W. CECIL DAVIS
SUPERINTENDENT OF SCHOOLS

DEDICATION TO DR. DAVIS

The late Dr. W. Cecil Davis devoted over forty-five years of his life to education, in the fields of teaching, supervising and administrating.

His judgment was largely responsible for the faculty chosen to guide and teach our youth, and it was he who approved the study curricula that is used by the faculty to train the students and prepare them for later life. Through the youth of this community who enter our progressing society, his influence will be felt throughout the world. It is therefore with honor that we dedicate the 1964 CONGRESS Yearbook to the memory of Dr. W. Cecil Davis.

CLASS OF 1964

ADVISORS: Miss Margaret Sabatino; Mr. Harold Miller.

OFFICERS: Linda Spears, President; Marla Smith, Vice-President; Kathy Masi, Secretary; Kristine Drew, Treasurer.

We, who are now taking leave of Olean High School, pause for a moment to look in retrospect at our activities of the past four years, and to express our final farewell to OHS.

We, as today's seniors began our high school years four short years ago and were fortunate to gain, as our advisors, Miss Margaret Sabatino and Mr. Harold Miller. After conducting a very successful candy sale, we freshman added more to our treasury by winning the first prize for selling the most tickets to Talent Night. Through hard work and co-operation, we won second prize for our snow sculpture and second prize for our float during Winter Weekend, and also sponsored a very successful dance, "Dribble 'n Hop".

As juniors, the Class of '64 again sponsored a very successful dance, "The Junior Trot". The Junior Play, **Mrs. McThing**, was performed on November 16 and 17, under the direction of Mr. Glenn Chambers. The students showed such enthusiasm, that a double cast was chosen. Under the able leadership of our director, with the aid of our ad-

visors, and along with the hardworking cast and committees, the play was a tremendous success. We once again showed great ability in producing a very successful Junior Prom, **May Magic**, one of the most impressive proms ever given at OHS.

We seniors began our last year at OHS with a feeling of pride and yet regret. Our first project, "The Senior Kick-off" proved to be a very successful dance. Plans are being made for the presentation of the Senior Play, **Ask Any Girl**. We are looking forward to it for enjoyment and profit. Another project, and perhaps our final one as a group, will be the Senior Prom, which will end four years of never-to-be-forgotten experiences.

As the time approaches for our Class to say our final good-bye to OHS, we know that many things must be left behind, but the memories that have become a part of us can never be taken away. We emerge from the doors of OHS with the hope that the students who follow us will maintain the high standards of this school by adding new and greater honors to its name, that we seniors may be forever proud of our Alma Mater.

PRESENTING
OLEAN HIGH SCHOOL'S
EXCHANGE STUDENT

ALAN
BELL

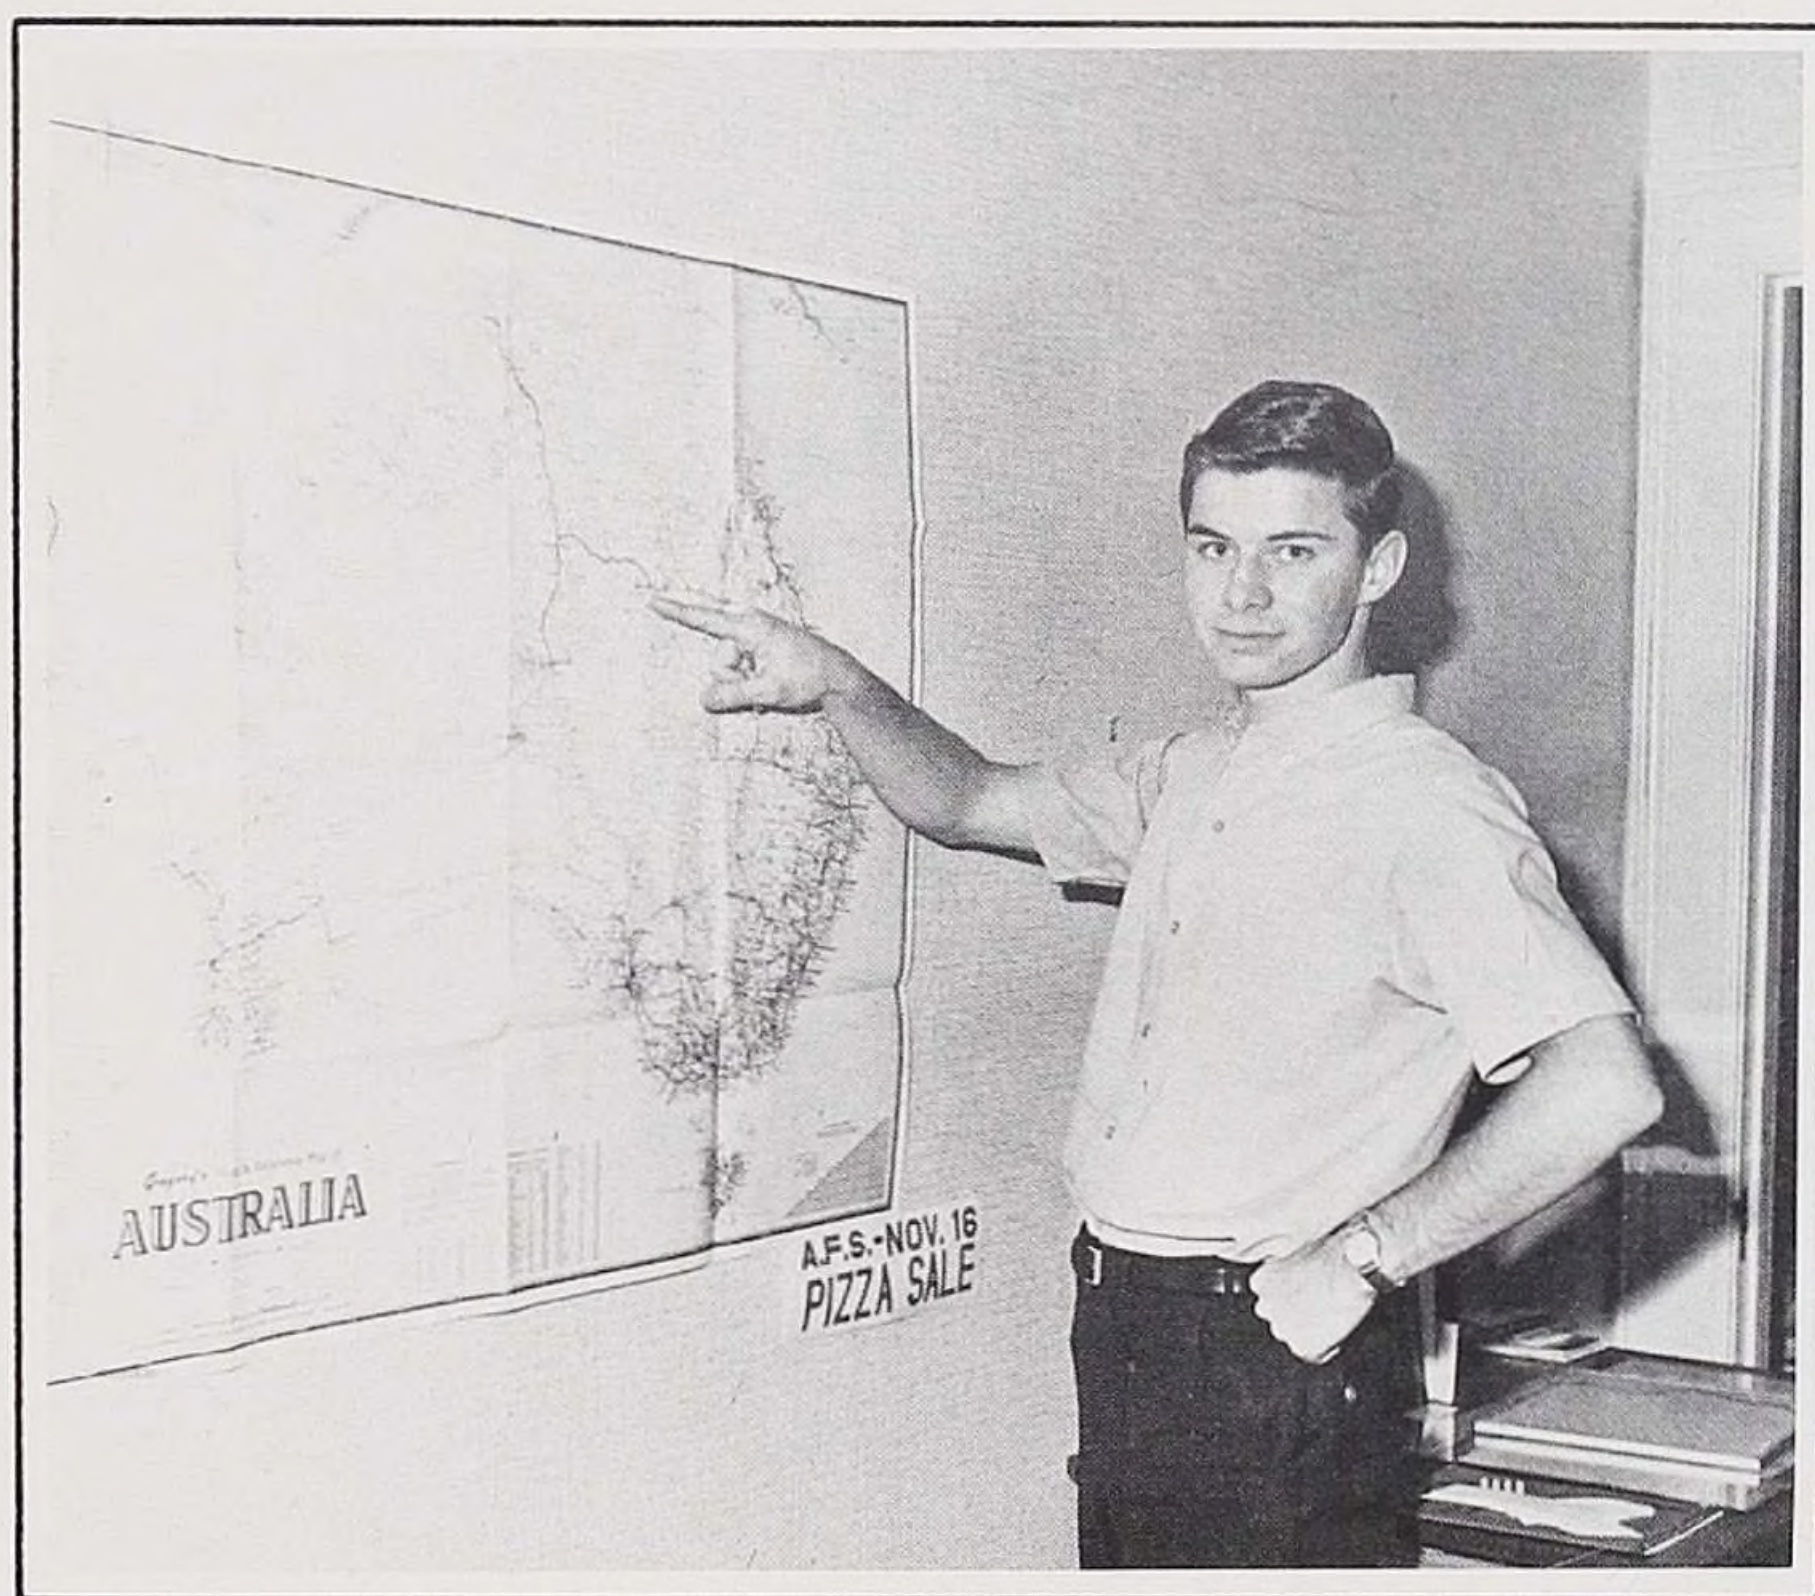

To the Students of Olean High

It has been a great experience for me to spend my year in the United States at Olean High School. As Olean High's second exchange student, I have learned much and had a wonderful time during the year. As I look back, I recall my arrival, including the thousands of questions about kangaroos, my first days at school, and the many welcoming events arranged for me. It was from this beginning that my high regard for the students of OHS first evolved. As I became a regular student and entered into the routine of school life, I was impressed by the kindness and good nature of my fellow students. I feel that they have given me so much. My greatest worry throughout the year has been, and still is, that, as your exchange student I have been able to return only a portion of what you have given me — friendship and understanding.

Perhaps the thing that will remain with me always is this friendliness and hospitality of the students and their families. I have made many friends, and I know I will miss them greatly when I return to Australia. I have come to love the students here, and I will always regard OHS proudly and affectionately as "my school". Not only have the students been wonderful, but so have the teachers, the Student Council, and, in particular, the President, Gary Johnson, and Vice-President, Bob Utecht. They and the many other people have made my stay here most enjoyable. Because they have become so much a part of me, I know that some day, I must return to Olean and Olean High School.

With deep gratitude

Alan Bell

Mr. Paul Nodler of

Nodler's Studio

We of the Yearbook Staff present the 1964 Congress to the student body. This year we have broken away from tradition in many instances, in order to bring you the year's activities in a different, more interesting manner than has been done before. We met with conflicting opinions and much controversy at times, but in spite of this, we hope you will consider this 1964 Congress one of the best yearbooks in OHS history.

Cross Country is Olean's second fall sport and is run in competition with other area schools. Under the able supervision of Coach Martin Welch, Olean ran against such schools as Bradford, Jamestown, Amherst, and Franklinville and also competed in Invitational and championship meets.

This year's cross country team was sparked by several of Coach Sasson's basketball hopefuls who found cross country an excellent way to get into shape for the basketball season.

HIGHLIGHT OF AUTUMN

HOME COMING 1963

HOME COMING WEEKEND

began with a pep assembly, Friday morning, October 11. The entire student body was in high spirit and responded encouragingly with applause, cheers, and tears for the Huskies, and the king, queen, and attendants. We remember Friday evening for the huge blazing bonfire and excited cheering. Classes and organizations worked all day Saturday on their floats for the parade, in hopes of winning first prize. The floats entered this year in the annual parade, showed great imagination and the results of much hard work. At the game the crowd urged the Huskies on until it was hoarse. But we needed more than noise, for the final score was 20 to 12. Despite our defeat by Cathedral Prep, we students attended the Homecoming Dance in full spirit. The gymnasium, decorated in the theme of autumn, was crowded with dancers and spectators. With the crowning of the Royal Court at midnight, came the climax of the dance and the weekend. Although the spirit of the weekend was dampened somewhat by our football defeat, all of the fun and excitement made this Homecoming an indelible memory.

THE BOARD OF EDUCATION

Mr. Orin Crandall, Mr. Henry Eade, Mr. John Bazow, Mr. Arthur Yahn, Dr. James Doucett, Mr. Victor Koebelin, Clerk of the Board; Mr. Glenn Reitz, Mr. William Wasson, Mr. Waldo Burdick, Mr. Robert Adams.

Dear Graduates:

You are about to step out into a world changing so fast a description of it today would be out of date before you read these words. Whole nations are caught in the ferment of cultural conflict. In such a world, you have necessarily only begun to learn. Until now your education has depended on your family, your schools and teachers. Henceforth it will depend upon you individually.

There are many unsolved problems facing the world today. The freedom of man in the years to come is dependent upon those problems being solved. The solutions will depend upon whether you and other intelligent and educated people will, with hope, understanding and dedication, devote yourselves to the task.

Congratulations upon your achievement of this milestone in your life!

Sincerely,
J. A. Doucett, M. D.

SUPERINTENDENT OF SCHOOLS

Dear Seniors:

You are now writing "Finis" to the preface of your book of life. You know yourself what it relates.

As you turn the pages of the tomorrows, you must assume the responsibility of authorship for the story it will unfold.

Your parents, your teachers, and the community have provided you with the tools with which to work, the principles to guide you, and the values that give life its meaning, so that you may be a better writer of those chapters yet to come.

You must now accept the challenges of this uncertain world and make sure that the future chapters will be better written because you are contributing in a significant way to the story of man's search for truth and justice.

Good luck, and may God bless you.

Sincerely,
Harold McManus

STUDENT COUNCIL

The principal governing body of students at Olean High School has functioned this past year under the able leadership of Gary Johnson and Bob Utecht.

With the cooperation of other organizations in the school and the city, the Student Council has raised funds for various causes of interest to the students, such as the American Field Service Program, the John Wallace Memorial Fund, and the Junior Chamber of Commerce Scoreboard Fund.

It is also the responsibility of the Council to plan the social events for its electors. They organized the Homecoming Weekend, the Winter Carnival, assemblies, pep assemblies, dances, the Honor Roll, the Student Musical, and others.

Lastly, the student elections, the appointment of the Huskie Pup, the selection of the Student Patrol, the recognition of a new club were all under the direct control of the Council.

The club is under the direction of Mr. William Lincoln who has provided instruction in ski technique to all members. With the opening of Grosstal Ski Resort, skiing in our area has become little more than a ten minute ride, and the ski club is a step toward helping many who never had the chance to learn the method of this sport.

THE CLASS OF 1965

This year the class of 1965 is under the able sponsorship of Mrs. Helen Winslow and Mr. Joseph Quinlan. We have been very active and successful in our three years at O.H.S. We won second prize for our Homecoming float in both our Freshman and Sophomore years. Although we didn't win any prizes with our float this year, the tremendous school and class spirit proved that it's the work, and not the winning, that counts.

This year our class has contributed to the Dr. W. C. Davis and the John Wallace Memorial Funds. Our main projects will be our Junior play and our Junior Prom. We are hopeful that both will be highly successful.

THE CLASS OF 1966

We, the Class of 1966, with our advisors, Miss Virginia Sgro and Mr. Louis Nicol, are now more organized in anticipation of our future projects.

As Freshmen, we sponsored one very successful dance and entered a float in the annual Homecoming parade.

This year, weekly meetings are held on Thursdays.

Candy was sold to raise money for future activities, specifically, for our Junior Play and Prom. We also held another successful dance. This year, we won third prize for our Homecoming float which not only added money to our treasury, but also boosted our pride. We, the Sophomore Class of Olean High School, eagerly look forward to the two remaining years at OHS, and hope to achieve our goals of scholarship and success.

THE CLASS OF 1967

The class of 1967 has just begun the four year climb to graduation. In these years we hope to gain new friends, as well as experience and knowledge. This year, under the guidance of our advisors, Miss Ethel Ross and Mr. McDivitt, we have sponsored a dance, which was quite successful, and entered a float for Homecoming. Although our float didn't win a prize, all who worked on it enjoyed themselves.

We, as freshmen, are proud to be a part of the Olean High School student body and are anxiously looking forward to the next three years.

IN MEMORIAM

JOHN W. WALLACE

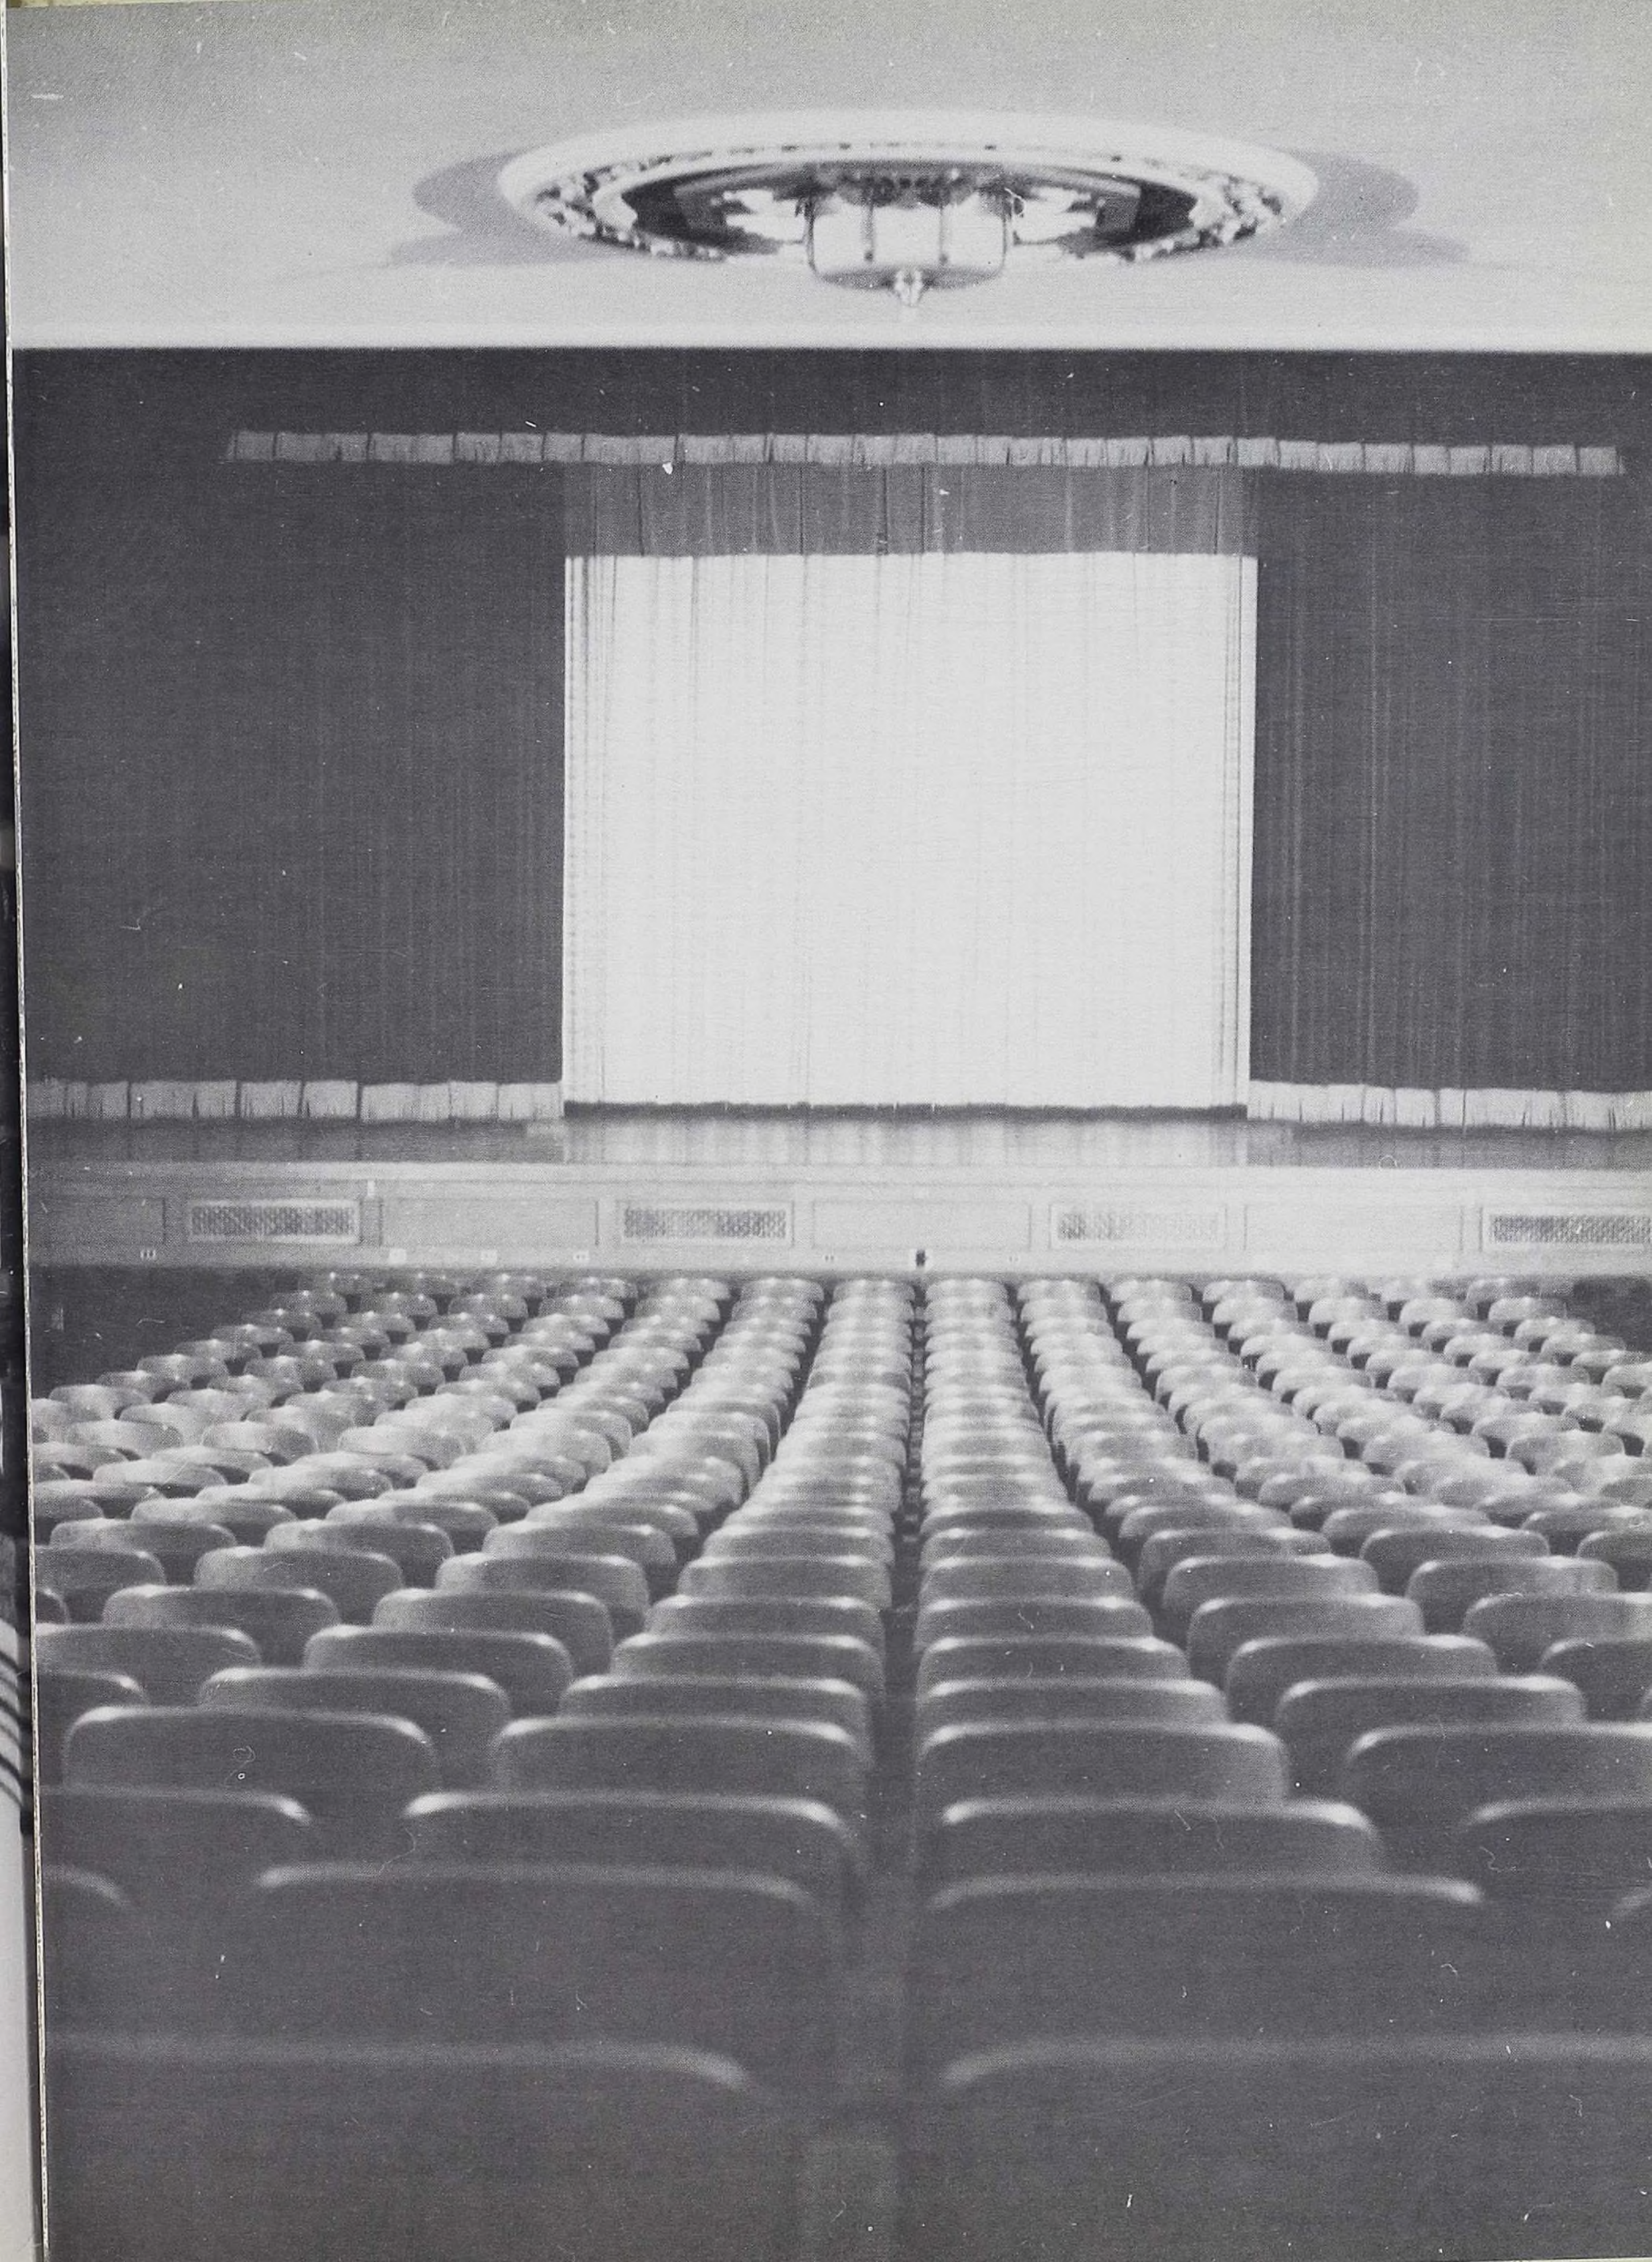

"Throughout his career he endeared himself to faculty members and students. His interest in youth was combined with great patience and understanding. He wanted students to realize the full responsibility and importance of obtaining an education, but at the same time, he felt that the school should be the source of social as well as academic learning."

. . . Gary Johnson, President of the Olean High School Student Council on the occasion of the presentation of the Wallace Memorial.
