Homecoming Committee

Bottom row: Chambers Hughes, Nathan Johnson, Keith Raimondi, Pam Barnes,
Top row: Jennifer Kwiatkowski, Mike Richards, Cara Dupre, Colleen Quinn, Aaron Backhaus, Molly Diffenderfer, Carrie Ann Kimball, Tina Aiello, Kelly Capobianco.

BY THE MOON AND THE STARS

Lori Joseph and Mary Ellen Burke sing "Oscar Meyer Huskies" at the Homecoming assembly.

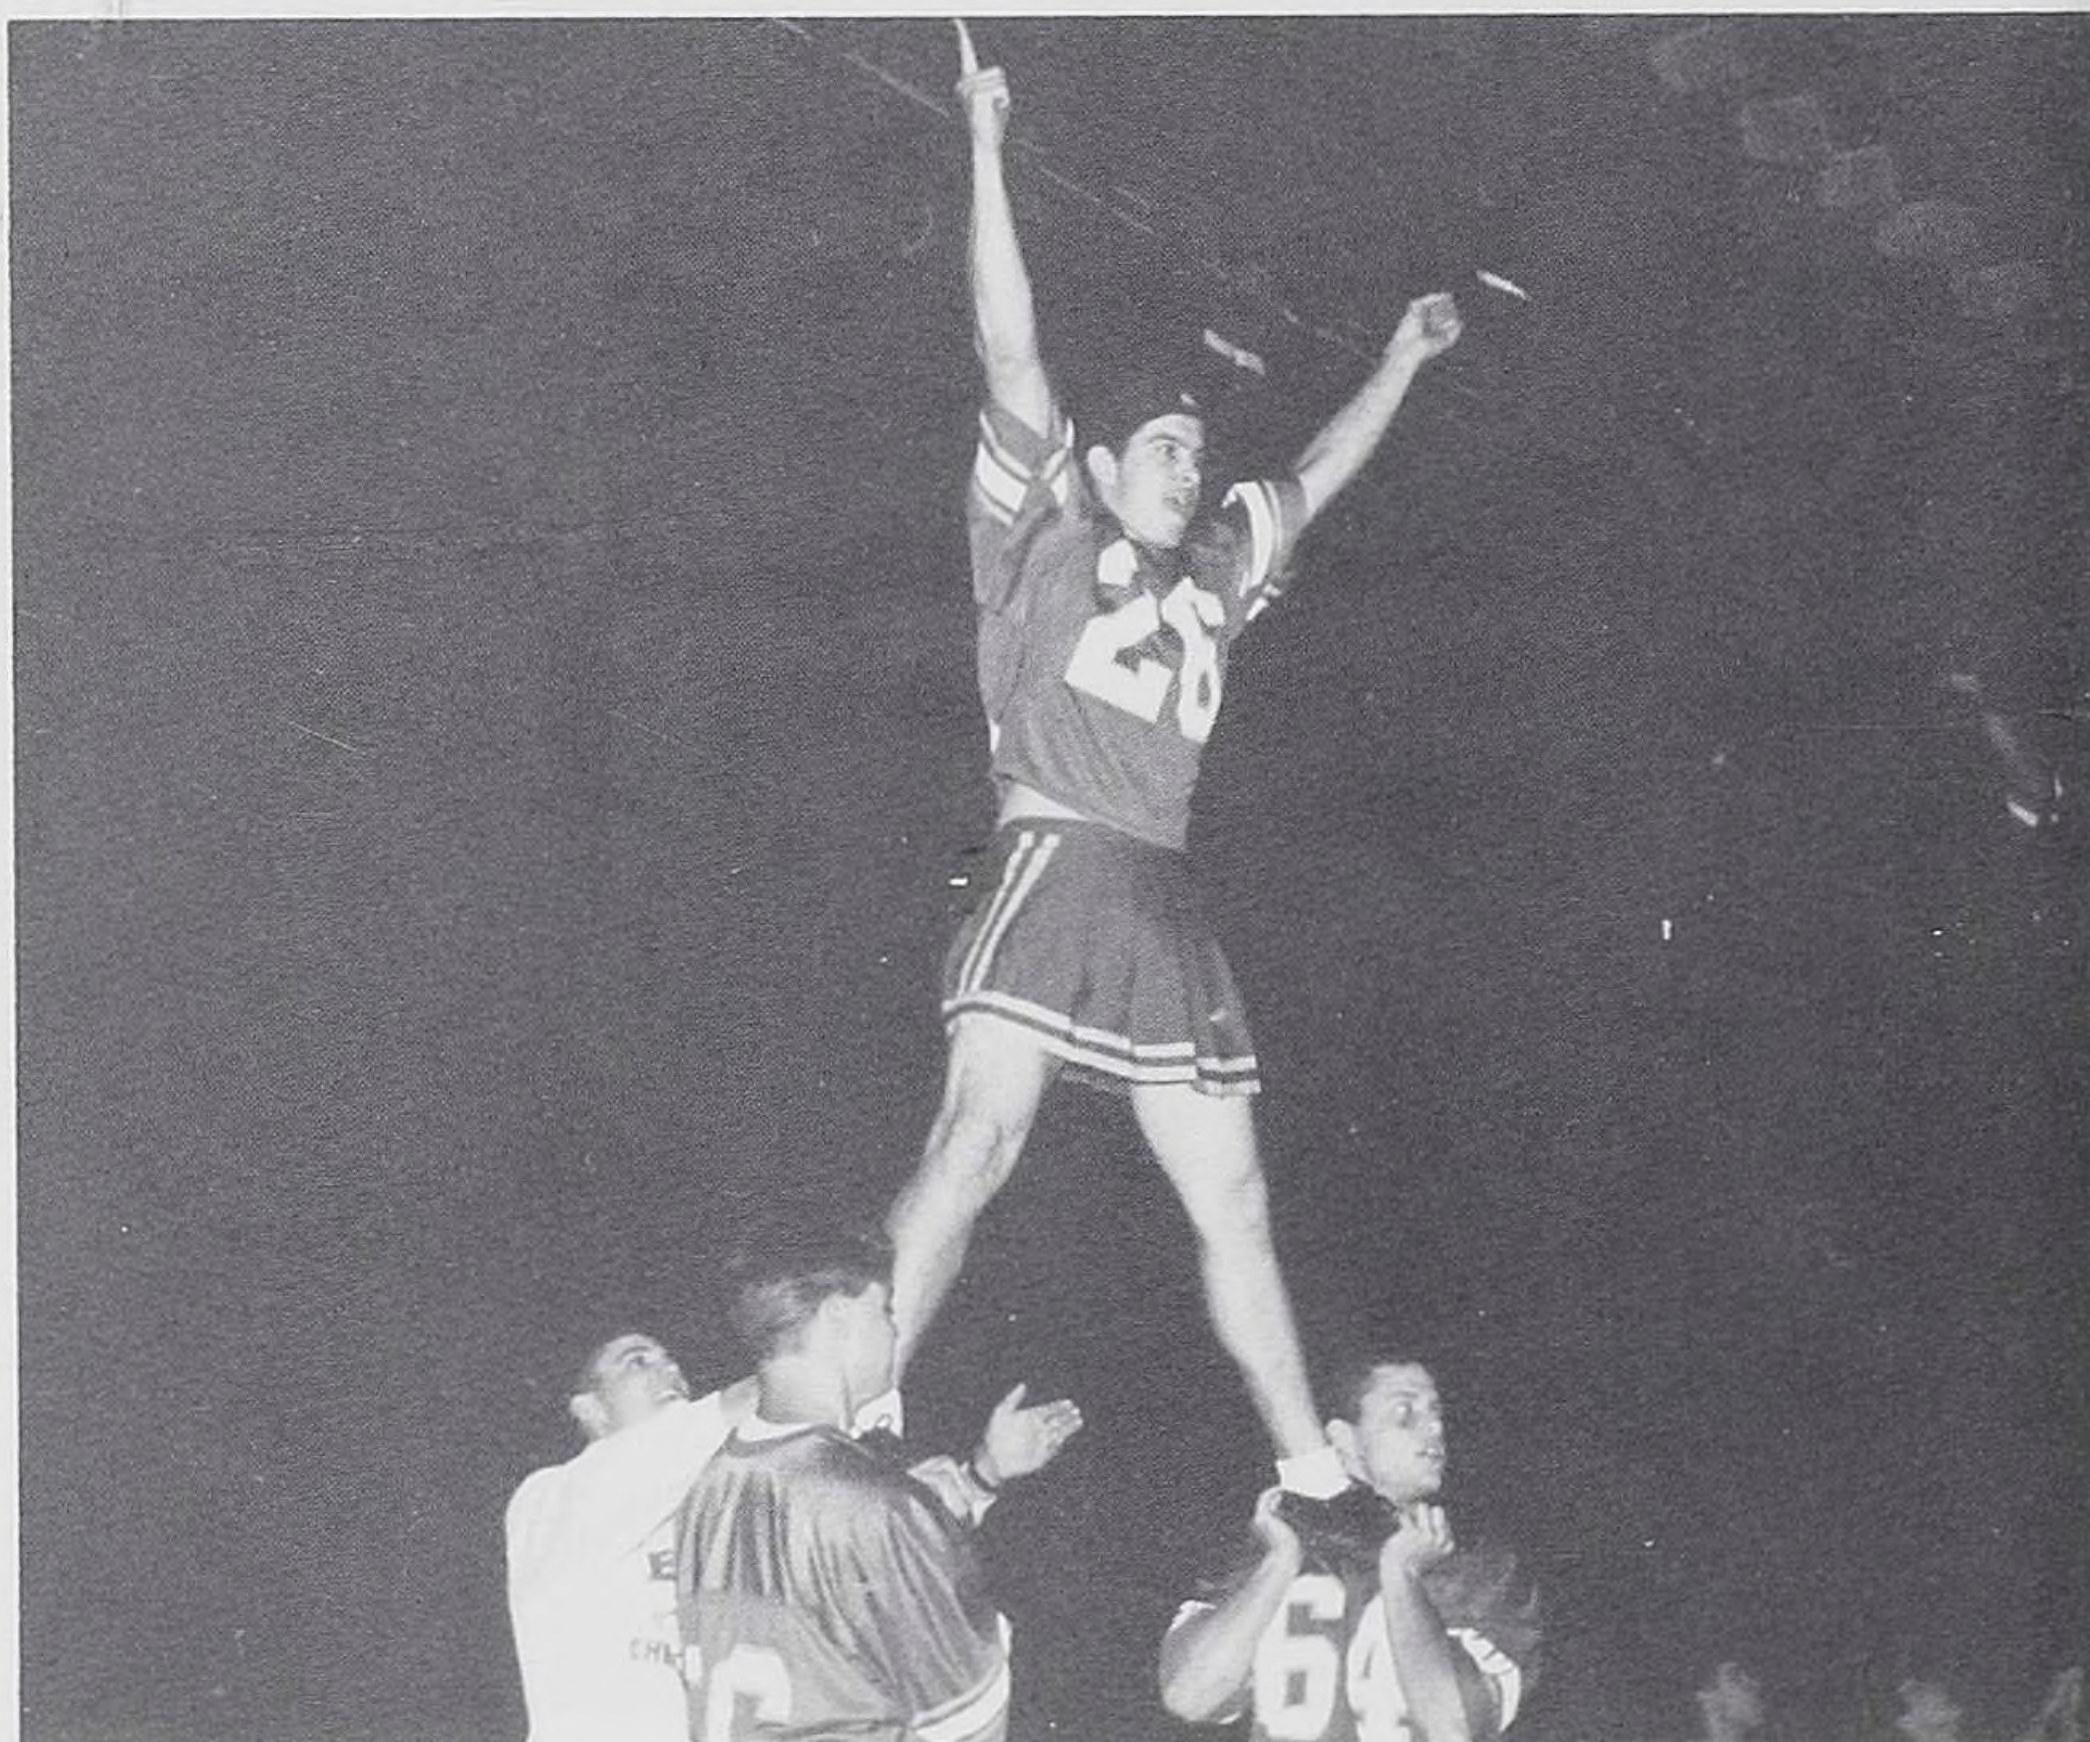

Erin Husted and Amy Muniga perform their 1st place winning lip sync, "Oh Ricky."

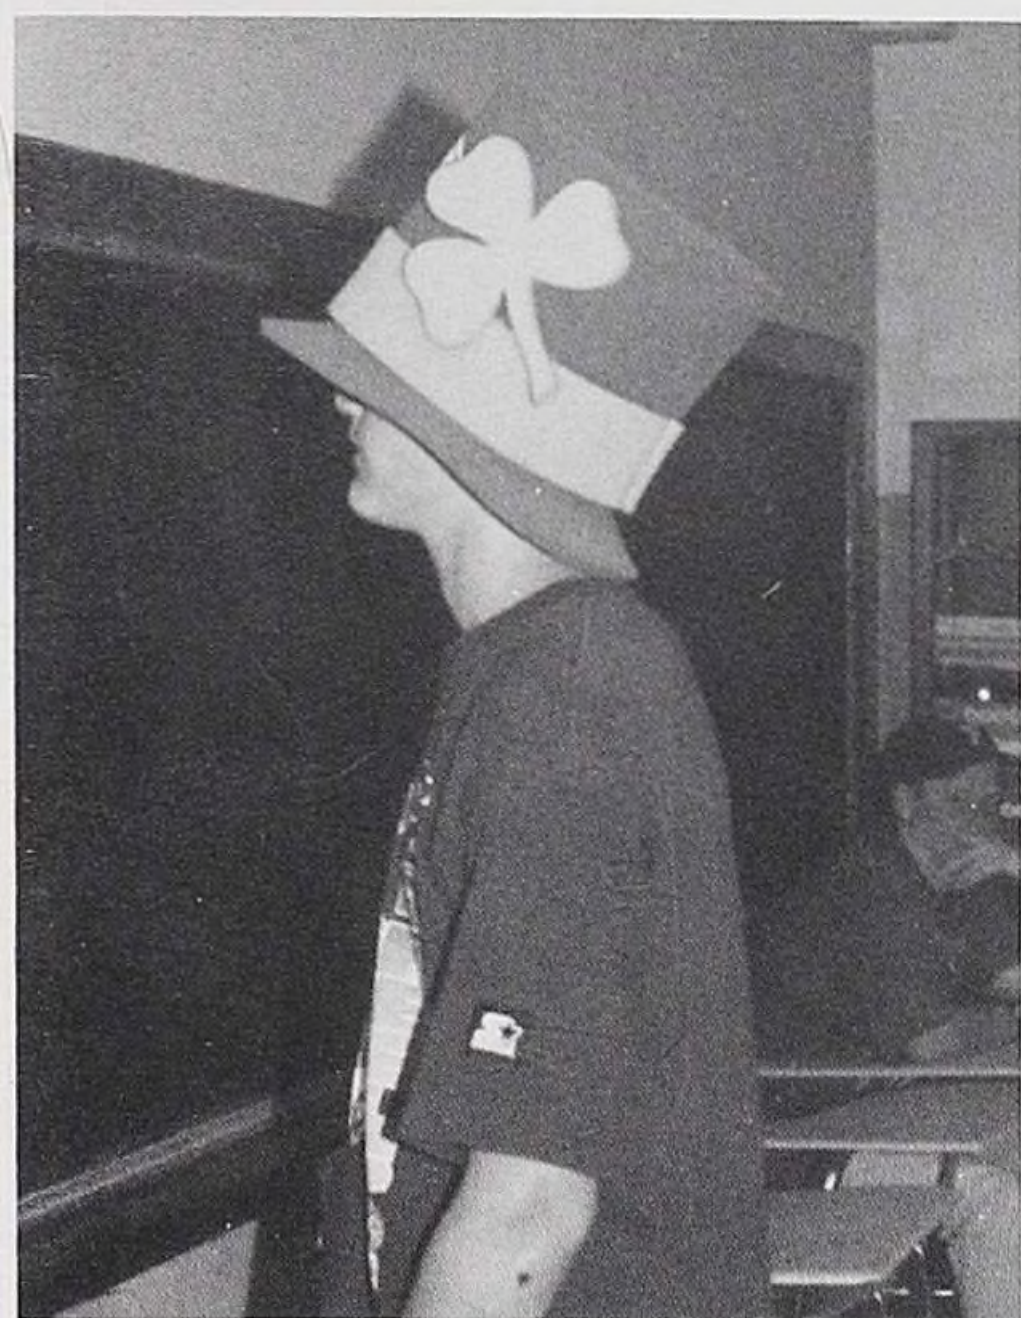

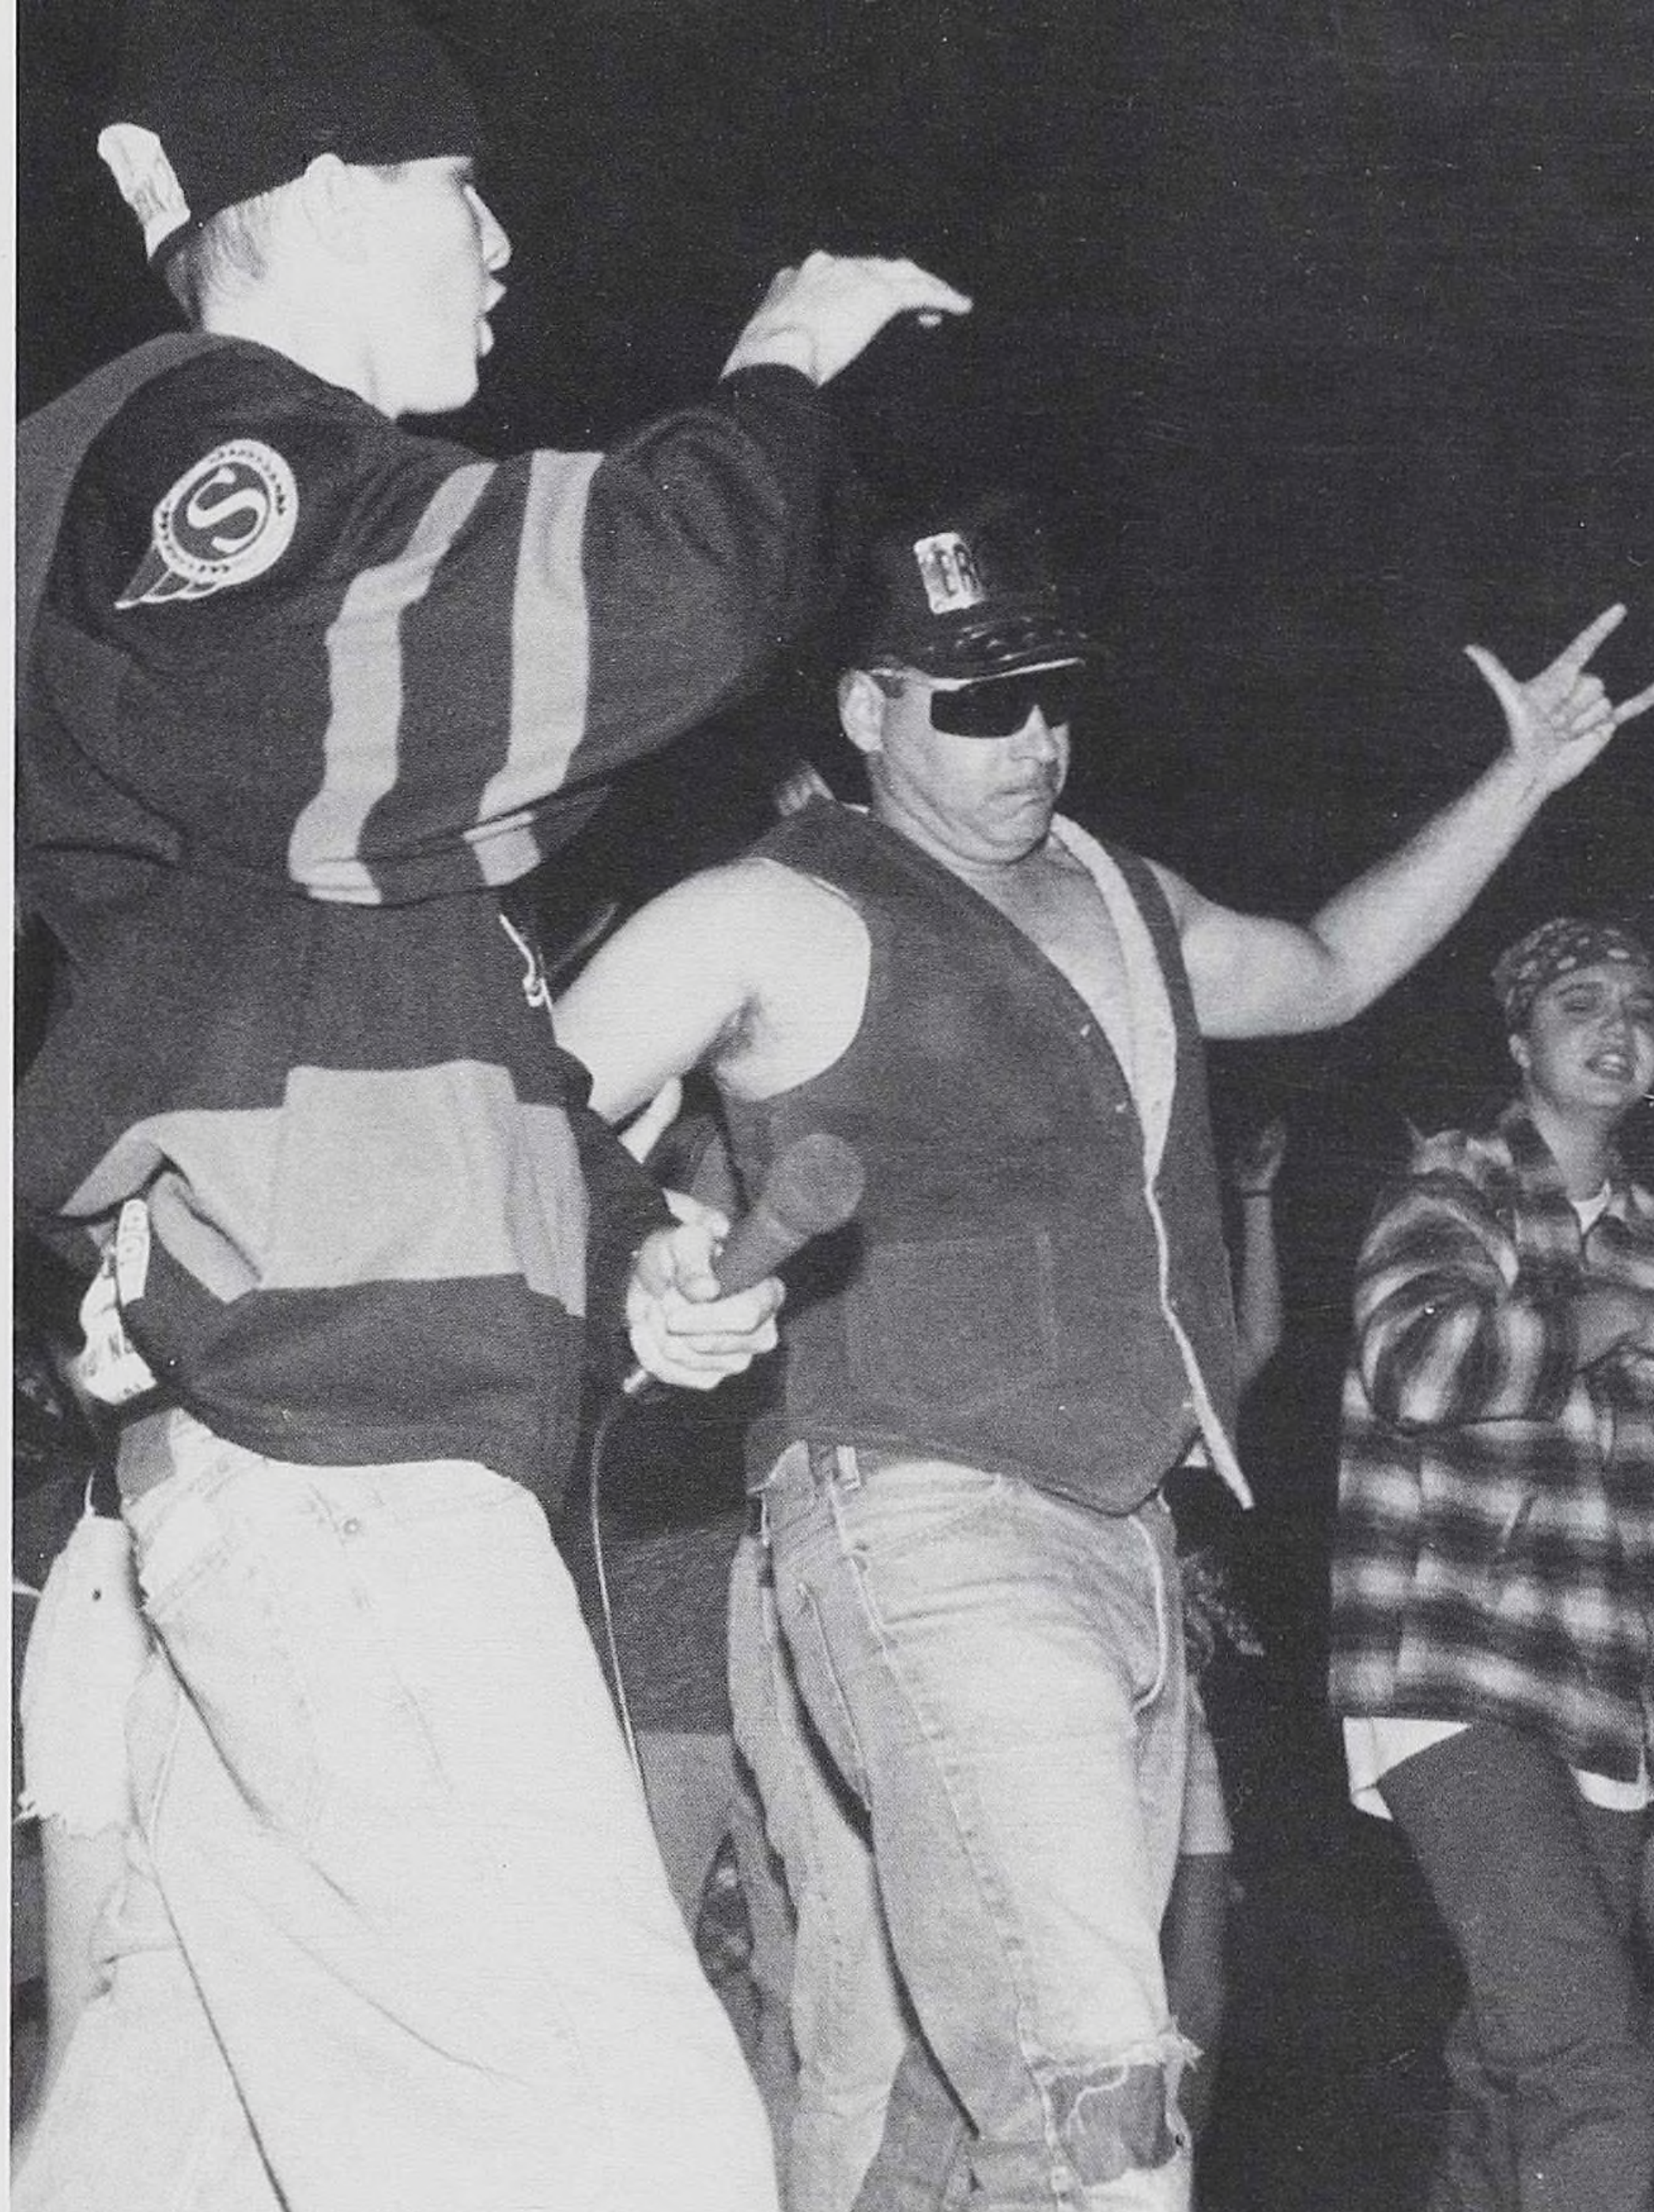

The Huskies defeated the Trojans 52-8 at the Homecoming game.

Scott Hallock successfully does an elevator with the help of others as the Powder Puff cheerleaders perform for the filled auditorium.

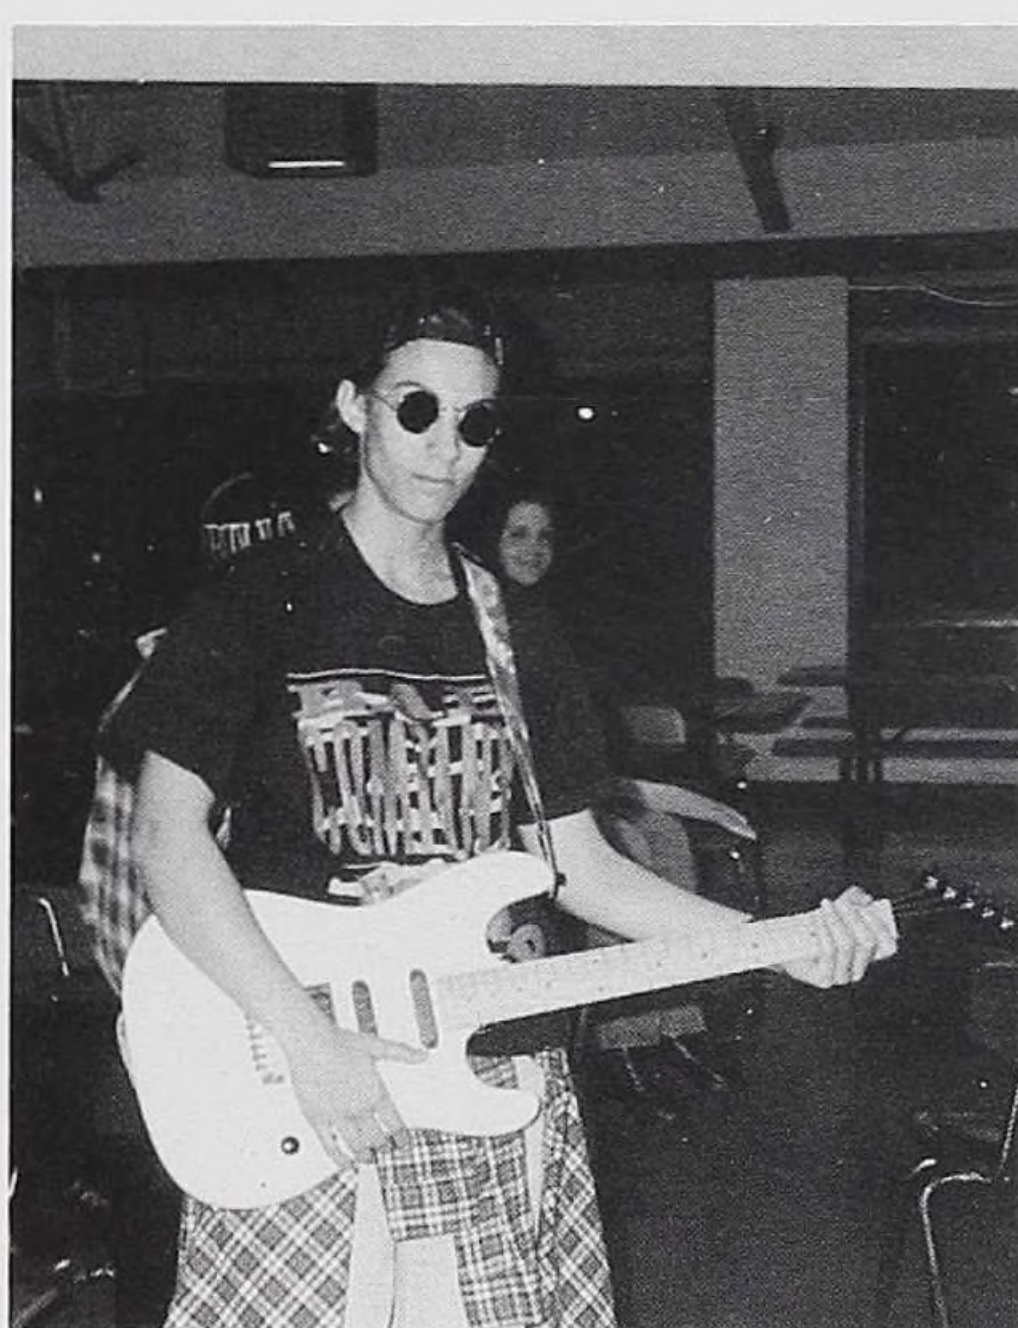

Mr. Balaban helps out in the senior skit "Brooklyn Grind."

The OHS band prepares for the traditional Homecoming Parade.

Many wore hats for Hat, Tie, and Funniest Hat Days. Other Homecoming week activities were Boxer Short and Slipper and Red and Gold Days.

Andrea Mater plays guitar in the lip sync, "My Sharona."

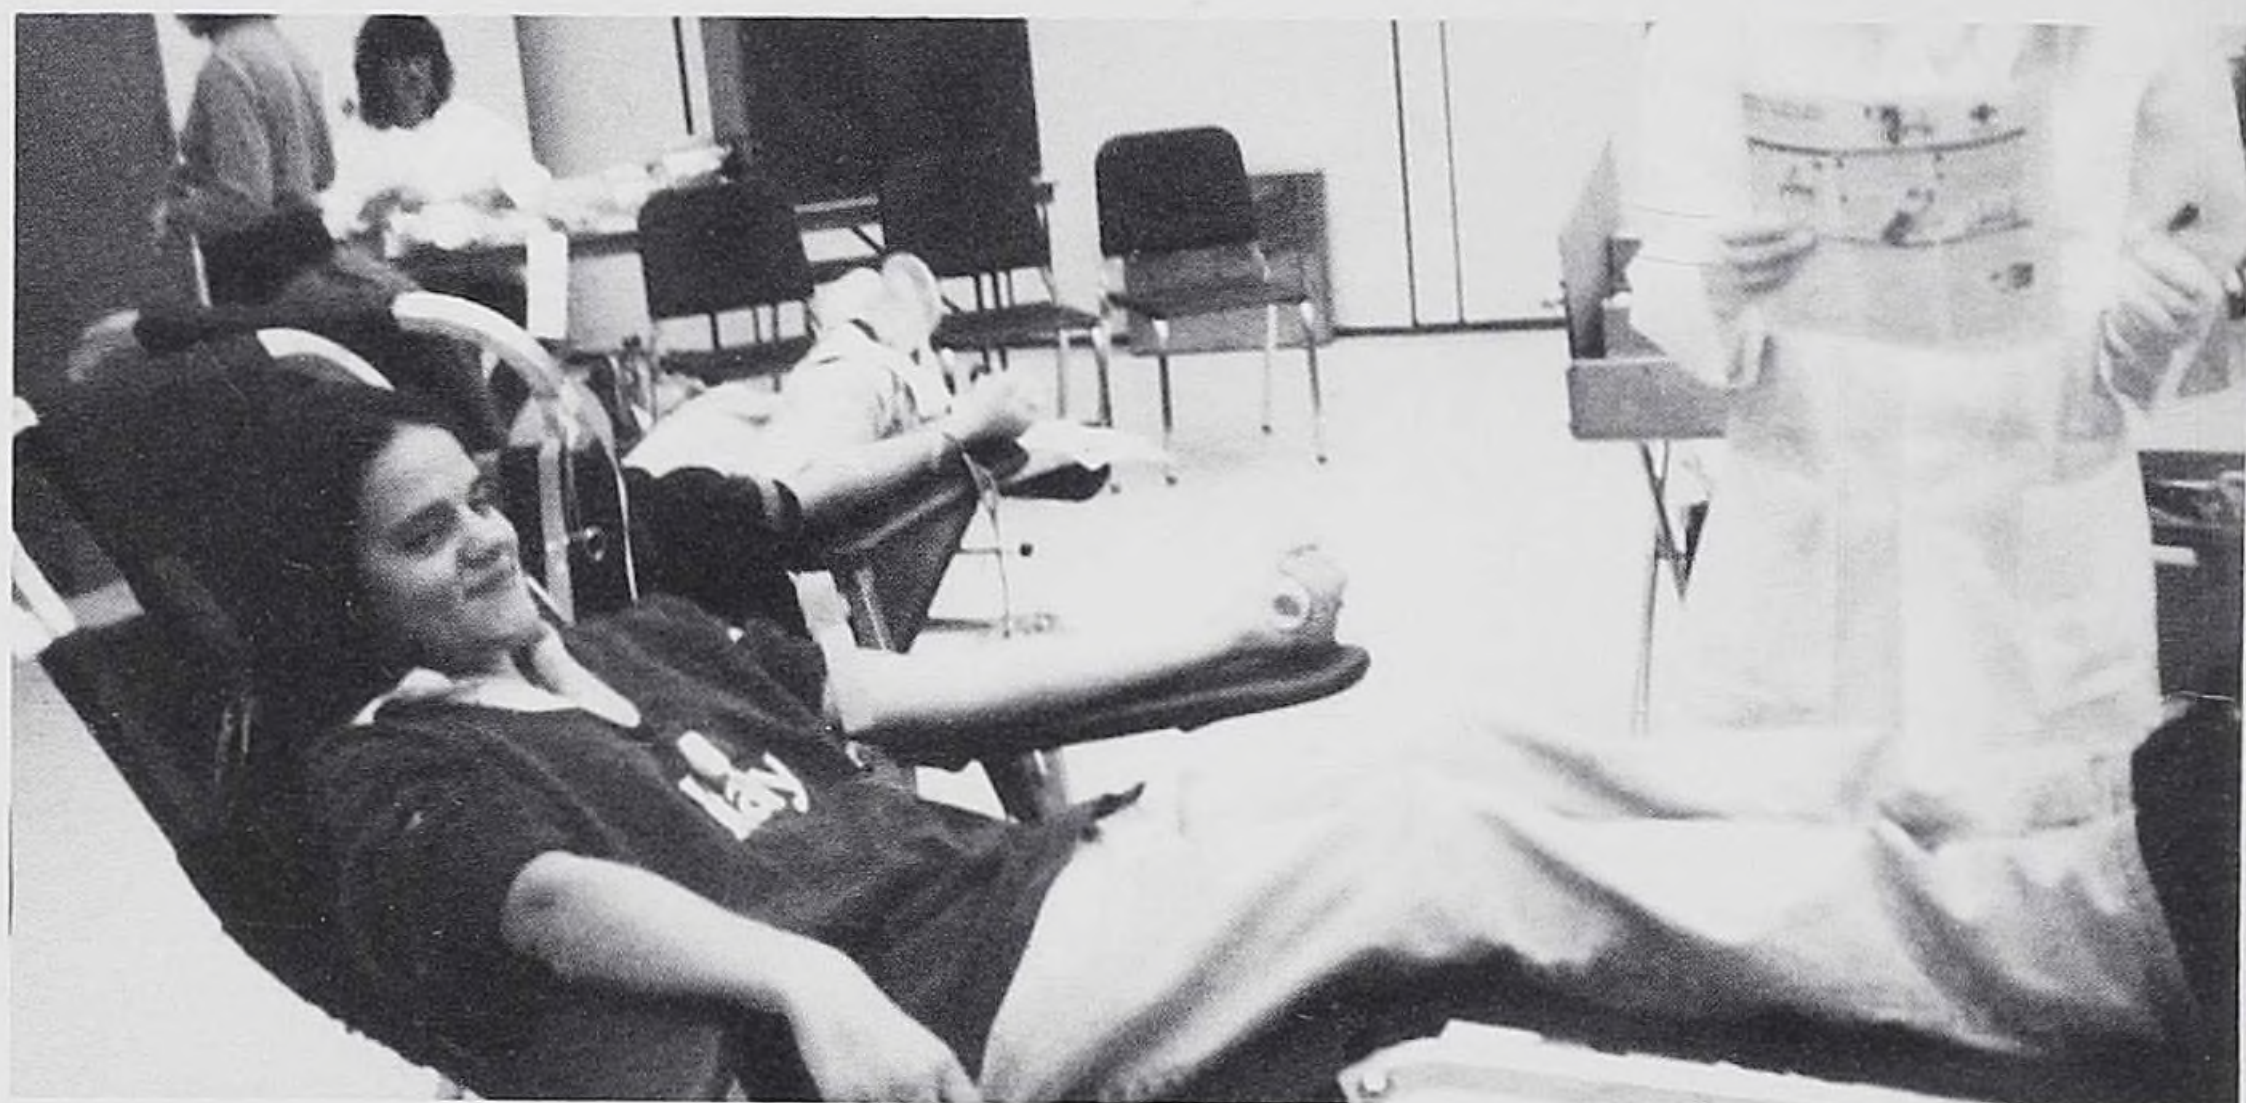

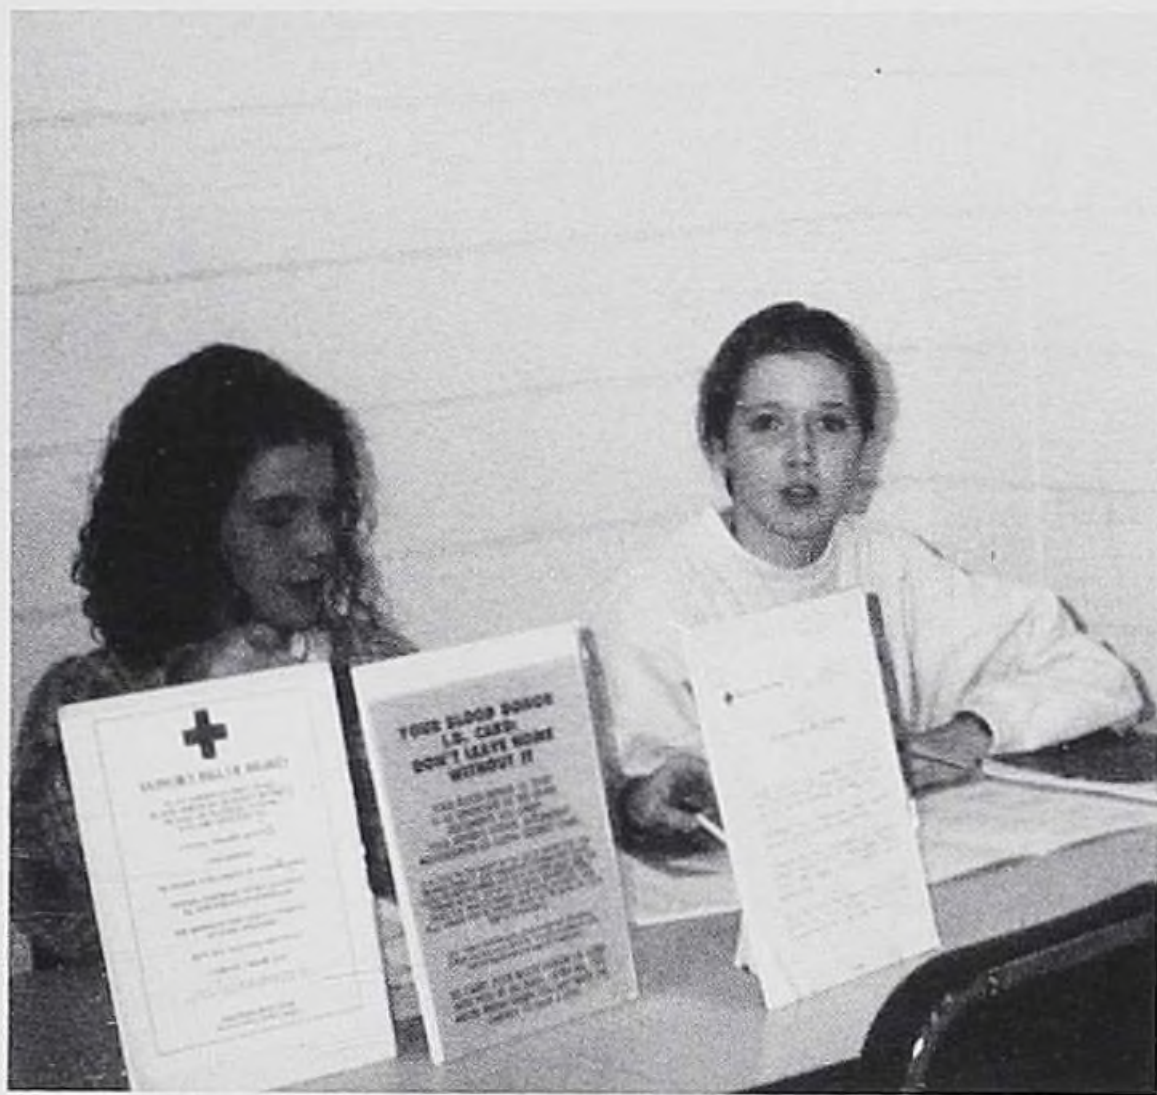

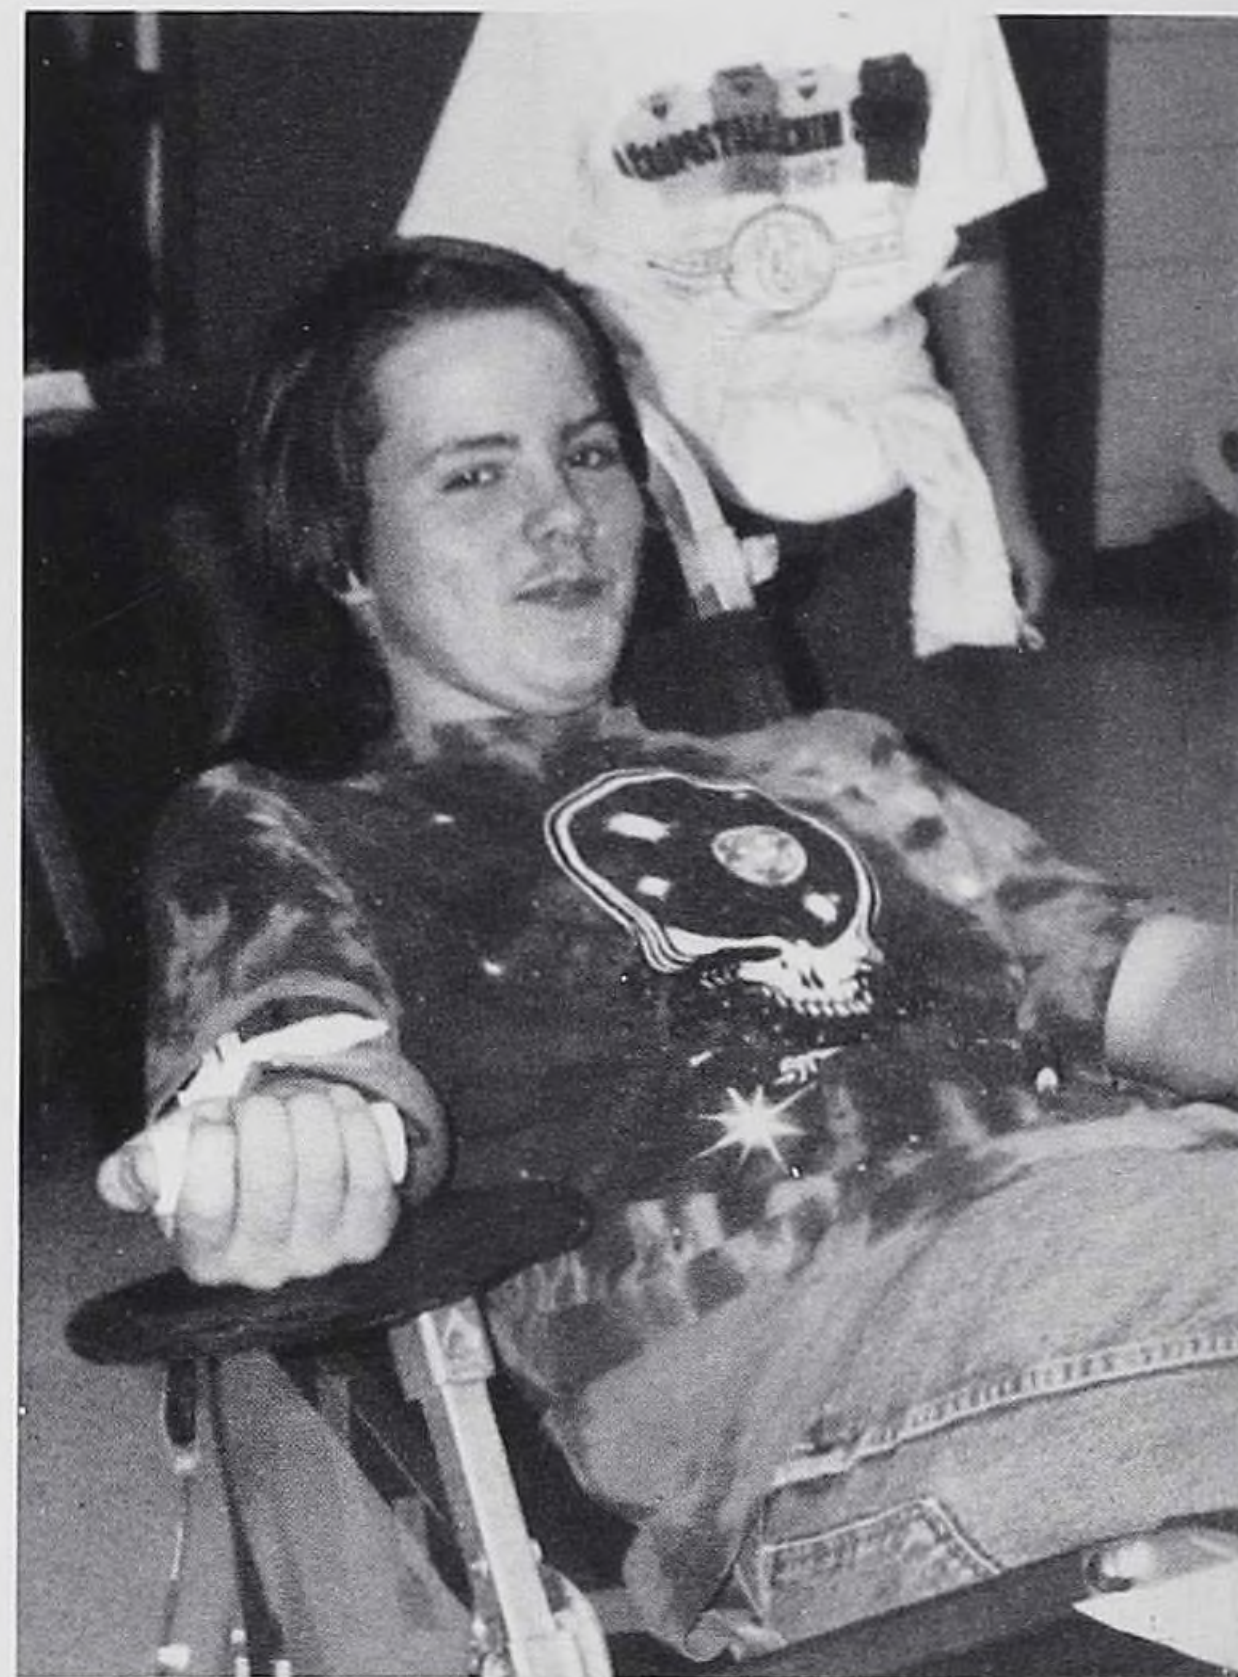

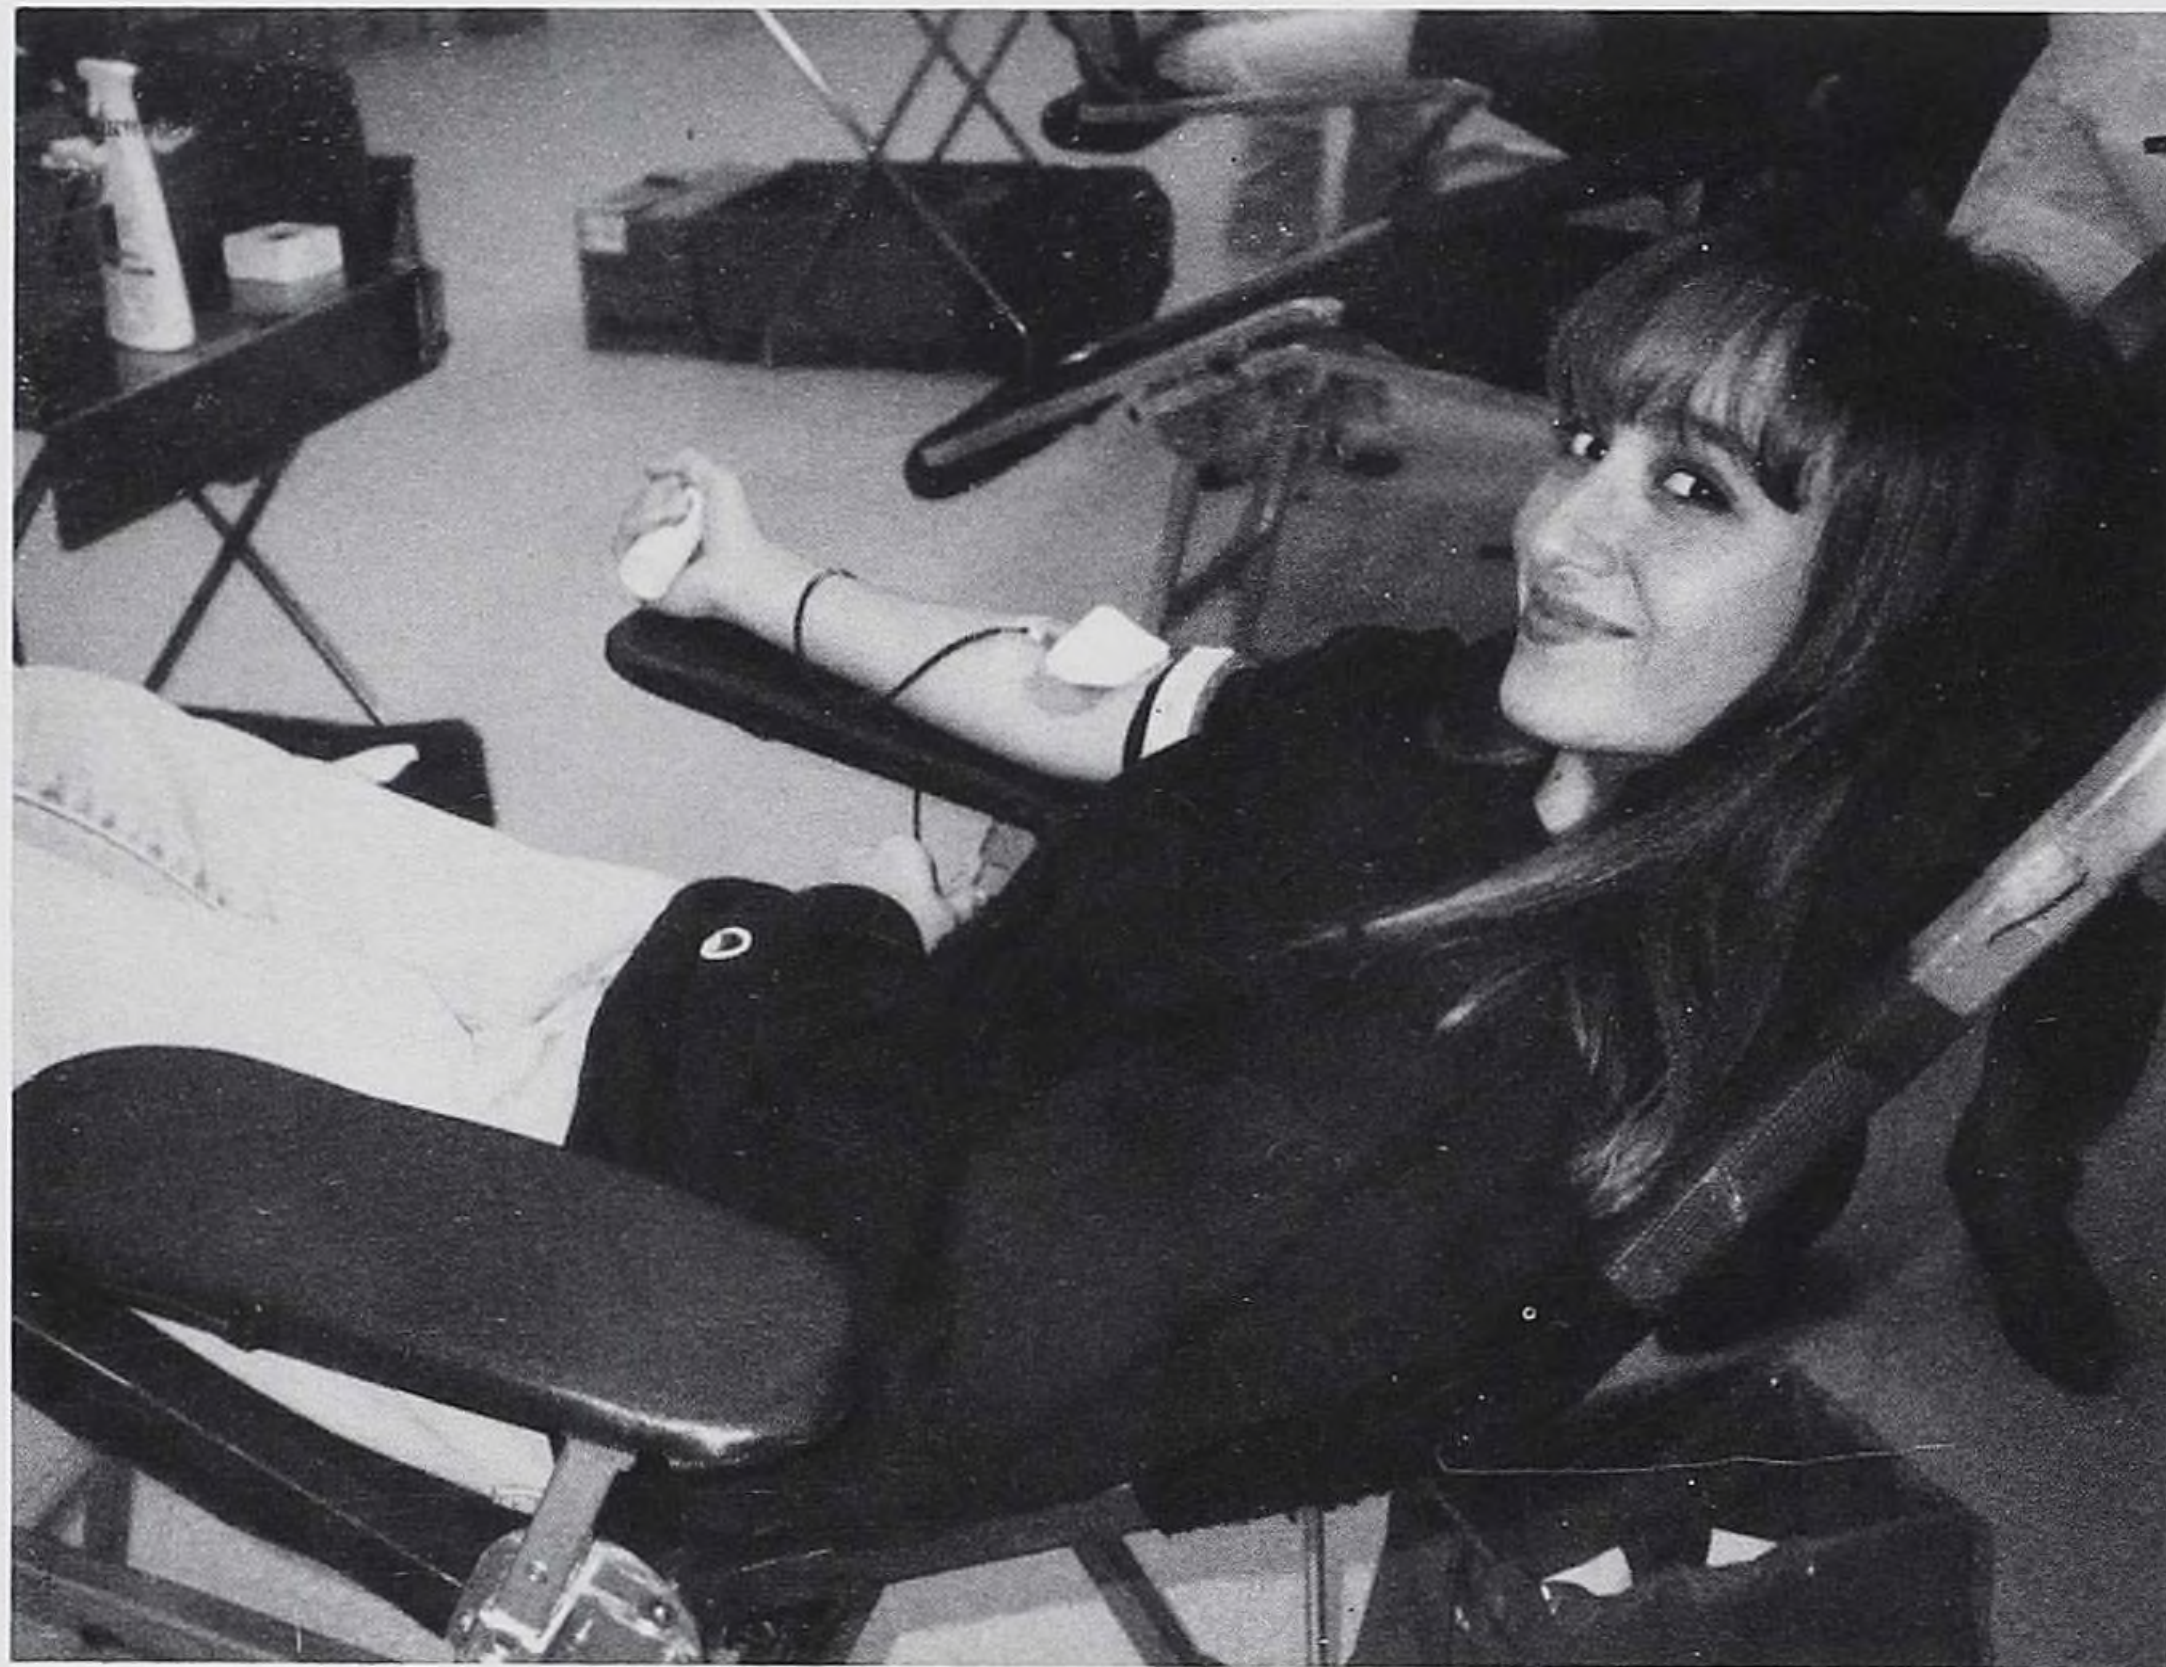

Mr. Balaban and two cheerleaders, Mary Ellen Burke, and Kelly Tincher, had to kiss a pig at the assembly in an attempt to raise money for the cheerleaders.

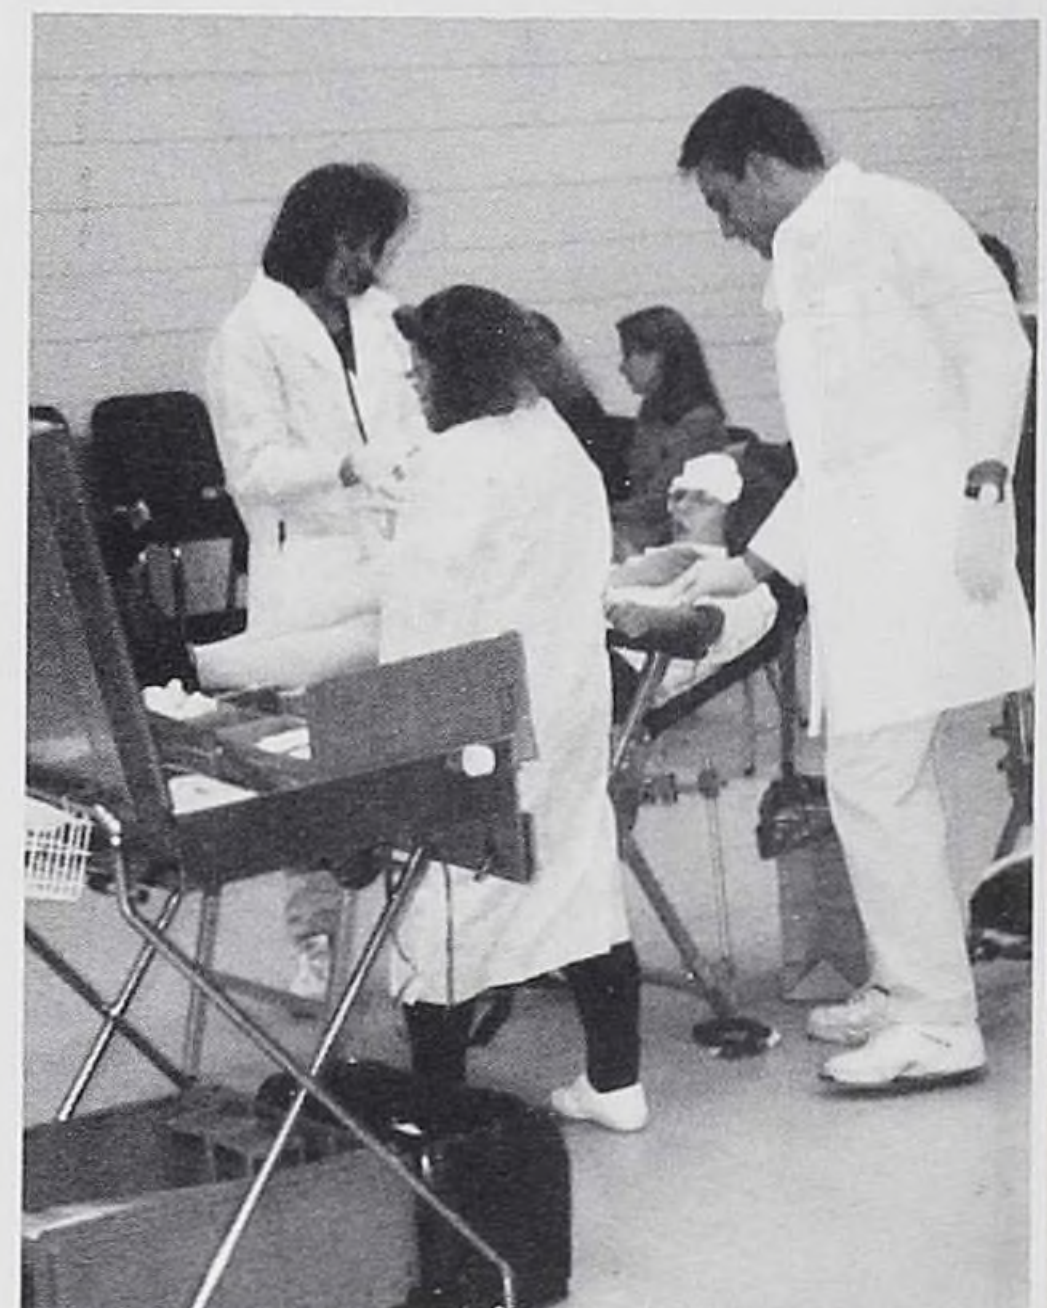

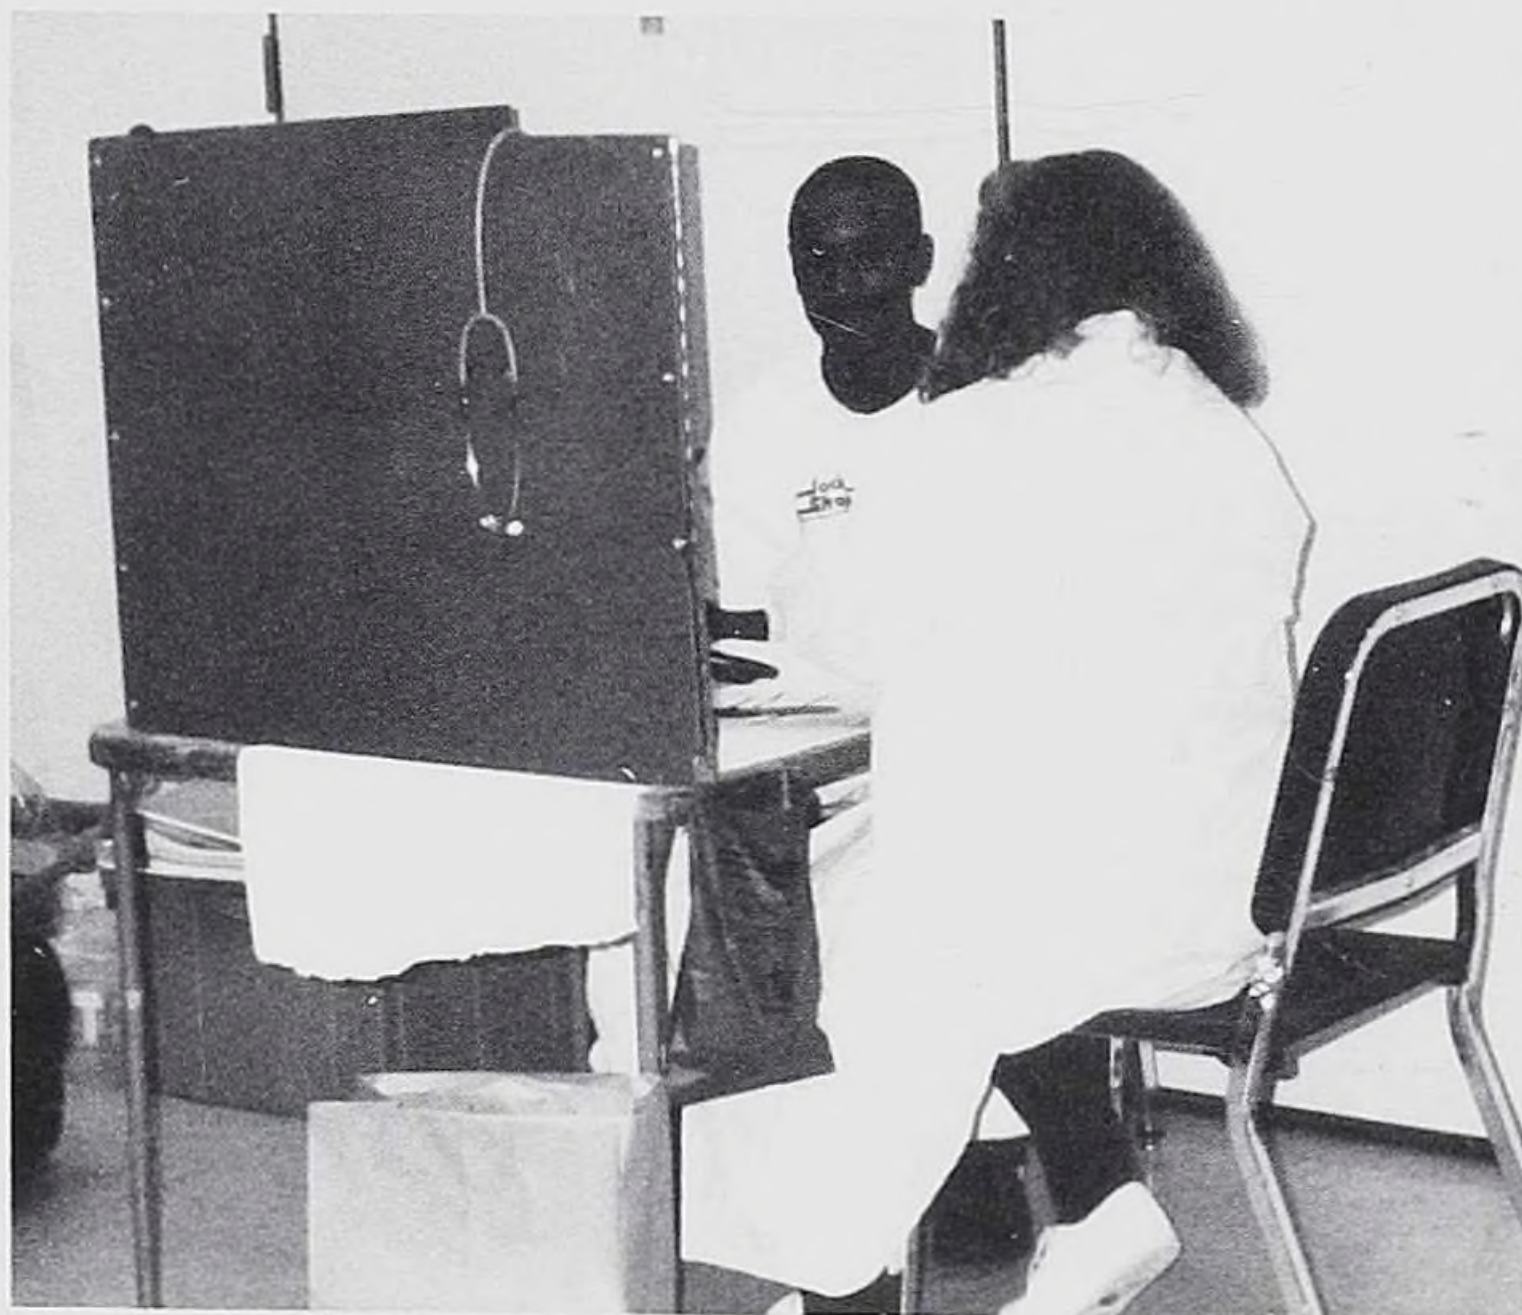

BLOODMOBILE

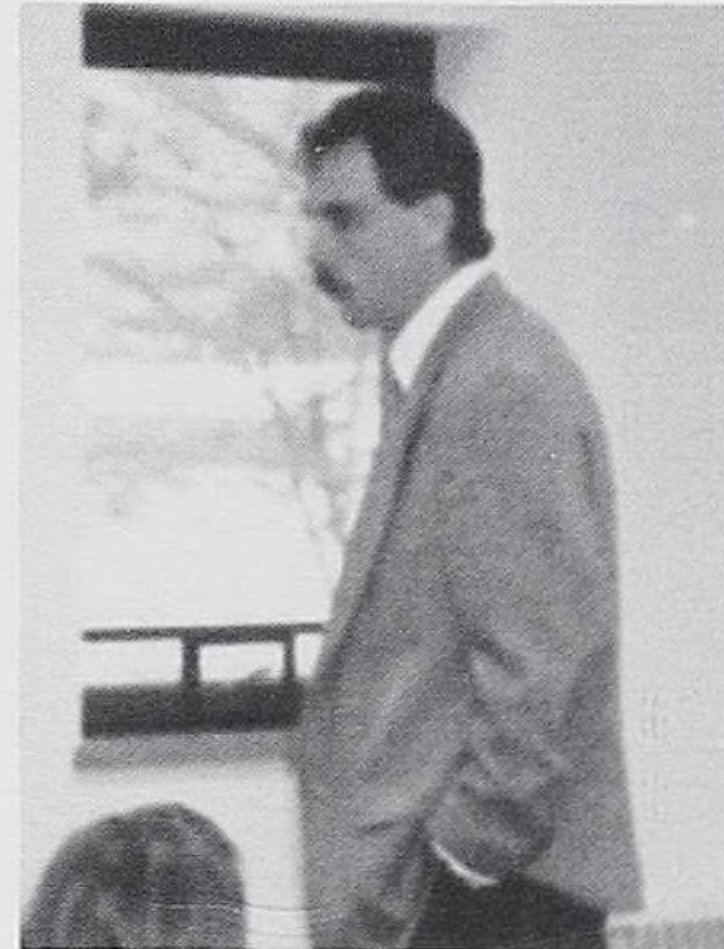

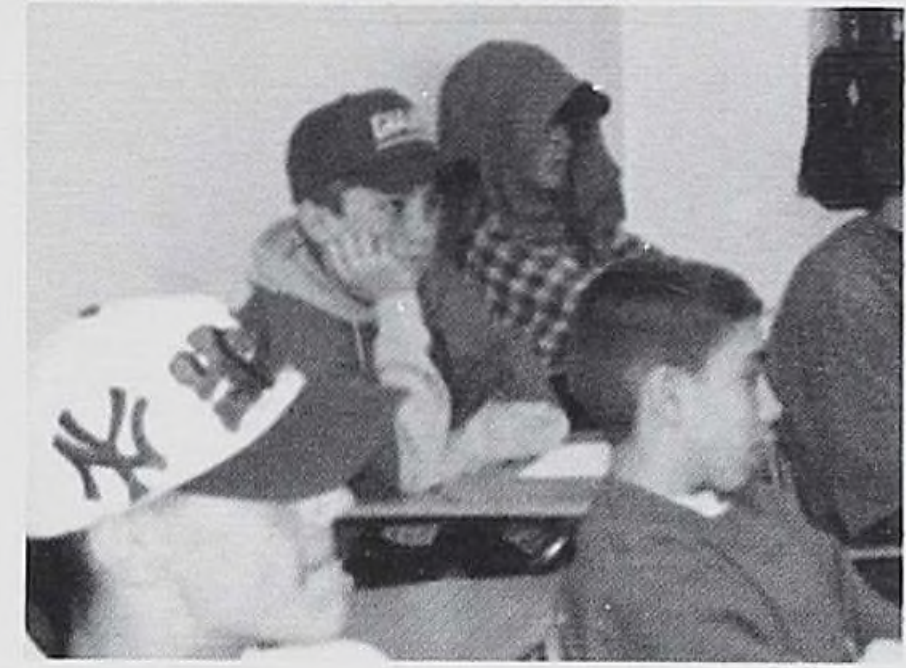

On October 6, 1994, 53 students and teachers dedicated their time to give blood for the Red Cross. 43 pints of blood were given overall. "Students of OHS should be proud of themselves, because over the past 40 years they have donated over 2,000 pints of blood."
-Mr. Block

FRESHMAN REACHOUT

From left to right-bottom: Annie Dupre, Mary Ellen Burke, Deborah Storch, Megan Delaney, Mr. Balaban- **Top:** Brad Donnelly, Vanessa Busan, Jessica Riggs, Lori Joseph, Rich Nichols, Jamie Auman, Chambers Hughes, Christie Smith, Jesse Larson, Mr. Malero.

The third annual Freshman Reachout program was yet another success. The program consisted of four different workshops including: team building with the senior leaders, juvenile justice with speaker Bill Aiello, Bona connection with speaker Mike Threehouse, and prevention with speaker Terri McDonald. There was also a lecture given by Mrs. Helen who spoke on AIDS awareness.

SPIRIT

WE

CHEERED IT

DAYS

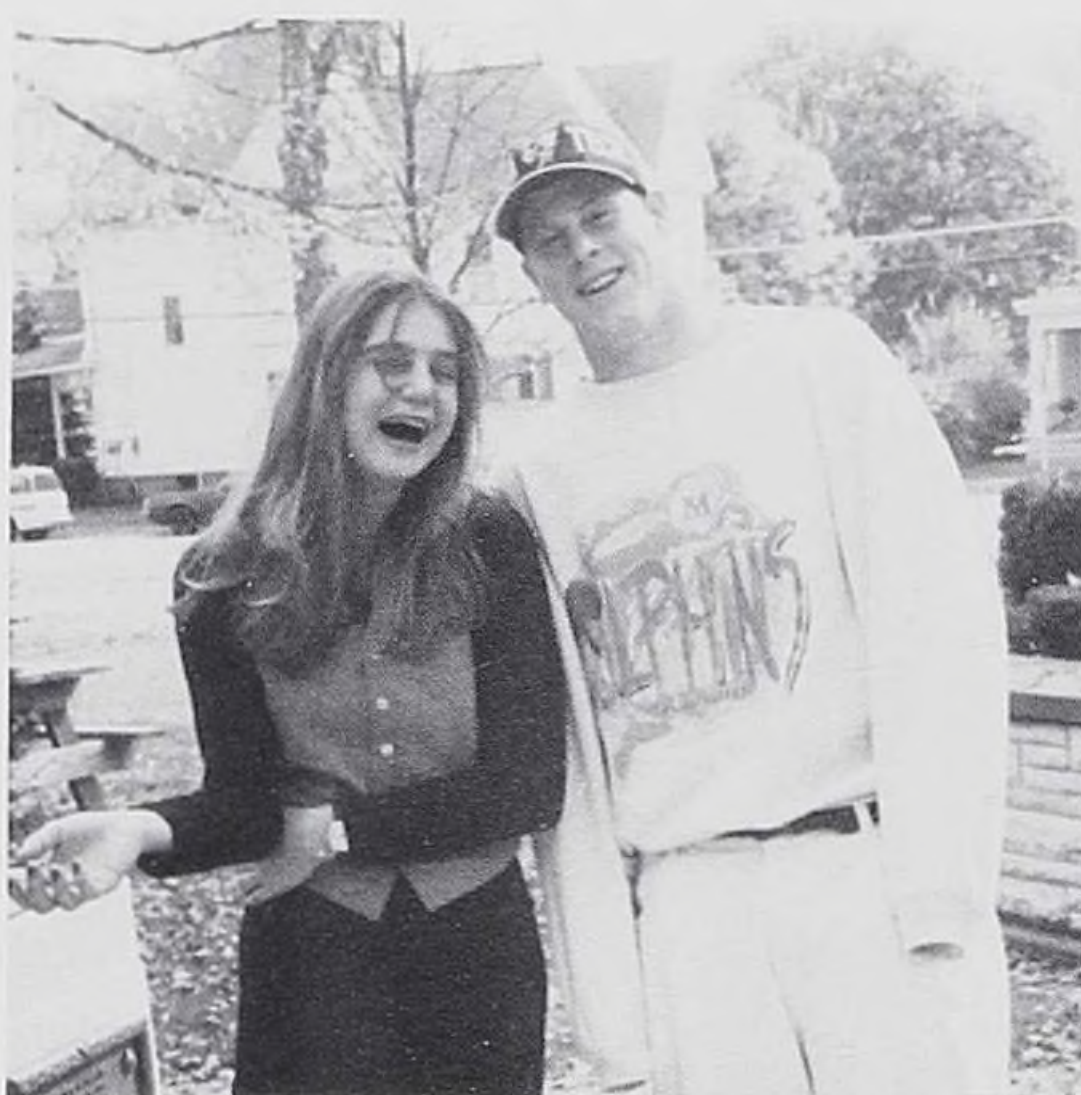

One activity which is becoming a tradition at Olean High School is *Red and Gold Day*. Every Friday, students and staff are asked to show their school spirit by displaying red and gold. This school spirit is not only for athletes but also for other accomplishments of our students.

Once again, the Spirit Club sponsored a *Red and Gold* contest during homecoming week. The winning homerooms, those with the highest percentage of students wearing red and gold, were Mrs. Barret's, Mr. Monachino's, Mr. Phillips', Mrs. Stebbins', and Mrs. Wehymer's. The Spirit Club wishes to congratulate those homerooms.

BEEN YOUNG... GOT OLDER!

Luke,
The first step that you took, in life, I knew that whatever obstacles you would have to overcome, would only make you stronger. Keep love and peace, in your heart and you will conquer all.
We're very proud of you.
May God Bless.
Love Always,
Dad, Mom, Jer.

Alysa,
First of all I thank God for giving you to us. We're proud of all your accomplishments. Be sure to the right thing . . . and then some.
We love you
Congratulations

Seneca Indian Culture Shared With Olean English Classes

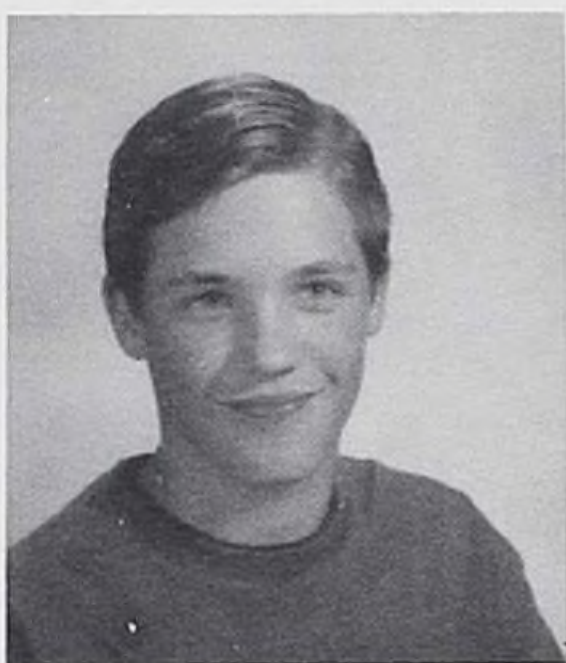

Midge Dean Stock, a native Seneca and education director for the Allegany Reservation Board of Education is shown demonstrating a water drum to the 10th grade English classes. Students of Miss Sgro, Mrs. Fish and Mrs. Fusiara have been studying cultures after reading "Chee's Daughter" as part of the multi-cultural curriculum. Midge Dean Stock shared with the students some of the history of Iroquois Culture and history. One interesting insight she spoke of was the significant role women play in their culture. The presentation was well received by everyone present.

French Club is an organization open to all students who take French. The purpose is to broaden and enrich students' cultural experiences with French-speaking countries. French club members participate in various fund-raising activities in order to earn money of a club trip to French Canada usually in May.

School Partners Abroad, an off-shoot of French Club, offers students an opportunity to visit France, attend a French school, and live with a French family. Students and their families finance the trip, which is coordinated by Council on International Educational Exchange. Students travel to France each year in November and host a group of French students during the spring.

Key Club is a service organization for high school students and is sponsored by the Greater Olean Area Kiwanis Club. Its objective is to foster and promote leadership abilities, initiative and good citizenship practices among its membership.

The Olean High School chapter of Key Club was granted chartership status at ceremonies held on November 17, 1994 and officially recongized its advisor, our Principal, Mr. Chistolini who is also a member of the Olean Area Kiwanis Club.

The charter members of Key Club have been actively involved in various fundraising efforts to help underprivileged children in the greater Olean Area.

EXCHANGE STUDENTS

This year we had 6 exchange students. One of them already went home. There are students from Indonesia, Russia, Switzerland, Spain, and Venezuela.

Hi dear High School Students.....
 We senang banget bisa sekolah di OHS yang
 punya fasilitas okay. Pengajaranya baik &
 walaupun cuacunya minta ampun tapi
 mereka ringan tangan & mau ngobrol kalo
 gue kesulitan.
 Basically I got the greatest time here. I got
 a lot of experiences that I can't get from my
 country. I realized, there are alot of differen-
 ces between me as an exchange student & Ame-
 rican student. It didn't make me feel different.
 they treat me as their friends not a foreigner.
 I would like to say thank you for all the teachers
 & friends who make my year great & unforget-
 table. Special thanks to Mr moore who
 help me going trough this great year.

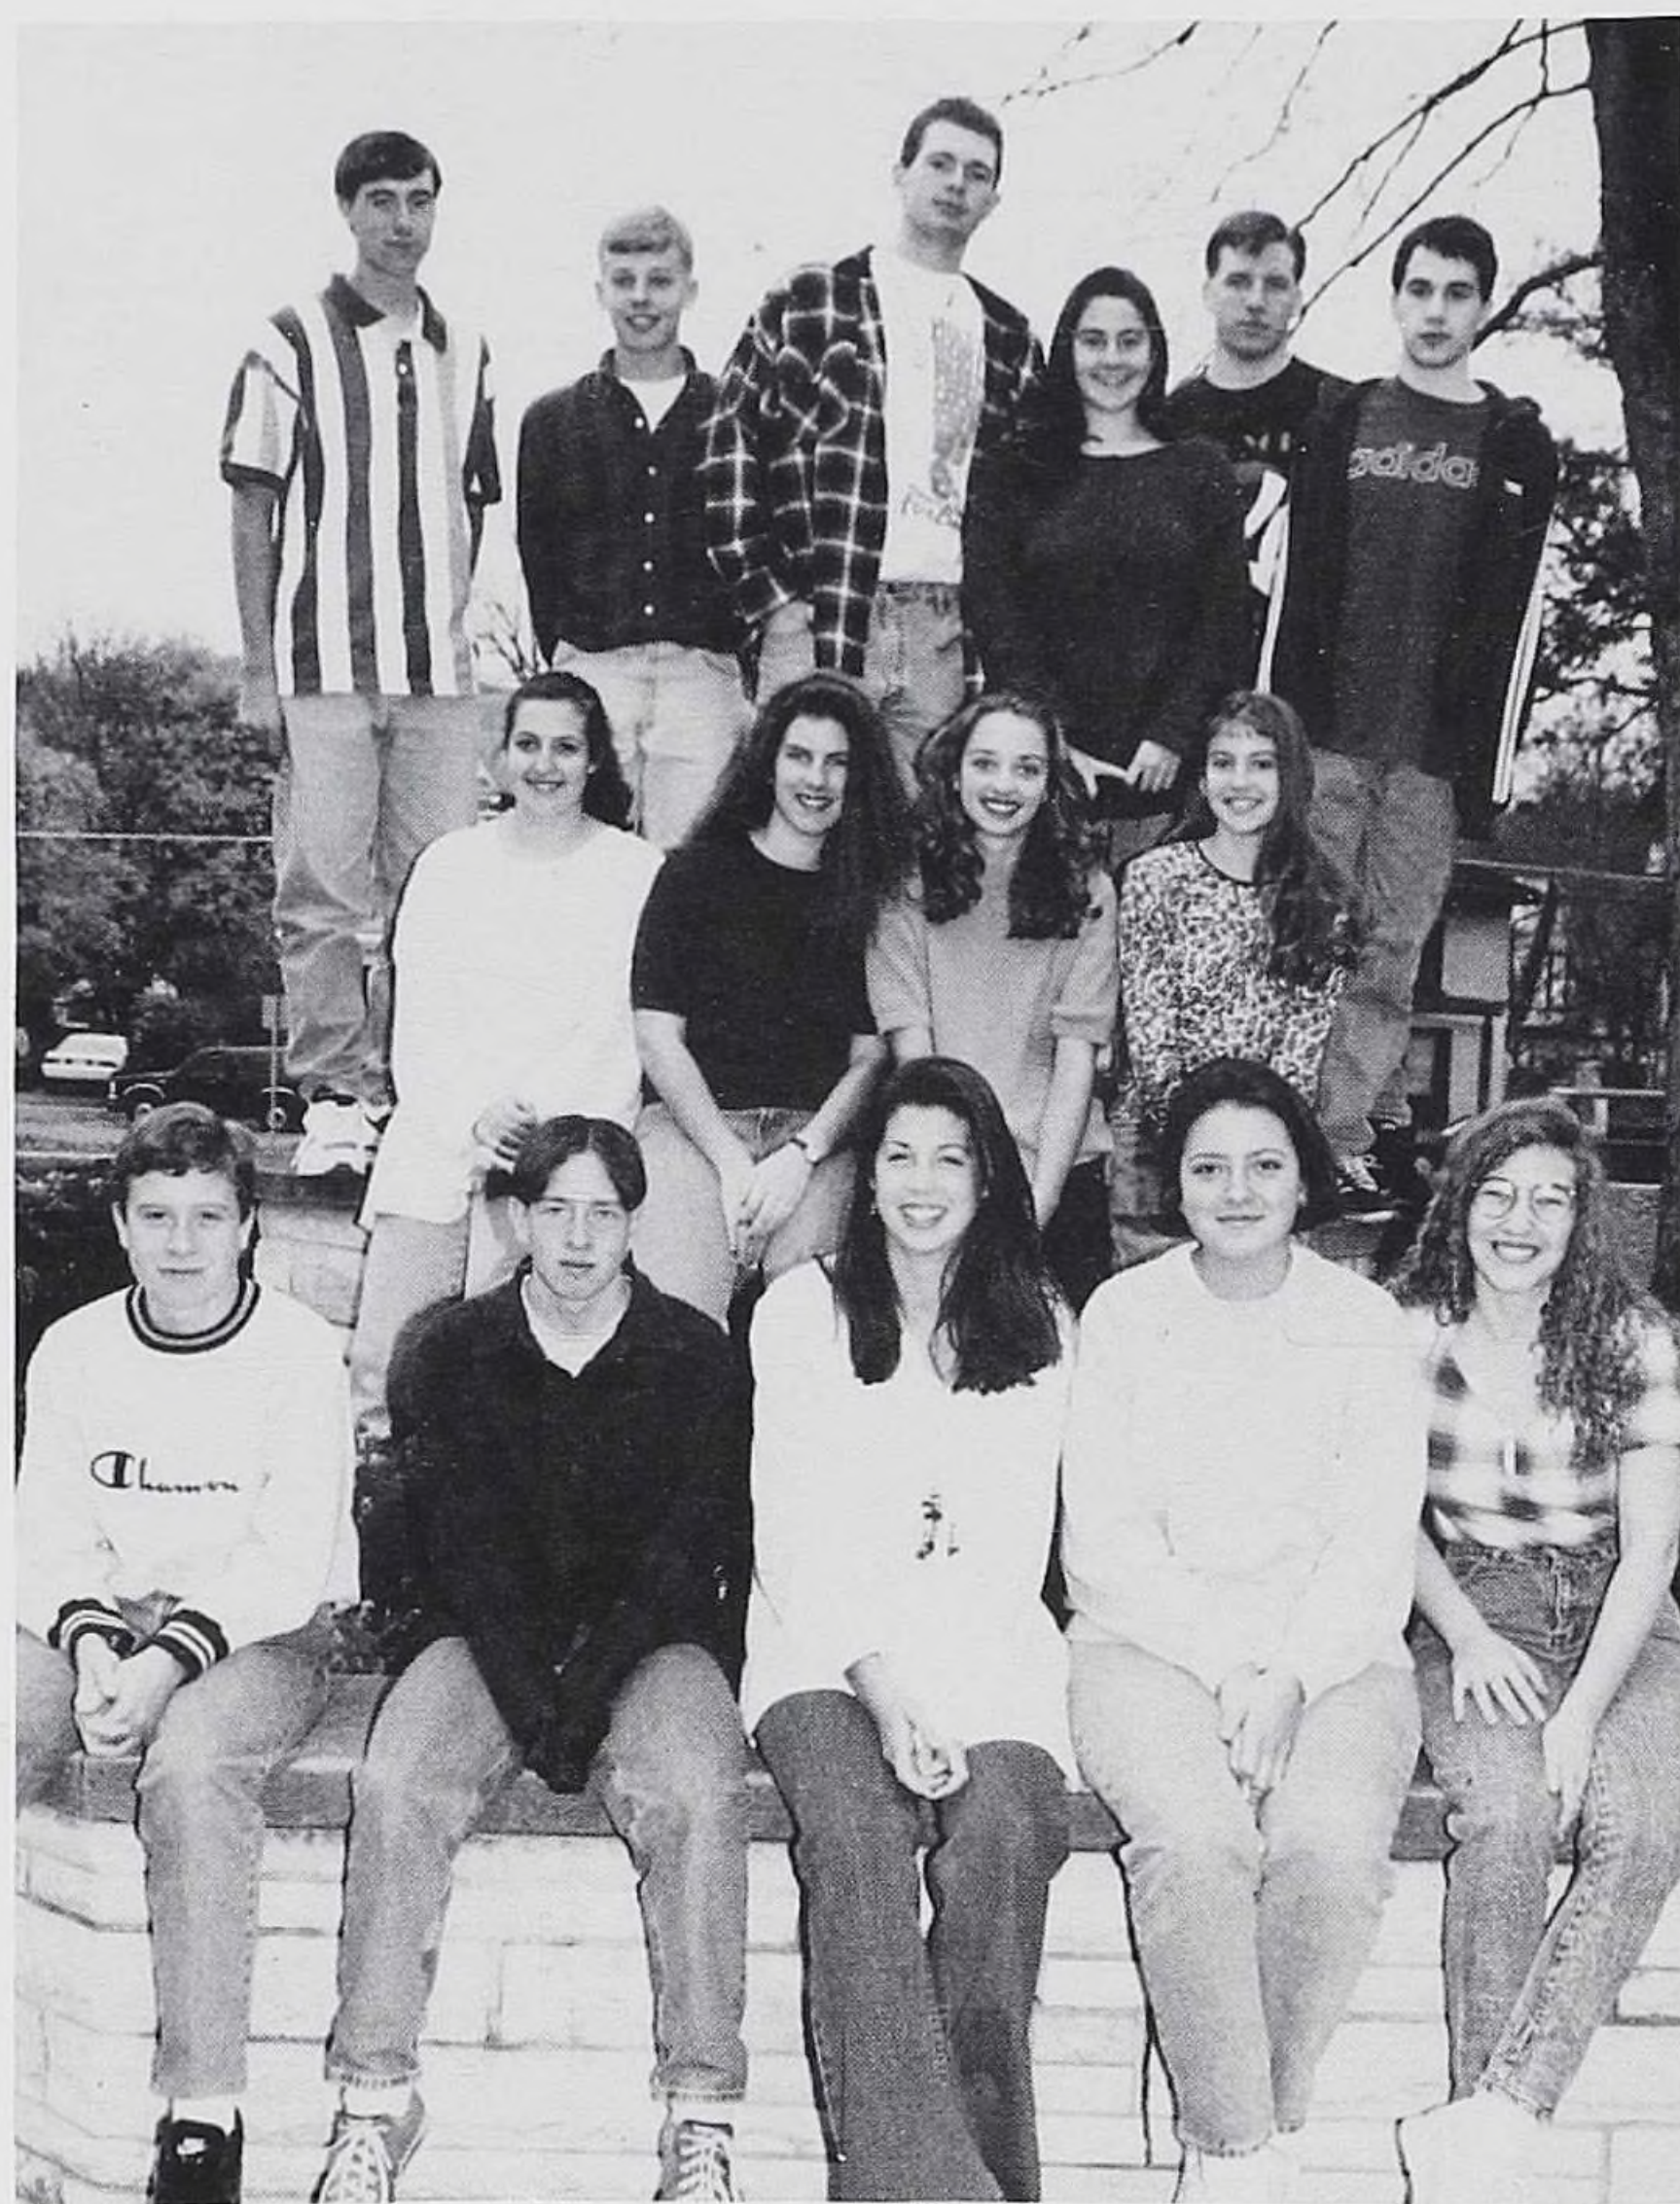

sincerely

AP SOCIAL STUDIES

AP Social Studies which is offered to Juniors, is a new class at OHS this year. Students taking this class have the opportunity of receiving college credit in Social Studies. In order to earn credit the student must achieve a minimum grade on an examination given in May. This exam is a National exam with students around the country competing at the same time.

Work in this class consists of projects and using a college text. Also, a great deal of independence is needed to succeed in class. This is taught by Mrs. Abdo 7th period.

Front row: Andrew Snyder, Jason Cashing, Danille Certo, Kathleen Behun, Brenda Green, **Second row:** Renee Piechota, Tina Aiello, Pamala Barnes, Jamie Preston, **Third row:** Randy Price, Greg Hernquist, Mark Sutter, Collen Quinn, John Rake, John Godfrey

A.P.E.

Advanced Placement English is a college credit course. To earn credit the student must receive a certain grade on the examination in May. The exam can give credit or advanced standing when entering college, so it's important students do their best on the exam.

The students must read many books, short stories, and poems. They also write essays on what they read. This is taught by Mrs. Wehmeyer 3rd and 5th period.

Front row: Lori Joseph, Jodi Bryon, Peter D'Apice, Deborah Storch, JoAnn Tober, **Second row:** Sarah Dodson, Kendra Cleland, Farrah Cygan, Julie Kyser, **Third row:** Paula Eaton, Tori Abdo, Robert Leary, Brad Donnelly, Megan Delaney, Bowie Snodgrass, **Fourth row:** Andrea Mater, Angela Buckles, David Snyder, Sarita Schwindler, Heather Fox, **Fifth row:** Keith Kettle, Jessica Riggs, Jesse Larson, Eric Meyers, **Sixth row:** Michael Richards, Mrs. Wehmeyer, Michael Shoup, Michael Simons NICE BANNER DEBBIE

A.P. BIOLOGY

AP Biology is different than Regents Biology. It is more individualized in study and projects. Projects and dissections are more hands-on and include much more detail than Regents Biology. Dissections include bullfrogs and fetal pigs.

One of the projects this year will include DNA analysis. Students will analyze their own DNA and have a class "murder mystery" similar to the O.J. Simpson case.

AP Biology students will also take a test, and if they score high enough on it they will receive college credit. AP Biology is taught by Mr. Moser third period lab is second period on C days.

Front row: Jessica Riggs, Amy Wesley **Middle row:** Donita Holiday, Sarah Dodson, Greg Piechota, Jodi Bryon, Megan Delaney, Joanna Tober, Lenny Higby, Mr. Moser, **Back row:** Matt Joseph, Cory Hull, Amy Muniga

AP PHYSICS

AP Physics compared to Regents Physics is a higher level of thinking.

The main idea of AP Physics is the problem solving methodology. To be effective problem solvers, students must develop critical thinking skills, attitudes, and knowledge base.

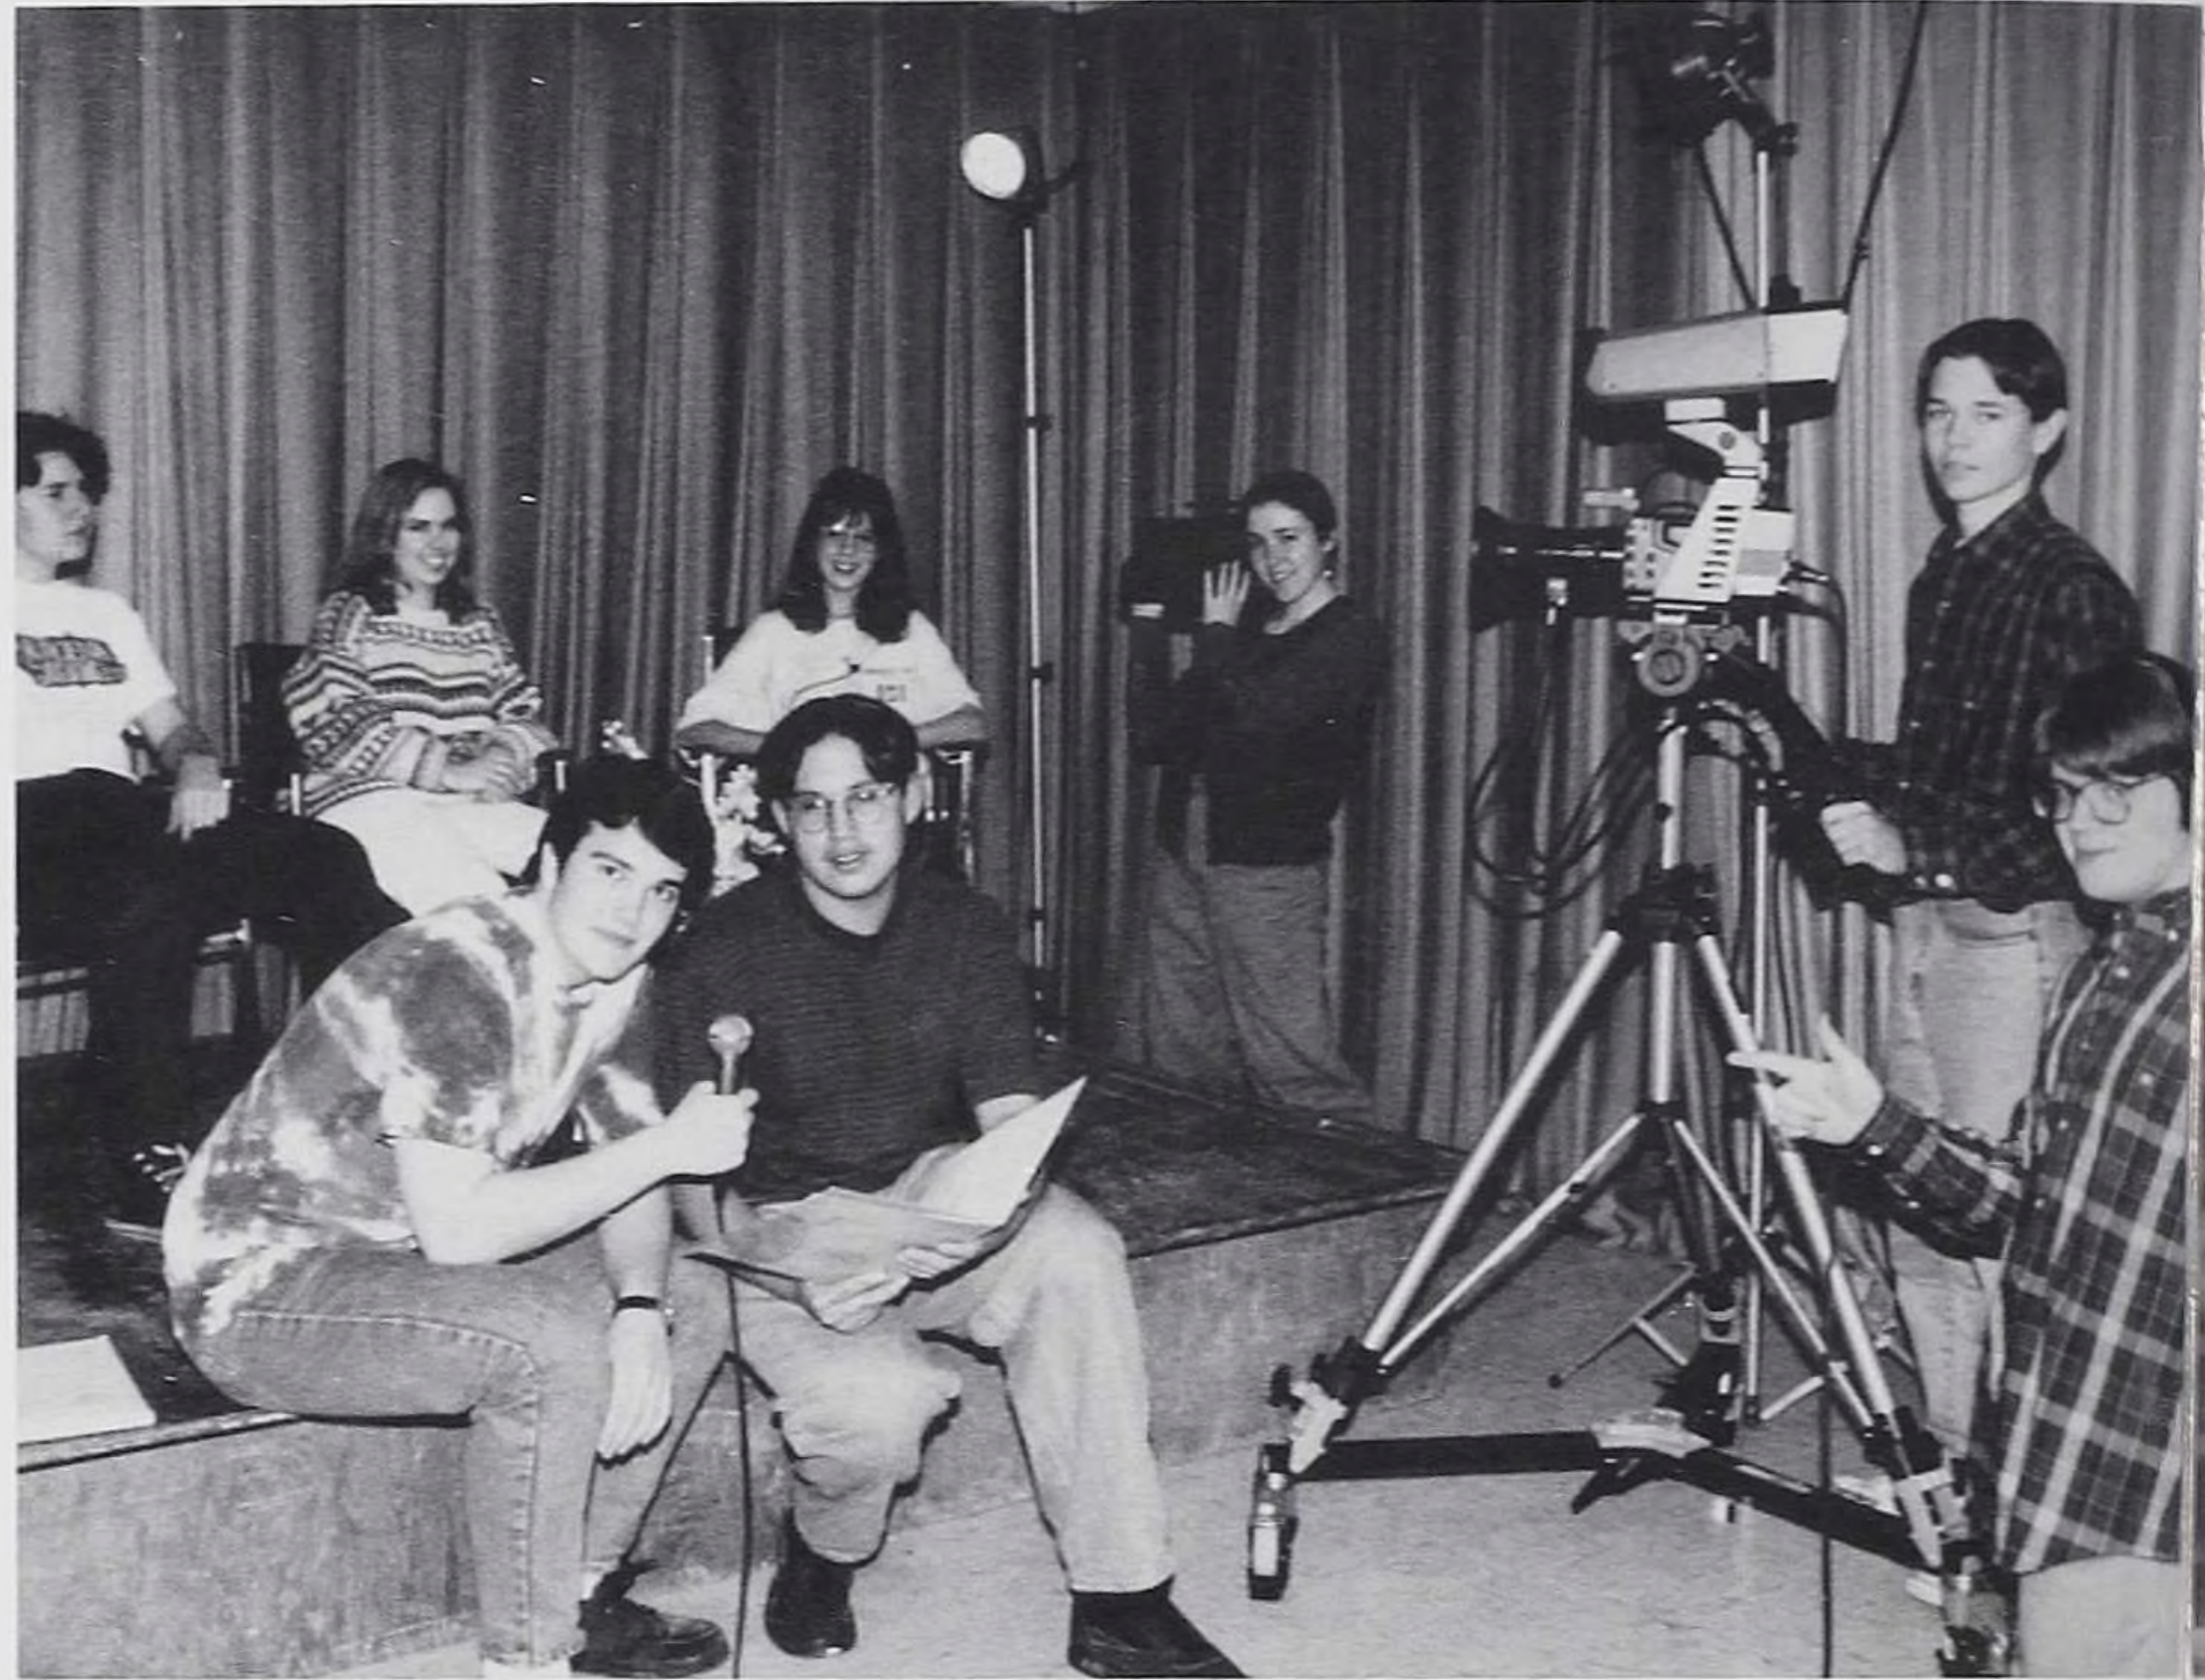

AP Physics is taught by Mr. VanScoter third period and lab is on B days.

Front row: Heather Fox, Vanessa Busan, Bowie Snodgrass, Julie Kyser, Robyn Taylor, **Back row:** Robert Voltz, Chambers Hughes, Michael Simons, Trey Marra, Rich Nichols

TELEVISION INTERNS

John Snodgrass, Julie Kyser, Kathleen Layman, Bowie Snodgrass, George Harrier, Pat Mulryan, Keith Kettle, Steve Sue.

The OHS television interns are a group of Olean students producing programs which inform and educate the Olean community. The interns have produced four monthly shows, two specials, and currently working on a documentary with a professional movie director! All programs are aired on the local television station channel six.

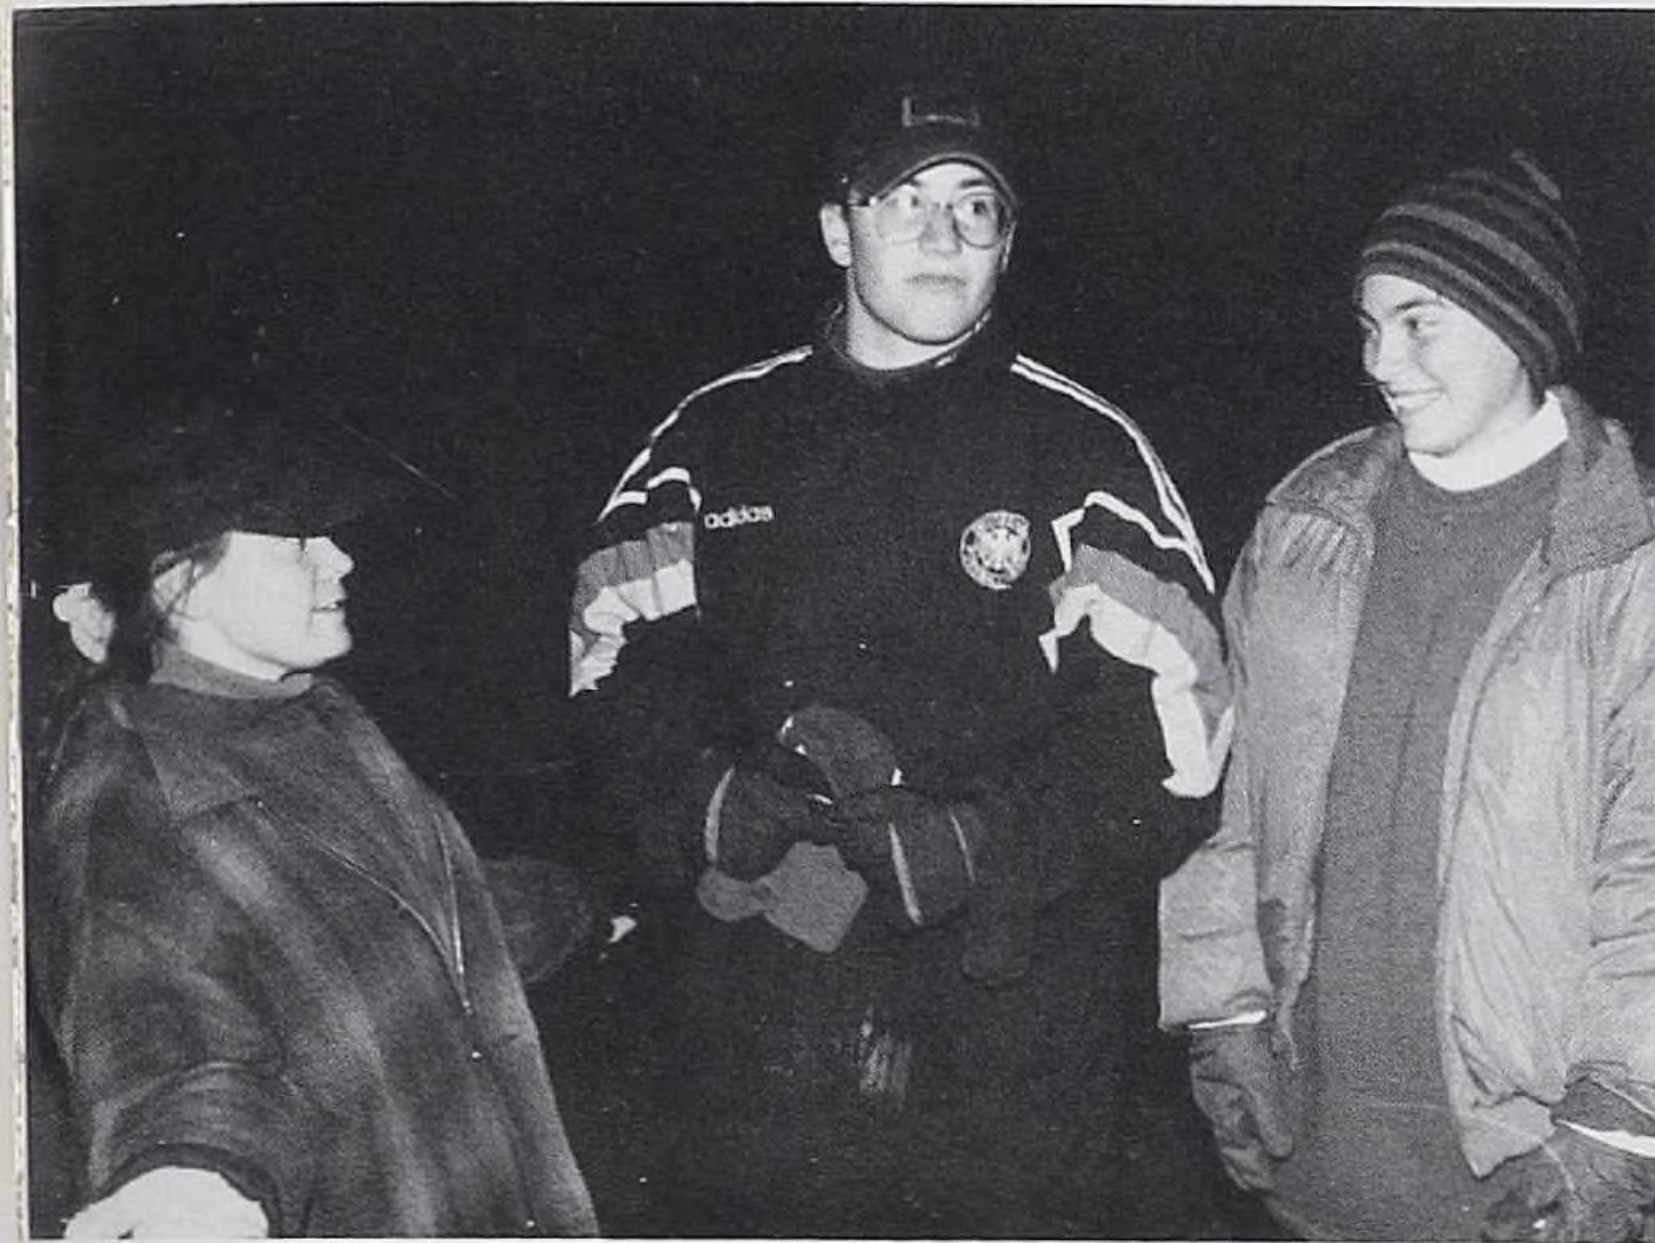

MODEL UNITED NATIONS

Michael Hart, Ian Zuckerman, John Hart, Dan Guttuso, Rebecca Hendrickson, Greg Snyder, George Harrier, Andy Snyder, Jennifer Bossard, Kendra Cleland.

The OHS Model United Nations Club was organized in 1993, and has since attracted students from all grade levels with an interest in world affairs. The Model UN prepares to attend approximately three conferences per year at colleges in the Buffalo and Olean areas. Members assume the role of delegates from nations belonging to the UN. Scholarships are often offered by the sponsoring colleges for outstanding delegates. This is a club that gives members the opportunity to be a part of Western New York's "best and brightest" future "global citizens."

HOMELESS HUSKIE NIGHT

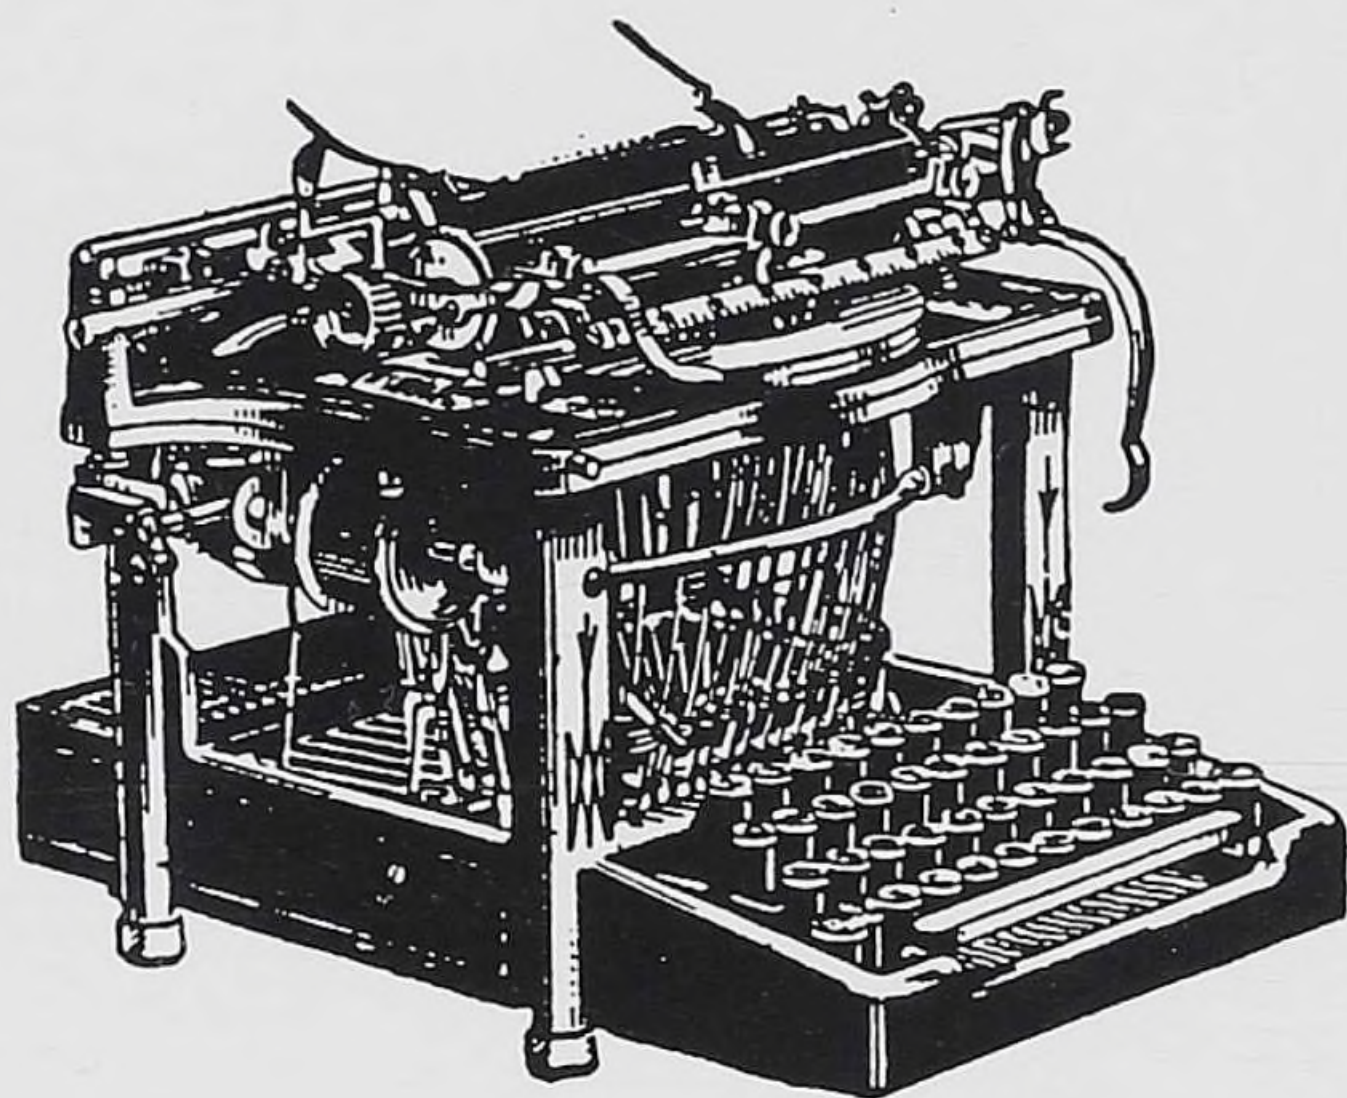

Four adults and thirty-two students participated in this years 2nd annual Homeless Huskie Night. Although the number of students who took part was less than last years, the participants exceeded their fund raising goal of \$1500 accumulating \$1907. These people found out how uncomfortable living in a box in the middle of November was as temperatures dropped down to 28 degrees Farenheit.

The event was very successful due to the encouragement of each participant to raise at least \$20. Also, SAC officers Lori Joseph, Jodi Bryon, and Stacy Mooney collected many contributions from area businesses and industries. They collected more than 1/3 of the total profits which went to area shelters.

COMMUNITY THANKSGIVING DINNER

On Saturday, November 19th, Olean High School held its 5th annual Community Thanksgiving Dinner. This event was sponsored by Olean Community High Schools, the Olean Teachers Association and JCC Faculty Student Association. OHS students along with the volunteers from these associations helped serve approximately 425 dinners to needy people of the area. This charitable event was open to the whole community.

BOCES Food Service, The Ladies Ancient Order of Hibernians, Olean Wholesale Grocery, Stroehman's Bakery, Olean Theatre Workshop, Scotty's Cider Mill, and McDonalds are other area businesses that helped make this heartwarming event possible.

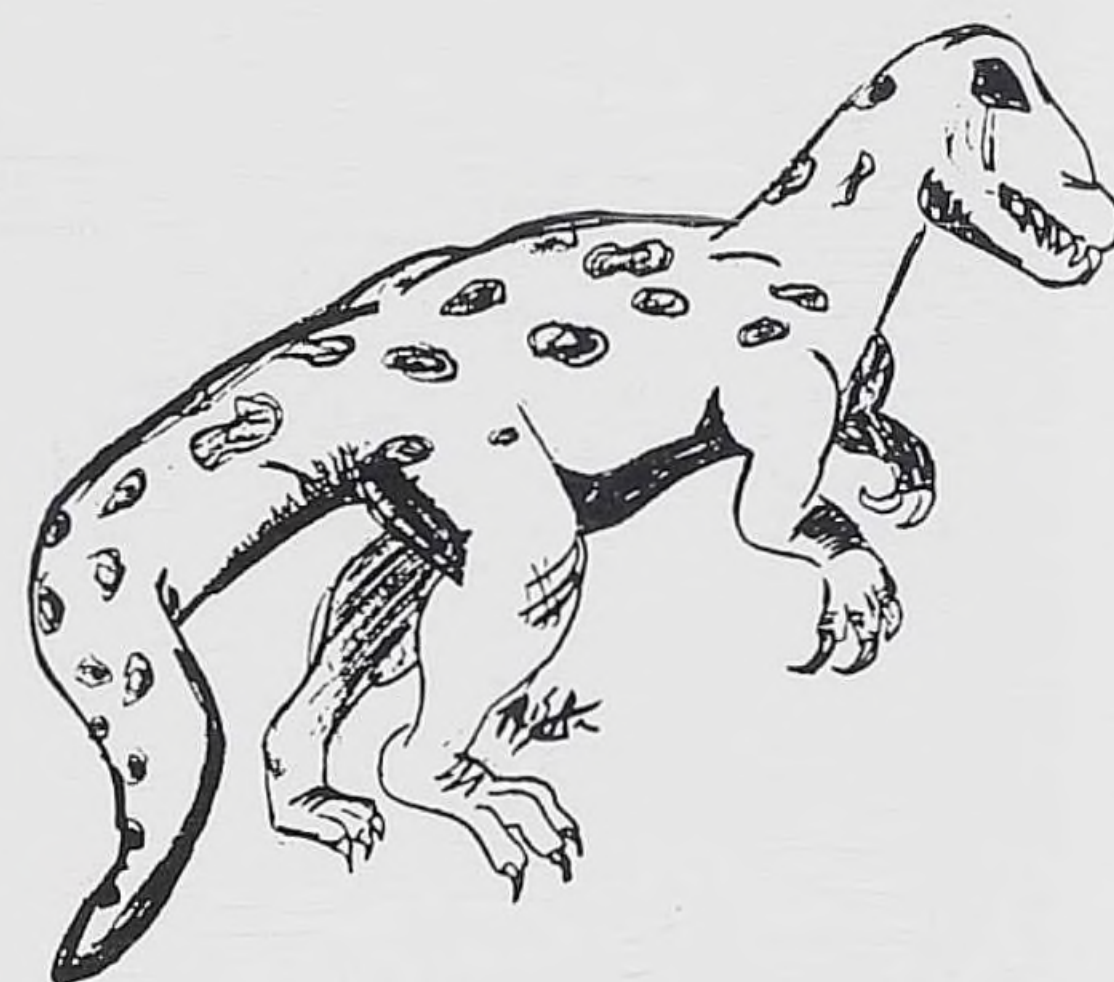

SCIENCE CLUB

This year Sciece Club is raising money to go on a whale watch. They will be doing many fund raising events to help get the money. While they are in Boston, they are planning to visit the Boston Science Museum and study sand dunes for erosion.

Next year underclassmen are planning on going on a Carribbean Cruise.

COUNTY GOV'T INTERNS

Many students in Olean High School's Participation In Government class have exercised an option to perform an internship to qualify for partial course credit. Students doing an internship work with a specific organization for a minimum of 45 hours. Students ideally perform many of the same tasks that their supervisors perform. Internships include: the Olean Police Department, the Mayor's Office, and the Olean Historical Society, Olean School system, Olean General Hospital, local veterinarians, and St. Bonaventure University.

The County Government Interns for the 1994-1995 school year are: Kevin Olivett, Robyn Tailor, Stacy Mooney, Vanessa Busan, Dionna Diffenderfer. These students traveled weekly to the Little Valley courthouse where they experienced operations of the county government. This internship program enabled the students to meet with county legislatures, and attend committee and legislative meetings.

OUR TOWN

WASHINGTON STREET THEATRE

Our Town, by Thornton Wilder, opened on November 11, 1994 at Washington Street Theater, with a full house. Many of the students were nervous, but it turned out to be a successful night. Again this production of *Our Town* coincided with the reading of the play in 11th grade English classes. Congratulations on a well done job, to all those involved!!

The Olean High Girls Basketball Team has won the league title for the third consecutive year. The only other time this has occurred was with the 1982 Girls Basketball Team. Along with that accomplishment, Nicole Merlo reached her 1,000 points and surpassed the girls all time scoring record of 1,368. As the season progressed the team advanced to NYS Sectional Playoffs. This concluded another successful season.

"Women Good, Men Bad!" and "Camp Clap!" These quotes set the tone for the entire season. The sun hasn't shone on the girls soccer team for many years. With hard work and determination the girls team surprised themselves with a record of 13-2-2. This was the best record in the history of the program. The seniors ended their career in a fine fashion. They also left the underclassman with a few words of wisdom. "This year we got the turkey and potatoes, but next year we'll get the gravy and pumpkin pie with whipped cream!"

Coach Paul Ksionzyk, David Ash, Travis Hardiman, Jared Isaman 2nd row-Mike Simons, Chambers Hughes, Pat Elliot, Tim Richardson.

This year seven cross country runners received the honor of being scholar athletes as a result of their hard work. Not only did these seven runners win second place in Division one and 4th overall but maintained a average of 90% or better. The girls cross country runners also deserve credit for being placed number one in Division one and third overall. Coach Paul Ksionzyk said that he is very proud of all his runners. He said that they did very well and showed a lot of improvement. He expects the same results, if not better next year because a lot of his runners are young and will be back next year.

BOWLING TEAM

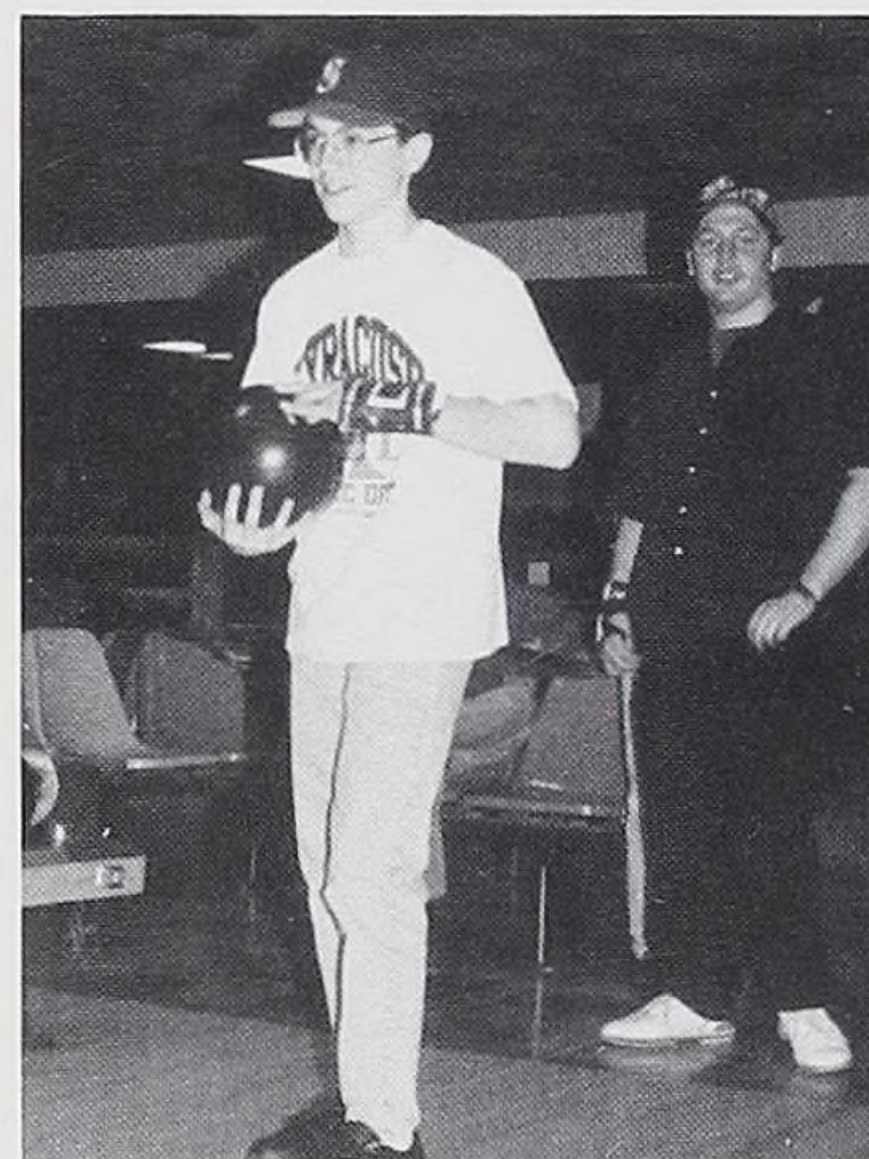

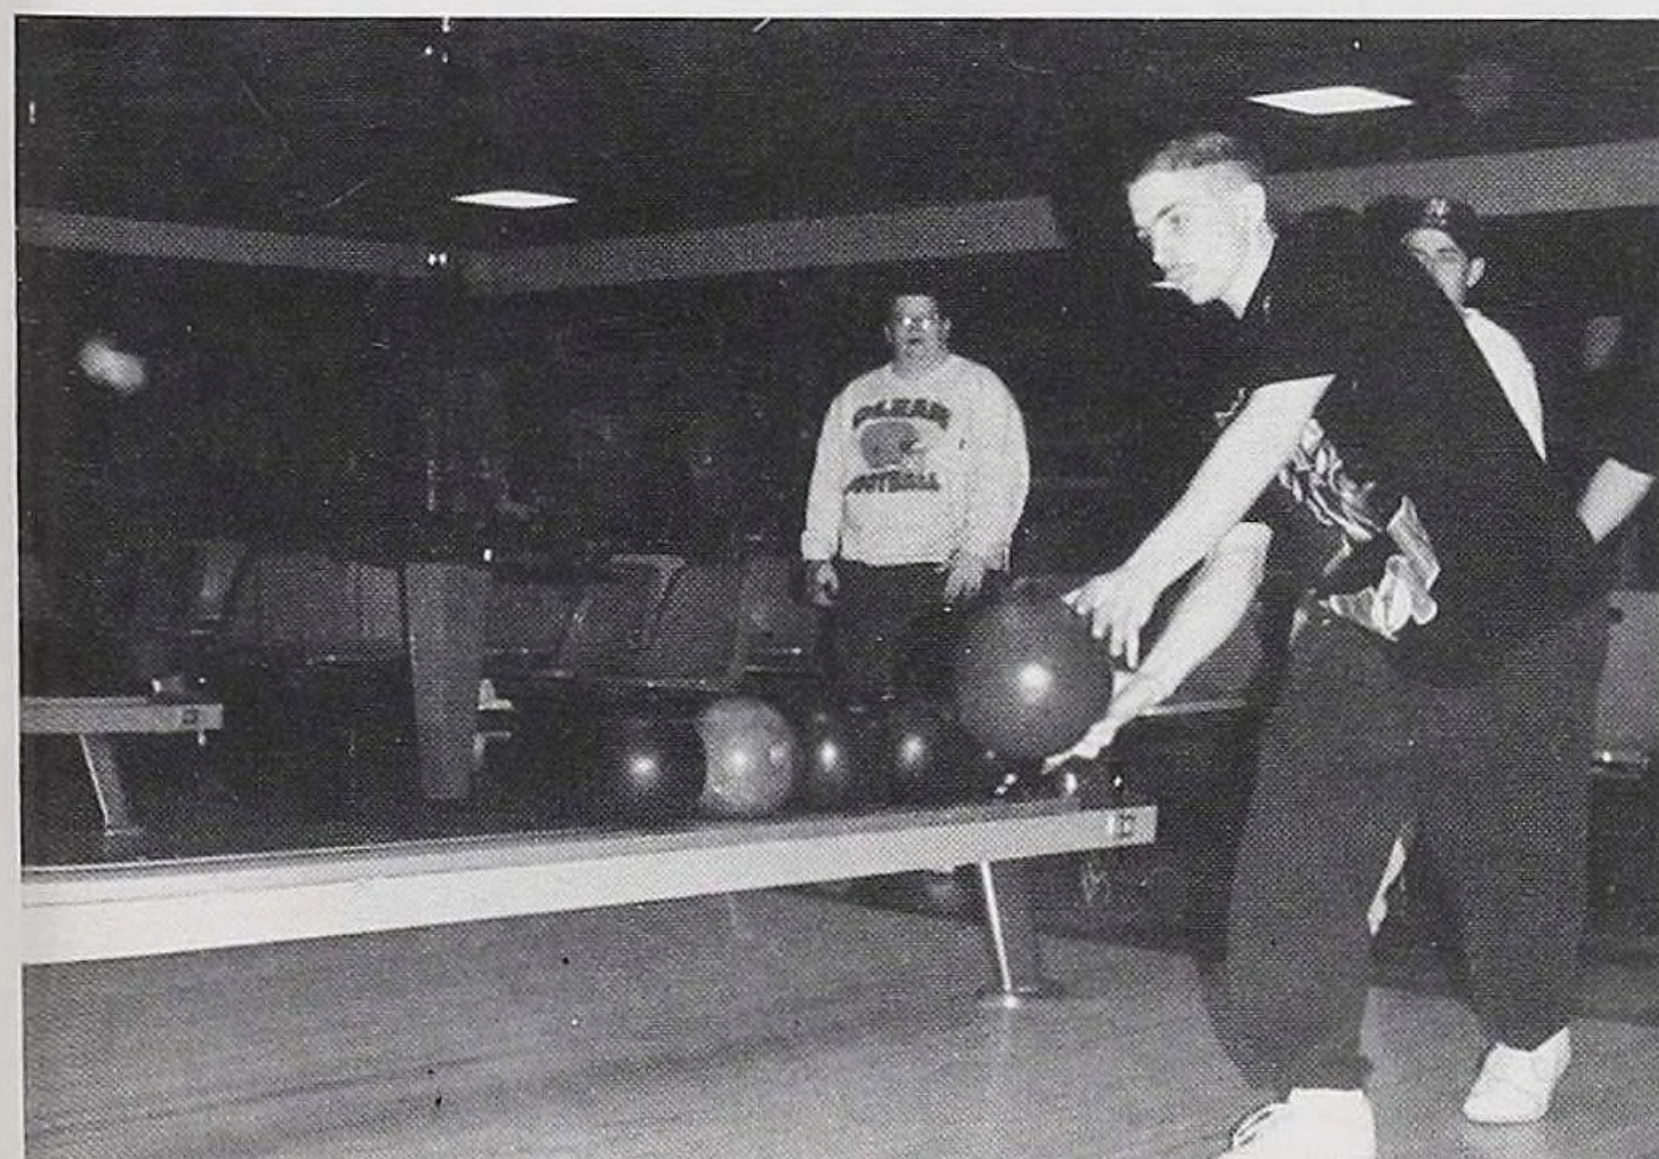

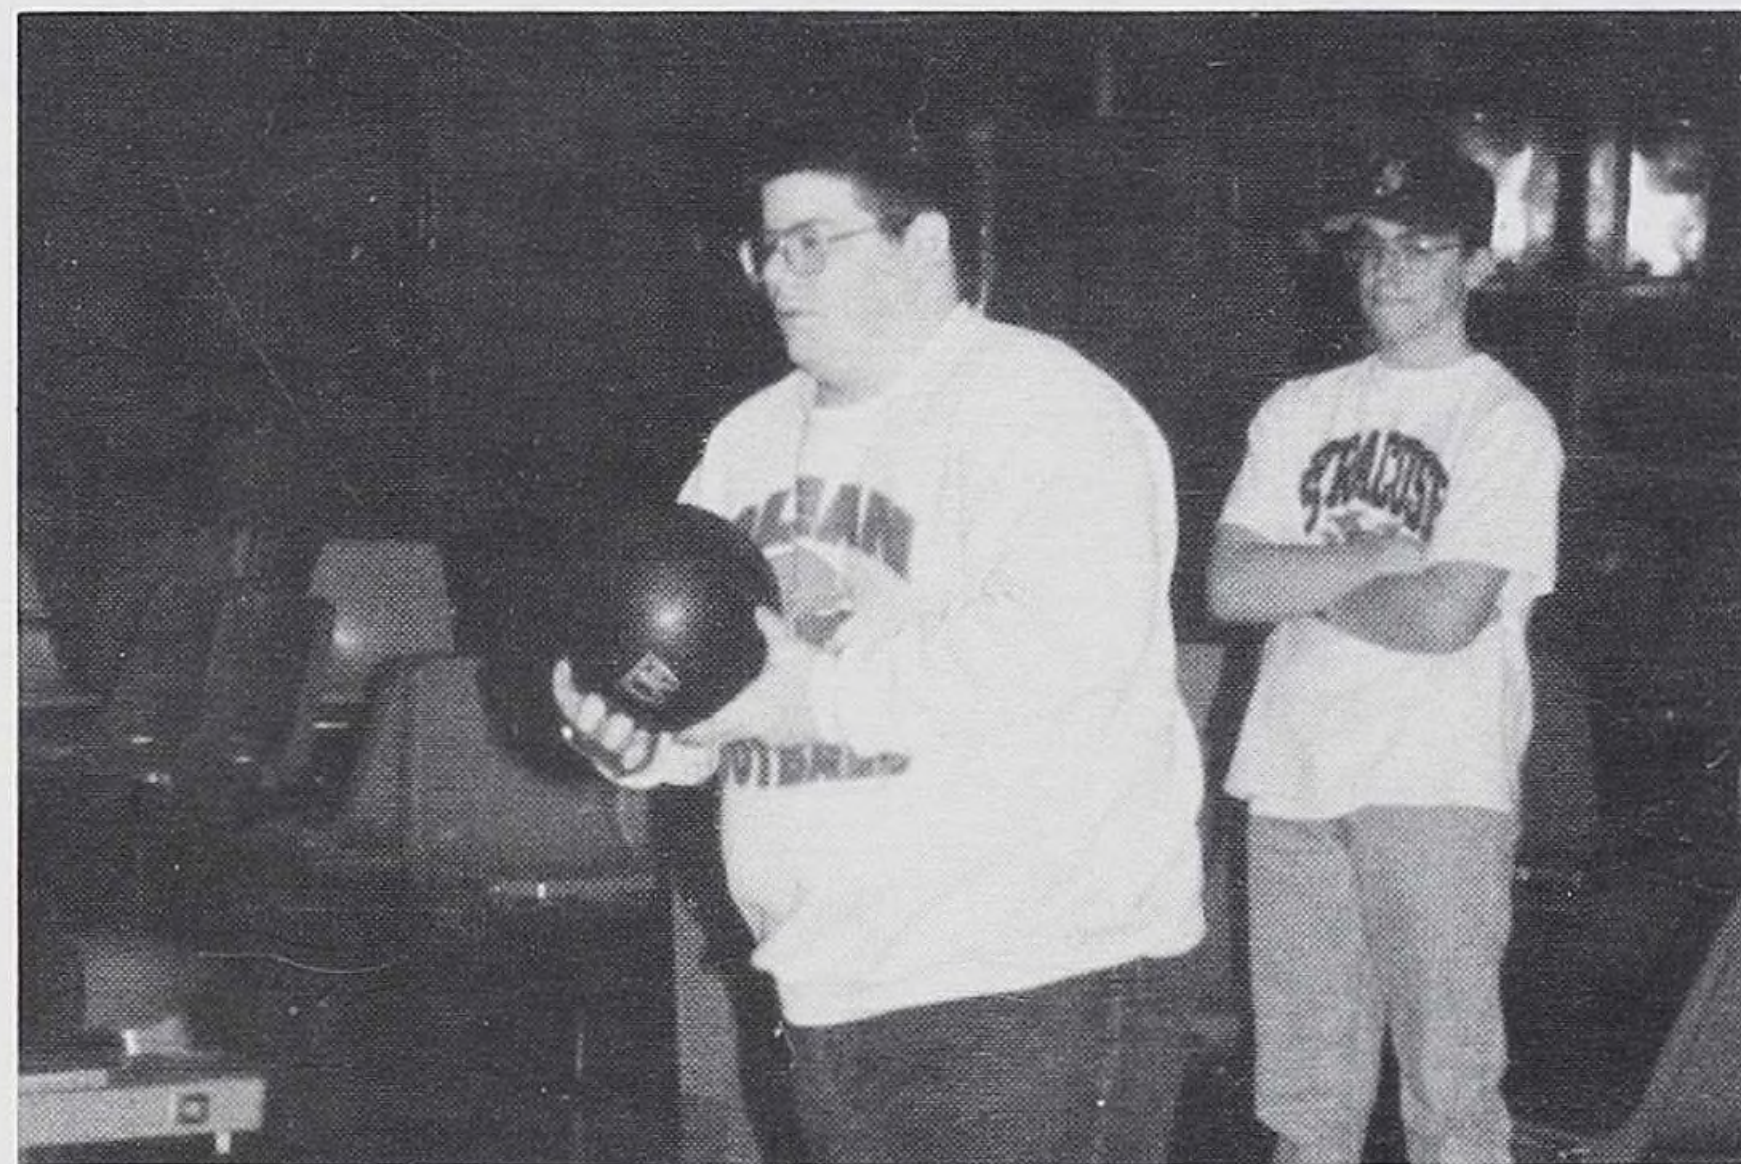

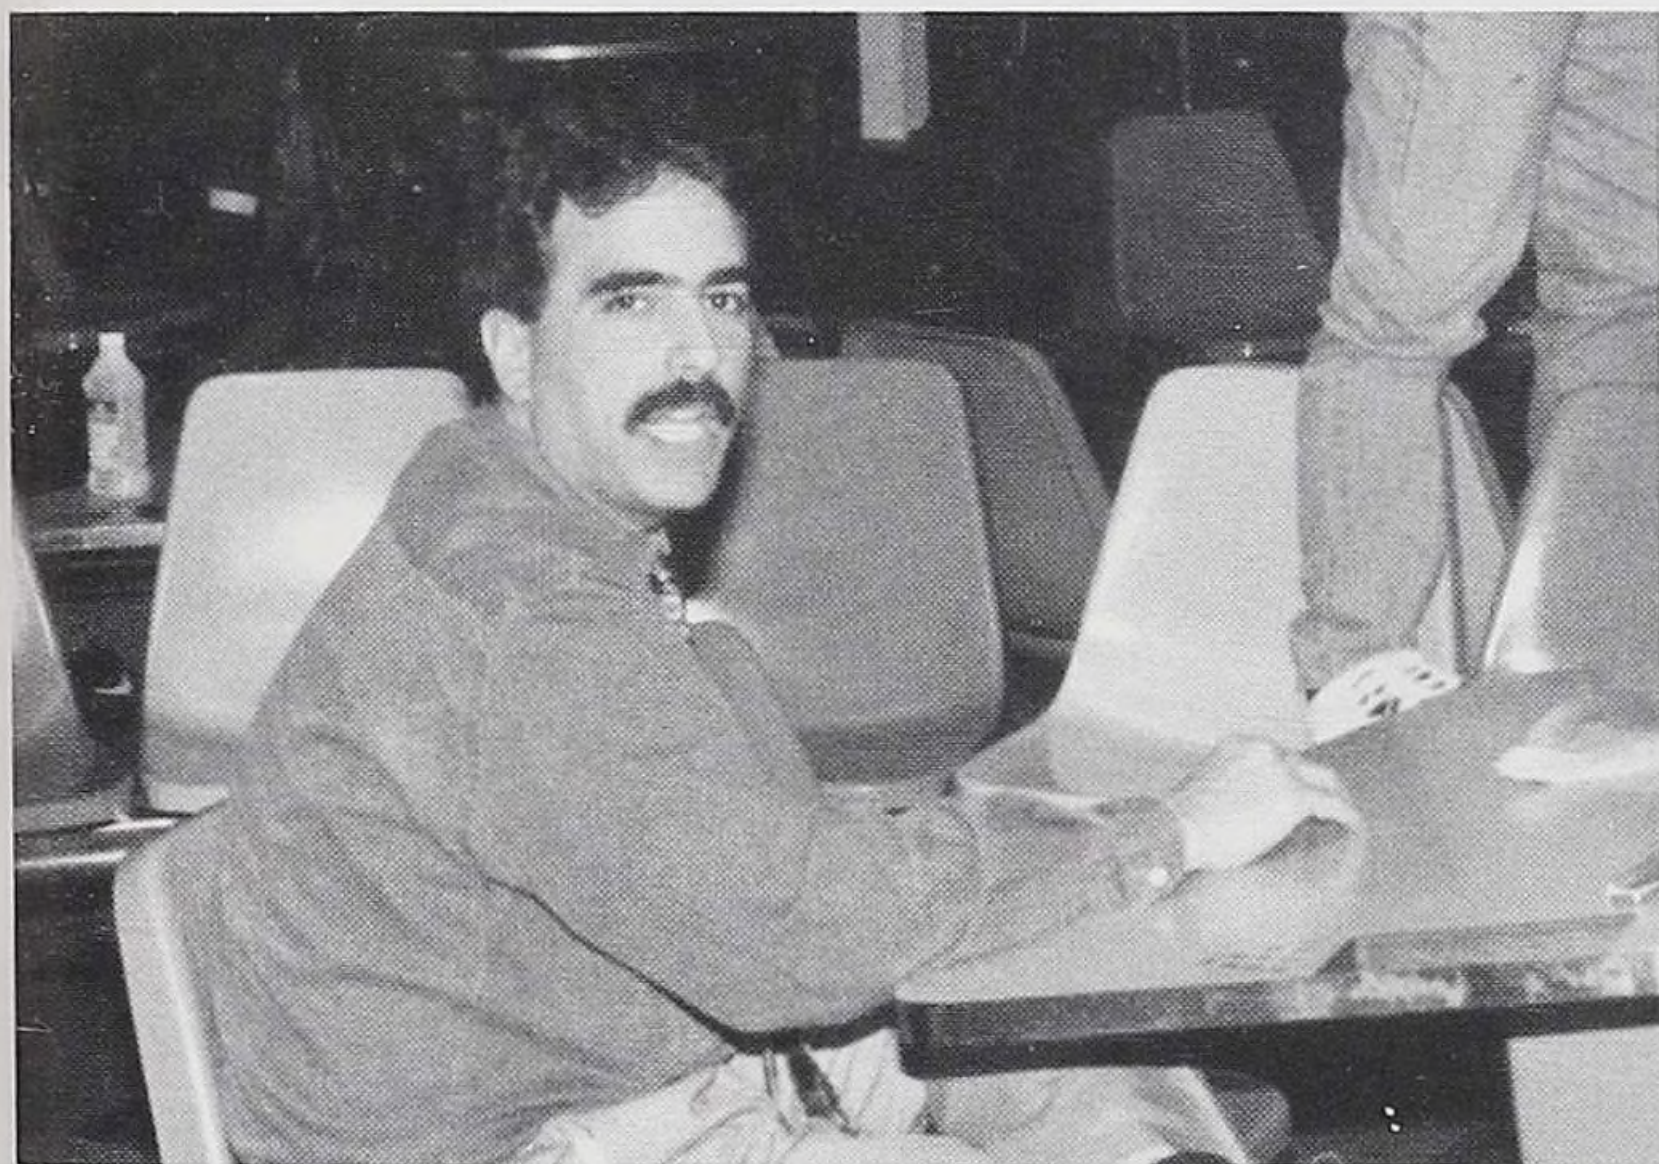

Pat Kuhn, Matt Tarr, Joe Yeager, Andy Niver, Rob Benjamin, Adam Jester

This year, the Olean Bowling Team went 24-4. They played every Saturday in January and February. This season was very successful for the bowlers. They placed 25th in sectionals.

In the seniors' four years on the team, they came in first place in the county twice. Their sophomore and junior years they were undefeated.

There were three exceptional seniors on the team: Matt Tarr, Andy Niver, And Rob Benjamin. Andy Niver has been on the team for five years and Rob Benjamin led the league with a high average of 185.

HUSKIES WIN AT RICH

Olean Huskies made it to Rich Stadium for the Class B2 Championship on November 5, 1994. Huskies played the Springville Griffins to win the Section VI Championship with a score of 19-6. The stands were filled with Huskie Spirit to cheer them on to a victory.

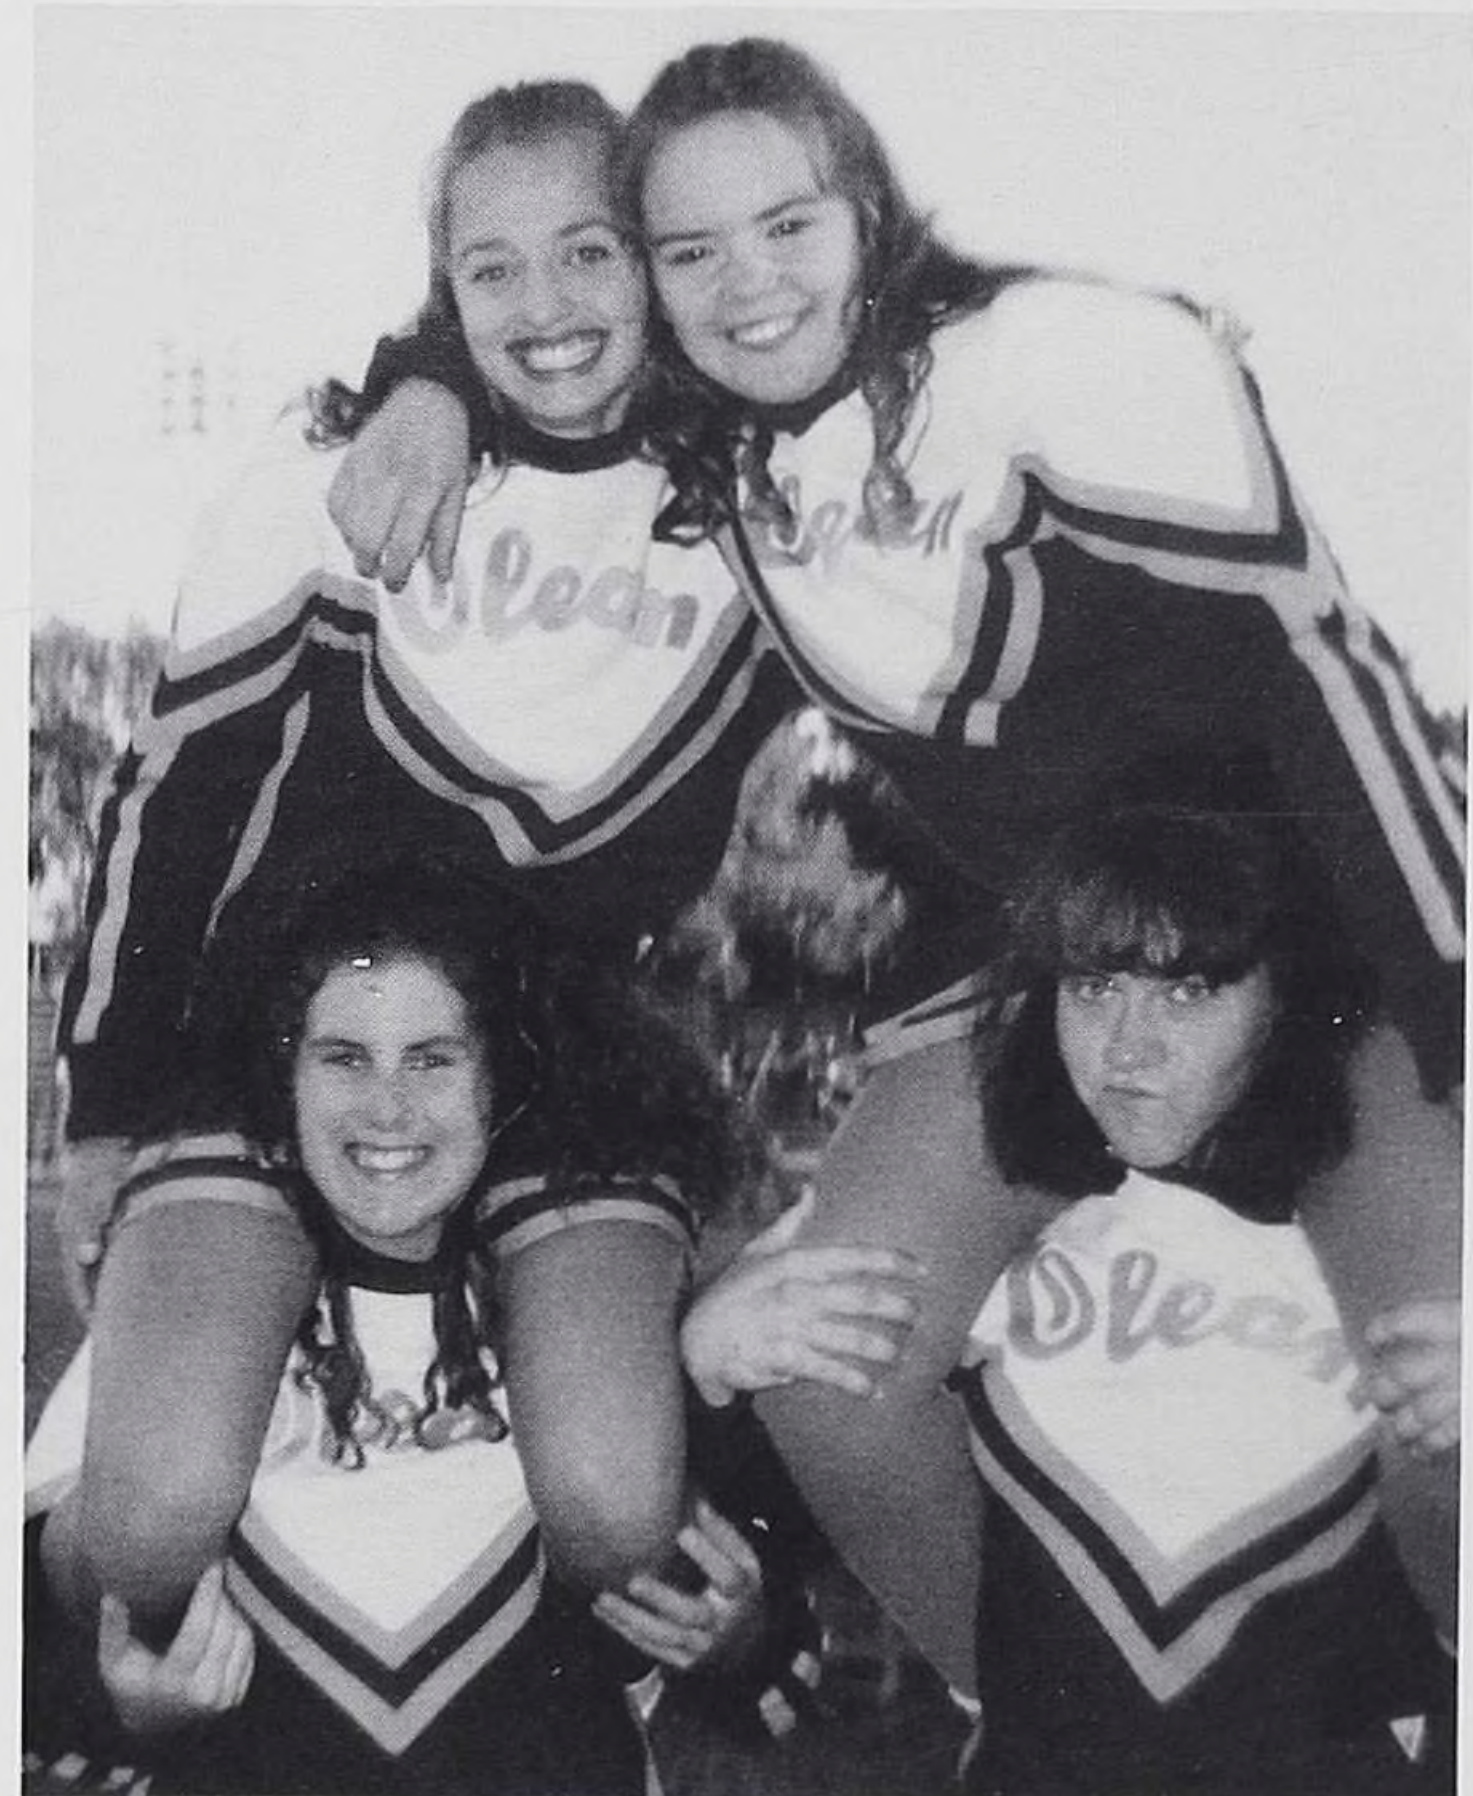

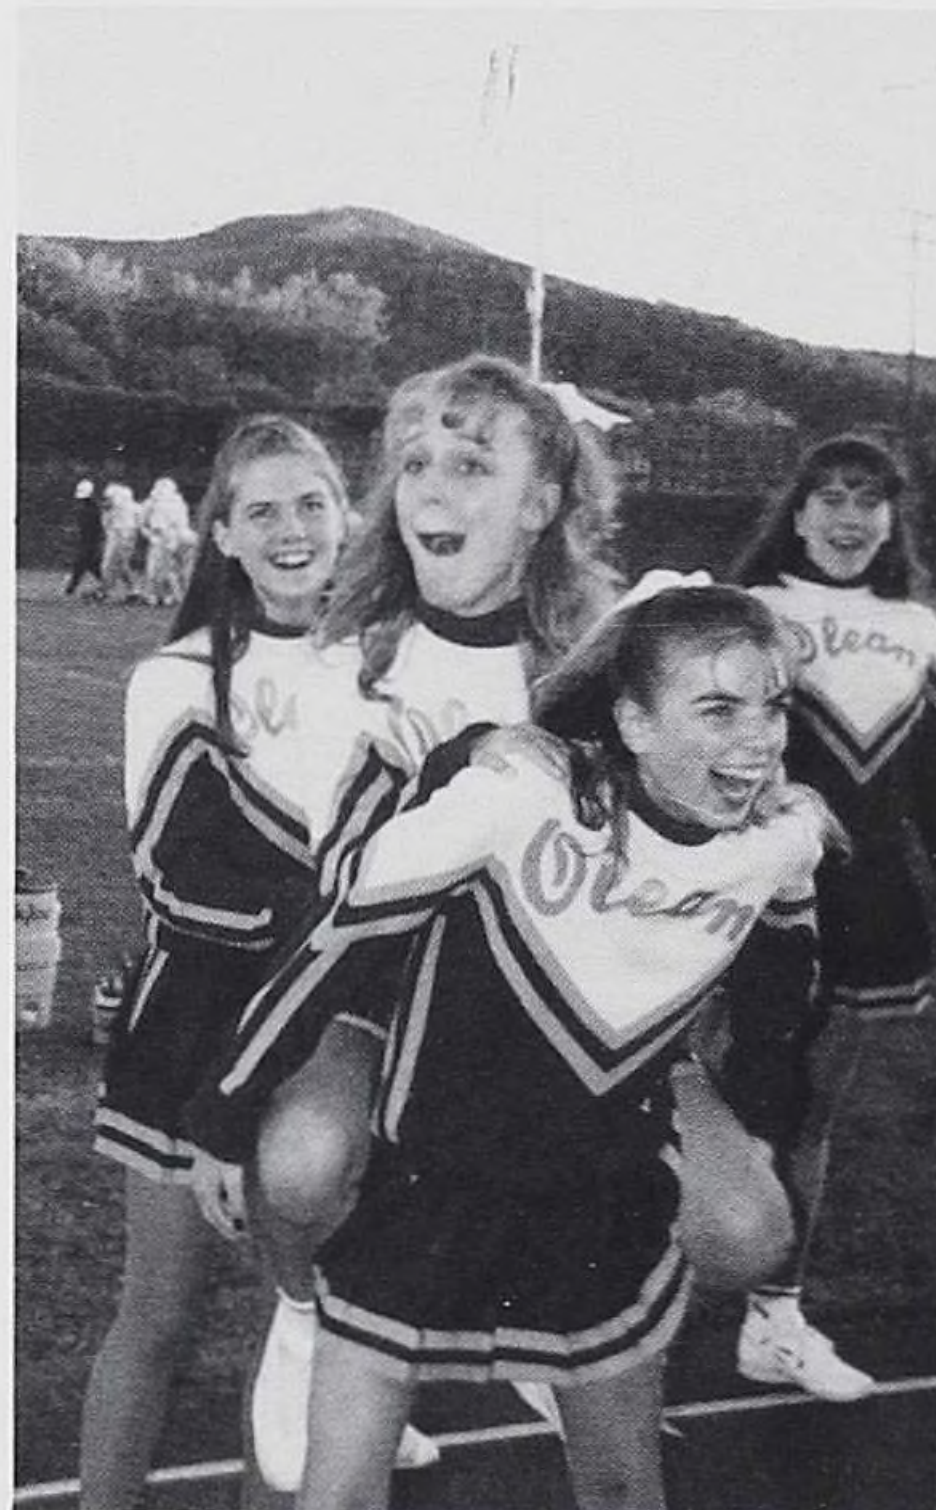

VARSITY CHEERLEADERS

from top to bottom: Jennifer Kwiatowski, Kelly Tincher, Jamie Auman, Jamie Schaffer, Stacey Schitlerle, Karen Shay, Carrienne Kimball, Kelly Capobianco, Pamela Barnes, Alysa Gayton, Tina Aiello, Andrea Mater, and Mary Ellen Burke.

This year the girls were invited to attend the Citrus Bowl over Christmas Vacation. They obtained this invitation at a Universal Cheerleading Camp over the summer. Starting practices in July and working through the summer vacation made these girls one of the top squads around the area.
