ALMA MATER

*Oh Alma Mater, fair and true
Thy honor we acclaim.
We rally 'round the red and gold
To laud thy noble name.
In thee we students shall renew
Our faith of days gone by,
Across the years we'll live anew
Thy spirit, Olean High.*

BRADY SHOFF
CLASS OF 1931

DEDICATION

*"exegi monumentum perren-
ius aere"* "I have built
a monument more enduring
than bronze." GERTRUDE
OLIVER, giver of knowledge,
unceasing in effort, respected by
all, we the Class of 1959, proudly
dedicate this 1959 edition of the
Olean High School Congress to
you for the invaluable years of
service you have given us.

As we students enter high school, we are as a lump of clay. During our four years in high school, the molding of our minds and character is begun by our faculty.

BOARD OF EDUCATION

Seated: Dr. James A. Doucett, Waldo Burdick, Thomas Olson,—President, Michael Landon Jr., Leo Keenan Jr. *Standing:* Wm. Nixdorf, Glenn A. Reitz, Arthur E. Yahn.

My dear Seniors:

On this graduation day, you have achieved a good High School Education. In addition to your academic achievements, many of you have received glory in athletic participation, school plays, activity in clubs, etc.

Your participation here has established close relationships between the members of this class that will ever be a source of happy recollection.

May I congratulate you on your splendid accomplishments and wish you a prosperous future abundant in health and happiness.

Sincerely,
Thomas R. Olson, President
Board of Education

My dear Seniors:

Every crisis creates its leaders. Every age takes on its own peculiar marks of identification. In a global sense, the ideological conflict that has divided the world into an East and a West, continues to cast its ominous and ugly shadow across the earth.

The atomic age, while yet in its infancy, is temporarily eclipsed by the age of Sputnik. It has been your unique privilege to secure your high school education in this atmosphere of conflict and change. The leadership that shall determine our national and individual destinies is soon to be placed in your hands.

If you, the Class of 1959, are representative of the quality of youth throughout America, and if your record to date is an index to your future achievement, then I have faith that the force of human decency, freedom, and progress will prevail.

To each and everyone of you, my every good wish for success and happiness both temporal and spiritual.

Sincerely,
W. Cecil Davis
Superintendent of Schools

Seniors, as a class, you have had a broader educational experience than any other class graduated from the Olean High School—such is the nature of our times. It has been difficult to select and then provide you with what seemed to be the best experiences to prepare you to enter a rather troubled world, a world that needs the courage and hope of youth. Each successive group of graduates released from our school adds just a little more to the matrix of our society—weaves into it a little more strength and stability. Class of 1959, this is a part of your destiny. May you be happy in the knowledge and that you now become creative elements in a new era of hope and progress.

Ann Newman

my Allie,

We always remember you. You've changed a great deal since I left OHS. (but not because I left, I'm sure!) When I think of you, I'll recall our early years in high school - at those dances. What we so much... fun? We were a perfect couple, weren't we? Through the years, your haircut should've changed. Always remember me as the "kidd" girl not an "I leave" girl. May God give you all the happiness & success in life you wish.

Love n' Luck,

Karen Nelson

WE, THE WOMEN

How do OTHER people handle problems of everyday living like YOU have? How do OTHER people have a charming personality even with seemingly insurmountable obstacles in the way? Ruth Millett has the answers to MANY things . . . in her daily column, "WE THE WOMEN," which appears each day in your Family Newspaper, the TIMES HERALD

Gil Stinger

GENERALLY SPEAKING

There's a man in town who reports human interest stories . . . facts, fantasies . . . THINGS to come . . . events of the past. Somehow, he packs PAGES of information into a single column! He's EVERYBODY'S friend . . . GIL STINGER! He calls it "Generally Speaking" . . . but he comes to the "point" of the topic swiftly. Be sure to read his column DAILY.

D. Kilgallen

VOICE OF BROADWAY

Gossip on the party line or across the picket fence has NOT gone out of date. It probably never will. It's all a part of our way of life. And, there are choice bits of information classified as Gossip, under the heading of "VOICE OF BROADWAY" . . . daily in the Times Herald. Dorothy Kilgallen is your Gossip Reporter, and she always has some choice topics to fill you in on.

M. Abdo

LOCAL NOTES

Mike Abdo, sports editor . . . St. Bonaventure sports activities, the New York-Pennsylvania baseball league, golf action at various clubs in a five county area, bowling, and complete coverage of all high school sporting events are handled under the guidance of the Times Herald's sports editor. A column, Local Notes, keeps readers posted on what's doing in this area.

V. Riesel

INSIDE LABOR

How are things going for labor movements and for labor leaders? Victor Riesel reports the INSIDE STORY . . . daily, in the TIMES Herald! Victor Riesel almost certainly has a "sixth sense," in digging out and bringing to light the innermost thoughts and movements of labor . . . good or bad. Let it be to your OWN judgement.

Dr. Brady

YOUR HEALTH AND YOU

Did you know that lack of teeth can cause stomach trouble? . . . You gain vitality by losing weight? . . . A youth in good physical condition is far less likely to "try" harmful stimulants? AROUND THE WORLD

The column Around the World appears three times a week in the Times Herald and is devoted to discussion of timely international situations in which the United States finds itself often concerned. It does not treat of domestic matters at any time. The author of the column has been a lecturer on international affairs for many years and is a former professor of political science in a university.

A. Van Buren

DEAR ABBY

People are raving about Dear Abby. She's one of the most colorful columnists in the papers today. She has a brilliant slant on everyday problems and readers have come to think of Abigail Van Buren as a confidante on whom they may rely.

W. Ewald

WILLIAM EWALD

Ewald's day-to-day criticisms of the television programs you watched the night before are sure to interest you . . . and the chances are you'll disagree with him. But — you will read him and talk about him. And probably think harsh things about him for picking on your favorite performer. But — you will read what he has to say. And talk about his daily reviews with your friends and your neighbors.

Break away from the grind of routine, read the cartoons that appear daily in the Times Herald. Jimmy Hatlo's "They'll Do It Every Time" panel is famous for keeping people in a good mood . . . and "Blondie" can always put a smile into your day. There's the very popular Beetle Bailey, Buzz Sawyer, Archie, and Our Boarding House, to keep you well entertained each day. Then, follow Walt Disney's beautiful illustrated True Life Adventures, for a trip into the unusual yet factual fantasies. To make your day complete . . . read the funnies in your family newspaper, the Times Herald!
