CONGRESS

SC
93

We the staff of this very Congress yearbook wish to dedicate our effort, hard work, and perseverance to those students of Olean High School who have in some way or another made the decision to take a step beyond common ground, and therefore become their own original person. These are the students who, by not following the majority, have succeeded in becoming a powerful minority.

These are the students we salute. Those of Olean High who have successfully *MADE THIER MARK.*

Shows Andrew victims Care

In August of 1992, a hurricane by the name of Andrew swept through Florida and Louisiana leaving many homeless and devastated. SAC organized and sponsored events to raise money to aide those in need. Proceeds from a dance and house "building" contest totalled almost \$300 which was donated to the Red Cross.

The contest, by the way, was won by the juniors who pulled together at the last minute to overcome the seniors.

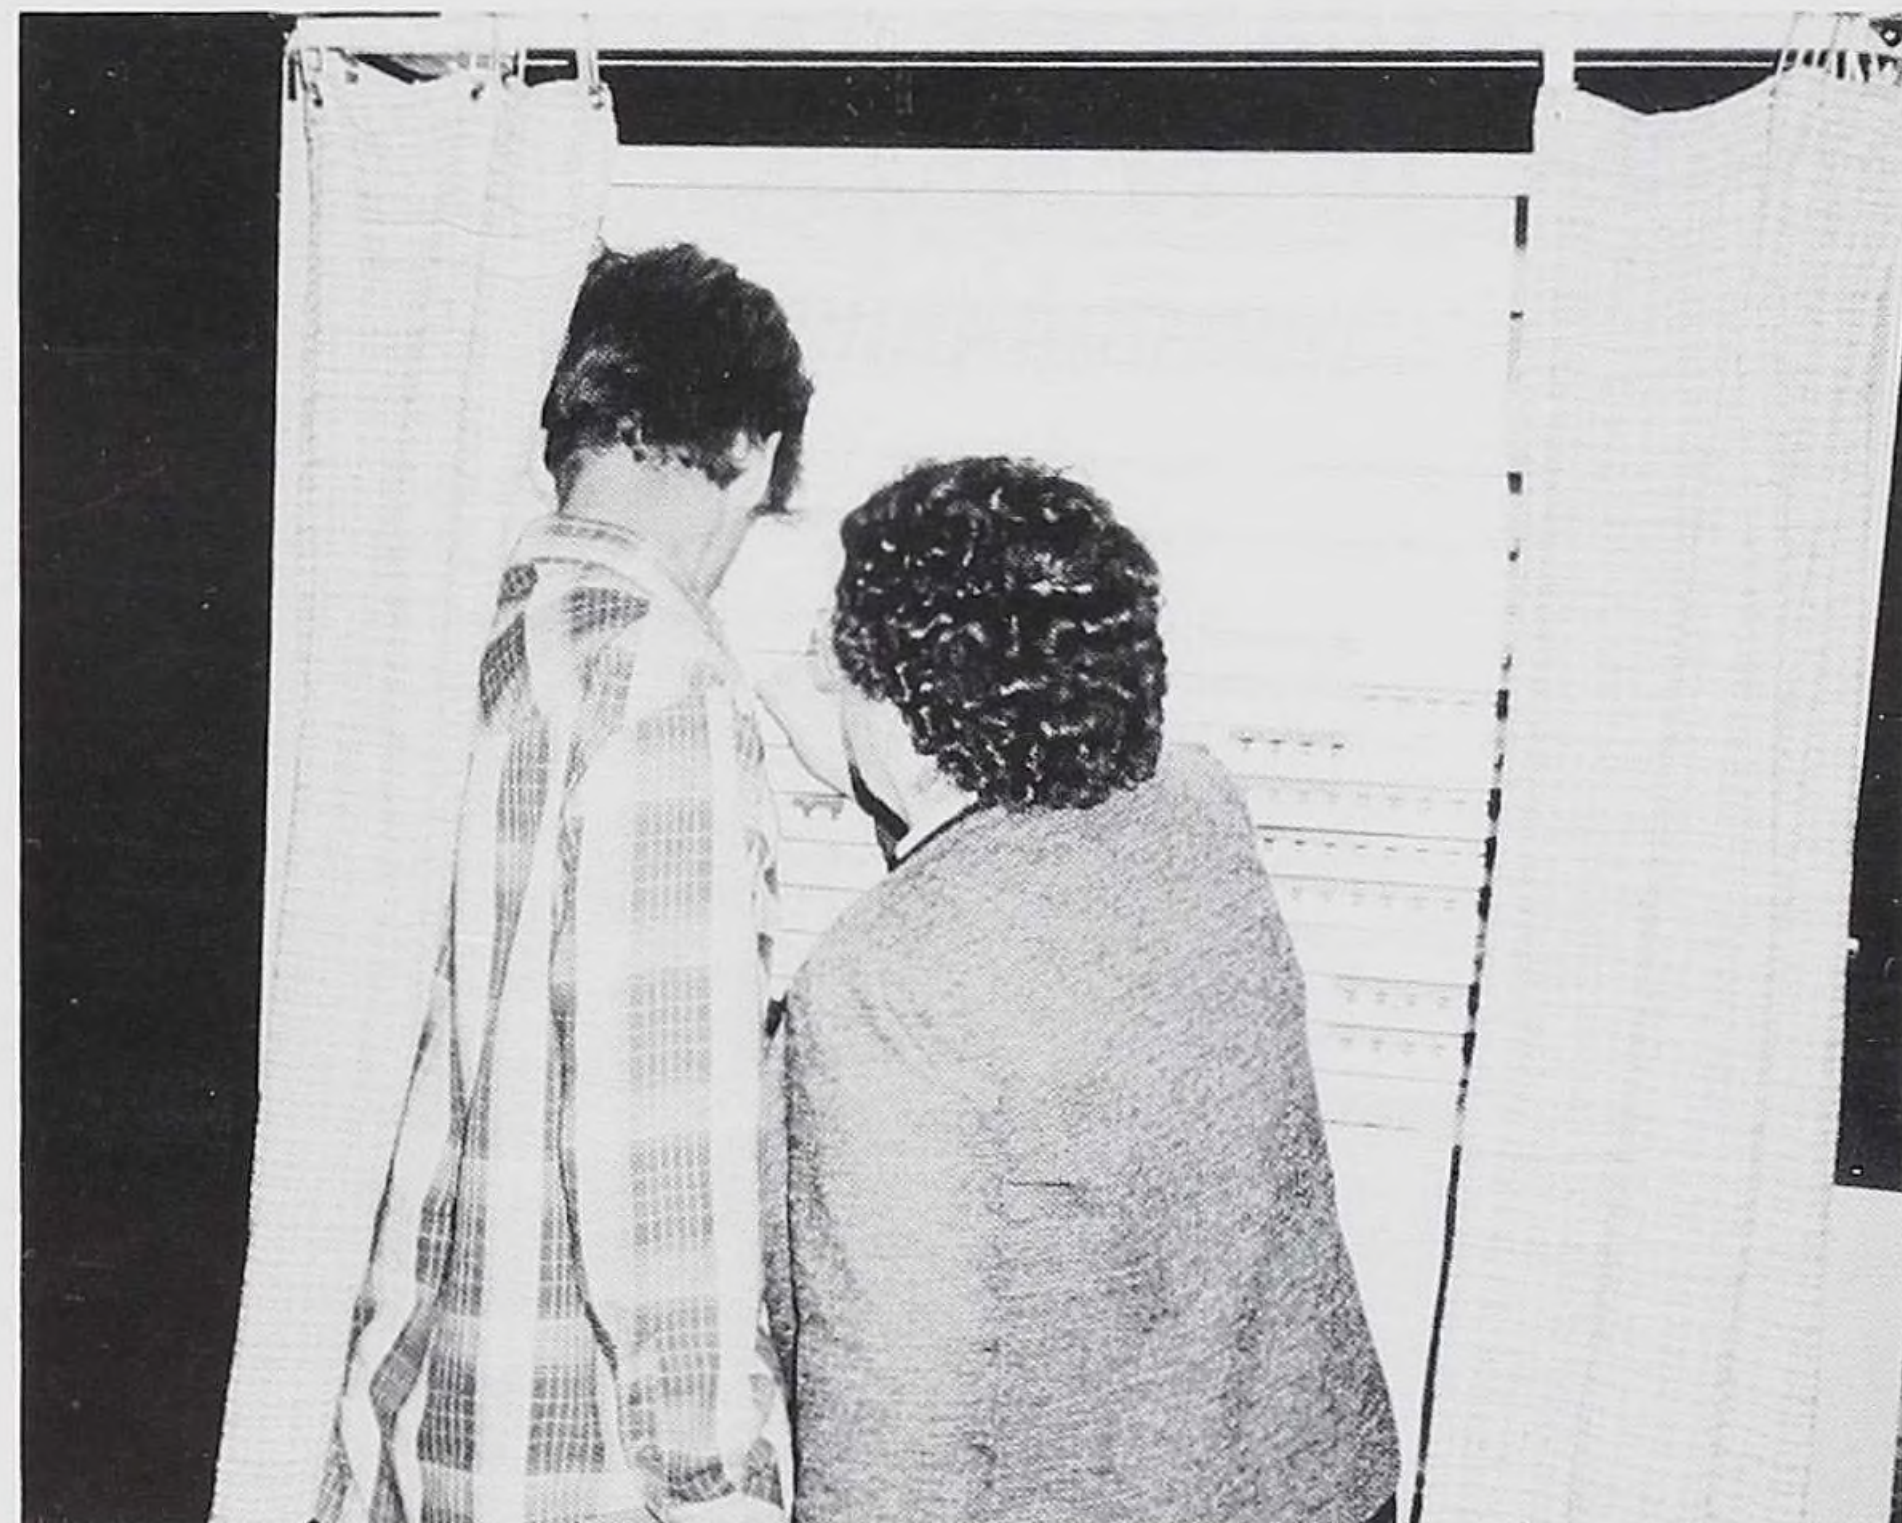

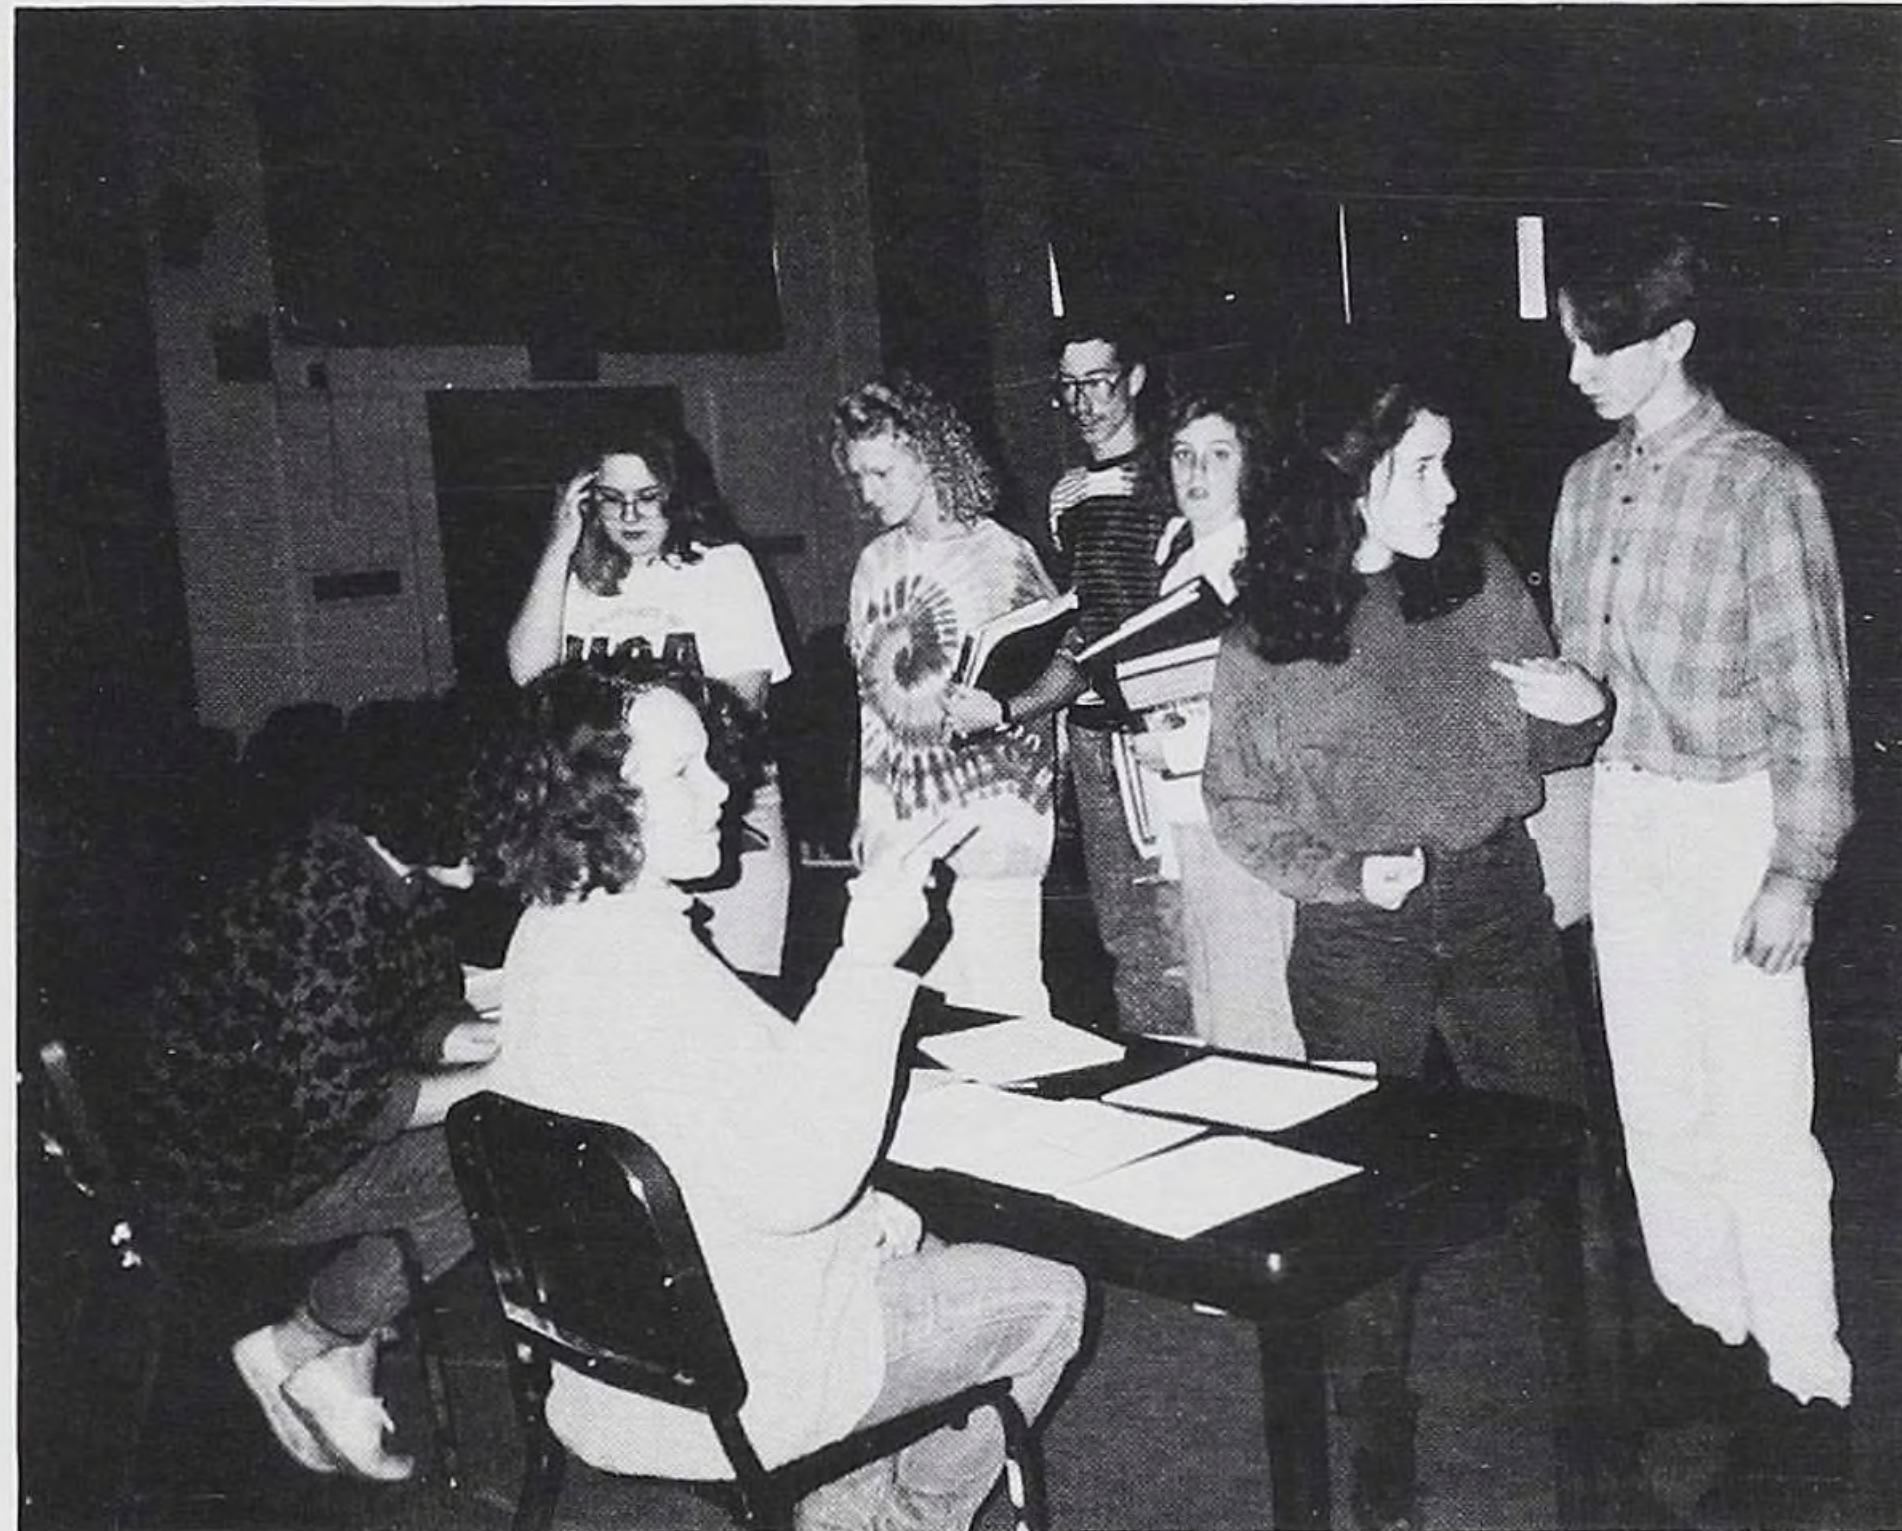

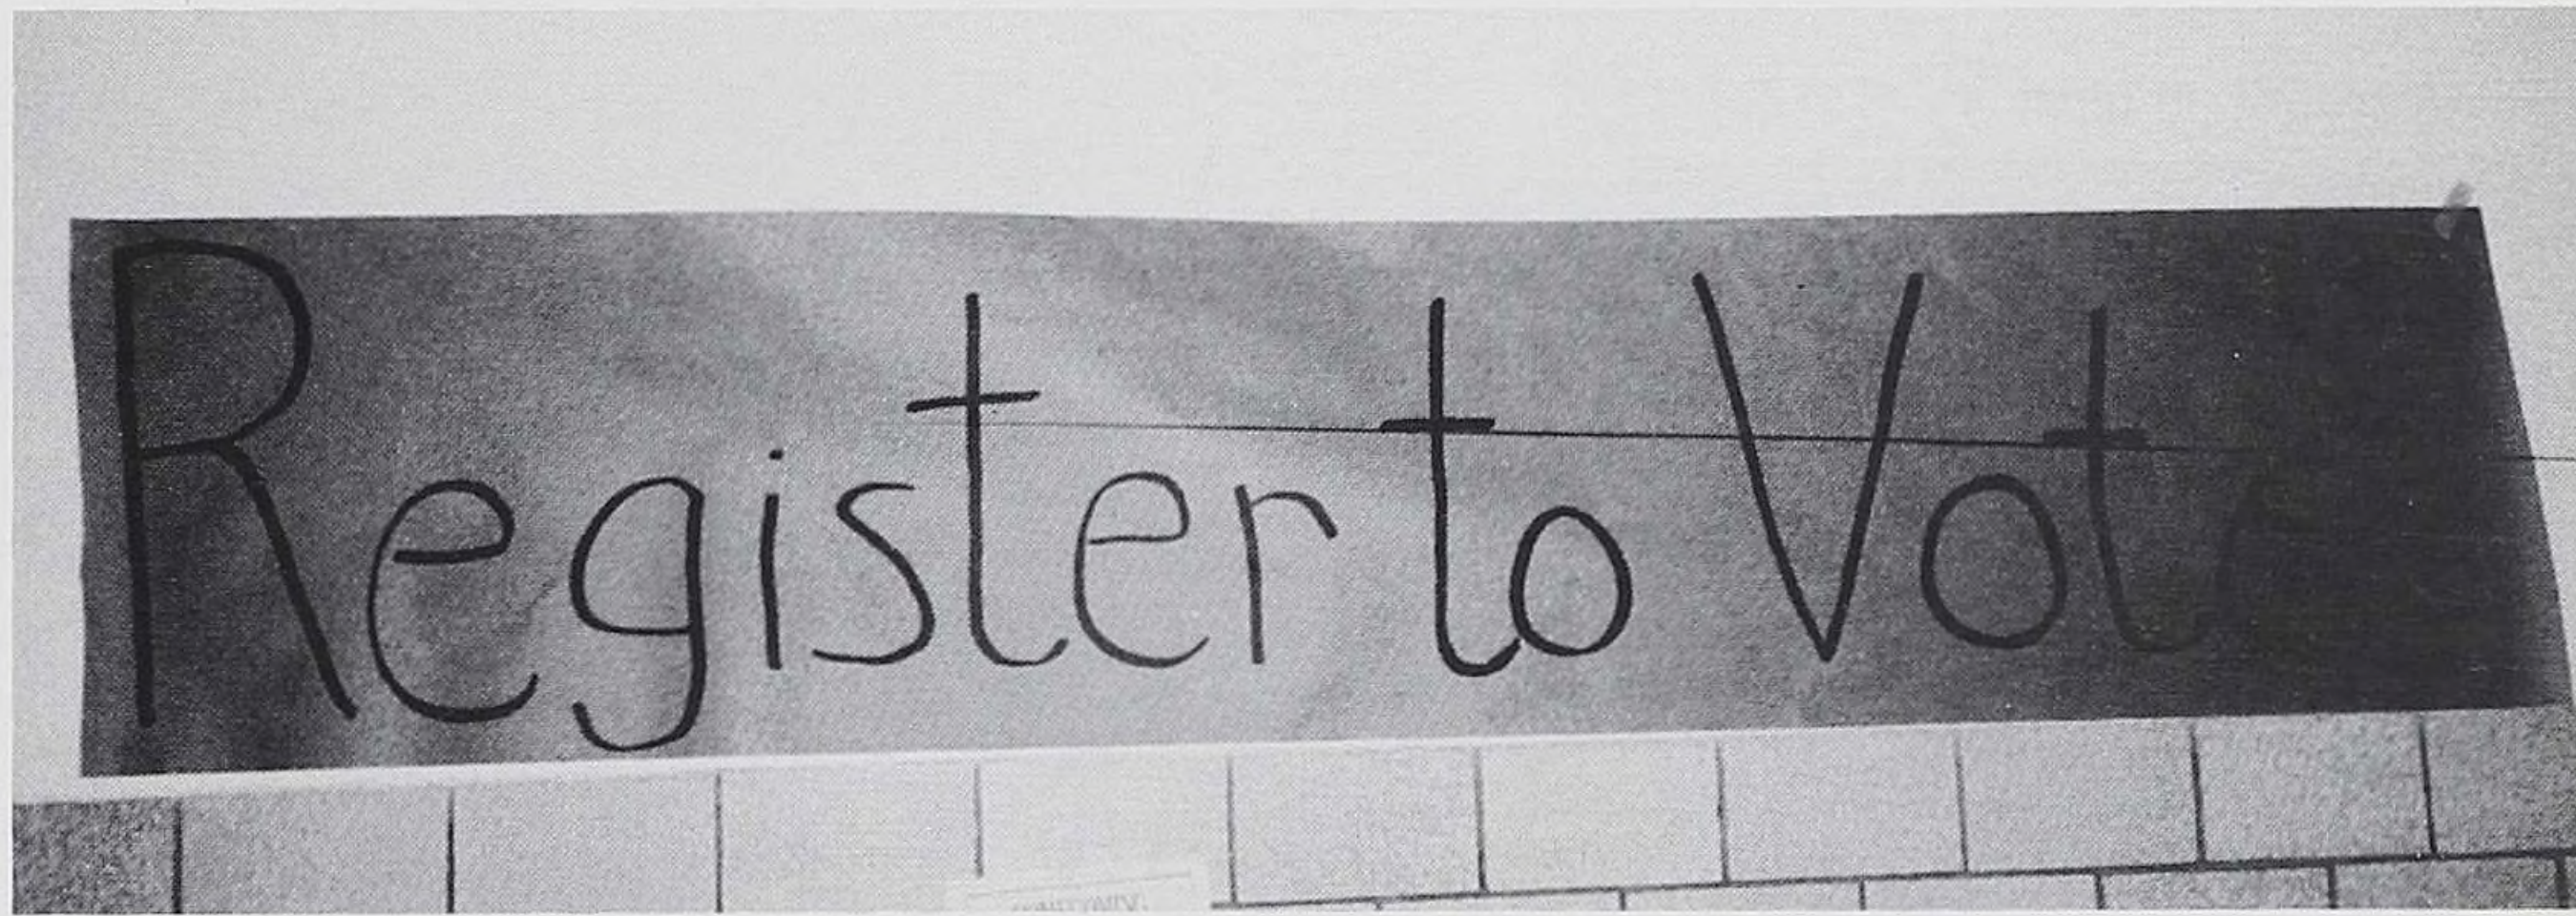

MARKING THE VOTE

On Thursday, October 22, 1992, 612 Olean High students and staff voted their choice for president in a mock election coordinated by students of Mr. Taylor's Participatory Government classes.

All students, freshmen through seniors were given the chance to participate in the voting process, from filling out registration forms to using an actual voting machine.

Watch out President Bush!! According to the results, Bill Clinton won with 43% of the votes, Ross Perot came in second with 31%, and President Bush came in third place with 21%.

Though only a small number of students are legally eligible to vote, all students enjoyed being educated about and participating in such an election.

STAFF SPIRIT

**ADMINISTRATORS, TEACHERS AND STAFF
MAKING THEIR MARK.**

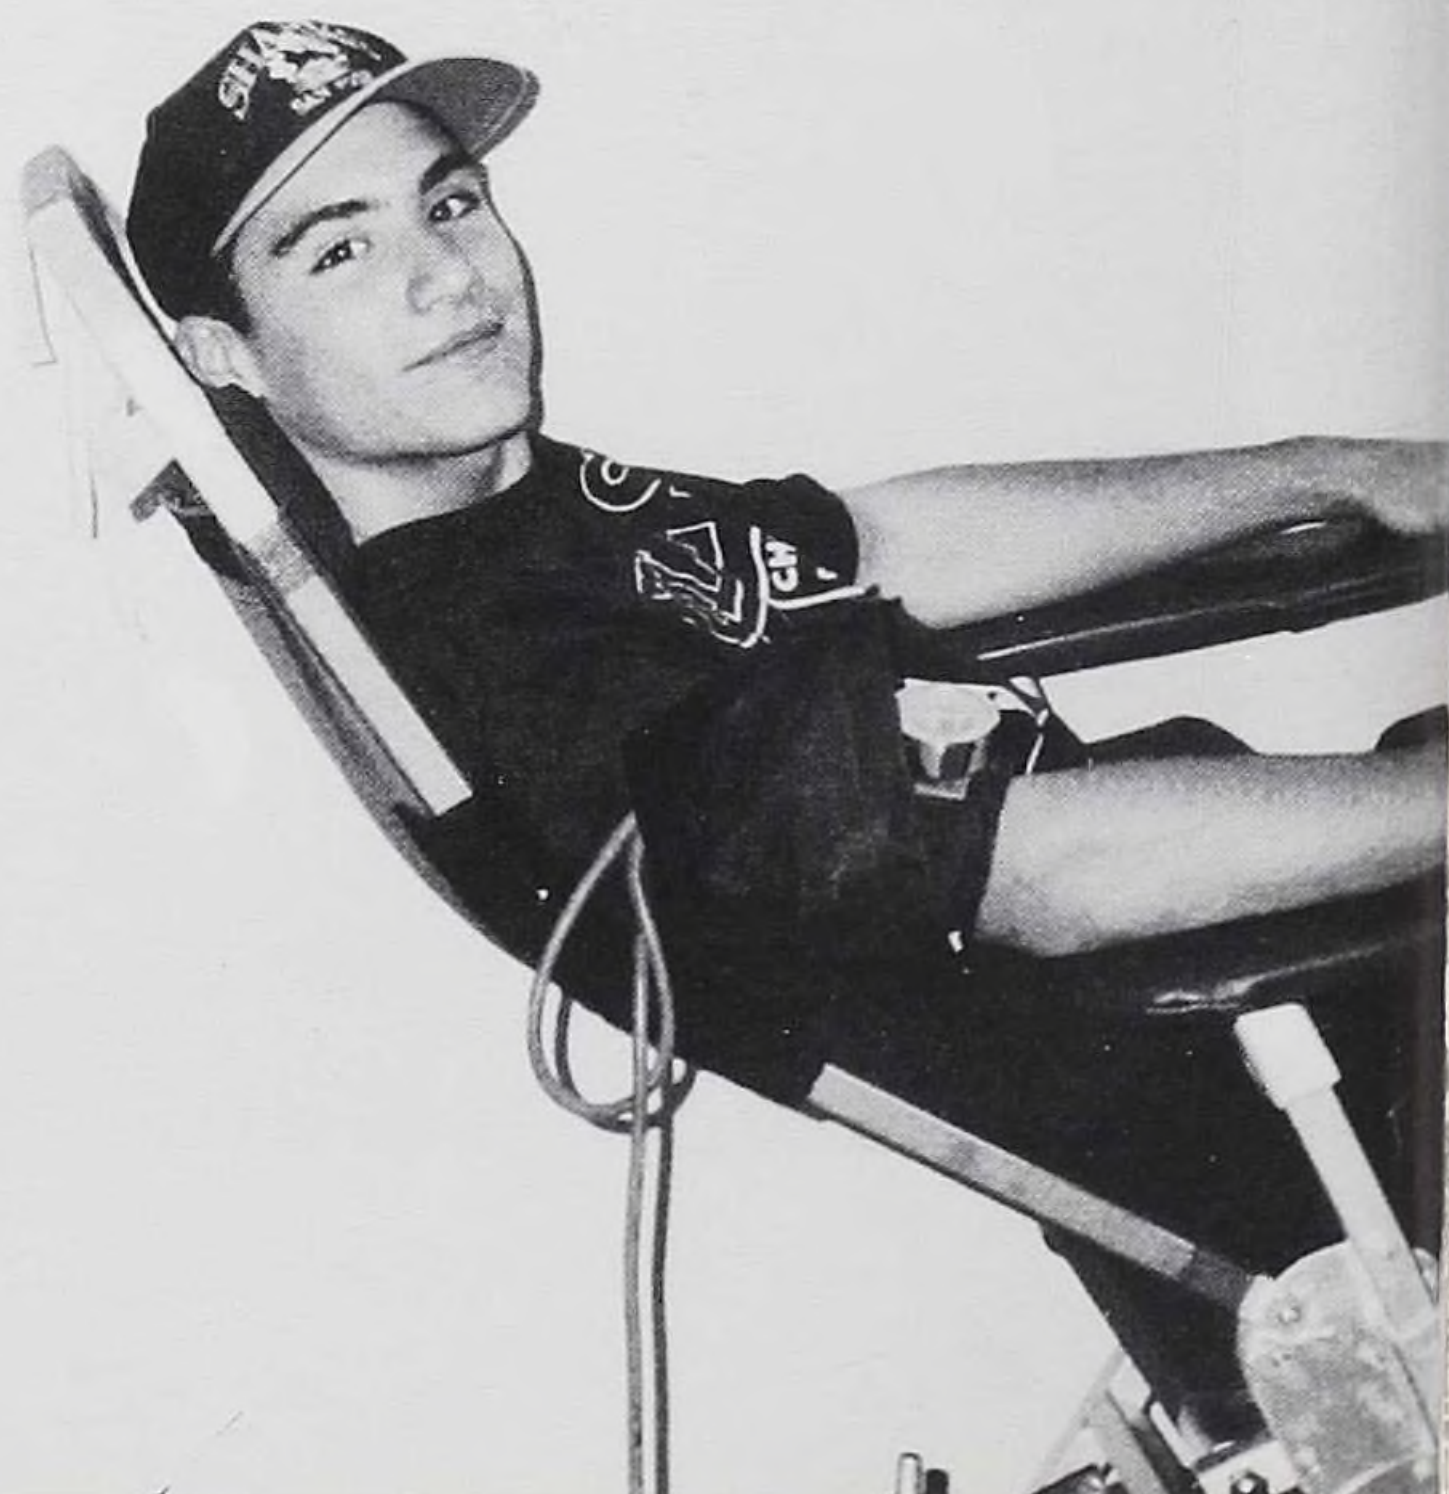

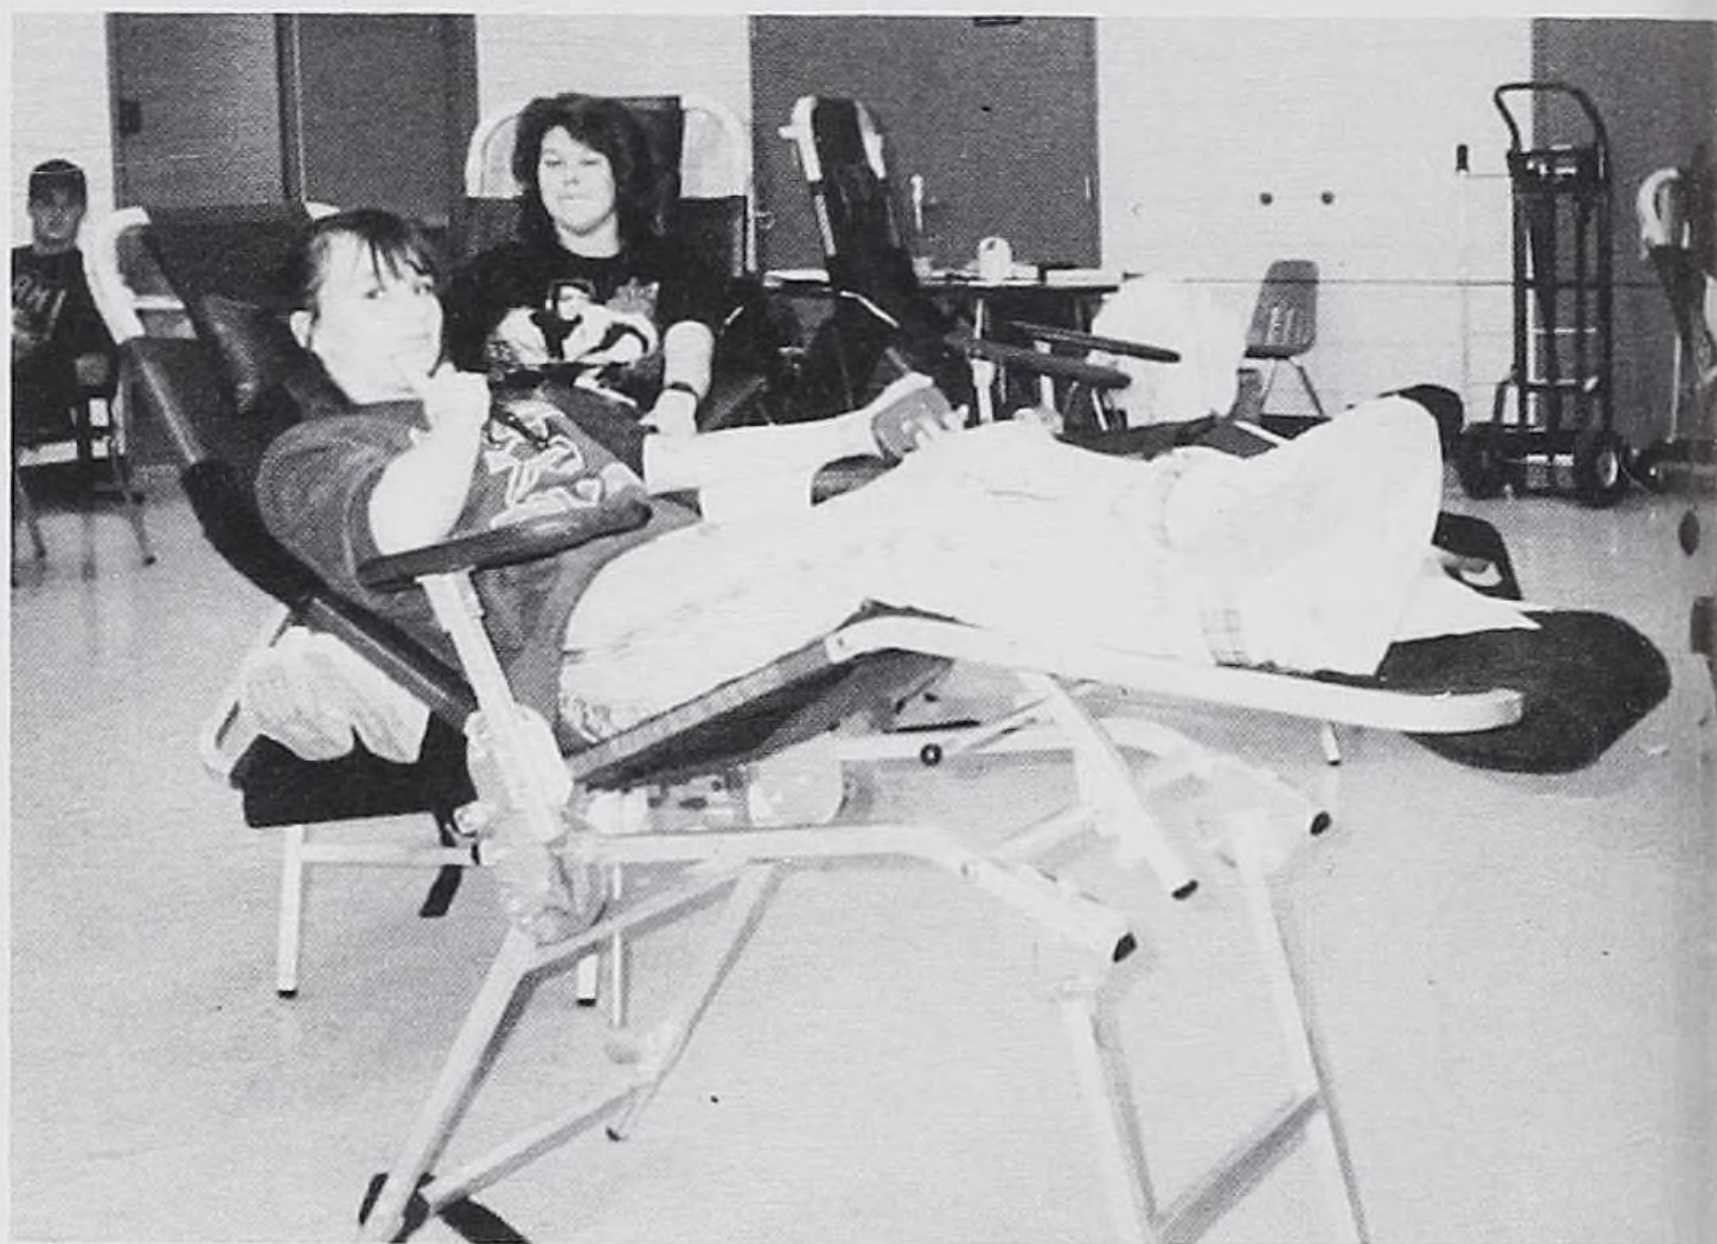

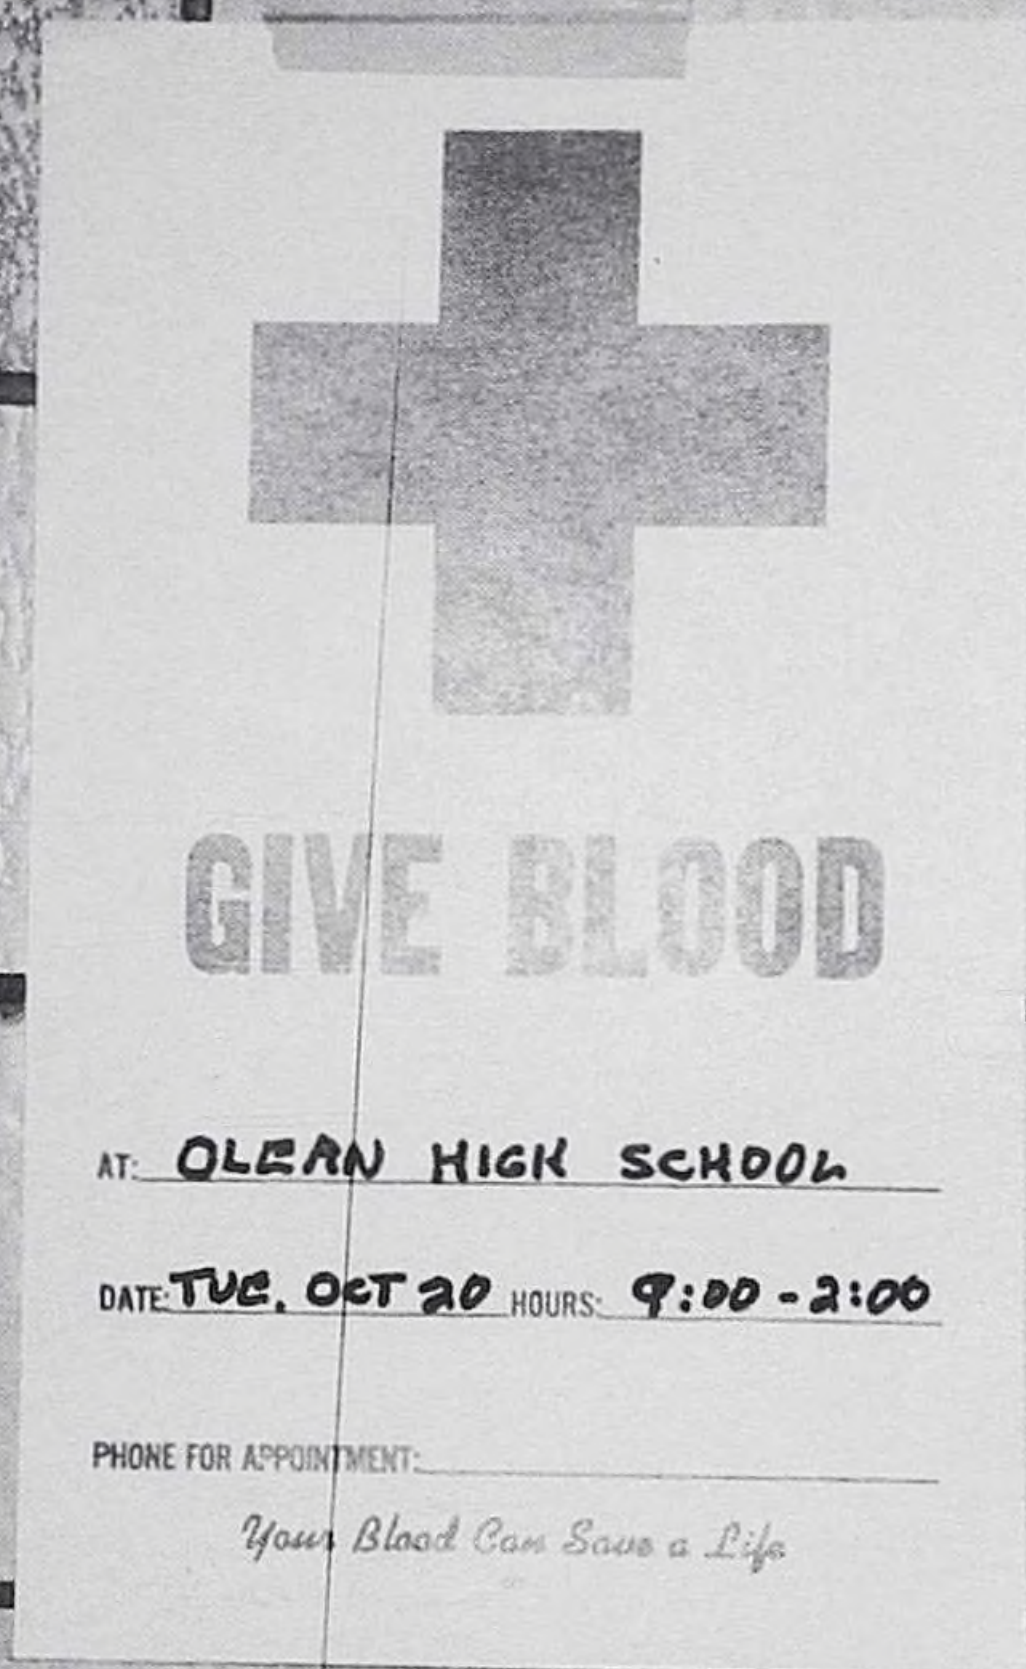

Class Spirit

Making Their Mark

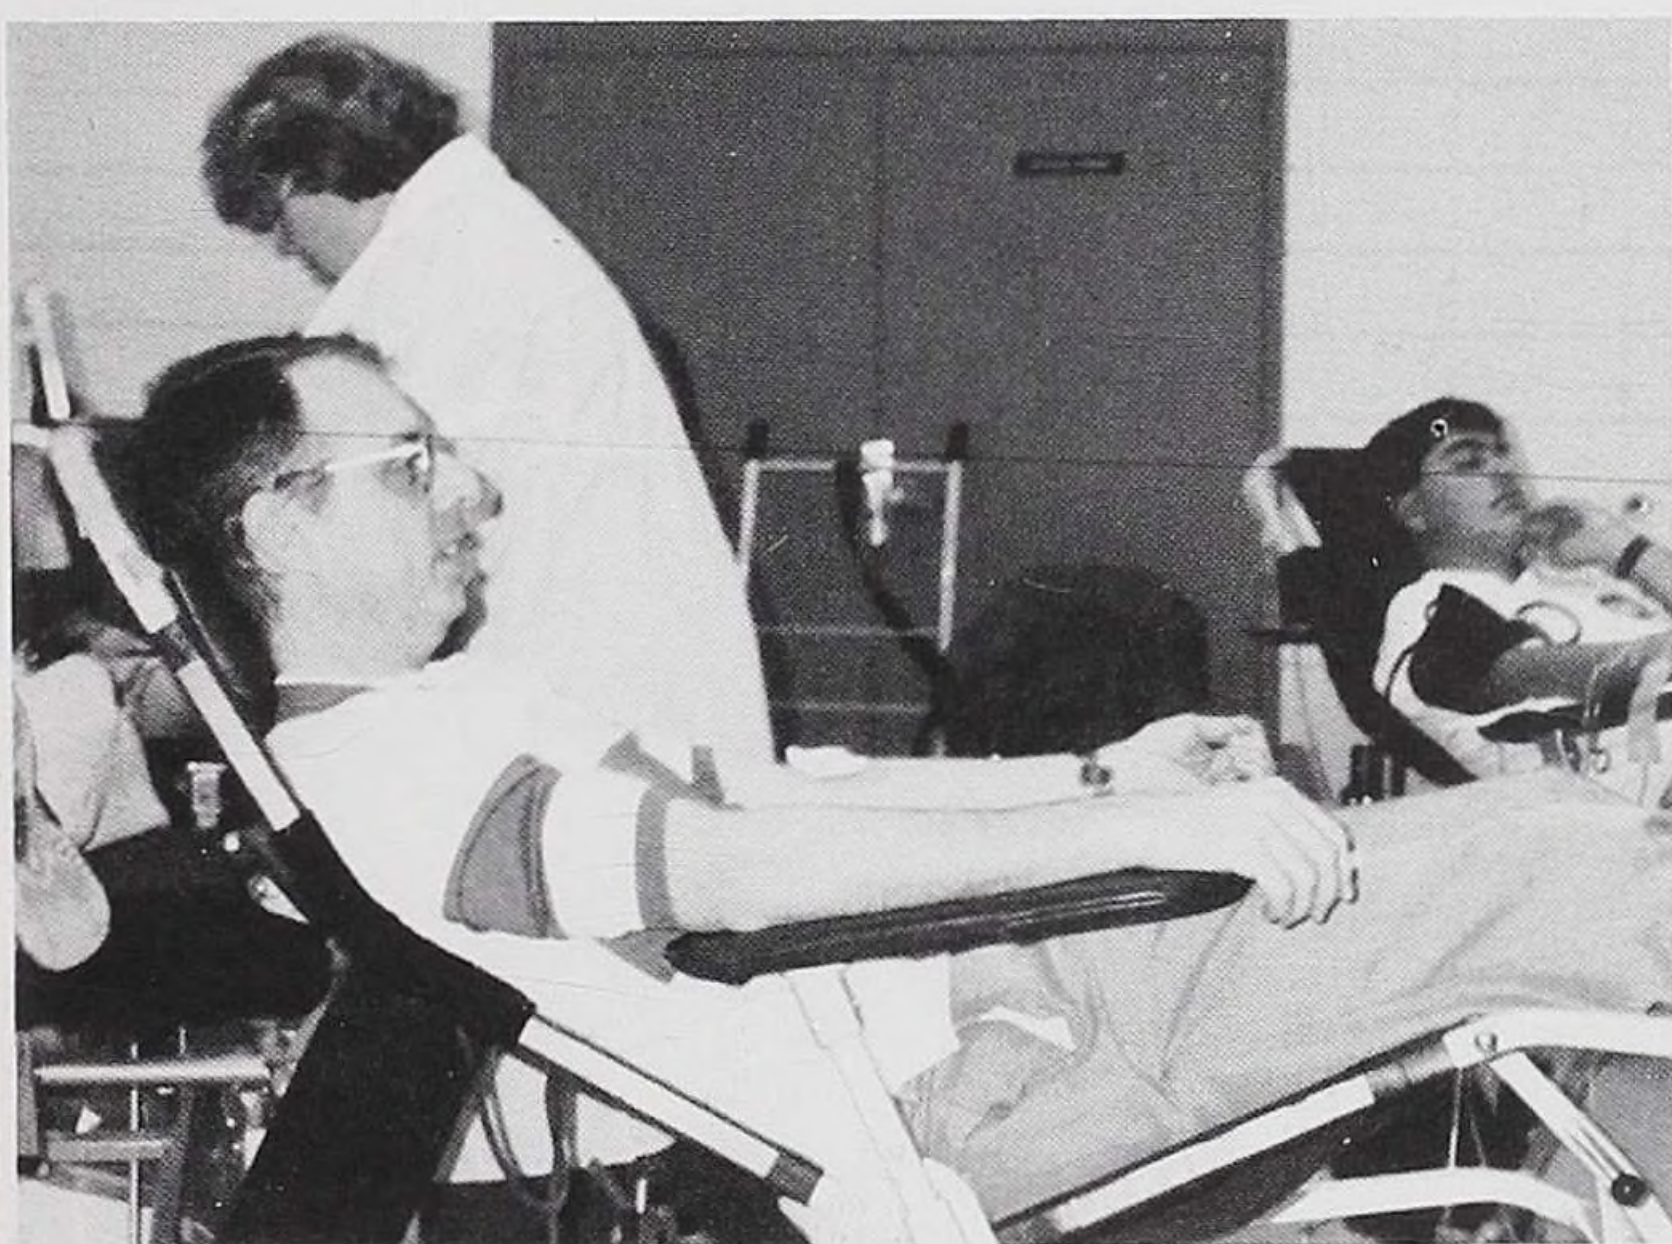

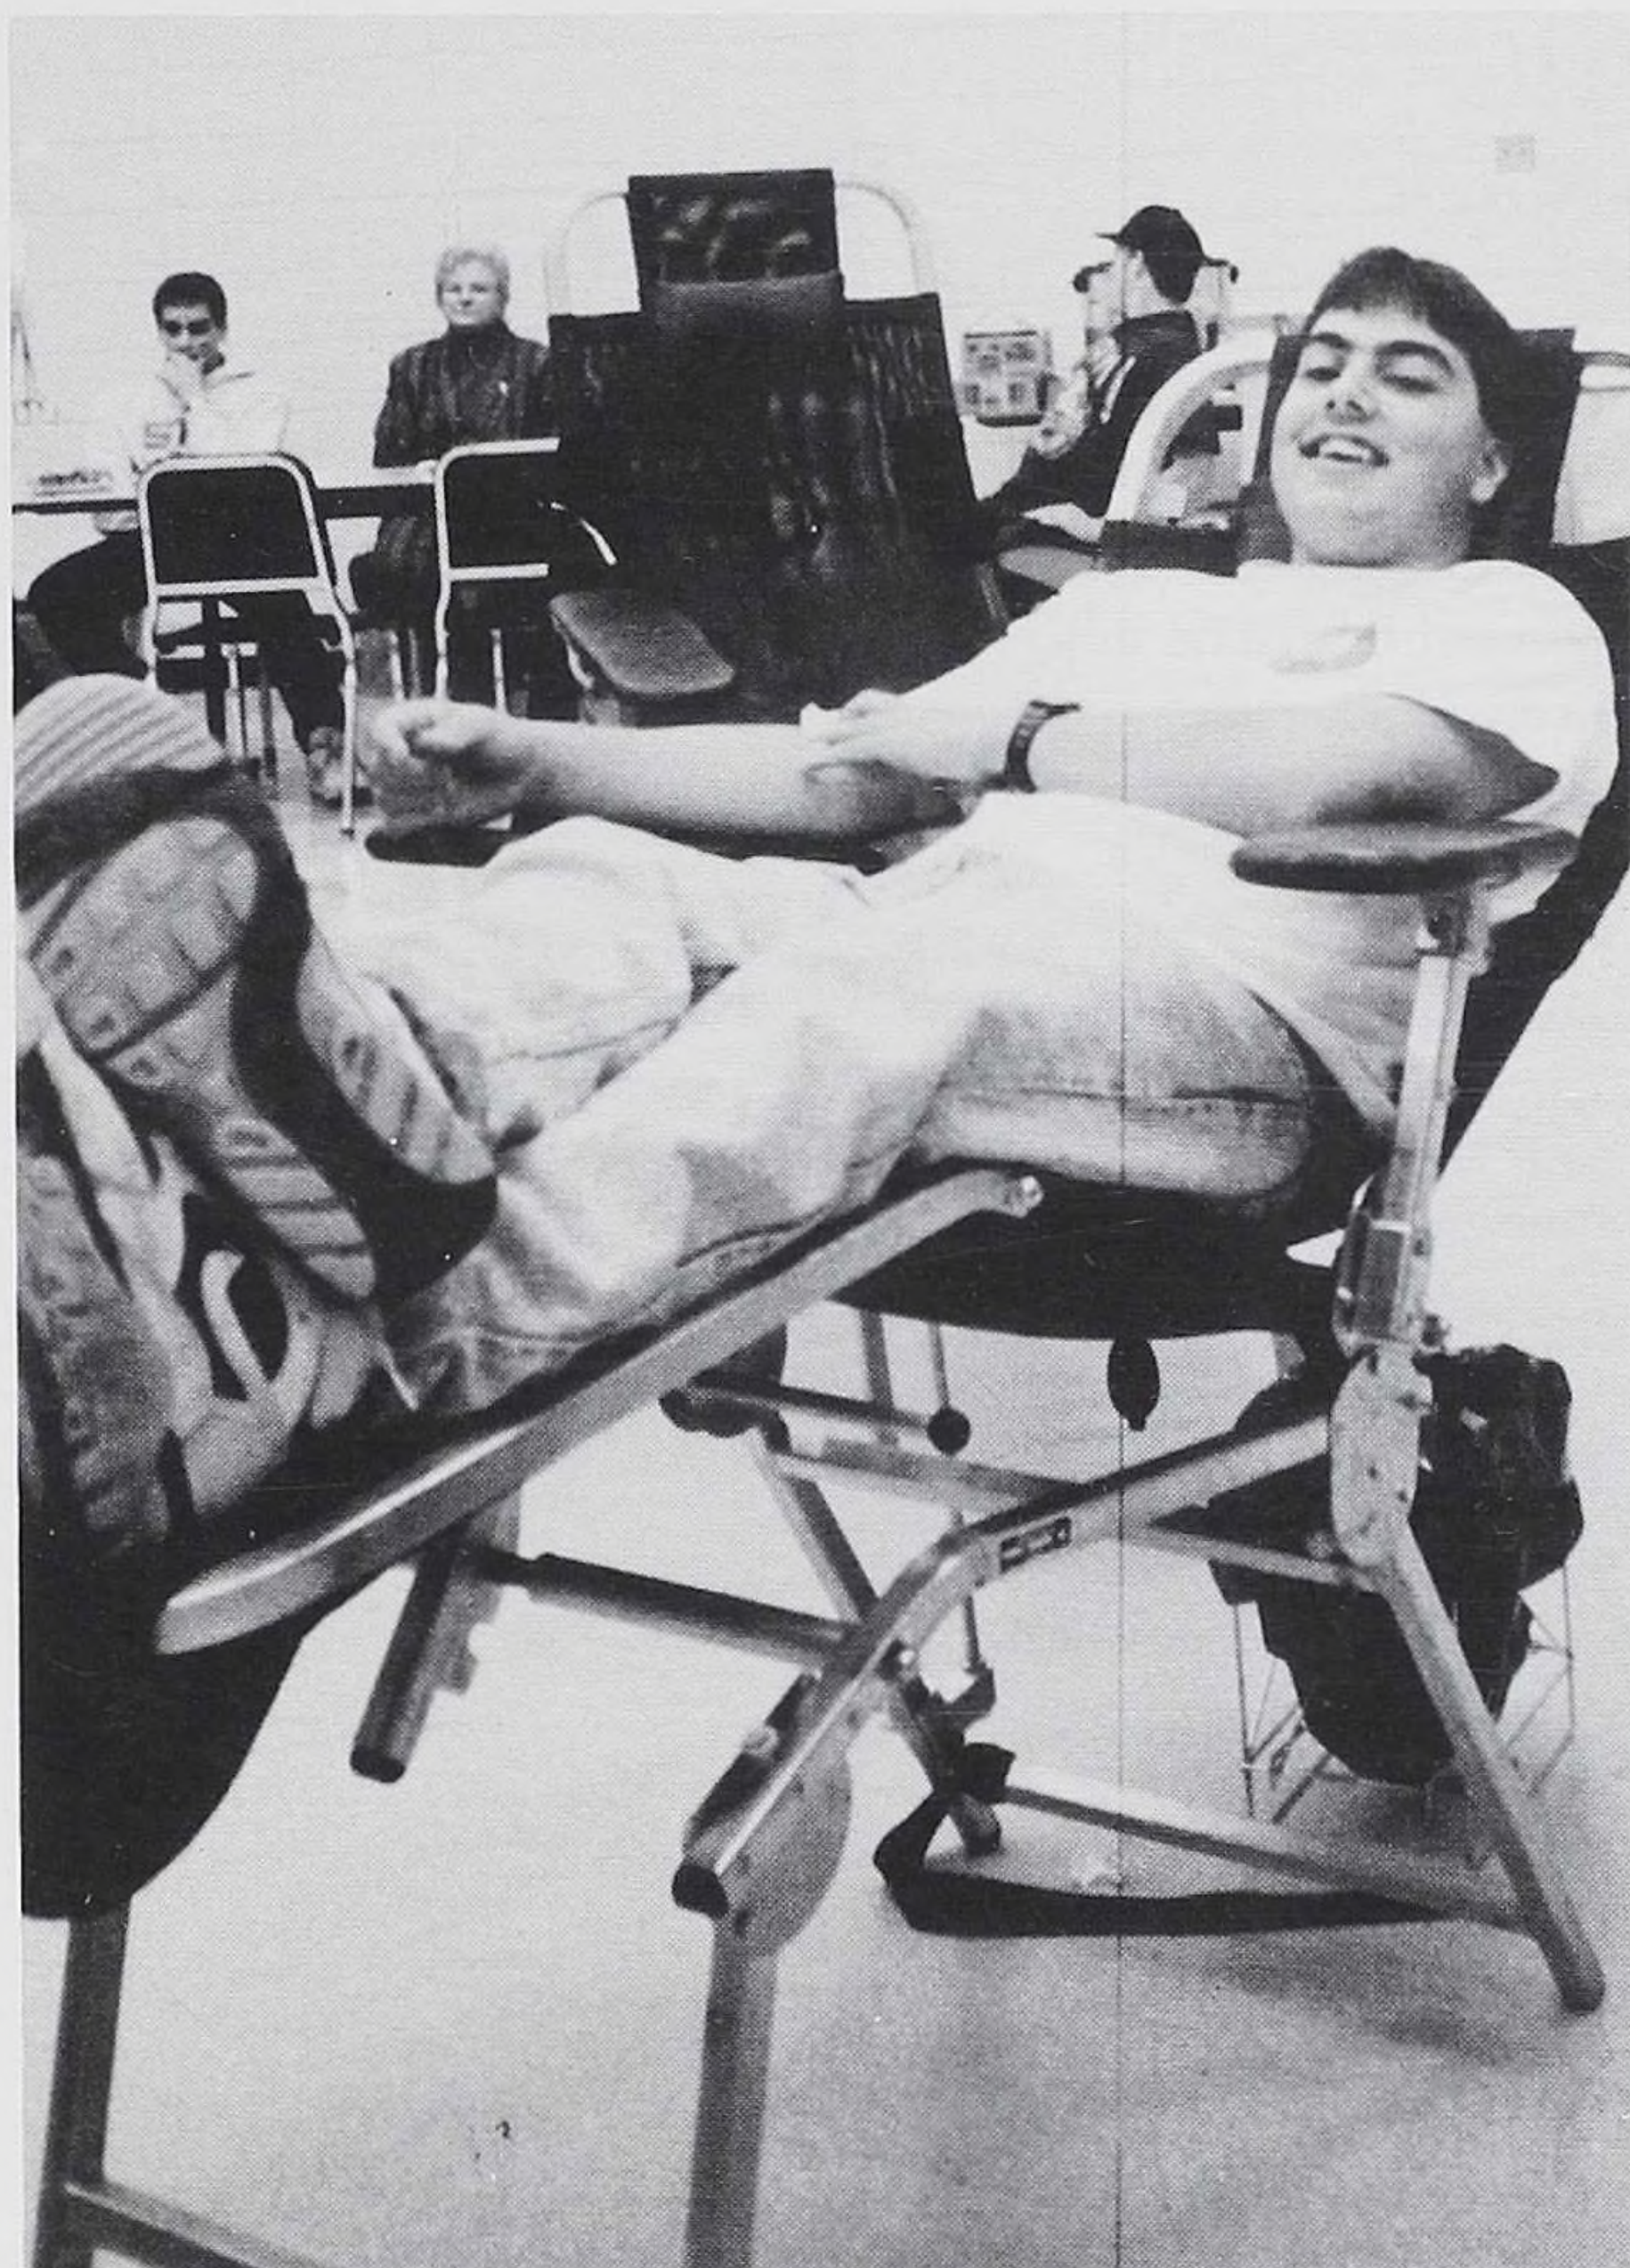

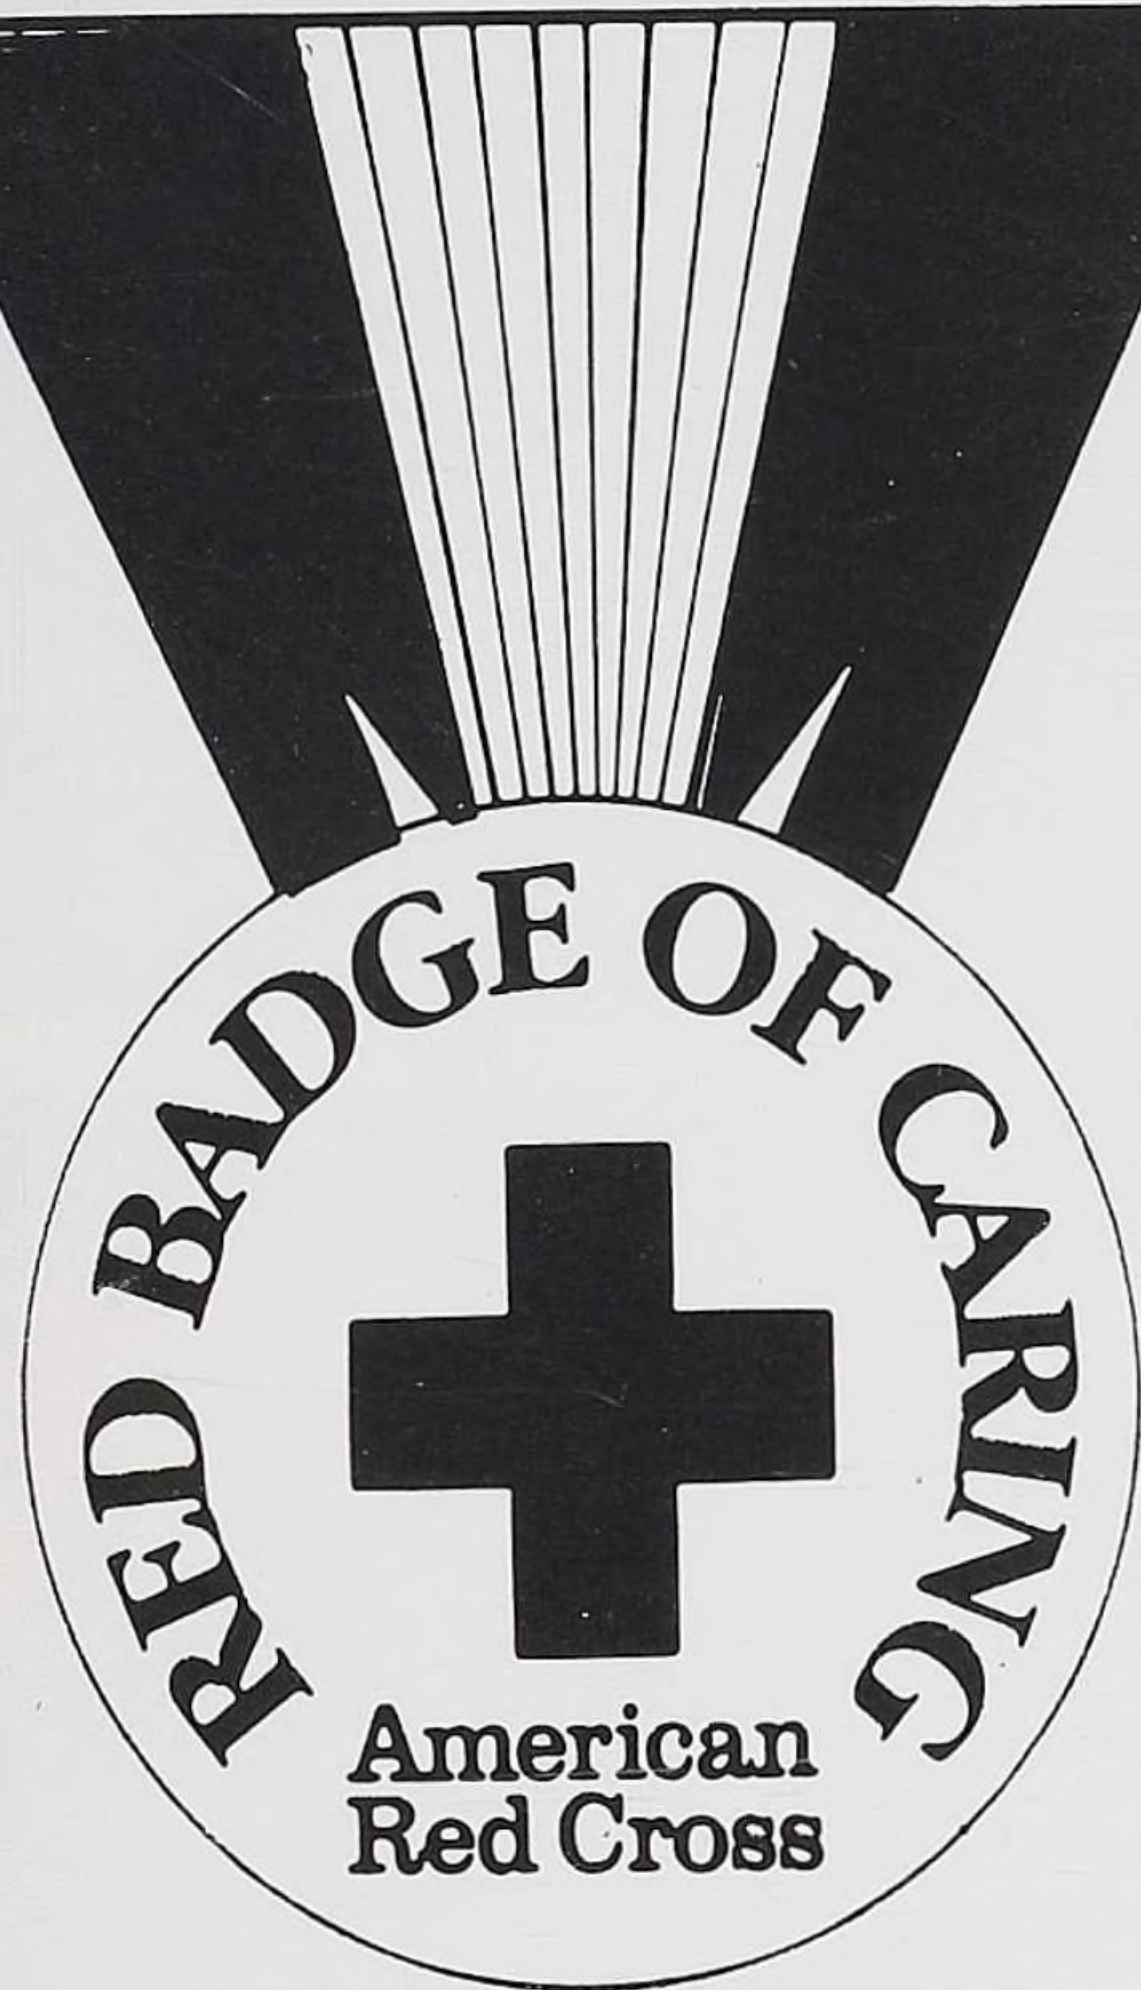

On October 16, 1992, all homerooms were to wear red and gold to show their Huskie spirit in a competition sponsored by the Spirit Club. The winning homerooms were, as pictured, Mrs. Stebbins', and Mr. Holly's.

BLOODMOBILE

BLOOD DONOR

On October 20, 1992, 45 Olean High students, ages 17 and older, assembled and gave blood for the American Red Cross Bloodmobile.

Congratulations to those who participated. Their donations will be gladly received throughout New York, and the rest of the country.

Columbus

Making His Mark

In recognition of Christopher Columbus Day, Archbishop Walsh held a sidewalk competition. The entrants drew chalk pictures symbolizing Christopher Columbus' voyage.

A first place was awarded to Olean's own Chris Kenyon, Tom Victor and Mike Ouderkirk.

Two Other drawings designed and submitted by Olean students, are pictured here.

The drawing to the right was created by the group of Jennifer Norton, Emily Hennessy and Andrea DaPolito.

This drawing also submitted was designed by the group of Ryan Gobrnick, Beilah Ramadhan, and Ed McEntire.

M

ock Disaster

aking its mark at Olean

On December 4, a disaster came to Olean High. The mock explosion in the chemistry lab sent students running for safety to the First Presbyterian Church and Middle School. Emergency workers "rushed" to the aid of the "injured" students. These students were then removed to Olean General Hospital. The drill went smoothly and we hope that if a real disaster should ever happen: we will be prepared.

In the bottom picture are the students that helped with the drill.

KEEPING OLEAN DRUG FREE

In July, 1992, Olean High School, and all the surrounding city school buildings were officially designated, "Drug Free School Zones."

Recently erected signs will serve as warnings of harsher penalties to all those found guilty of selling drugs within these areas.

Six student representatives serve on the Drug Free School Zone Committee, helping to make decisions, voice opinions, and offer suggestions.

Sixth grader Katie Bush, eleventh grader Latashia Slack, and eighth grader Susan Butler are seen to the left with Assistant Superintendent of the Olean City School District, Mr. Pancio.

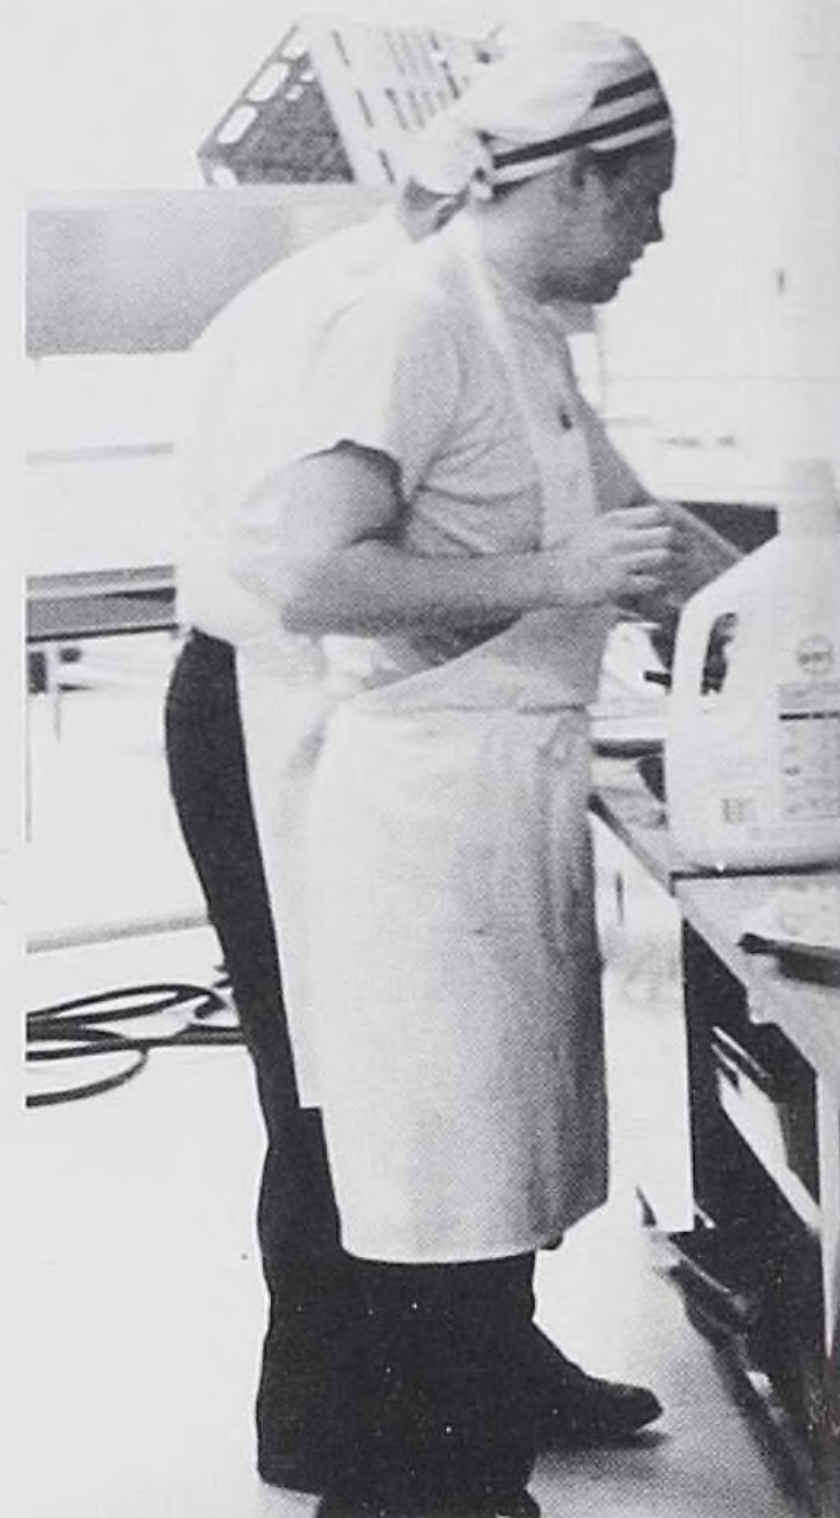

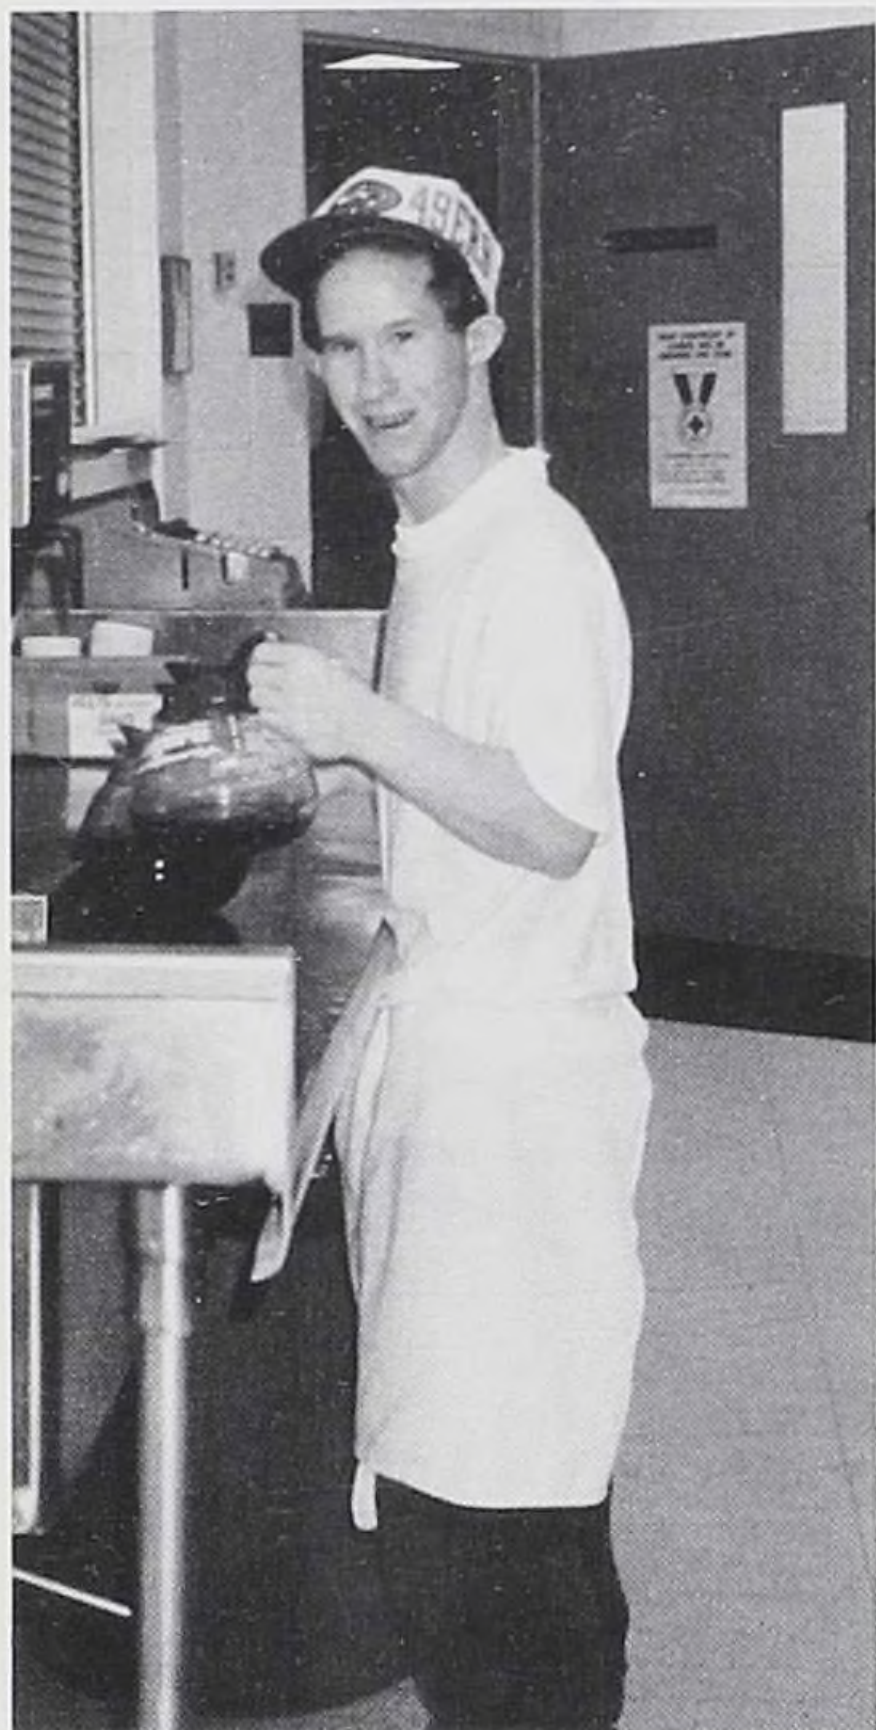

STUDENTS PLANTING A MARK

In November of 1992, Olean High School, with the help of SAC, replaced those trees on the school grounds that had been removed due to age and unhealthy conditions.

Mike D'Apice, Dave Snyder, Seamus Mooney, Dave Penoyer, and Tom Simpson volunteered their time to help with the planting.

STUDENTS AGAINST DRUNK DRIVING is an organization whose goal is to eliminate students driving drunk. The SADD organization at O.H.S. has approximately 40 students. So far this year they have sponsored activities such as a booth in the mall where they sold shirts, pens, etc. and also Red Ribbon Week. A different activity was done every day such as decorating doors with a SADD theme (Mr. Block won). SADD members sign a contract and try to get others to know the terrible tragedies that can occur if you — DRINK and DRIVE.

OLEAN COMMUNITY DINNER

November 16, 1992 marked the beginning of Olean High's second annual week-long Can Wars between the school's staff and students. The opposing sides raced in competition to donate canned foods and other unperishable items.

Once again, the students proved victorious. Ms. Stiteler, Mr. Chistolini, and Mr. Olivett, as pictured, suffered the consequences.

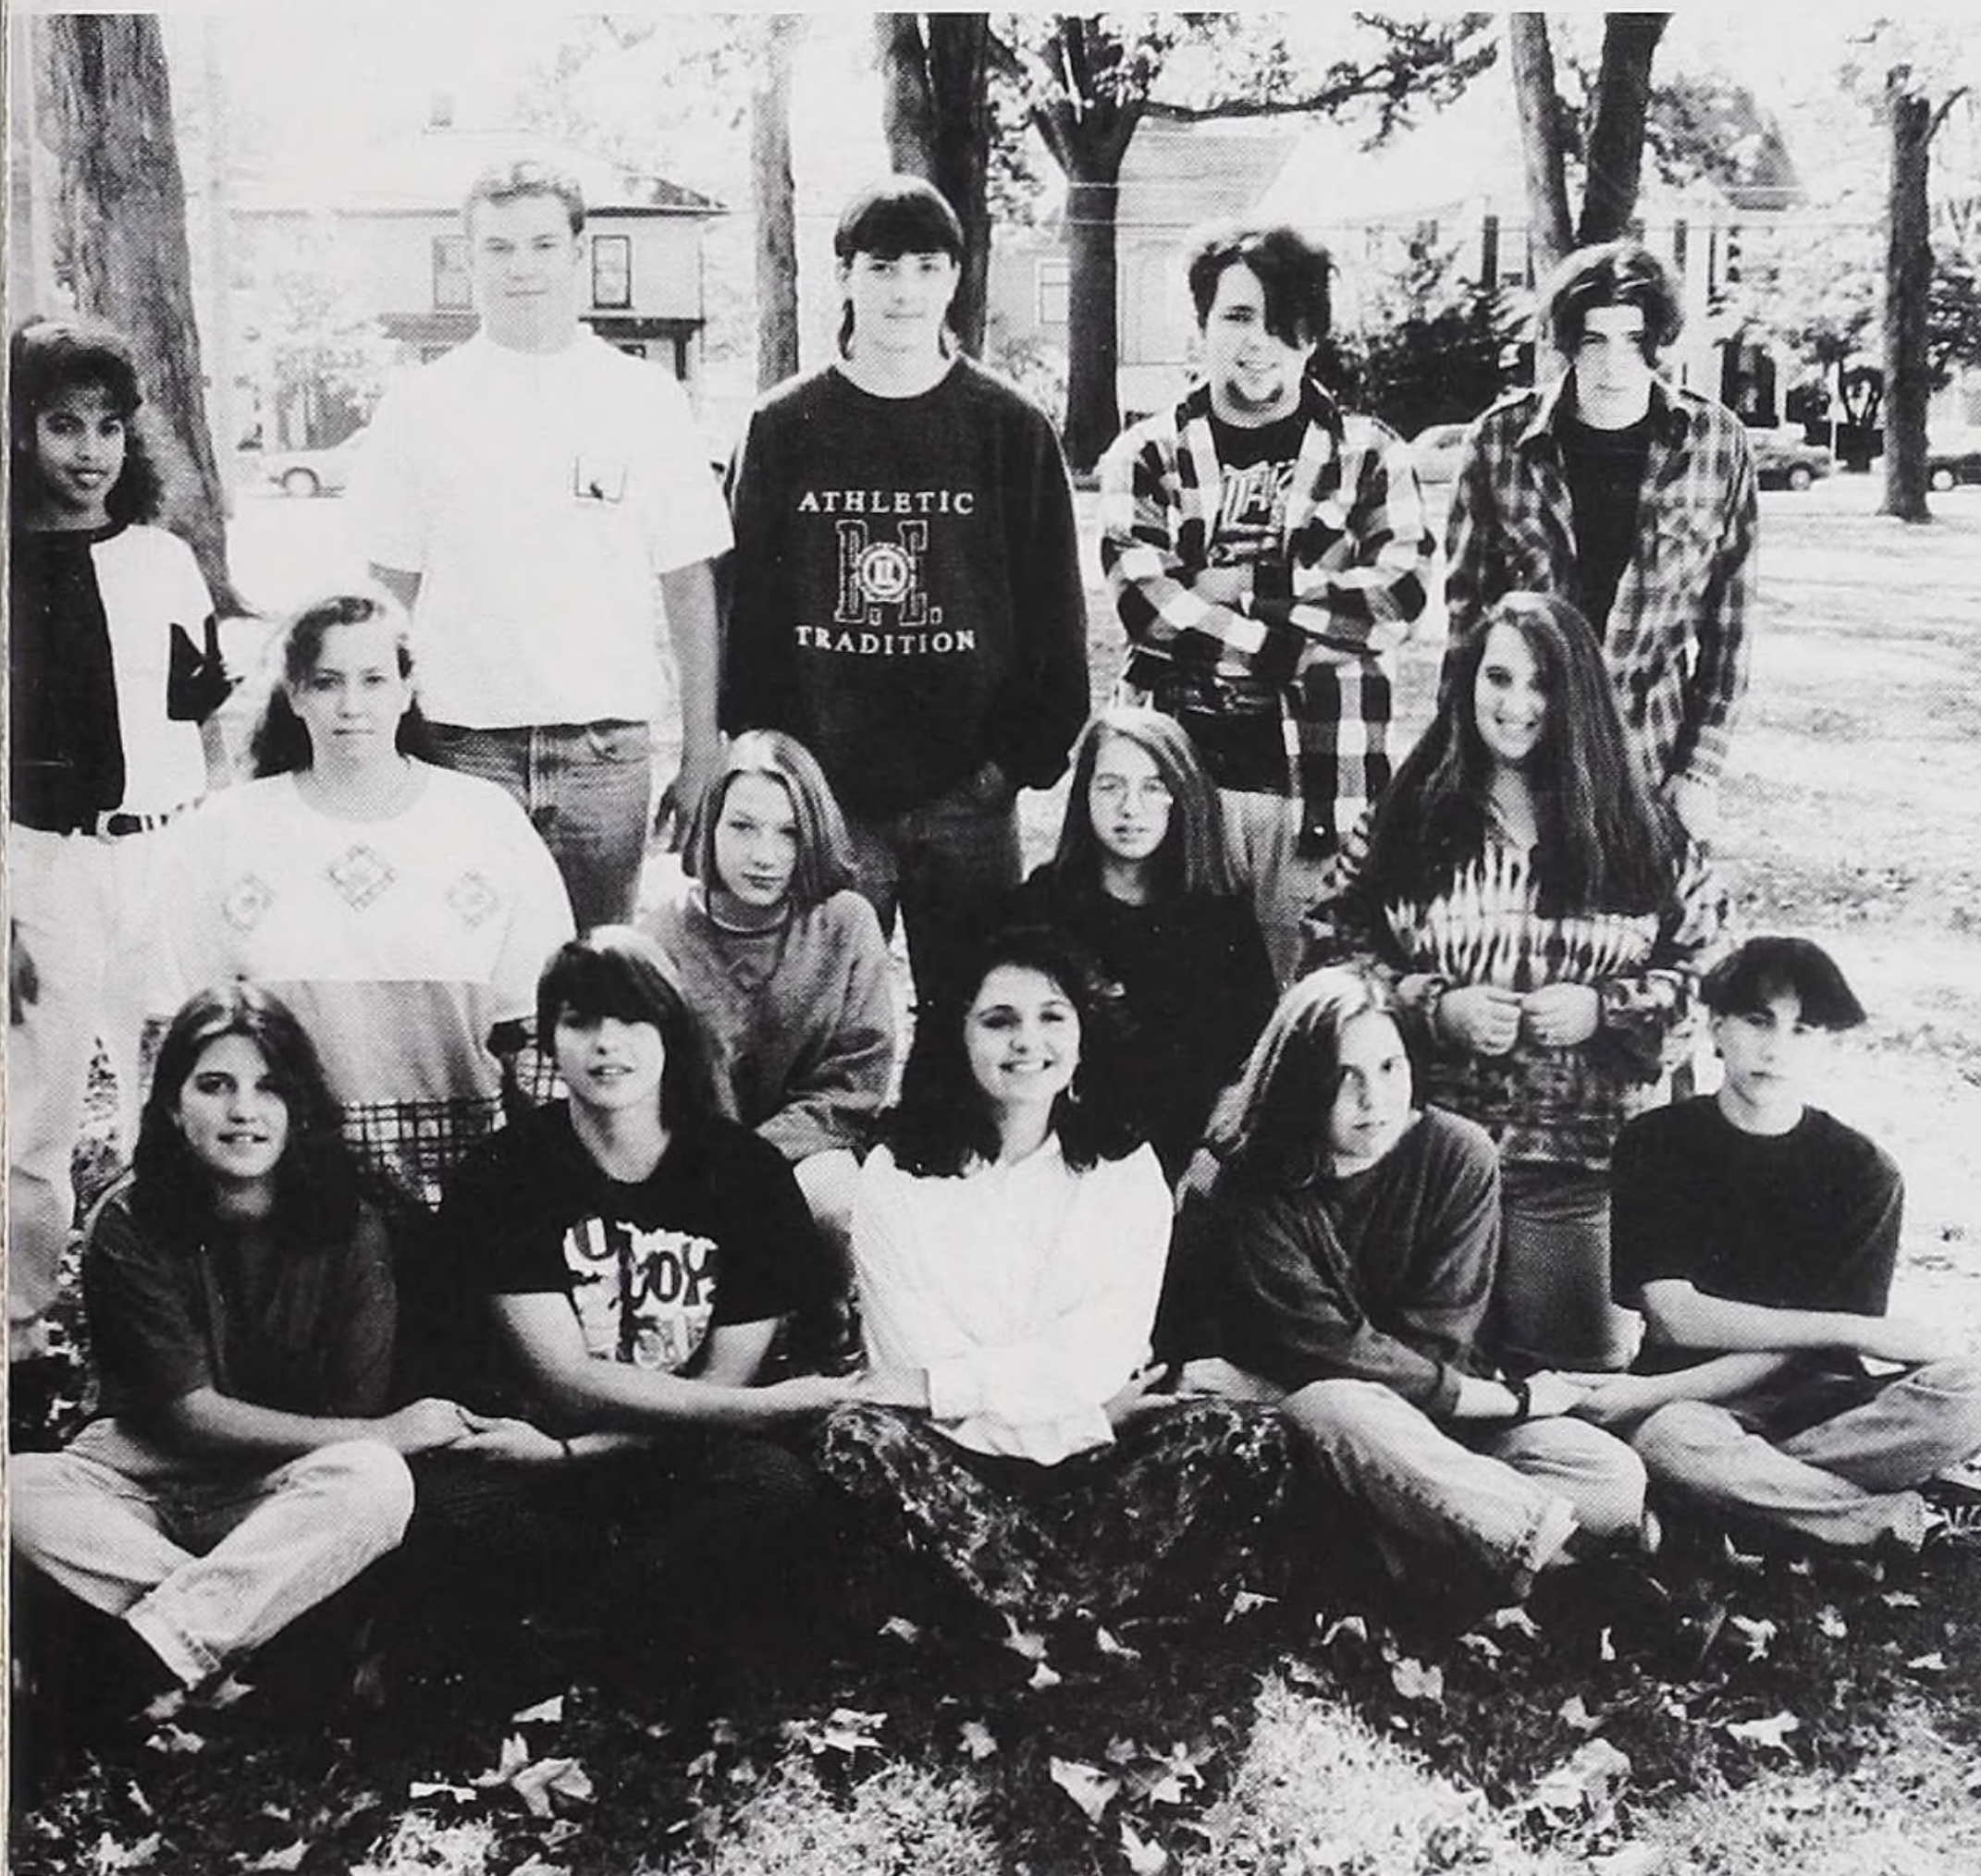

The food collected was used in the preparation of a community Thanksgiving dinner which was open to the entire public. All remaining cans were donated to a local charity.
