Mr. Bertram Cram

For the past twenty years, Mr. Bertram Cram has been employed as a custodian in the Olean High School. "Bert" has efficiently attended the stage and lights and has helped the students greatly in the production of many student activities such as plays, talent nites, and concerts.

To you, Mr. Cram, with deep appreciation, we dedicate the 1971 Congress.

T o p T h r e e

The Valedictorian of the Class of 1971 is Holly Baum. Holly's average for her four years is 95.33. She was elected to National Honor Society in her junior year. She has been interested in European and Russian history to 1917, science, mathematics, sports, and model rocket building. Holly has been accepted and will attend Cornell University's College of Engineering as a chemical engineer major.

Cynthia Ustruck has maintained an average of 97 in high school. Cindy moved here from Beloit, Wisconsin this year. She is also a member of National Honor Society. Cindy is taking chemistry at St. Bonaventure University. She is interested in swimming, water and snow skiing, and mathematics. Cindy plans to pursue chemical engineering at Rice University, Vanderbilt University, Cornell University, or Michigan University.

Douglas R. Wright is Salutatorian of 1971 with an average of 95. Doug has been an active participant in varsity basketball, golf, cross-country for one year, Varsity Club, Student Council, and National Honor Society. He enjoys reading, sports, and music. Doug intends to further his education at Brown University, Williams College, or Cornell University with a liberal arts major leading to a career in the social sciences or law.

Wendy Anstaett, our AFS exchange student, spent last summer in Germany. For a month, she vacationed with her adopted family on an island in the North Sea. Wendy later went to stay in Emden, West Germany.

The family contains the father who owns a dry-cleaning plant, the mother who owns a beauty shop, and two girls aged sixteen and nine.

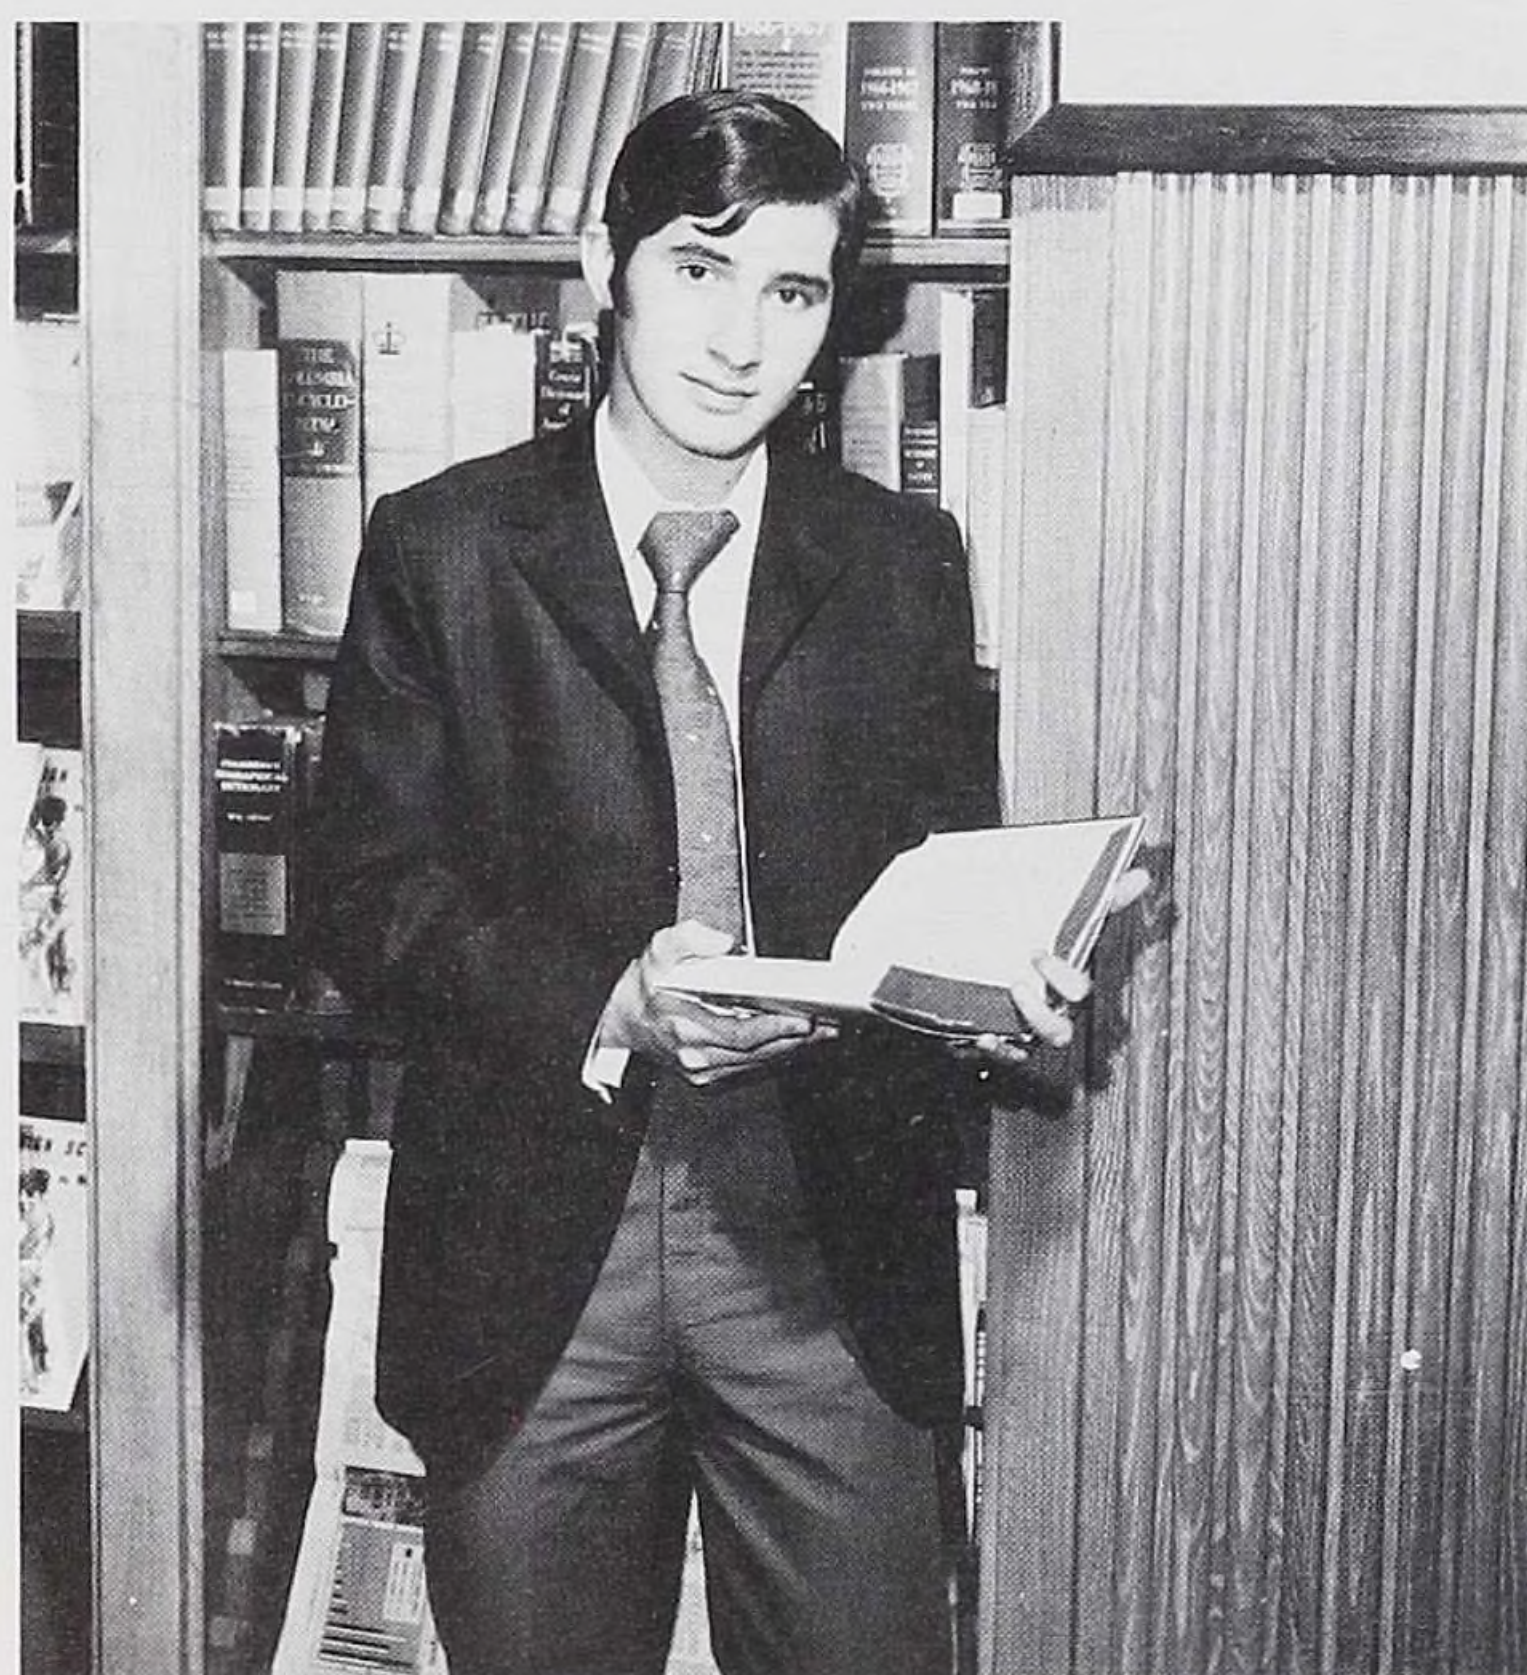

There, she visited several different kinds of German schools, the Volkswagen plant, and the shipworks.

Wendy is now taking second year German and is hoping to major in language and mathematics in college. She will definitely go back to Germany to see all the sites she missed, and then on to all the rest of the countries of the world.

Aytur Cayircilar, our exchange student on the American Field Service Program, is from Ceyhan, Turkey. His family consists of his parents and four sisters. Aytur enjoys American sports — skiing, swimming, basketball, soccer, and football. He also likes all kinds of music.

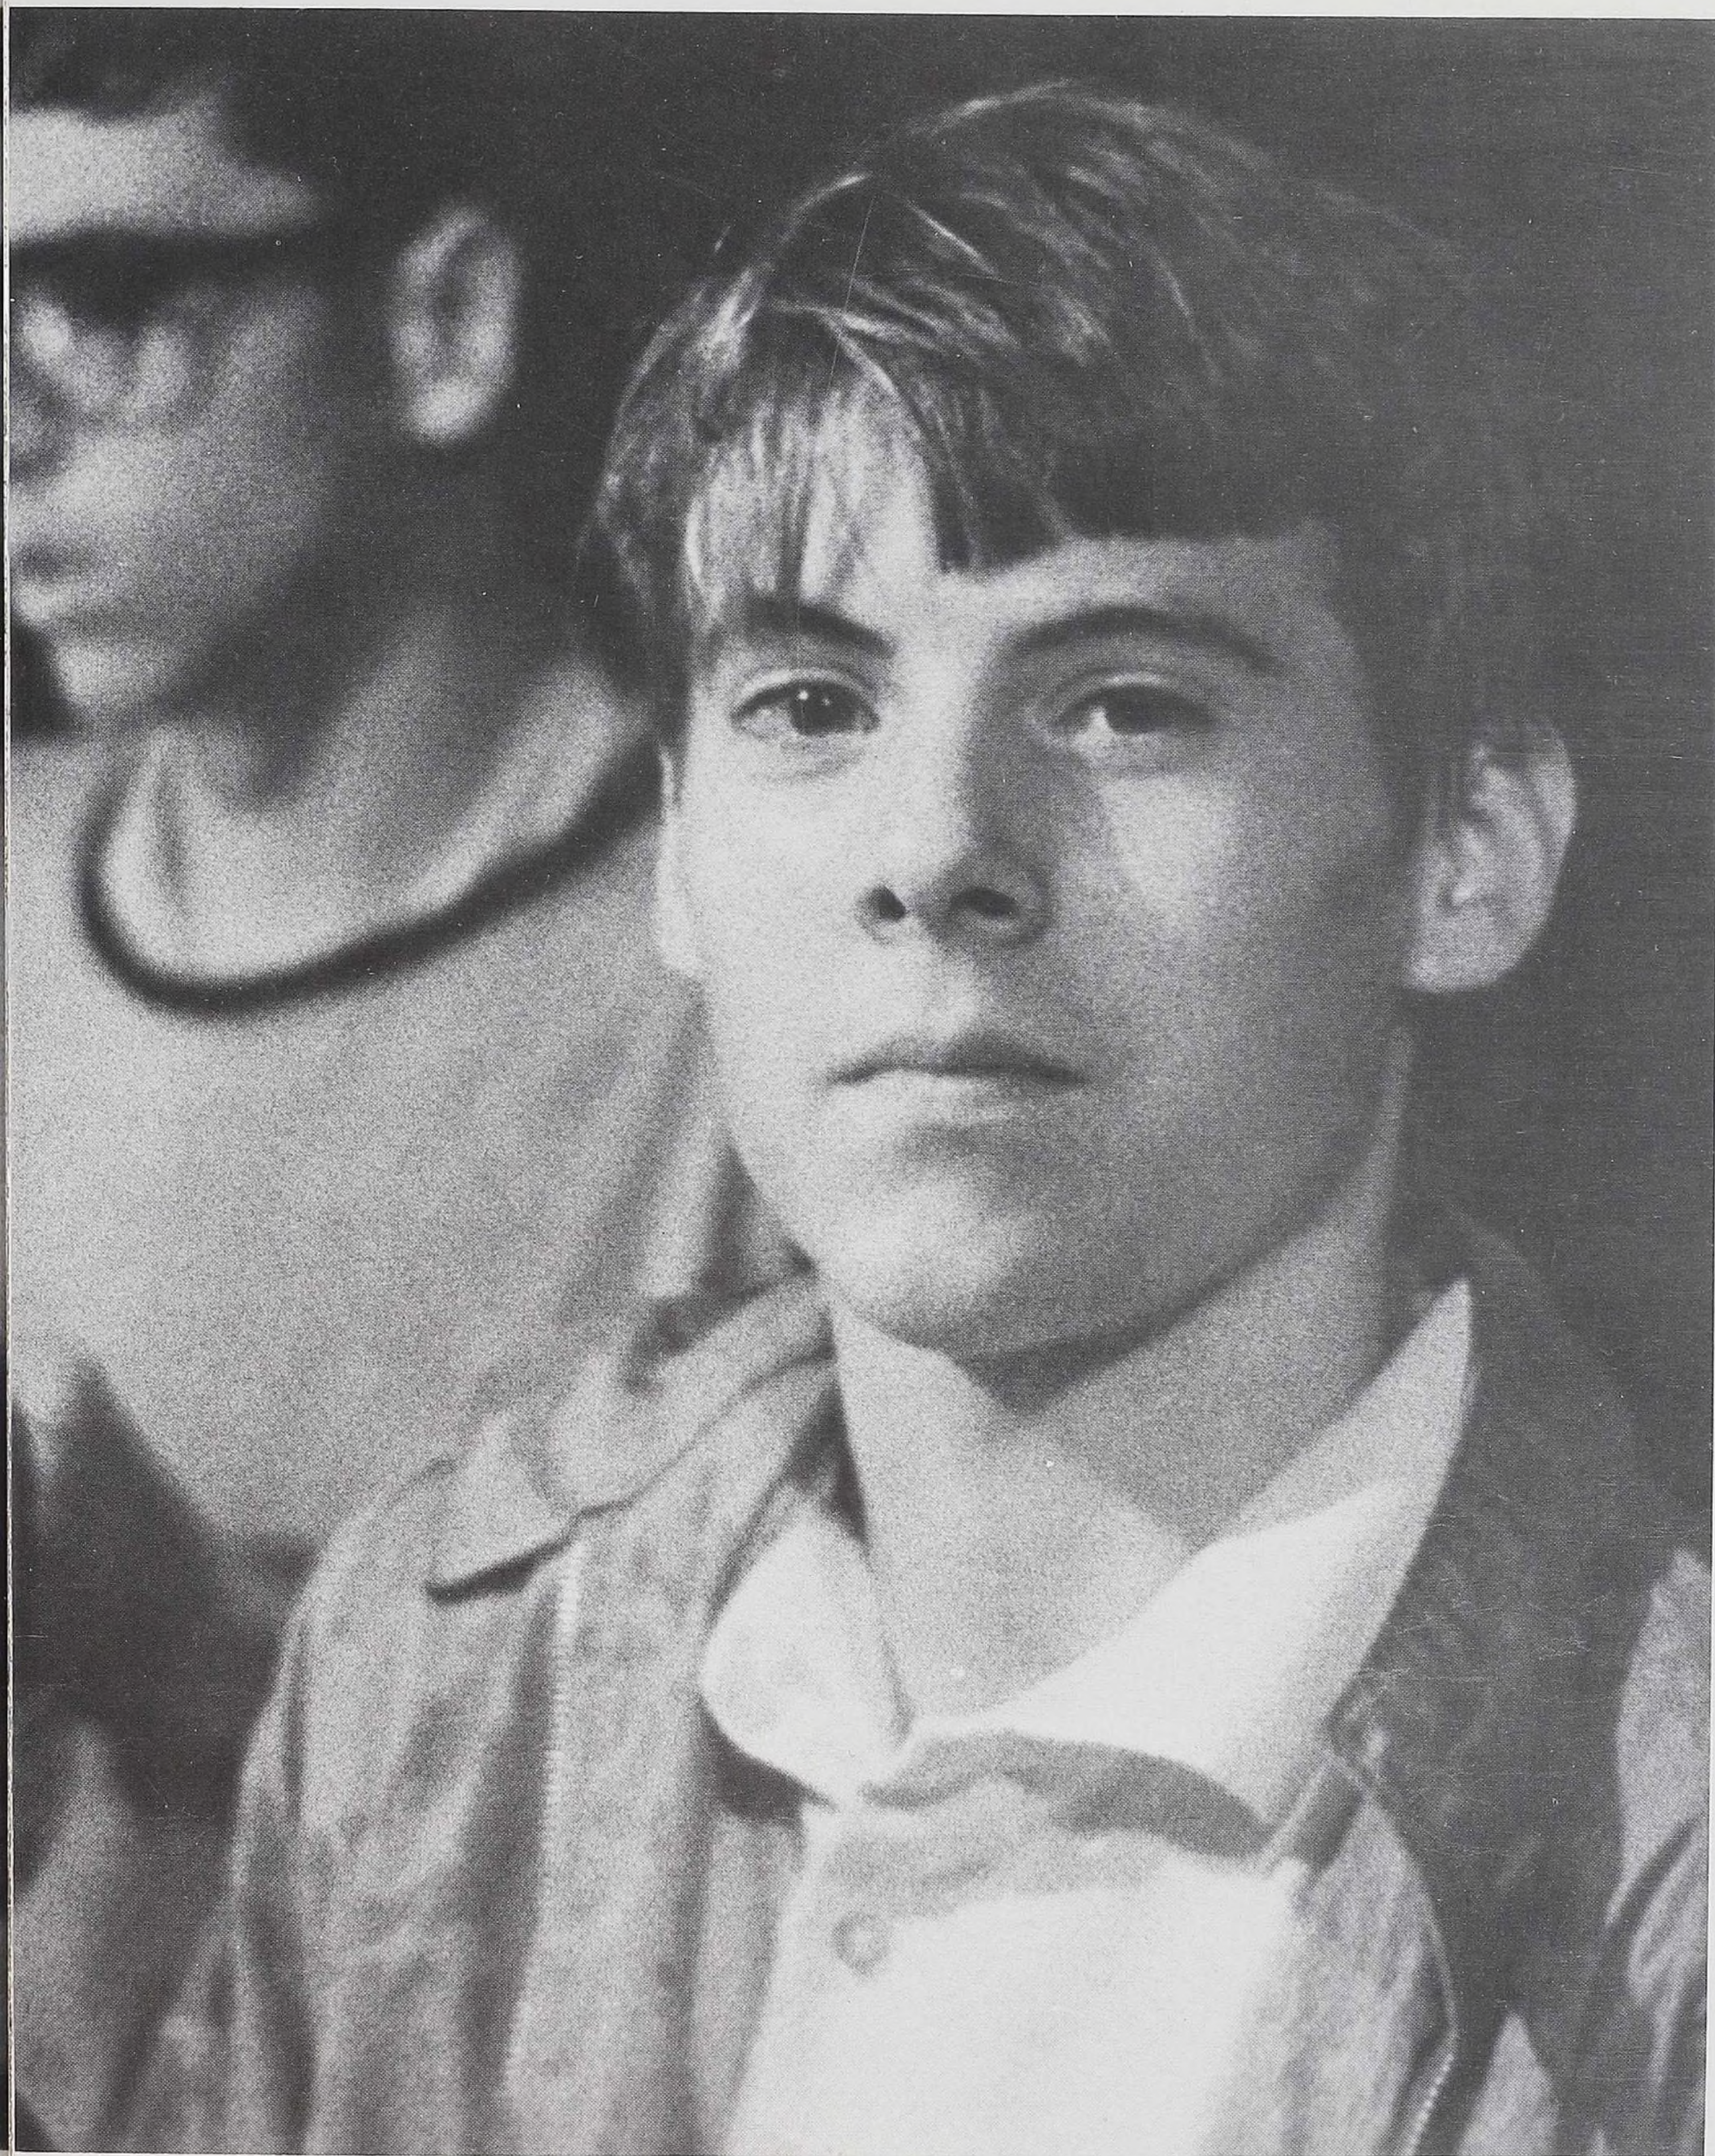

Aytur graduated from high school in Turkey last June. Upon his return home, he will go to college to study mechanical engineering.

Aytur hopes to come back to the United States sometime but not to live here permanently.

Mr. Kenneth B. Van de Mark

My dear Seniors:

The Olean Senior High School staff joins me in extending congratulations to you on your success leading to graduation in June 1971. The Senior year is the crowning achievement in reference to your total school experience. I believe that you should regard your graduation as a beginning and not an end. Completion of the High School program opens the doors to the future which, in turn, presents new challenges and unlimited opportunities. The entire High School staff feels confident that your achievement makes you equal to the challenge of the future. We share with your parents in taking pride in your success. We believe, too, that you will come to appreciate and recognize the importance of your membership in that large group of graduates known as the OLEAN SENIOR HIGH SCHOOL ALUMNI. You have our best wishes for your continued success.

Sincerely,

A handwritten signature in cursive script that reads "Kenneth B. Van de Mark".

Kenneth B. Van de Mark

Dr. Oscar J. Pultz

TO: CLASS OF 1971

In many ways this year's Congress is like a key. It can unlock wonderful memories — memories of years spent at Olean Senior High School. In still other ways it resembles a blueprint — for many, many plans have been made during the four years you have been here. Some of these plans have reached fruition; others must await development of the future.

While graduation is the formal termination of your high school education, it is just the beginning of new and exciting opportunities.

Your future is, in a large sense, dependent upon what your preparation has been. I am sure that this preparation has been a thorough one.

Best wishes for success in every endeavor.

"A MAJORITY OF ONE"

On November 13 and 14, 1970, the students of Olean High School presented "A Majority of One" in the school gym. The Leonard Spigelgas comedy was under the direction of Miss Kathleen Wright. Memorable performances were given by Harriet Penensick as Mrs. Jacoby, Brian McLean as Mr. Asano, and the remainder of the cast.

"A Majority of One" was another success for Miss Wright and the All-School Production cast.

"THE LARK"

"The Lark" by Jean Anouilh, the second All-School Production of the year, was presented in the school auditorium on February 26 and 27, 1971. Gayla Wanmaker as Joan, Mark Zuckerman as Warwick, and Ed Spencer as Cauchon, under the direction of Miss Kathleen Wright, led the cast in the presentation of the story of Joan of Arc, who was inspired by unearthly voices to lead the French Armies against The English.

Newspapers make a BIG DIFFERENCE in people's lives—every day

Strife erupts in some far-off trouble spot on the other side of the world. But that fact is not enough. Where? Who is fighting whom? What is the conflict about? How will it affect world tension and political maneuvering? You want—and deserve—to know more than one flash fact. Providing the answers is a responsibility assumed by your newspaper.

Death-caused by nature's ravages or by man's hand— Strikes in some part of the world. But that fact's not enough. Where? Who did what to whom? Why? How are we involved? Your newspaper provides the answers, bringing you thorough coverage, careful analysis, maps, and pictures.

A siren sounds in the middle of the night. A close friend's oldest daughter is married. Your favorite team wins a football game. Death claims a man whom you have respected all of your life. Flash facts are not enough. You—want—and you deserve—to know far, far more. Your newspaper assumes the important responsibility of meeting that need. This is a job done by men and women who have the experience and the know-how needed to report and edit the news, to produce and distribute an informative, entertaining and all new product each day—your newspaper.

Because your newspaper brings you and others "far, far, more," it makes a BIG DIFFERENCE in people's lives—in your life—every day.
