BROADWAY COMES TO OLEAN

This year the Olean High School had the privilege of hosting the Kennedy School of Performing Arts' Acting Company. All Students in the school were entreated with a professionally done rendition of *Romeo And Juliet* plus were able to attend other performances for the public along with another Shakespearean play *The Two Gentlemen Of Verona*. After the matinee, there was a successful picnic in which all students were invited and what a switch! — Teachers served the students.

Hello, my name is Penelope and I am from Spain. This year in the United States has been the most exciting of my life, and I am sure that I am not going to forget it. This year is being hard for me, so I have to say thanks very much to all my friends and teachers for their help and support, without them I would never be here. I am not going to forget all this months in Olean. ADIOS.

EXCHANGE STUDENTS

I'm Marcia. I'm from Brazil, Rio de Janeiro. It has been a pleasure and a nice experience for me to meet all of you and learn your cultures.

I'm sure when I go back home, I'll have a lot of good things to remember, and a lot of tears to take back home with me.

I want to thank everybody that gave me help as an exchange student. It is not easy. We have different cultures and other things uncommon from here. This is a good experience and something never to forget.

Hi Everybody

My name is Iben. I come from Denmark. I would like to thank all of you (teachers and friends) for helping me so much. You have all made this year unforgettable. Especially thanks to Kris, Tony, and Margo for all you have done for me. I realize I haven't always been easy to live with, but you were always there to help anyway. I'm grateful for that. Jeg vil gerne takke jer alle hjemme i Danmark. Jeg kunne aldrig have klaret det her uden jer!
