MEMORIES ARE

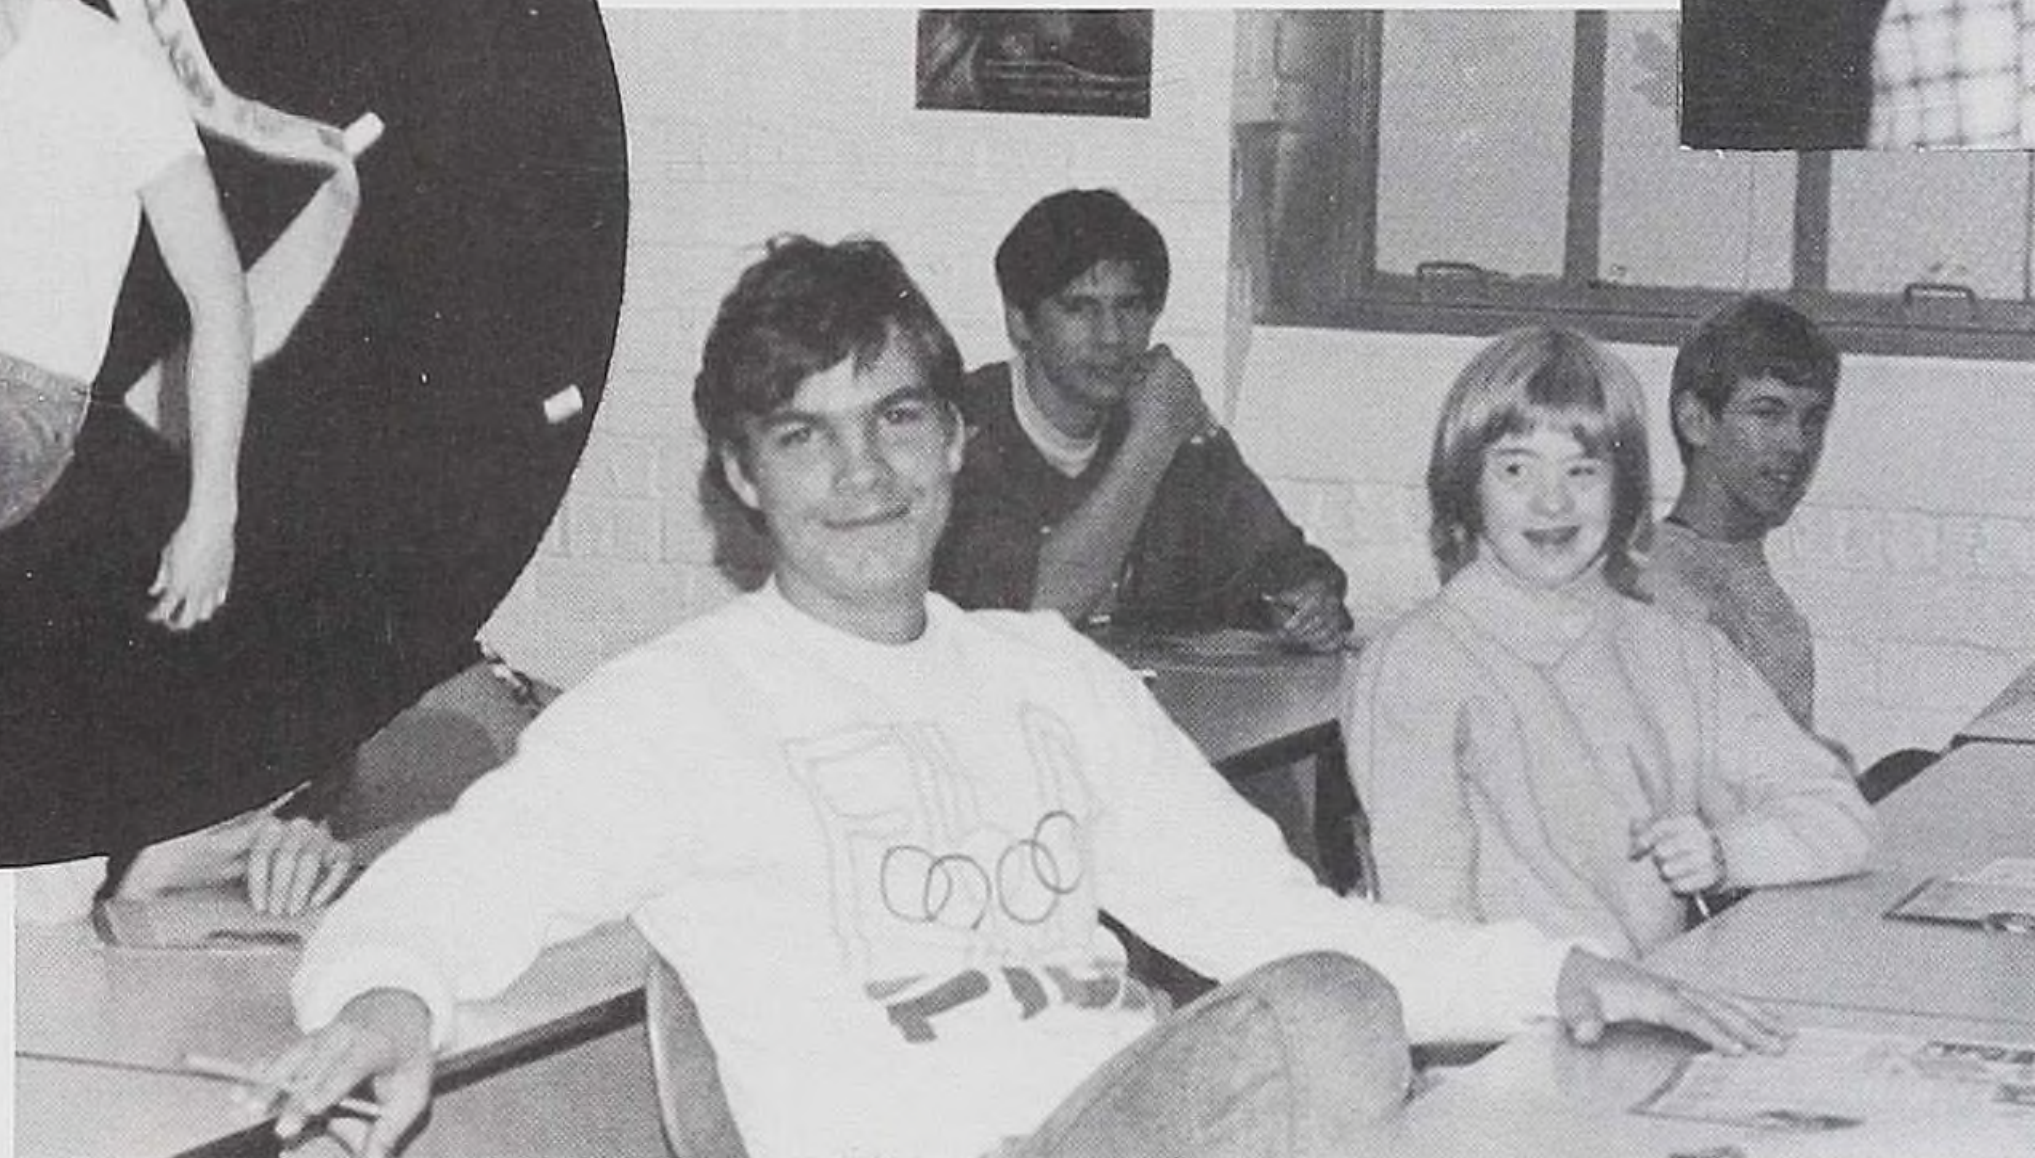

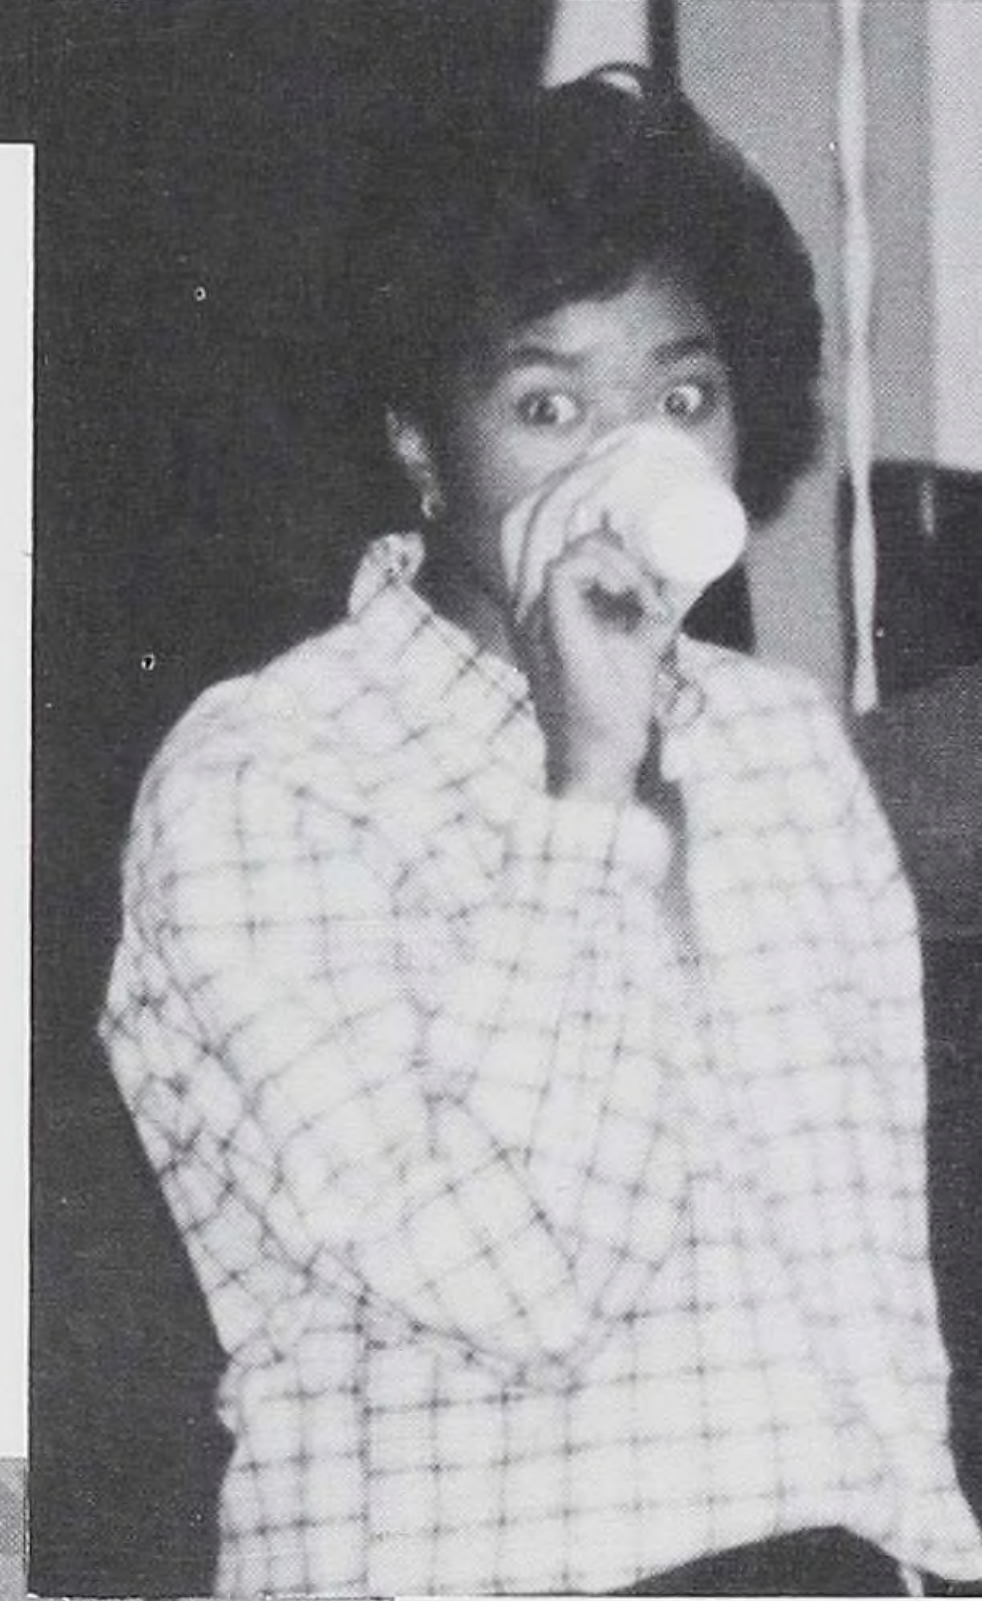

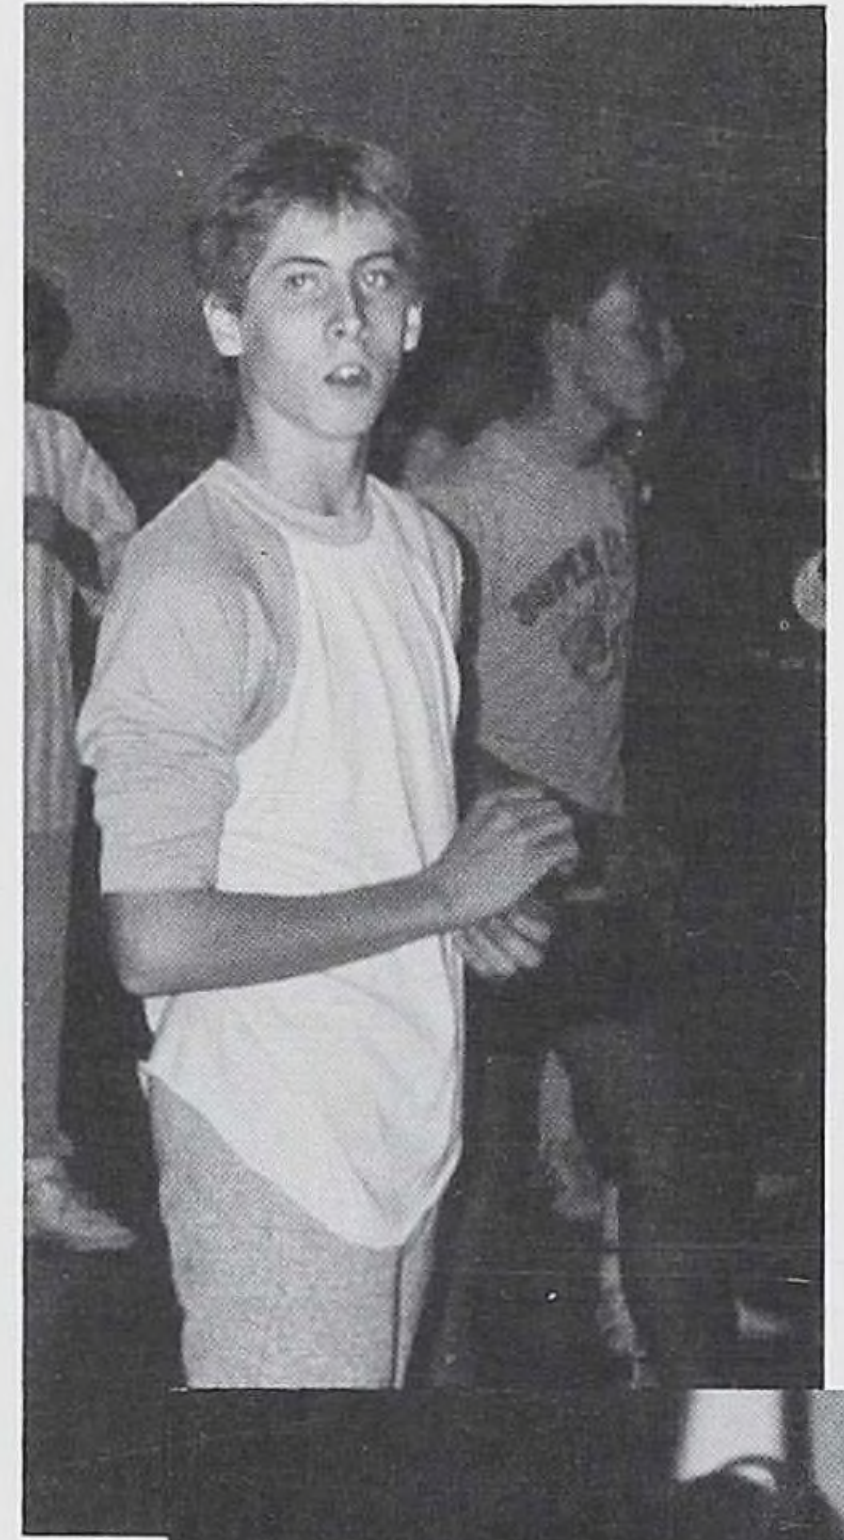

FOREVER

ALMA MATER

*Oh, Alma Mater, fair and true,
Thy honor we acclaim;
We rally round the Red and
Gold*

*To laud thy noble name.
In thee we students shall renew
Our faith of days gone by,
Across the years we'll live anew
Thy spirit, Olean High.*

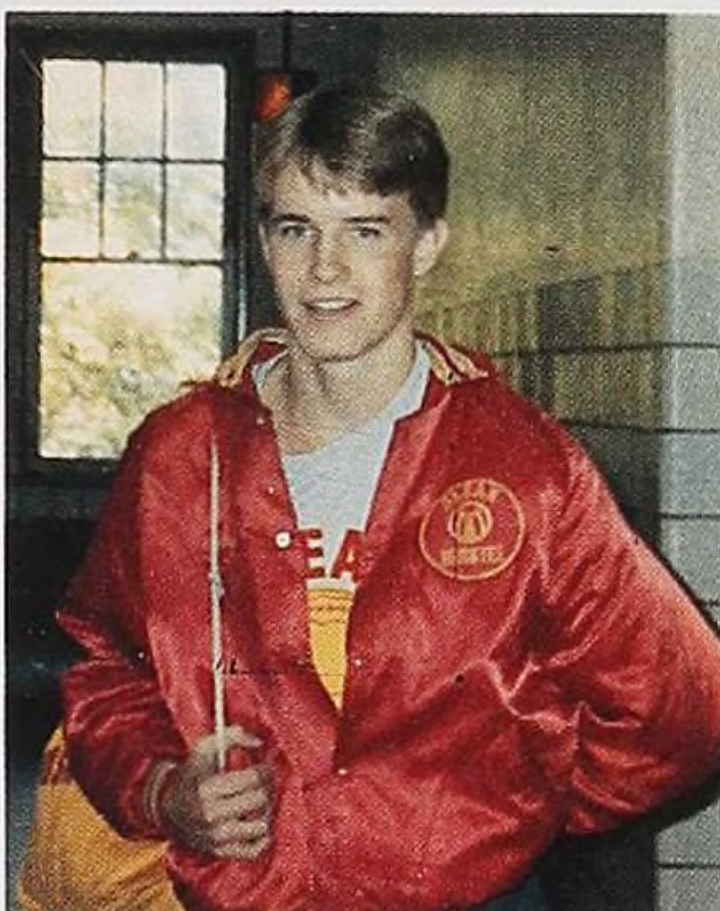

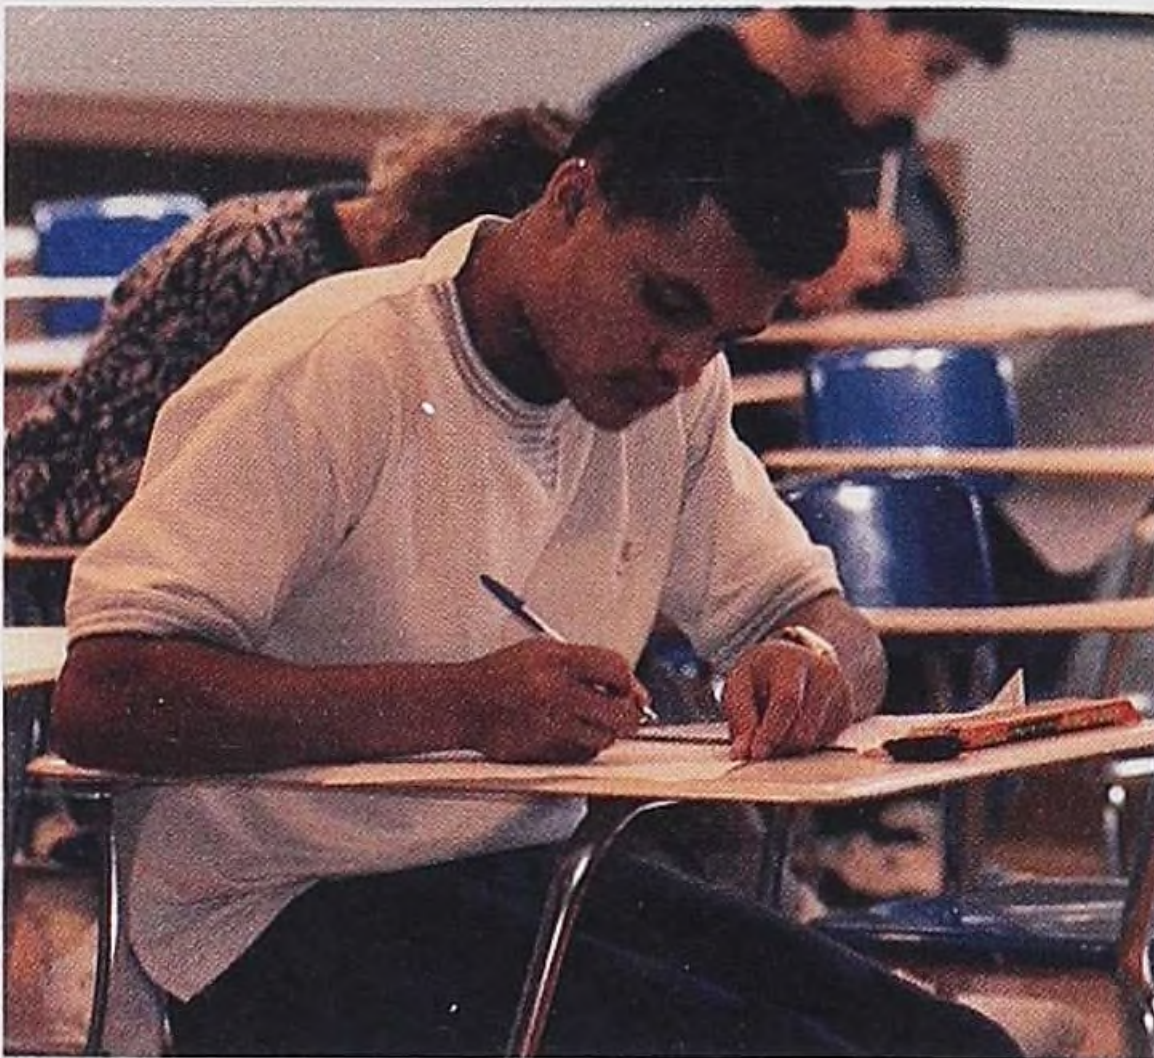

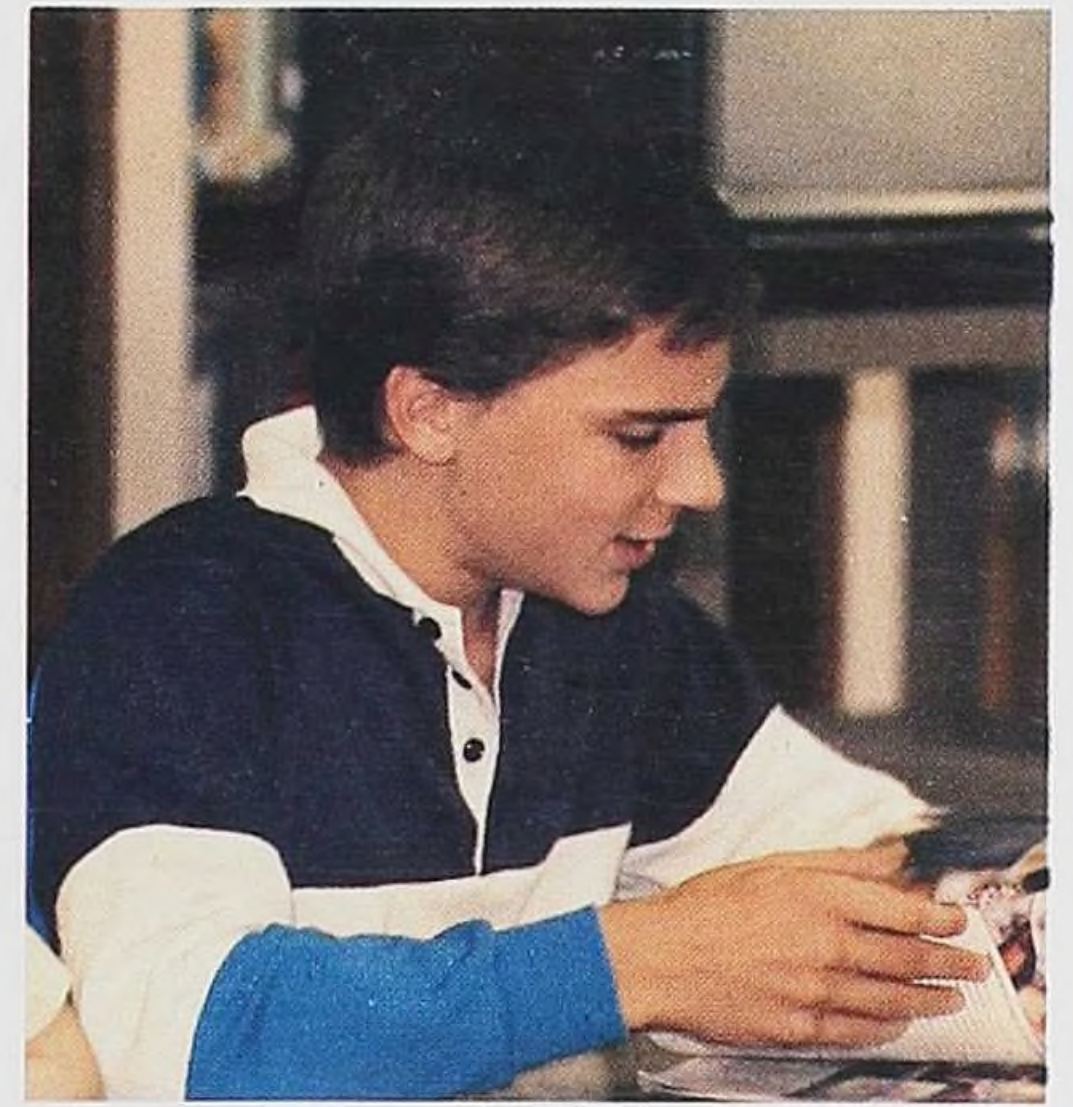

*Dear Olean, Thy loving ways
And charms will ever be,
Those memories of golden
days,
Those friends and hearts so
free.
To thee we pledge thy honor
due,
And parting, sound thy cheers
Our thought of you, so staunch,
so true,
Will live thru all the years.*

GREAT

Senior Skits . . .

A Hit at OHS

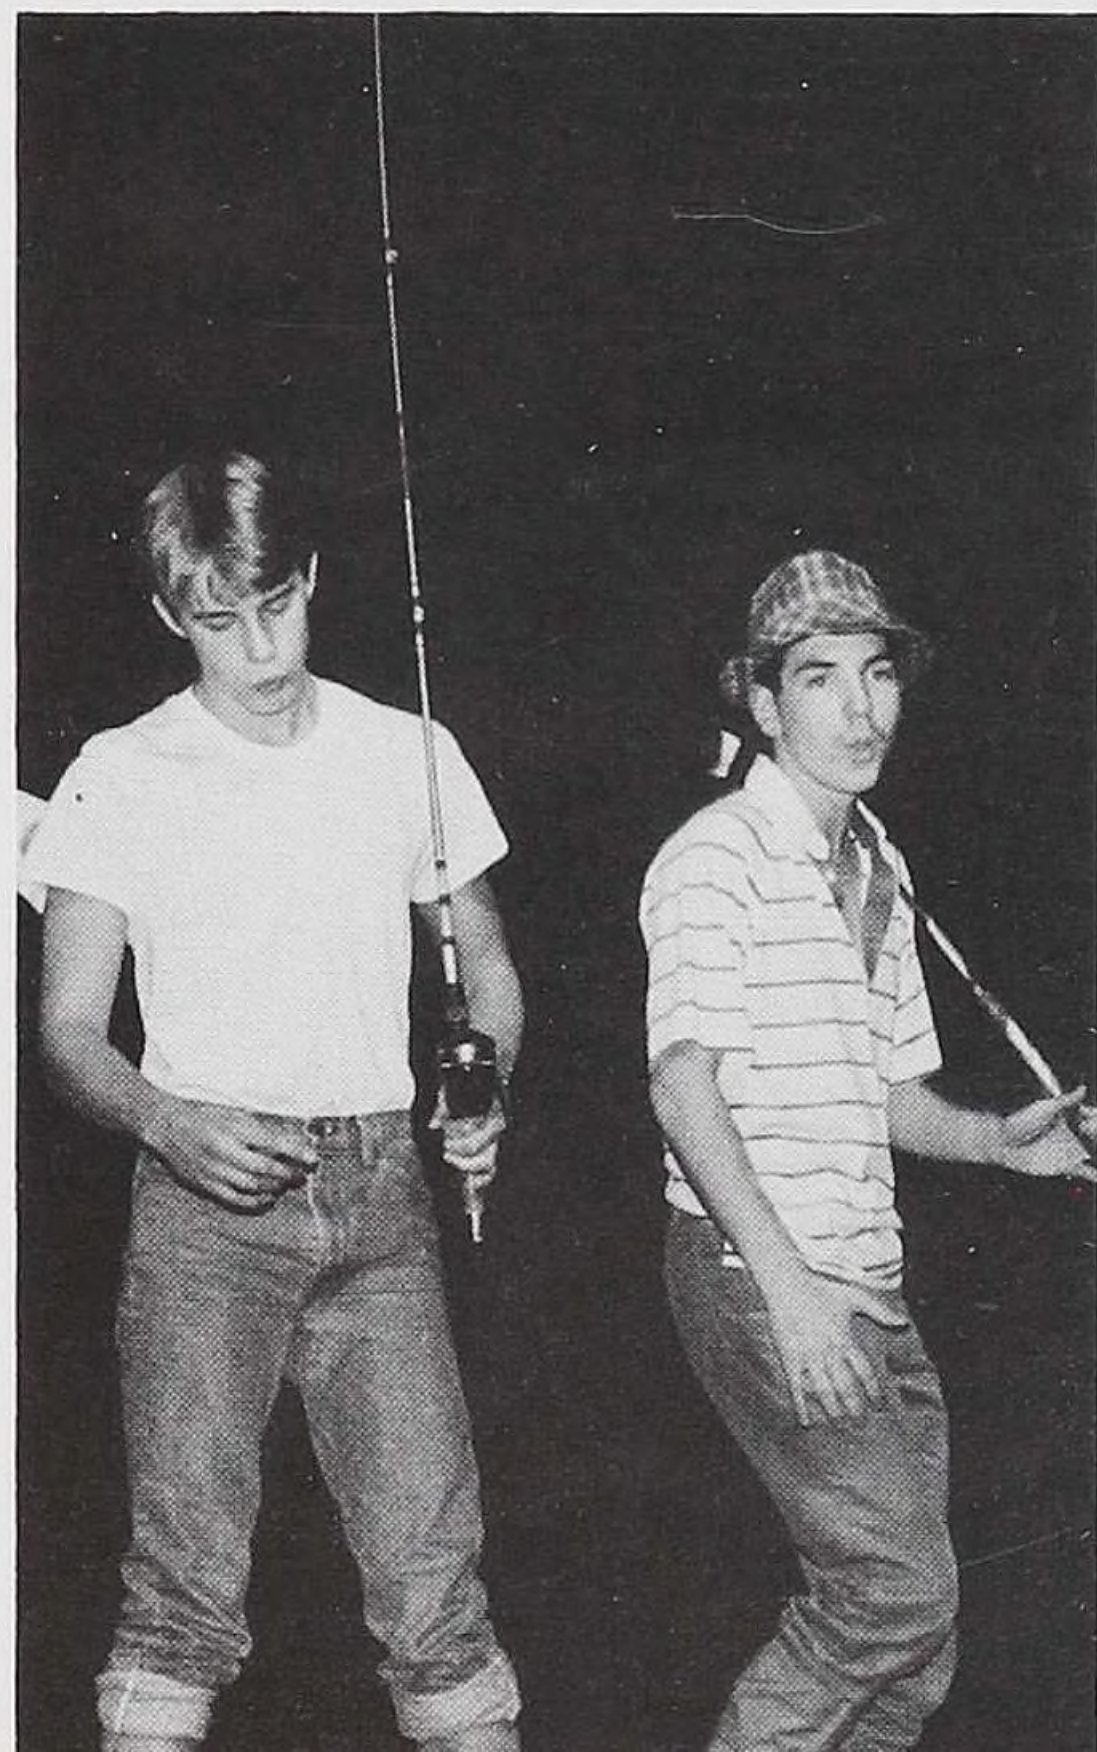

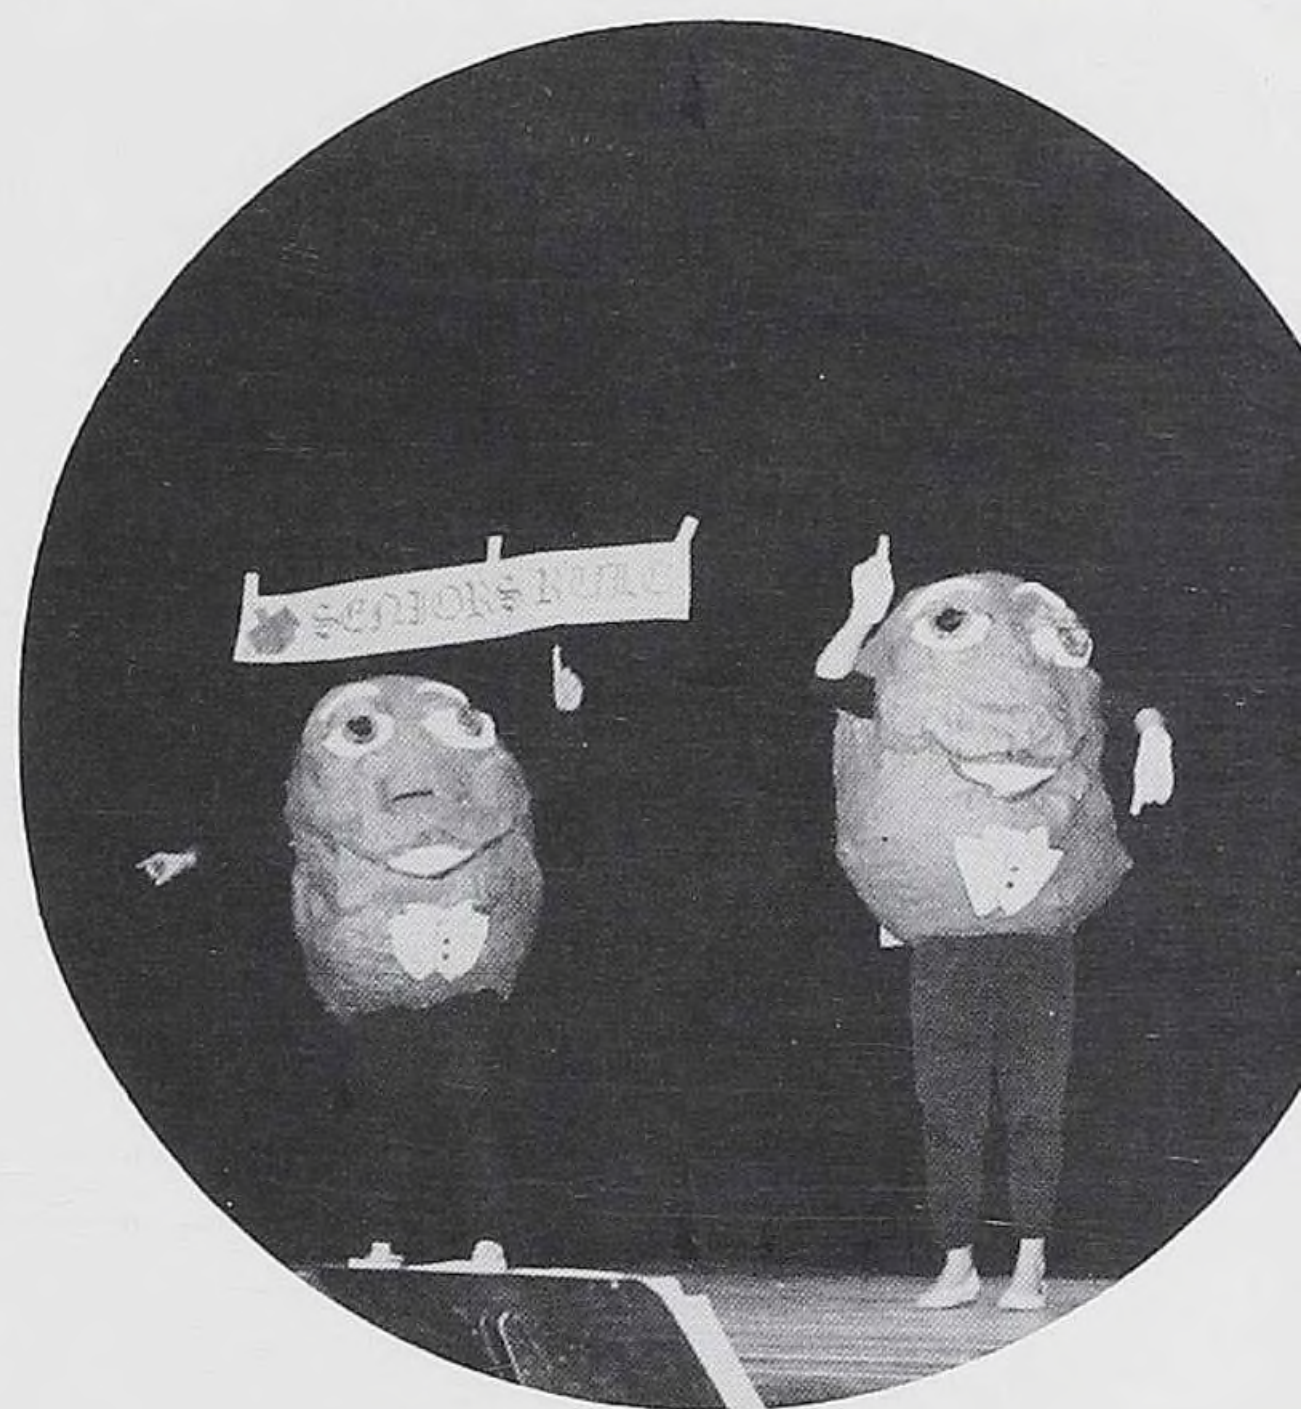

This year's Homecoming assembly was pepped up with performances by OHS seniors. Though criticized by a few, this year's acts were appreciated greatly by the majority. Their originality

could be found in such skits as "My Three Sons", Gilligans Island", and this year's ever so popular "California Raisins".

By some, this year's skits may have been considered unnecessary and unorganized, but, especially when taking into consideration some of the skits of previous years, they were a qualified success. For those who participated, we thank you.

OUR GANG '89

The time is here we've waited so long,
 Feelings of excitement of are growing strong.
 We're all going off our own separate ways,
 It's finally here no more counting the days.
 Today is the day some start to leave,
 For most of us it's a time to grieve.
 We've been through a lot both thick and thin,
 And all the friendships we've formed will never end.
 Knowing each other from Junior High,
 Growing together to laugh and to cry.
 Meeting new friends yet keeping the old,
 Our gang grew bigger, such friendships we hold.
 Although our friendships will always last,
 We'll just have to remember and treasure the past.
 We're out on our own and feeling free,
 It's time to live it's time to be me.
 As a class we've shared special times together,
 And for each those moments will last forever.
 So we'll walk up these stairs and across this stage,
 Cause in the book of life we will have turned a page.

FRIENDSHIP

I thank you for the times you cared
And all the moments that we shared
I thank you for the memories
A friend to me you'll always be

I thank you for your tenderness
That fills each day with happiness
A joy that lasts eternally
A friend to me you'll always be

I thank you for just being there
And all the things you had to bear
And though there are times we don't agree
A friend to me you'll always be

I thank you for the things I see
And what our friendship shows to me
I thank you for eternity
A friend to me you'll always be.

WINTER WEEKEND 1989

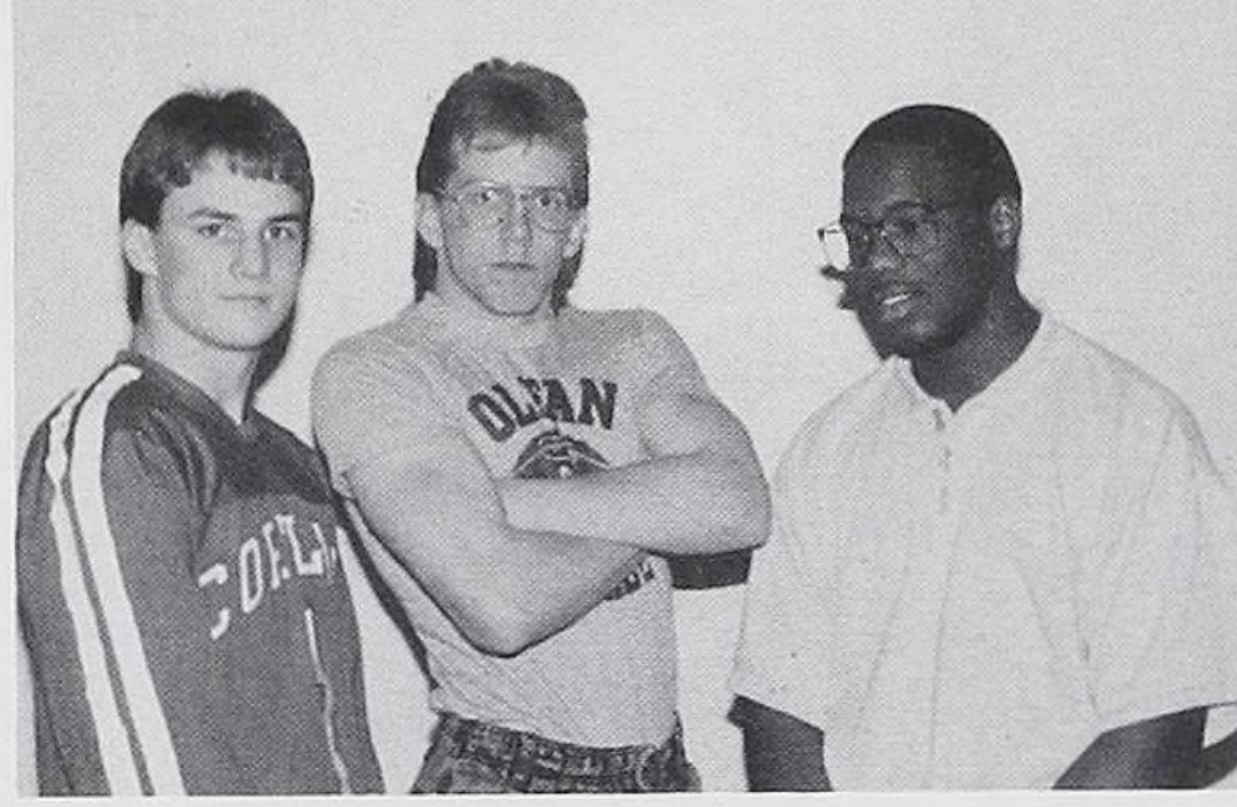

"When I'm With You"

This year's Winter Weekend Court was announced at Friday's Pep Assembly. 1. First Senior attendant, Ronna DeCarli and her escort Rod Hughes. 2. Queen, Jennifer Howard and King, Jim Keenan. 3. Second attendant, Nikol Waruch and her escort Matt DeCerro.

The Winter Weekend Committee was Seniors, Jason Hlasnick, Andy Robinson, Amy Harrington, and Lisa Mancini. Junior — Nicole Nudd. 5. Junior Attendant, Beth Goodrich and her escort Zane Davison. 6. Sophomore Attendant, Julie Mancini and her escort Dennis Martinelli. 7. Freshmen attendant, Stacey Hlasnick and her escort Knut Johnson.

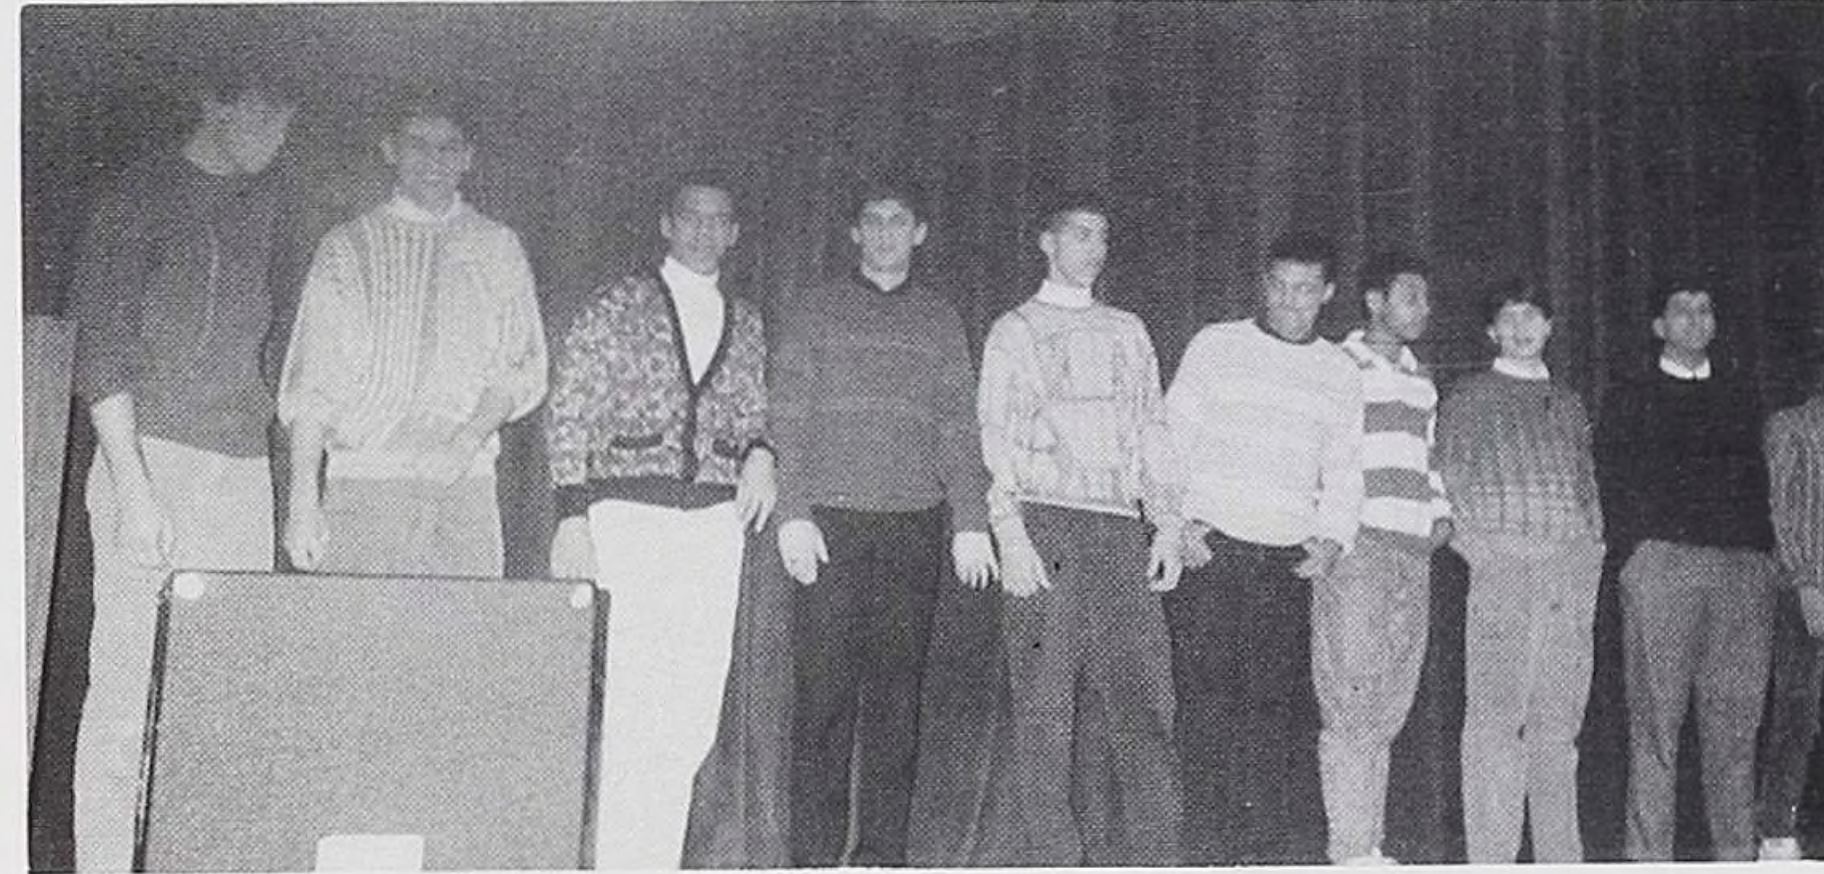

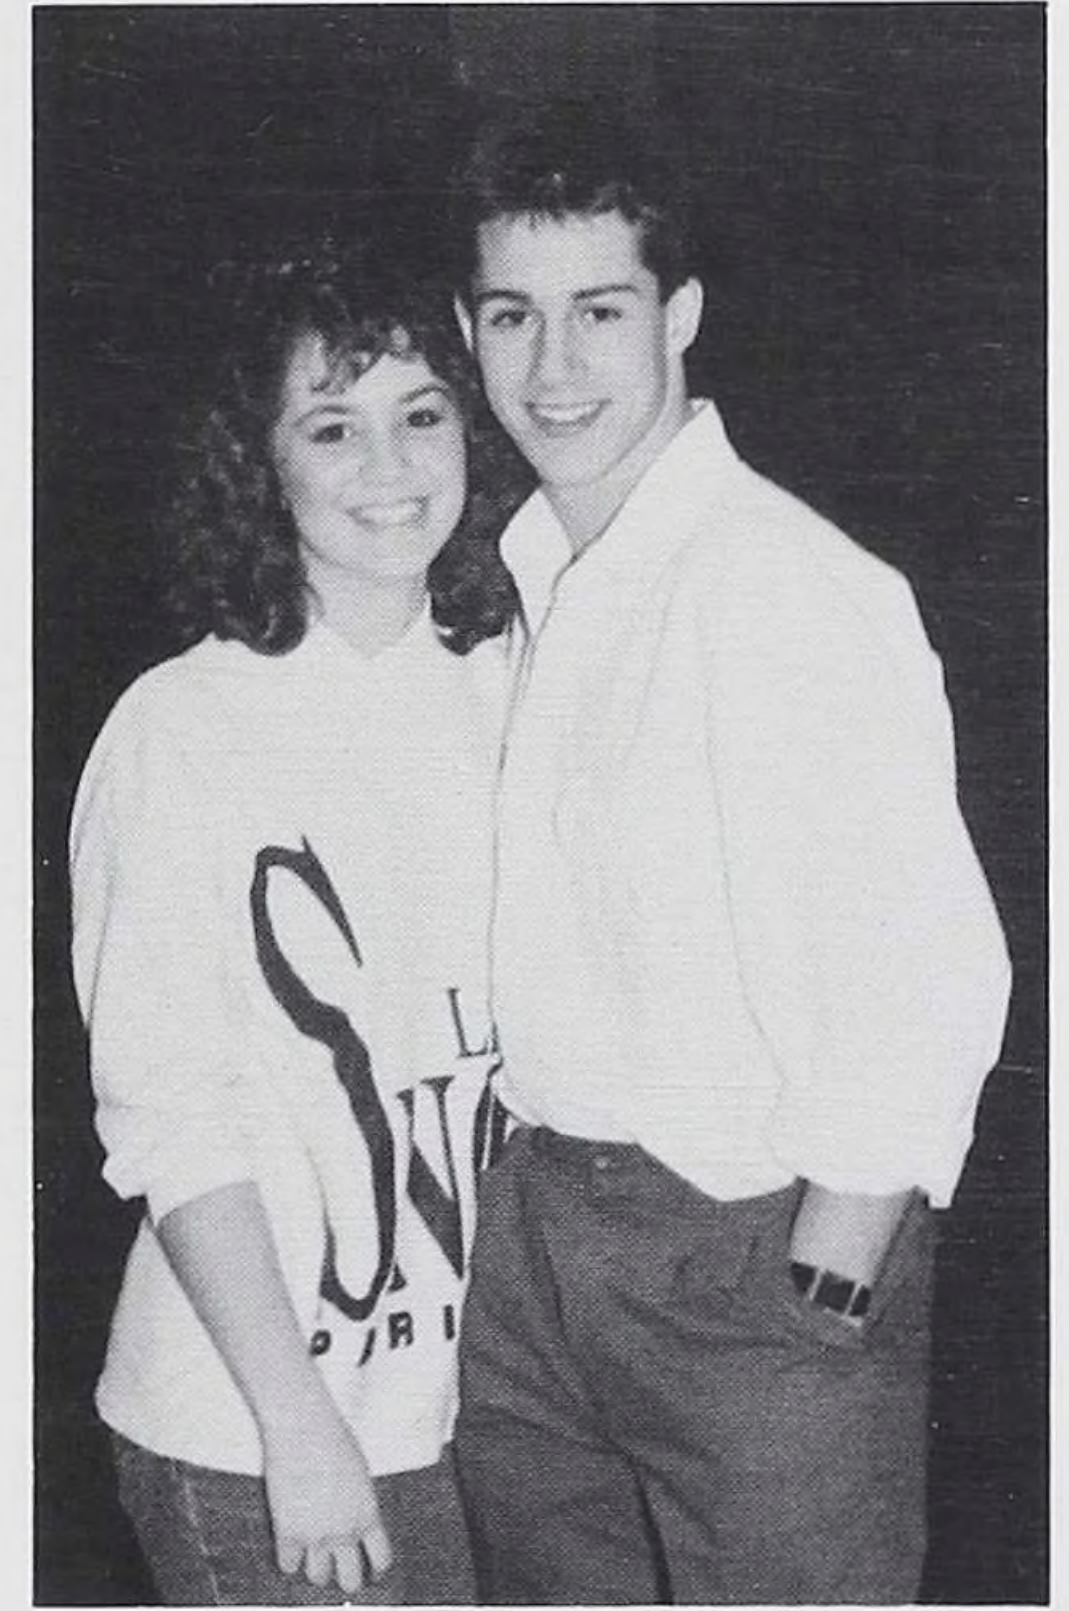

The blessed event of winter weekend occurred this year the week of January 30. The Week was peppered with such exciting events as College Sweats Day, Shorts Day, and the traditional Red and Gold Day. The excitement crescendoed to a forte at the entropic assembly. Our tension was released through laughter at the theatrically brilliant performances of the most respected instructors. Moving the audience to emotions never felt before with such intensity Paul Knieser uttered these immortal words . . .

"I shall take you to the stars."

The climax of the week was the illustrious Winter Weekend Ball. The gymnasium was transformed into a fairyland of balloons, crepe paper, and love. With a DJ from Majic 102, the music served to augment magnificently the magical atmosphere of the evening. A hush fell over the crowd as the chairpeople began to announce the court. Joyful applause broke out as the honored people claimed their stand upon the platform. Then the court and all the other couples danced in each others arms to the crooning of Sheriff — When I'm With You.

With a final song and dance in the winter wonderland, the brujaja ended after a rousing finale of Metallica. This is what treasured memories are made of. Forever we will hold this night engraved upon our hearts as we look back and smile fondly.

MEMORIALS

In loving memory of Ryan Hughes

— Samantha Freer

A part of us has been stolen away; a part that can never be replaced — or forgotten. Although Ryan and we can never be together, we will never be apart. For though time forgets, love remembers.

Our lives are filled with constant reminders of Ryan and his impact on us. We remember his open honesty, his incessant questions, his witticism, and his laughter. We remember his concern for others, his ability to make us smile, his affection, and his dreams. Ryan taught us how to enjoy life; how to be young and carefree. And most of all, he showed us how to believe in our dreams.

No man dies until he is forgotten. Ryan will never be forgotten. The love we have for him grows in our hearts each day, and our minds swell with all of our memories.

Ryan will always be an outstanding son and brother. But most of all, he'll always be an outstanding friend, because you see, the journey of love is long, and does not stop at death.

Thank you Ryan. For being there, and, for being you.

In loving memory of Lisa Beatty

Lisa will always be lovingly remembered by all those who knew her.

Lisa transferred from Hinsdale to Olean at the beginning of this year, and although she was new to our OHS family, she will always be a part of us.

Lisa will be remembered to her friends and to the class of 1992 as a loyal companion and trusted friend.

Memories of her cheerful personality will remain with us all for many years to come.
