DEDICATION

W. CECIL DAVIS
Superintendent of Olean Public Schools

MY DEAR SENIORS:

On Tuesday, June 24, 1952, you will conclude your work as students of the Olean High School. For all of you, this will mark the close of one set of associations and the beginning of another. The uncertainty of the years ahead and the personal concern that I have for your continued happiness prompt this message of greeting and good wishes. First, may I congratulate you on the successful completion of your high school program. The achievement of this important goal will open many doors of opportunity that otherwise might be closed to you. Second, may I congratulate you on having citizenship in a nation where the individual is recognized and rewarded, both in degree and measure, as he serves his fellow men. The future is yours! As your superintendent, it has been a happy privilege to have been associated with you over this past year. To each and every member of the Class of 1952, I extend my best wishes. Finally, as a treasured symbol, may the "Congress of '52" ever occupy an honored place in your personal library and remain a vital link in the chain of pleasant memories that binds you to your classmates, your teachers and your school.

Sincerely yours,
W. CECIL DAVIS

TO THE MEMBERS OF THE GRADUATING CLASS:

One of the rewards of a Board of Education member comes each June in the feeling of accomplishment in graduating another class from the Olean High School.

Our hope is that mistakes made here in your academic life will prove to be beneficial experiences; that critical faculties which have begun to develop will continue their development; that the education which has started under our supervision will continue.

Your progress through the Olean schools has been a source of pleasure to your teachers and to the members of the Board, all of whom wish you the very best in life.

President of the Board of Education
ROBERT L. DAVIS

ADMINISTRATION

E. H. HOELDTKE
Principal

To the Class of 1952

Life is what you make it. Capture every valuable experience from day to day to develop socially, morally, and spiritually into that high type of world-minded citizen you would like to be. Upon completion of high school your horizons will be broadened beyond the confines of the sheltered world in which you have been living. Competition will be keener, and its areas broader. The freedom which is yours and recognition which you may each receive are a part of your great American heritage. There are no barriers for those of you who aim high and choose well.

LIBRARY CLUB

This year the library has been given a large number of books. In fact, over fifty have been given by individuals or organizations about town. Also this year the library, with the cooperation of the English and Art Departments gave an assembly program during book week. Book marks were given to everyone coming to the library that week and a very good list of books enjoyed by teenagers was printed.

Miss Gould would like to encourage any student who is at least a freshman A to be a library aide to work from two to five periods a week if their schedule permits.

This club was formerly called the "Oil Painting Club." It was thought that the new name, "Art Club" would draw a larger membership.

Great plans are hatching in the club. All high school students who are interested in painting, architecture or sculpture are invited to join. Regular weekly meetings are held in the Art Room but field trips and special projects are also a part of the program.

Our annual Art Exhibit is held in June. Small paintings will be on sale.

GOLF, 1951

Olean High's golf team had five different matches and competed against nine different golf teams during the season. Two of these teams, East Aurora and Salamanca, were met twice during the season.

Our varsity team included the following: Ed Forrest, Dave Law, Jim Davis, Jack Kelly, John Bell, and Don Drake. The first five received varsity letters in golf. No one O.H.S. golfer held domination over his team mates throughout the season. Dave Law was medalist at East Aurora with an 82. Jim Davis was low man at Salamanca with a 79, and at Olean with a 77. Jack Kelly was third low in tournament play at Niagara Falls with a 77.

CROSS COUNTRY 1951

The Cross-Country team finished its most successful season in its three year history with a 4-won, 1-lost record in five dual meets. The season's only loss came at the hands of Amherst Central School in the first of these five meets. Following the lone defeat, Olean defeated Hamburg, shut out Silver Creek, beat Gowanda and triumphed over Lancaster.

The initial meet of the season found Olean in second place in the twelve-school Barker Invitational Run; and the season ended on a triumphant note, as Olean's Bruce Phillips won the Sectional crown in Olean, on November 8, with Bill Subject copping second spot. Three Olean runners went to the State Meet at Schenectady with the Section VI team, where Subject placed first for the Section, in 17th spot.

This year's Cross Country squad numbered 18 runners, including 8 Juniors, 8 Sophomores, and two Freshmen. Since there were no Seniors, this year's team will be returning as a unit, and threatens to end the reign of Amherst Central in Western New York Cross Country.
