Olean High School CONGRESS

Hi! School has started again and Super Snooper Huskie Pup is reporting for duty as promised. Getting the yearbook in shape is a big job and I'll try to help as much as I can by scouting around for news and other little tidbits that you might be able to use. You'll have to put up with these letters since I never see you. Maybe I can send you some snaps too. That way, you'll be able to see what I'm talking about. Let me know if there's anything special you want me to look into.

As soon as I get time I'll write again.

Dedication

Dear Mrs. Kershner,

We are inscribing the 1956 edition of CONGRESS to you, teacher of book-keeping, of business law, but most important, of young people, who for twenty-one years devoted your time and efforts to your students and their education.

Sincerely,

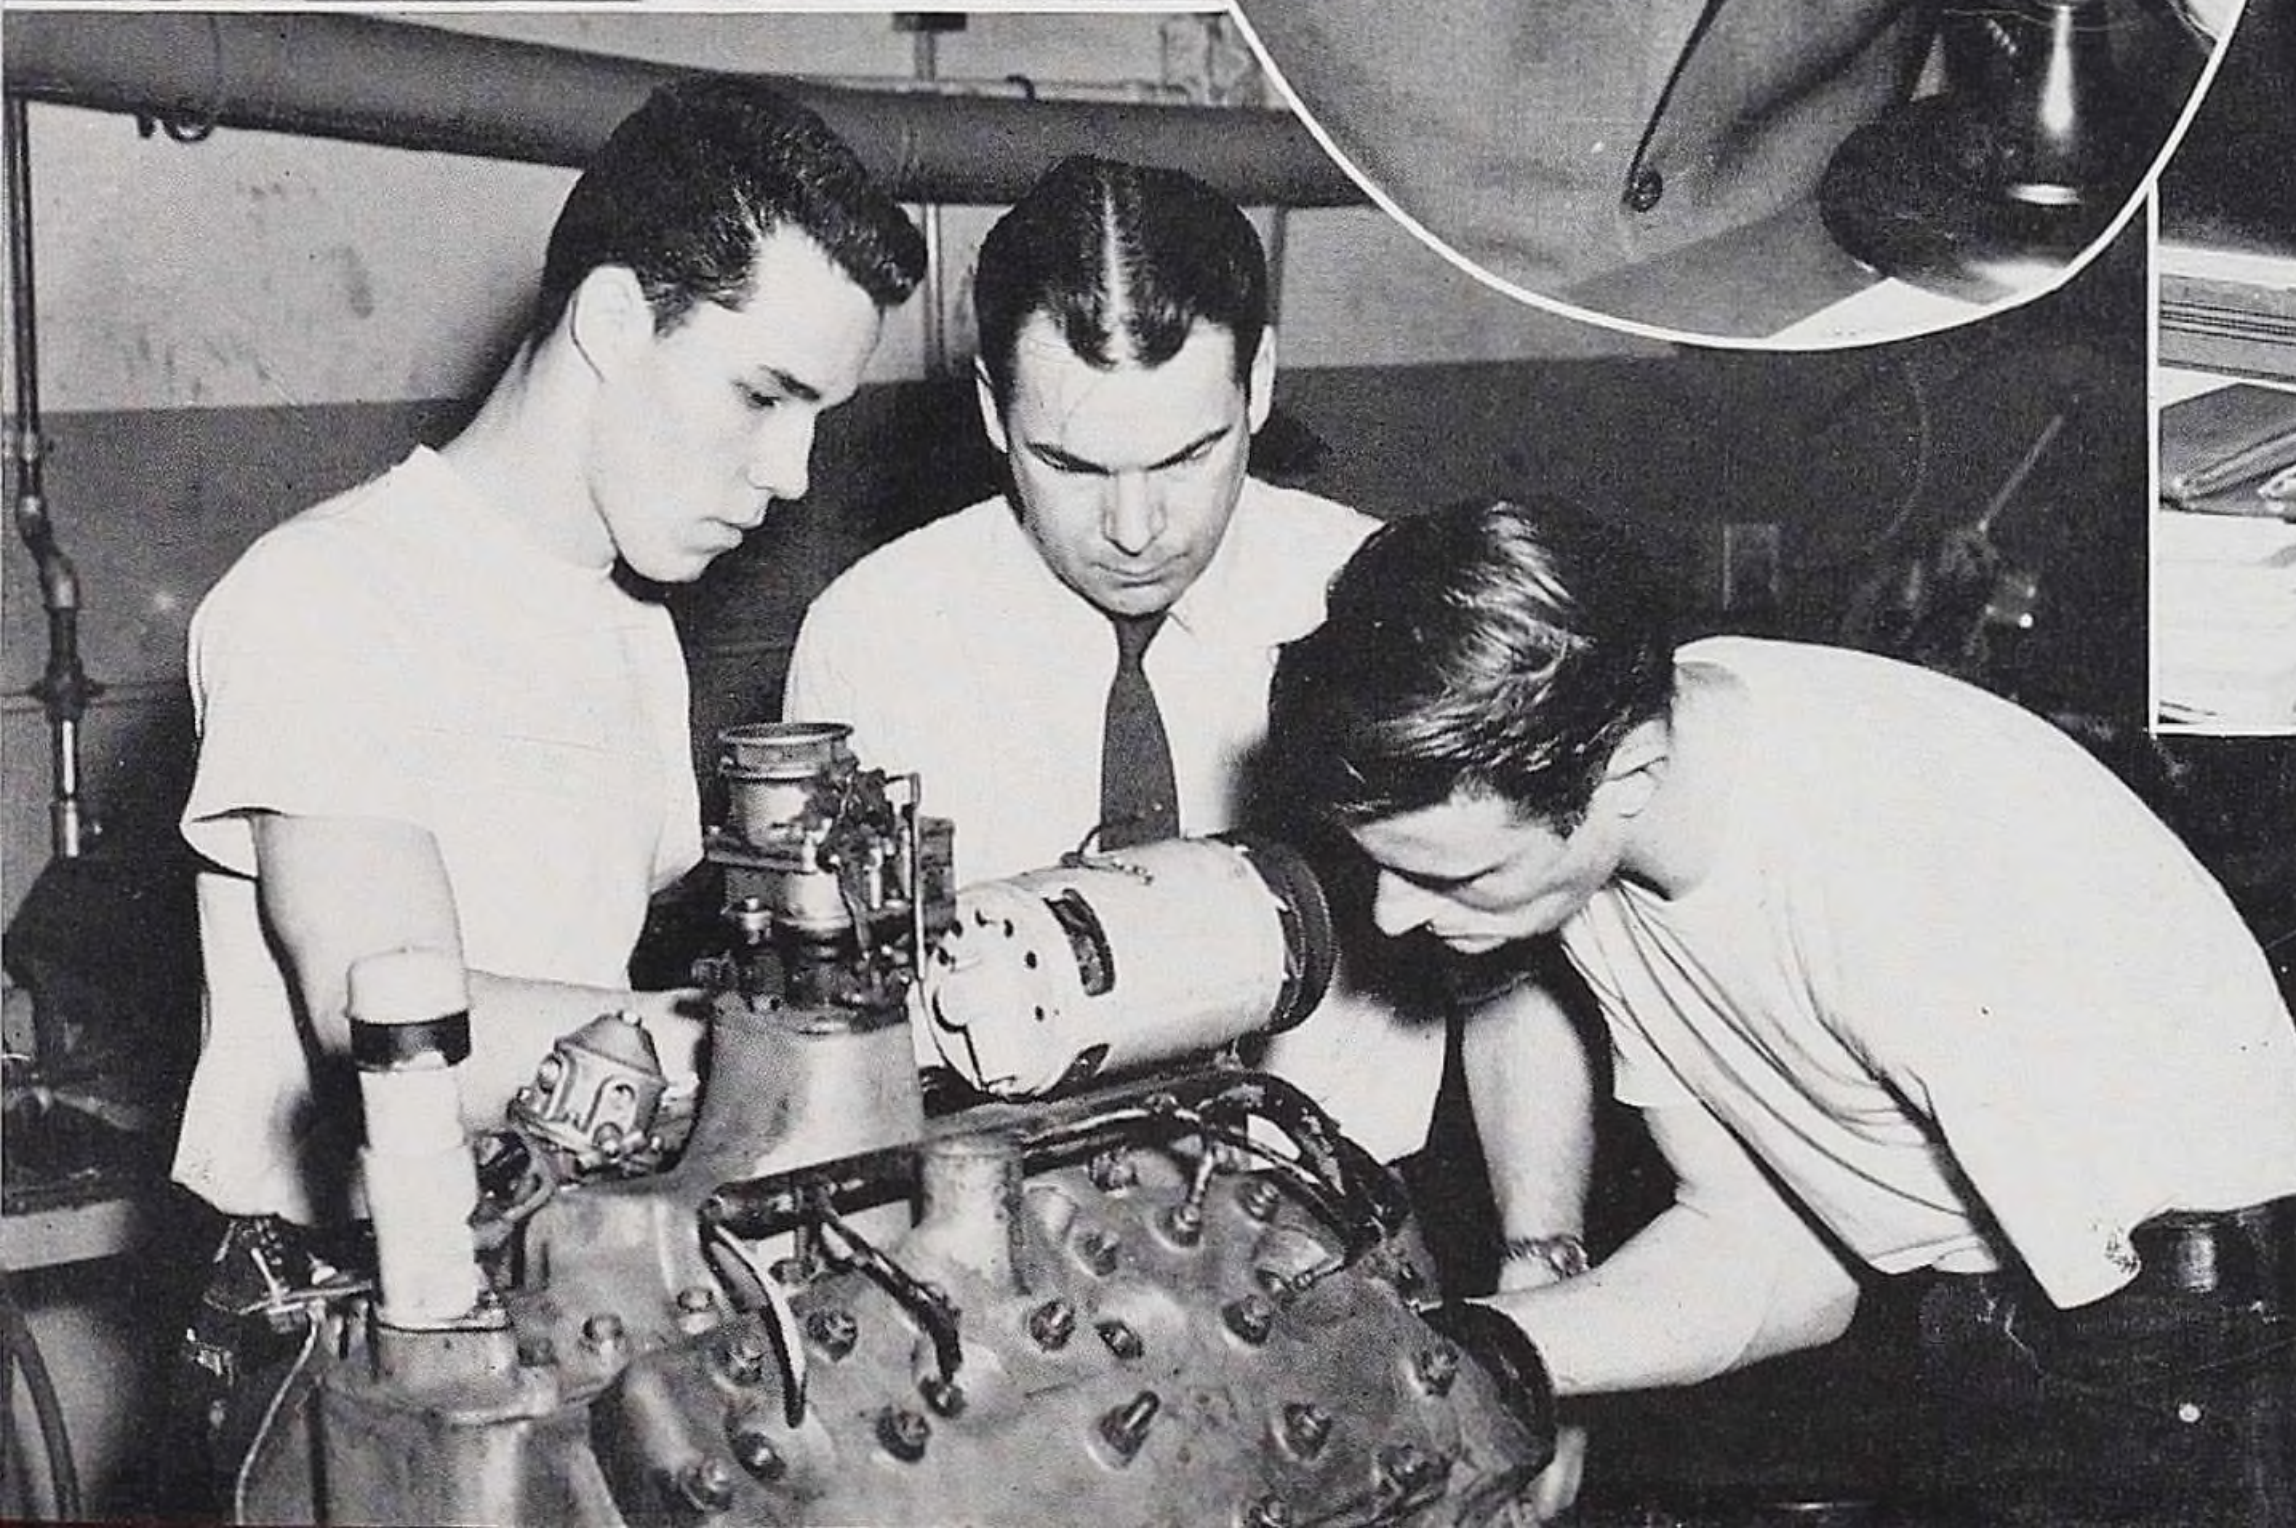

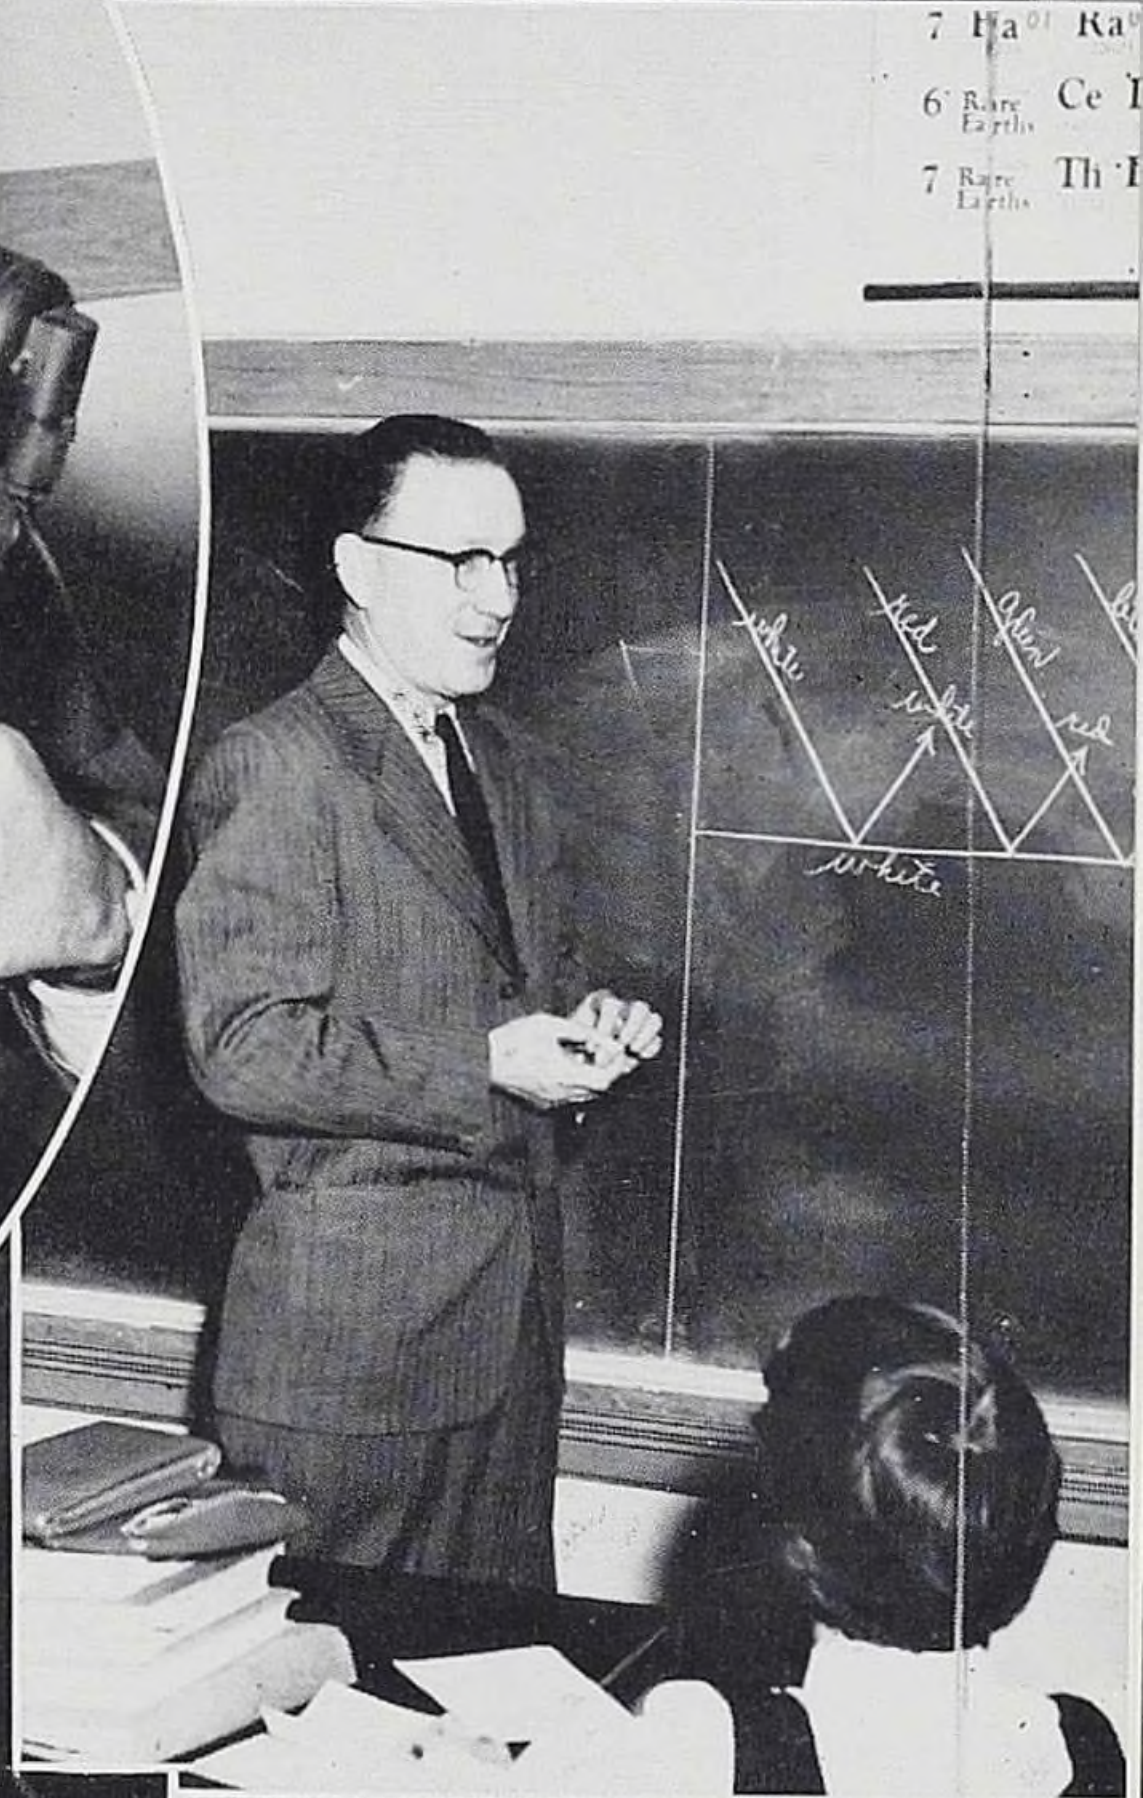

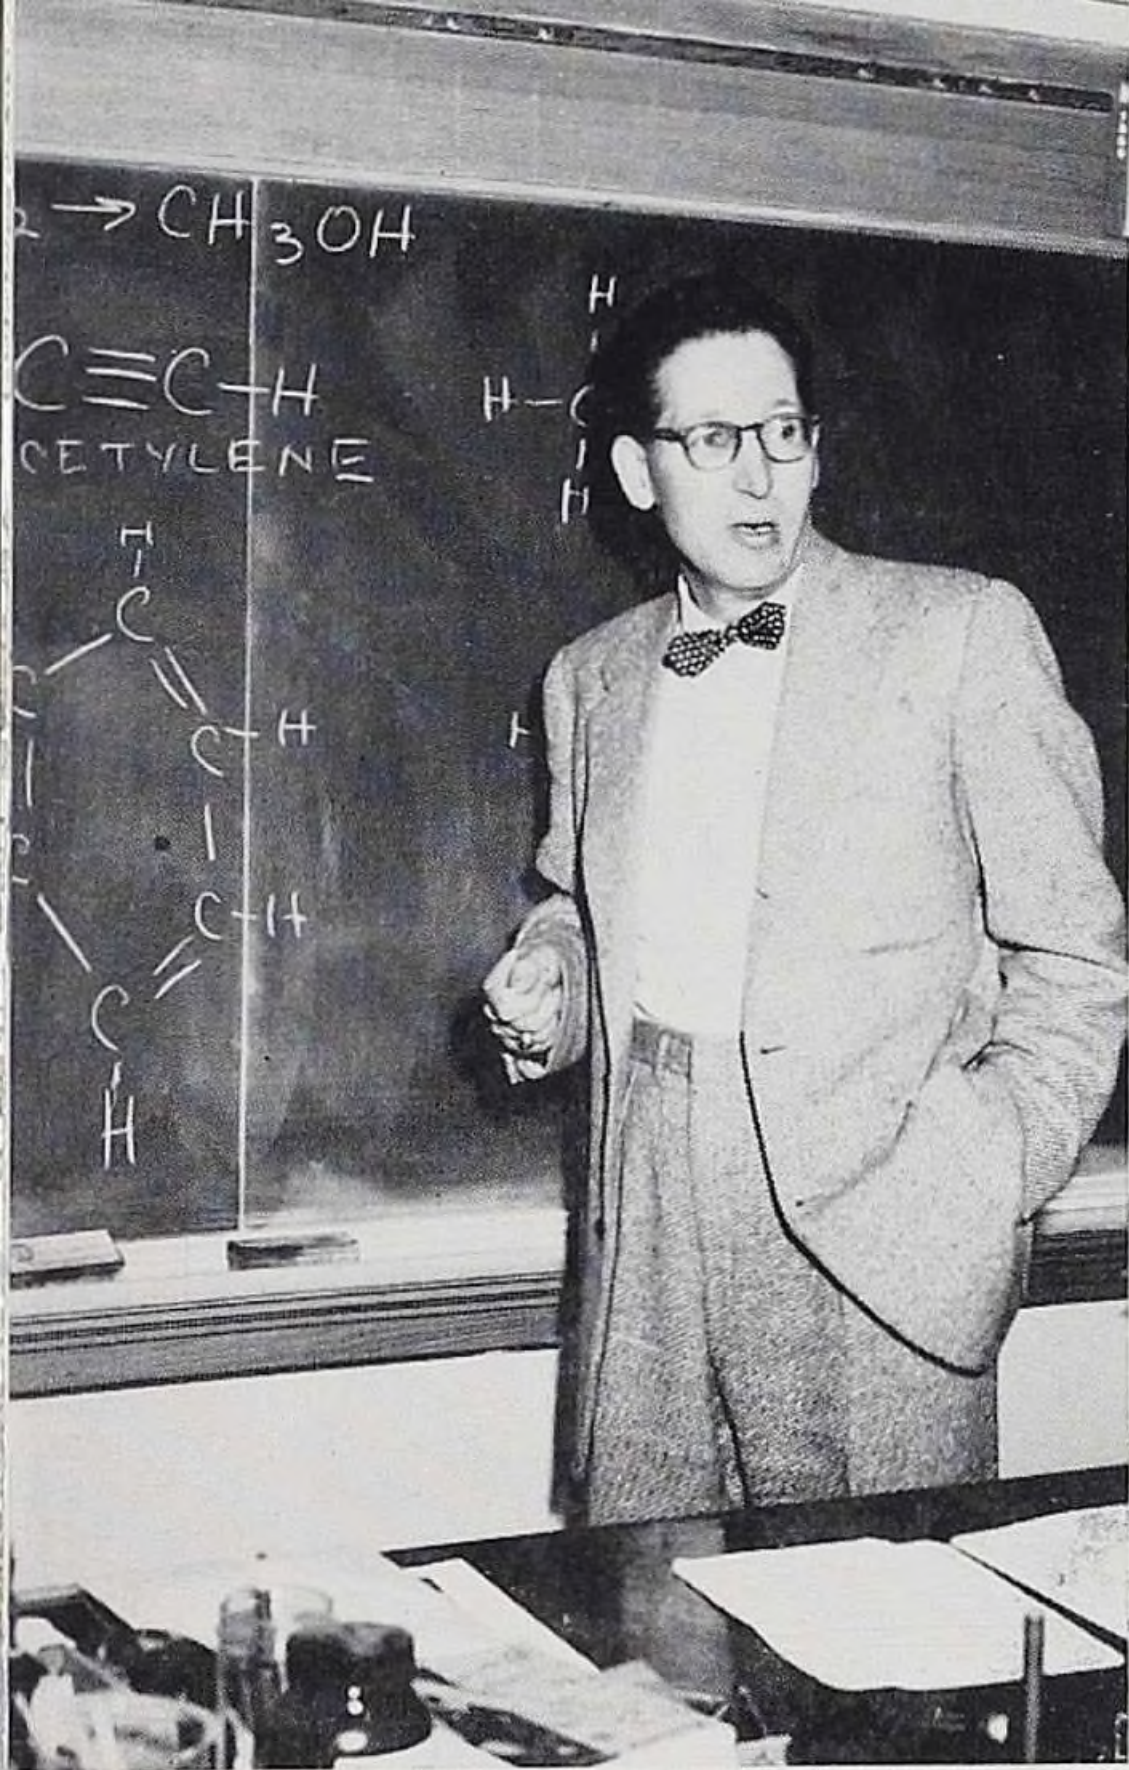

FACULTY

Dear Editors—

*Just saw Mr. Smith in the hall, and thought you might be interested
in some of the people who keep the school going.*

Board Of Education

Members of the Board: Keith H. Kent, Thomas R. Olson, Dr. John E. Golden, Michael H. Landon, Jr., Robert Van Der Clute, Robert S. Adams, Bernard P. Gill, William T. Durkin, and Michael Hadbavny.

*This year the officers of the Board of Education were:
Bernard P. Gill, President; Dr. John E. Golden, Vice President;
and R. V. Koebelin, Clerk.*

Superintendent

My dear Seniors:

Knowledge, skills and attitudes are the desirable outcome of education. In the absence of knowledge, sensitivity to environment is impossible. In the absence of skills, man can not be an articulate and contributing member of his society. Without proper attitudes, he is without virtue, and unworthy of the dignity that should identify him as the most noble and most responsible of God's creation.

The educated person may well be defined as that individual who, under the varying and various circumstances of life, recognizes the proper thing to do, while at the same time possessing both the ability and the desire to perform that good and proper act.

It is my sincere hope that the years you have spent as students of the Olean High School have contributed to the ends of true education.

To every Senior, I wish to extend my hearty congratulations on this your graduation day and my best wishes for the years ahead.

Sincerely,
W. CECIL DAVIS
Superintendent of Schools

MR. W. CECIL DAVIS

Principal

MR. M. WESLEY SMITH

Seniors:

Our brief sojourn together has been pleasant. Our greatest hope is that it has been profitable, that you have been brought to realize that you must step into a world of great competitiveness. It is our hope that your four years here has served to help channel you into the great stream of American life, that you have experienced restraints, failures, successes, hopes, aspirations and the fulfilment of dreams and that you have thus been taught the way to live life more abundantly.

... assembly, when he walked out to give his speech. The Student Council elections always start the year off with a bang.

This year Fred Rosen was elected President; Judy Sherman, Vice-President; Jack Nichols, Treasurer; and Emily Chiavetta, Secretary. The Council has completed a version of the school constitution concerning elections in the spring. A booster club was formed in conjunction with the P.T.A. and a special P.T.A. meeting was held to gain merchant and parent support of the various school activities.

The council has done much with publications this year by printing an industrial arts column in the school newspaper, fixing the vari-typer so that school papers may be printed more easily, and organizing a school scrapbook.

Along with these new activities

traditional projects such as cafeteria supervision, assembly seating arrangements, twenty point letter, and the student participation assembly have also been completed.

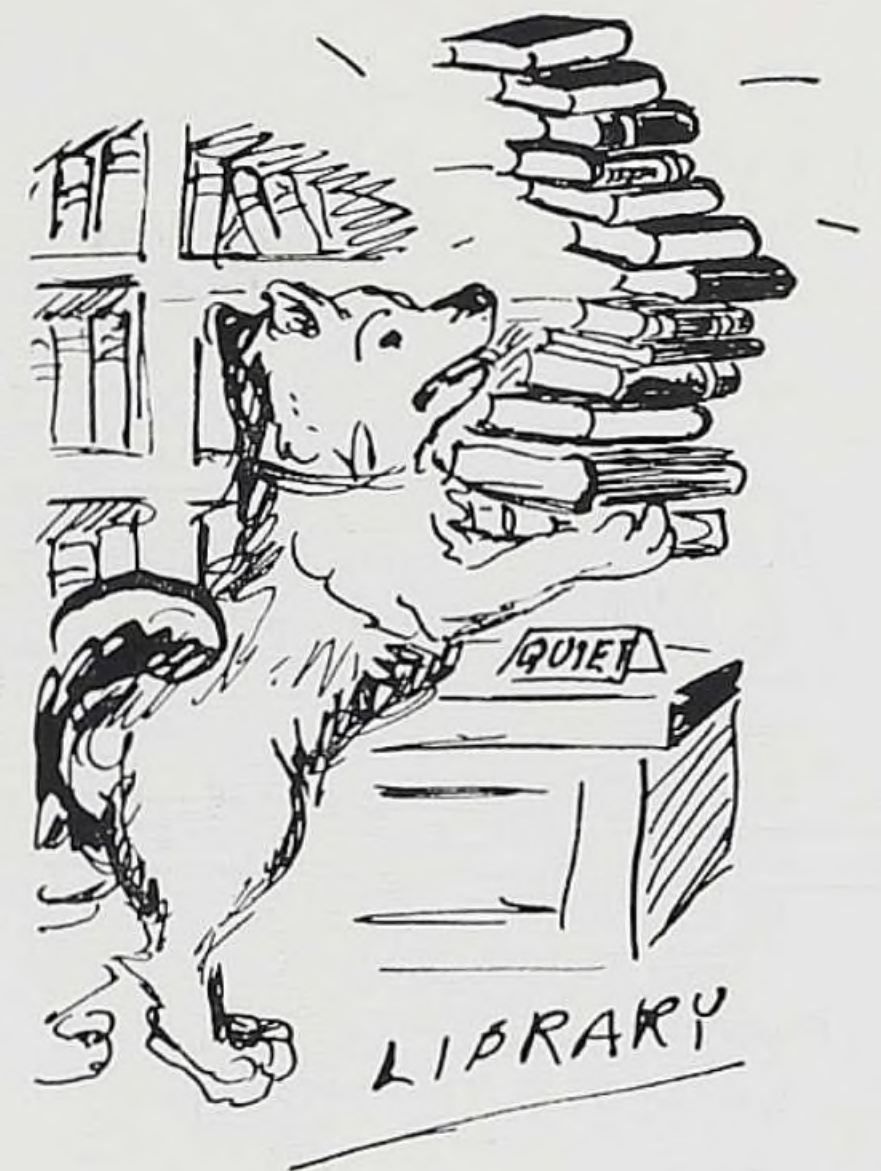

To conclude this praiseworthy list of accomplishments, the council raised the most money ever in the annual March of Dimes drive.

Along with the Student Council elections in the fall, each homeroom elects a representative to the Homeroom Senate. The officers this year are: Judy Sherman, President; Robert Moszak, Vice-President; Margie Dick, Secretary; and Phil Andrews, Treasurer.

Under the advisorship of Mr. Hertel Fluent, the senate established the Student Court and revised the Twenty Point Letter.

These students (formally called Library Aides) give up some of their free study periods in order to help Miss Ida Gould in the library. Several of them do it in connection with their business education. In return they learn the "ins" and "outs" of the library trade. I guess they must like books or they wouldn't do it.

I was in the library one day and this girl came up to me and said that ...

... was it funny! This year for its Senior play, the Class of '56 presented "Father Knows Best" by Kristine Sergal. The play was a light, domestic type comedy, which becomes quite involved when two teenagers go out on a date, and their parents think they have eloped. The senior play packed the house, and was enjoyed by all.

Junior Play

The Class of '57 chose as their annual production, "The Brainstorm". The play, under the direction of Miss Bertha Bear with the assistance of Miss Signe Johnson, was a hilarious farce concerning a domineered college student and his borrowing friends. The results kept the audience in gales of laughter—even during intermission.

PEGGY WHIPPLE, MARCIA MARCUS, SANDRA McELROY, KAY HAAS, JOANNE DA POLITO, AND ROSE MARY JOHN.
