Dedication to Miss Katherine Karl
Director of Guidance in the Olean Public Schools

We, the class of nineteen hundred and sixty-two, humbly and respectfully dedicate this volume of the Olean High School Congress to Miss Katherine Karl for her unceasing aid and personal interest in the program and plans of each pupil through the many years she has been at Olean High School. This is our way of saying, "Thank you" to a wise counselor and true friend to us all.

Board of Education

SITTING, Left to Right: Leo E. Keenan, Jr., President; Orin E. Crandall, Dr. James A. Doucett, John T. Bazow, Arthur E. Yahn, W. Cecil Davis, Superintendent of

Schools; Glen A. Reitz, William Wasson, Waldo Burdick, Robert Adams.

Dear Graduates:

The time has come for this community which has given you your education thus far to say, "Farewell and Godspeed."

It is not possible to judge at this writing just how good your education has been. You have not had sufficient experience of the world and its problems to evaluate it, while we who have been charged with the responsibility of providing it for you are like planters who sow seeds which will take decades to bear fruit. In a sense, then, we must both be patient and hopeful of the outcome.

When you look at this, not now, but in years to come, you will know whether or not what we judged best for you was acceptable by the world in which you will have had to live.

It is our earnest and fervent wish that it will have been.

My dear Seniors:

I have before me a thirty-seven page pamphlet published by the Daily Herald Printing House of Olean in January, 1886.

Its title is "Catalogue of the Academic Department of the Olean Union School." On the front page is the signature of its late owner, our beloved Miss Brooks, who for many years was our City Librarian, and more recently our City Historian. Miss Brooks was one of eight members of the graduating class of the Olean High School in 1885.

I am sure that during the past seventy-six years, this little booklet listing the names of classmates, courses, and faculty, has been one of the treasured possessions of its owner.

Today, the Senior Class, numbering two hundred sixty, is publishing its yearbook, reporting in pictures and words life at Olean High School in the year 1961.

In thinking of these two publications, one cannot avoid wondering how many 1961 yearbooks will be read in the year 2037, seventy-six years hence, and what changes society shall have experienced in the next three-quarters of a century.

The answers to these questions in the years to come will be provided by you and the thousands of succeeding young graduates throughout our nation.

It is my fervent hope that your life and lessons at Olean High School have aided in your preparation for the future responsibilities that shall be yours.

To each and every graduate, I extend my best wishes.

Sincerely,
W. Cecil Davis

Main Office

Dear Seniors:

The door to the future is opening to you. It is a world of adventure, challenge and opportunity. As a high school graduate, the society that you are now entering places certain demands upon you and rightly so. You have graduated from a school of fine academic traditions. A school that has devoted itself to providing you with the tools for a successful life.

If you have accepted this privilege seriously, a privilege that is offered only in a democratic society such as ours, you should be ready to meet this challenge. If not, you yet have another chance as a member of a free society. The path to success is measured by the amount of personal effort you put into the job of living — so go forth from Olean High School and work as an individual with dedication in the direction of your calling.

We are proud of you, now it is your opportunity to justify our faith in you, and to bring to fruition the contributions of your home, your church and your school as you take your respective role in adult life.

English Department

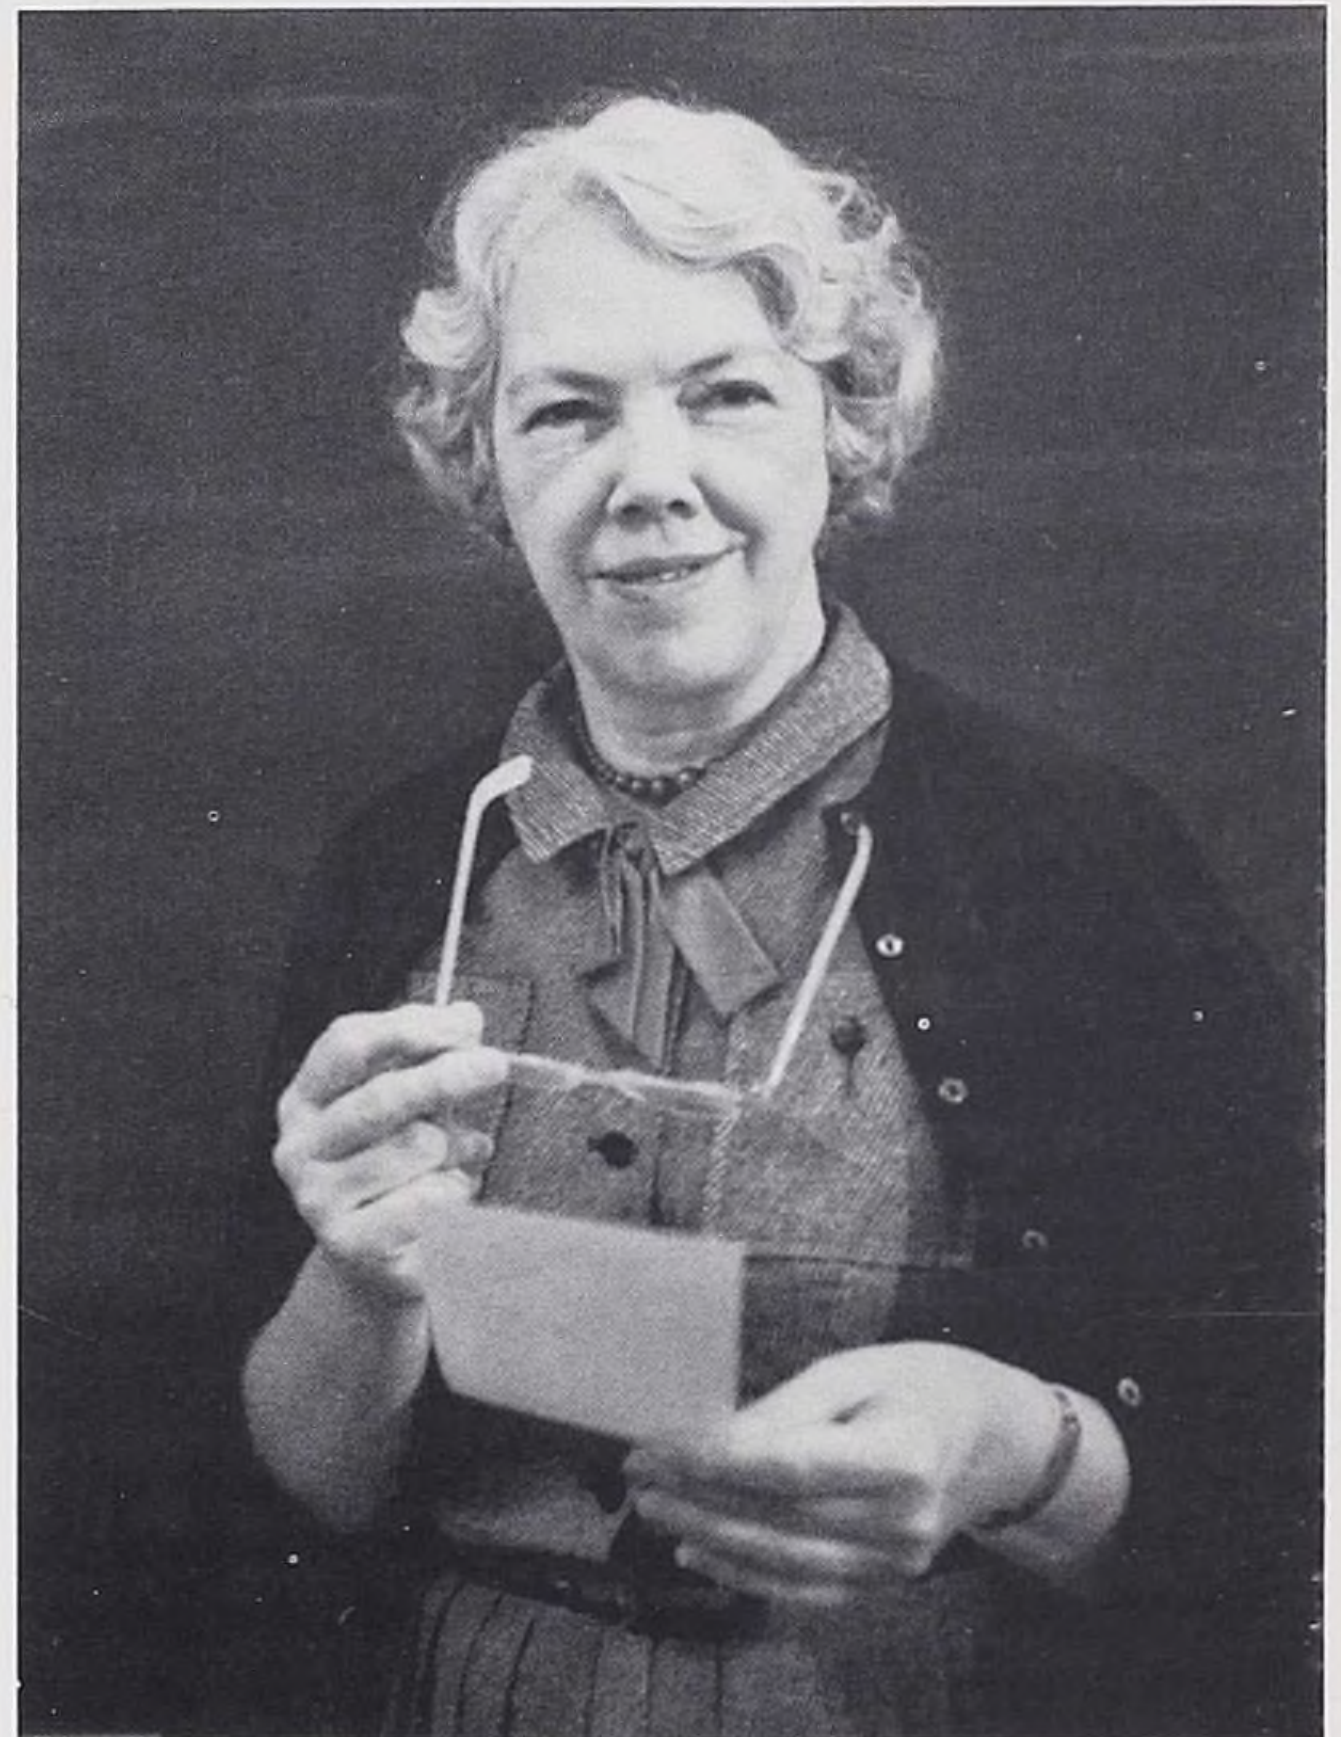

English is the foundation for study in all fields. A knowledge of grammar, sentence construction, and the fundamentals of good writing is essential in all walks of life. At Olean High School these essentials are taught, but a wide variety of both English and American literature is offered, too. Through the study of literature we come to know and appreciate writing. The literature we study serves as a beginning for the life long enjoyment and learning we receive from reading.

Social Studies Department

The principle tenet of social studies is that knowledge of the past will help us to understand the present and determine the future. At Olean High School students receive a wide background in American and World History as well as a thorough knowledge of the present countries of the world. It is with this knowledge that we can take our place in American society and become good citizens.

Science Department

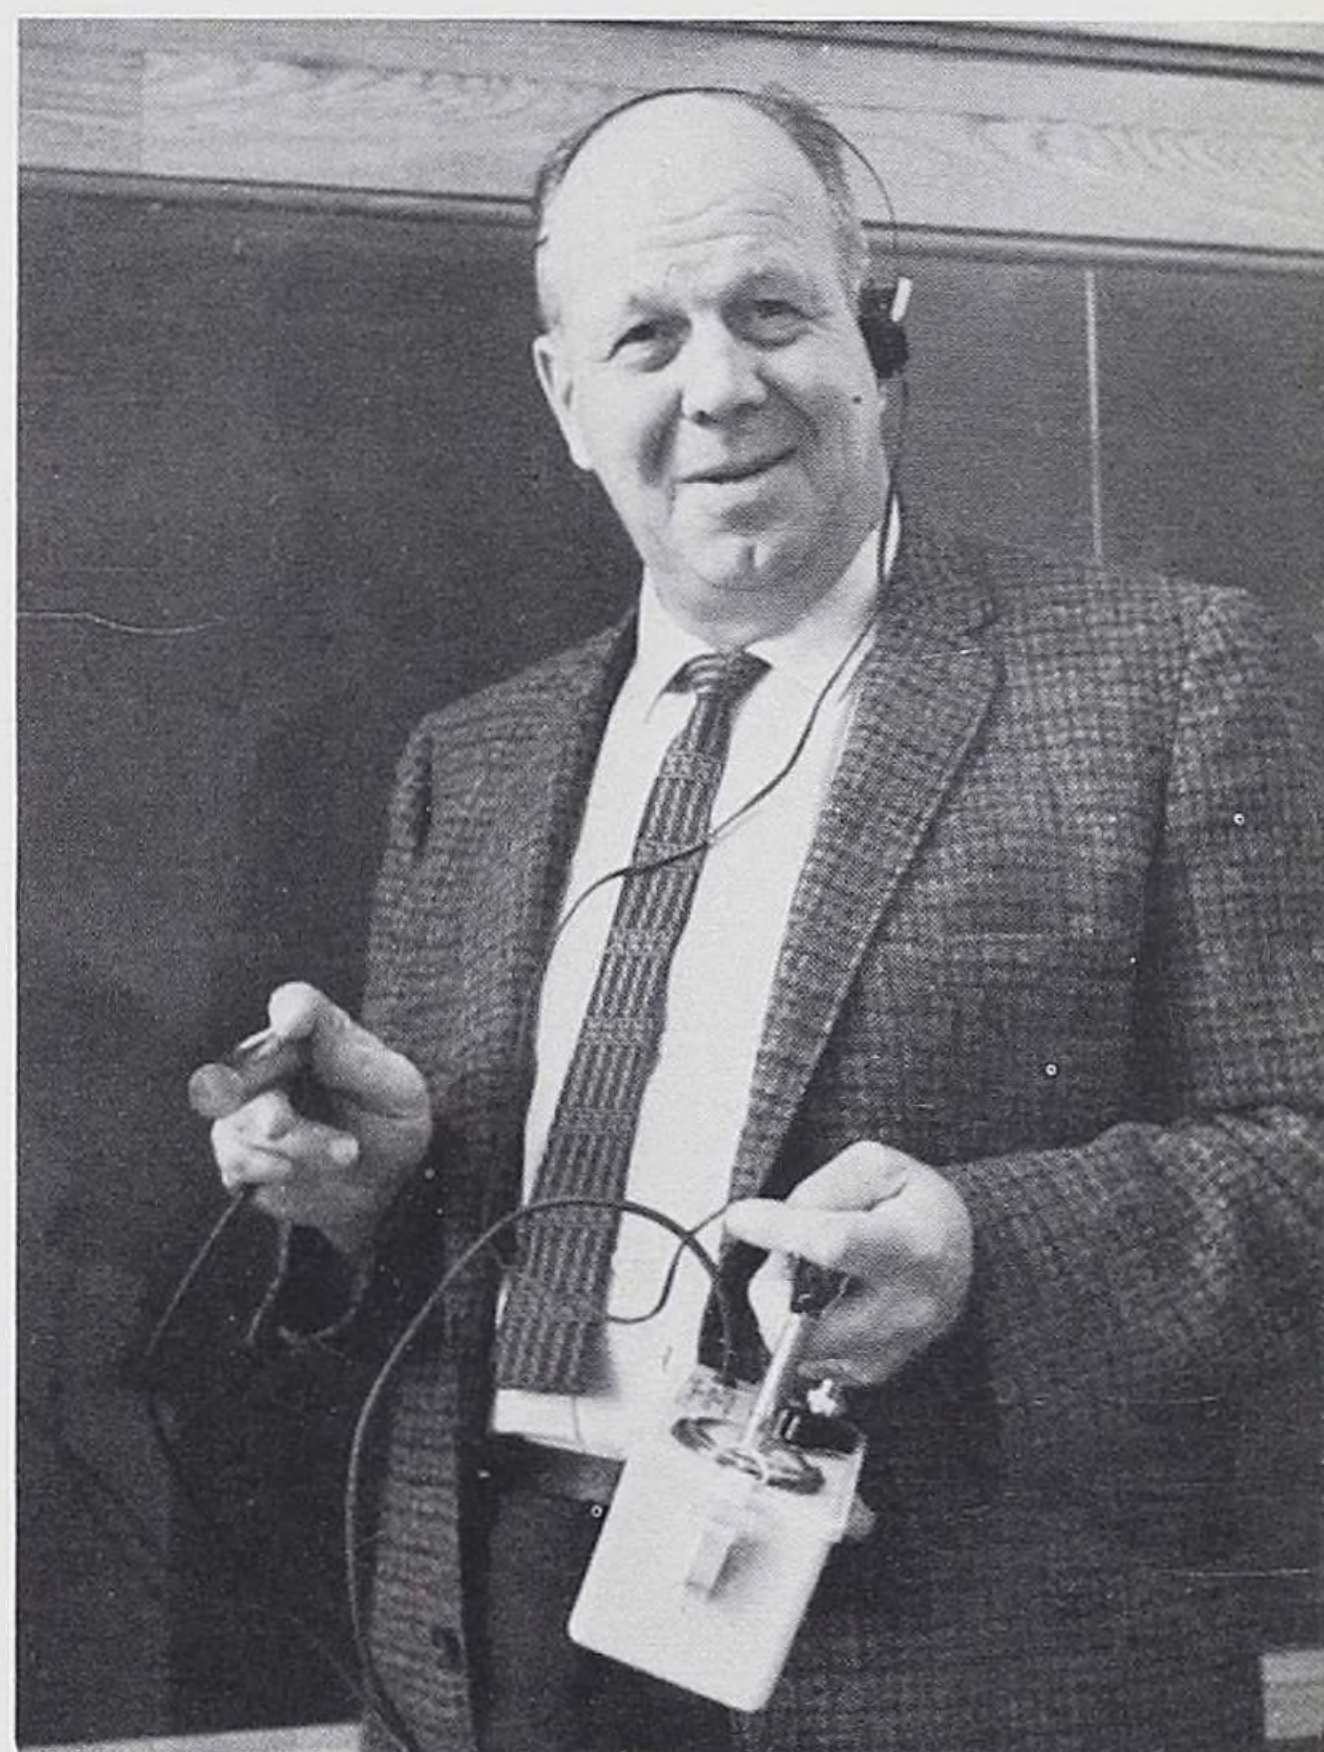

Science is the study of all nature from the smallest particles of the atom to the largest galaxies of the universe. Science embraces such varied fields as biology, physics, electronics, and chemistry. At Olean High School students receive a background in these subjects as well as learning the scientific method — the method of examination, observation, experimentation, and analysis that gives us an understanding of the world around us.

Department

Mathematics is the foundation and the building block of the vast technological advances of the twentieth century. Math is essential to engineering, physics, chemistry, almost every scientific field. It is the purpose of the department to prepare for advanced study in college. Even to those who don't plan to be scientists or engineers, math is important. It teaches a sound thinking, logical relationship, reasonable conclusions in solving problems. Mathematical thinking as taught in Olean High School is invaluable for students of every field.

Language Department

In our world today, there is more emphasis being placed on spoken languages in the nation's schools. By direct communication we are brought closer together with foreign peoples. The Olean High School has a fully equipped electronic laboratory which improves the speaking and comprehensive ability of our students. This, with our capable language staff, gives us an efficient language department which offers French, Spanish and Latin. Latin is the basis for the modern language taught, and will ever hold its place of importance as a classical language.

Special Services

Students with artistic tendencies can avail themselves of many opportunities in the art department. To help the student improve his understanding and love of art is the purpose and aim of the department. The student learns not only to understand the works of others but also to originate in his own mind and heart the means of expressing his own feelings.

The solitude and serenity of our library permits students to study or read in an intellectually stimulating atmosphere. Each individual has a large selection of books, newspapers and magazines at his disposal. Miss Gould, our friendly and competent librarian, is always ready and willing to aid students and faculty members.

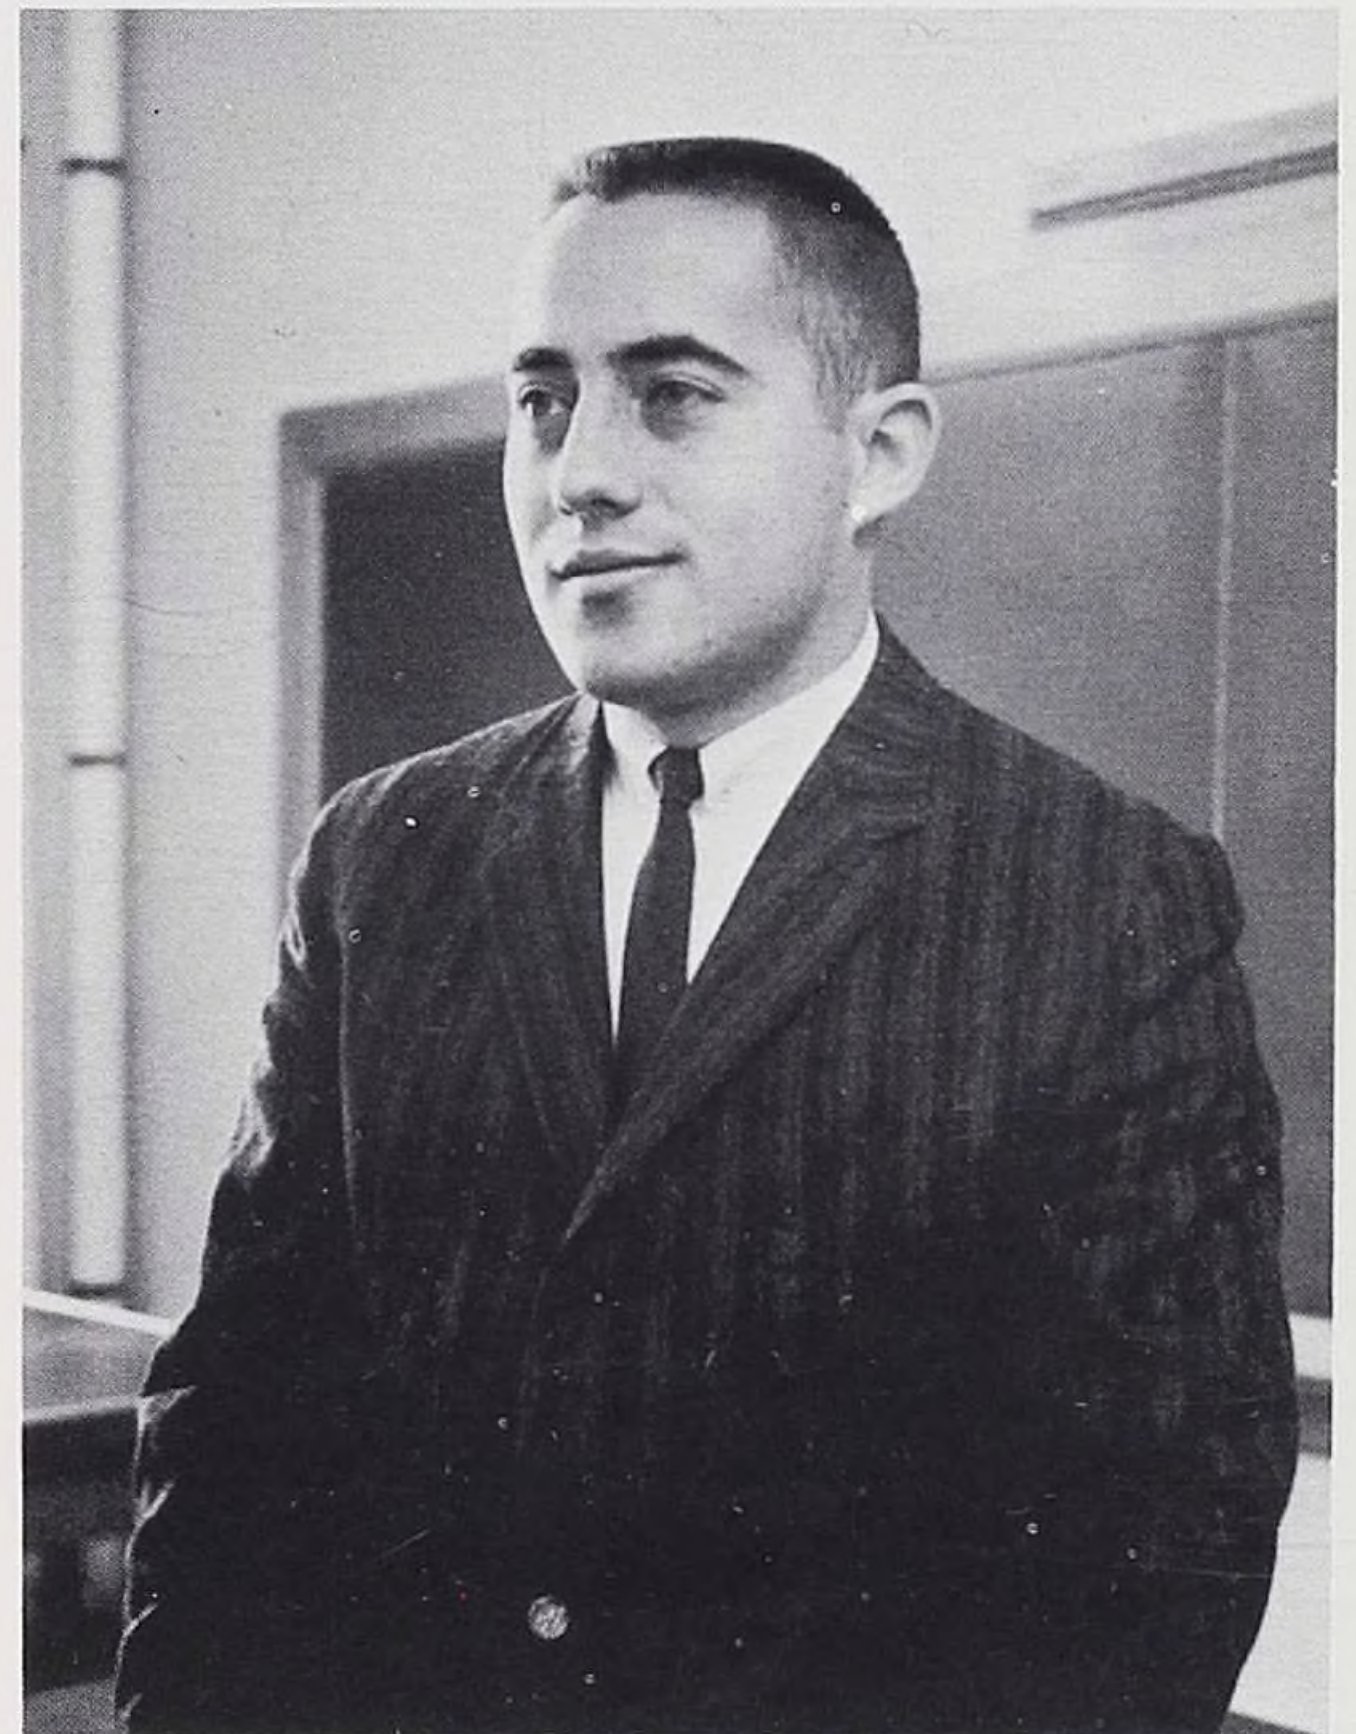

For students possessing musical ability, the band, chorus and orchestra provide ample opportunity for expression. Motivation is supplied to the band members through the thrill of playing in parades, half-time festivities at football games in town, as well as out of town. The chorus, orchestra and band perform throughout the year in assemblies and special concerts.

For many years Olean High School has had a course in Driver Training. While getting actual road experience, future drivers learn traffic safety and courtesy.

Business Department

Surely it is agreed that the study of subjects of shorthand, typing, and bookkeeping must continue to comprise an important part in business training. Instructions are given to business students on the operation of electric typewriters, adding machines, mimeograph machines and dictaphones so that they may be able to operate these machines in the offices where they will build their careers. One year of business math is required of all business students; many students have studied Introduction to Business, Retailing and Business Law which are offered as electives.

Seniors have the opportunity of getting experience as clerical assistants to department heads and administrators during a six-week period in various offices. Permanent employments often result from a school work program.

Industrial Arts Department

The Industrial Arts Department is an integral part of the Olean High School. The department teaches theories required for a trade, plus skills, work habits, attitudes and responsibilities that must be a part of a tradesman.

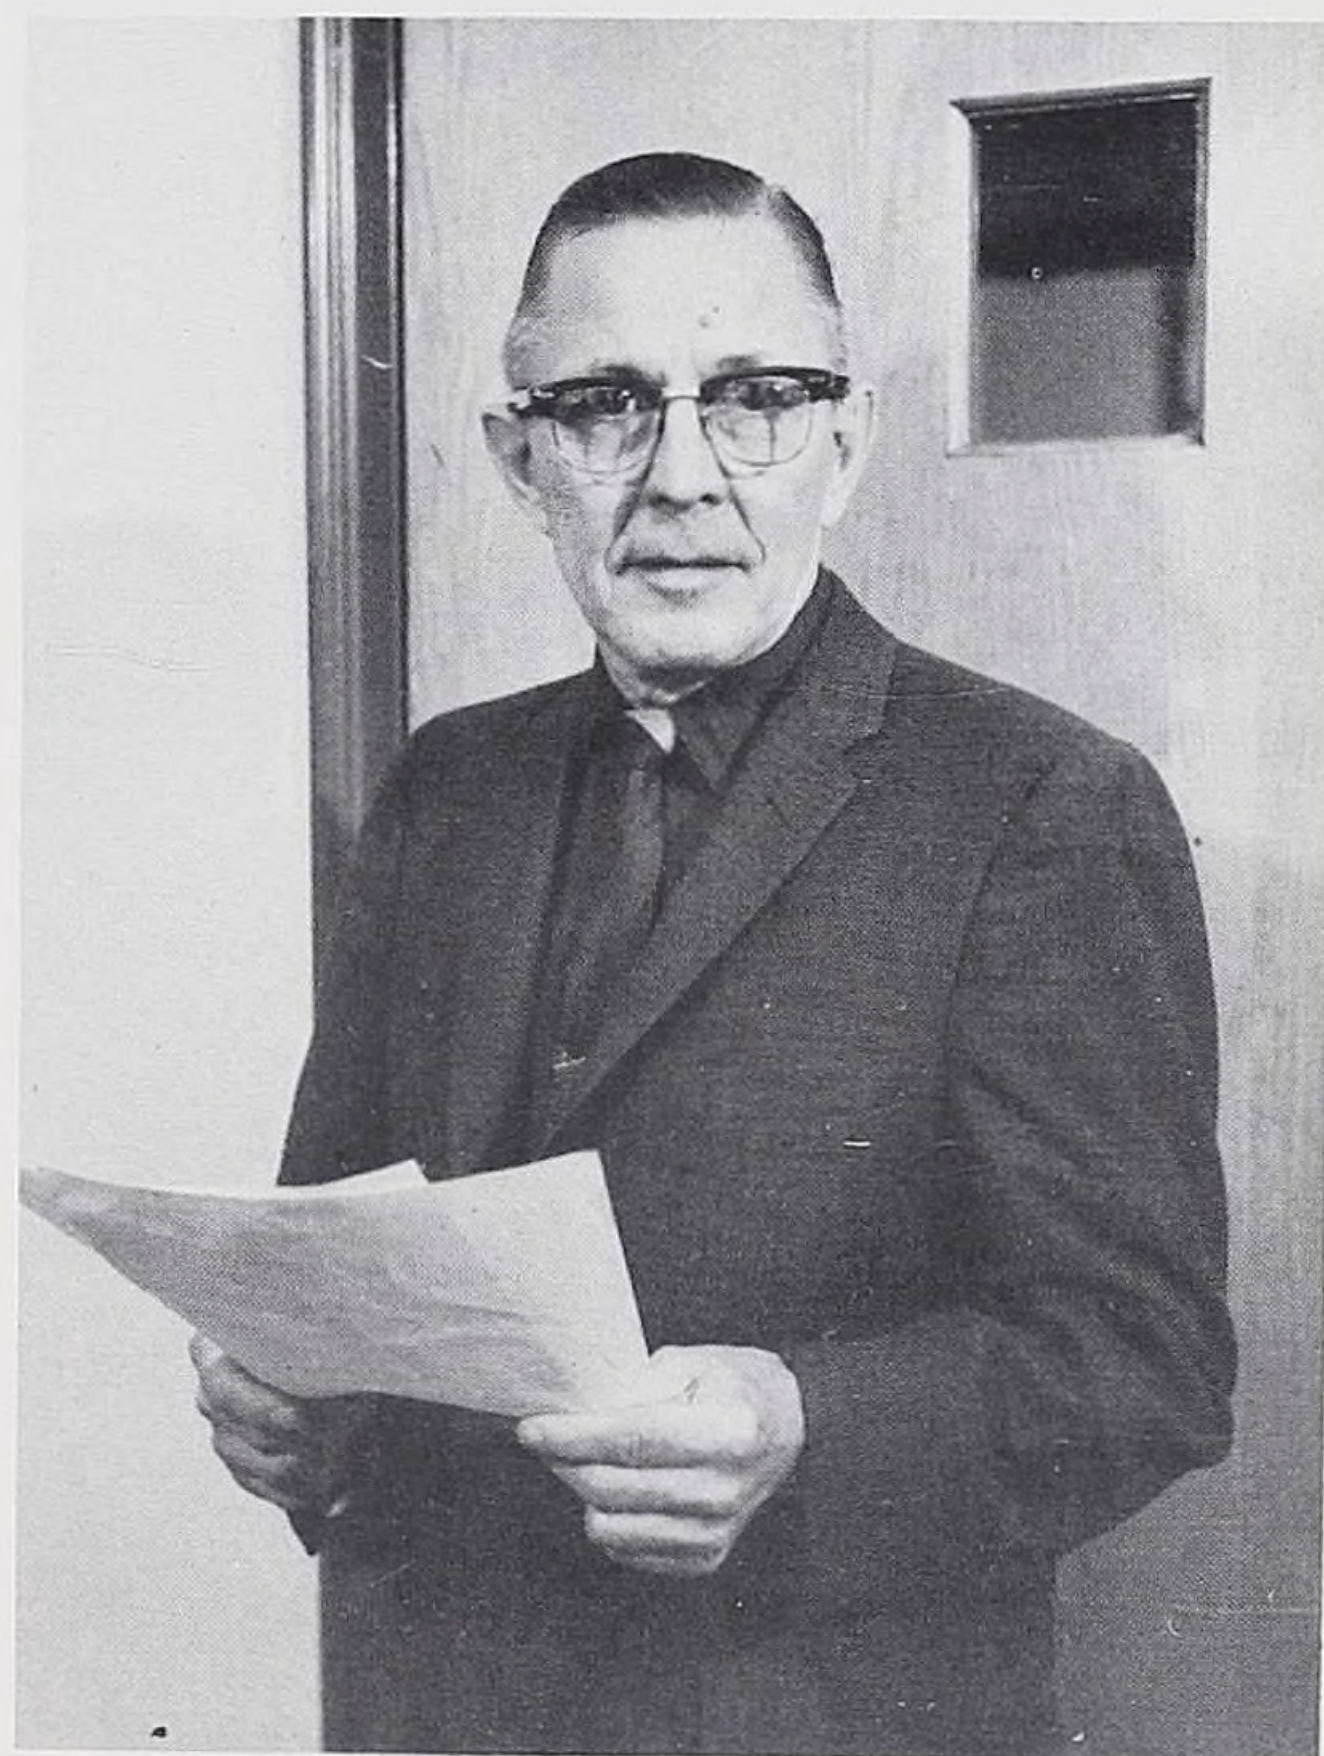

The department consists of two divisions: the first division concerns itself with drafting and mechanical drawing. The second with auto mechanics, metal shop, wood working and electronics.

Physical Education Department

The basic aim of high school is to educate the mind; yet our school policy demands a healthy body. By concentrating in all fields the physical education department develops these bodies.

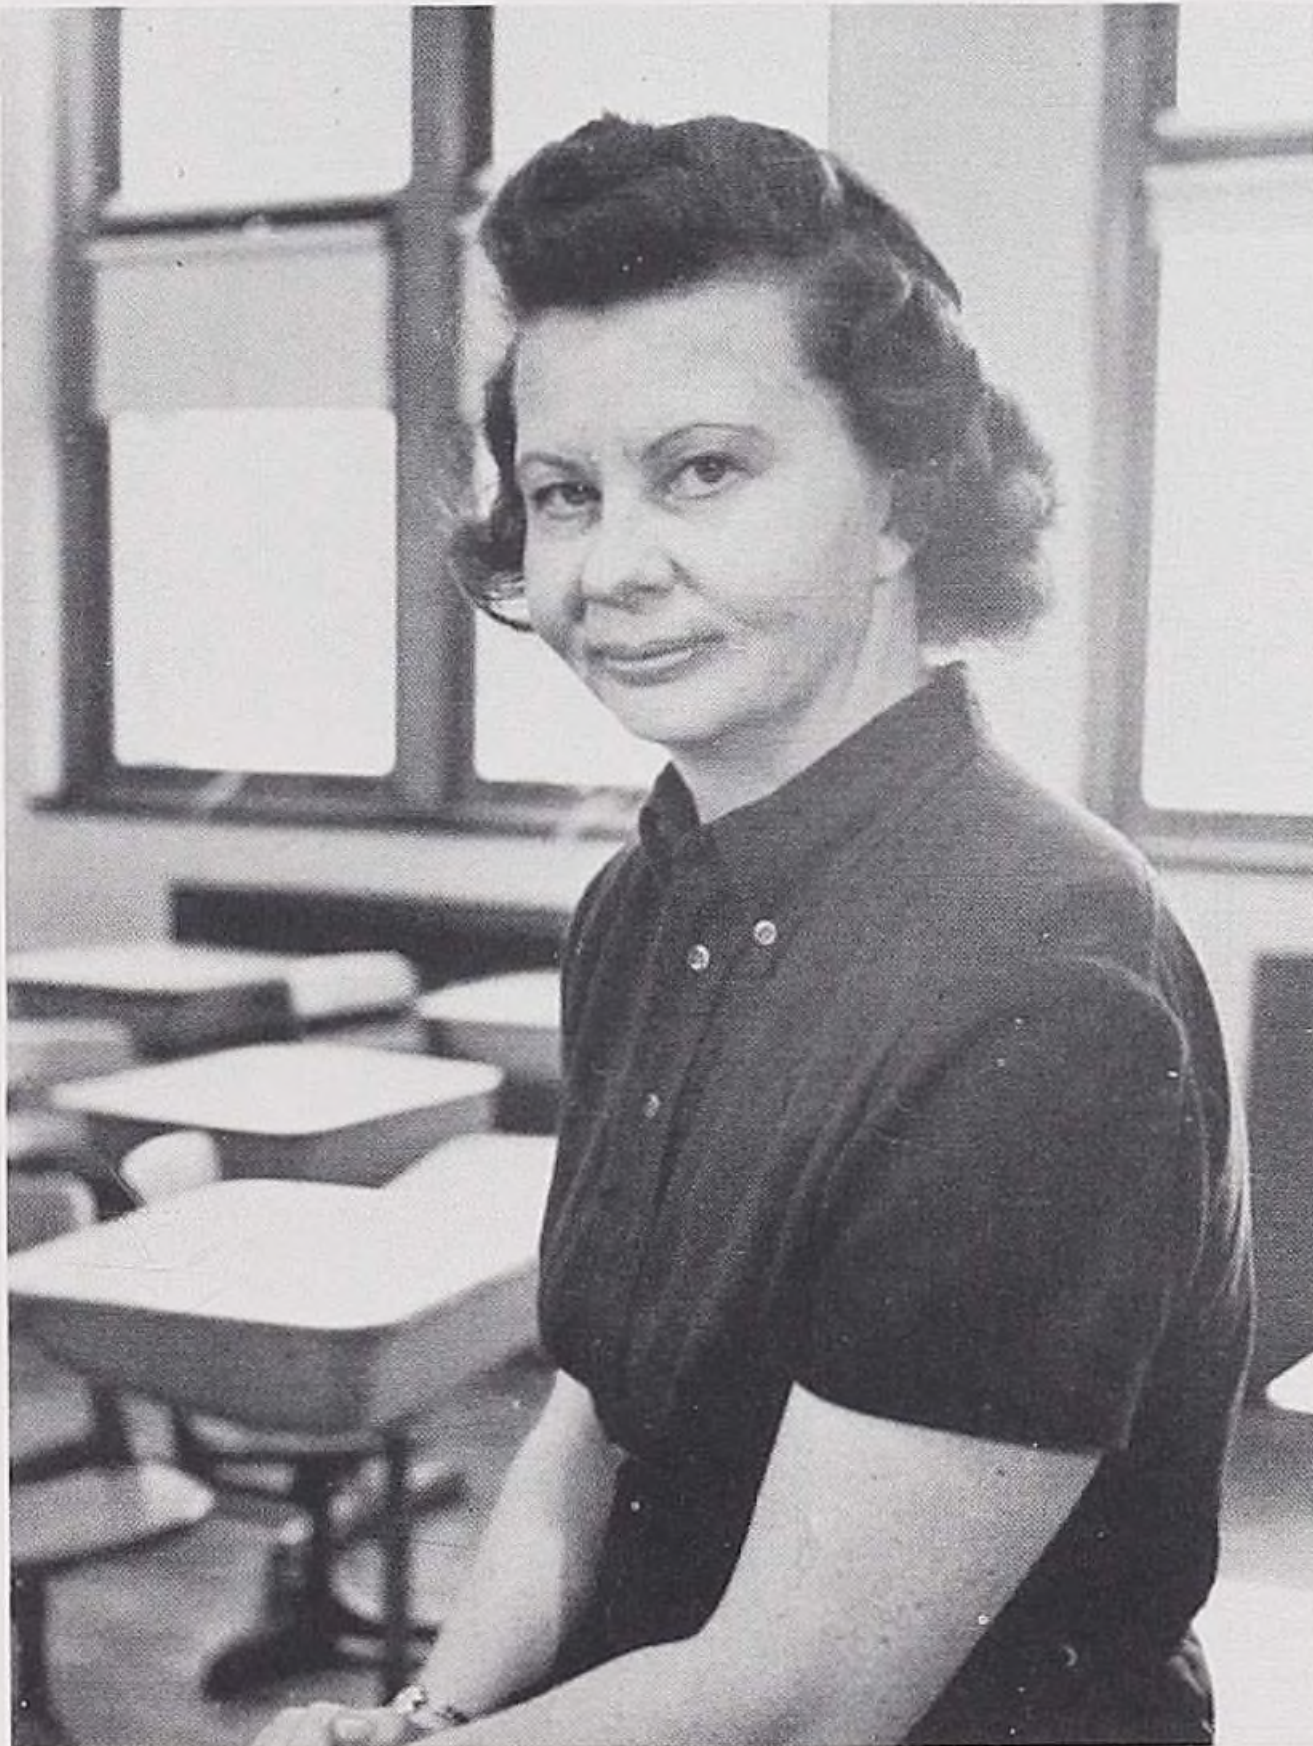

The boys' gym classes participate in gymnastics, basketball, softball and volleyball. The girls follow a pattern similar to that of the boys with gymnastics, softball, volleyball, tumbling and archery.

After school, teams are formed in all sports and the teams compete among themselves for a school championship.

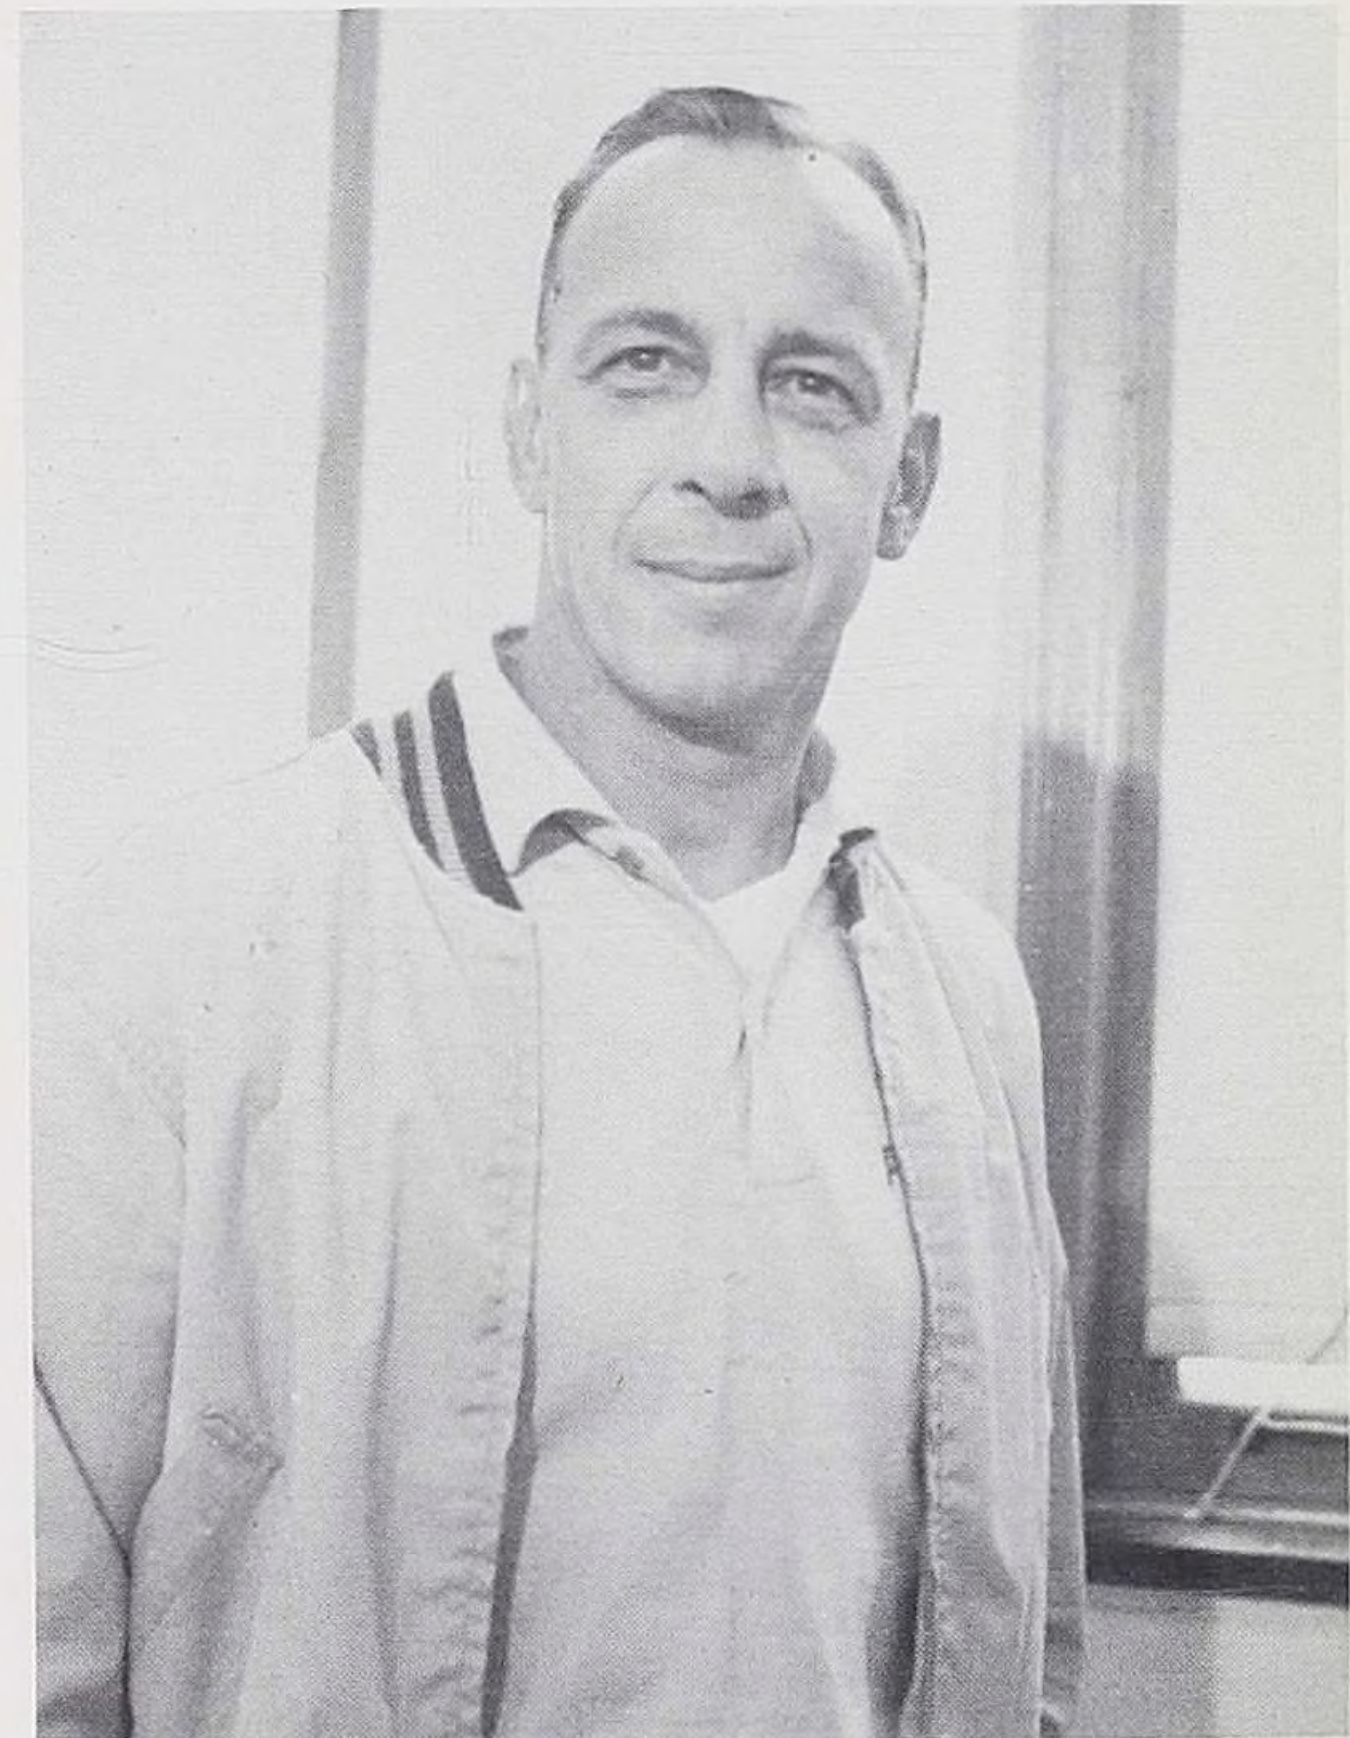

All students should remember "Mens sana in corpore sano!"

Senior Class History

As the class of 1962 emerges from the doors of Olean High School to face the world, we pause a moment to review our activities for the past four years and to express our final farewell to O.H.S.

As we look in retrospect over the last four years, we can see days filled with toil, fun, heartaches, and laughter. We remember teachers who have strived to equip us for this time; we remember our Junior and Senior Plays, and our Junior and Senior Proms, the floats we presented for Homecoming and the Winter Carnival, the assemblies, the football and basketball games, and of course, the homework assignments. Most important the individuals in the class review their development as citizens; they realize that within the past four years they have truly grown up.

The Class of 1962 wishes to thank those individuals who have advised, guided, taught or helped us. To the future seniors at O.H.S., we want to present a challenge of continual striving to keep Olean High School on the same high academic, musical, and athletic level that it is today.

The Class of 1962 bids a fond farewell to O.H.S. with the hope that the future will bring new and greater honors to our "Alma Mater."

The class of '63 began its Freshman year by winning second prize in the P.T.S.A. Membership Contest. Our second project was a candy sale which proved to be quite successful. The third and last project of that year was the Freshman dance.

Because the candy sale in our first year went over so well, we decided to have it again. Also, we sold pens with the football schedule on them. The first Winter Carnival of O.H.S. was held last

year and our class entered a float and a sculpture. We also had a booth in the gym. Although we did not win any prize, we had a lot of fun. The last project of that year was our Sophomore dance.

So far this year we have been working on our Junior Play, **Arsenic and Old Lace**. The casting was completed on October 23 and our first rehearsal was held.

Sophomore Class Officers

At the beginning of the year, the Freshman class elected officers. We elected Linda Spears, president; Mike Bradley, vice-president; Rae Davidson, treasurer; and Ruth Anderson and Chris Cipot student council representatives. We started our treasury by collecting dues of \$.15 from each student in the class.

Two weeks before Christmas, we had our candy sale. We sold three kinds of delicious candy and we were pleased to see our treasury grow.

In the last part of January, we had a dance after one of the basketball games. We called it the "Dribble'n Hop" and it was very successful.

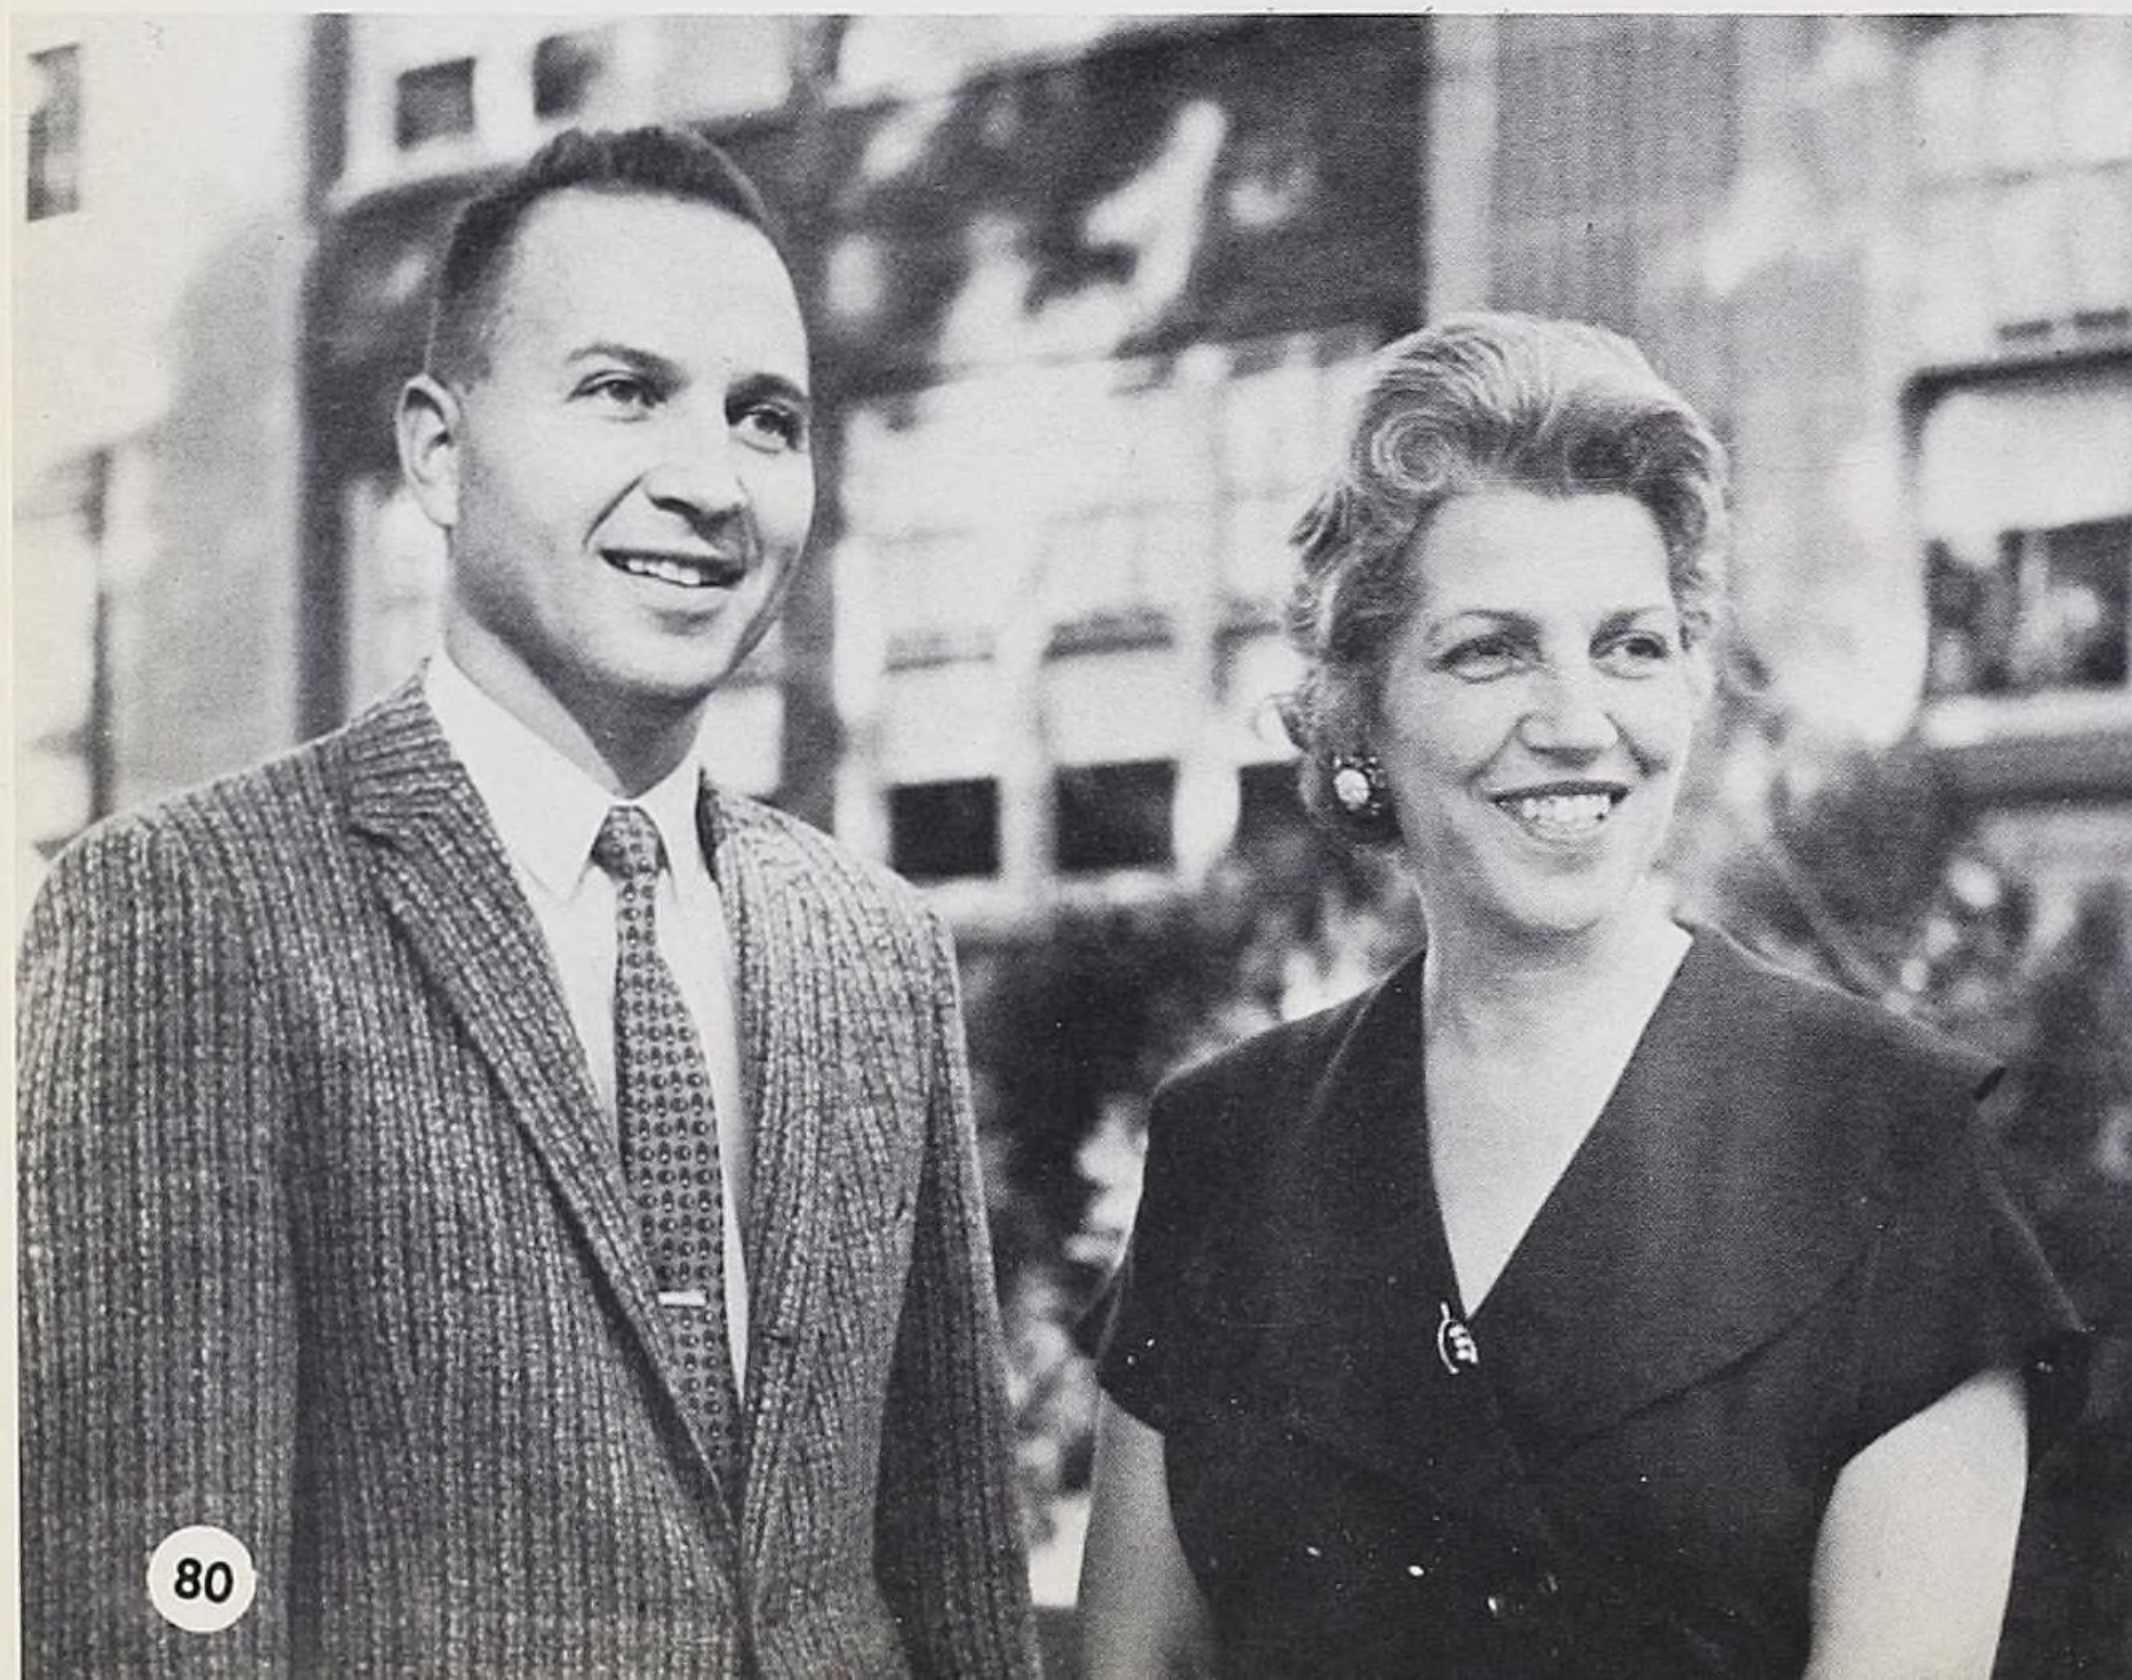

In the Winter Carnival, which took place in February, we won two prizes; second prize for our snow sculpture and third prize for our Valentine float.

We won the prize of ten dollars for selling the most tickets for the Talent Show.

Altogether, we of the Sophomore class, felt our first year at Olean High School was very successful.

So far the Freshman class has not accomplished much, since only one short meeting of class officers was held on October 18, 1961.

One future plan for our class, is to sponsor a dance sometime in January. Some suggestions, to get the class working in unison and raise money, which are to be brought up at the next class meeting are: A. Having homeroom competition over the sales we have and the homeroom selling the most receiving a prize. B. Selling candy was also brought up. C. Another idea mentioned was to sell Lindy pens.

There are many things we want to do, and we, the Freshmen class, hope to be very successful.

The Varsity football team had a sparkling season enroute to a 6-1 record, including a six game winning streak. Only arch-rival Bradford found a combination that could stop the pro-like offense that coaches Ksionzyk and Steurwald installed. The stalwart defense grudgingly gave yardage to opposing teams and gave up only 62 points all season. The strong performances of underclassmen members of the team promises that O. H. S. football will be a power house for some years to come.

J.V. Football

The Junior Varsity was as powerful a foe as the Varsity in the 1961 football wars. The team, coached by Mr. Matlock and Mr. Nash, rolled over the opposition to a 5-1 record. In addition the team won the New York-Pennsylvania Junior Varsity League Championship.

Football

The Freshman Football Team proved to be the equal of the JV and Varsity in the 1962 season. Under Coach Cosens, the team completed a 6-2 record including five shut-outs. The team placed second in the New York-Pennsylvania Frosh Football League.

The 1961-1962 Varsity Basketball team started the season slowly, winning but one of its first six games. Then, the team caught fire, overwhelmed arch-rival Allegany on its home court, triumphed over highly-touted unbeaten Wells-

ville, and finished with a respectable record. Coach Sassone's "shuttle system" gave underclassmen a great deal of valuable playing experience. With many lettermen returning O.H.S. can have bright expectations for next year.

Both the Freshman and Junior Varsity Basketball teams enjoyed fine seasons during 1961-62. The J.V.'s under Coach Steurwald consistently gave good performances and many players should find themselves on the Varsity next year. Mr. Welch's Freshman team was the only team to have a winning record in 1961-62 and certainly this is good news for the future.

Editors-in-Chief — Louise Molenda and Michele Heenan.

We, of the '62 Congress Staff have striven to bring to you, the student body, a volume which will, in the years to come, provide a stimulus for reminiscing upon the many memories of the years which you have spent at O.H.S. as a student.

We would like to express to the members of the faculty and the student body our appreciation for their cooperation in making the production of this book possible.

Under the direction of Miss Marra, many long hours of work have gone into producing this yearbook. Thus, it is with a feeling of pride and accomplishment that we present this Olean High School yearbook to you.

Student

Under the leadership of the president, Mark Greene, the Student Council organized and executed the many programs which made the year 1961-1962 so exciting. The year was begun by the drafting and passage of a completely new Constitution, which enabled the council to function so efficiently this year. Under the Constitution, the new Executive Council was established which played a vital role in the success of the 2nd Annual Winter Carnival. Homecoming, under the direction of Cheryl Greene and her Student Senate, also proved to be an outstanding success. Among other projects were the Talent Night, World Series on T. V., management of concession stand, a scheduling of dances and assemblies, New Year's Eve Dance, initiating of Foreign Exchange Student Project, drafting of an orientation booklet for incoming freshman, participation in Christmas food drive with St. Bonaventure University and formation of the Pep Club which took buses to several out-of-town football and basketball games. As a result of the diligent work of the members and the whole-hearted cooperation of the Student Body, the Student Council had an outstandingly successful year.

Executive Council

The Executive Council is an advisory body to the Student Council, whose purpose is to co-ordinate the activities of the various school organizations. It is composed of the presidents of the classes and the approved clubs and organizations.

It was a part of the United Students platform. Its main enterprise this year was to harmonize the activities of the participants in the Winter Carnival.

FIRST ROW, Left to Right: E. Toohey, B. Swartz, J. Eckert, T. McElheny. SECOND ROW: S. Bradley, G. Johnson, T. Robinson. THIRD ROW: C. Busack, S. Shoemaker, H. Allen. FOURTH ROW: B. Harris, C. Greene, C. Cipot.

Student Senate

The Student Senate is a group of students consisting of the homeroom representatives and alternates. The Student Senate functions mainly as the link between the Student Council, the student body and the P.T.S.A.. It furnishes the manpower behind these two organizations and aids them in carrying out their ideas and programs.

Its main accomplishments this year have been to put on Olean High School's annual Homecoming, whose chairmen were Rick Laverty and Mary-Ann Wenke, and Winter Weekend whose chairmen were Michele Heenan and Betsy Harris. Besides these activities it sponsors dances and other money raising projects which enable the Senate to carry out its work. The presiding officer is Cheryl Greene.

Its main desire in the school is to please the faculty as well as the student body.

The National Honor Society is an organization which recognizes the achievements of juniors and seniors. The requirements are excellence in scholarship, service, leadership and character. Juniors must have a 90% and seniors an 85% average to be considered.

This year the Honor Society has sponsored two dances and has sold senior name cards. In January, twenty-four new members were inducted. Meetings are held the first Thursday of every month at the Olean House.

The officers this year, are Jerry Westling, President; Sam Stinger, Vice-President; Anne Freaney, Secretary; Susan Edridge, Corresponding Secretary; Marianne Wenke, Treasurer; and Dick Campbell, Sergeant at Arms.

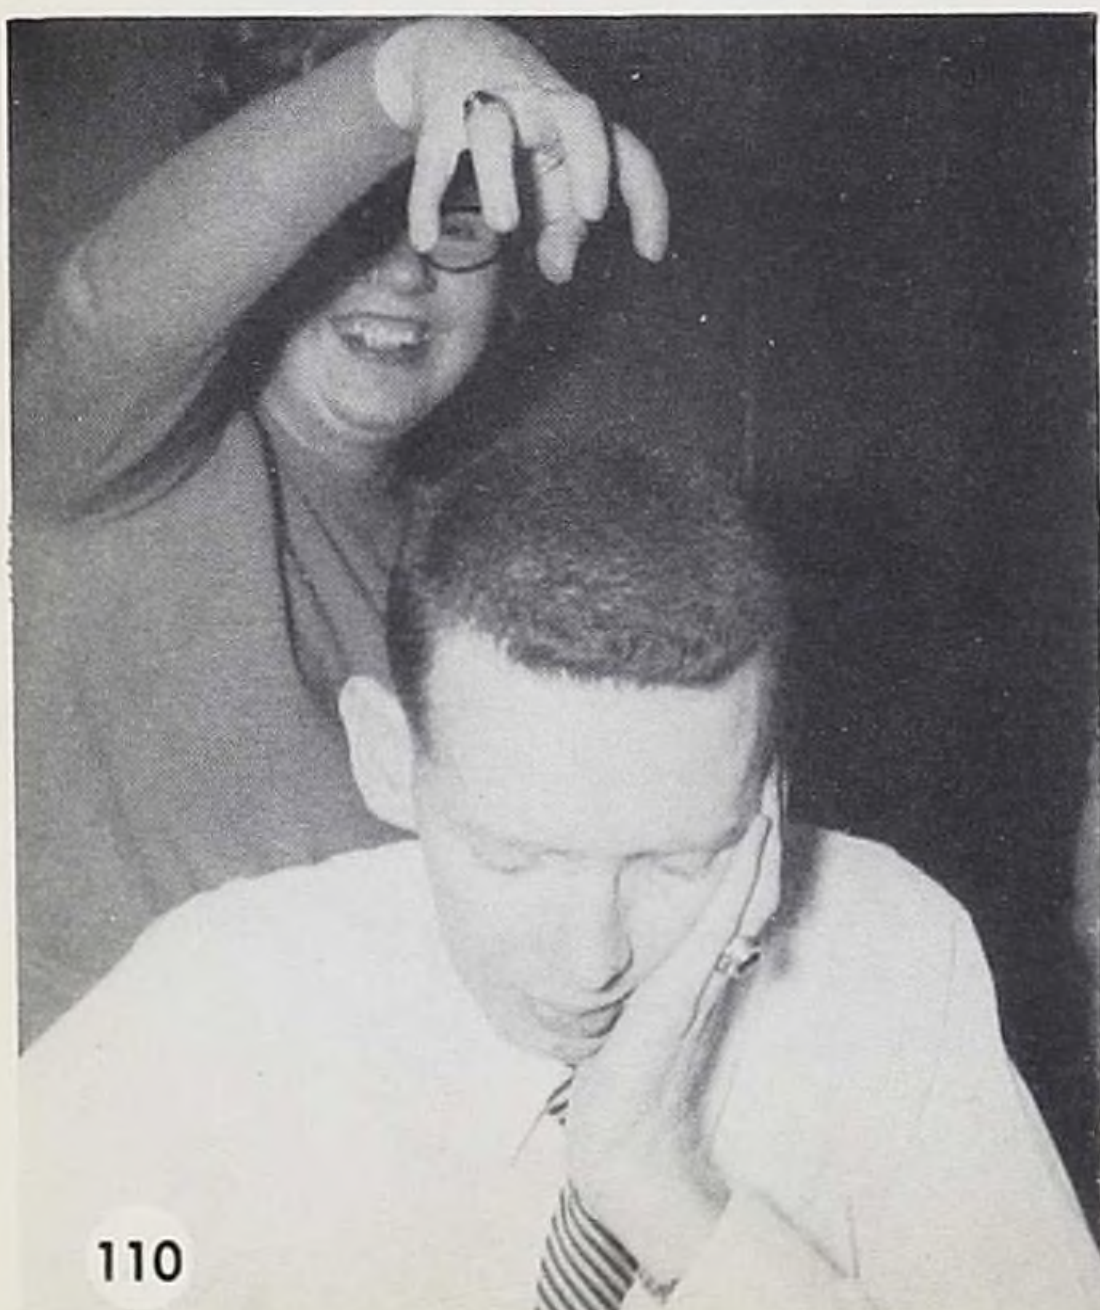

Tell O-Scope

STANDING: B. Ring, D. Hornburg, C. Ruth, P. Fluent. SITTING: M. Fulmer, H. Geise.

The Tell-O-Scope is a weekly school newspaper published in the Olean Times Herald. It is the purpose of the Tell-O-Scope to print school happenings and other features of interest to the student body, as well as parents and teachers. The Tell-O-Scope staff consists of a journalism class under the capable advisory of Mr. Joseph Quinlan.

The staff for most of this year are: Editor, Margie Fulmer; Sports Editor, Kippy Fisher; Feature Writers, Carol Ruth, Helengene Geise and Diane Hornburg; Photographers, Rick Laverty, Bill Ring; Business Manager, Pam Fluent.

Junior Red Cross

The Junior Red Cross has been very active this year. Under the advisorship of Miss Mazza and Mrs. Gilbert, we have sent a chest of school supplies to children overseas, an annual project. We sold Christmas wrapping paper and conducted the Junior Red Cross membership drive. Also we have recruited people who have put in many long hours of work at the Red Cross office. We also sponsored a fortune telling booth and penny-pitching in the bazaar of the Winter Carnival.

FIRST ROW: J. Kubiak, M. Kubiak, C. Kuklievicz, S. Haglund, N. Shipman, M. Kloasinski. SECOND ROW: V. Girmack, C. Shingledecker, T. Weisel, M. McMurdy, M. Winicki, K. Busack. THIRD ROW: J. Peters, D. Gueder, P. Mayer, P. Strandburg, M. Kenyon.

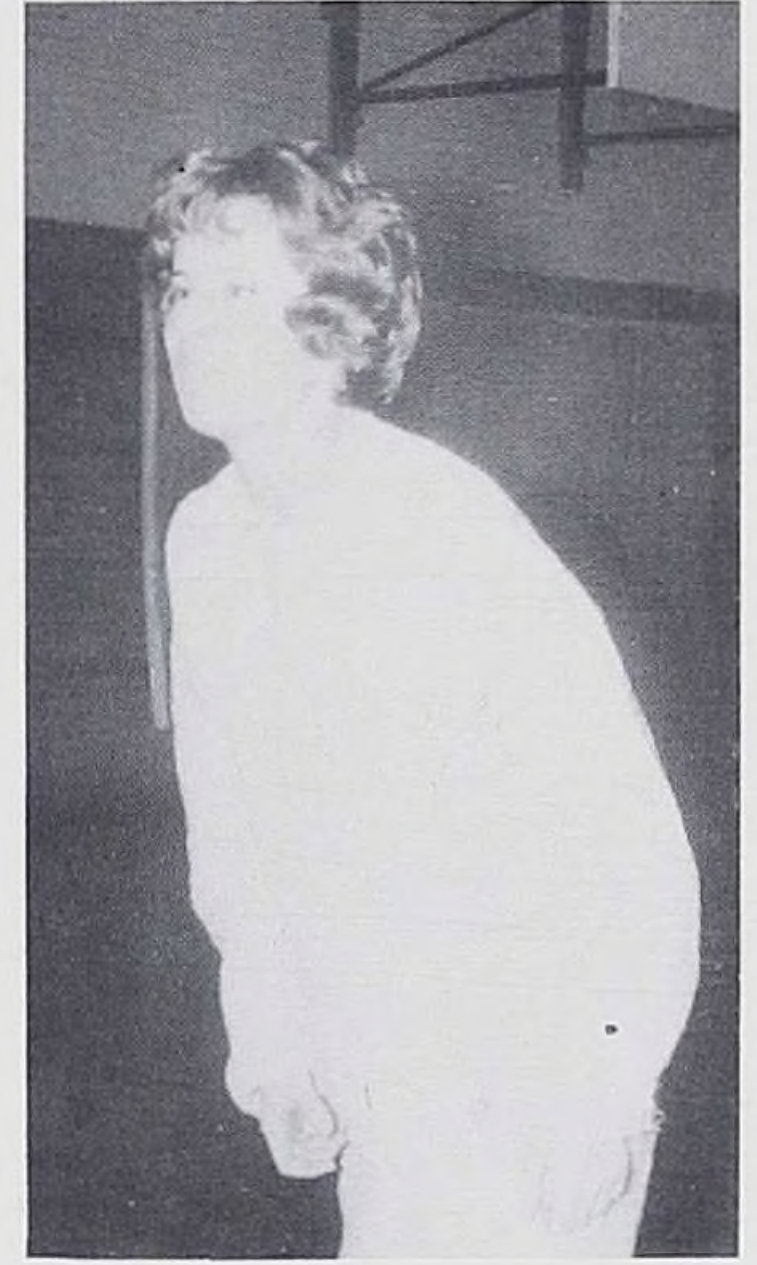

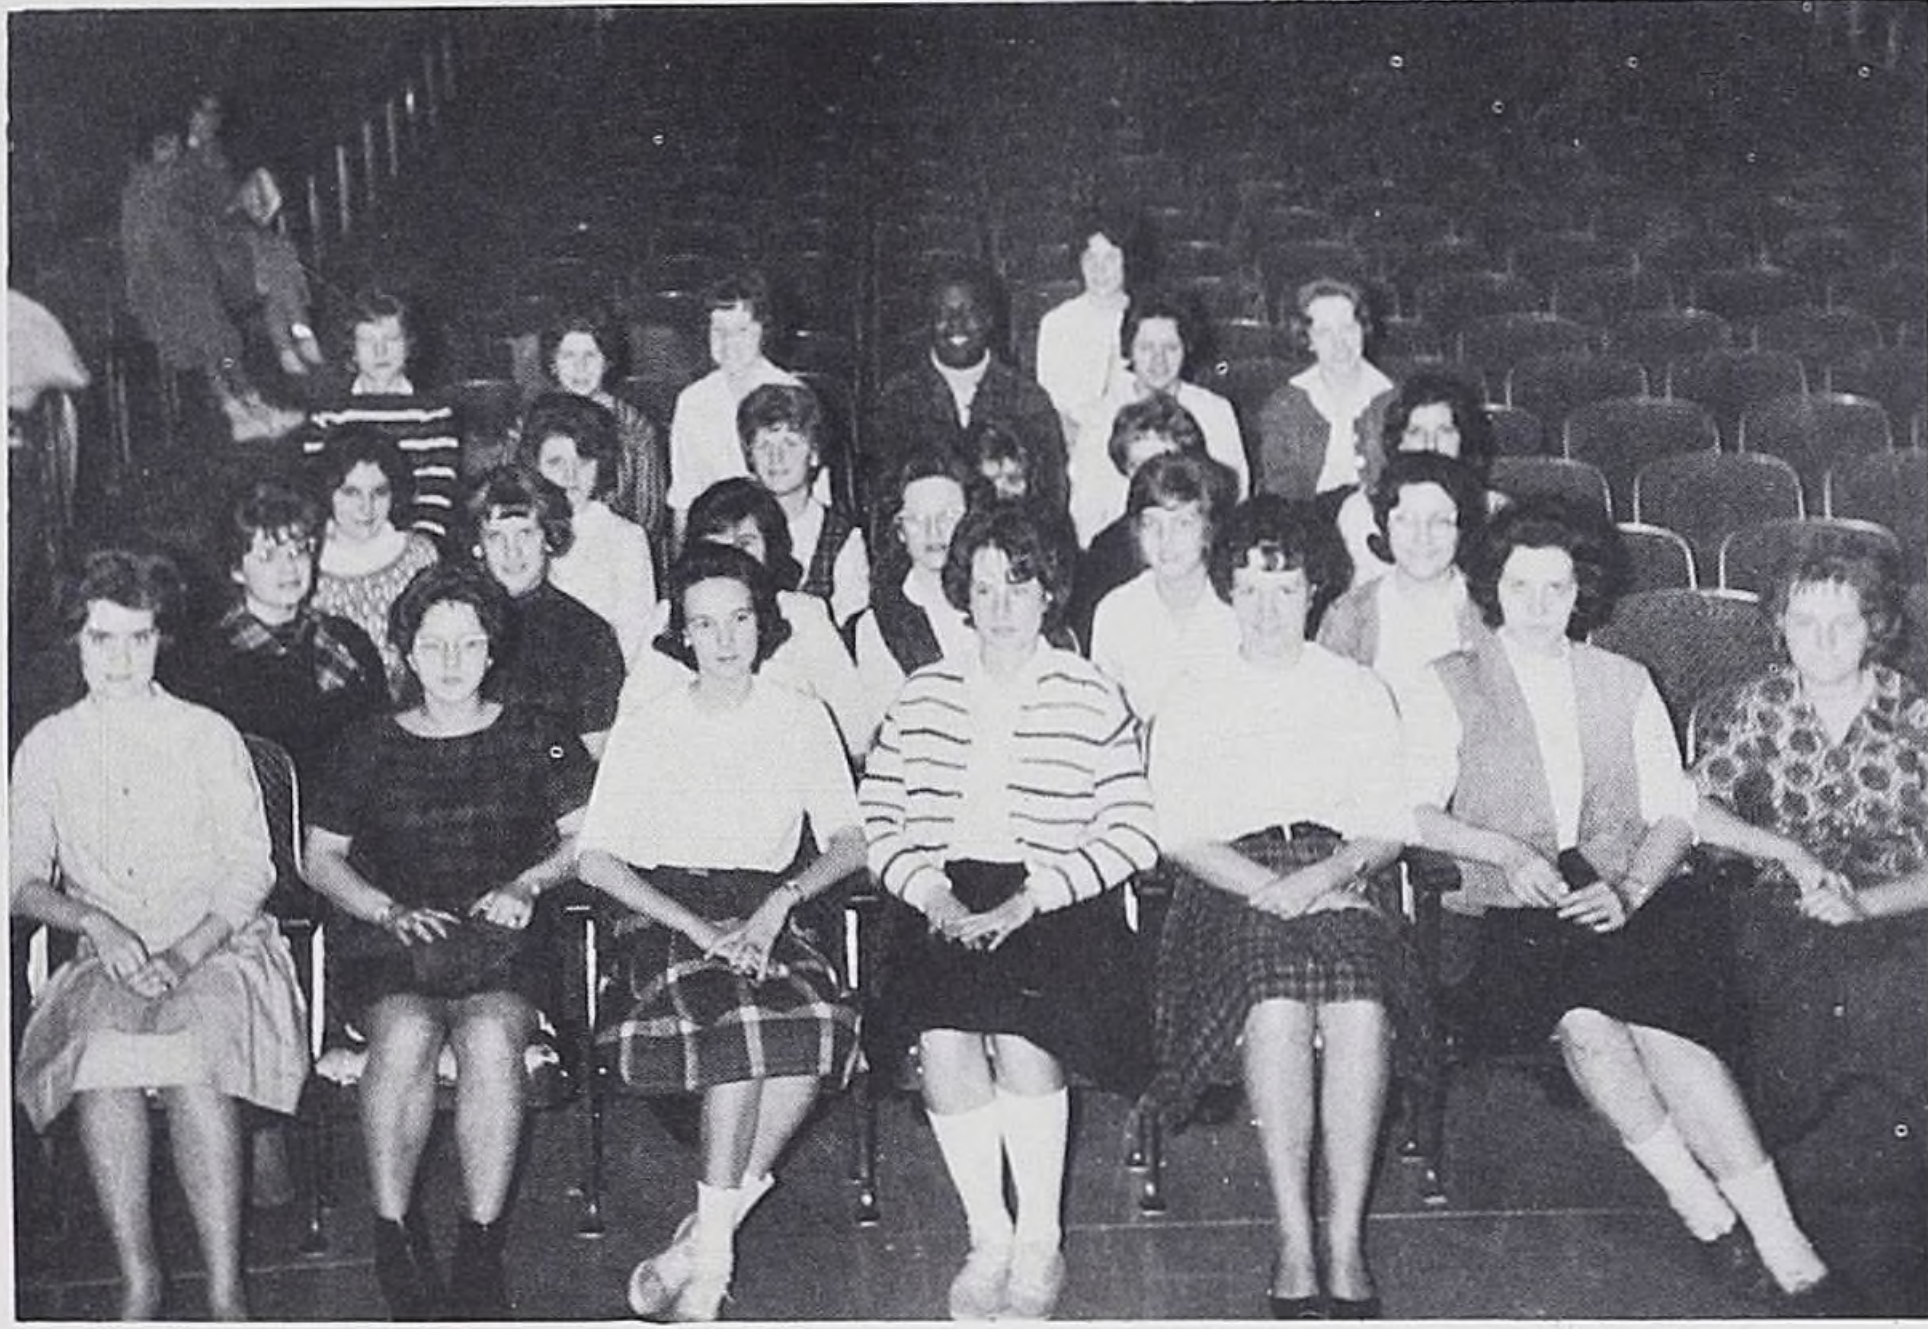

Library Aides

The Library Aides are a group of thirty volunteer students who assist Miss Gould with library duties and, as a result, receive excellent training for future teaching, clerical and librarian functions. Those with artistic ability help keep the library looking bright and cheerful. While working as a library aide, students can gain credit toward a twenty point letter and boy scouts can earn points toward a merit badge. This year, for the first time, the students are planning several social events.

The Band

The Band under the able direction of Mr. Lefquist gave the student body a feeling of pride at their fine performances during half-time of football games. For three years Mark Greene, as Drum Major, has skillfully led the Band in these shows.

Its other activities include playing for assemblies, in concerts and marching in parades. It sponsored a "Mile of Pennies" drive and a dance "Band-Aid," to raise money.

Scholastic Achievement Awards

The Letter, the Certificate and the Badge

The members of the O.H.S. classes of 1962, 1963 and 1964 who are the recipients of the recent awards for outstanding academic achievements would like to take this opportunity to express their appreciation to School Board President Leo E. Keenan Jr. for making these awards possible.

It was thru his original suggestion and efforts that this practice was established and will be carried on as a permanent part of the O.H.S. awards program.

FASTEST GROWING BOYS IN AMERICA

We're talking about the 700,000 newspaperboys in the United States and Canada, who deliver a predominant proportion of all the newspapers published in these countries.

It takes more than a yardstick to measure the growth of a newspaperboy. Because, in addition to growing physically (like all teen-agers) he is growing rapidly in many other ways, through his experience in a business of his own.

HE GROWS as a junior merchant, learns that his profits depend on getting new customers and holding old ones, learns how important it is to give dependable, courteous service and collect on time.

HE GROWS as a student, learns how to put to practical use many of the lessons he learns in school.

HE GROWS as a citizen, learns the importance of meeting his responsibilities, learns to respect the property of others, as he builds up his own bank account, and buys things for himself with money that he himself has earned.
