CONGRESS
1981

ALMA MATER

Oh, Alma Mater, fair and true,
Thy honor we acclaim;
We rally round the Red and Gold
To laud thy noble name.
In thee we students shall renew
Our faith of days gone by,
Across the years we'll live anew
Thy spirit, Olean High.

Dear Olean, Thy loving ways
And charms will ever be,
Those memories of golden days,
Those friends and hearts so free.
To thee we pledge thy honor due,
And parting, sound thy cheers
Our thought of you, so staunch, so true,
Will live thru all the years.

Student Activities Council

left to right - Lynne Macler, Tim Smith, John Campbell, Karen MacFarland

The Student Activities Council would like to thank the student body for the opportunity to serve during this 1980-81 school year.

This year we not only organized school activities, we took an active role in community service as well. By sponsoring a car wash, we supported Youth Against Cancer. For the American Red Cross we co-sponsored two blood mobiles.

Our activities calendar this year was more complete than in past years. Both Homecoming and Winter Weekend were carefully planned and we hope all those who participated enjoyed themselves.

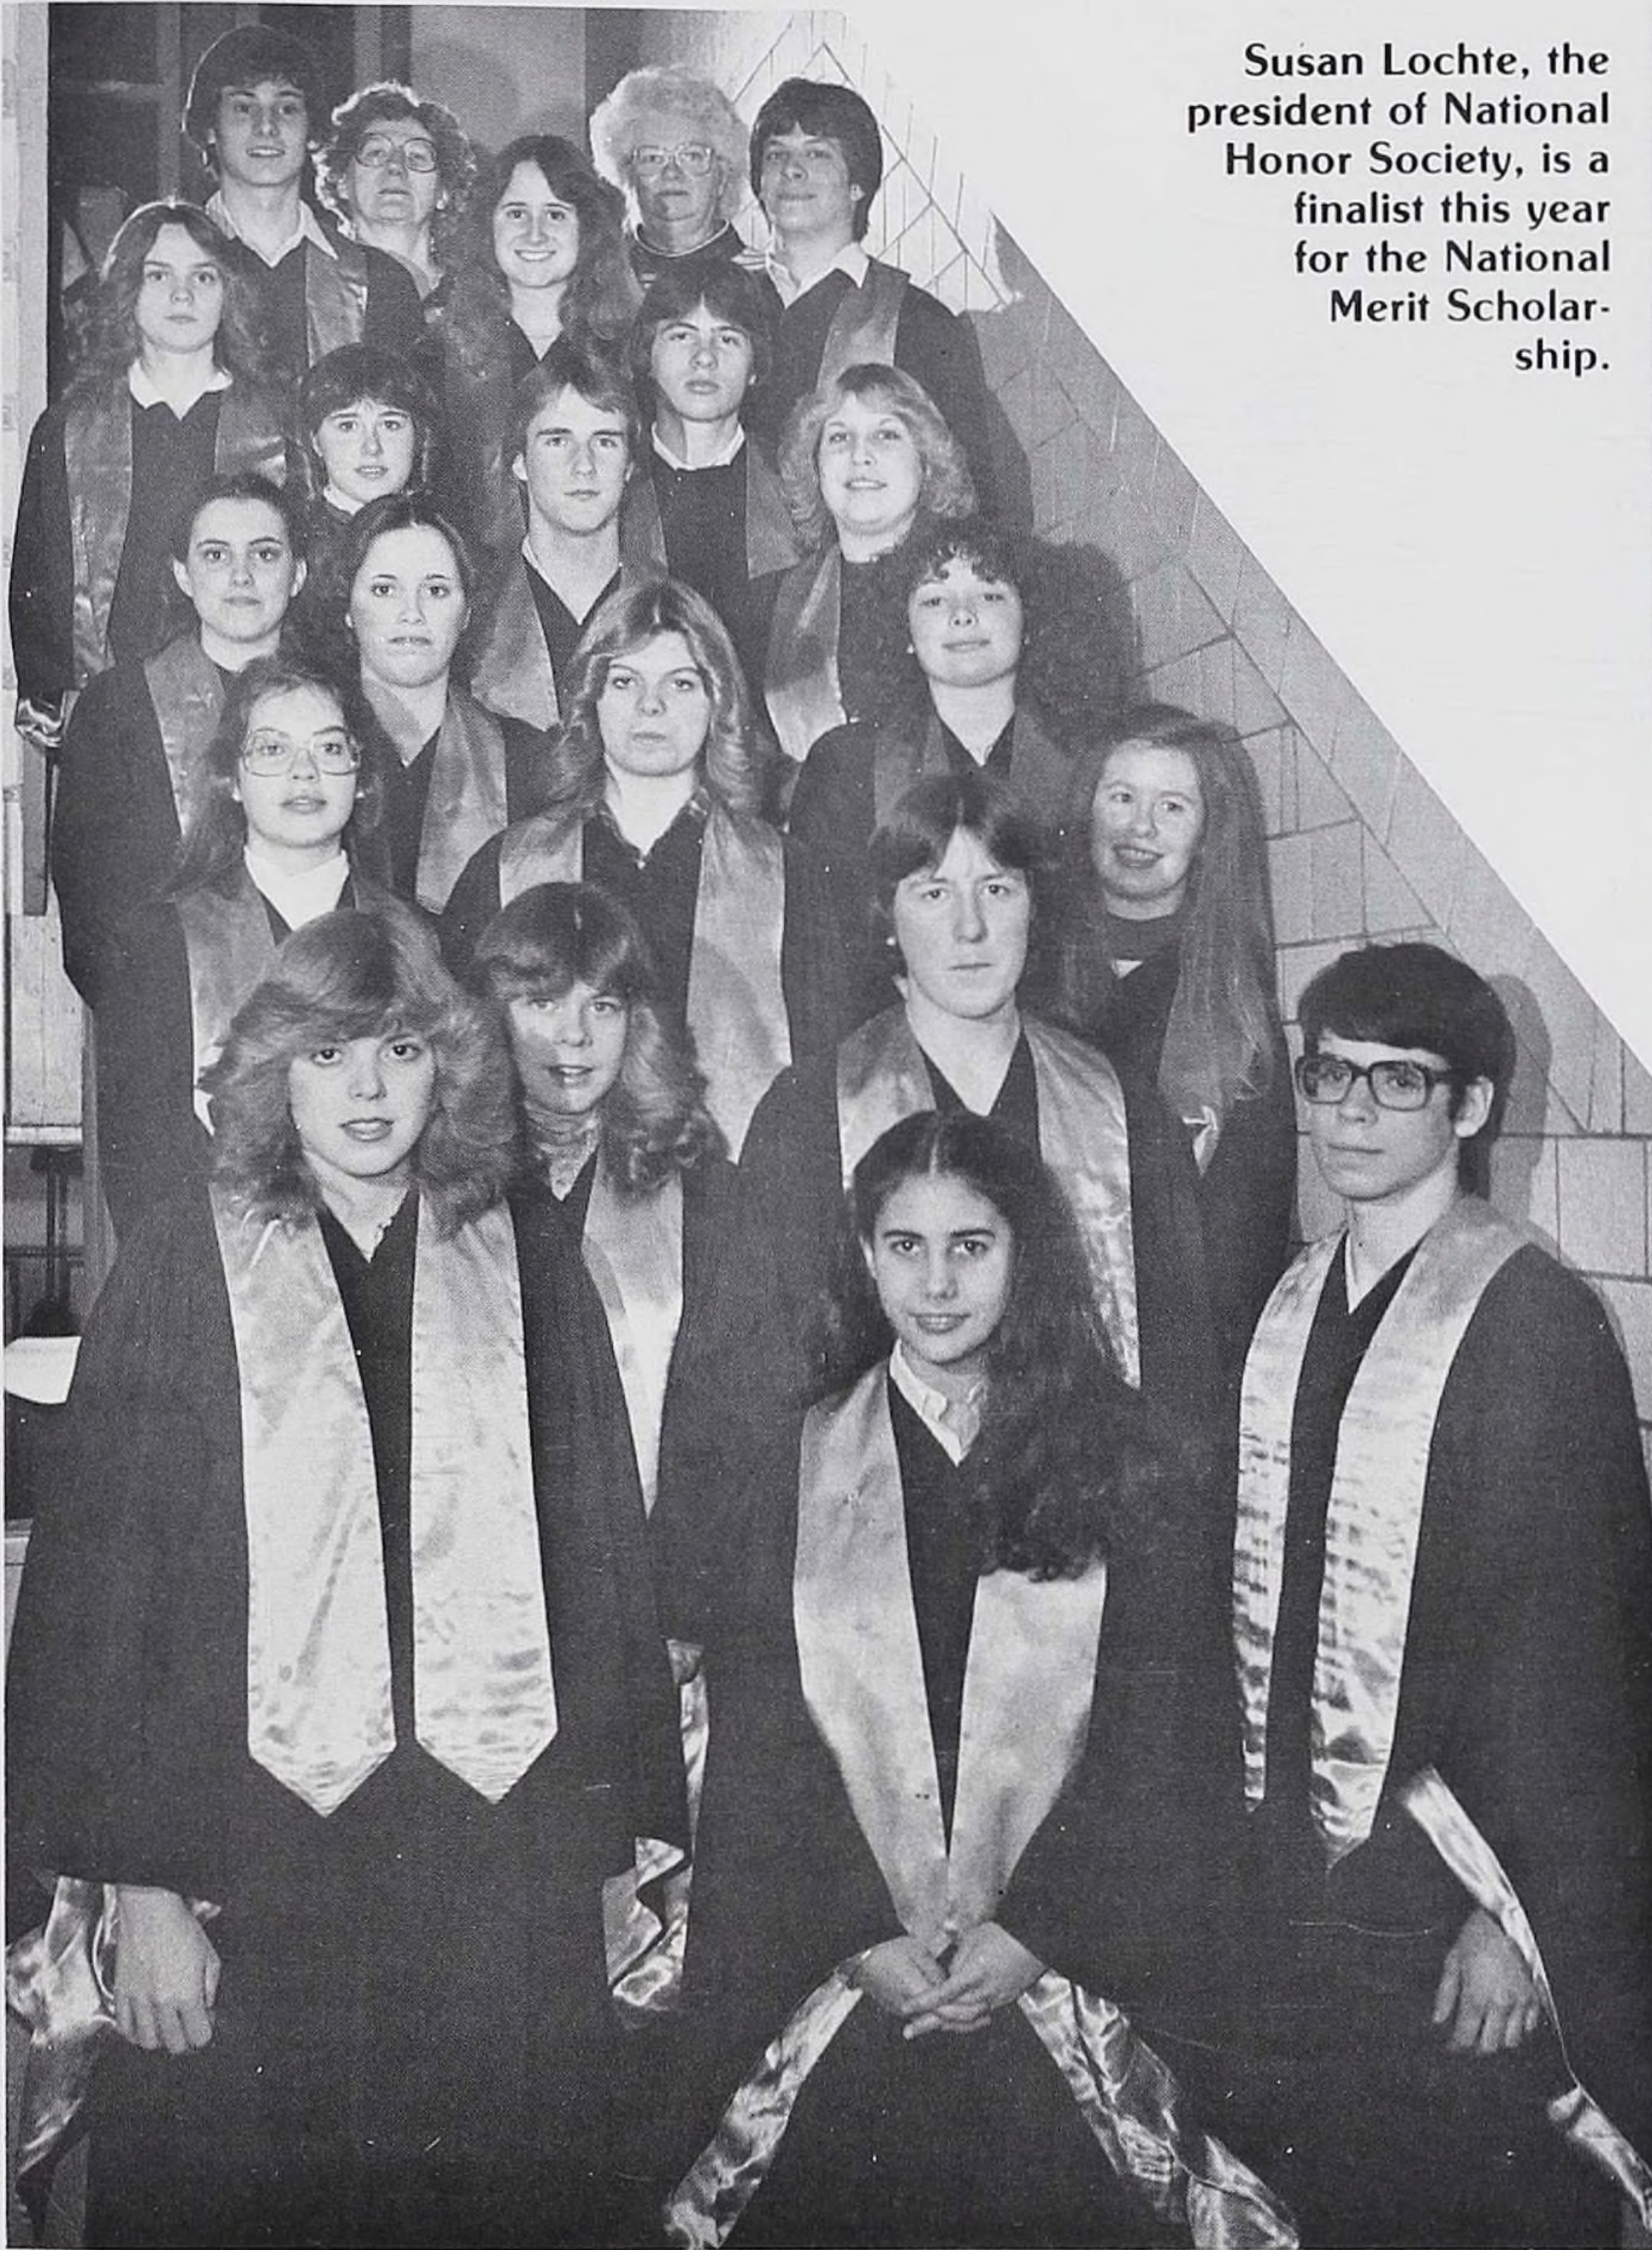

We were disappointed at the student turnout at our meetings. Student government cannot possibly function without student support. We sincerely hope that in the future students will participate more actively in the government run exclusively for them.

NATIONAL HONOR SOCIETY

Susan Lochte, the president of National Honor Society, is a finalist this year for the National Merit Scholarship.

Susan has also participated in student government, the yearbook, Jazz Ensemble, and the Girls Varsity Swimteam. She plans to pursue a career in petroleum engineering at Texas A & M.

To qualify for the National Honor Society, a student must have an average of at least 90.0 as a junior or 85.0 as a senior. However, membership is not based strictly upon grades. Leadership, Character, Service, and Scholarship in a person are equally important, and it is upon these qualities that a student is judged.

Michael Hart, Olean High School Valedictorian, has been a member of the National Honor Society, Student Council, Drama Club, and the President of Biology Club. He enjoys both art and science and plans to enter the field of engineering.

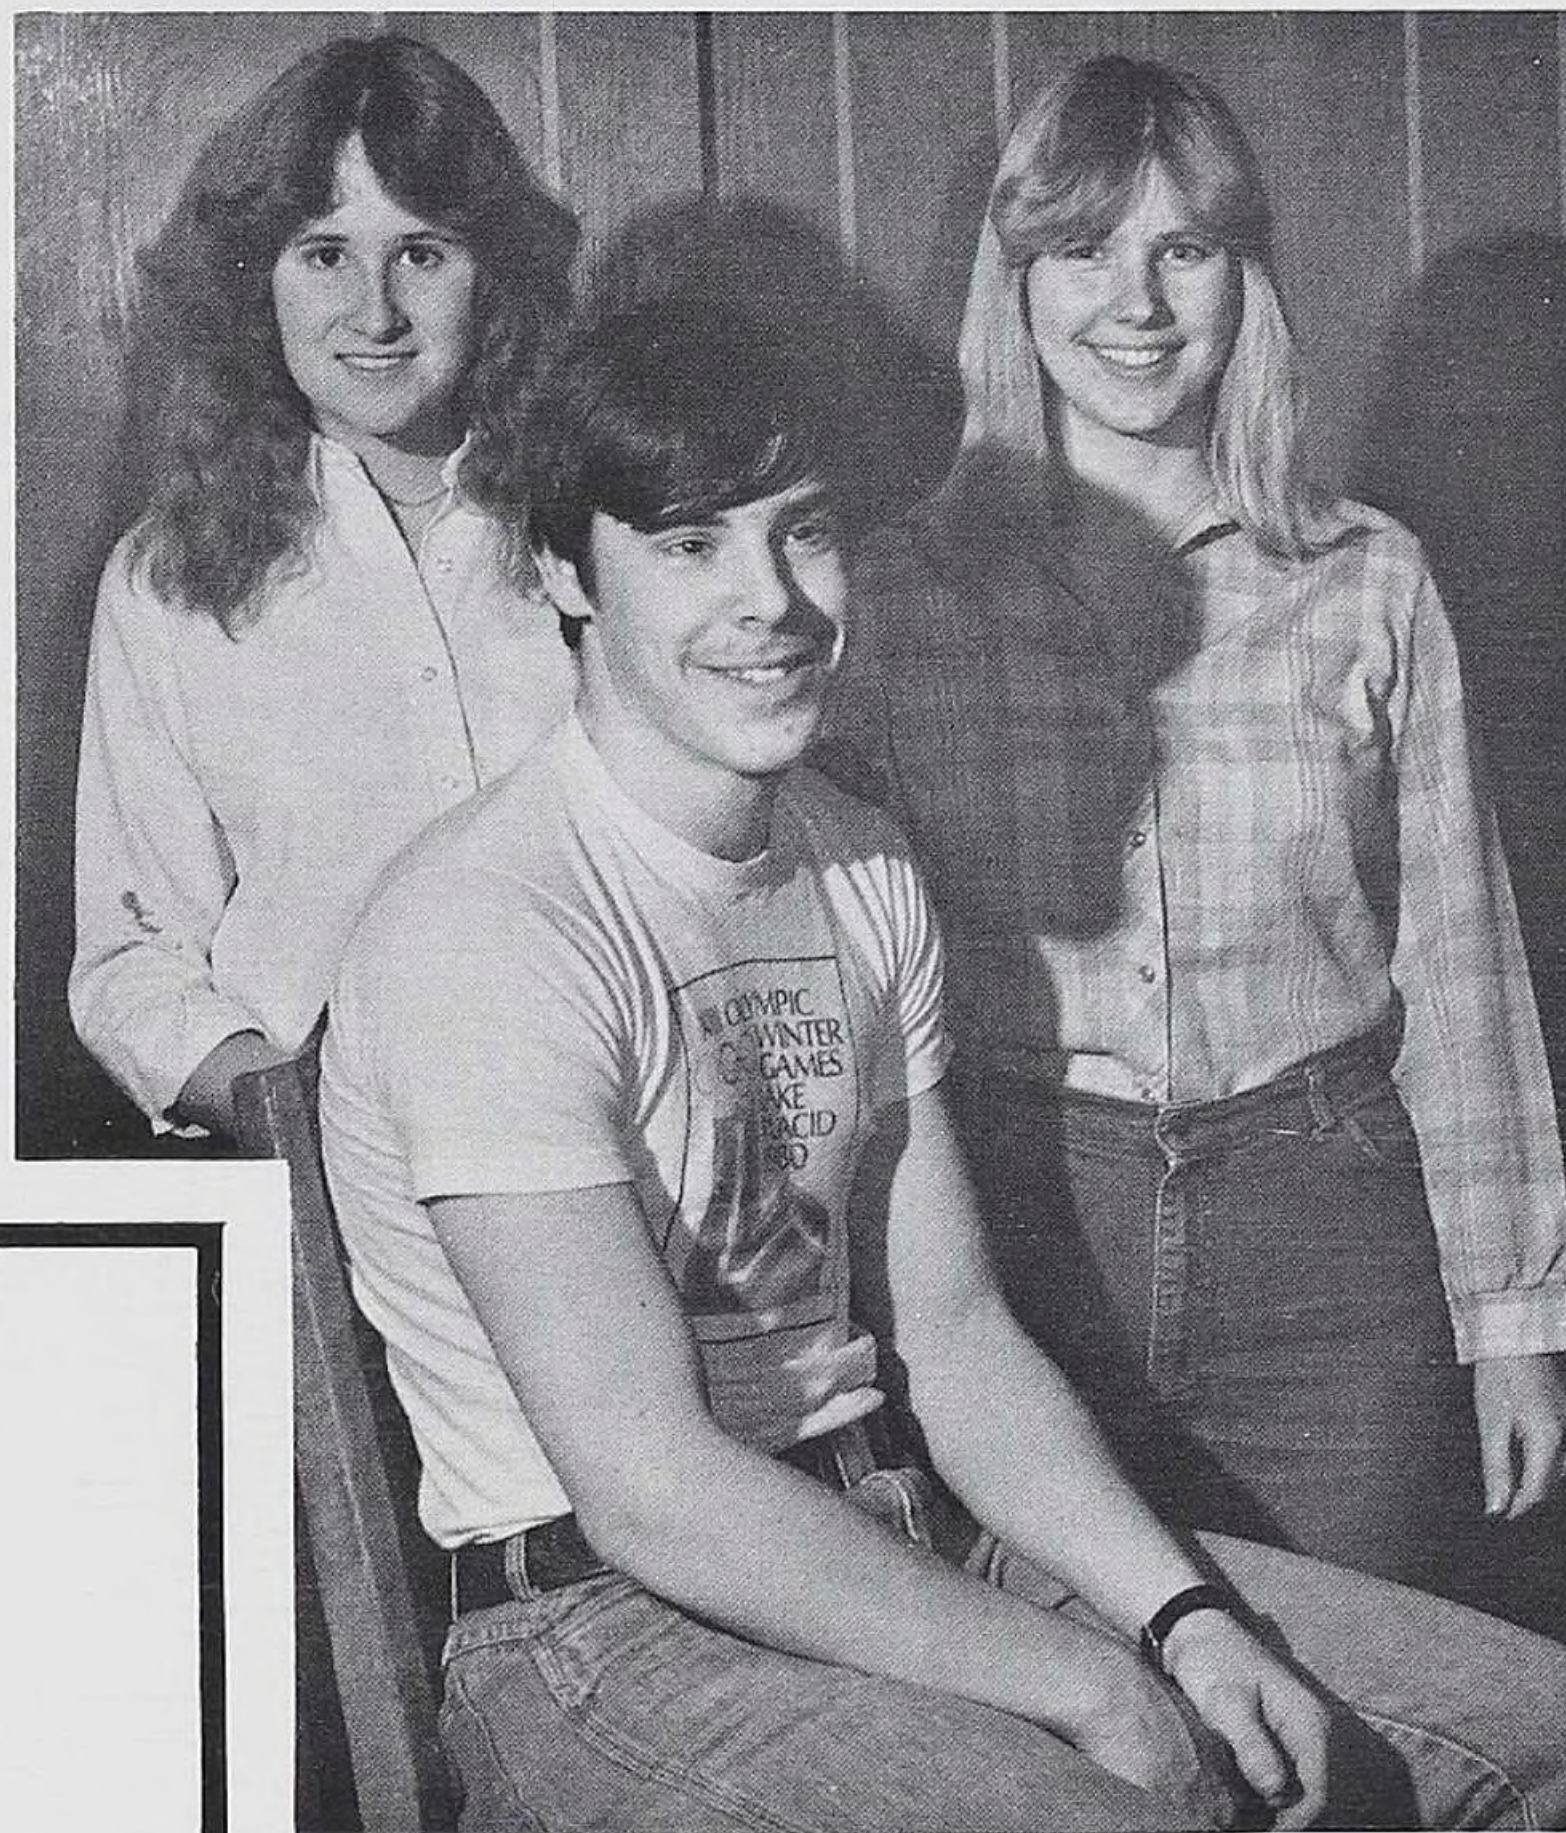

This year's salutatorian is Mary Cathrine Fish. She has been a cheerleader, class officer, and member of choir, NHS, Adelpia, and It's Academic. Outside of school she enjoys playing the piano and skating. Her future plans are to study engineering.

It's Academic

left to right: Missy Fish, Ron Meis, Virginia Sassani.

Olean's team came in second place with Grand Island placing first, and Westfield in third place.

The Twenty Point Award is one of the oldest and most important awards given at Olean High School. It recognizes those who are truly the leaders in scholarship, leadership, athletics, music, and other school activities.

"Adding Sign Language to the show was certainly a highlight for our children — they were just spellbound!"

*Jackie O'Donnell
St. Mary's School for the Deaf*

The Wizard of Oz has played to audiences of children and grown ups in theatres all over the world. It is a warm and whimsical story, with plenty of excitement and thrills and with messages galore for the young at heart viewers.

This presentation of the Wizard of Oz was done completely in sign language for the hearing impaired audience. We hope that the sign language added a new dimension to the hearing audience's appreciation of the show as well as to the hearing impaired.

We admit that learning sign language was a difficult task but are quick to add that it was an enjoyable and educational experience that we will long appreciate.

When you reach your goal in the world of sports and you have worked the big game that day, just go to the mirror and look at yourself and see what that man has to say. For it isn't your family or friends or the coaches whose judgment upon you must pass; the fellow whose verdict counts in your life is the one staring you in the glass. You may fool all the world down the avenue of years and get pat on the back as you pass, but your only reward will be remorse and regret, if you have cheated the man in the glass.

OLEAN HIGH SCHOOL FOOTBALL 1980

Mike Taylor's Huskies experienced a season full of injuries and turnovers, but because of its team play, team effort, and unselfishness, finished the season with a winning record. Said Taylor, "Even with the injuries we went through, the team never once let down. Our 13 seniors showed great leadership, and everybody was working for the success of the team."

Team captains Jack Carr and John Quigley were named to the Big 30 All-Star team, the New York State Sportswriters team, as well as the CCIAC Division VII First All-Star Team. Carr and Quigley proved to be the standouts on the defensive team, Carr at linebacker, and Quigley at defensive tackle. Olean's offense was paced by Junior

running back Kevin Wesolowski, who scored 6 touchdowns and rushed for over 500 yards, even though he was out for two games with an injury.

The high point of the season came in the final game with a win over Bradford, at Bradford, 30-13. The win made Olean's record 5-4.

Said coach Myers, "Good team balance and outstanding performances from several younger wrestlers greatly contributed to the squad's success."

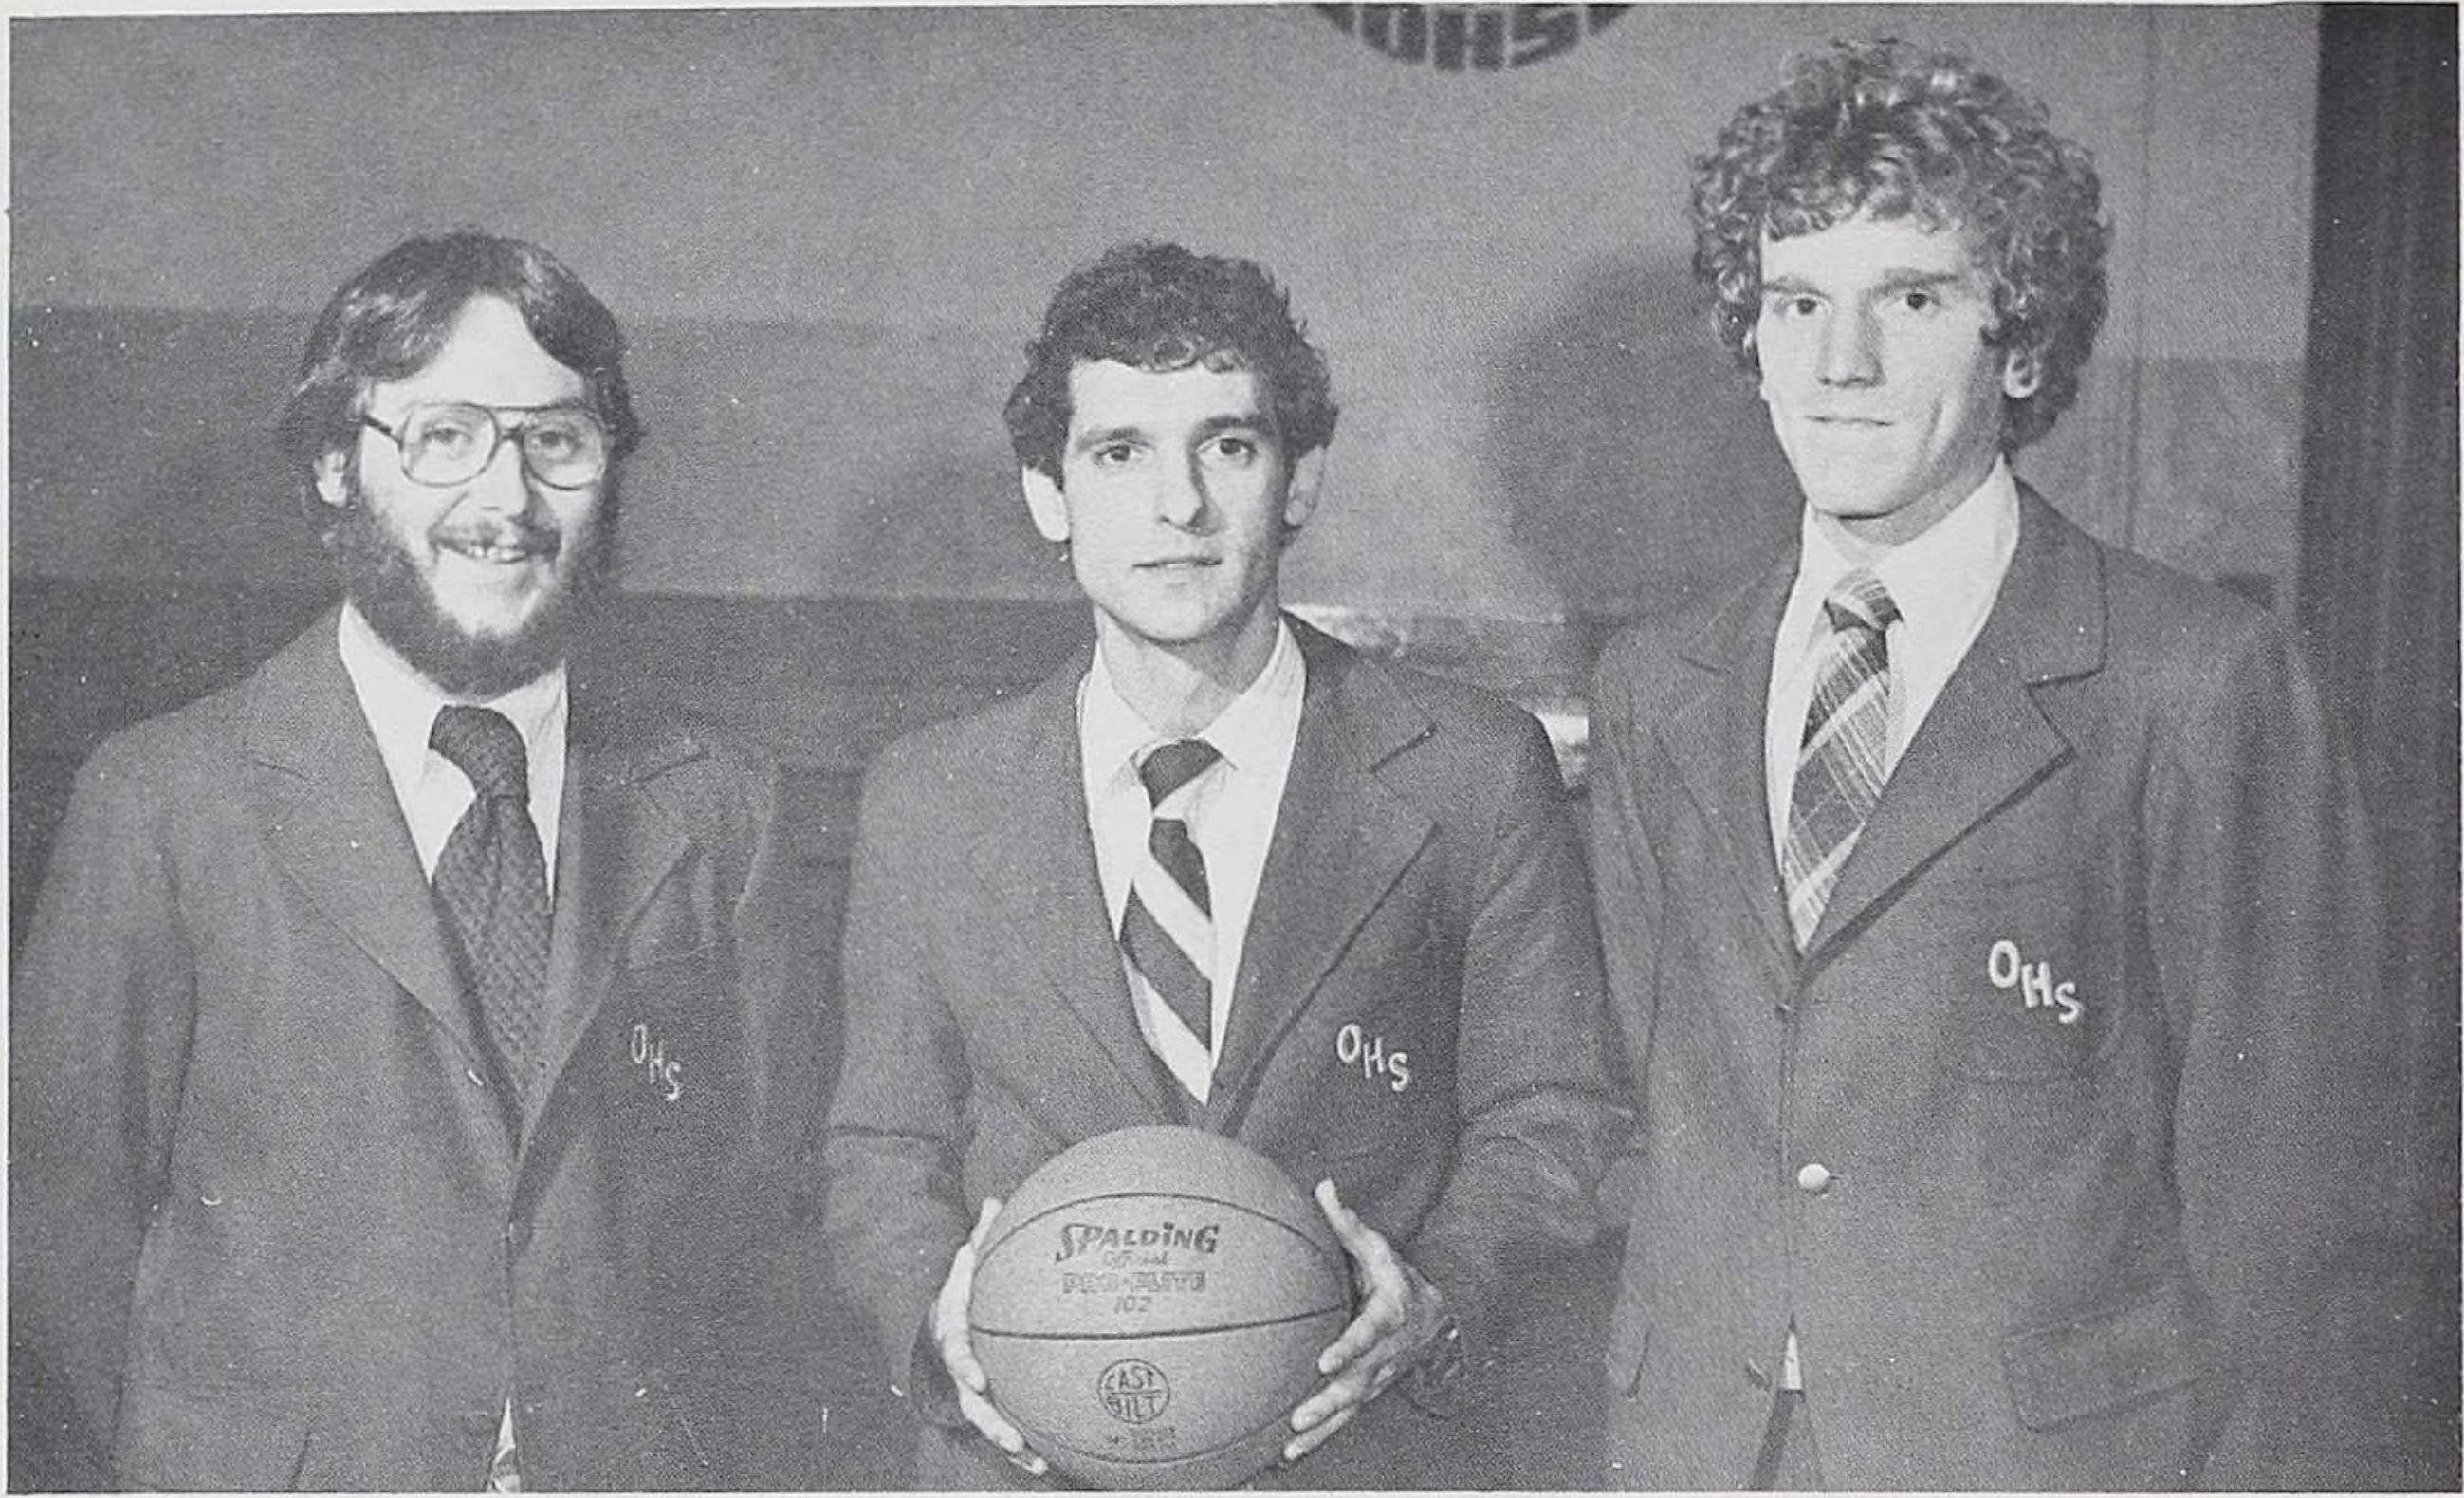

Lenny Anzvine was highly recognized this season. Anzvine placed first in both the Olean Jaycee Tournament and the Sweethome Tournament, and set an Olean High School record for most takedowns in a single season with 57.

Coach Samuelson summed up the season by saying, "The team understood that success is a peace of mind, a type of self-satisfaction in knowing that you did your best to become the best that you are capable of becoming. Memories

Of Forty and Forty-one

All yearbooks are records, records of memories of particular times and places and people. For most of our readers, this book will prompt their memories of Olean High, their teachers and fellow students of the last four years. We have discovered, however, that this *Congress* may recall far older memories.

Myron (Mike) Lown is the publisher of this year's *Congress*. Some forty-one years ago, his sister Henrietta and the late Robert Davies edited the 1939 *Congress*. We thought that was striking, but then we discovered that, directly and indirectly, a number of graduates of Olean High from earlier years have worked on this year's *Congress*: Thomas Vroman of Vroman Associates (graphic designer for the cover and consultant), Gay Sheahan, Gail Grecke Olson, Frances De Marte Clawson, Lee Ann Pompliano Reiss, Madeline Edel Turner, Mary Thierman Page, Patrick Piccioli, Louis D. Nicol, Charles Gordon, Maxwell H. Lown. We don't suppose we have found them all; we don't suppose the situation is all that unusual in smaller towns and cities; but we were delighted to find this dimension. We thought you should know that this *Congress* represents the work, not simply of the present student body, but of these students of former years as well. We are proud of this book, as we hope they will be. We think it will help you remember good times and good friends, and we hope it will recall pleasant memories for them as well.
