ALMA MATER

Oh Alma Mater, fair and true
 Thy honor we acclaim.
 We rally 'round the red and gold
 To laud thy noble name.
 In thee we students shall renew
 Our faith of days gone by,
 Across the years we'll live anew
 Thy spirit, Olean High.

To John Wallace, teacher, guidance director and Vice Principal from 1929 to 1954, whose encouraging words, whose patience and never-failing good humor, and whose warm sympathy for our hopes and aspirations will always be an important part of our high school memories.

The Class Of 1954 Dedicates This Congress

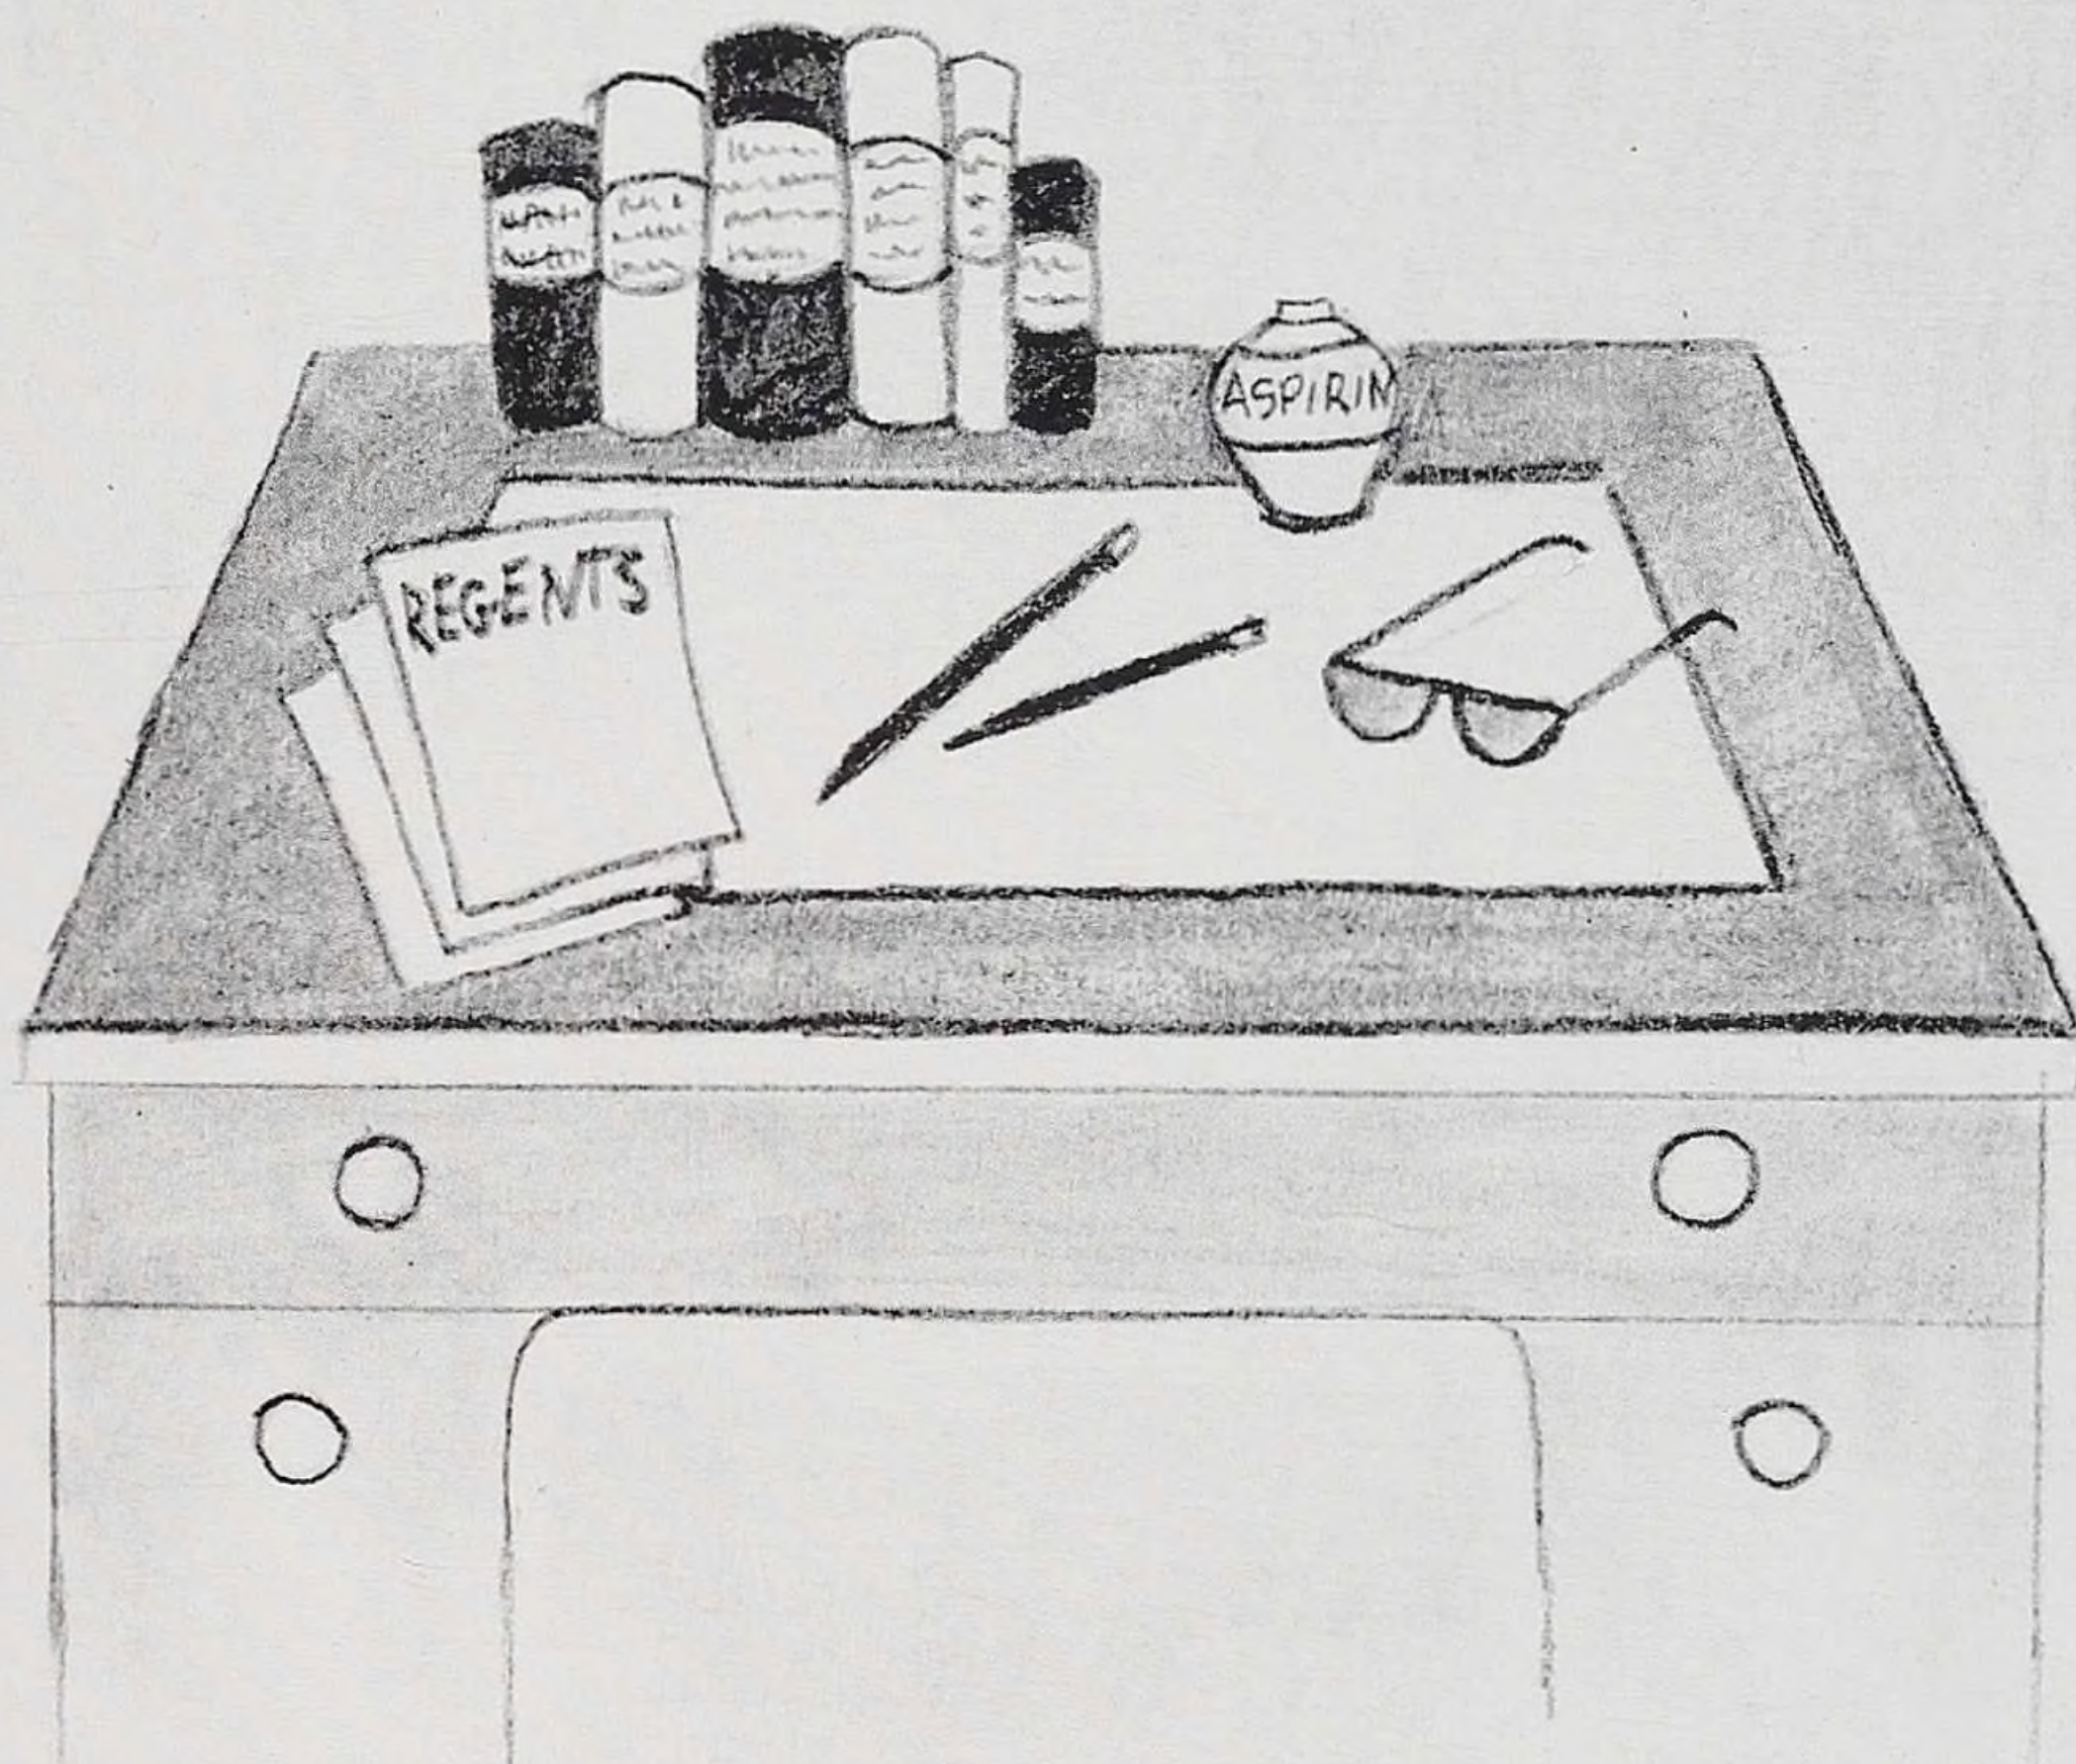

To Earnest H. Hoeldtke, Principal from 1943 to 1953, who left O. H. S. a better place for his having been here, who praised us when we were right and corrected us when we were wrong, who gave his time unstintingly to help us become better students and better citizens.

Many of you will live well beyond the year 2000! This is an arresting and challenging thought. For it is from the uncertainty of the future that is born the thrill of romance and hopeful adventure or the fatalistic surrender of fear. Your graduation from high school is a significant achievement in your preparation to meet this challenge.

Each generation in America has taken up the unfinished tasks of its elders and advanced man's skill and power and understanding in every line of endeavor. I have faith that the Class of 1954 will be no exception.

To each and every one of you I extend hearty congratulations and every good wish.

Sincerely yours,
W. CECIL DAVIS
Superintendent of Schools

SENIORS:

Most of you came to us four years ago from various parts of Olean. Some joined your class at other times and from other places. However, you are all now a company of people who have had a common experience—the experience of being a part of the Olean High School. We, your teachers, hope that the experiences of this part of your life will be an endless source of personal wealth, which you can draw upon to reach decisions, to formulate plans, and above all to implement a philosophy of living that will give you immeasurable personal satisfaction. We hope that as your lives progress, you will see more clearly the implications of the disciplines imposed by the acceptance of organized thinking. We hope that these four years of active, vital experiencing have channelled your thinking in such a way that you can meet the challenges of the future with confidence and purpose. Then you will be successful, and we can confidently feel that we shall have added one more asset to an already imposing company of Olean High School graduates.

M. WESLEY SMITH
Olean High School Principal

FAREWELL FROM SENIORS

The graduating class of 1954 wishes to take this opportunity to express a fond farewell to Olean High School and the classes that are to follow us. Our days in this school have been happy and busy ones, filled with hard work, friends, fun, disappointments, and laughter. Of course, all of us, at one time or other in the course of our high school careers, have experienced the desire to say a hasty good-by to OHS and to leave all the books, homework, and discipline behind; but the next day dawned brighter and we forgot our troubles of yesterday. I doubt if there is any person receiving his diploma who does not harbor at least a small regret at leaving these halls.

So, in departure, we seniors leave to you, the future seniors of Olean High School, a school you can justly be proud of—a school high in all aspects, scholastic, athletic, and civic. Guard it well, underclassmen, and wish us bon voyage.

THE PAUSE THAT REFRESHES!

GOING DOWN!

WELL, HAVE YOU MADE UP YOUR MIND?

HOME ROOM SENATE

CONGRESS

Congress has been established throughout the years as the record of Olean High School's classes and activities. The year book staff has tried to include faces and places of interest to all the students of OHS. The Senior staff has been aided by its Junior assistants who will, no doubt, assemble next year's Congress staff.

TELL-O-SCOPE

The Senior Tell-O-Scope staff has published several school editions of Tell-O-Scope this year. The star edition was that sent to press for the Olean-Bradford football rivalry. This Tell-O-Scope edition was also used as a program for the game. In addition the Junior Staff has published the Junior Tell-O-Scope every Friday evening in the Olean Times Herald.

OLEAN HIGH SCHOOL LIBRARY

We have student participation in the library which we call library aides. They serve in many ways, especially in connection with the circulation of materials. The clerical assistance from the Business Education Department has continued helping the librarian by making bibliographies and preparing books for circulation. Some of our library aides have gone on to be librarians. One of them has completed the course at Geneseo State University and another is completing her work this year.

This year, 1954, Geneseo State University included the Olean High School Library in its practice centers. This is an honor to Olean High School because only thirty-three libraries in New York State are chosen for this purpose.

Miss Maureen Curry of Attica State College spent six weeks as a cadet librarian in Olean High School.

The reference collection in the library continues to grow and is one of the finest parts of the book collection.

ART STUDENTS

This year the Art Students have been busy with many different school projects. They have completed the stage setting for the Senior play and a miniature of the layout and characters of the play. The students also made many posters for different school activities, and have taken an active interest in modern art.

During the present year the programs have included a special speaker, a showing of a film strip purchased by the club and special seasonal presentations. The members wear the club pin, the "Fleur-de-lis". The year's activities are closed with a picnic held at Cuba Lake.

JUNIOR RED CROSS

PRESIDENT	MARLENE PISANO
VICE PRESIDENT	JAMES SPLAWSKI
SECRETARY	PAULA BOLLINGER
TREASURER	JAMES CHISHOLM
ADVISOR	MISS WILSON

The Junior Red Cross is dedicated to helping others. Funds for its work come from the student contribution, which, this year amounted to \$128, and from the sale of Christmas paper which brought a profit of about 100.

During the past year the Junior Red Cross has sent a School Chest and two correspondence albums. They purchased the **Readers' Digest Talking Book** for some of the blind of Olean. They have made and filled two hundred nut cups for the Bath Veterans on each of the patriotic holidays. They have sent hundreds of pairs of worn out nylon hose to the Veterans for their handwork. These and other charitable works have been accomplished by our fellow OHS students.

Last summer Marlene Pisano and James Splawski represented OHS at the Red Cross Training Center at Miami University in Oxford, Ohio.

TWENTY-POINT LETTER CLUB

The twenty-point letter is the highest award that one can achieve in his high school career. It is earned by the student who participates in extra curricular activities. Eleven members of the '53 squad will be lost through graduation, the greatest loss being of quarterback, Dick Eaton. There will be about twenty squad members returning on next year's team.

GOLF

Golf is said to be an old man's game, but Olean's team of last spring went contrary to this legend. Four sophomores, Bill Dudley, Jim Goodlett, Pike Johnson and Roy Kolin and Freshman Frank Higgins comprised the aggregation. Under the guidance of Mr. Fluent, the boys downed Bolivar twice, split two close matches with Lackawanna, won the D E B O Tourney at Batavia and finished fourth in the Sectionals at South Shore.

TRACK

TRACK - 1953

The track team for 1953 was the best one to be fielded in recent years. Coaches John O'Neil and Richard McLaughlin piloted the team through a perfect season in dual meets and second place in the county meet, only one and a half points behind Gowanda. At the sectionals in Kenmore, William Subject won the 880, and Bruce Phillips the mile. Since most of the squad will be returning, prospects for next year are very good.

The O. H. S. baseball team, under the able coaching of Mr. Kunkle and Mr. Venable had a very successful season in 1953. They were defeated only once, that being by a very strong Randolph Central team. They downed Jamestown twice during the year. The second victory earned them the right to play Niagara Falls for the Section VI championship.

The graduation of Max Simmons, star right-hander, will hurt the team in '54. Returning next year will be William Burbaum, David Anderson, William Woodruff, George Linnan and Raymond Coss.

The girls with the highest bowling averages were: Donna Williams, Barbara Zbikowski, Dianne Payne, Barbara Mazza, and Loretta Krenzer.
