# TO ART!

by HENRY TAMUTUS

My glance just strayed in through the door  
Where scattered wildly 'bout the floor,  
Were scissors, pencils, pots of glue,  
Cartoons and papers—students too!

T'was just by chance I saw that day  
The room where all the drawings lay,  
I stared and saw, to my surprise,  
Their haunted faces, sleepless eyes.

I said aloud, "What goes on here?"  
A voice said feebly in my ear,  
"Get out of here. Have you no heart?  
We're working on the Yearbook art!"

# CONGRATULATIONS

FORTY-NINERS

## DEDICATION

MRS. JENNIE WOMBOUGH MacMULLEN

MISS Jennie Wombough was born in Hornell, New York.

Following her graduation from Hornell High School, she attended Syracuse University and received a B.A. Degree. She did graduate work at Columbia University in New York City and at Simmons College for girls in Boston, Massachusetts.

After teaching in Middletown, Ohio and in Hornell, New York, she came to Olean in 1920 and taught here for 28 years. In August 1947 she married B. F. MacMullen. Mrs. MacMullen retired from her position February 12, 1948, and is now residing in Hornell.

OUR THEME, '49-er, symbolizes progress. One hundred years ago our ancestors searched for the nugget of prosperity and found it. Now we, in the year 1949, are seeking the nugget of peace. We have advanced from the quest for material things to the quest for spiritual things. It is our belief that the members of the class of 1949 will aid the world in accomplishing this goal.

We sincerely hope this yearbook, with its unusual cover and theme, informal photography, and photo-offset method of reproduction, will give every student the pleasure and satisfaction that the staff has gained in editing it.

## ALMA MATER

Oh, Alma Mater fair and true  
Thy honor we acclaim,  
We rally 'round the Red and Gold  
To laud thy noble name.  
In thee we students shall renew  
Our faith of days gone by;  
Across the years, we'll live anew  
Thy spirit Olean High,  
Across the years, we'll live anew  
Thy spirit Olean High.

Dear Olean, thy loving ways  
And charms will ever be  
Those memories of golden days,  
Those friends and hearts so free;  
To thee we pledge thy honor due,  
And parting sound thy cheers;  
Our thoughts of you, so staunch, so true,  
Will live through all the years,  
Our thoughts of you, so staunch, so true,  
Will live through all the years.

## RICHARD CHADWICK

April 23, 1930

October 17, 1947

Dedicated to the memory of Richard Chadwick, who died as the result of lobar pneumonia.

"Dick," as he was called by his many friends, was a member of the Class of '49. Dick liked to fish and to hunt in his spare time, and he won many friends by his good sportsmanship and quiet humor.

Dick will long be remembered by all his classmates, as he was a friend of all.

SHORTLY after the term began, Ann Davis and Ray Eade were elected president and vice-president of the Council in a spirited election. Campaign promises for a juke box in the cafeteria and for a photo-offset yearbook were carried out. Assembly programs for next year were selected in February. Applications for 20-point letters were received and approved by the Council, and students earning them received their letters in assembly.

In March the Council presented the exceptionally successful student production *Take It Easy*, a sell-out for two nights, and a complete financial success.

# HOMEROOM SENATE

EACH home room elects one of its members as its representative in the Home Room Senate and another member as alternate, Room 109 elects two representatives because of its larger enrollment.

On assembly days these representatives conduct their respective groups to the auditorium. Each member of the Senate also performs any necessary service in promoting special activities in his or her respective home room, such as selling the *Tell-O-Scope* and handling ticket sales for the musical comedy.

OUR '49-er Congress is, we believe, unique! The cover is a new departure, featuring our distinctive theme, 49-er. Printing, in line with Student Council decision last fall, is by the photo-offset process, a radical change from previous Congress practice. Individual photographs were made of every high school student, including Freshmen B's. Group photography is, we think, outstanding—often silhouetted, always informal. The advertising section has been eliminated in favor of a single patron's page, leaving more room for activity and sports lay-outs. The sports section has been greatly expanded to cover every sport, boys' and girls'. There are five composite picture and snapshot pages; a two-page building spread in the inner cover; more clubs, activities, and departments; and much imagination!

Mr. Hoeldtke has worked with the faculty adviser and the staff to make our '49-er Congress the biggest and, we hope, best ever!

# TELL-O-SCOPE

THIS year our school paper underwent a number of changes. First of all, it acquired the new name TELL-O-SCOPE. Second, the staff has started a new method of publishing the paper. This process is called "Photo-offset."

A Vari-Typer has been added to the equipment used in the publication of the school weekly.

Many new features such as "Coaches Corner," and "Off The Record" have been favorably received by the students.

Among its other activities this year the staff has sponsored sport dances after school and the New Name Contest which brought the TELL-O-SCOPE into being.

THE Junior Business Club was organized by members of the Business Department at the beginning of the second semester under the sponsorship of Mr. Thomas.

Aims of the club are as follows: (1) To form a Business Alumni in order to have closer contacts with former graduates, (2) To foster a more cooperative spirit between students and teachers, (3) To encourage closer relationship with local business men within the community, (4) To publicize the Business Department through the mediums of the school paper, yearbook, and the radio.

## LIBRARY STAFF

THE Library Club is made up of those pupils who volunteer their services to assist the librarian and help make the library resources available to users of the library. This club offers an excellent opportunity to learn how to meet and understand people. Here is a unique opportunity to learn while doing things.

Our duties as library assistants are varied and interesting. Each period during the day and sometimes after school, one of us takes charge of the routine desk work. We charge books, slip returned books, return permits to study hall teachers, and give information to library users. We shelf books, check magazines, make lists, and check overdue books. Some of us are helping to revise the pamphlet file. By performing these duties we help the librarian and make it possible for her to assist pupils with reference questions, book selection, and special projects.

## TAKE IT EASY

THIS year the Musical Comedy "Take It Easy" topped all records with a profit of over one thousand dollars.

The show, which was given March 25 and 26, centered around a young singer, Sunny O'Day, from the lower side of New York City. After hearing her sing at a block party, the Duckbusters, a gang of local toughs, endeavor to get her into a Broadway show being produced by George Wright. There follows a merry account of their escapades as they try through "Crickets", a doorman, to get Sunny into the show.

Members of the cast were as follows:

Verono Wolf—Sunny O'Day, the sweetheart of the Duckbusters  
 Larry Patterson—Tom Kelly, Sunny's boyfriend and leader of the Duckbusters

PHILIP FRABLE—Crickets

PAUL DOUGLAS—Officer Flanigan

JACK WEIS—Stage Manager in charge of rehearsals

ARNOLD RICKEY—Dance Director

ROBERT BARRY—Director of "Take It Easy"

ROBERT LEONE—Harold, the costume designer

LOUIS MAGNANO—Tony, a magician

FLORENCE LIGOURI—a famous French star

WILLIAM GOODLETT—Jim Mackert, the rehearsal pianist

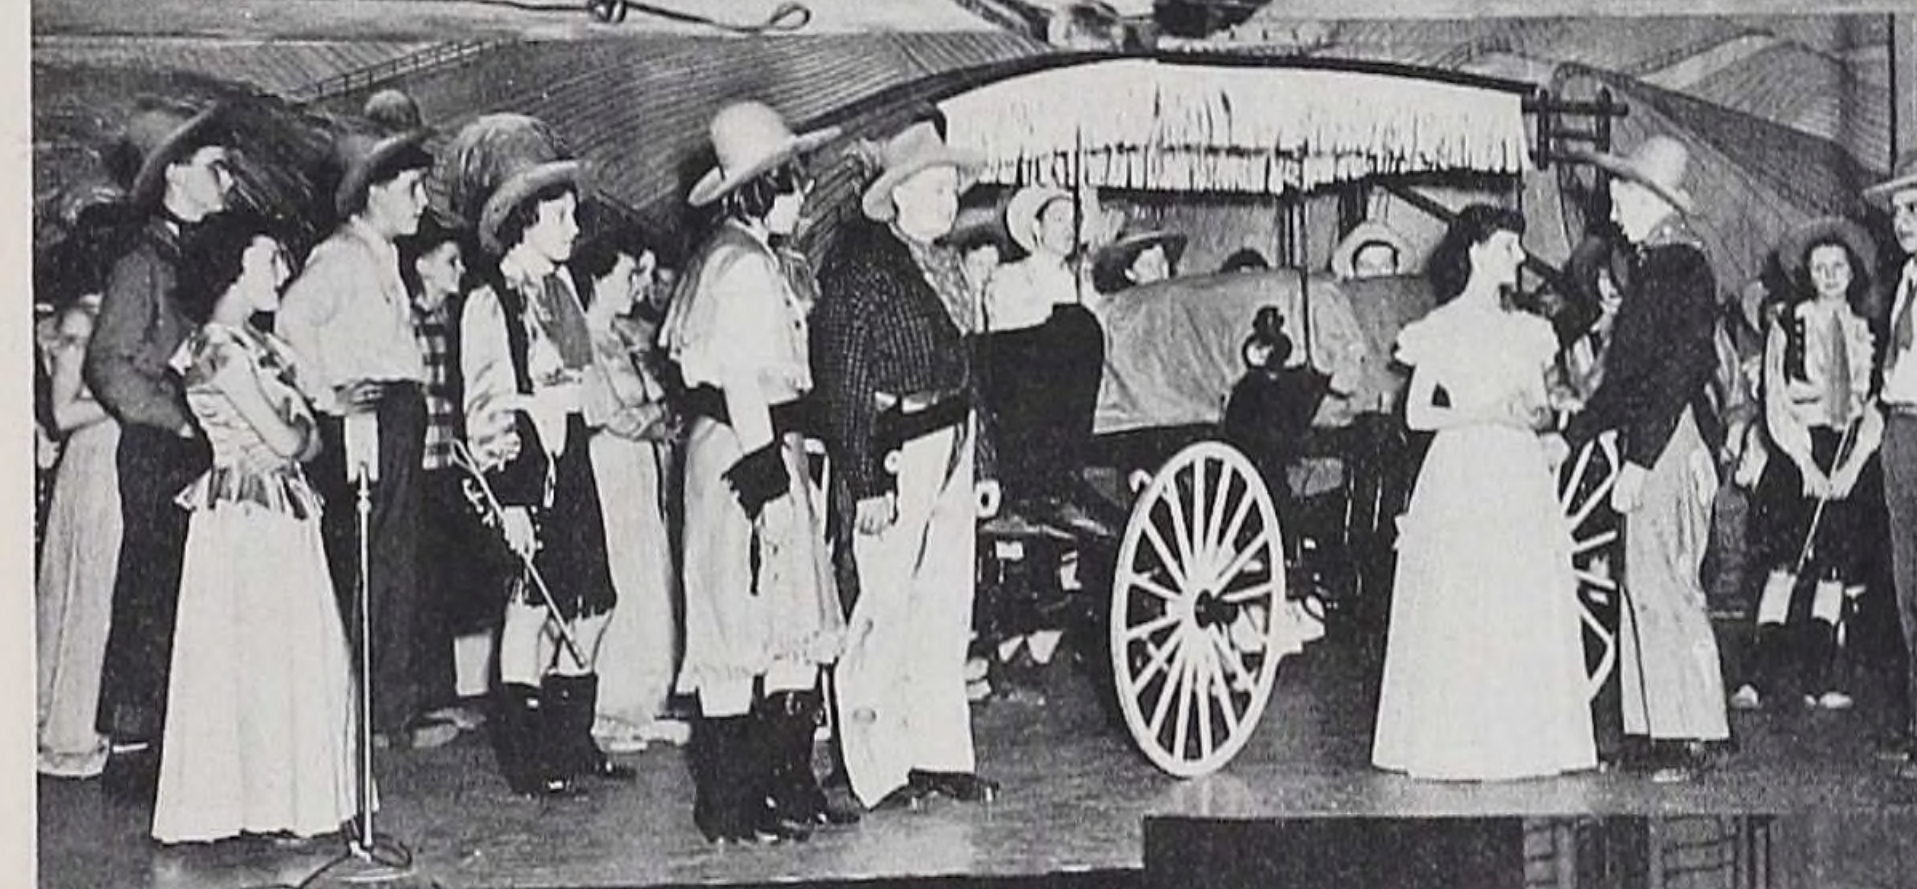

GAIL BLACKMON—Sadie Brown, a show girl

BARBARA KLATTE—Mrs. M. O. Twiddlepus, a mother with stage ambitions and

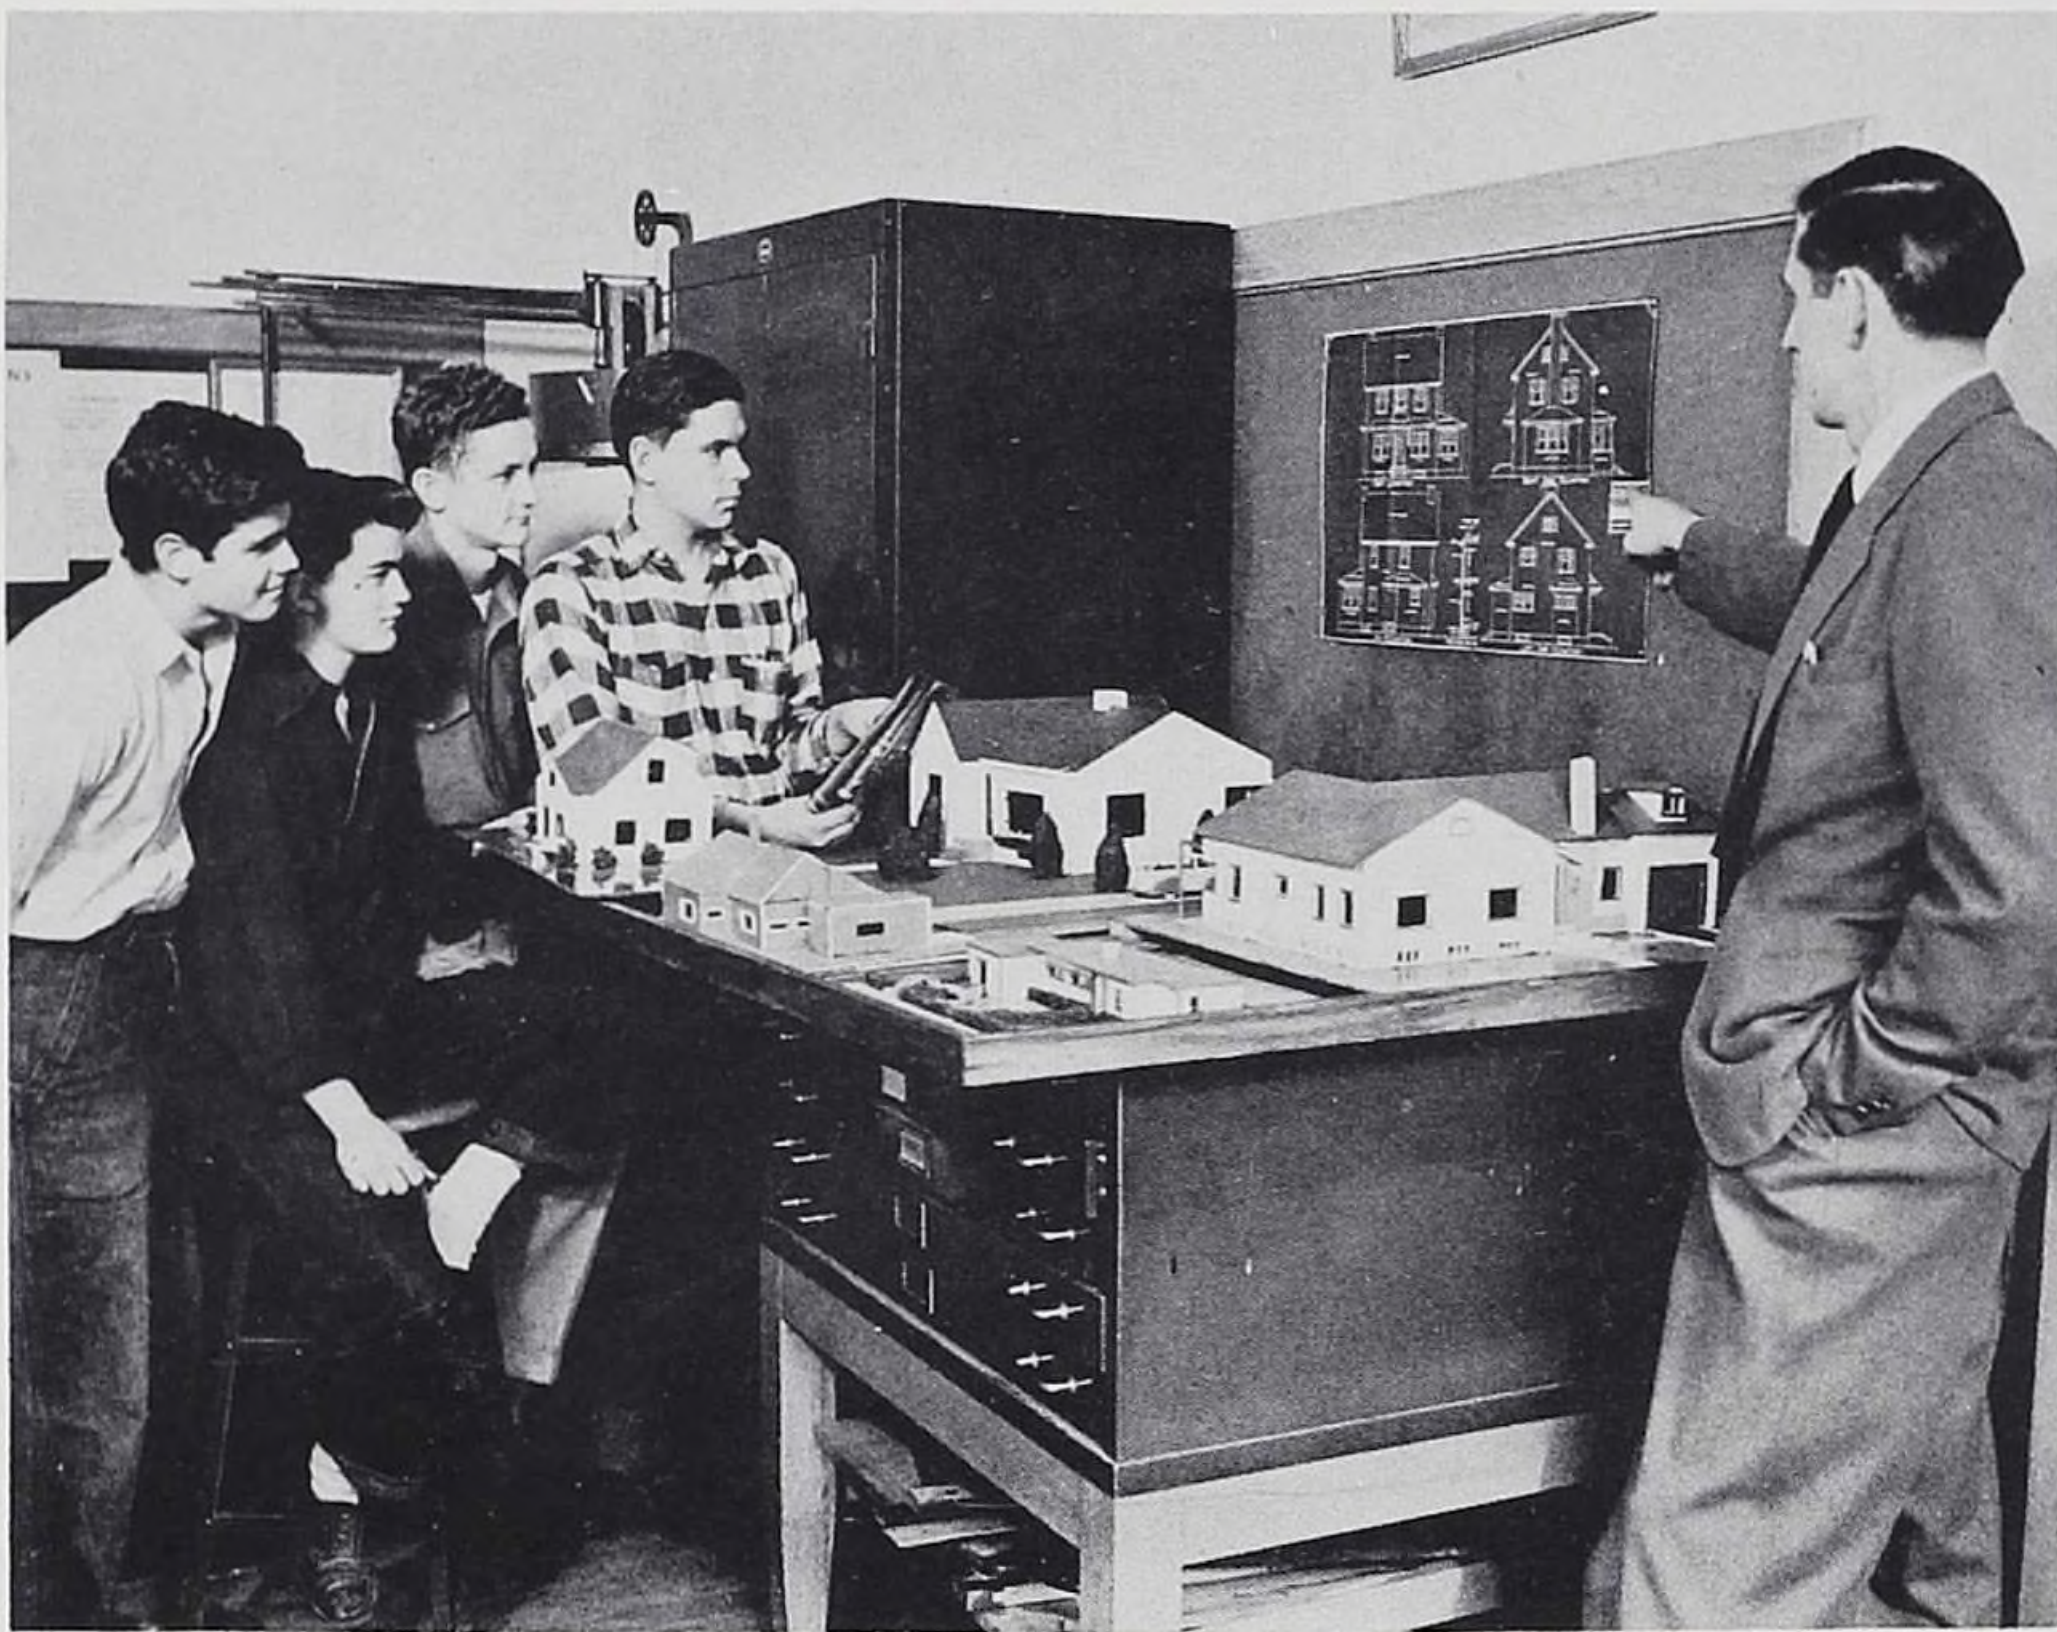

CAROL WILBER—her little angel

Specialty numbers and members of the chorus comprised over 150 O.H.S. students. The show was produced by Lee Winter of the Lee Winter Production Company.

ON February 18, 1949, the Senior Class presented the delightful comedy, *OUR HEARTS WERE YOUNG AND GAY*, based on the best-selling novel by Cornelia Otis Skinner and Emily Kimbrough.

As the two girls—charming Cornelia and vivacious Emily—set sail for Europe in a frenzy of excitement, they are determined to prove how "mature and cosmopolitan" they can be. Their hilarious adventures on shipboard and in Paris during their summer vacation include encounters with a stowaway, two medical students, two English girls, foghorns, the measles, the medical inspector, a gas meter, Bastille Day, and a great French actor.

NOVEMBER, 1948—Olean High School Auditorium—Class of 1950 presents the outstanding mystery "whodunnit" *Home Sweet Homicide* by Craig Rice.

The three Carstairs children never dream that a major crime will take place next door! But when it does, they not only solve the murder, but successfully bring off a romance between their widowed mother and the good-looking police lieutenant.

Comedy, mystery, romance, fast action, and an exceptional array of parts combine with an unusual patio-and-garden setting to make a play as exciting and satisfying as the best selling novel and the smash-hit motion picture on which it is based.

## DRAMATIC CLUB

THE Little Theater Room has been the scene of many active and varied meetings of the Dramatic Club. This year, lessons in pantomime and correct posture have been interspersed with dramatic readings, plays, and discussions pertaining to the theater or motion picture industry.

Several members have had actual experience in applying the techniques of make-up to the cast of the musical comedy.

April 13th "Rehearsal" and "Fortune Is a Cowboy" were presented in assembly; later a play was submitted in the Dramatic Festival at Fredonia.

# CLASSICAL CLUB

THE Classical Club of Olean High School is an organization whose members come from the Latin classes.

The purposes of the Classical Club are: to furnish an opportunity for the pleasurable learning of additional facts about the culture and civilization of the Romans, to help develop in the students an appreciation of ancient art and literature, and to develop originality and leadership in the members of the club. In short, the Classical Club wishes to create in the pupil a friendly interest in the classics and to help him enjoy the classics in college and his future life.

## LE CERCLE FRANÇAIS

LE Cercle Francais has had a successful year due to the sincere efforts of its members and officers to attain the aims of the club, that is, to provide occasion for the use of French outside the classroom and for improvement in the fluency, pronunciation and comprehension of all participating. The meetings are conducted in French to enable the students to gain further knowledge of French. All the students take part in the club meetings at one time or another. It is a club for students interested in French and who want to know about the customs and the language of the French people.

This year the club undertook the project of sending Care packages to needy families in France. One package has already been sent and others will soon follow. The club also donated money for the school chest which the school is sending abroad.

The programs of this year have been interesting and varied. They have been planned so that all members could share in them. At Christmas a very clever play was presented by several of the club's members: other programs offered quiz games and readings enacted by the members:

## EL CIRCULÓ ESPAÑOL

EL Circulo Espanol meets every Friday in Room 103. One of the chief aims of its members is to gain practice in speaking and in understanding Spanish. Such questions as "Como esta usted?", "Donde ha estado usted?", and "Quien es el presidente del circulo?" are asked and answered. In this informal way, facility in the use of the language is fostered.

The club members also increase their knowledge of Spanish history and Spanish customs by club discussions and moving pictures.

# JUNIOR RED CROSS

THE Junior Red Cross is completing one of its most successful years.

The purpose of the Junior Red Cross is to help in carrying out a humanitarian program in the community, the nation and the world. The council at school is merely the executive body of its organization.

Many projects have been planned for the year, some have been already carried out. Decoration of the wards in the Olean General Hospital was done during the Christmas period. We are also conducting a nutrition experiment, and are building and filling a school chest, which will be filled with quantities of school and health supplies designed to meet the needs of a forty-eight pupil school, overseas where supplies are needed.

# HOME ECONOMICS CLUB

THE Home Economics Club is an organization of girls in the Home Economics Department.

The club provides help for two needy families in the local community, spending several weeks in repairing toys, clothes, and preparing baskets of food that were distributed the day before Christmas. This is characteristic of the spirit of service that is encouraged in the club.

The spirit of service and cooperation that has been taught in the club carries on in each girl's home. It is from these homes that the good citizens of the future come to help to preserve, and most of all to better, our democracy.

## KEY CLUB

THIS year the Key Club continued to grow in typical O.H.S. fashion. The membership has swelled to over thirty hard-working, industrious fellows.

Among the activities sponsored by the Key Club this year were a very successful Christmas sport dance, a bowling league for the entire school, and a series of dinner meetings for the members.

The club has been going forward this year, under a slate of officers including: Jack Weis, President; Gene Eyler, vice president; Bob Brandt, treasurer; Larry Whalen, secretary. Mr. Stuart Davis has represented the Kiwanis Club this year and he, with Mr. Richard McLaughlin, faculty adviser, has been the moving force in the organization, this past year.

Seated, left to right: R. Vedder, R. Leone, J. LaFerddo, R. Ryder, D. Pierce, C. Padden, J. Metcalf, J. Forness, F. Ewing, P. Fromme, B. Guerny, L. Raub, L. Whalen, B. Kelly, G. Eyler, and J. Weis. Standing: J. Segall, B. Bryandt, D. Hedland, D. Stull, G. Hendryx, T. Pratt, and G. Burke.

## ECHOES OF EINSTEIN SCIENCE CLUB

THE Echoes of Einstein Science Club is the realization of a dream of Mr. Whitehill and other science teachers who believe that boys and girls who were interested in science should have a chance to exchange ideas.

The Science Club held its meetings, this year, every Thursday afternoon in room 318. Members of the Club or an interested teacher gave demonstrations or short talks on topics pertaining to various phases of science. After the meeting, the club worked on a model of the solar system in the picture above.

A few of the activities of the club of the past year were excursions through the filtration plant and radio station, WHDL, a dime dance, and concession stands for basketball games.

# FOOTBALL

THE Olean High School 1948 football season was considered the best in many years. The Huskies went through an exceptionally tough season and emerged with a 5 win, 3 loss record. The team, using the T-formation for the second year, under the capable coaching of Ted Mastragiacomo, John O'Neil, Wilmer Kunkle, and George Matlock, gave the Olean fans the thrills they fully expected.

OLEAN 6                      HORNELL 13

The "Huskies" fought with all they had, but in the waning seconds Hornell capitalized on a break score.

OLEAN 26                      SALAMANCA 0

Olean had too much power for the Indians, the game was played in Olean and whole team saw action.

OLEAN 20                      CORNING NORTH SIDE 0

The chief factor in winning the game was our speed. Our defense charged hard. The second string played one quarter of the game.

OLEAN 20                      CORNING FREE ACADEMY 21

We led at the half 13-7. They scored their last touchdown with two minutes remaining. Outstanding in the game were Paul Alexa and John De Golyer.

OLEAN 26                      DUNKIRK 0

Olean had plenty of finesse! Ambrose caught a fourth down pass from De Golyer to ice the contest. The game was played in Dunkirk.

OLEAN 19                      JAMESTOWN 34

This game, played at Jamestown, was a heartbreaker to Olean. We led at the half 19 to 7 but lost the game in the second half. Olean had five important fumbles in the second half, making it hard for them to get started again.

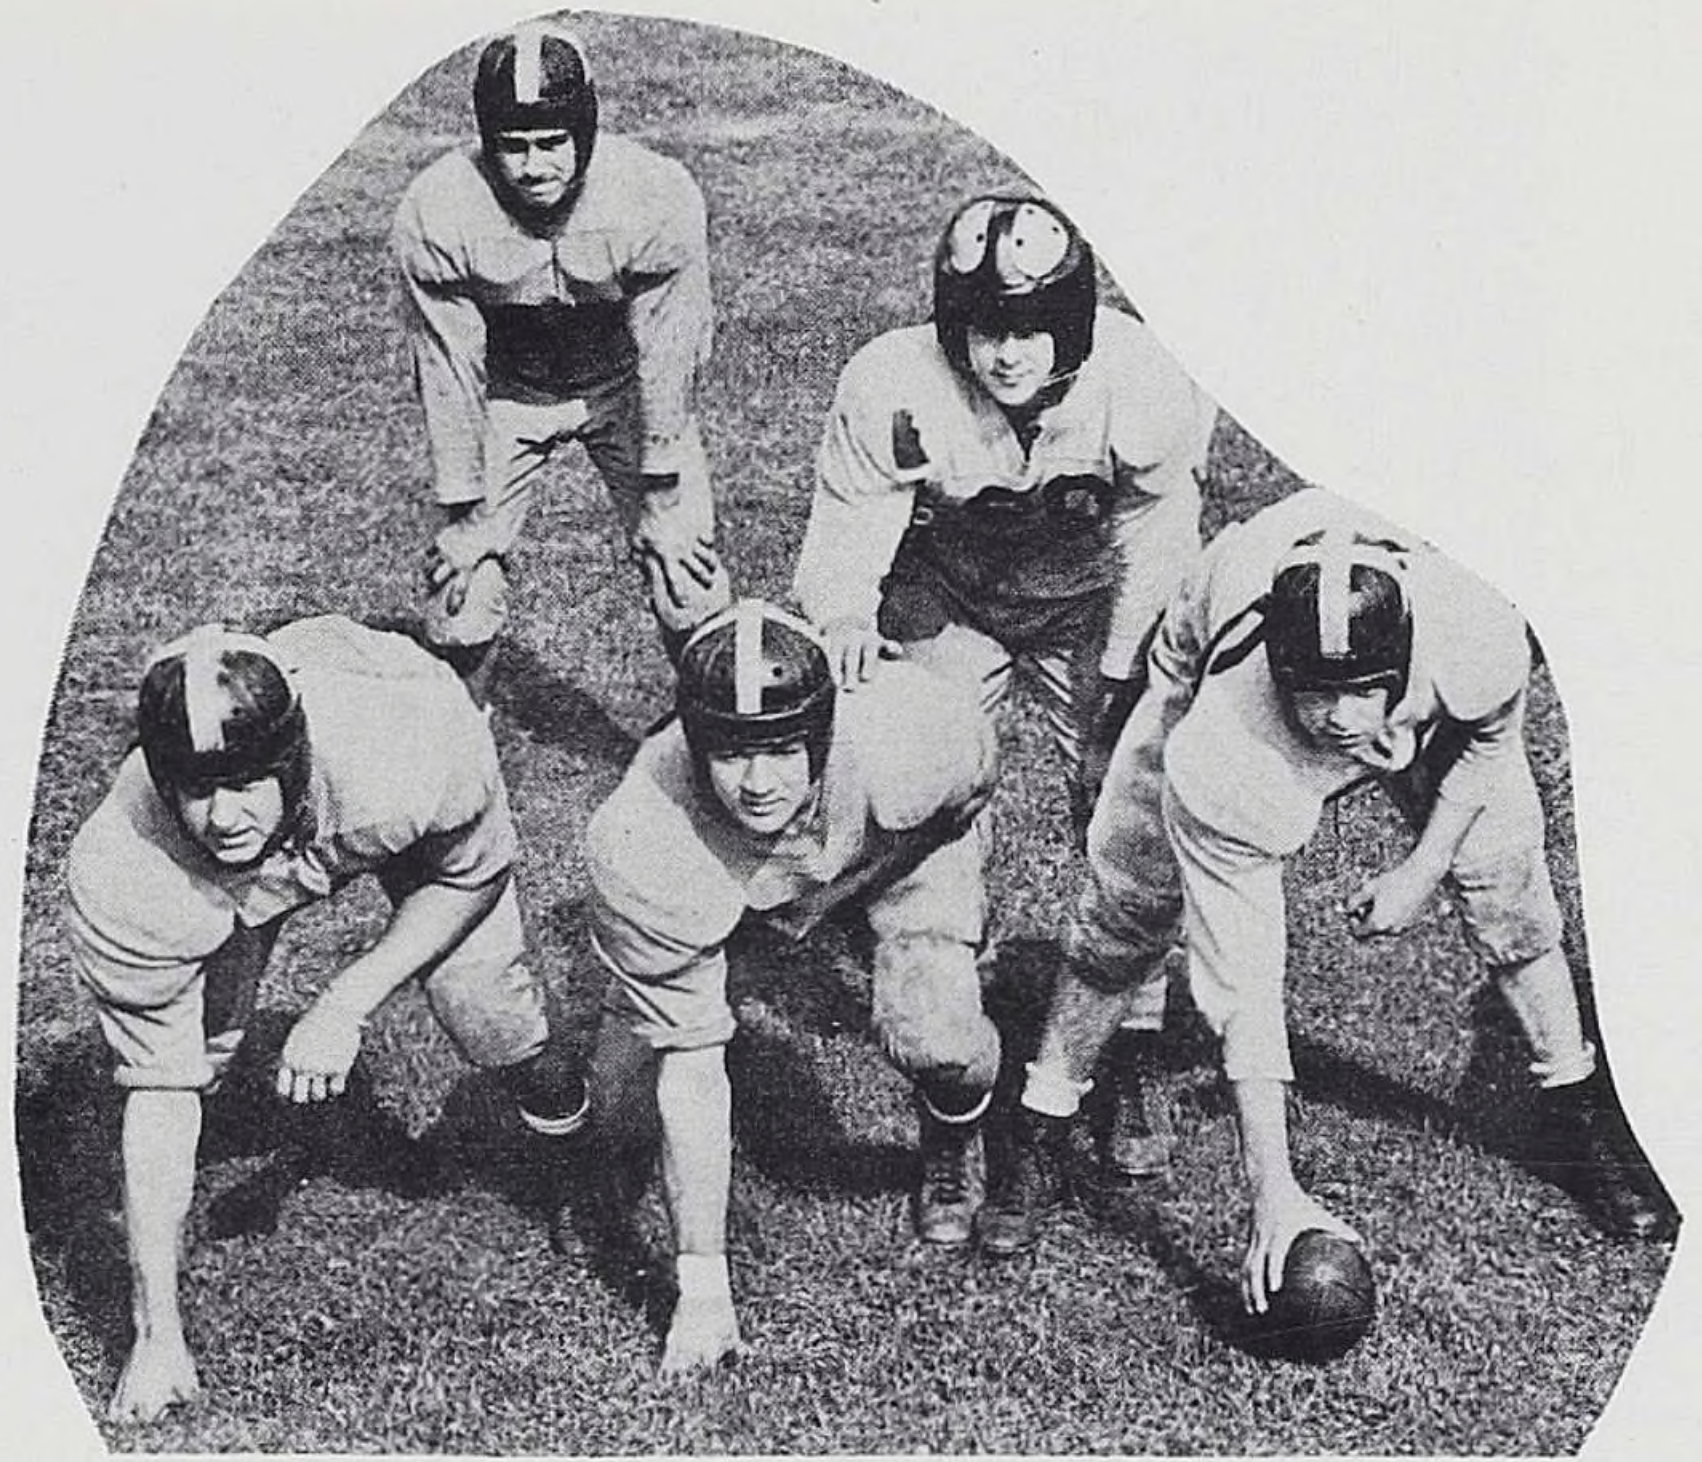

OLEAN 25                      BINGHAMTON NORTH 6

Binghamton North was supposed to be a powerhouse, but failed to show its expected strength. In this game such line men as Williams, Rajski, and O'Keefe took over and did a marvelous job. McGavisk became a back and threw a beautiful pass to Williams for a touchdown. Dick Nickels and Donald Boyle showed well.

OLEAN 14                      WELLSVILLE 0

Wellsville was beaten so badly that at the end of the game they had gained only a total of minus 9 yards. Olean's line was outstanding, especially Lundy, Anzivine, Wisniewski, Worth, and Callahan.

FOOTBALL

THE Husky JV Football squad played four games in 1948. Wilmer Kunkle was head coach, George Matlock his assistant.

The Husky "Pups" record:

|       |    |               |    |
|-------|----|---------------|----|
| Olean | 19 | Franklinville | 7  |
| Olean | 7  | Franklinville | 0  |
| Olean | 7  | Otto          | 26 |
| Olean | 7  | Bolivar       | 18 |

Members of the squad were: Joe Ambrose, Bob Augustini, Jim Brown, Bob Butinski, John Davie, Don Dougherty, Bud Ducey, Bob Dunn, Charles Dwailebee, Dick Green, Francis Joseph, Don Foster, Leonard Newland, James Koeblin, Andrew Kosinski, Bob Manning, Bob Milgate, Anthony Pessimenti, Ray Padlo, Dick Rosse, Anthony Sanzo, Edward Sazdak, Leo Smith, Bob Tamutus, Jack Tamutus. Jack Sharp and Bob Muir were managers.

# 

THE 1948-49 Olean High School basketball season was very successful, the Huskies winning 11 games and losing 6 of a tough schedule

Representing Olean in the Annual Catt. County All-Star game were: Joe Kelly and Dewey Williams. Both of these boys plus Bob Weis were high scorers for the "Huskies" throughout the season, with 100 points or more.

Out of the group of twelve varsity basketball players, John De Golyer and Donald Luderman are not seniors. Bob Weis is the only postgraduate player on the team. The remainder of the players are all seniors. There is a possibility that these seniors will postgraduate and return to the team. Tom Laverty, manager, did an excellent job helping the boys out. Assisting Tom was Bill Gurney.

THE Driver Training Class for the second semester in the school year of 1948-49 includes 45 members. Three students and the instructor go out driving each driving period for behind-the-wheel instruction. Every student should have at least eight hours of driving plus 32 hours of observation. Each takes a road test for a New York State Automobile Operator's License with the driver training car. In addition to the behind-the-wheel training, classroom work and textbook study is required. Some of the students enrolled have an opportunity to practice their behind-the-wheel lessons by driving their parents' car after school hours as additional homework.

The greatest number of accidents in our country are caused by the 16 to 19 year old boy and girl. It is the aim of the driver training course in the public schools of the United States to lower this high accident rate.

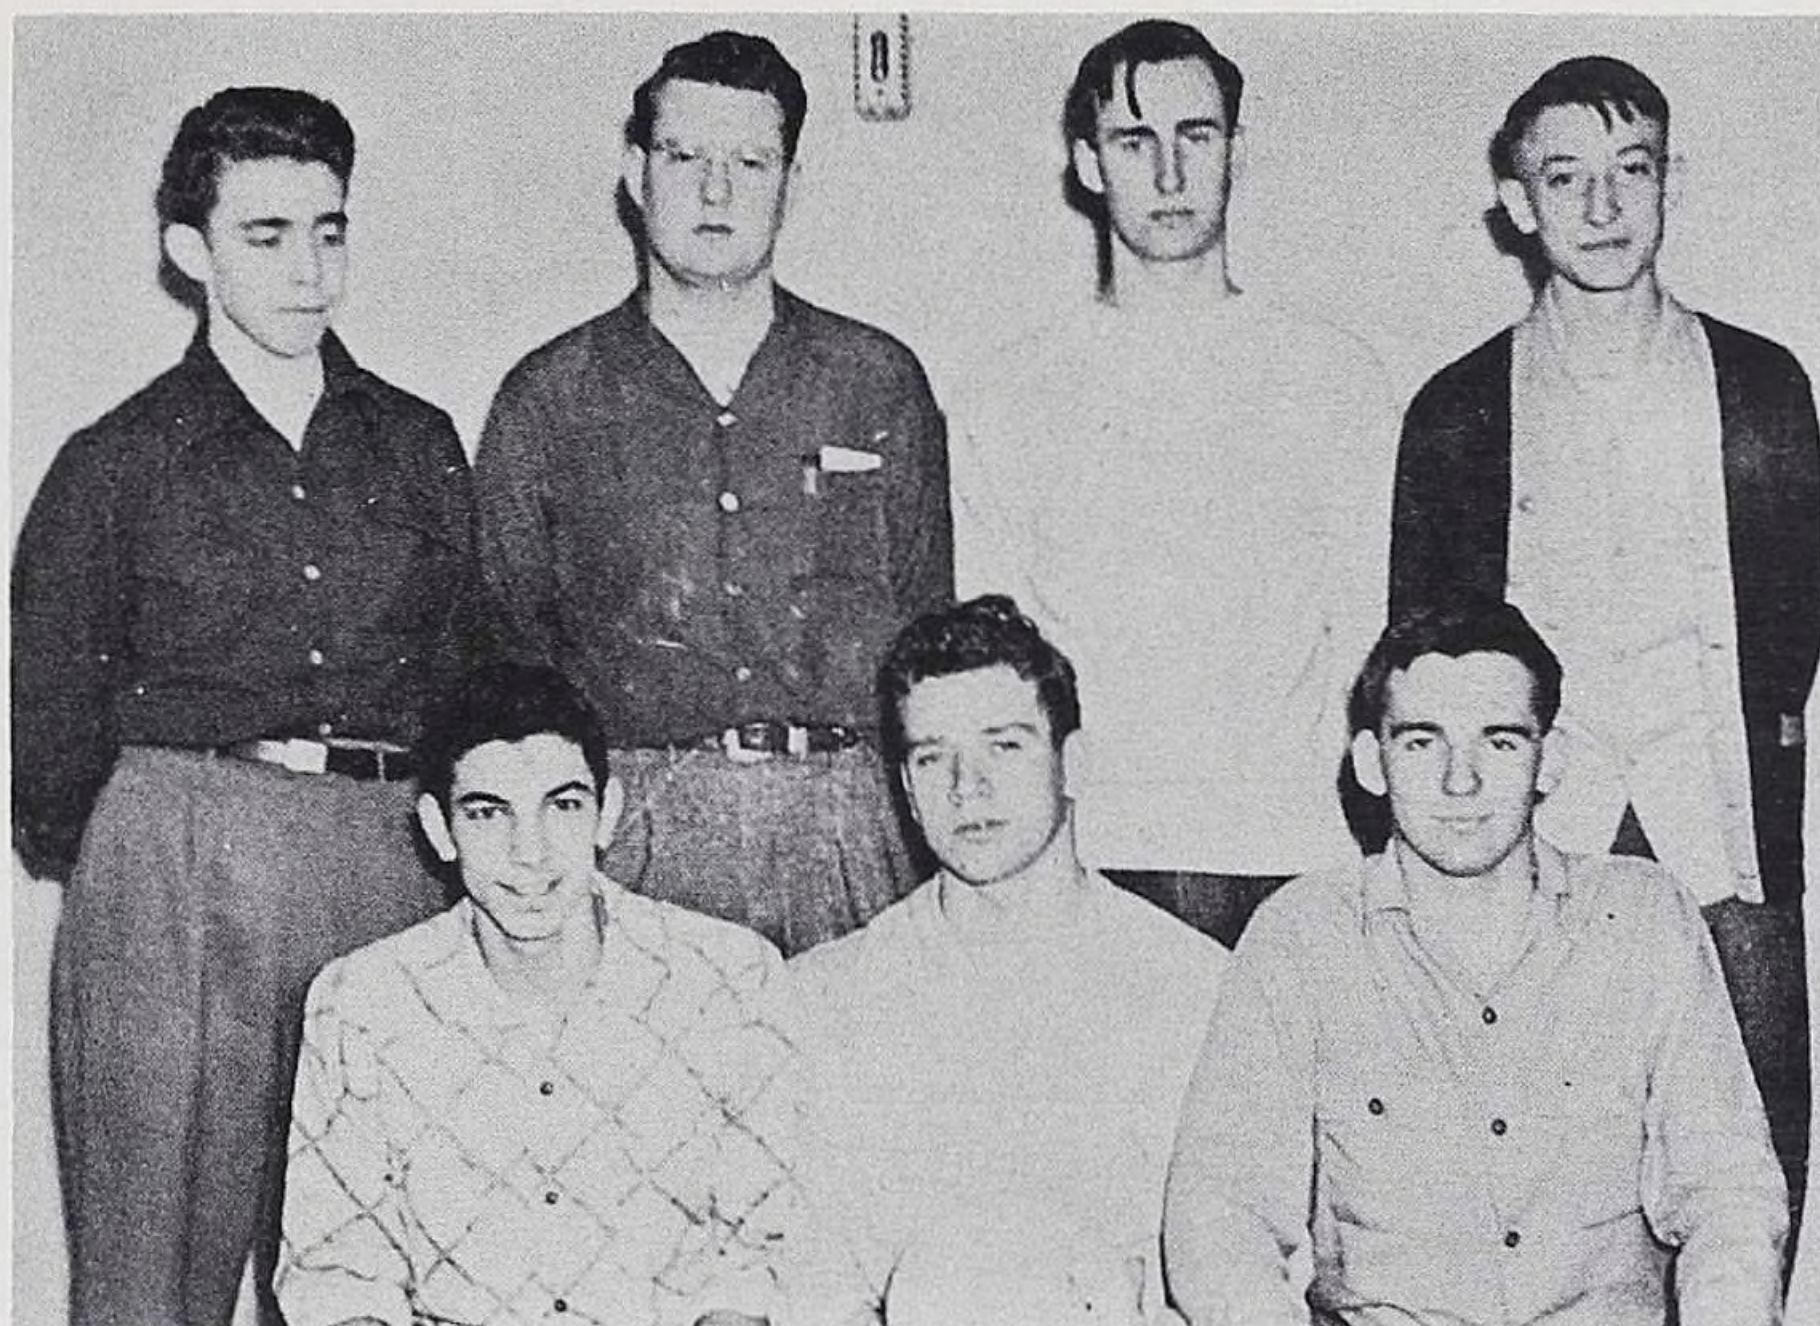

The 1948 Volleyball team the "Cheetahs" won the Class AA championship game at Randolph, April 2, 1949.

# MICE AND MEN

THIS term an interesting experiment, directed by Mr. Paul Whitehill, was conducted by the students of the Olean High School chapter of the Junior Red Cross.

Four albino rats were used: two males and two females. One rat was given a wholesome mild diet; another was given milkless diet. One rat was fed a "balanced school lunch" and his cousin subsisted on a "hamburger-cola" lunch. These diets were maintained for about four weeks. Weighings and observations were made twice a week.

About the third week one of the females gave birth to a litter of eight rats, and the other female gave birth to nine little rats.

Assisting in the experiment were:
