Dedication to Mr. John W. Wallace
Principal of Olean High School

Since the completion of his formal education, John W. Wallace has devoted himself to the cause of public education as a teacher, a counselor, and an administrator. For the past two years Mr. Wallace has distinguished himself as chief administrator of Olean High School.

Mr. John Wallace represents far more than a mere functionary in the school system, and has endeared himself as a loyal friend and sympathetic champion of young people.

To one whose life and career is an inspiration to aspiring youth, we are proud to dedicate the 1963 Congress.

Board of Education

President, Dr. James A. Doucett

Dear Seniors:

During your school years, knowledge of the world has increased faster than in all of previous recorded history! Exciting new vistas are opening almost daily. Knowledge is power; if power is to be used for good it must be accompanied by a deep sense of responsibility for its wise use.

The learning to which you have been exposed during the past four years is but a prologue to the future. The most important product of education is, rather than mastery of the "3 R's", the learning of principles and values that will give direction and purpose to your life. How well your teachers, parents and community have equipped you to meet the challenges of tomorrow will be judged by the standards you maintain in whatever you undertake.

Congratulations upon your completion of high school, and may success crown your efforts as you step forth to take your part in the making of the future.

Sincerely,
J. A. Doucett, M.D.

Board of Education Office

My dear Graduates:

History reminds us that each succeeding generation, building upon the cumulative experiences of the past, extends the frontiers of understanding in practically every area of knowledge.

This continuity of progress, despite the current disturbing cultural conflicts, I am convinced, will continue because of you and the thousands of other young men and women graduating from the high schools of our nation.

To each and every member of the Class of 1963, I would extend my congratulations and every good wish in the years to come.

Sincerely,
W. Cecil Davis
Superintendent of School

Dr. W. C. Davis
Superintendent of Schools
St. Bonaventure University, University of Buffalo.

Clerk of the Board of Education

LEFT TO RIGHT: MISS GENEVIEVE DINSMORE, Treasurer; MRS. BESSIE FRANK, MRS. AUDREY DUNSHIE, MISS SANDRA BRUSHINGHAM, MR. VICTOR KOEBLIN.

Main Office

Once again, it is time for you, the Senior, to graduate and leave your school to become an alumni. Before you open its doors for the last time, stop a moment and reflect upon your past four years.

Did you make friends among your school mates and the faculty?

Did you form well-defined work habits?

Did you develop a sound goal to reach in life?

Did you develop a philosophy of living that you would be willing to defend?

If you can answer yes to these questions, it is time to open the door of your school for the last time and step out into a new world—a world that can offer you many opportunities for success. It should be a real thrill for you to know you are prepared to accept this challenge, but do it in slow easy steps as each new adventure is dependent upon your past experiences, plus your high school education. So, go forth to meet these new challenges with the knowledge that your school and family are back of you every step of the way.

SENIORS

Senior Class

FIRST ROW, Left to Right: John Griffin, President. SECOND ROW: Maureen Tanous, Secretary; Barbara Scott, Treasurer. THIRD ROW: Mr. Paul Whitehill, Advisor; J. Richard Golden, Vice President; Miss JoAnn Marra, Advisor.

We, the class of 1963, are now saying "Goodby" to Olean High School. For the past four years it has been an integral part of each one of us. School activities crowded our minds and our days. Studying as well as diligent teachers encouraged us in the right directions. Now we are no longer active members of the Olean High School student body, but we know that our school years will always be a part of us. We are leaving many things behind but we are taking our memories with us. In our Freshman and Sophomore years we carried on the usual class projects, candy sales, and dances. In our Junior year, a spark was ignited and we suddenly became a class. Who can forget our excitement at winning first prize in the Winter Carnival snow sculpture contest? The Junior Play and Prom fall into our never to be forgotten memories as do the play and prom of our last year, as Seniors. We will not forget the electric excitement of basketball and football games as anxiety rose to fever pitch and we cheered our teams to victory, or sometimes consoled them in defeat. Homecomings will take on a new meaning for us now but we will remember ones we prepared for others.

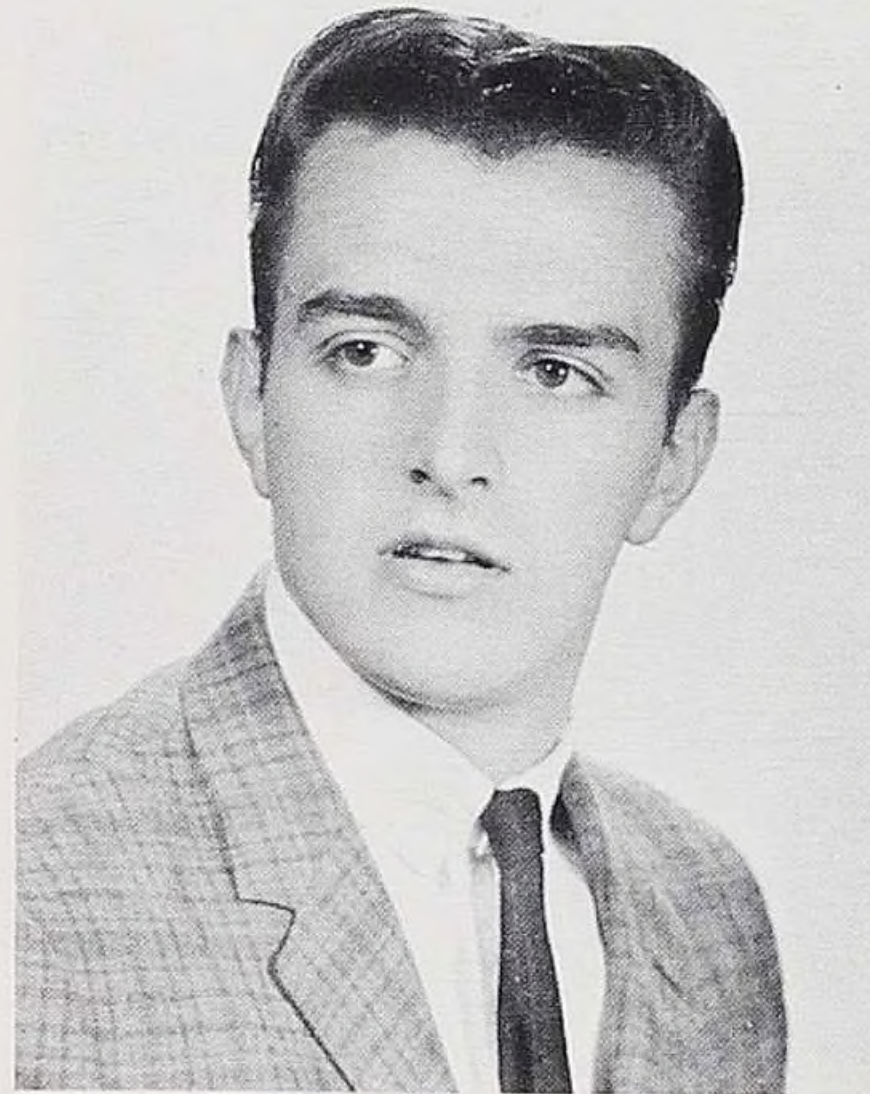

So now we wish to pause to say "Thanks" to those who have made these years what they have been for us our advisors, Miss JoAnn Marra, and Mr. Paul Whitehill; our teachers who have been our inspirations and our guides. And we say to those who follow us that it is their challenge to maintain the high standards of O.H.S. in the years to come, that we may always be as proud of our Alma Mater as we are at graduation.

JUNIOR STUDENT COUNCIL MEMBERS—
SEATED, Left to Right: Ruth Anderson and
Marla Smith. STANDING: Chris Cipot and
Linda Spears.

Since we were freshmen, our class has been most active in school functions and projects. In our freshmen year we conducted a very successful candy sale and dance as our principal money-raising projects. Our Valentine float in the Winter Carnival won third prize, while our snow sculpture placed second for two years in succession. Because we sold the most tickets for Talent Night, our class was awarded a \$10 prize. Our dance this year, "The Junior Trot," raised money for an important junior class project, the Junior Play. **Mrs. McThing**, directed by Mr. Glen Chambers, was performed on November 16 and 17 by a double cast. With the able leadership of our class advisors, Miss Margaret Sabatino and Mr. Harold Miller, and the hardworking cast and committees, our play was a tremendous success.

Plans are underway for the Junior Prom, our other major project for this year. With the help and co-operation of the entire class, we will make this a memorable prom for Olean High School.

FIRST ROW, Left to Right: Paula Hagen, President. SECOND ROW: Gary Johnson, Vice-President; Cathy Griffin, Treasurer. THIRD ROW: Miss Margaret Sabatino, Advisor; Barbara Fugazotto, Secretary; and Mr. Harold Miller, Advisor.

The class of '65, now more organized than before has taken part in a number of projects in our two years at O.H.S. under the capable guidance of our advisors Miss Lois Covell and Mr. Joseph Quinlan.

As Freshmen, we won second prize for our float in the Homecoming parade. We enjoyed building a snow sculpture and sponsoring a booth for Winter Weekend. We ended the year with a very successful dance.

This year sophomore class meetings are conducted on Thursday. Dues are collected from each class member in order to raise money. As a main money-raising project; candy was sold. This year we won second prize for our float in Homecoming. We are planning to have a dance later in the year. We, the Sophomores, are looking forward to our next two years at Olean High. We hope they will be as successful and enjoyable as our first two years have been.

Freshman Class

FRESHMAN STUDENT COUNCIL MEMBERS
—SEATED, Left to Right: Phyllis Letkiewicz,
Mary Bartman. STANDING: Barb Hornburg,
Claudia Kehr.

The Freshman Class at Olean High hopes to achieve their goal of uniting the entire class into better citizens for the future. Since the beginning of our first year at Olean High, aided by our advisors Miss Virginia Sgro and Mr. Lewis Nicol, we have sponsored one dance, which was very successful, and a float for Homecoming. Although it didn't win a prize, all those who worked on it had an enjoyable time. We hope to have another dance and possibly a fudge sale to raise money for our activities; namely our Junior Play and Prom.

We, of the Class of 1966, are looking eagerly forward to our remaining years at Olean High School, in which we hope to gain leadership as well as scholarship.

FIRST ROW, Left to Right: Denise Williams, Secretary; Donna Egar, President; Antonia Torre, Vice-President. SECOND ROW: Mr. Lewis Nicol, Advisor; Glenn Laverty, Treasurer; Miss Virginia Sgro, Advisor.

Another Successful Season

The Huskies of Coach Ksionzyk hampered, by an open date and bad weather, got off to a slow start dropping the first two games to Batavia and Nichols. With an improved defense and one of the best offenses in the area, the Huskies caught fire sweeping their next four games. Handicapped by injuries and insurmountable playing conditions, the Huskies battled to a 7-7 tie with arch rival, Bradford, thus concluding a highly successful season.

He went that way, boys.

Coach Ksionzyk delivers a pep talk to the O.H.S. Varsity before the traditional Bradford game.

Coach Sassone delivers a pre-game pep talk to the O. H. S. Varsity basketball team.

The Huskies of 1962-1963 were led more than ably by Mr. Robert Sassone, in his second year as Varsity coach. A highly effective team, particularly on defense, this year's squad provided innumerable thrilling games, winning—and in a few cases losing—by margins of less than five points. With only four seniors on the team this year, next year's hopes are even greater than this year's successes.

The Senior members of the squad include Paula Cacchio, Nancy Hogue, Paula Ramire, and Bonnie Zeher, whose energy will be sorely missed upon graduation.

Exchange Student

Olean High School's Foreign Exchange Student, Johann Michael Brinch.

For the first time in the history of Olean High School a foreign exchange student has been introduced to American society in our community. Johann Michael Brinch is an eighteen year-old student from Oslo, Norway.

"Mike", as he is most generally known, has quickly adapted himself to the life of an American teenager. He rapidly built up a reputation in cross country, placing in the top, 5 many times. When he first arrived, he showed skill in sailing, swimming, and waterskiing at Cuba Lake with some of his new friends. Making new friends was natural for him since our language proved to be no barrier. At one of the first school dances, which introduced him to the student body, we attempted to teach him the "Twist" only to learn he was a "pro" at that and many other dances as well. He displayed further ability by earning a place on the Honor Roll. The Choraliers recognized his talent by welcoming him into their organization.

We all feel that we have benefited from Mike's friendship and know that we have been fortunate to have such a personality among us.

Under the watchful eye of Mrs. Kyser, Mike and his fellow students conduct a Chemistry experiment.

Vice-Principal Kenneth Van de Mark welcomes Mike to O.H.S.

Congress Staff

CO-EDITORS IN CHIEF—Trudy Weisel, Marjorie Winicki.
ADVISOR: Miss Jo Ann Marra.

After several months of arduous toil, picture schedules, minor fiascos, and mass confusion, we, the 1963 Congress Staff present this yearbook to you, the student body, with a great deal of pride and a sense of accomplishment. Under the able direction of our advisor Miss Jo Ann Marra, we have struggled in order to present a yearbook of which you would be proud and one that would refresh your memory of events in years gone by, and would be indicative of the school to which you owed your loyalty for four years of your lives. Let then, this 1963 Congress, be a reminder of the sporting events, dances, activities and studies in which you have participated during those years between adolescence and adulthood.

It is to the Seniors though, as they make their transition and pursue their goals, that we wish especially to dedicate this book—for upon their shoulders the future rests. In our opinion Olean High School has prepared them well for the responsibilities which they are about to undertake and it is with a feeling of sadness that we pass from the small world of Olean High School to another, larger, more complicated world where life and its complexities await us.

"OUR LEADERS"

The Student Council, as the chief governing organization of the school, provides varied activities for the students. The first main activity of the Student Council this year was Homecoming, which proved to be extremely successful under the direction of the Co-chairmen, Sara Bradley and John Peters. For the first time in Olean's history the Student Council brought to the auditorium professional actors who presented "The Matchmaker." The proceeds from this play are to go toward a Student Council Scholarship. Other activities this year included a student participation assembly, a student musical, an opera in conjunction with the Area Council of Arts, Winter Week-end, and several dances.

The Student Council was very pleased and excited about our foreign exchange student, Michael Brinch, from Norway, and our donation toward the Foreign Exchange Student Fund for next year will be even greater than last year's.

Please don't cry,
Linda.

Student Senate

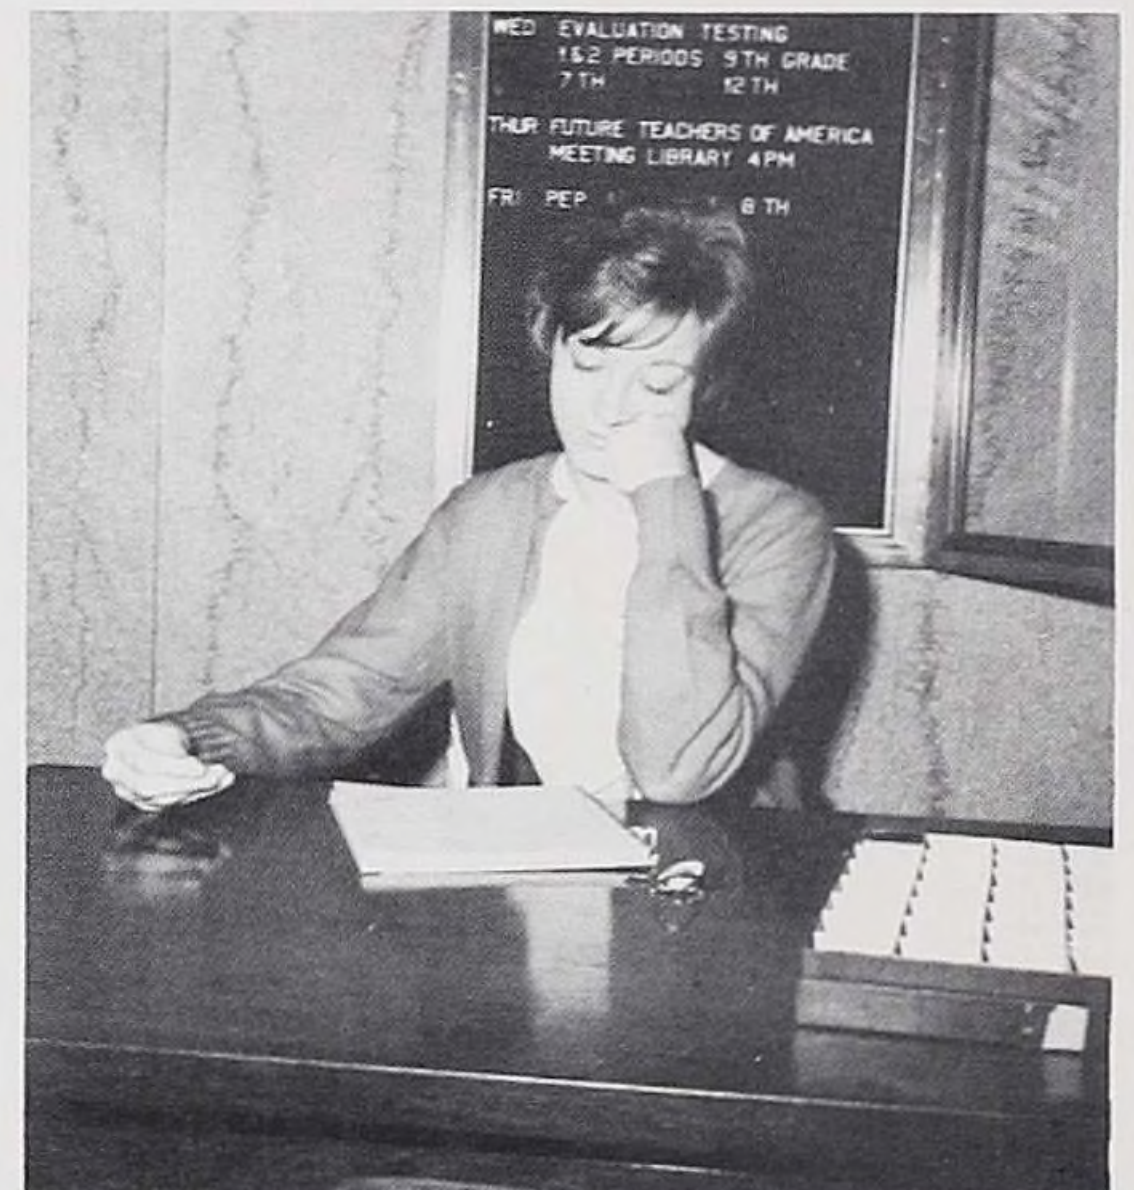

One reason for the continued success of this year's Student Senate was the change in the election of the representatives. Instead of simply being nominated from their homerooms, those who wished to represent their classmates were required to turn in petitions signifying their ability and an academic average of at least 80%. The Student Senate members worked diligently on the **Matchmaker** and Homecoming. Our biggest project was conducting the PTSA membership drive, which exemplifies the great amount of responsibility a representative has. The Student Senate, under the capable leadership of President Nancy Cipot, further aided in the production of the Student Musical, the Opera, and student participation assembly. One of our last projects was the highly entertaining Winter Weekend.

The National Honor Society is, as its name implies, a group with nation-wide membership. The goal of the Society is to encourage scholarship, citizenship, leadership, and service among its members.

The beginning of the school year found the Olean Chapter of the Society with only thirteen members. The induction of thirty-one new members, both juniors and seniors, brought the membership to forty-four. Juniors accepted into the Society must have maintained an average of at least 90% for the two-year period. Seniors must have an average of 85% for their three previous years.

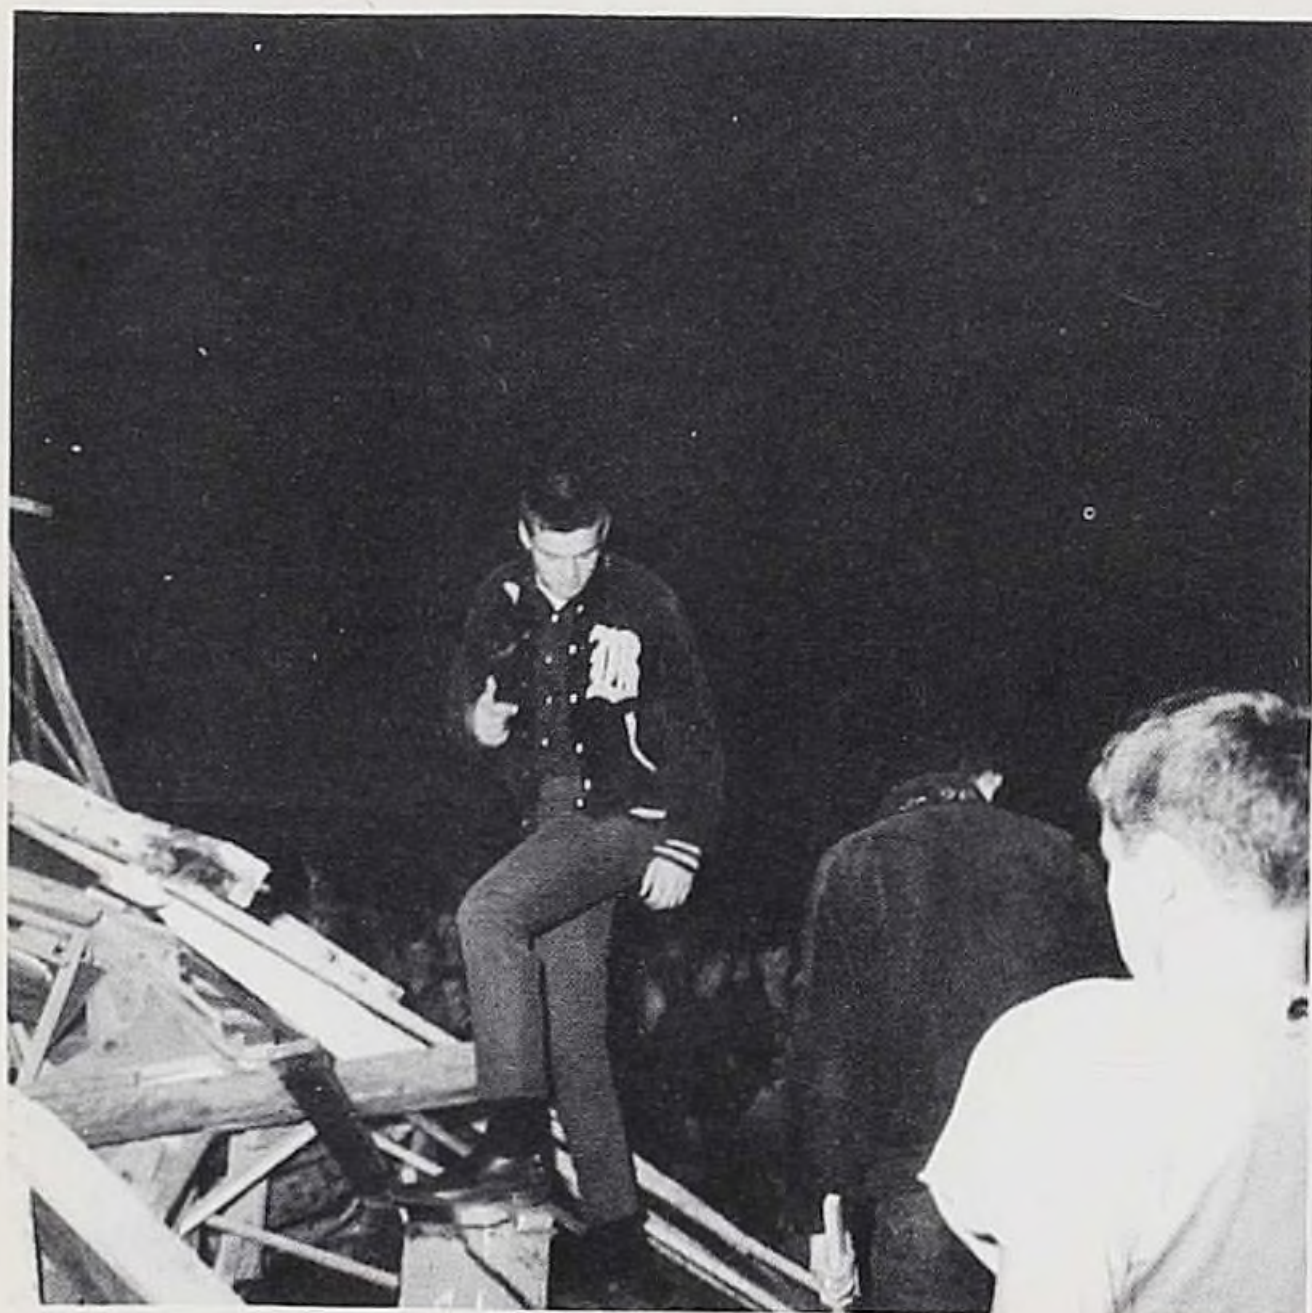

Olean High School should indeed be proud of its National Honor Society, not only because of the high scholastic averages of its members, but also because of their qualities as leaders in tomorrow's world.

Clink along with Tink.

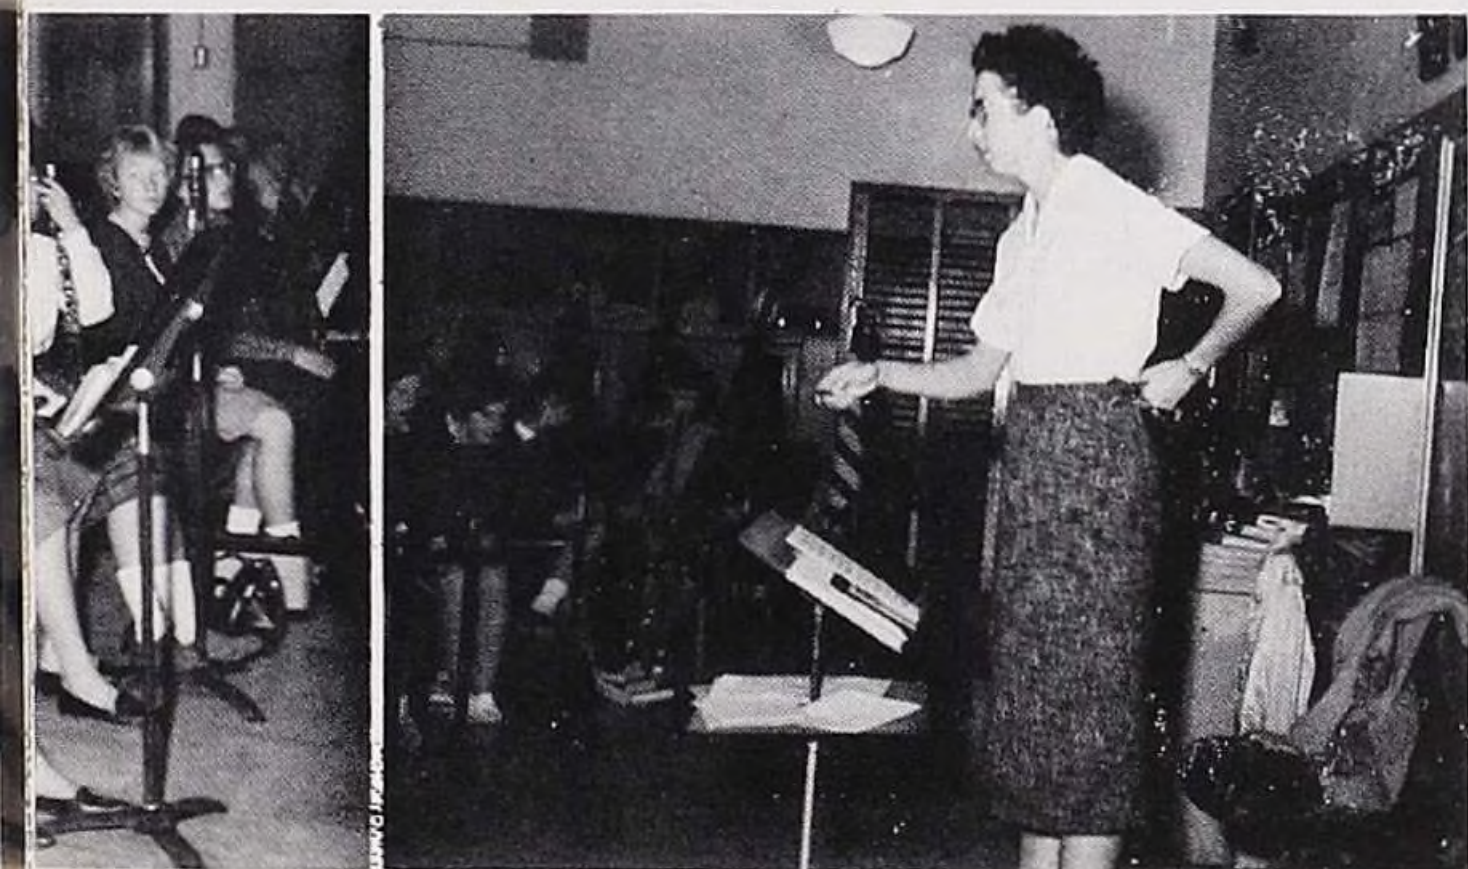

Well, we're trying.

The initial project of this year was the election of the following officers: John Matteson, president; Barbara Scott, vice-president; Sara Bradley, secretary; Marcia McMurdy, treasurer.

Our annual "Mile of Pennies" drive helped relinquish the cost of our new uniforms. This year's Bandtasia was highly praised as being one of the finest performances in the history of the O.H.S. band. During the first half of the year, the band was under the direction of Miss Jean Shauffler. We all appreciate the excellent work she did with the marching band, and we owe her our deepest thanks.

In the latter part of the year Mr. Lefquist returned from military service. The band members were very happy to welcome him back, thus ending the year on a happy note.

And a 1 and a 2 . . .

There'll be a hot time in the old town tonight!

The Pep Club, an organization to promote school spirit, is led by our Huskie Pup, Sue Shoemaker. This club's enthusiasm boosts the response of the student body towards varsity sports and other school activities. To ensure a large cheering section at out-of-town football games, the Pep Club provided buses to three games, including Bradford. Plans have been made for the future to raise money.

"Come on, you clods! Cheer! !"

Biology Club

Oh, I hope it's a new dissecting kit!

The purpose of our Biology Club is to promote the biological fields of science at the high school level.

In order to do this we hold regular meetings every Friday afternoon, which are planned in advance. The club sponsors numerous field trips throughout the year and raises funds through dues and fudge sales. We have the capable assistance of Mr. Paul Whitehill and Miss Regina Corrigan as advisors and under their leadership, the Biology Club has rapidly grown to a major club at Olean High School.

Outlook

Outlook, the school literary magazine has been revived this year under the leadership of Miss Kathleen Wright. This year the members of the staff, composed of all persons interested in writing or any phase of journalism, have published two issues. Poems, short stories, and essays, accompanied by sketches, are the main ingredients of the paper. Material for this magazine is submitted by all four classes of the student body, and then selected, arranged, and published by the efficient staff with Marcia McMurdy and Darlyne Cox as co-editors.

The staff has been very encouraged by the response of the students both in submission of articles, and in the sale of the magazine. We hope Outlook is as successful in the future as it has been in 1962-63.

The O.H.S. Homecoming weekend has always been one of the highlights of the school year and this year, October 19 and 20, was certainly no exception.

Under the chairmanship of John Peters and Sara Bradley, a weekend literally packed with events was enjoyed by all. To bring about a "team spirit" an assembly was staged on the front lawn where the king, queen, and their court were announced. That night a record gathering attended the bonfire where a pep rally was conducted by the cheerleaders. The next day was spent feverishly preparing floats and before anyone realized it, the time for the parade—the longest in O.H.S. history. There were twenty-one floats and cars led by the O.H.S. Marching Band. Then came the big game against Jamestown High which we won 32-6. The finale came with a dance in the O.H.S. gym which was decorated with an autumn motif. Here the king, queen, and court were crowned as follows: King—David Riggs, Queen—Diane Gabriel, Freshman Attendant—Barbara Hornburg, Sophomore Attendant—Sadie Donovan, Junior Attendant—Marla Smith, Senior Attendant—Paula Cacchio.

A very enjoyable time was had by all largely due to the efforts of the Student Council and Student Senate to which we extend many congratulations on a very successful and memorable weekend.

I am **so** your fairy god-mother.

Ah, those were the good old days!

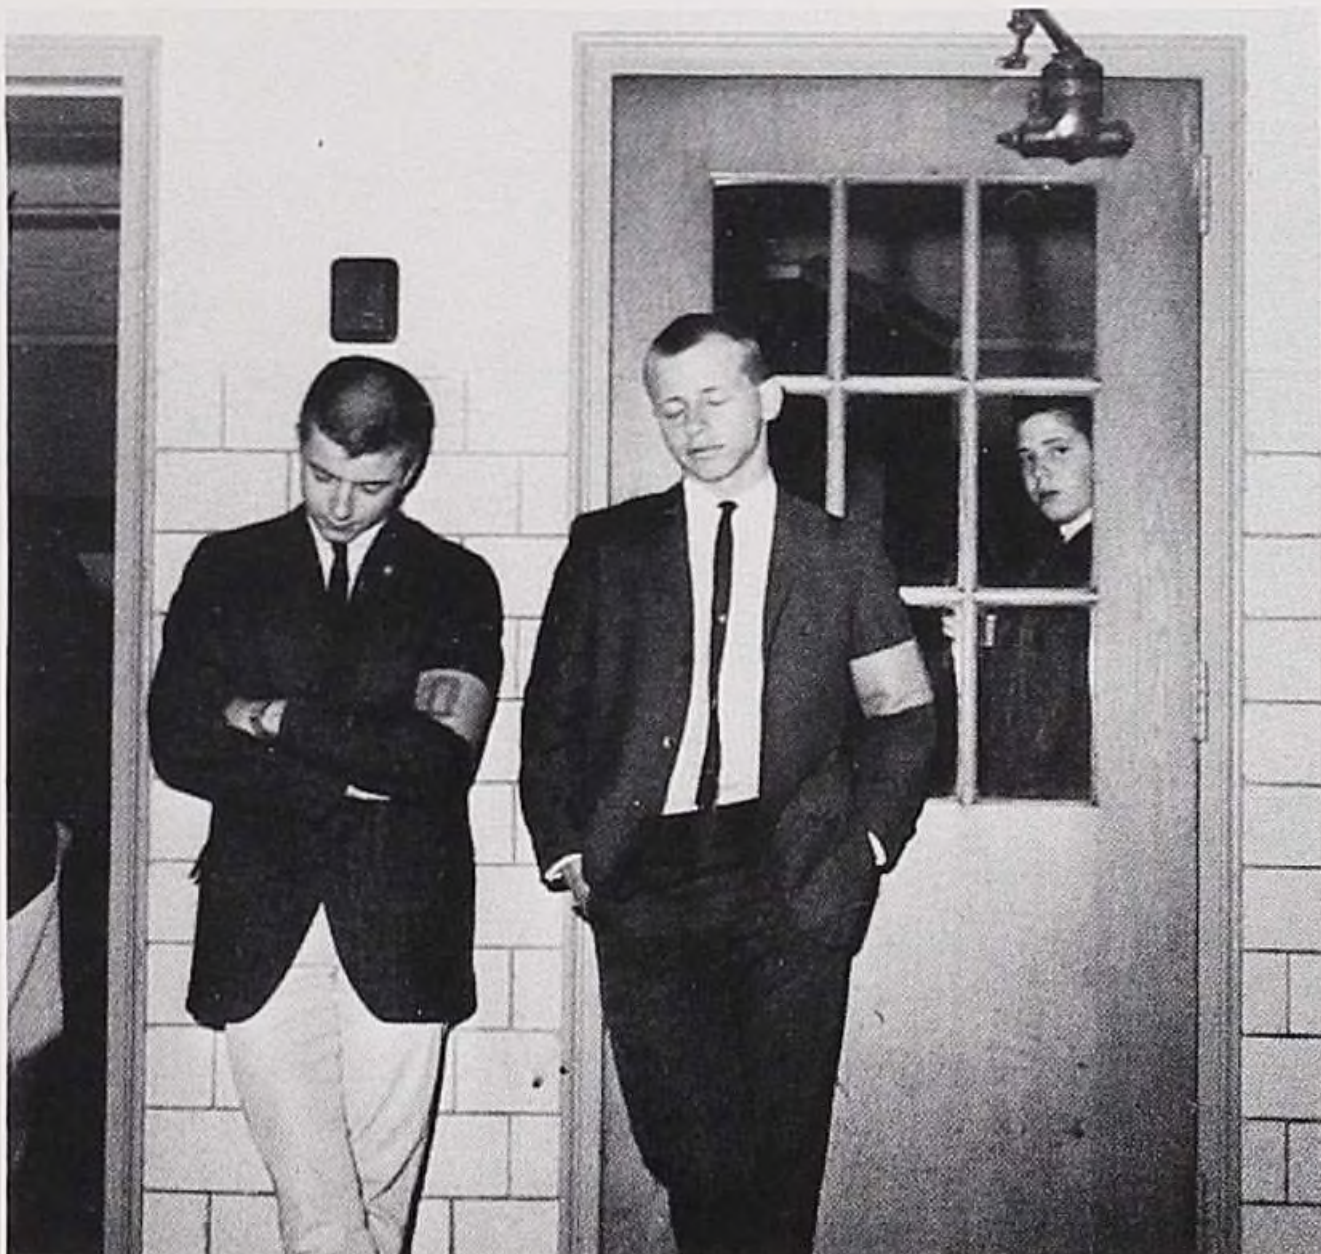

The Class of '64 presented its Junior Play **Mrs. McThing** by Mary Chase, November 16-17, 1963. This play involved Mrs. Larue, her son, Howay, and their "stick" counterparts whose lives were being controlled by the witch, Mrs. McThing. So many Juniors wanted parts that Mr. Glenn Chambers, the director, added to his burden by having a double cast. The fun of the rehearsals and of working on committees, the responsiveness of the audiences, and the financial profits, altogether made the play a great success.

Student Patrol

STUDENT PATROL—KNEELING: B. Crandall, K. Edstrom, M. Moran, R. Lisi, R. Allen, J. Kenyan, J. Dunbar, S. Kockler. STANDING: J. Matteson, T. Forrest, R. Saeger, E. Stier, R. Estes, B. Swarts, R. Montgomery, J. Sweet, J. Boats.

Our Student Patrol in Action.

"To prevent a situation, which could endanger the continuation of extra-curricular activities"—This is the policy of our newly organized Student Patrol under the direction of Steve Kockler and sponsored by Mr. Doyle. Throughout the year this organization has enforced suitable student conduct at our assemblies, Homecoming and our dances. Great response has been given by the student body to those boys and it is certainly one of Olean High finest ideas within the past year.

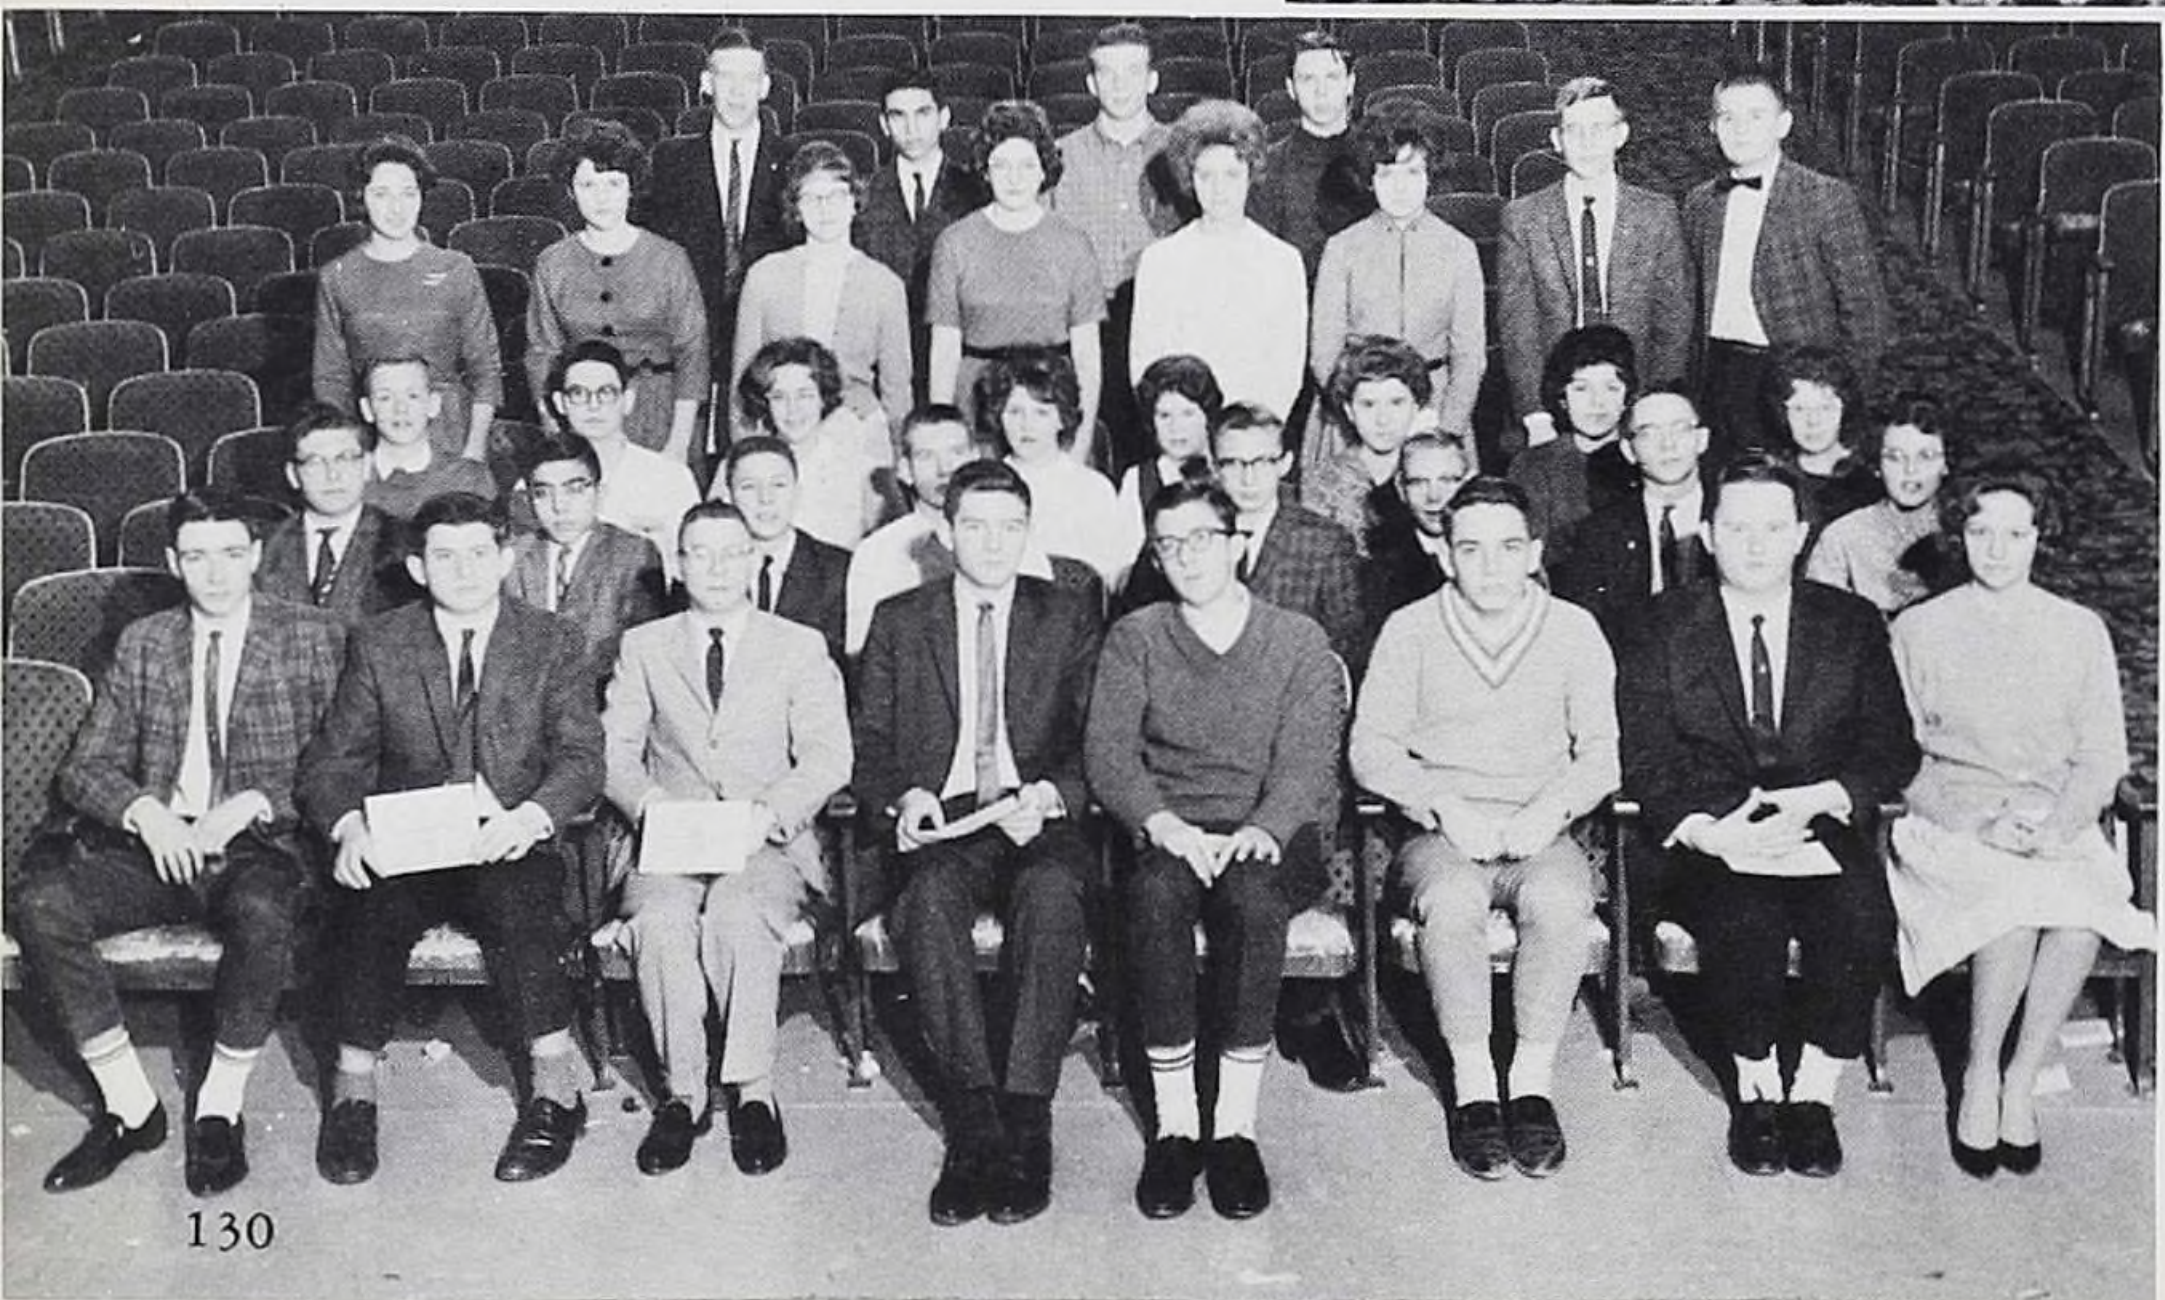

Scholastic Awards

Scholastic Awards were presented in November of 1962 to Seniors, Juniors and Sophomores who have distinguished themselves by maintaining a high scholastic average. The awards, organized by Leo J. Christmas Concert

The string section at work.

Marilyn Heath and Eileen Toohey - accompanists.

Sara Bradley - featured soloist.

This year's annual Christmas Concert, on December 19, 1962, was viewed by the student body in a morning performance. The regular pageant was replaced by the choirs singing a cantata on stage instead of being inconspicuously seated in the balcony. It was a refreshing change.

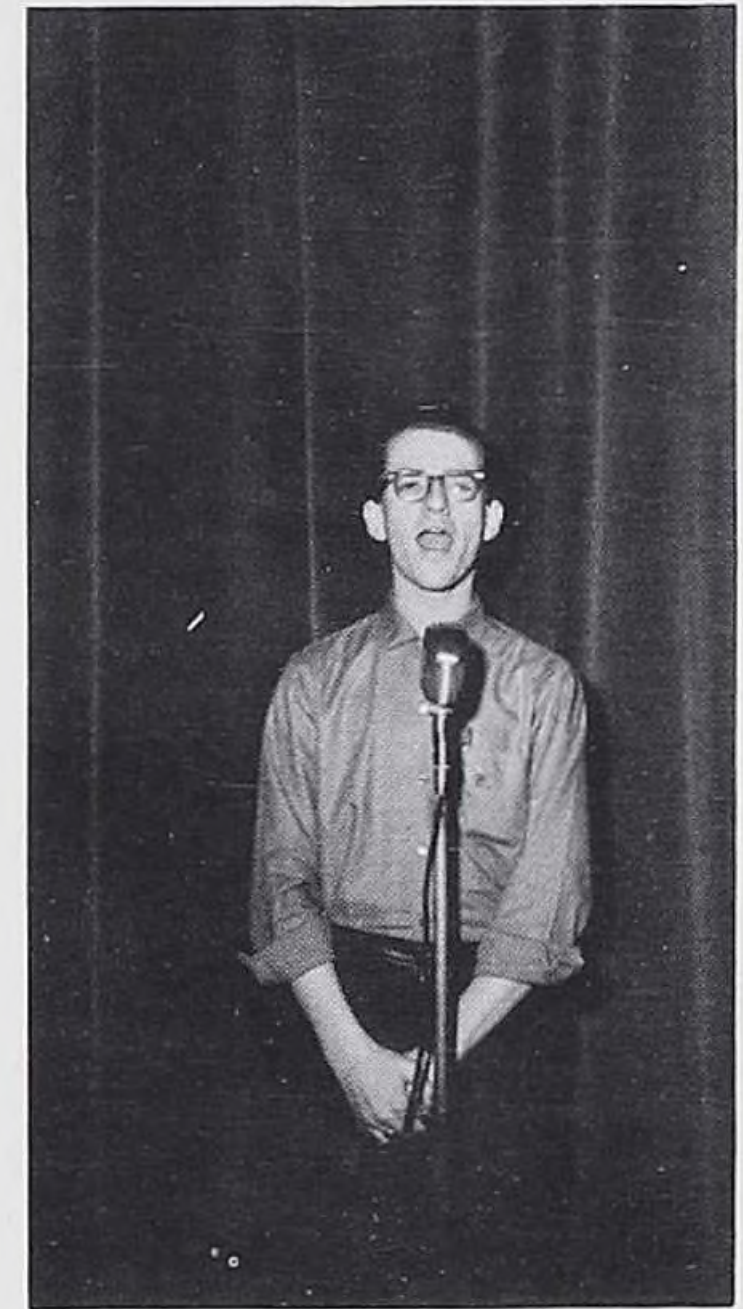

The orchestra, under the direction of Mr. Anthony Monaco, placed everyone in a holiday mood very affectively with some well-performed and enchanting pieces.

We did have one stroke of bad luck this year — Miss Questa could not lead her choirs due to illness. Needless to say, everyone was very sorry to learn of this. However, her substitutes from Olean Public Schools, Mrs. Fenton and Mrs. Collins did an excellent job in the preparation and production of the programs.

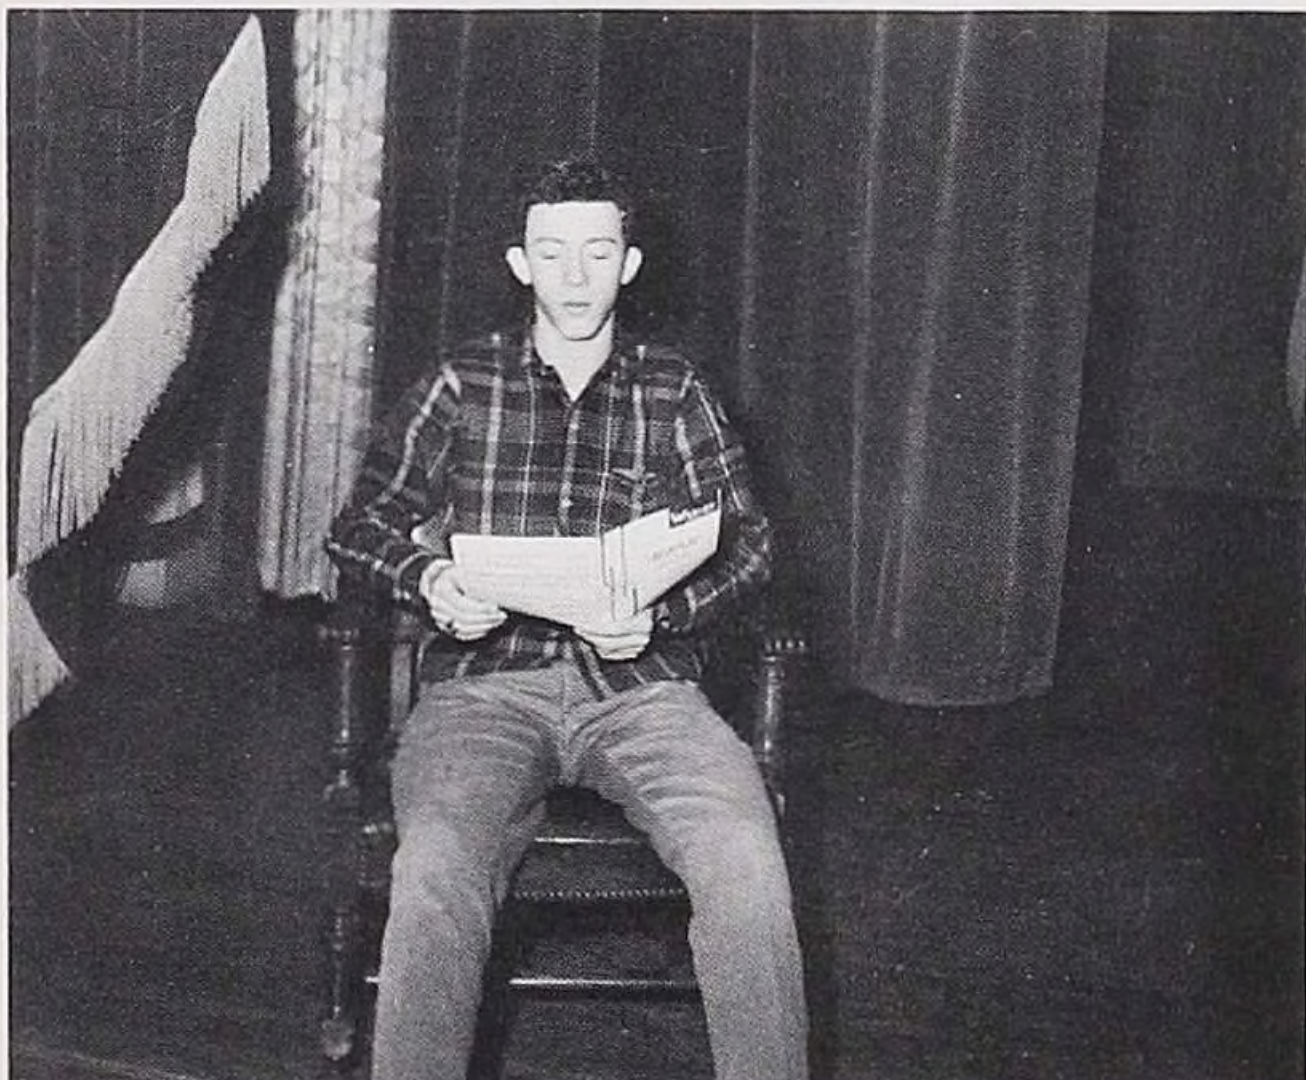

The first choir on stage was the Girls' Glee Club which skillfully presented various delightful holiday numbers.

The grand finale came when the combined Mixed Choirs and Choraliers presented the cantata "Noel" by Nobel Cain. The music itself was enough to send one's spirits soaring, but it was enchanted even more by the excellent accompaniment of Marilyn Heath and Eileen Toohey at the organ and piano respectively. The presentation was clearly narrated throughout by Joe Finn. There were also vocal solos performed by Linda Rosenbloom, Sara Bradley, and Ronald Spiller.

The concert was fully enjoyed by an audience and participants alike.

The Matchmaker

"The Matchmaker"

"Just the right amount of adventure and just the right amount of sitting quietly at home," is the wish of Barnaly Luckner, one of Thornton Wilder's characters, as he sums up the moral of "The Matchmaker" which was held on October 23, 1962 at the Olean High School auditorium. A near-capacity crowd enjoyed the comedy, which was staged by the Phoenix Theatre under the auspices of the O.H.S. Student Council and the New York Council of the Arts. Miss Sylvia Sidney, famed actress and star of the show, played the leading role of Mrs. Levi, who has a grand time as the scheming, bossy, inquisitive matchmaker — her own. Other members of the cast were Ralph Dunn, Sada Thompson, and Ralph Williams. Director of the show was Harold Prince.

On the day of the performance, the cast was greeted at the Olean House by the Student Council, the O.H.S. band, the Mayor, the President of the Olean Council on the Arts, and other important officials, in the middle of a downpour of rain and hail. Miss Sylvia Sydney was presented with a key to the city and a dozen of red roses. We all enjoyed the performance greatly and hope to have more off-Broadway shows be brought to Olean in the future.

Cosi Fan Tutte

Opera

A leading soprano puts the finishing touches to her make up.

For the first time in Olean's history, a professional opera cast was presented to the public under the auspices of the New York State Council on the Arts, the Area Council on the Arts, and the Olean High School Student Council. Tuesday, January 15, 1963 was certainly a day many of us will remember. Various members of the Student Council, Student, and student patrol aided in bringing about the success of "Cosi Fan Tutte".

Those who worked with the cast found them to be very warm and amiable. They enjoyed their stay in Olean nearly as much as we enjoyed theirs. Their truly magnificent cast included Jeannine Craoler, soprano; Nancy Williams, mezzo soprano; Joan Summers, soprano; Stanley Kolk, tenor; William Metcalf, baritone; Nolan Van Way, bass-baritone.

It was directed by John Gutman and associate director, Edwin Stahl also pianist. The manager was Glens Sauls aided by Larry Malsy, Michael Bronson, and William Nix.

Winter Weekend

WINTER WEEKEND COURT: CO-CHAIRMEN Jim Hernquist and Linda Spears crown their majesties Ann Cashimere, QUEEN, and Ronald (Hank) Post, KING. STANDING, Left to Right: Gloria Jadowski, FRESHMAN ATTENDANT; Patti Thomas, SOPHOMORE ATTENDANT; Margie Forney, JUNIOR ATTENDANT; Bonnie Zeher, SENIOR ATTENDANT.

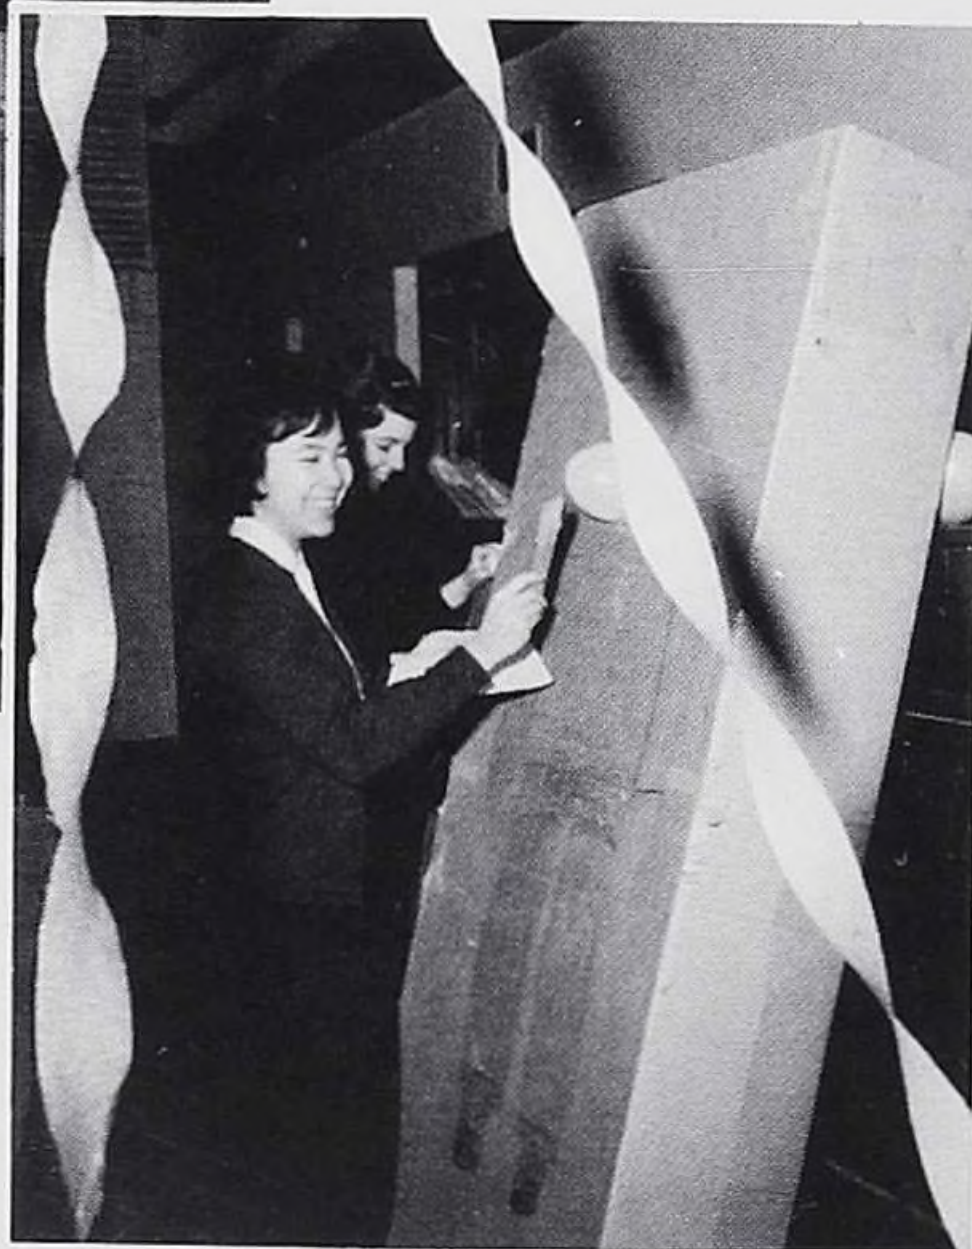

The dates of February 8 and 9 were filled by much activity at O. H. S. It was time for the annual Winter Carnival sponsored by the Student Council. Festivities, under the chairmanship of Linda Spears and Jim Hernquist, began Friday morning with an assembly. We were honored to have with us this weekend, Linda Ho, a South Vietnamese exchange student at Elma Central High School.

The weekend had an international touch which was accented by the presentation of American flags to Mike Brinch, our Norwegian exchange student, and Linda Ho who was in her native dress. Mike in turn presented the school with a Norwegian flag. The assembly was climaxed with the announcement of the court.

That evening a bazaar was held in the gym where the classes and various clubs had booths. Due to the lack of snow, the snow sculptures were eliminated. This didn't dampen school spirits, however, and that afternoon saw the gym filled to capacity with spectators watching the exciting All-Stars vs. Syracuse basketball game.

That night everyone came to the varsity game with great enthusiasm. The weekend was brought to an end with a dance and the crowning of the court.

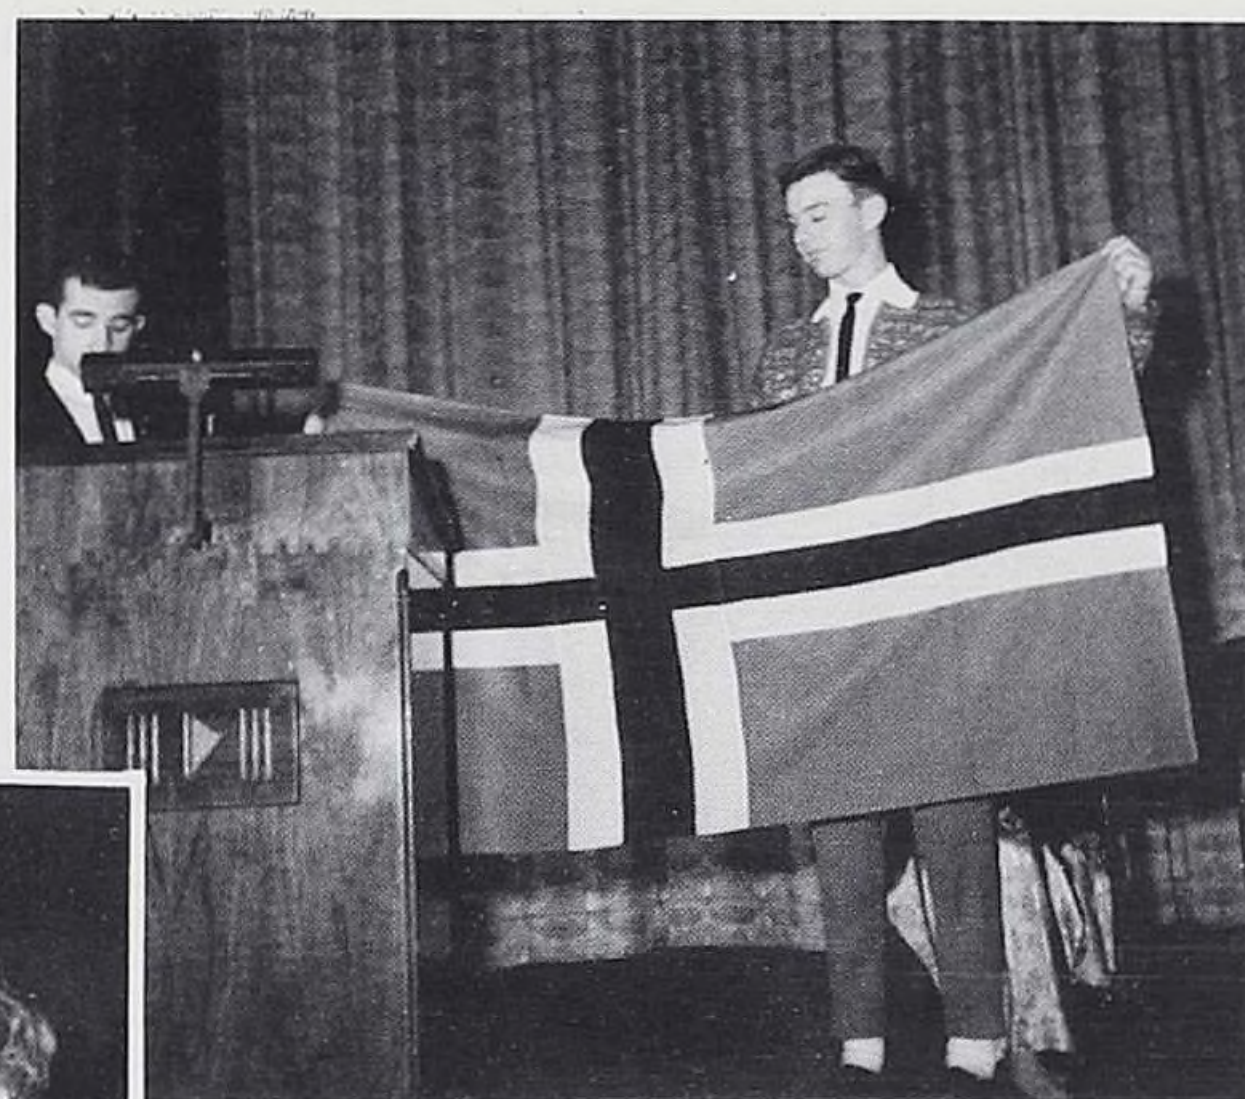

And so for us seniors, ends another of our "lasts"—a very enjoyable, Winter Weekend.

Mike Brinch and Linda Ho gave Winter Weekend at O. H. S. the proper school spirit.

We Met the Deadline!!!

The 1962-63 school year is drawing rapidly to a close and for us on the yearbook staff, the time has come to publicly acknowledge those who gave their support to our endeavors. First and foremost we give our heartfelt thanks to Mr. Paul Nodler who uncomplainingly endured the confusion, hysteria, and deadline blues to which he was subjected. Next we wish to thank Mr. Frank Siclari of the Camera Center who helped us innumerable times with last minute chores and photography problems.

Mr. Jack Coy, representative of the Inter-Collegiate Press Publishing Company, deserves volumes of praise; he performed time-consuming tasks, answered our harried letters and postcards with humor and reassurance, and was always dependable in a time of crisis.

We wish to thank Inter Collegiate Press Publishing Company and J. N. Rashbach, for the fine efficient service they rendered throughout the year.

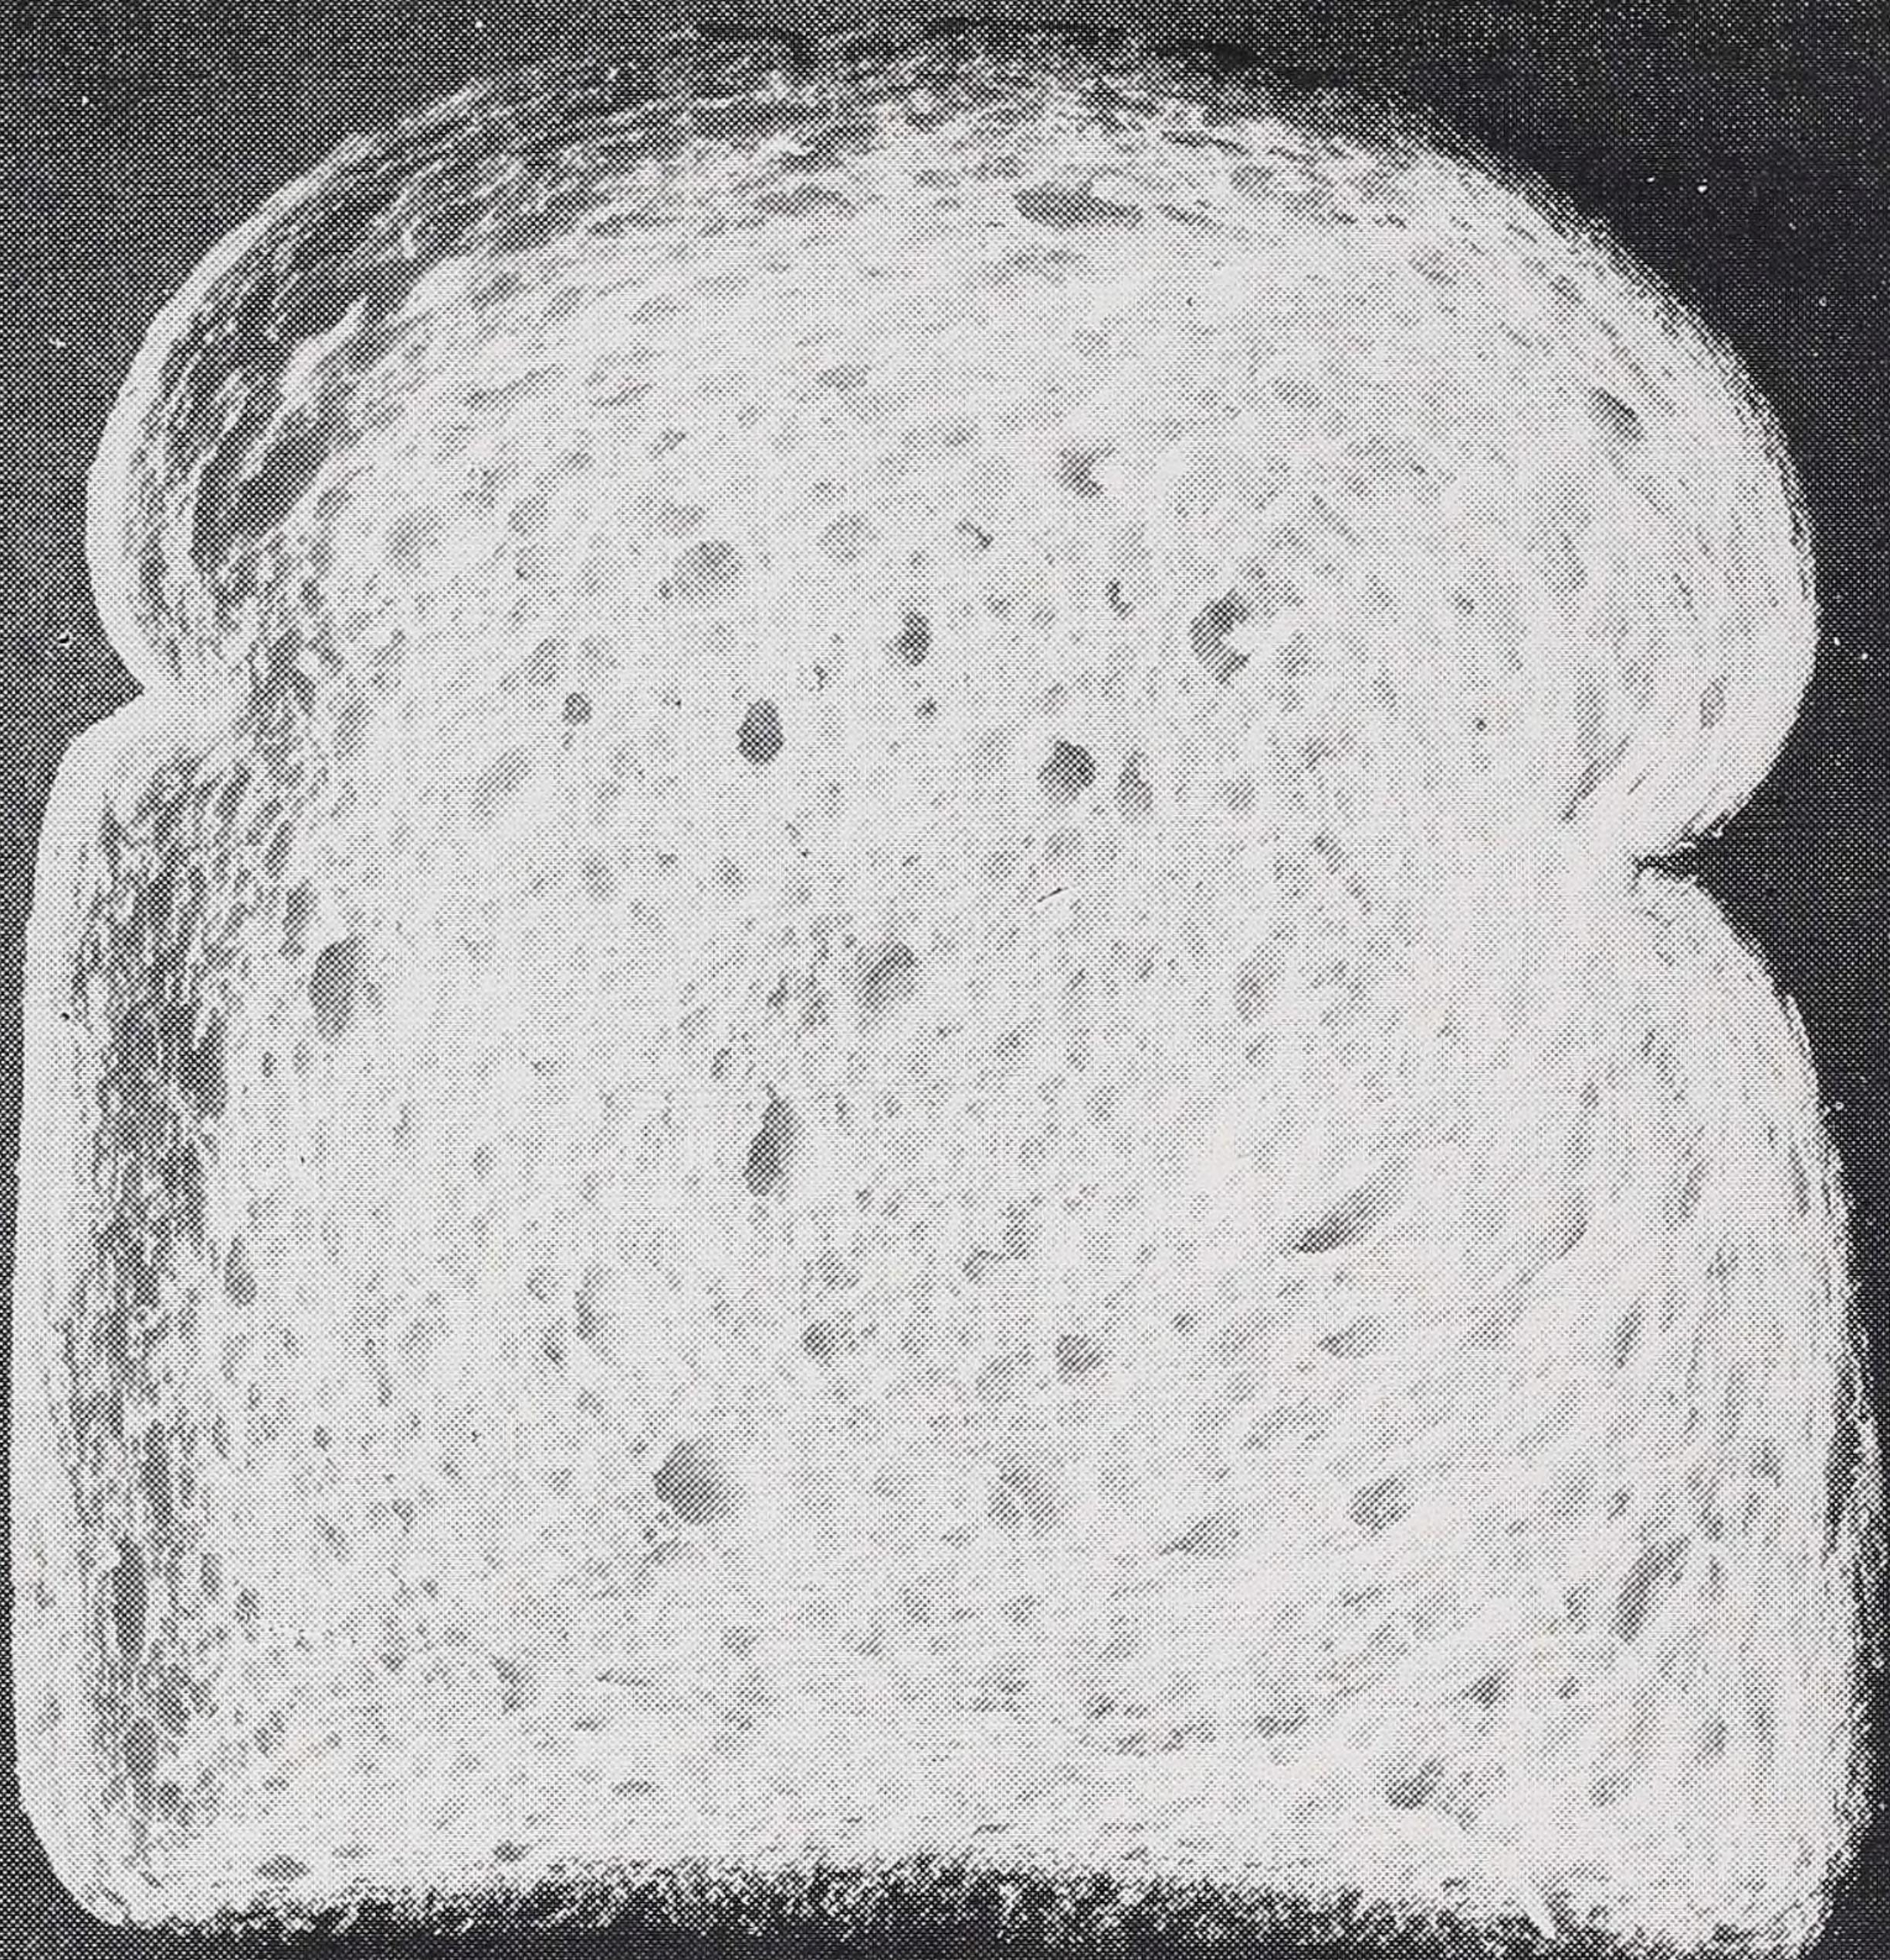

We are indebted to the administration, especially Mr. John W. Wallace and Mr. Kenneth Van de Mark for their understanding and encouragement without which we could not have succeeded. Our thanks also go to the faculty and office staff who proved helpful in so many ways.

We are grateful to Mrs. Harold Greene who hospitably opened her home to us where we slaved to all hours attempting to finish a required forty-page deadline. We also appreciate the aid rendered by Mrs. Gilbert French and Mrs. John McNamee for transporting and housing aid to the 1963 **Congress** staff.

Last but not least, we, the 1963 **Congress** staff wish to convey our personal gratitude to Miss Jo Ann Marra, whose advice and counsel proved invaluable in presenting the 1963 **Congress** to you, the students and faculty of Olean High School.

AFTER

necessary:

that's the way people feel about their daily newspaper.

Add another staple to food, clothing, shelter, the daily newspaper.
It's that basic.

Nearly everyone reads it (99 million people on an average weekday).

They read it thoroughly, page by page (71%)
Would feel lost without it or miss it (79%)
They clip it (editorials 53%, ads 28%), quote from it (65%).

And 99 million consumers wouldn't have it any other way—an ever-changing diet of news and events, freshly packaged, eagerly consumed, thoroughly digested, completely welcome, The Daily Newspaper.

Note: 53% clip from editorial items, 28% clip from ads in a three month period.
65% quote from the newspaper in the past month.
