of 1946 extends its thanks to you, the advertisers, for your help and cooperation in making this book a success. May each and every one of you realize full value for your advertising throughout the coming year.

The Lowest Price, That's All!

Don't worry too much about Mr. Lowest Price — his proposition glitters only at first glance. Buyers of printing seldom are fooled by him more than once. He spikes his own game with the delivery of the job—in fact, he gives the show away with the very first proof . . . Remember: the salesman who sells brains and craftsmanship, who can create good selling ideas and put them on paper, has no competition from the out-and-out price cutter.

TO THE CLASS OF 1946:

Success in the world of today demands the best of preparation on the part of those young men and women who are about to take their places as members of a competitive society. Second only to good character is intellectual equipment.

The future of the world and the personal success and happiness of its membership will not be determined by the extent and strength of its armed might but rather will its course be chartered and its future made secure by the character and the intellectual discipline of its people.

To you, the graduates of 1946, the leaders of tomorrow, congratulations and best wishes. In this great democracy each shall write his own history. May your hand be steady, your purposes noble, and your mind clear.

Sincerely,

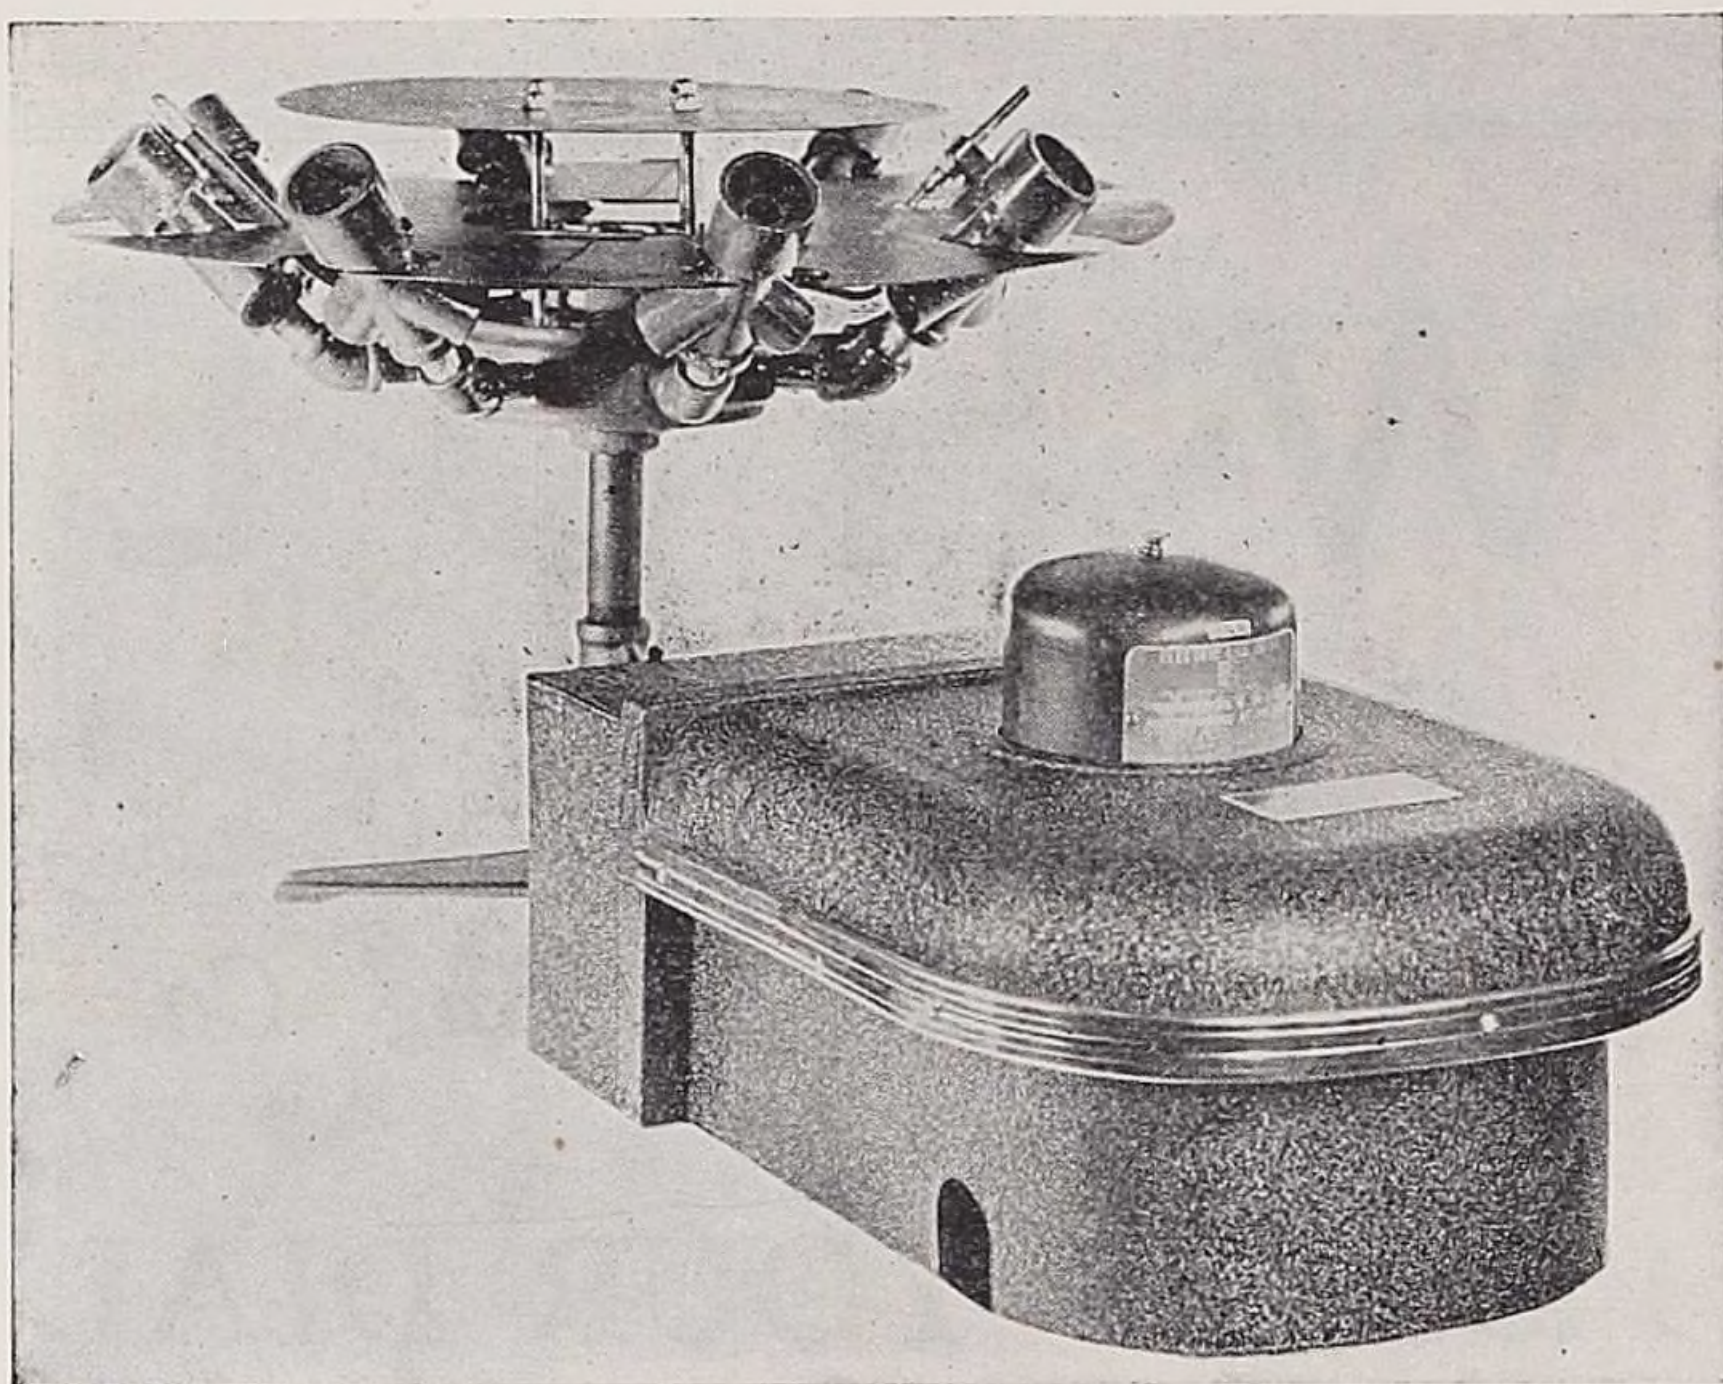

W H D L
