Happy Birthday Olean High School

"Some time in April we wandered around asking people what they thought the new school should have that the old one didn't."

Teacher: "I want a room on the, — oh let me see, — on the front of the building, — not in the cellar."

Student: "A swimming pool."

Teacher: "New movable desks."

Student: "A smoking room."

Teacher: "No gum chewing."

This survey was taken in April 1936. It seems that some of the requests haven't changed from that day.

On January 27, 1935, classes met within the building for the first time. The Dedication Ceremonies were held on Washington's birthday, February 22, 1937.

At this time, Olean High School boasted chemistry, physics, and biology laboratories to be the most modern in any high school.

Other features unique in the high school were a standard electric clock system, a complete inter communicating telephone system, and a radio speaker system with a receiver for every room so that announcements can be made.

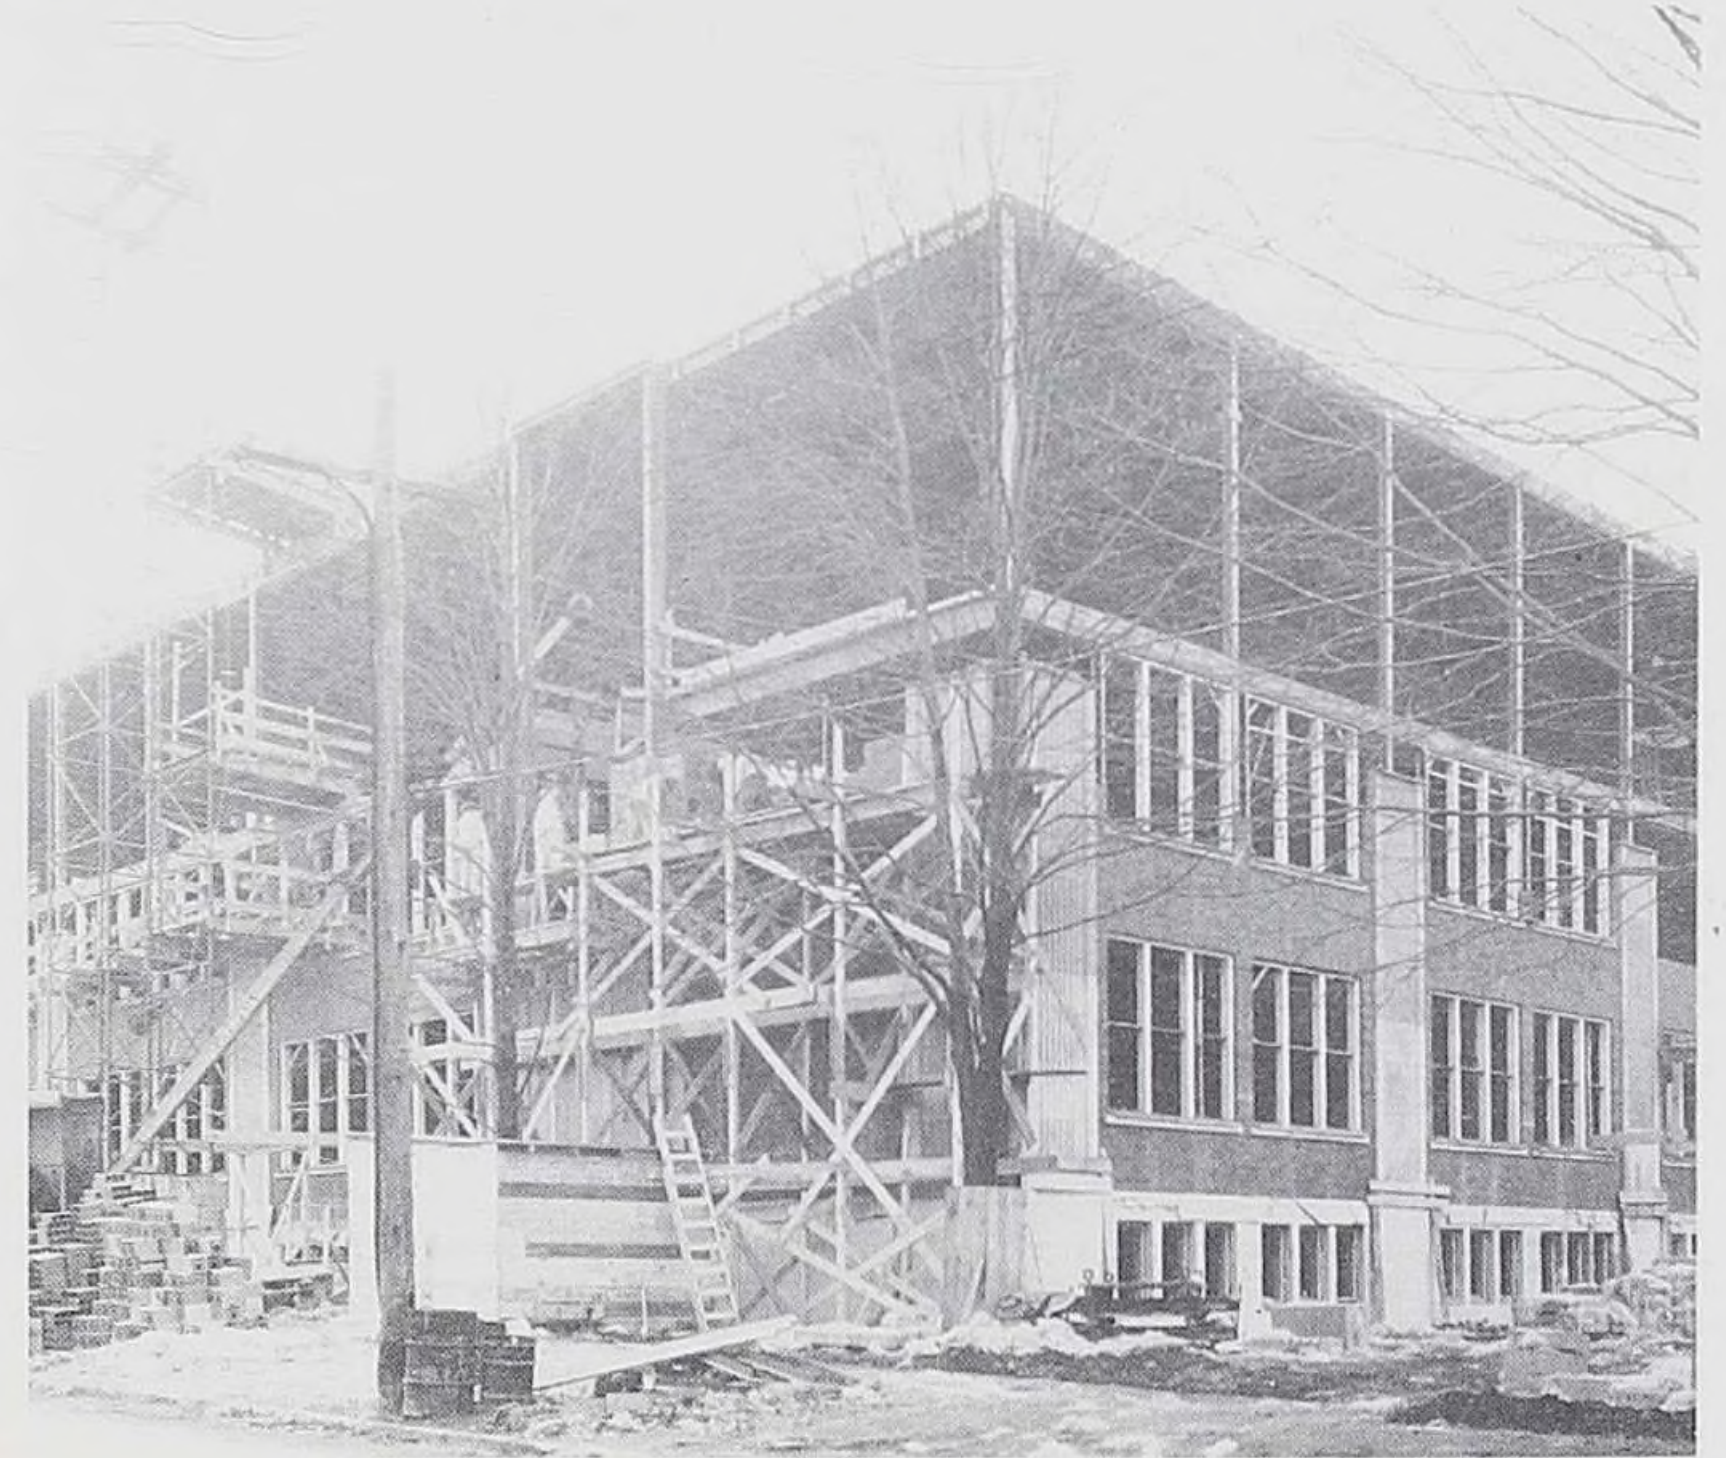

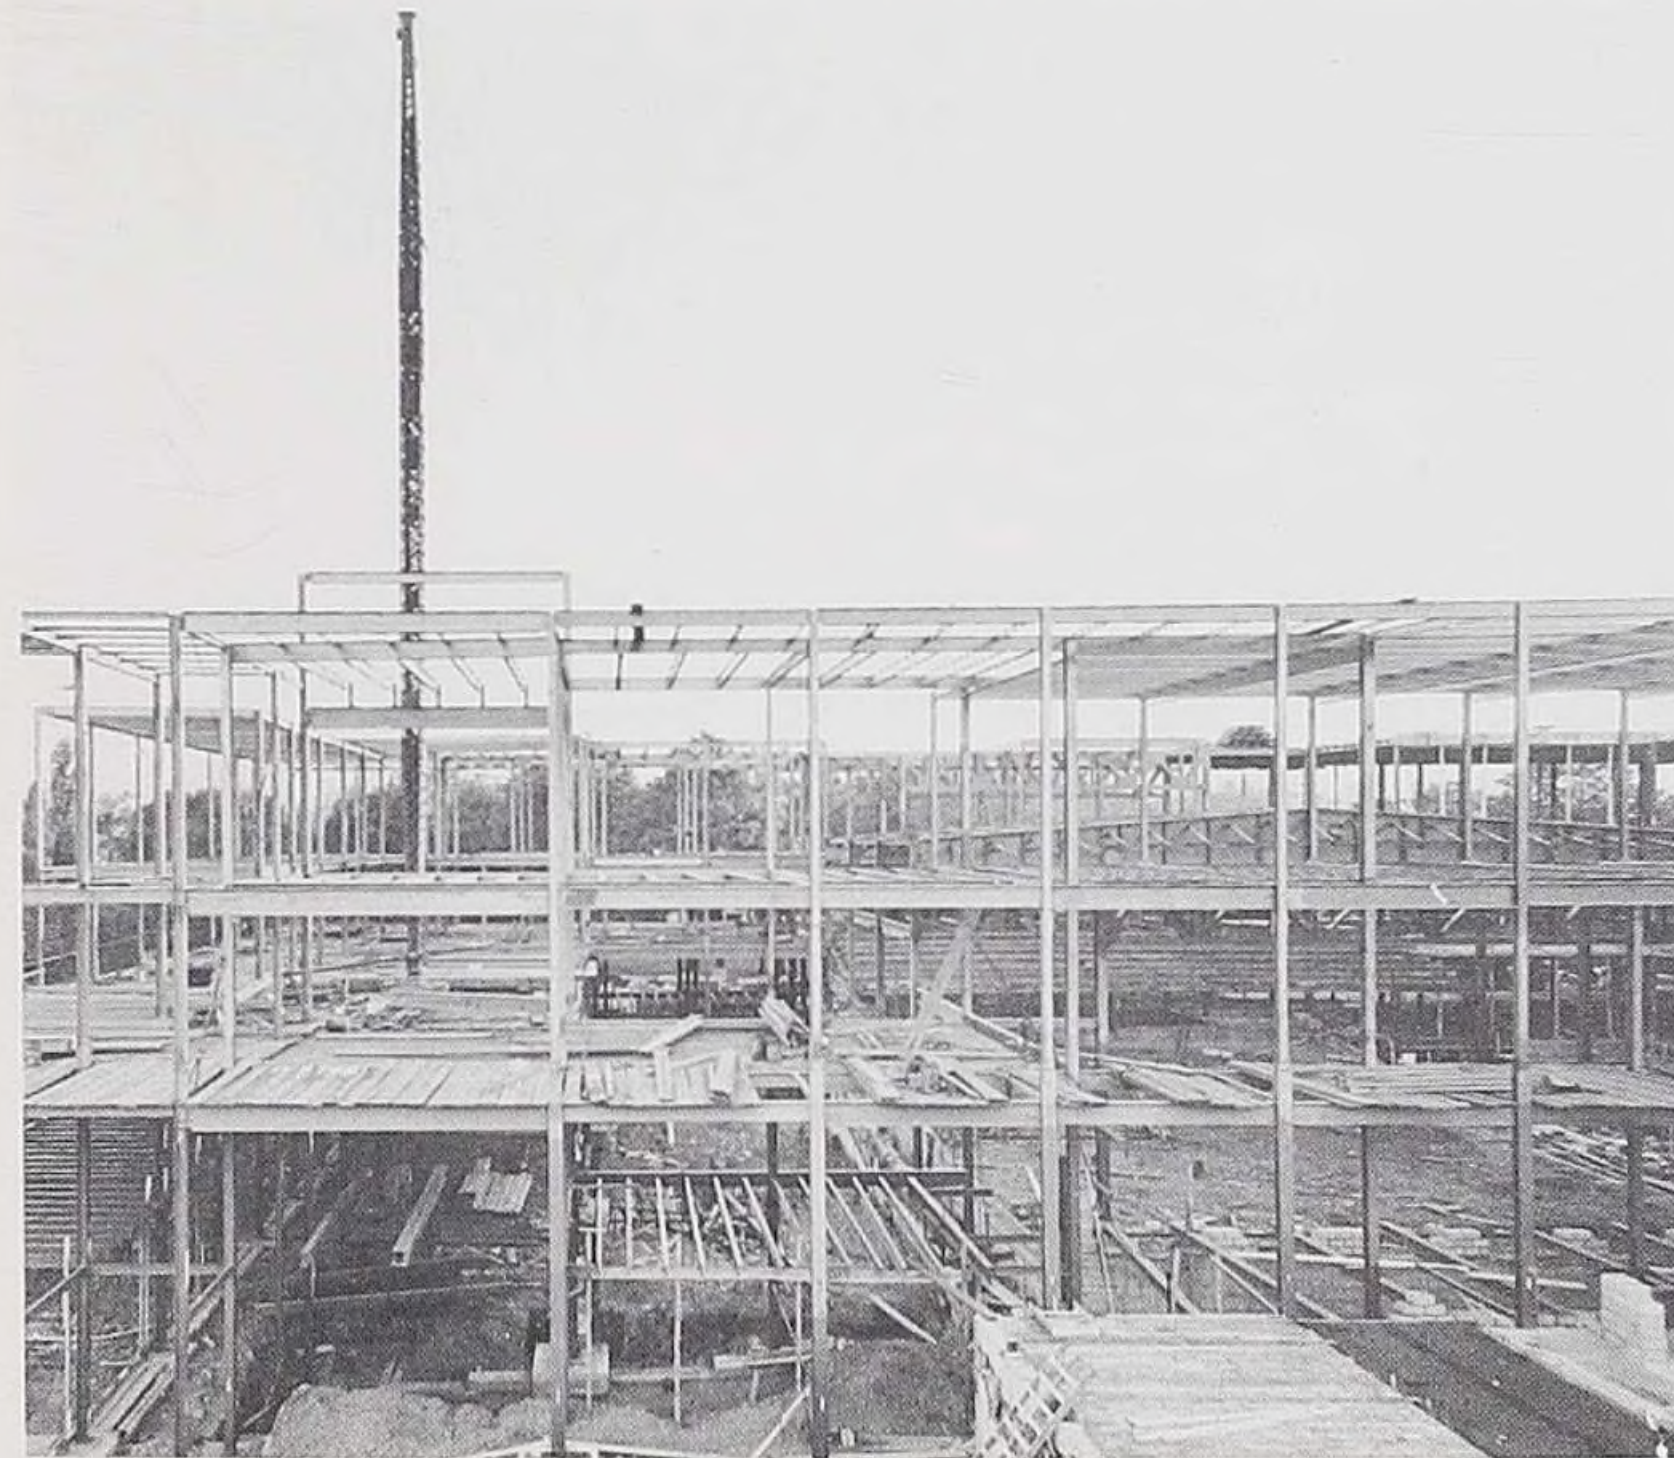

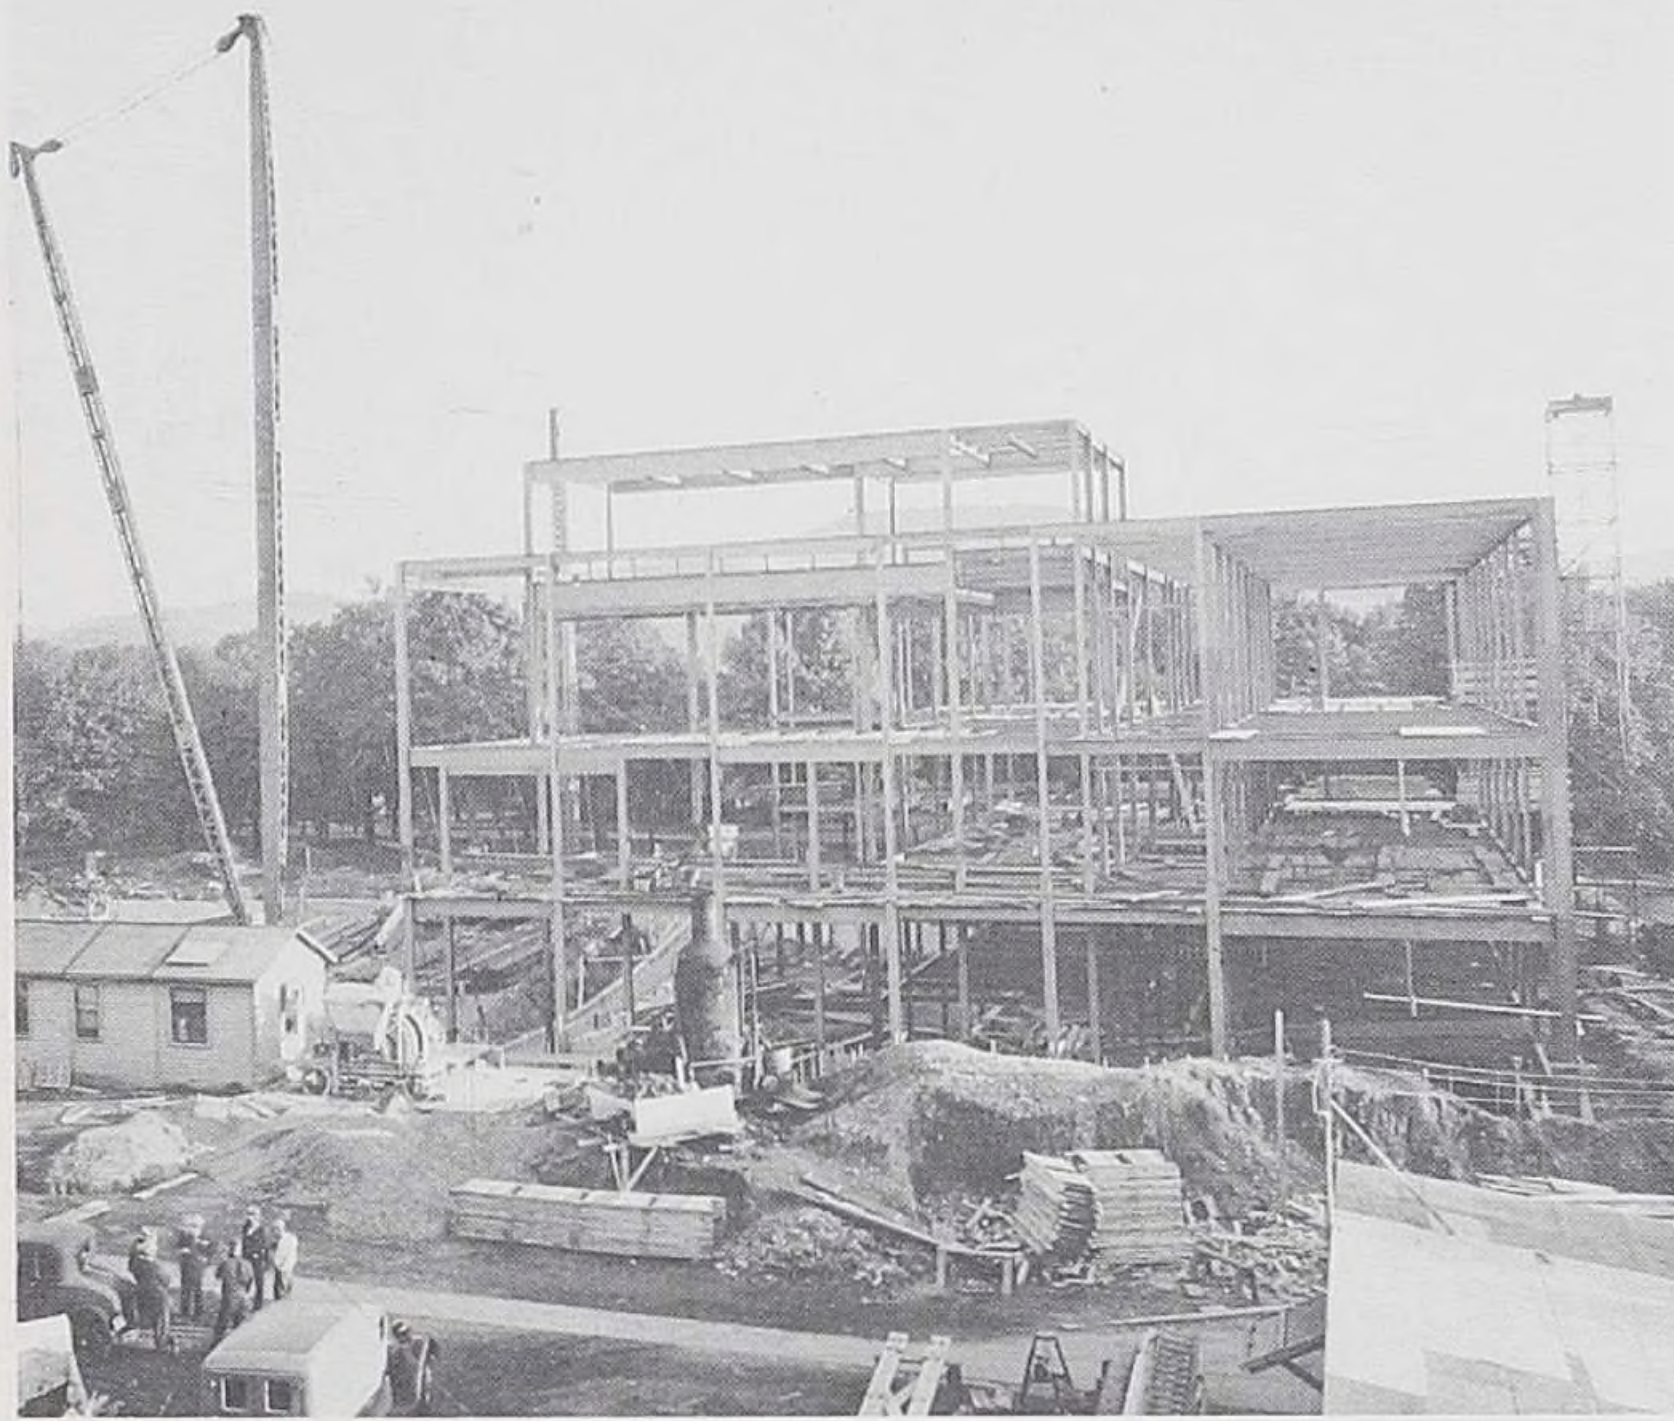

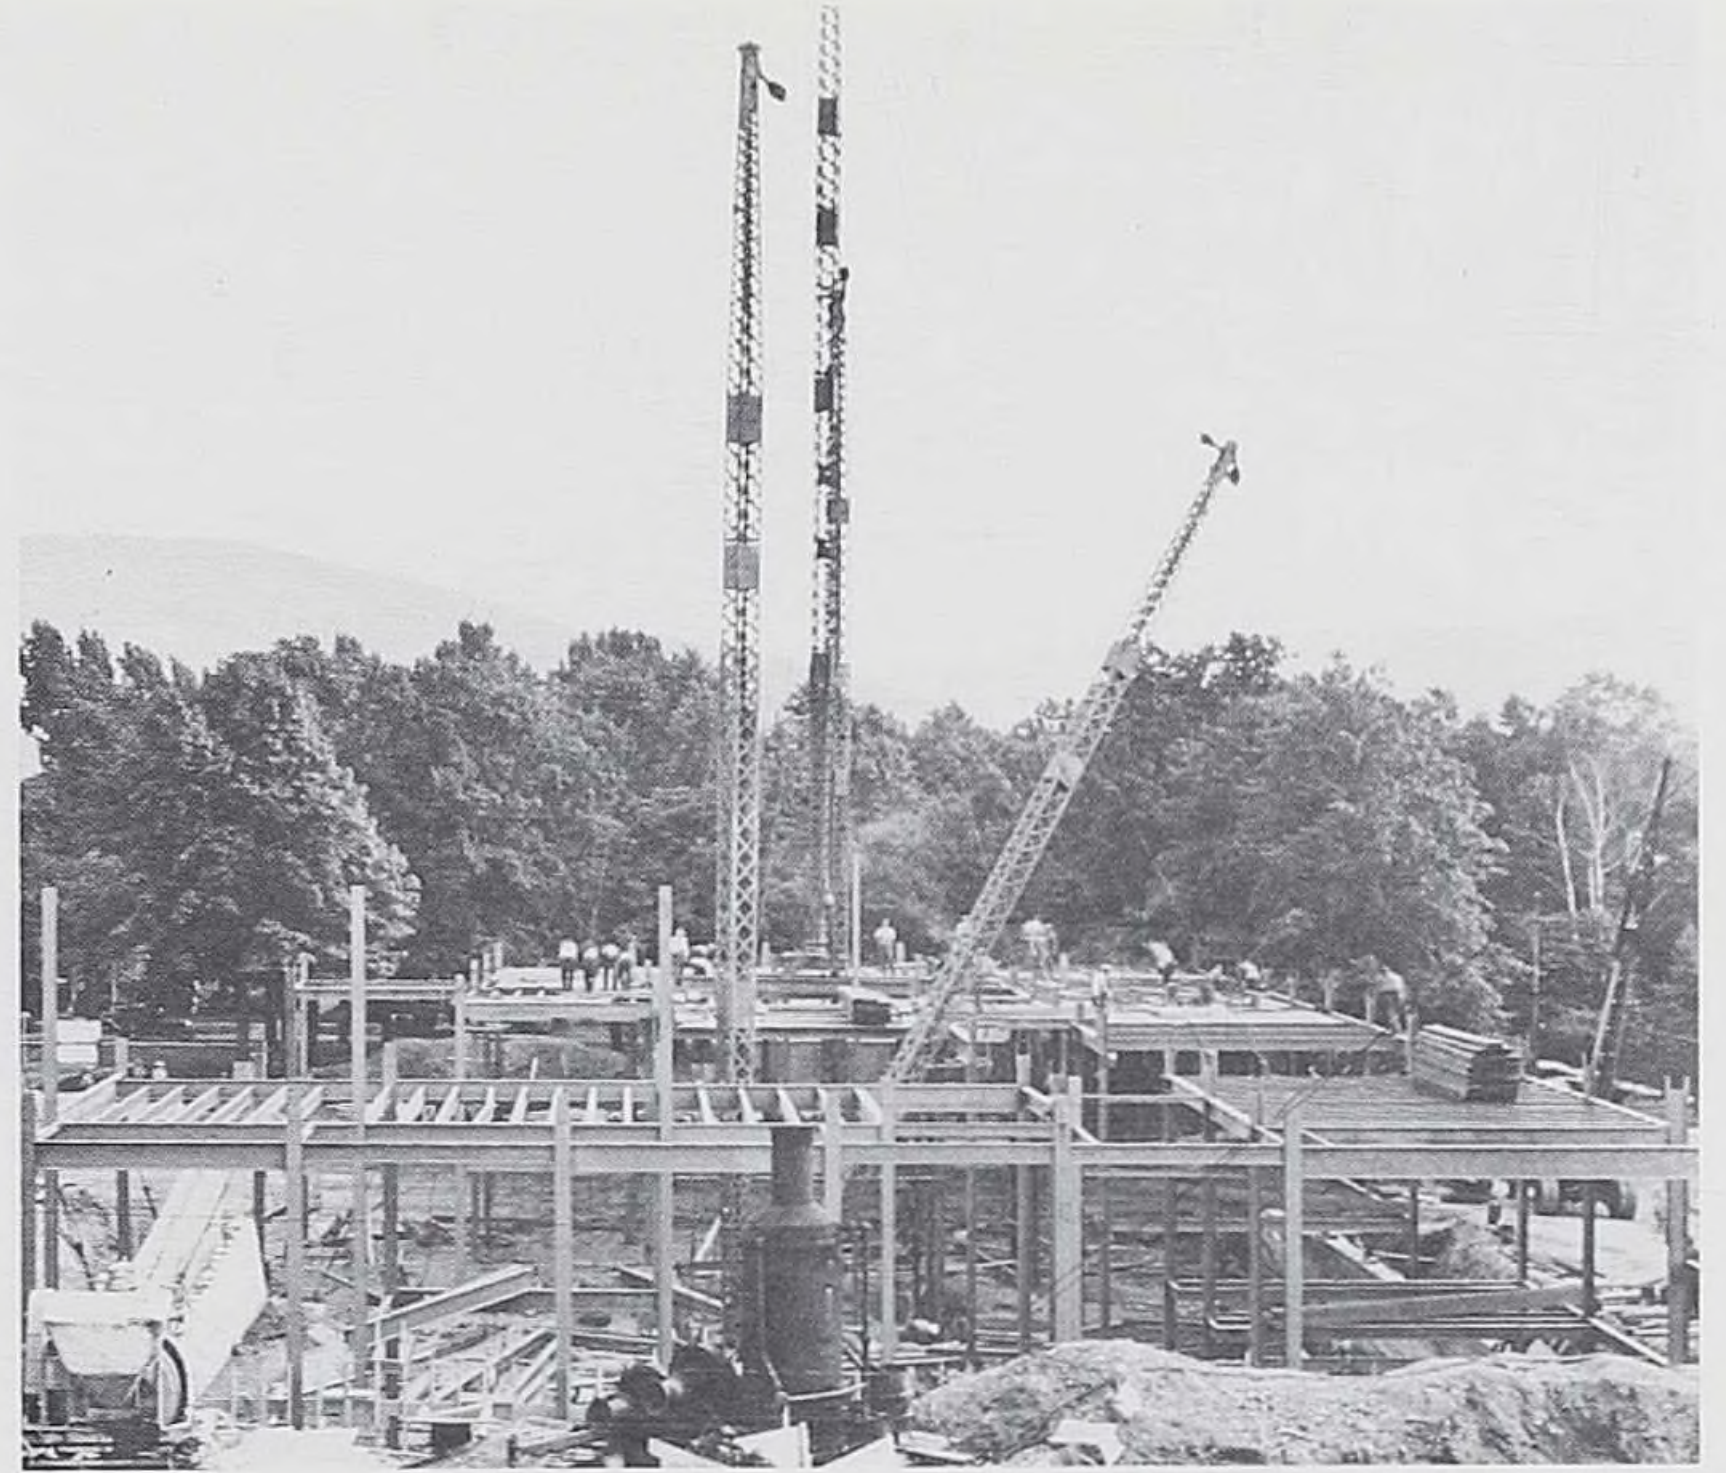

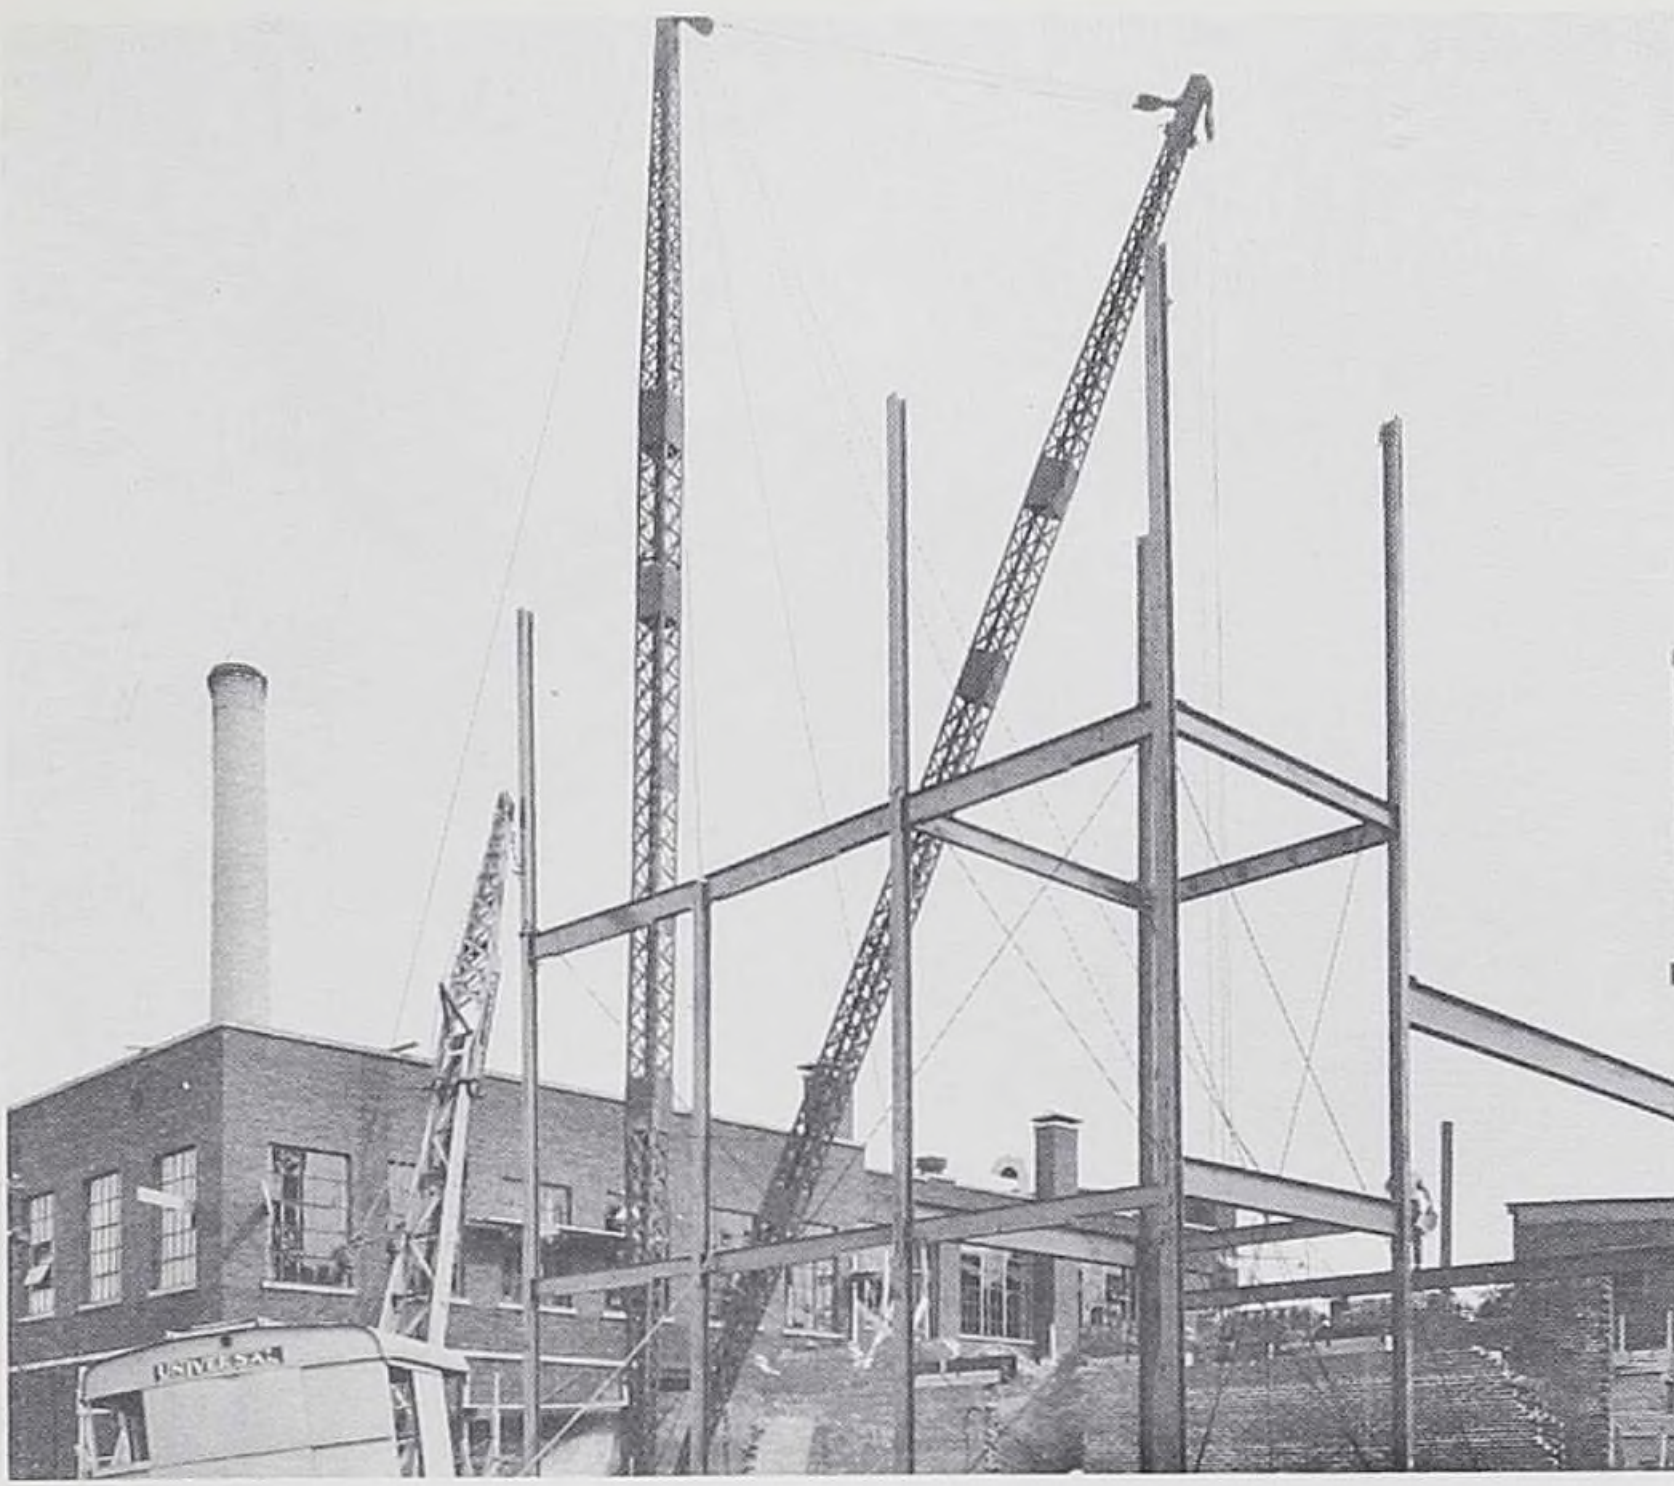

To the memories, both happy and sad, the 1987 Congress Yearbook is dedicated to Olean High School.

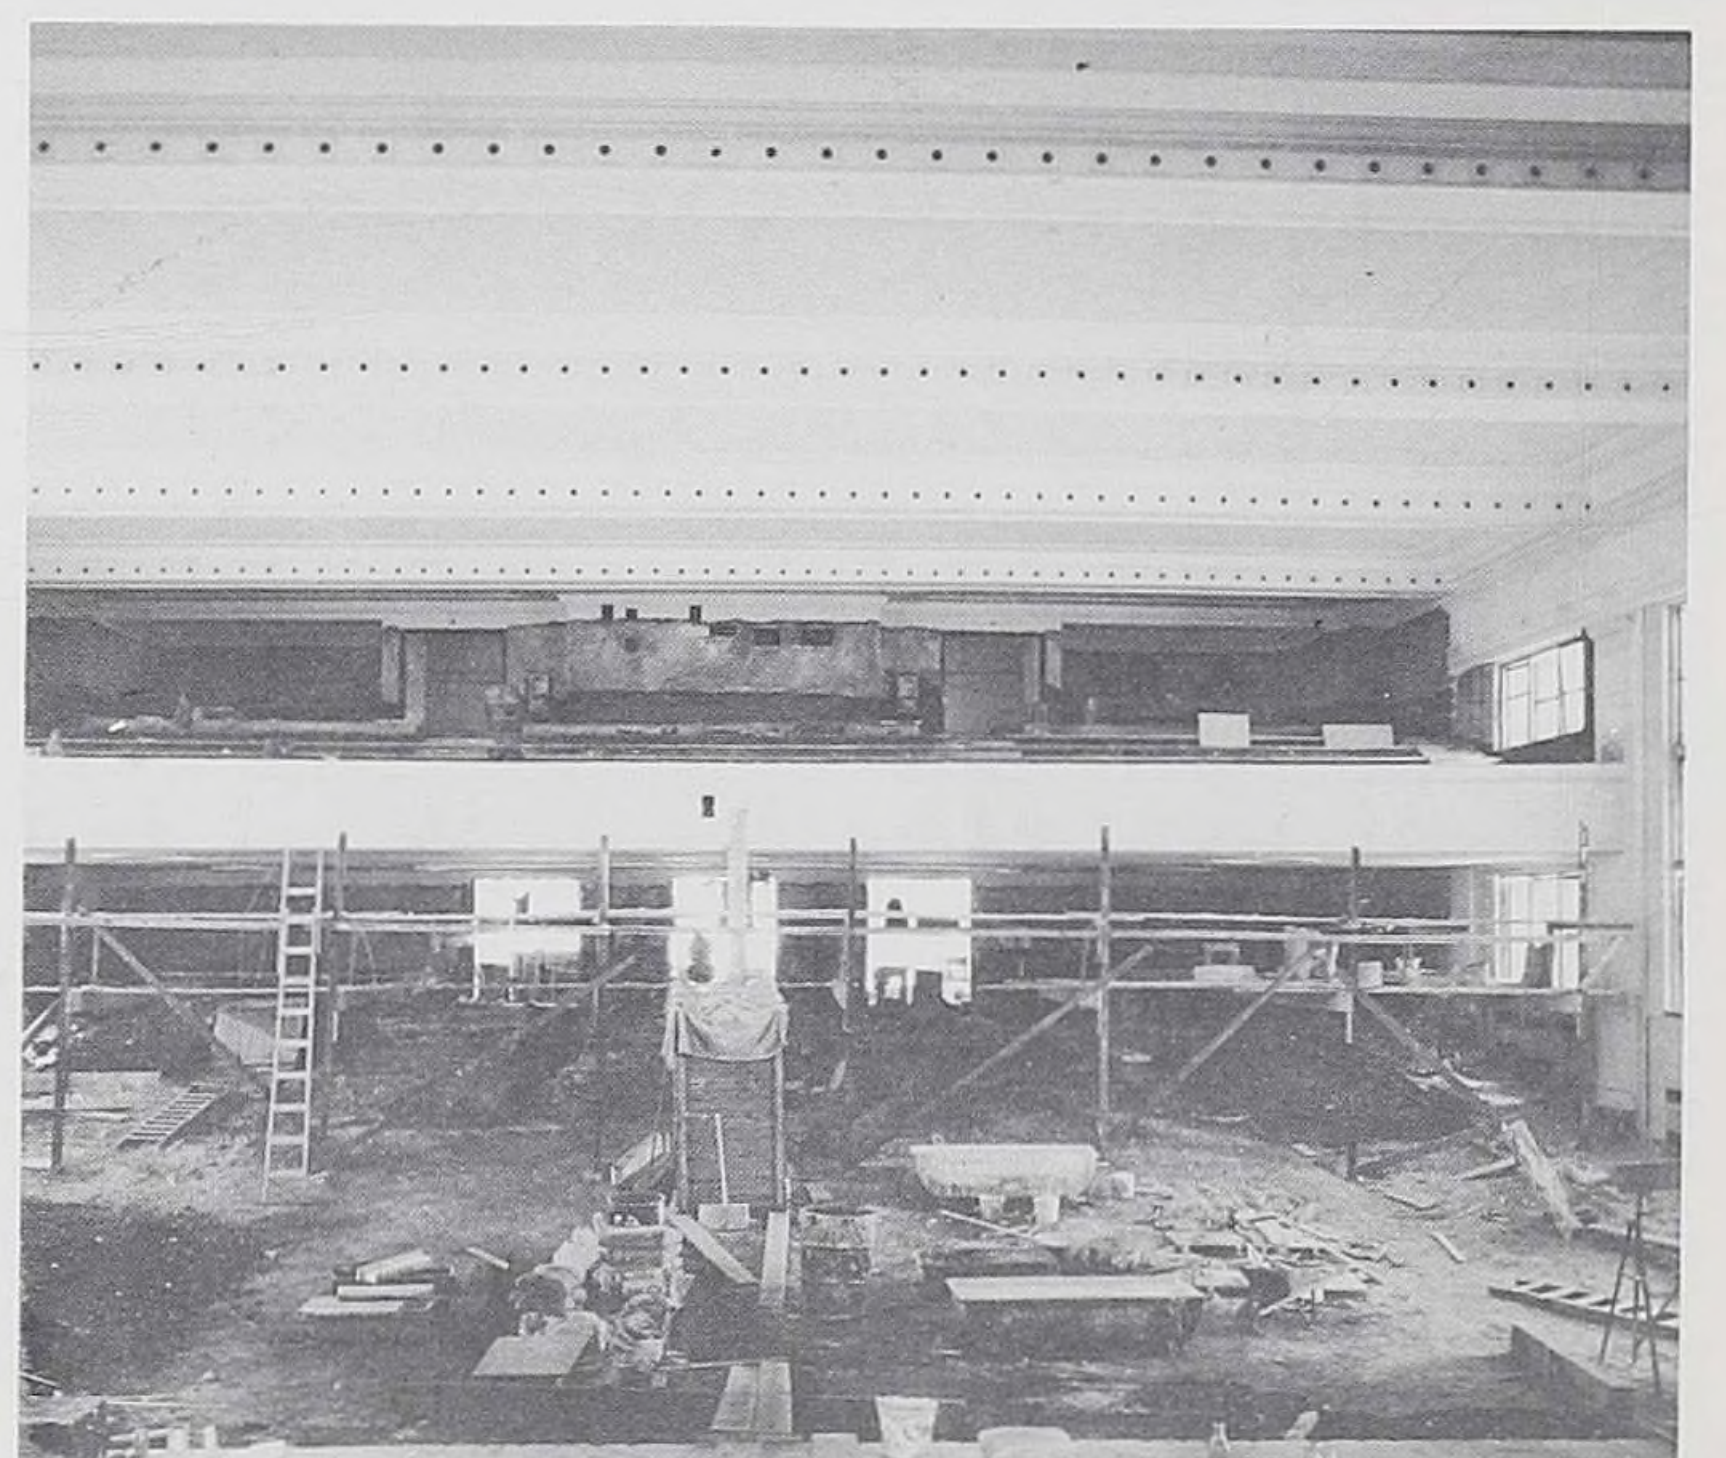

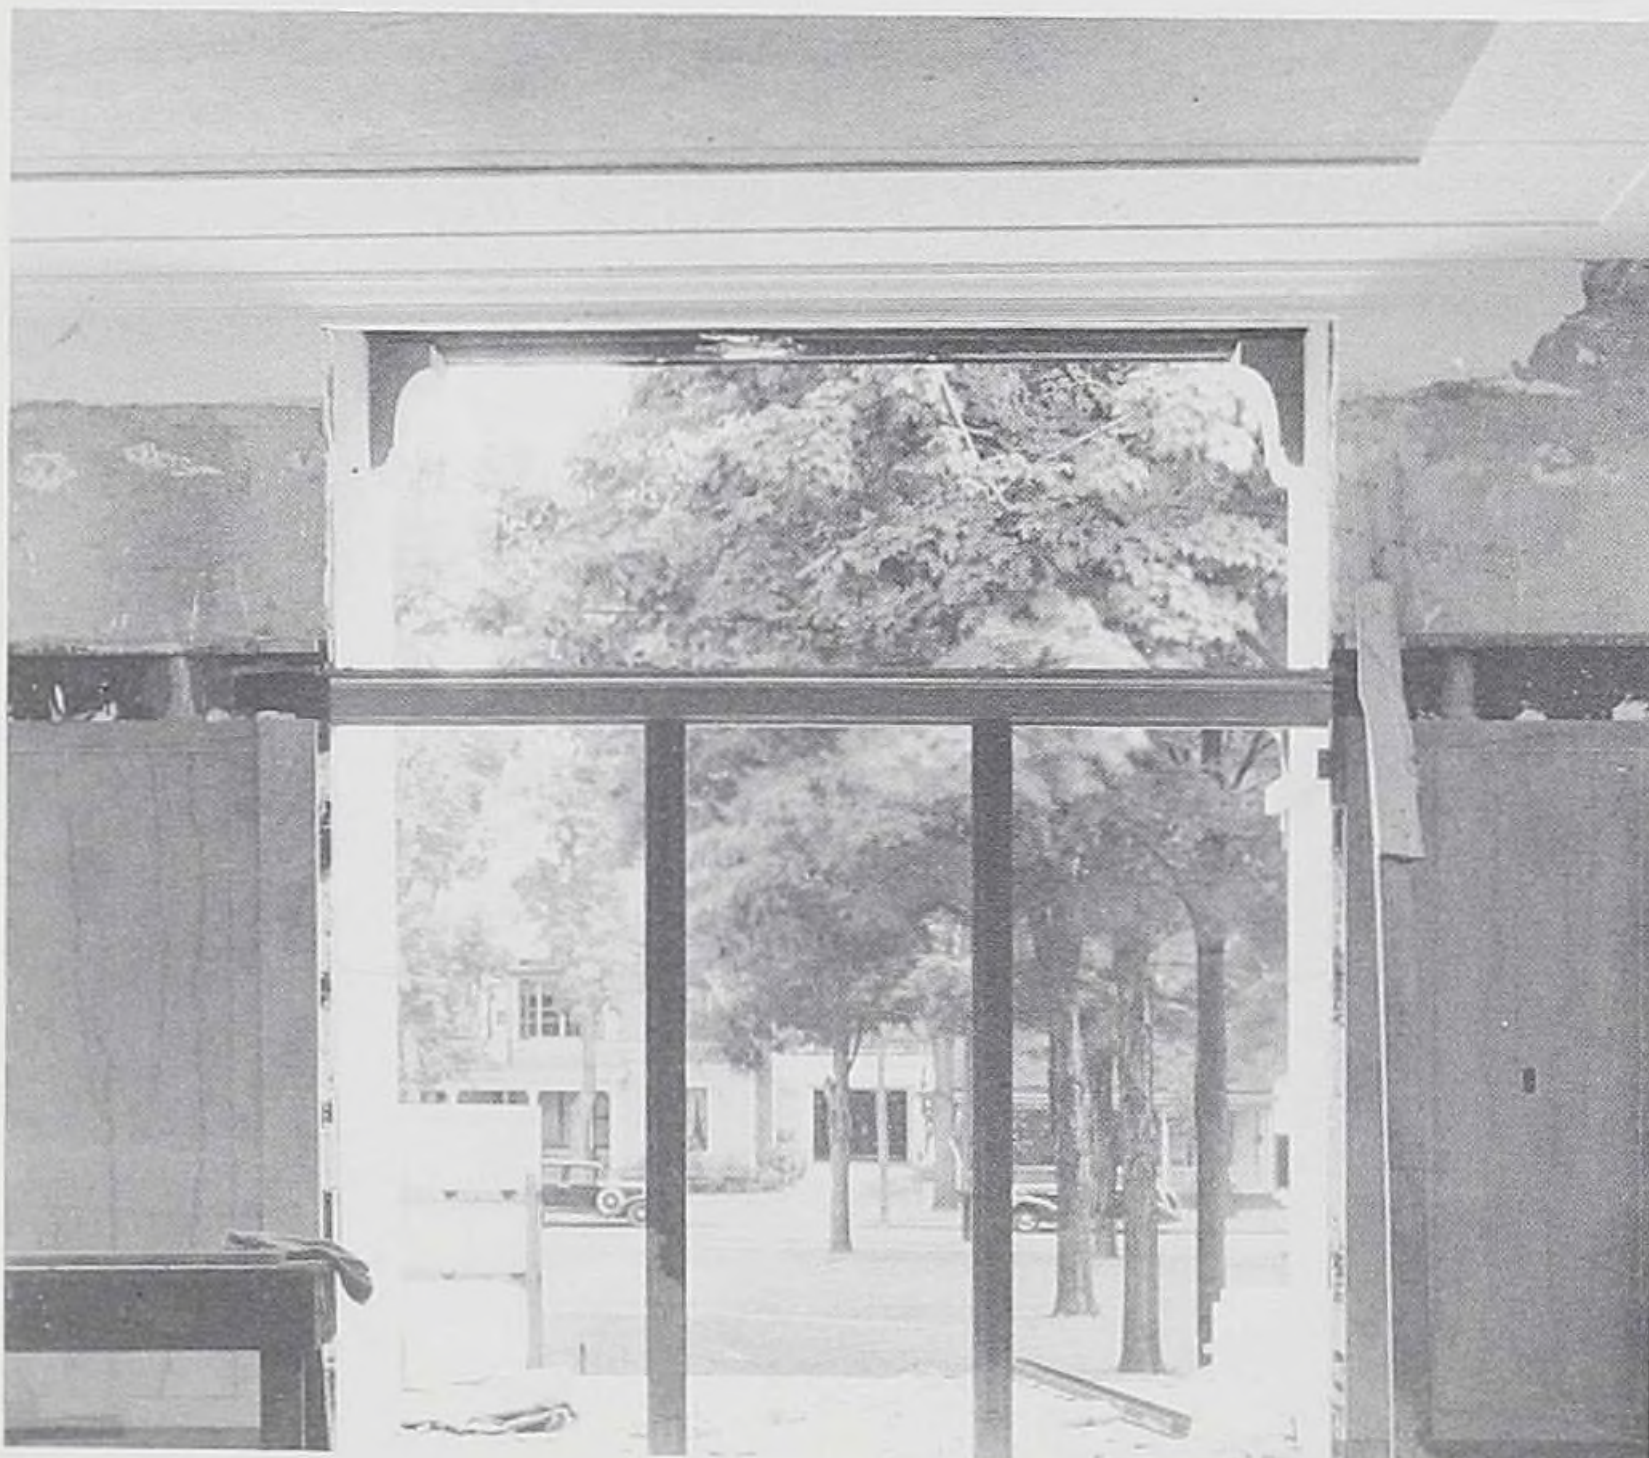

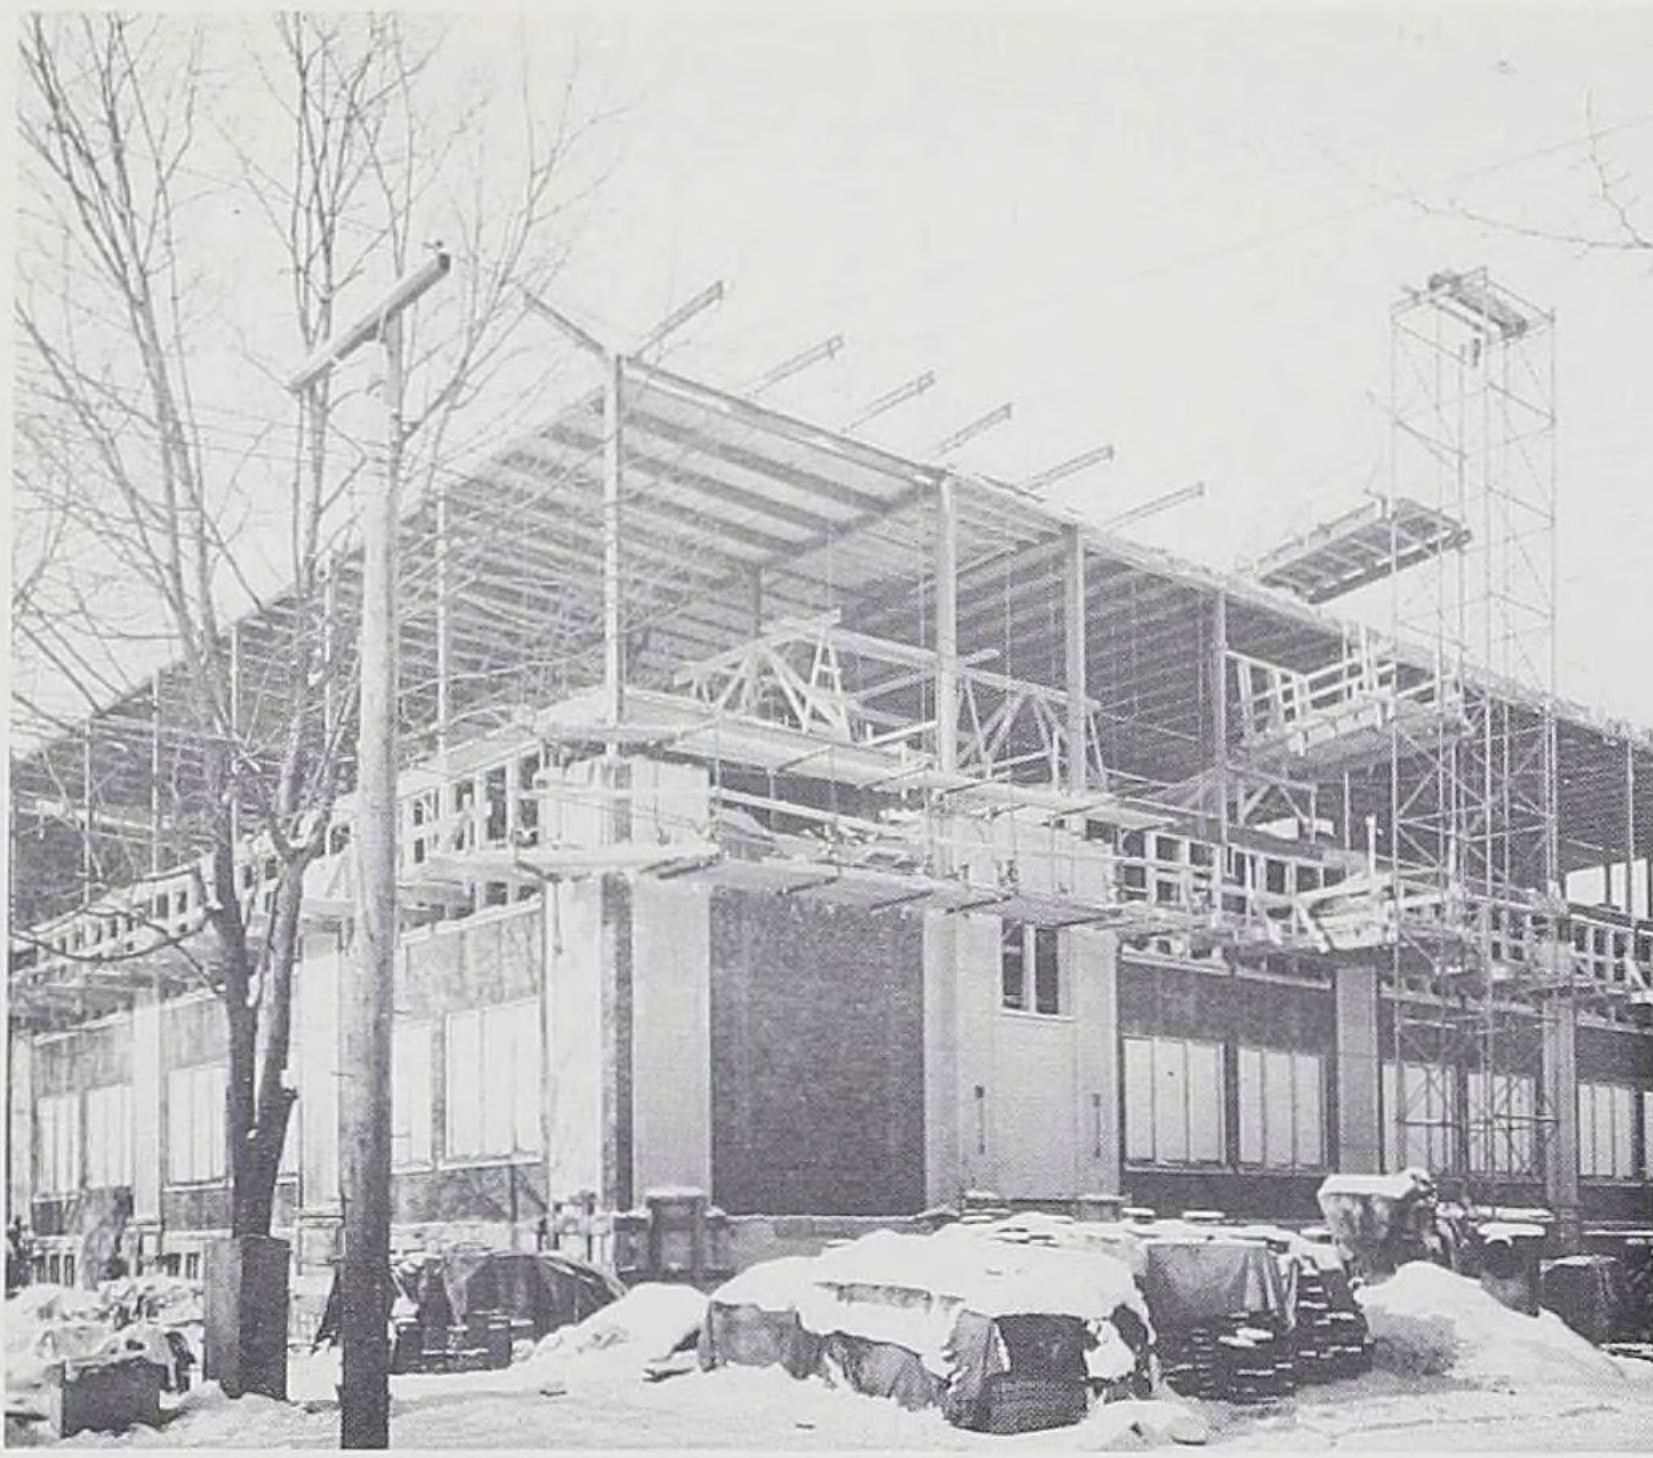

Following are pictures of the construction of Olean High School.

In Memory Of Chris Watkins

IN MEMORY OF "MY" FRIEND AND YOURS

by Louie Johnston

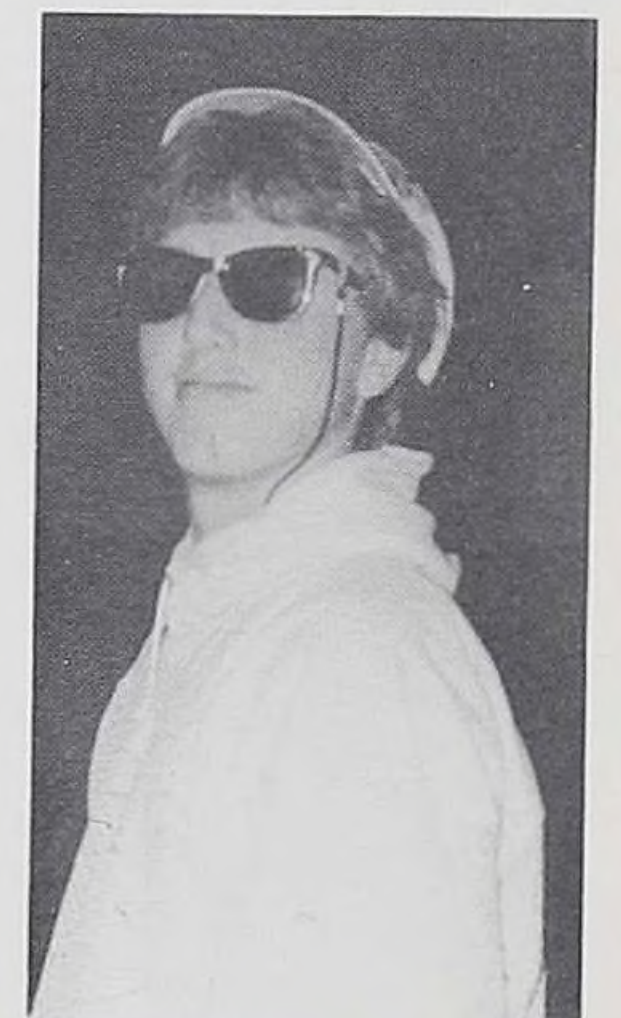

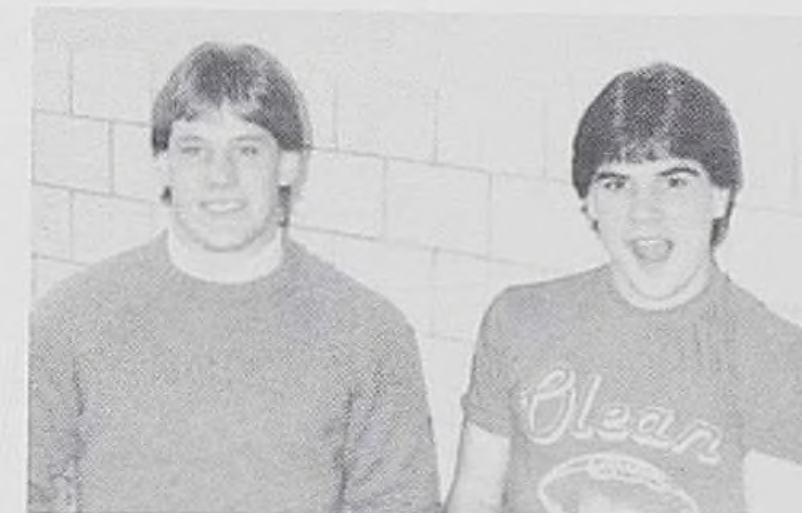

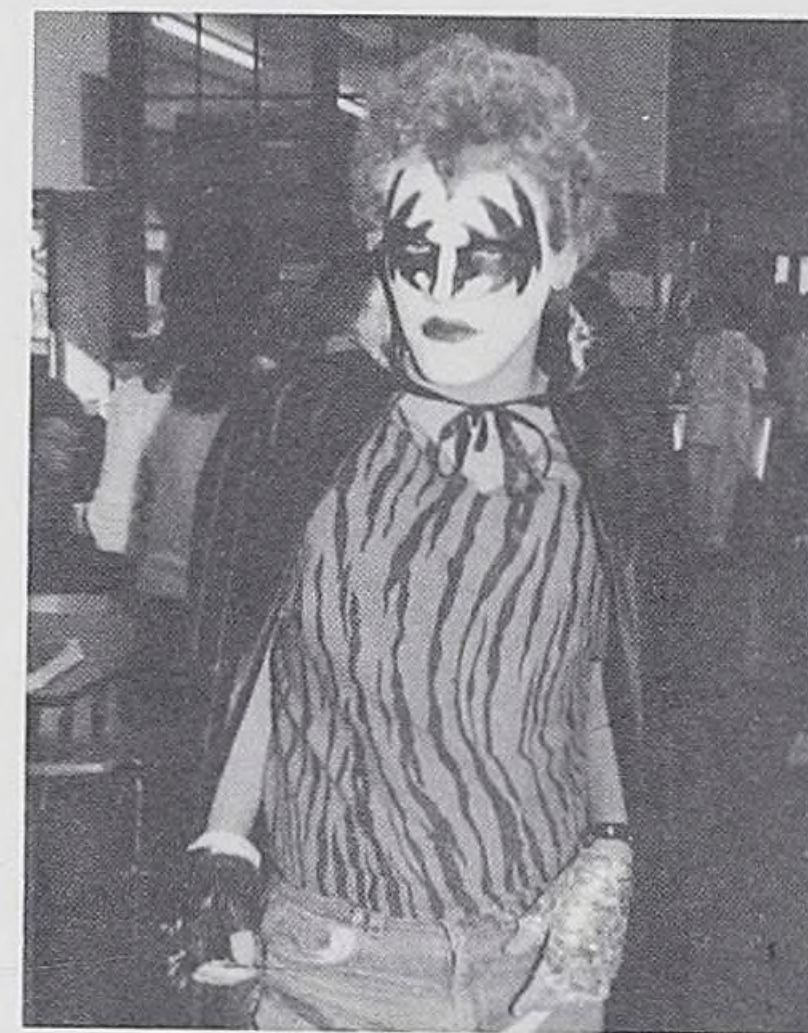

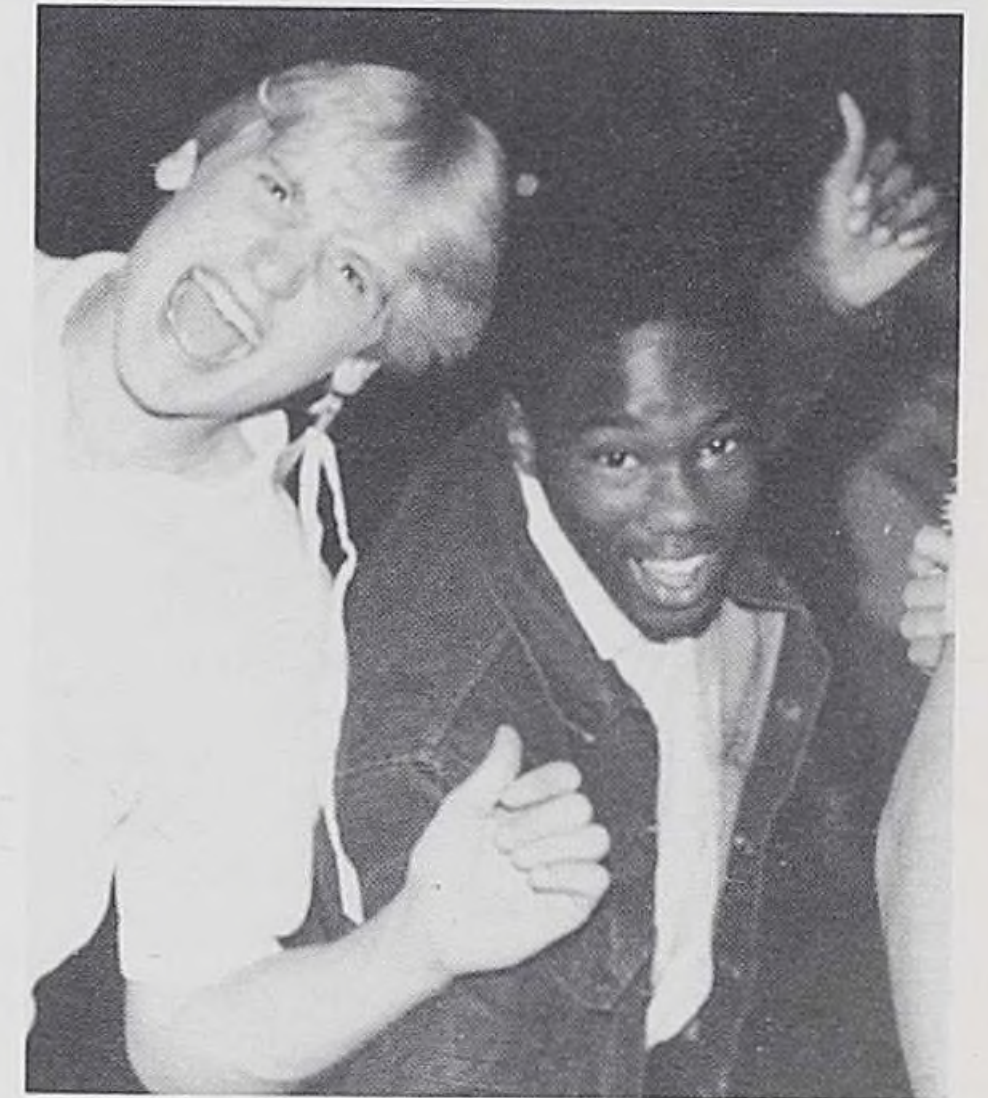

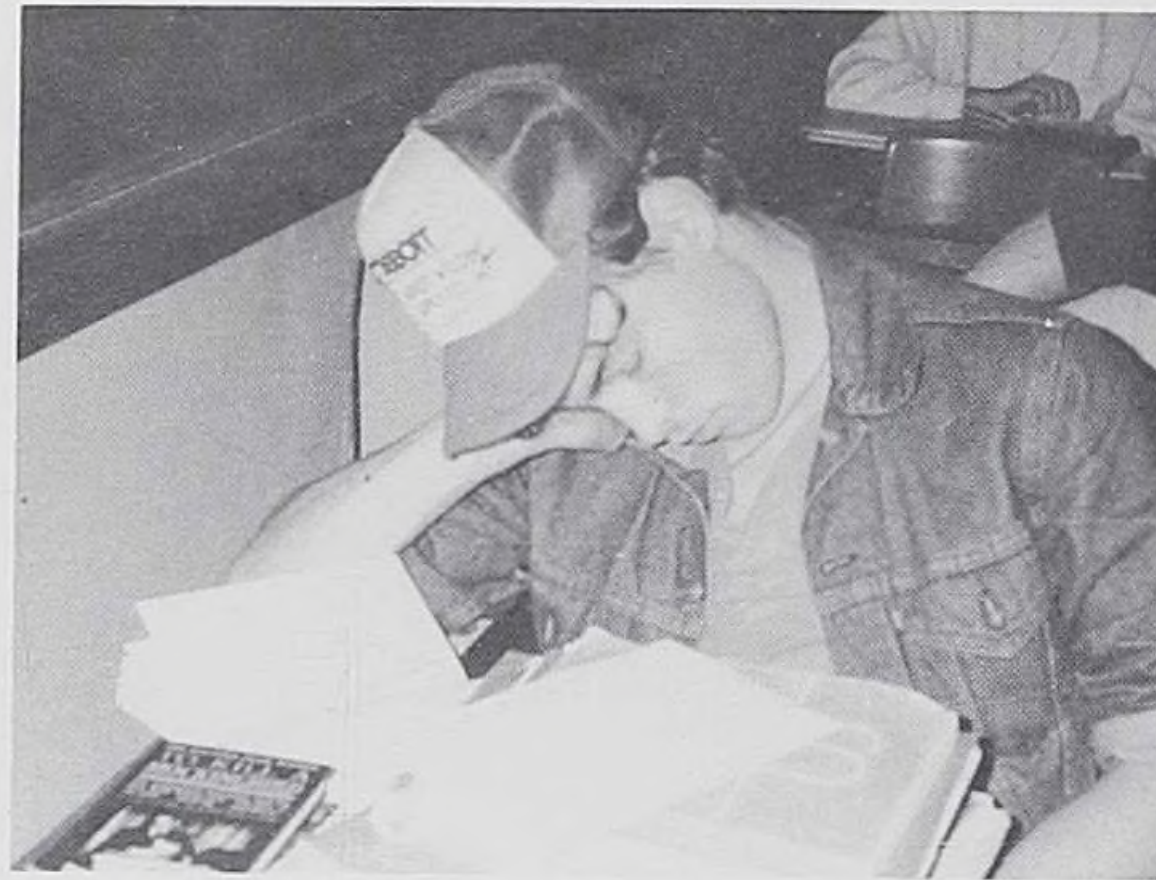

We sprinkle the ashes — all that tangibly remains of Chris — but I thank "God" for all the intangibles — the impact of his life on mine and yours.

We will remember: his smile, his frown, his quizzical look, his love, his courage, his hurt, his sorrow, the significant moments, the fun times, the dances, the searching times, the moments of risk, the great times of affirmation, our talks, his dreams and most of all "*our friendship.*"

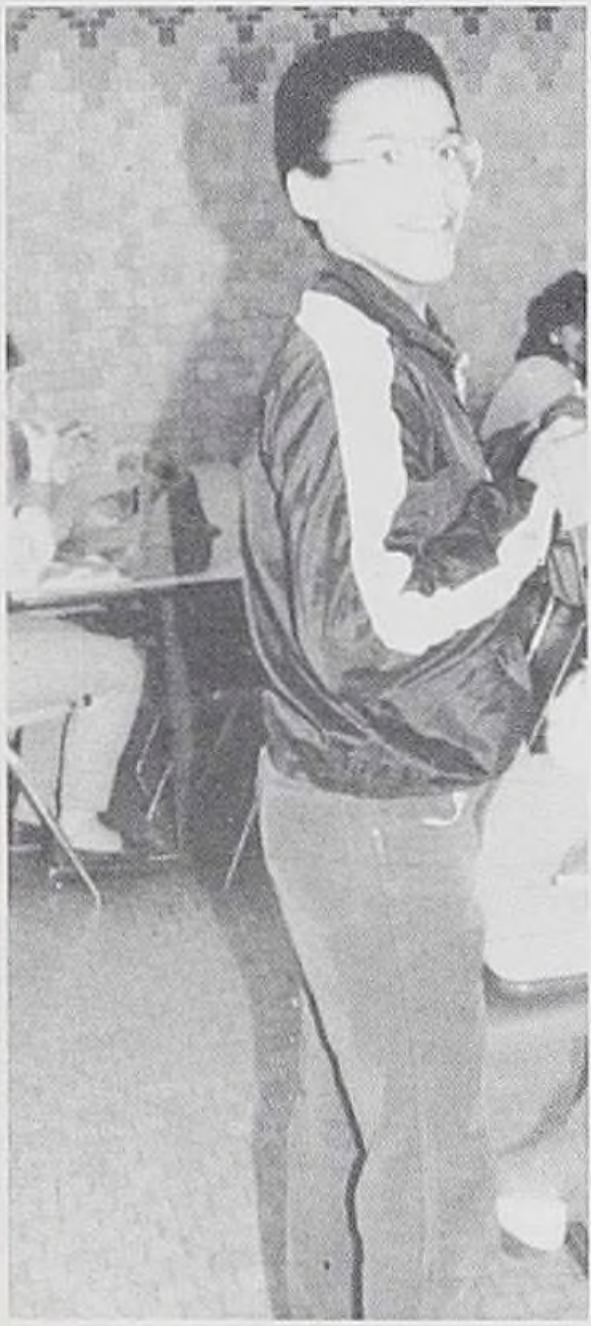

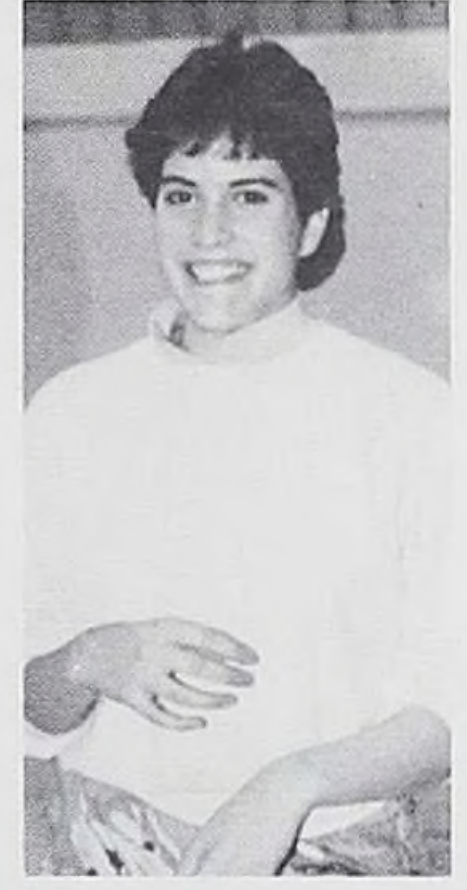

As long as we live, we will *all* bear the imprint of that influence. He opened many doors for us — doors to whole new sets of meanings. We will forever be sensitized as to the importance of life. Because of you, Chris, we will all live differently, and I think I can say from all of us —

Thanks, Chris, for Being You.

ADMINISTRATION

Superintendent of Schools Mr. Martin J. Welch

Mr. Welch came to the Olean Schools in 1959. He was born in Olean, but attended school in Eldred, Pa. He graduated from St. Bonaventure University and Washington University.

Before becoming Superintendent of Schools in Olean, Mr. Welch was a teacher and a Chairman of the Mathematics Department. He was appointed as a Superintendent in 1973. Prior to his tenure in Olean, Mr. Welch served two years in the Army and taught in Fairbanks, Alaska.

This year marks the retirement of Mr. Welch from the Olean School System. The Congress Staff, along with the Olean School System, extend our wishes for a prosperous retirement. And to quote from the November 6, 1959 issue of the *Tell-O-Scope* - Good Luck to our "Snowman from the North."

Wrestling

Prescott captures third consecutive state title:

After an upsetting injury during a warm-up drill before the 1986 Empire State Games, Jeff has gone on for a successful year in wrestling.

Jeff Prescott, boasting a 162-17-0 career record and a 40-0 seasonal record, has been undefeated since his freshman year during the State Championships. With previous State titles in the 98 and 105 pound weight classes, he has added to his accomplishments this year with a 112 pound title.

Surpassing the State record of 101 consecutive wins, Jeff feels that the greatest time in his career in wrestling has been being undefeated for so long and having his State Mat titles.

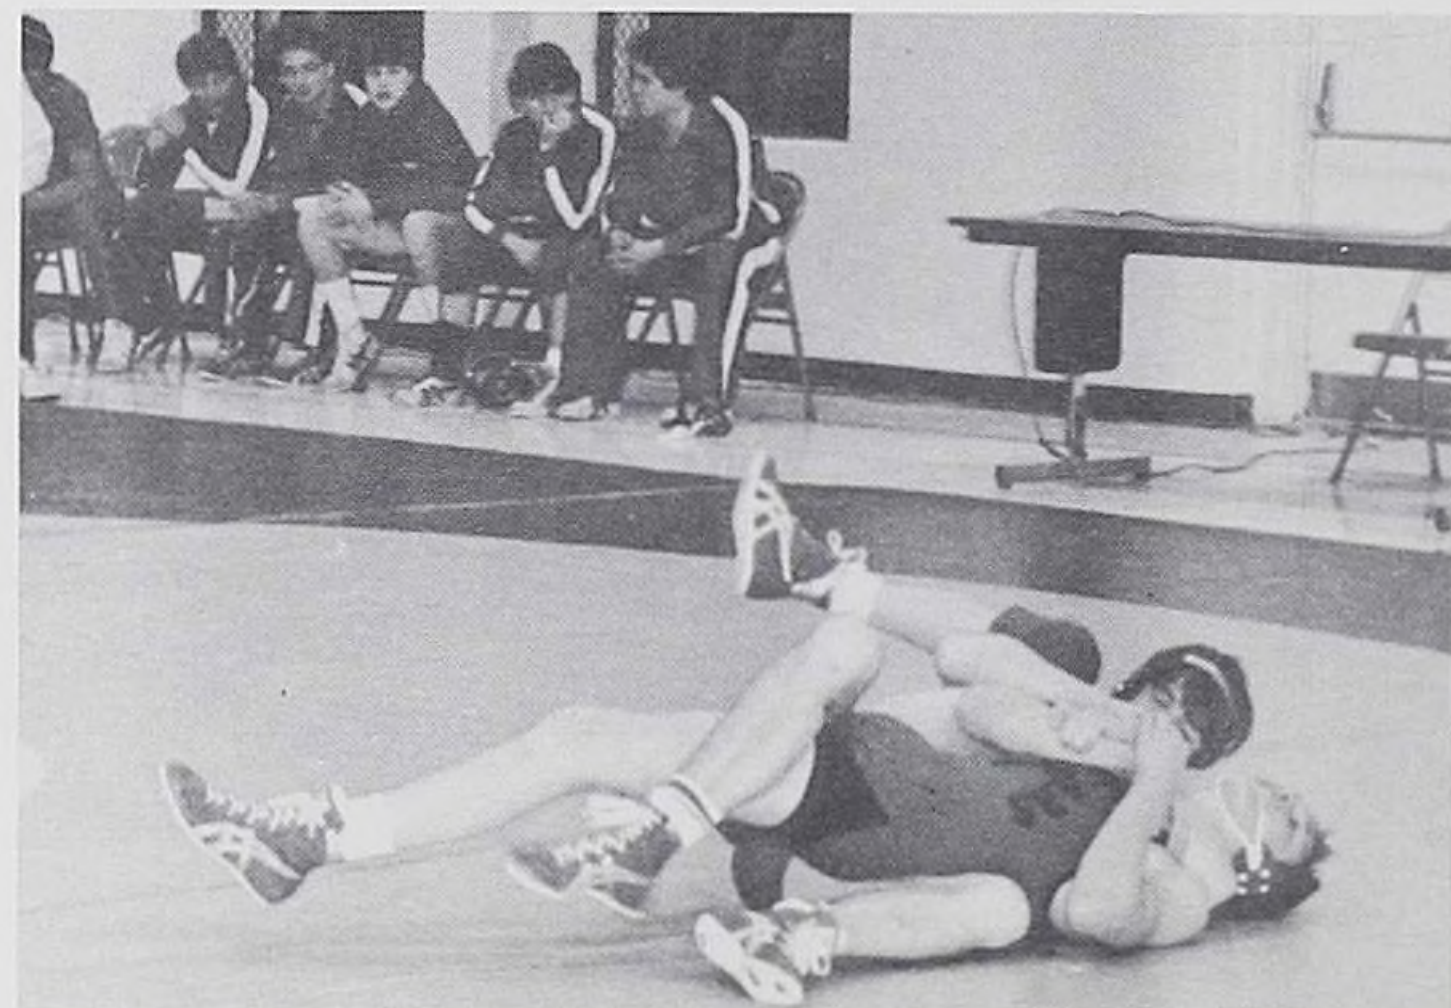

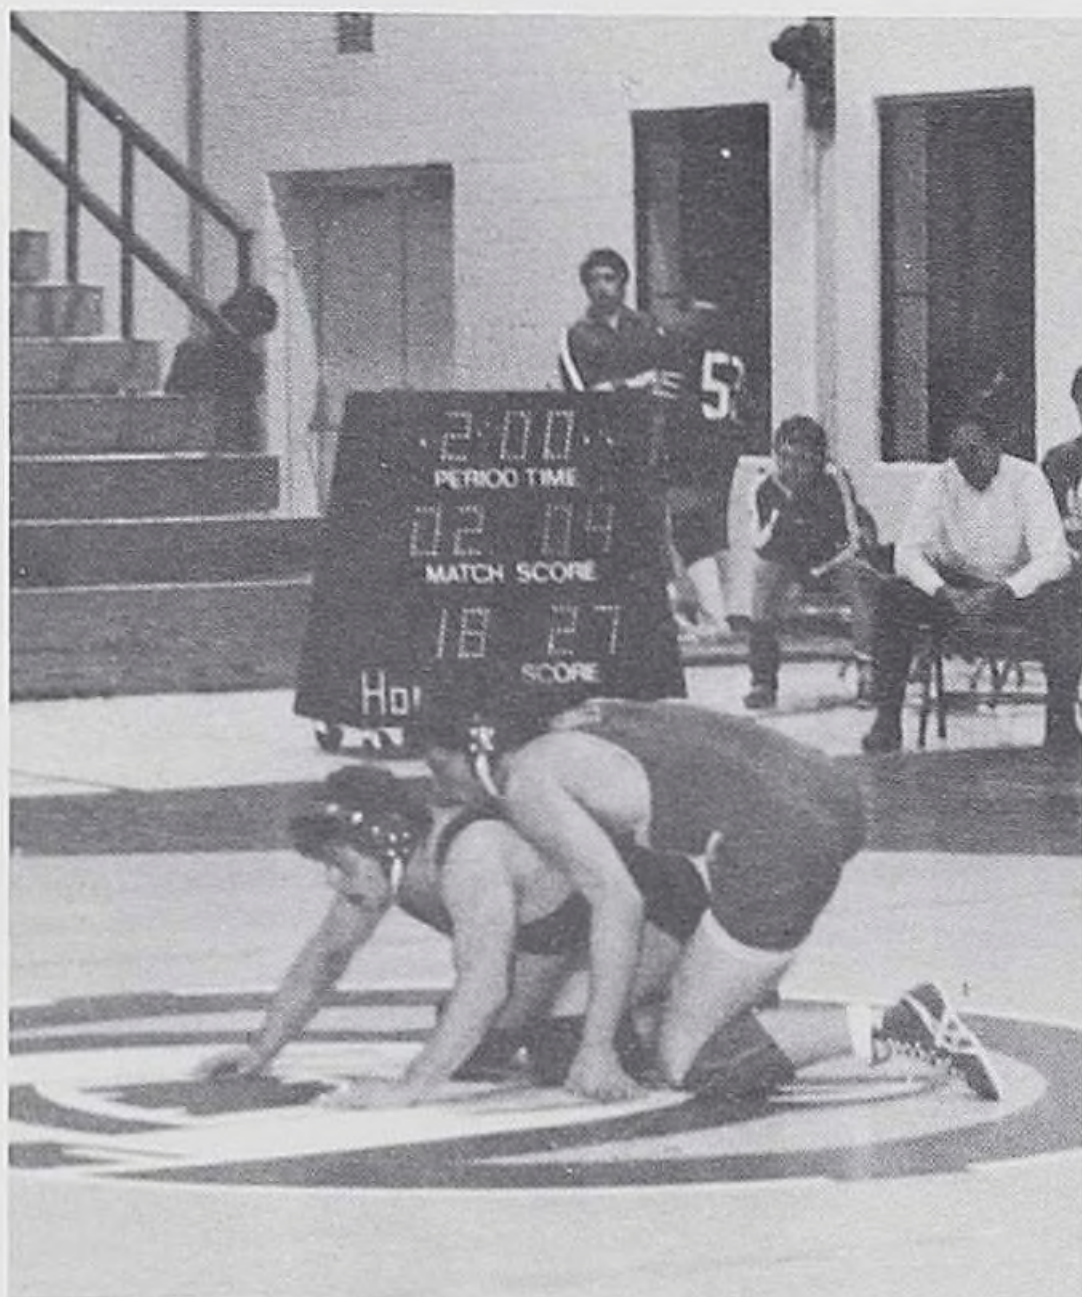

Having been able to obtain a record of 120 consecutive wins, seats Jeff well within the top ten for consecutive wins in the history of High School wrestling.

Prescott, who will be attending Penn State in the fall, has been honored by many groups including the State Assembly and Senate. Congratulations Jeff!!
