FOREWORD

THE PURPOSE of the 1953 Edition of the CONGRESS is to record the deeds of the boys and girls, who, for the past four years, embodied the spirit of Olean High School. In the years to come this yearbook will keep alive the memories gathered during their undergraduate days. The future years will bring new faces and changes to the school scene, but there shall be this record of the friends they knew, the things they did, and the memories that are still dear to them.

MISS AGNES CASEY

MISS AGNES CASEY, our former English and Spanish teacher of Olean High School, who has just recently retired, graduated from Buffalo State Normal, and began to teach at Alexander, N. Y. She then came back to Olean before leaving for Washington, D. C., where she worked three years as a clerk in the Treasury Department. As this job proved very dull to our Miss Casey, she changed the routine by going all the way to the Philippine Islands to teach English at San Francisco (*La Union*). After three years of this, Miss Casey returned to Olean and resumed teaching in the Olean elementary schools, at the same time earning her B.A. degree at St. Bonaventure's.

In 1929 Miss Casey began teaching English and Spanish at Olean High where she has continued to teach until this September of 1952.

Miss Casey now plans to spend her leisure hours either at home in her library, gardening, or traveling about the country.

DEDICATION

MISS LULA HILL

MISS LULA HILL, the friendly teacher who formerly resided in room 306 where she taught chemistry, is now resting at Portville.

After graduating from Portville High and later, Alfred University, Miss Hill spent two years at Waterville, N. Y., three years at Deposit, N. Y., and one year at Hancock, N. Y., teaching science.

In 1924, Miss Hill began teaching physics and chemistry at Olean High School until the new building was built. At this time she taught only chemistry until September of 1952, when she retired.

Miss Hill says that although most of her life has been devoted to the cultural development of tomorrow's leaders, she loved every minute of it, and sincerely wishes that she were still able to continue teaching.

IN RECOGNITION

Sackett Scholarship Fund

A \$10,000 Scholarship Fund to help Olean High School graduates secure a college education has been set up by Herbert L. Sackett, former high school principal. The fund, to be known as the *Sackett Scholarship Fund*, was accepted by the Board of Education on Tuesday night. Income from the fund will be awarded annually in the form of a scholarship to a senior or graduate of the school who intends to get a college degree.

According to the terms of the grant of the fund to the Board, the annual award will be made by a committee consisting of the high school principal, vice-principal and an officer of the Exchange National Bank of Olean. The money has been deposited in that bank as a trust fund, under the administration of J. Monroe Hodges, vice-president and trust officer.

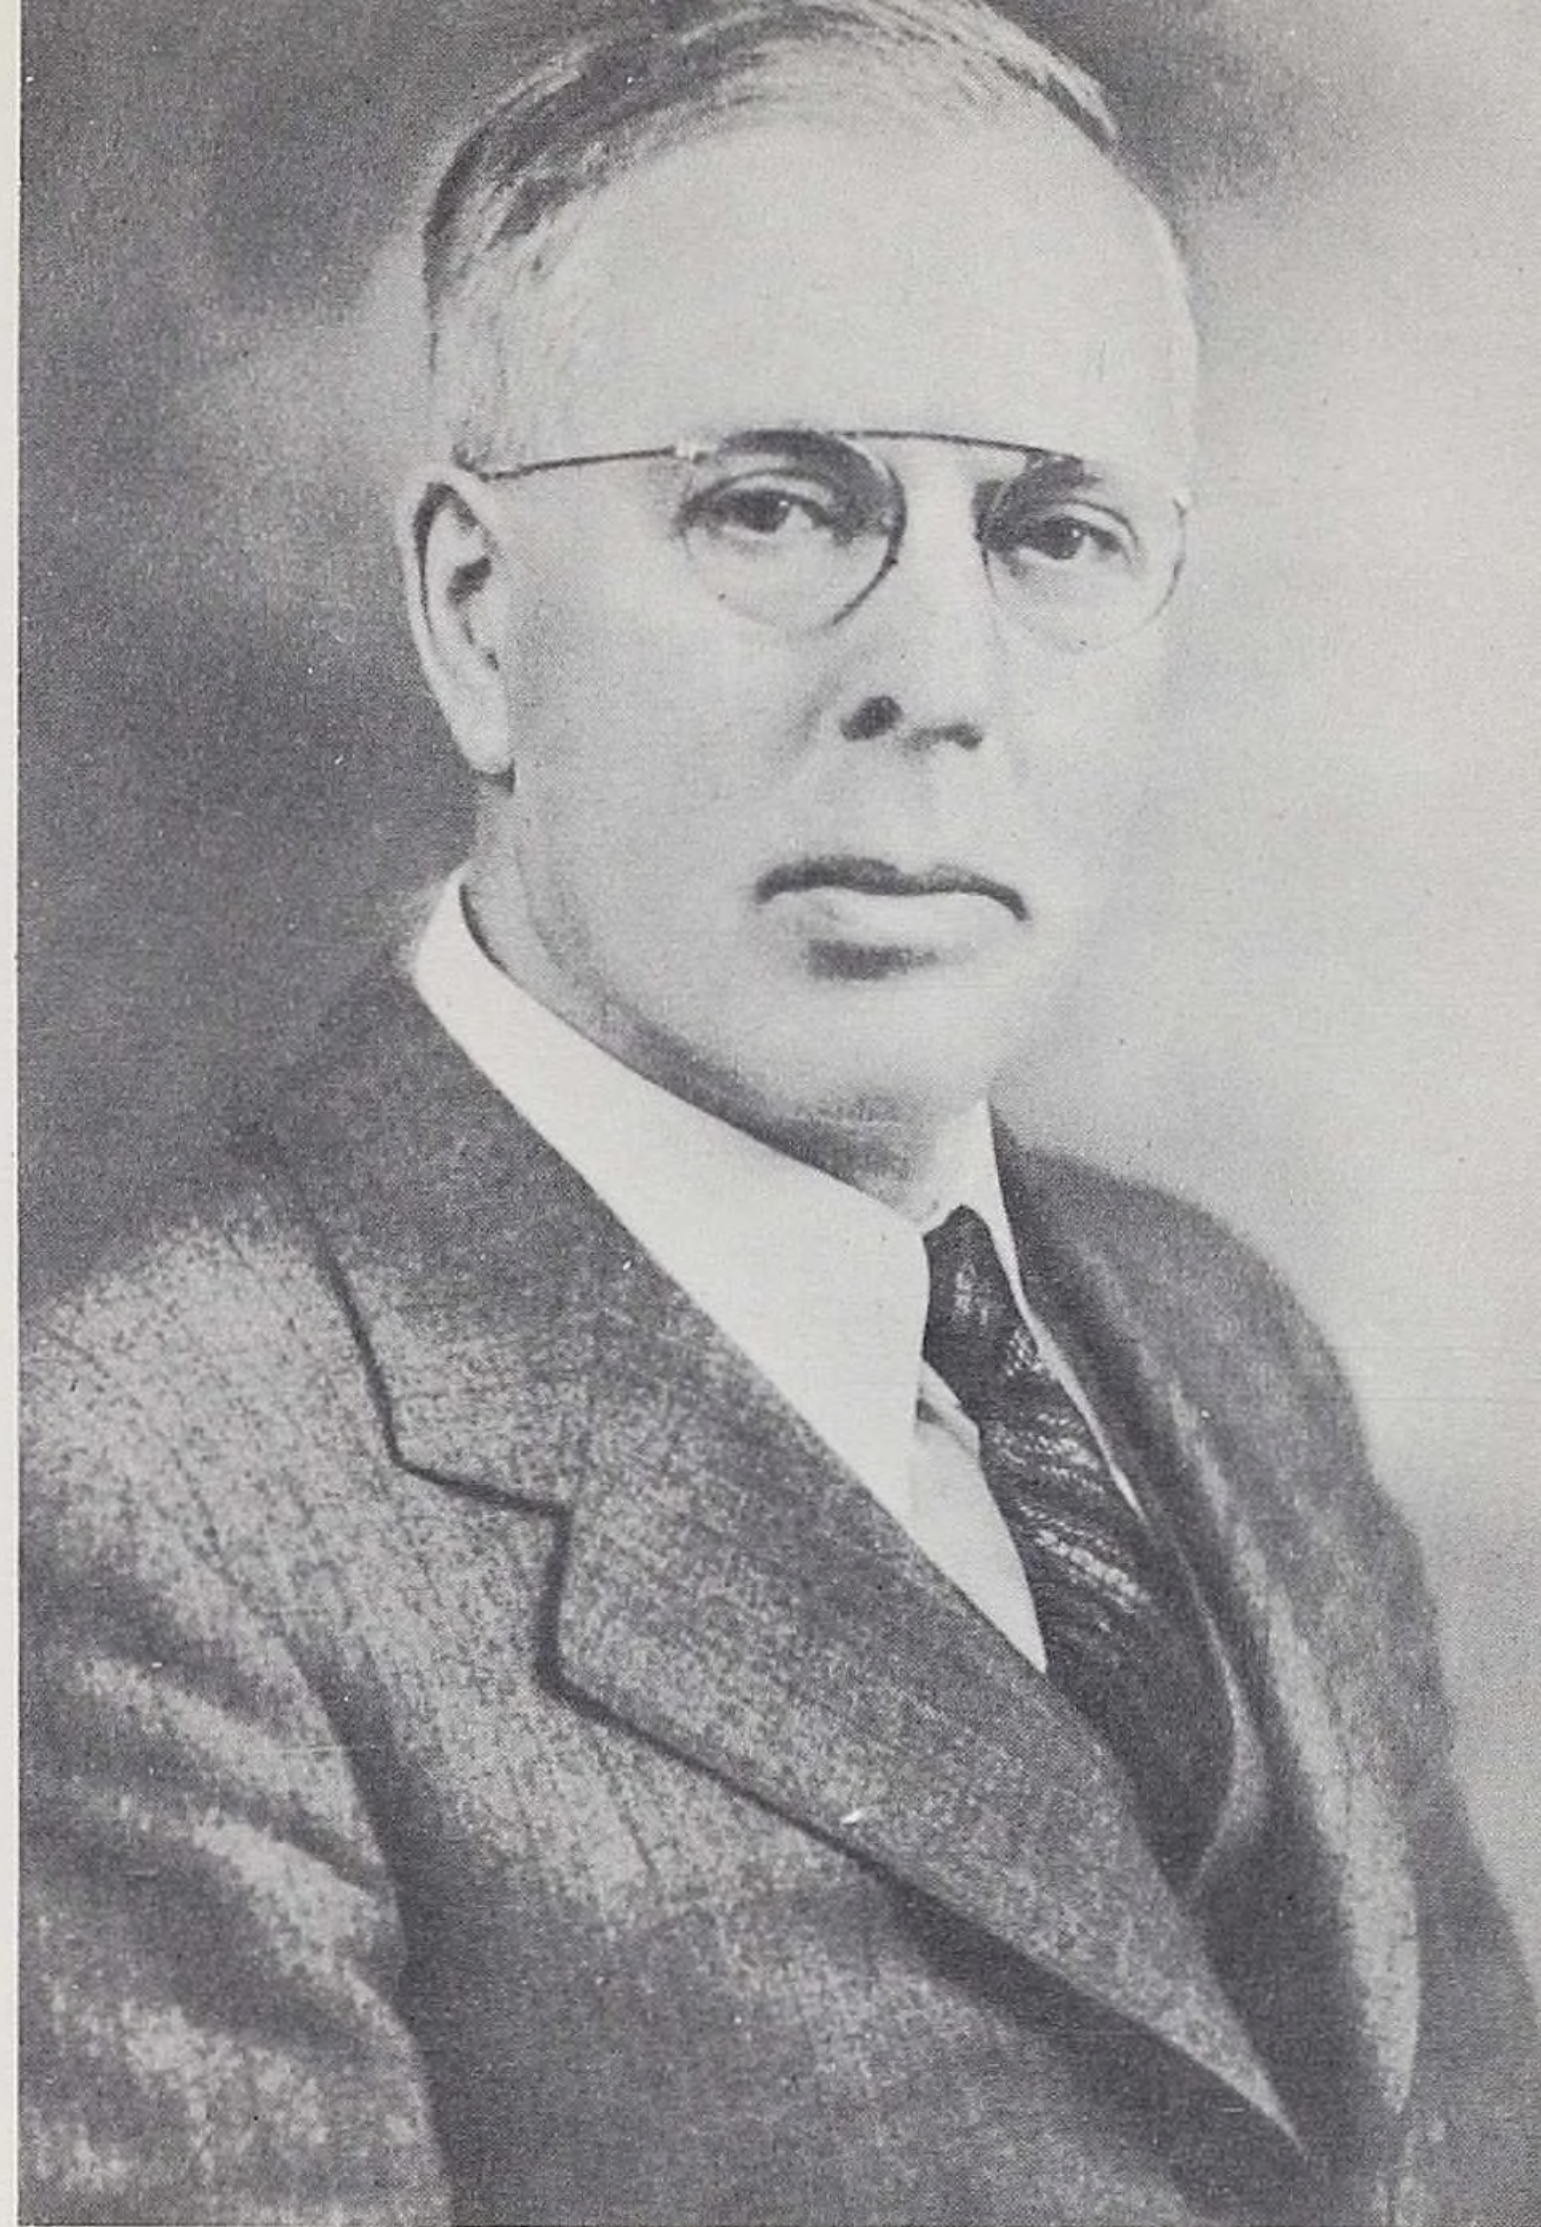

The award will be made on the basis of the students' character, scholastic ability, promise of future usefulness to society, services rendered to the school in worthy scholastic activities, and financial need.

The award will be made annually at the close of each school year and announced at each commencement. Payments to the student receiving the scholarship will be made in approximately equal installments of the net income realized to the preceding September 1. It is expected that the trust fund will yield upwards of \$400 each year.

Mr. Sackett served as principal of the high school from 1917 to 1946, when he retired. He had retired previously, in 1943, but was called back in 1944 when the present principal, Ernest H. Hoeldtke, was called into the Navy.

A native of Smith's Mills, New York, near Forestville, Chautauqua County, Mr. Sackett received his Master's Degree and the degree of Doctor of Philosophy at Brown University. He served as principal of high schools in Dunkirk, New York and Lewiston, Montana before coming to Olean.

While he was principal, he was president of the State High School Principals Association, and he originated and developed the Athletic Activities Protection Plan, which writes insurance against injuries for students in interscholastic and intramural sports.

HERBERT L. SACKETT

PRINCIPAL, OLEAN HIGH SCHOOL, 1917-46

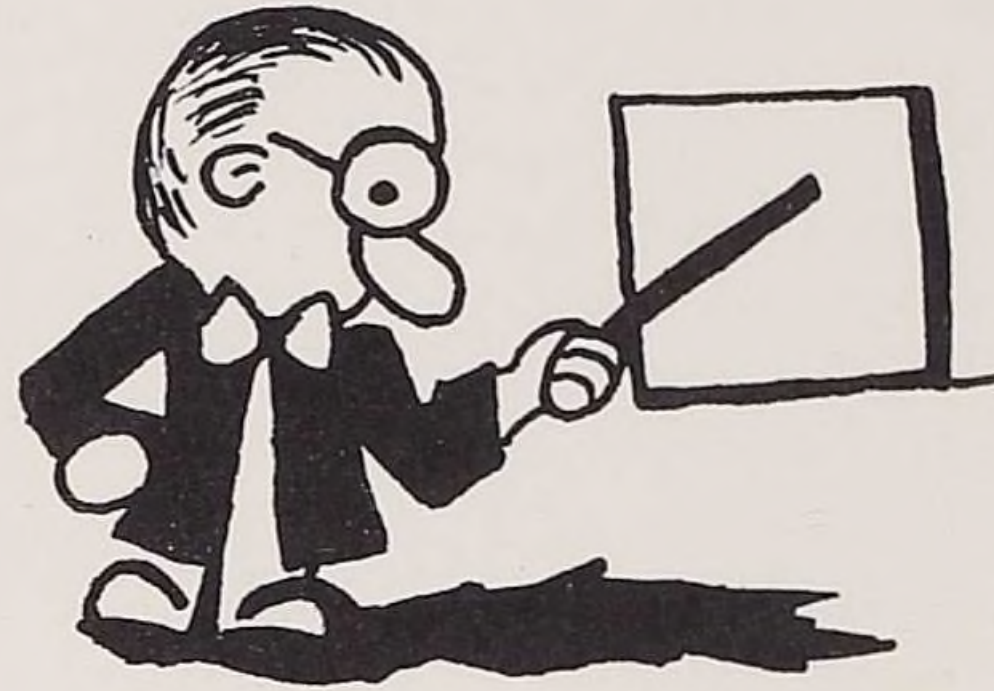

He was President of the Kiwanis Club, President of the Little Theater Guild, was active in Red Cross and Boy Scouts and was president of the Torch Club.

At present, he is a field secretary of the Torch International. The Torch Club is a dinner discussion club for professional men. Of the 82 such groups in Canada and the 23 in the United States, Mr. Sackett organized 24.

In his earlier years, he traveled extensively in Europe, Mexico, and this country. During World War II, he manned an Airplane Spotting Station in Olean, and after his retirement in 1946, he was awarded a governmental citation for his war services.

GENEVIEVE M. DINSMORE.....	Assistant Clerk

To the Class of '53

Your graduation from Olean High School is probably the highest achievement in your life so far, the goal at which you have aimed during your school years, and a fitting climax to your educational efforts. Your instruction by your various teachers has been of the highest type, your attitudes and general conduct have been carefully directed by wise counsellors, both at home and at school.

It has been conceded by thinking people that good character and high ideals are the most important attributes one can possess, and this diligent training on the part of your advisors will go a long way toward establishing and developing these very desirable traits.

Some have the idea that graduation from high school is unimportant, only to realize, too late, that it furnishes a recommendation for the launching of a career and for climbing to greater

heights when opportunities for advancement arise. The boys will find the latter is especially true in military service, and boys and girls, alike, will recognize its value in the business, industrial, and professional world. Here again, character will play an important part. As the great sports-writer, Grantland Rice, says:

*"And when the Great Scorer comes,
To write against your name,
He'll ask not if you won or lost,
But how you played the game."*

You, the members of the Class of '53, are to be commended on having completed your course, and the Board of Education of the Olean Public Schools, individually and collectively, earnestly hope that all your good dreams will come true.

MARY S. HANNIGAN, *President*
Board of Education

ADMINISTRATION

My dear Seniors,

Four years ago the coveted goal of graduation seemed quite remote. Today, I congratulate you on achieving this important objective.

Future rewards and recognitions, I am sure, will never dull the happy memories of your years at Olean High School, and these, I trust, may be many.

To each and every member of the Class of 1953, I extend cordial greetings and every good wish.

Sincerely yours,
W. CECIL DAVIS,
Supt. of Schools

To The Seniors

In the world of which we find ourselves a part, the well-educated person has become a necessity. The program of studies pursued, the subject matter absorbed, the books read, and the effort expended do not necessarily combine to produce the product we seek. It is the spirit with which these numerous and sometimes tedious assignments are accomplished which adds character to this well-informed being. As one thinks in his heart so he becomes: either he loves his fellow men and gives generously to them, or he practices an existence of mental frugality, denying to others the opportunity to share the joys and successes of life. In the final analysis it matters not so much what he has studied, but how he has applied himself, and the attitude with which he has completed the task.

ERNEST H. HOELDTKE,
Principal

These are our helpers . . . our advisors and our friends. They instruct us in the art of learning . . . guiding, shaping and moulding our characters . . . that we may in time assume the responsibilities of citizenship. They have given us time generously . . . and gentle devotion.

There are few years more crucial in shaping the course of individual destiny than those which span the golden days of high school. We, the senior class of Olean, feel most fortunate in the wise council and patient understanding of these whose presence has given our golden years a truly golden meaning.

THE LIBRARY CLUB

The Library Club consists of pupils who volunteer their services as library aids. These library aids help with circulation routine, book preparation, references, and other library work.

During Book Week this year, the use of a new pin with the words "library staff" was introduced. This pin is to be worn to designate library aids.

Several former Olean High library aids are now working in college libraries, and many are studying to become librarians.

THE ART CLUB

This club is organized to give talented students an opportunity to work together in the fields of painting, sculpture, and ceramics. The meetings are held weekly in the art room.

During the year, visiting artists demonstrate painting and the crafts. Films and slides are shown to illustrate the techniques of different artists.

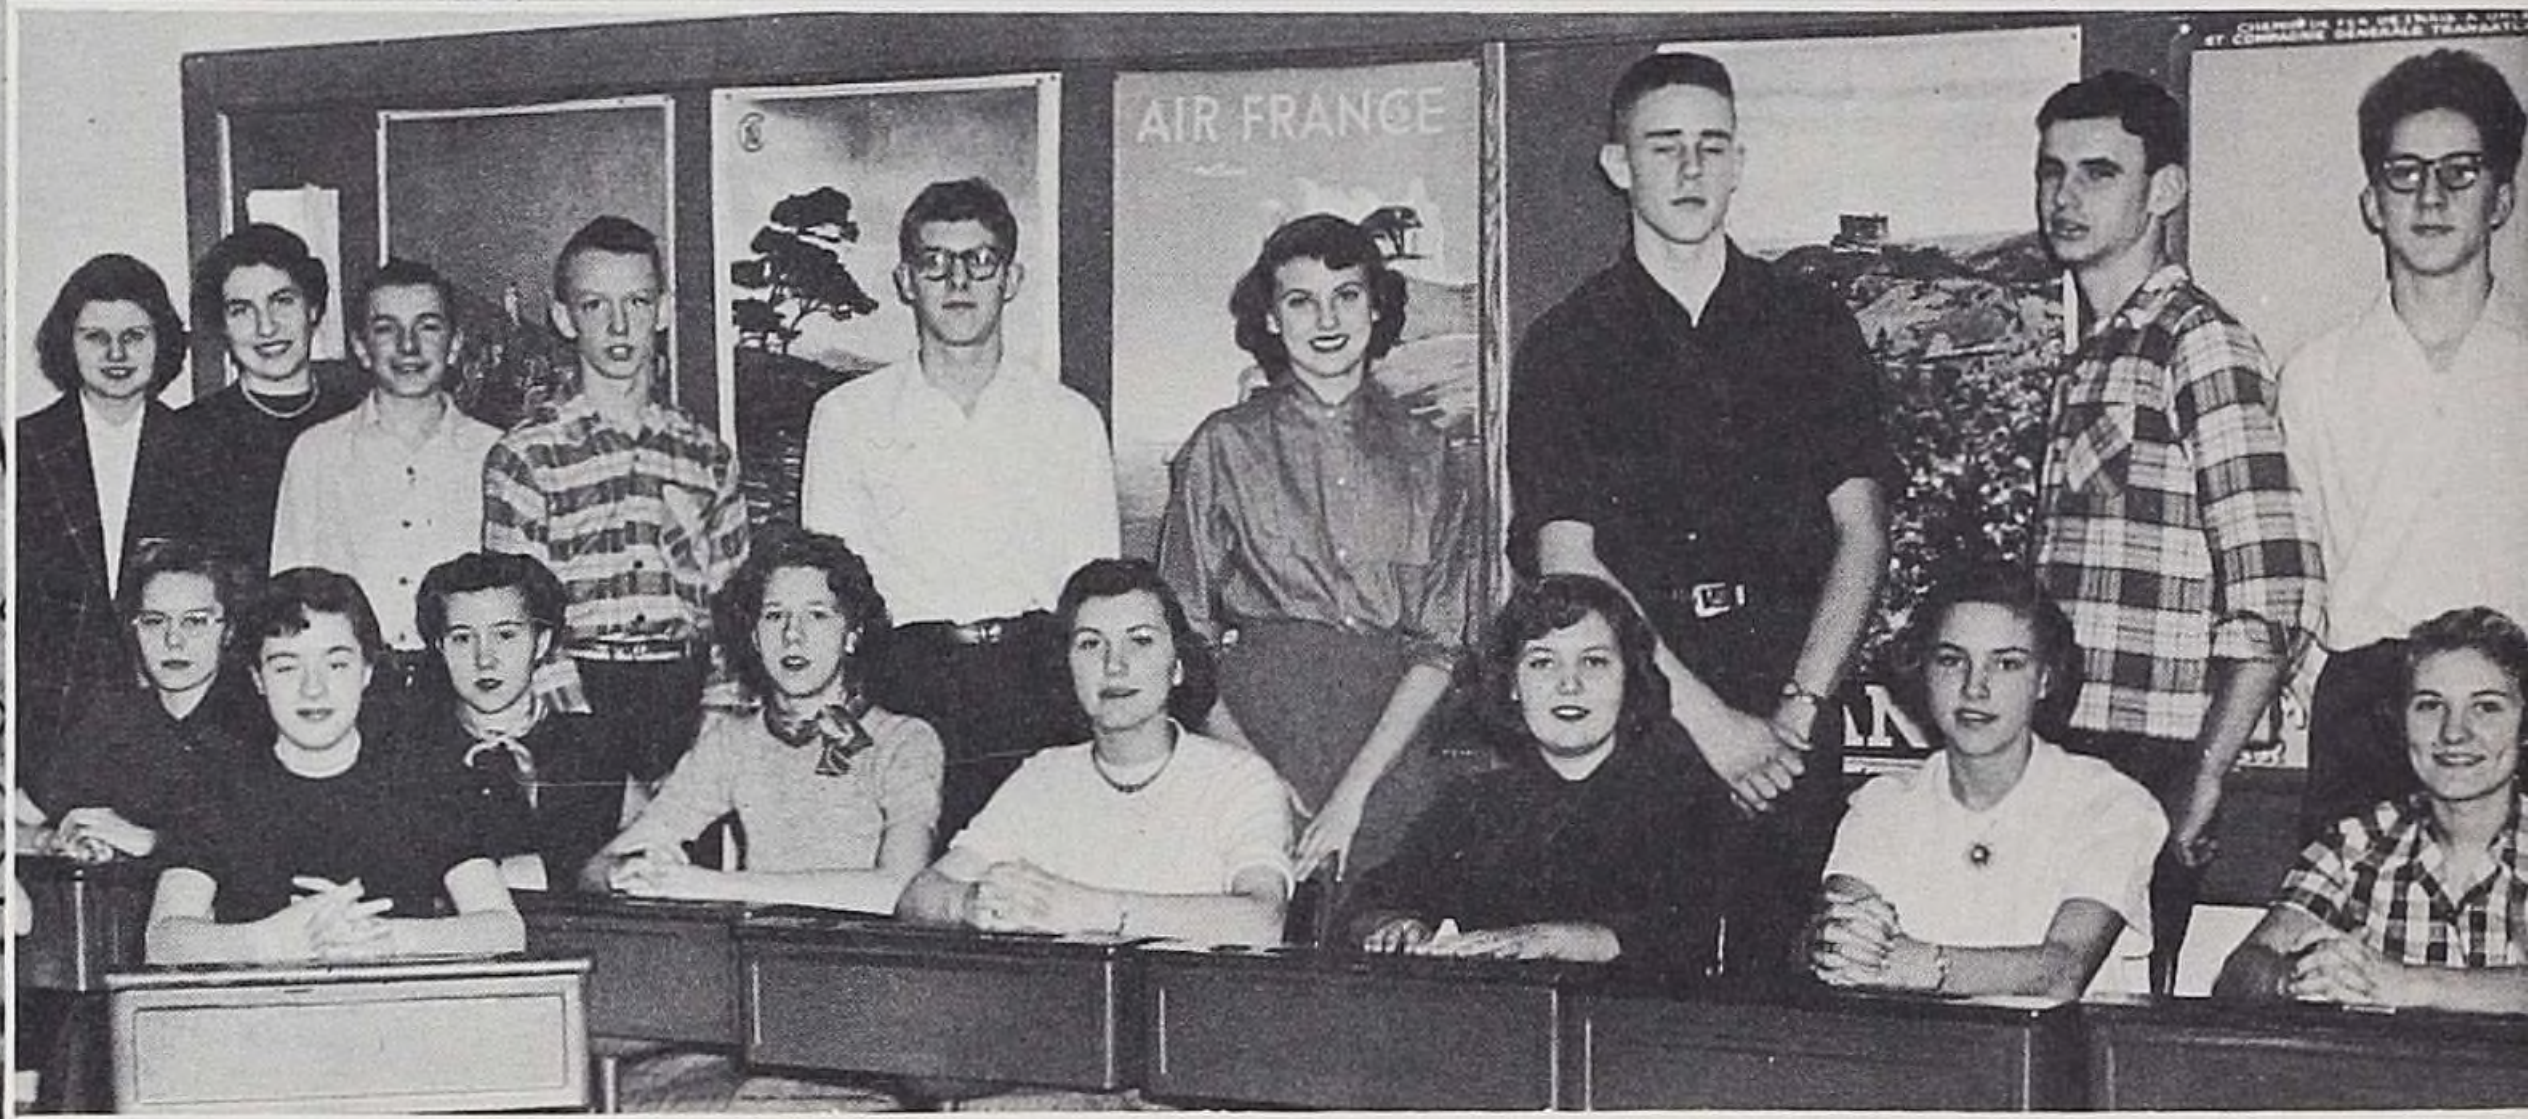

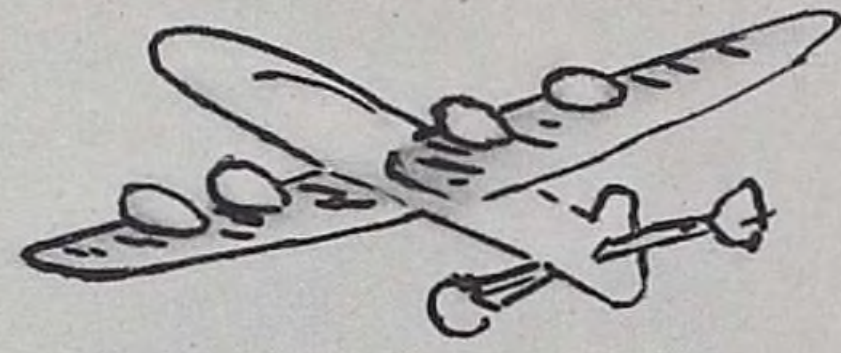

Exhibits of the club's works are frequently on display in the high school or in the public library.

Any pupil interested in art would greatly profit from this club.

LE CERCLE FRANCAIS

The French Club is organized chiefly to permit students to get a better understanding of the language and customs of the French. At the meetings which are held every other week in Room 112, the members enjoy lectures on the cultural aspects of France, put on skits in French, and play French games.

<i>Faculty Advisor.....</i>	Miss Wilson

The Junior Red Cross Assignments have been quite different this year. We have been asked to make tray favors for the Olean General Hospital for favorite holidays, to fill nut cups (numbering 200) for the Bath Veterans on days of our country's national birthdays, and we are particularly anxious to be able to secure the "Readers' Digest" in talking book form for our blind people of Olean. We bought a subscription for them last year and they acknowledged their gratitude. Our thanks to all who make possible our success in the enrollment drive. A contribution of \$93.01 was given. Thanks also to all who helped sell gift wrapping paper or to earn money for us in any way.

We feel that the Junior Red Cross is a very worth while organization, and we are proud that Olean High School is interested in serving others.

The Spanish Club of Olean High School concerns itself mainly with aiding our students who are studying the Spanish language to obtain a better and more complete understanding of Spanish and South-American customs and ideals, as well as the language.

This year, the following group has been elected to lead the Spanish Club:

normal

The Dramatics Club of Olean High School again had a full year of activity. At the regular meetings plays were presented and subjects concerned with dramatics were discussed. Two one-act plays were presented in the Dramatic Club Assembly. In April the Club made its annual journey to the Fredonia Dramatic Festival. There the Olean High Dramatic Club and other clubs from this section of New York State staged one-act plays.

MATLOCK
Assistant Coach

FOOTBALL '52

Handicapped by a short pre-season training and conditioning period, in addition to the problem of rebuilding the squad, John Ksionzyk's "Huskies" experienced a rough campaign. However, they came through with two favorable decisions and provided plenty of rugged competition for the opposition in all contests. Plenty of thrills and chills for the fans, too. Prospects for the '53 season are especially encouraging. A more experienced squad will give a good account of itself.

Baseball '52

Although the baseball team dropped the Section VI Championship game through a ninth-inning home-run, their over-all record was extremely good. Only one regular season game, Randolph, was dropped, and in a return game the "Huskies" defeated them. In order to reach the Section VI final, the team defeated Jamestown in the Cattaraugus-Chautauqua Bi-County play-off. Three pitchers are returning from last year's squad. They are Jim Snyder, Jerry Grandusky, and Max Simmons. Walt Zeigler, Jim Allen, Louie Nichols, Don Brisky, Steve Slayer, Paul Cashmire, Tony Veno, and Ray Padlo are the other returning letter winners.

GOLF, 1952

Olean High's golf team enjoyed a successful season in 1952, winning three of its five dual matches. Dave Law was first medalist at both the Section VI finals and at the D.E.B.O. match. The latter is composed of teams from Dansville, East Aurora, Batavia, and Olean. Back from last year's team will come Bill Budley and Jim Goodlette. Other probable golfers this year are Hugh Linstrom, Don Crandall, Pike Johnson and Frank Higgins.

TRACK

1952

As far as individual victories are concerned, Olean High's 1952 track team was a complete success. Miler Bruce Phillips and 880 man Bill Subjeck went through the entire season, including the Section VI Track and Field Championship, undefeated. In that final race, the speedy half miler set a new record. Sprinter Paul Patterson, the team's high scorer, copped the large majority of his races in the 100 and 220 yard dashes. ther returning lettermen are: Edward Williams, Ronald Spears, Don Ash and John Keplar in the sprints, Ray Zink, a miler, John Chokrach, high-jumper, Neil Crow, pole-vaulter, and Joe Daley, quarter-miler.

"Too bad Gilmore's so slow coming out of his starting crouch!"

CROSS COUNTRY, 1952

CROSS COUNTRY

For the first time since the sport was begun in 1947, the Olean distance runners won the Section VI championship run and participated in the State Cross-Country race as a team. In that state meet, Captain Bill Subjeck placed third behind two runners who are graduating. He is next in line for the state crown.

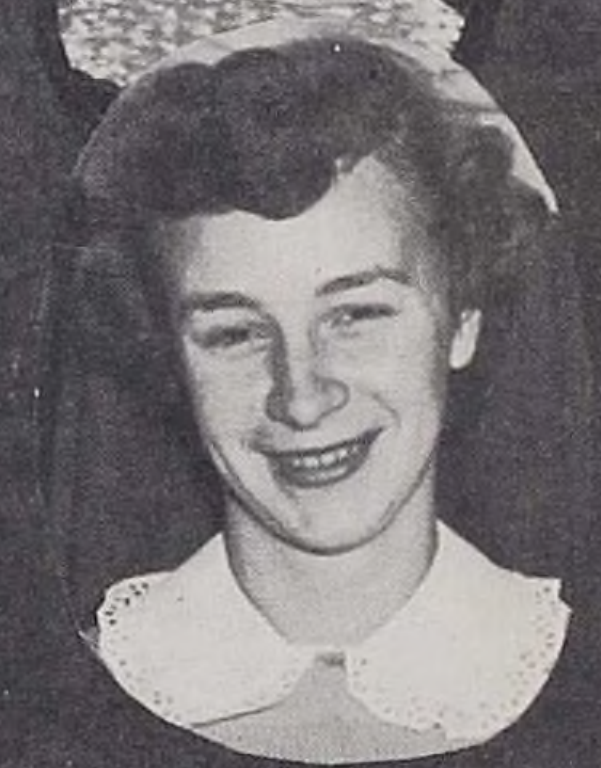

The Harriers were undefeated in all of their dual meets, including Amherst, and also won

three group meets. Returning to the squad next year will be Subjeck, Bruce Philips, John Ballack, and Norm Crawford, all varsity letter winners this year. Some junior varsity runners expected to compete next year are Ron Klimczyk, John Butters, and Joseph Loski. The graduating seniors who will be very much missed by Coach Richard McLoughlin are Ray Zink, Mike Chipchak, Jie Daley, and Dick Hartman.
