Olean High School

Amy,
I had a great
year with you. Don't
ever forget
your man.

Amy,
I hope you had
a great year, but
Freshman year, but
don't worry. It gets
better each
year. Track
was so wonderful.
I'm glad you
had such a good
season. Remember, smile
and say "I love Mr. Fye's
workouts!"

Amy, **Amy**
Even though you have an attitude
and are going to be like
Christina, you are cool.
Don't worry about the
problem it will turn
out alright. If it doesn't
call me (372-4961) you
can give me a try.
Still looking for
some southern
hospitality but
getting closer.

Lonnie Highby
is a
huge
faggit!

Peace,
~~Anthony~~ #97
P.S. you really didn't
like me you can
tell me now.

Amy,
Been a great

Meaghan

Amy,
Maybe next year, you

and jump 4'11" and

and I'll be a junior.

Amy, we had a lot of fun
this year. I hope that
you go out with Stan.
your friend
Erin Weitzel.

Amy,
Wow did this year go by

was fun, and so was chorus.
Remember the book that Aerial
showed us, YUCK, how gross huh?

Have fun in the sun, if we ever get
some sun. Call me 3-0128 maybe we
could do something. YF

Amy,
It's been a great track season.
Always remember Sunburn Sat. (Pentathlon)
You'll have to keep an eye out for
Damber for me, she's a wild one. I hope
you have a great 3 yrs. of high school
still, even though I'm going to be
in Boston. Have a great summer.
Dale Hausman

5/23/96
Amy,
Had a great year
in Band and Orchestra.

flirting with Gary.
Keep Smiling!
Kris (11)

Amy,
10 days (not gay) of
School left. That's awes
This year was shit but
it didn't go by as fast as I
hoped it would but then again
that's School for ya. It's never
good times and times when I bragged so
much or was so stuck on myself that you
could have killed me. Sorry about being such a
bitch sometimes. Just realized your one of my
closest buds. We have to hang out outside of School more
though. I think my god damn arm is going to
All Summer long. Well I think my god damn arm is going to
Fall off. Sorry this sucked. Never forget death cry and Lambert. Don't
forget my perverted stories and nude checked condoms, and the delivery say
P.S. Don't forget wild

Homeless Huskie Night

Three adults and 63 students participated in this year's 3rd annual Homeless Huskie Night. The number of students who took part was more than last year's number. The participants exceeded their fund raising goal of \$1,500 accumulating the total over \$2,500. On Thursday, November 9, volunteers found out how uncomfortable it was living in a box. Temperatures dropped down in the low 20's.

The event was very successful due to the encouragement of each participant to raise at least \$20. Also, SAC officers Katie Smith, Selena Crandall, Danielle Certo, Jessica Paar, and Cara Dupre' collected many contributions from area businesses and industries. The profits collected went to area shelters the Warming House, Genesis House, and Salvation Army.

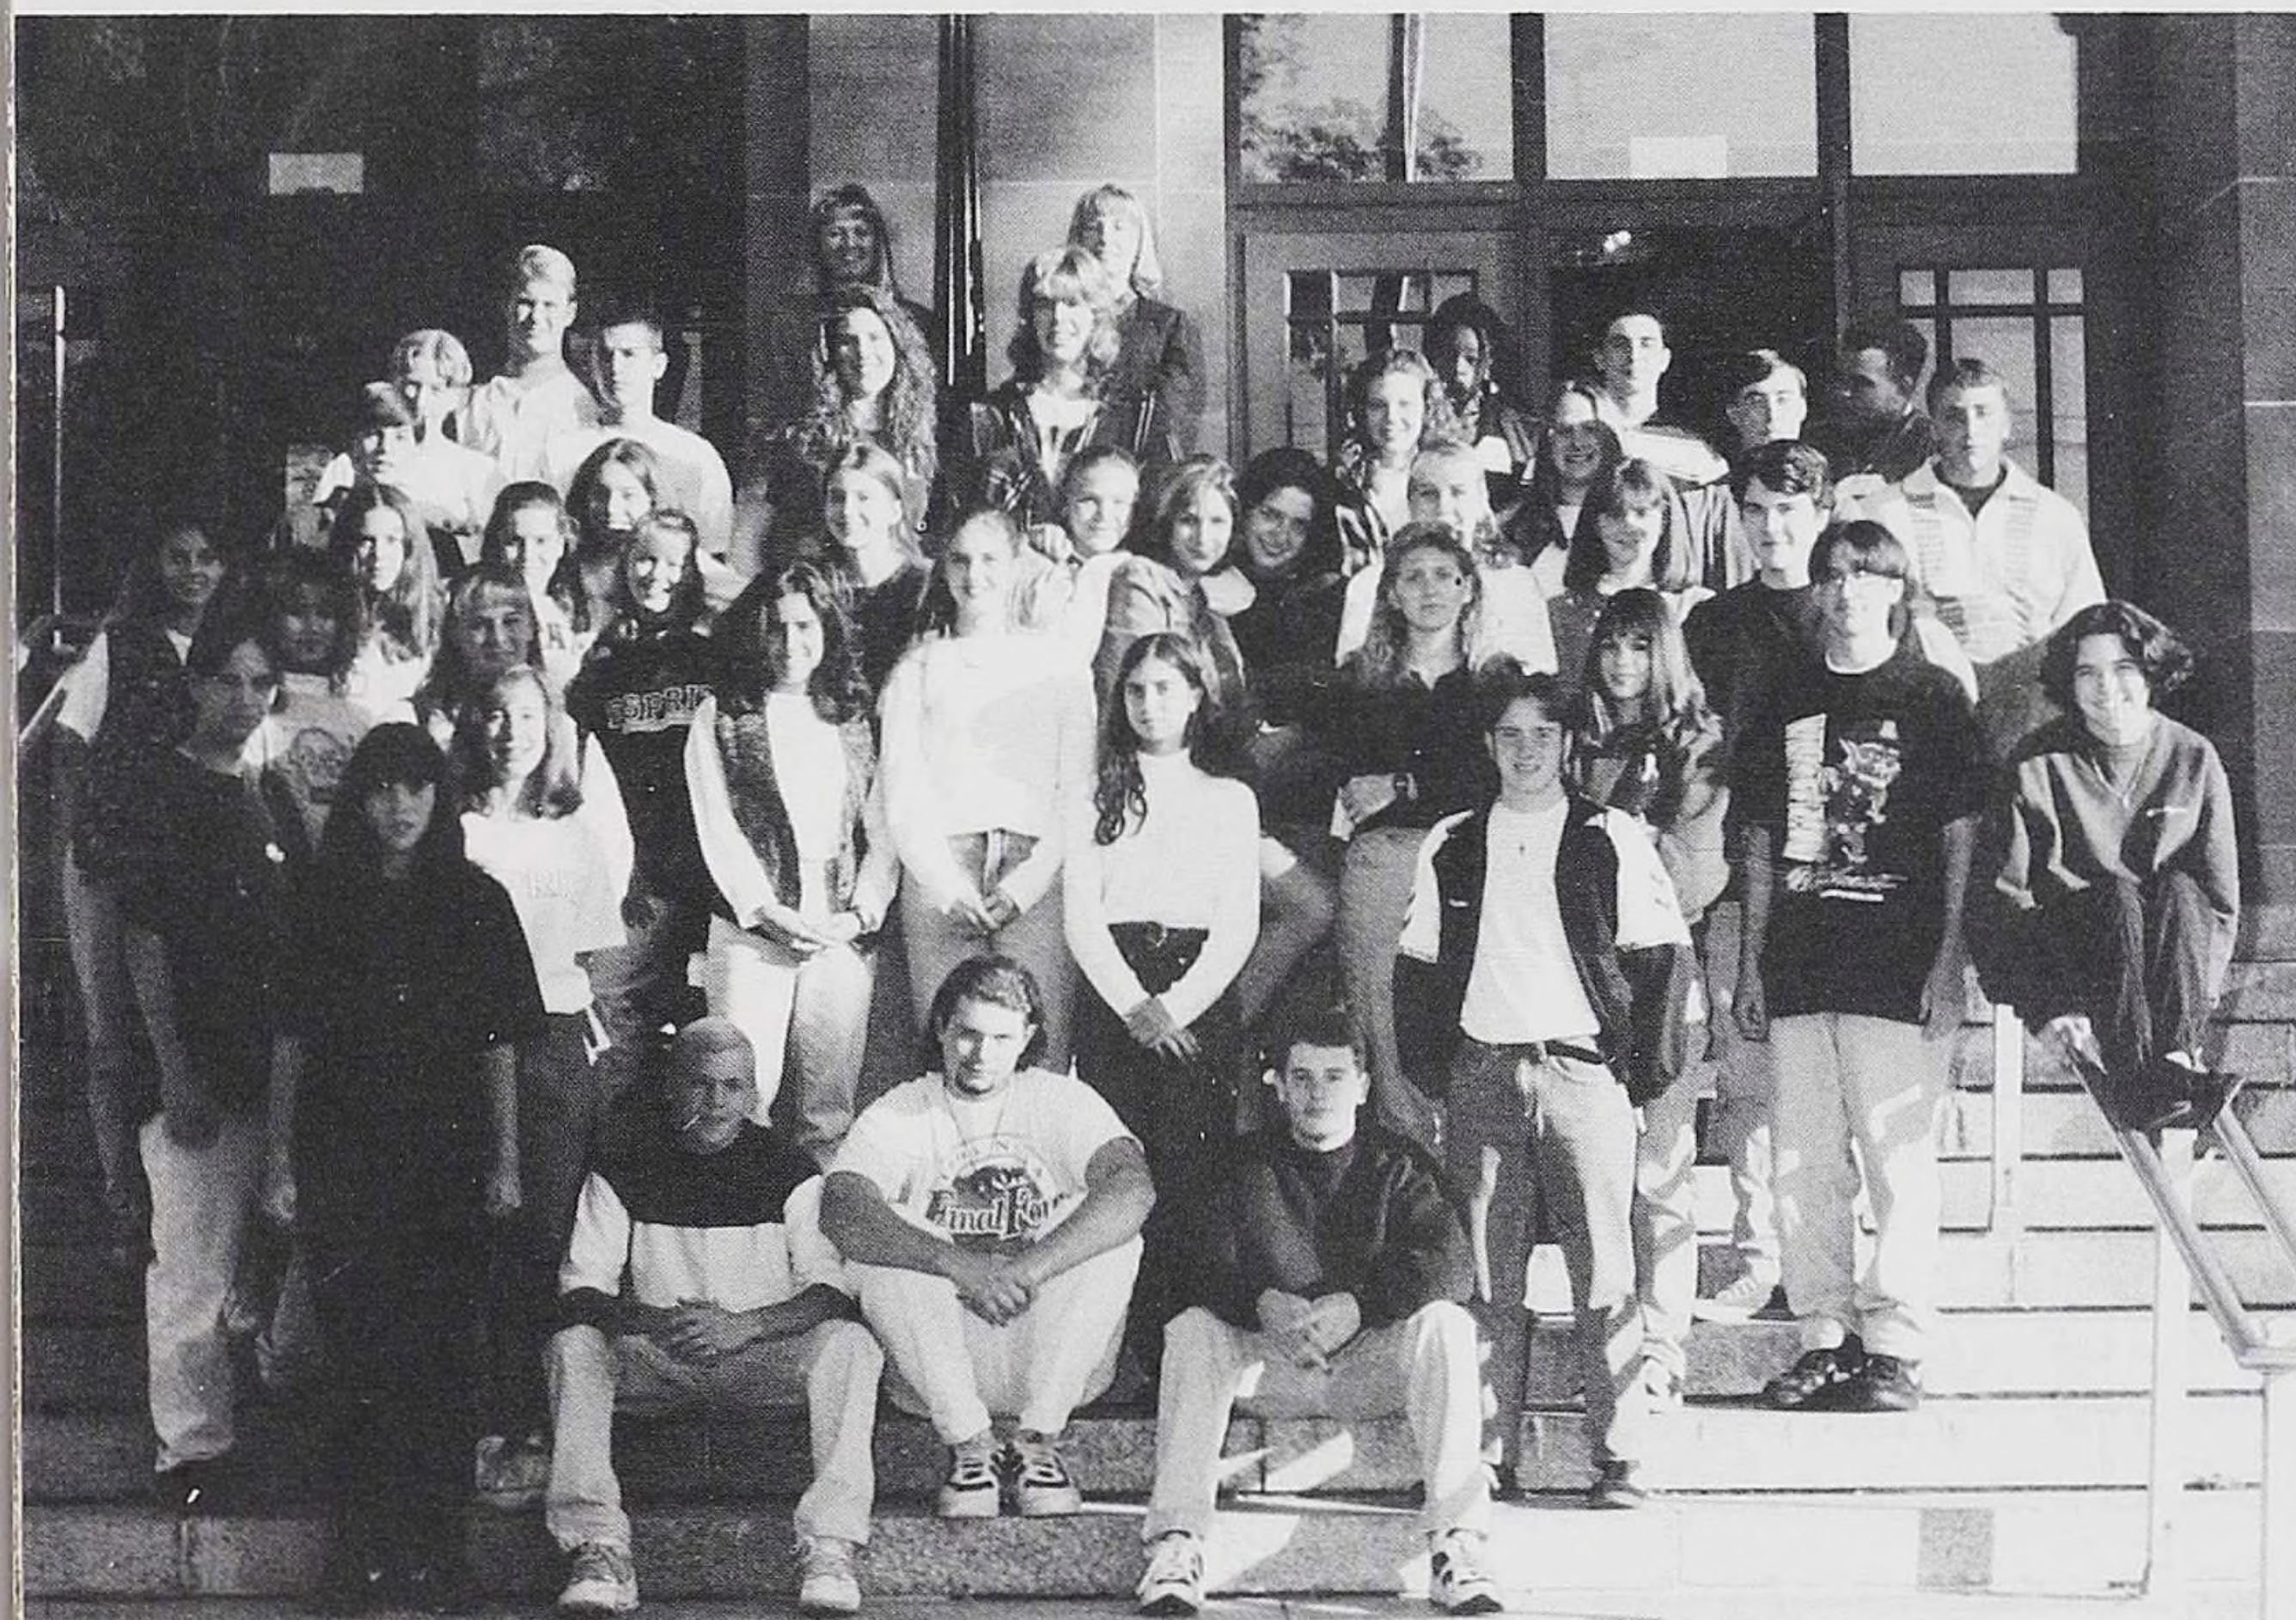

Principals Advisory Board

The Principals Advisory Board was started this year in an effort by our new principal, Mrs. Lias, to allow students to identify their problems and work them out with the help of the administration. Students on the board sit down with Mrs. Lias and discuss current problems in and out of school. They will try to work together in order to find solutions to all problems and they will try to make our school better for students and faculty in future years.

Homecoming Activities

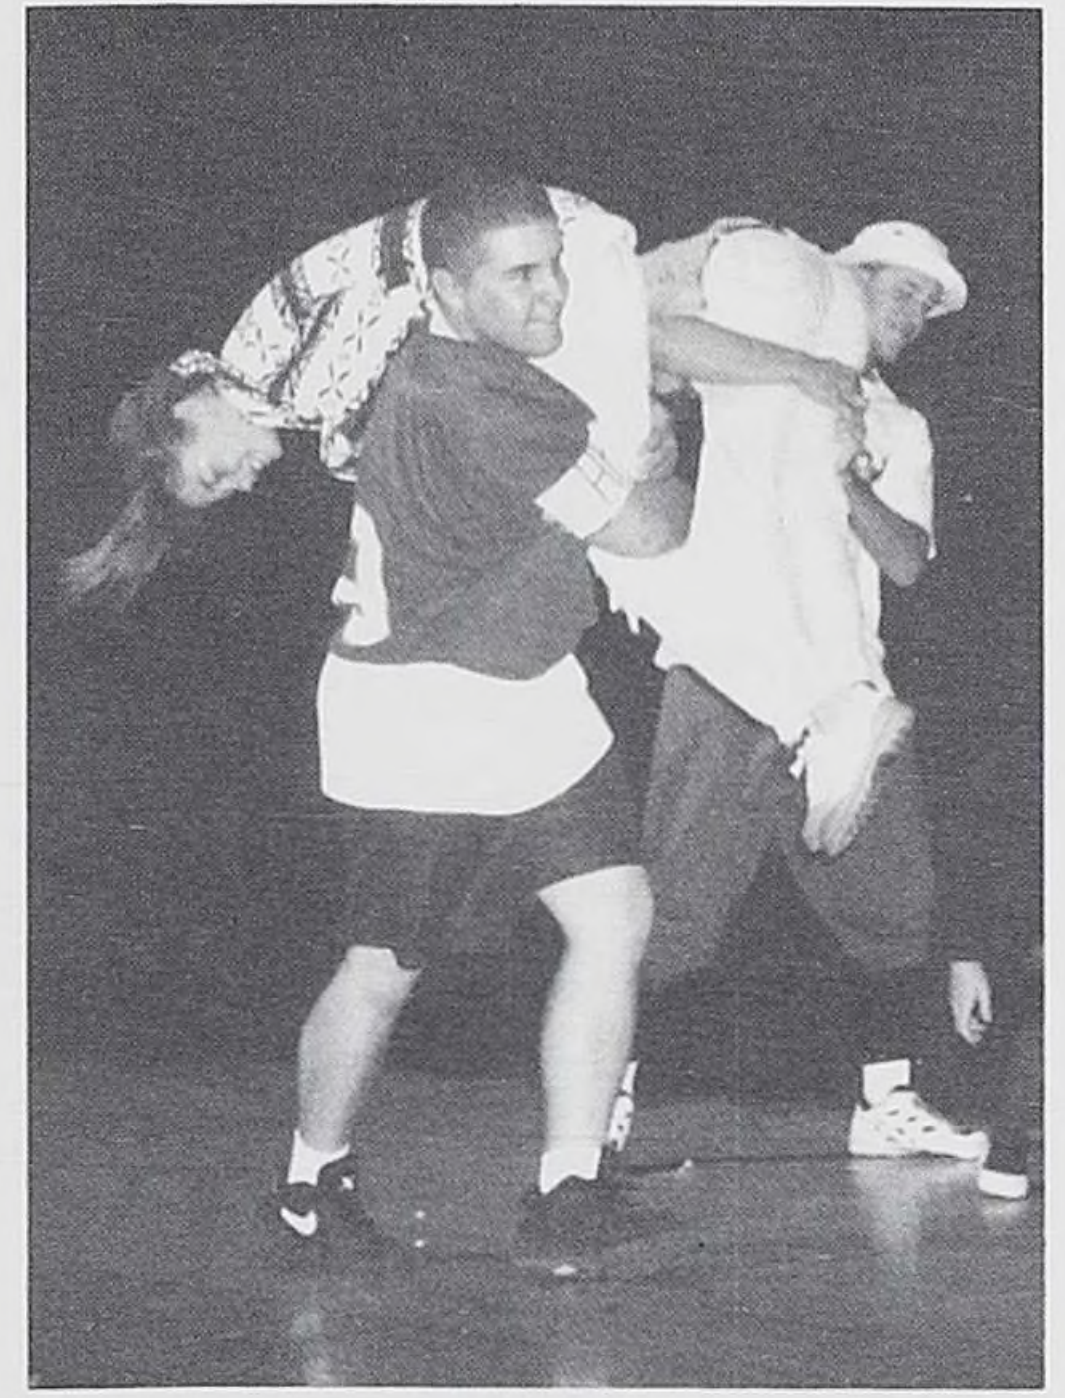

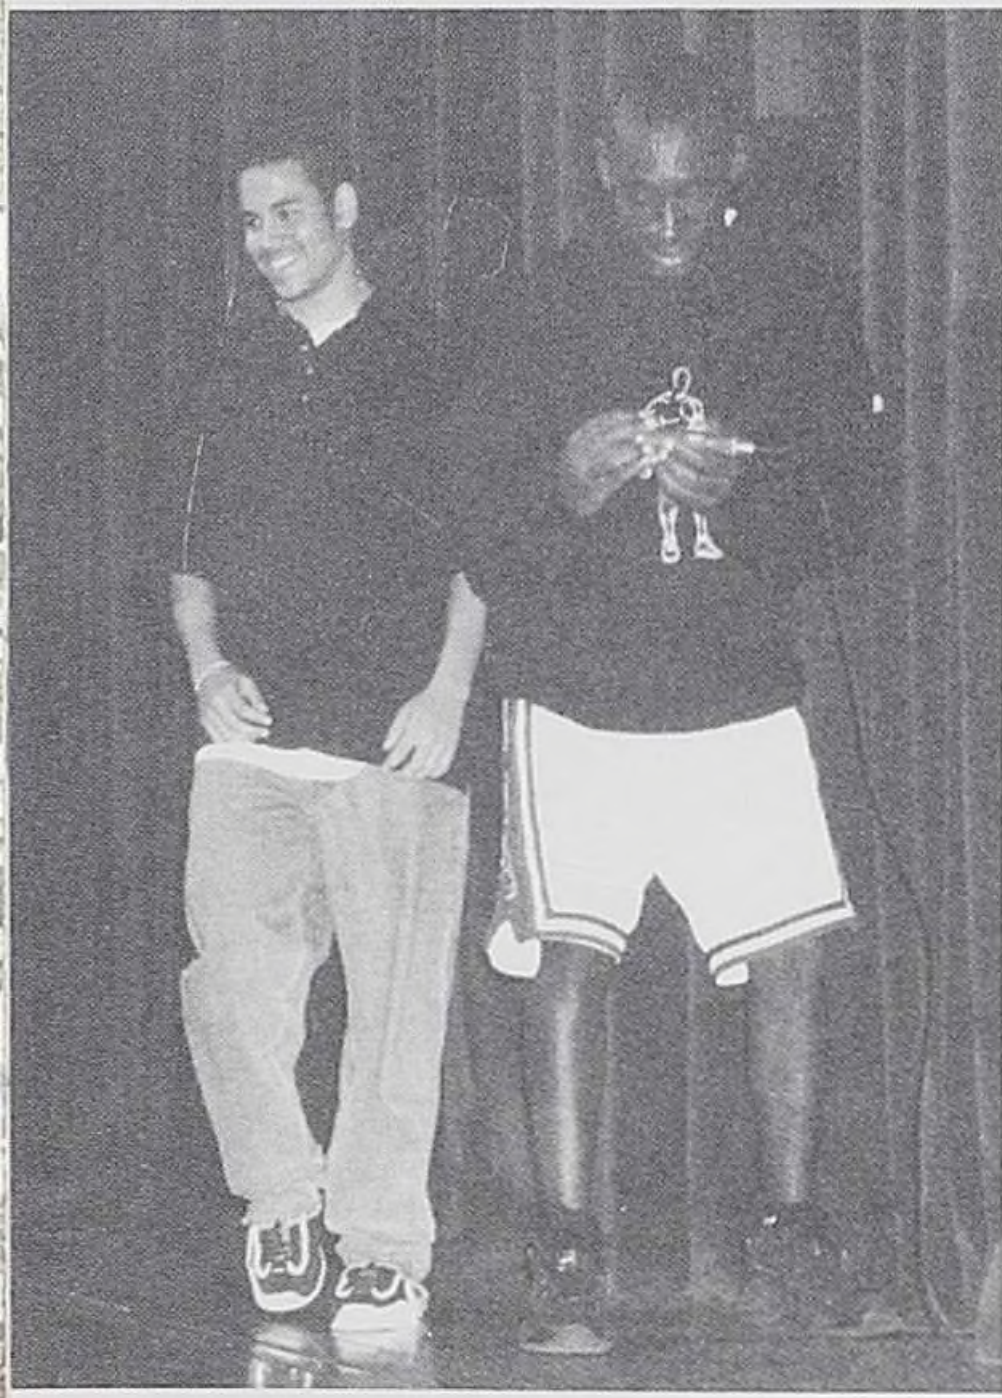

At this year's Homecoming parade the seniors greatly improved by receiving second place in the float competition. The juniors were awarded first, sophomores finished last and the freshman took a modest third place. Throughout the week various activities went on, pictured below is some of what happened. Bottom Left to Right: Juniors' won with their Sesame Street wall decorations, Carianne, Jamie, Kelly, and Tina all dressed up in their Disney attire, Steve Estes and Eric Hoffman competing in volleyball during class competitions held the week before, and the OHS Marching Band gets ready to lead the parade.

Youth Court is a program organized by the Olean Youth Bureau and run by high school students. This program is designed to try criminal cases of youth ages 7 to 15 by students. Each member of youth court is put through a training process and given a test to qualify in order to become a member. The training process teaches students about the judicial system and allows them to become more familiar with what events actually take place in a court of law. After this when a case becomes available to youth court each member is given a job of Judge, side judge, prosecutor, defense, or clerk and the case is tried. What is done in court is confidential and one hundred percent legal! This program allows youth a second chance to change things for the better and gives member the opportunity to help make a positive affect on mis-guided children.

Thanks to the following: Teachers' Association, the Ancient Order of Hibernians, Olean BOCES, Olean Wholesale, Stroehmann Bakeries, Theatre Workshop, McDonalds, JCC Faculty/Staff, and Olean City School District Board of Education and staff.

Winter Weekend

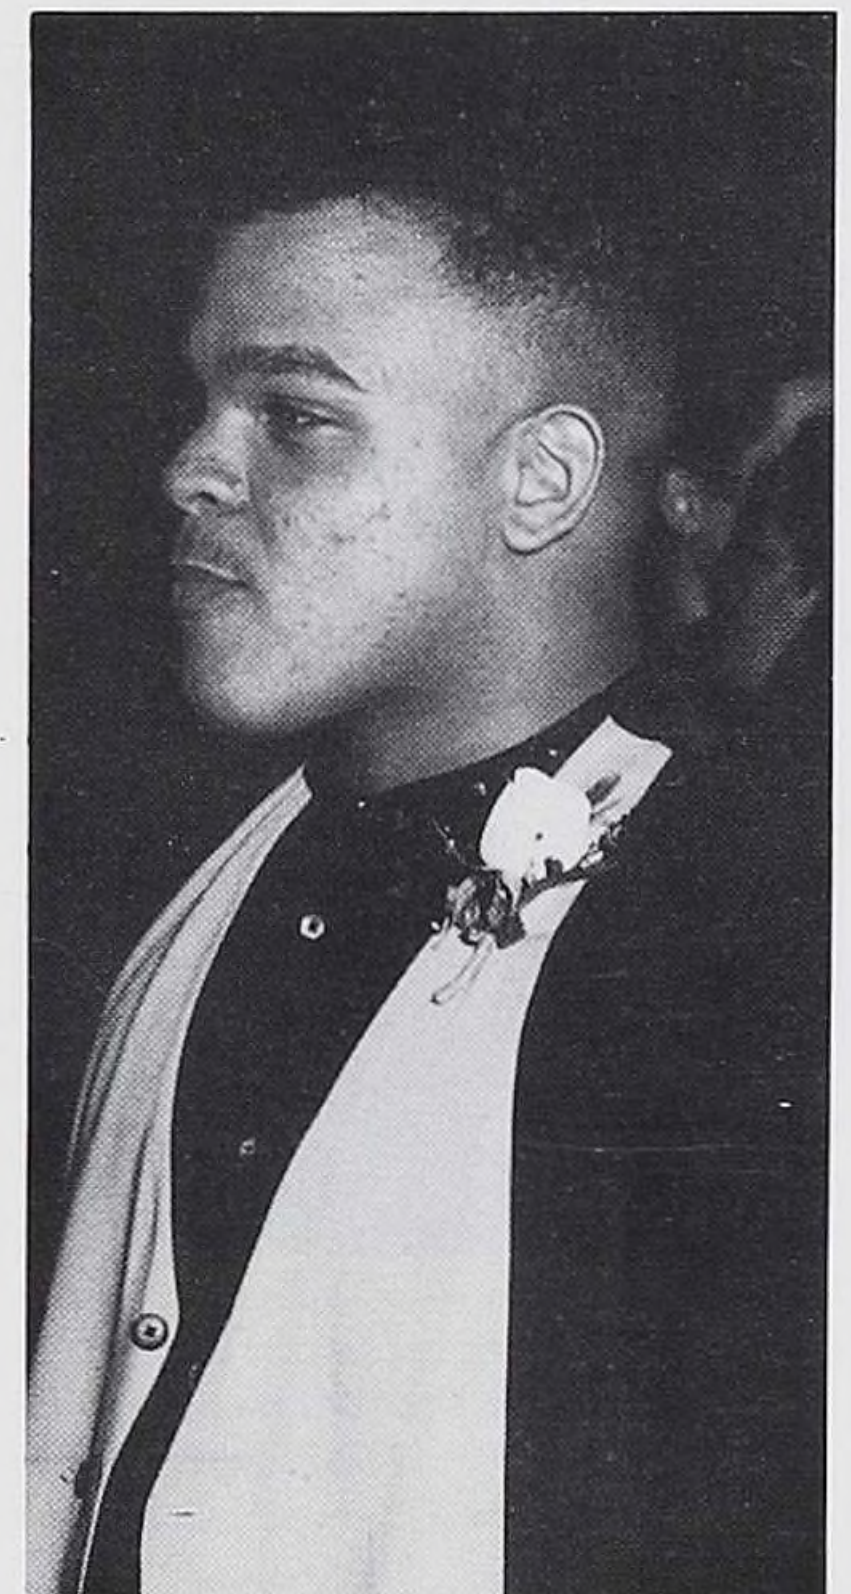

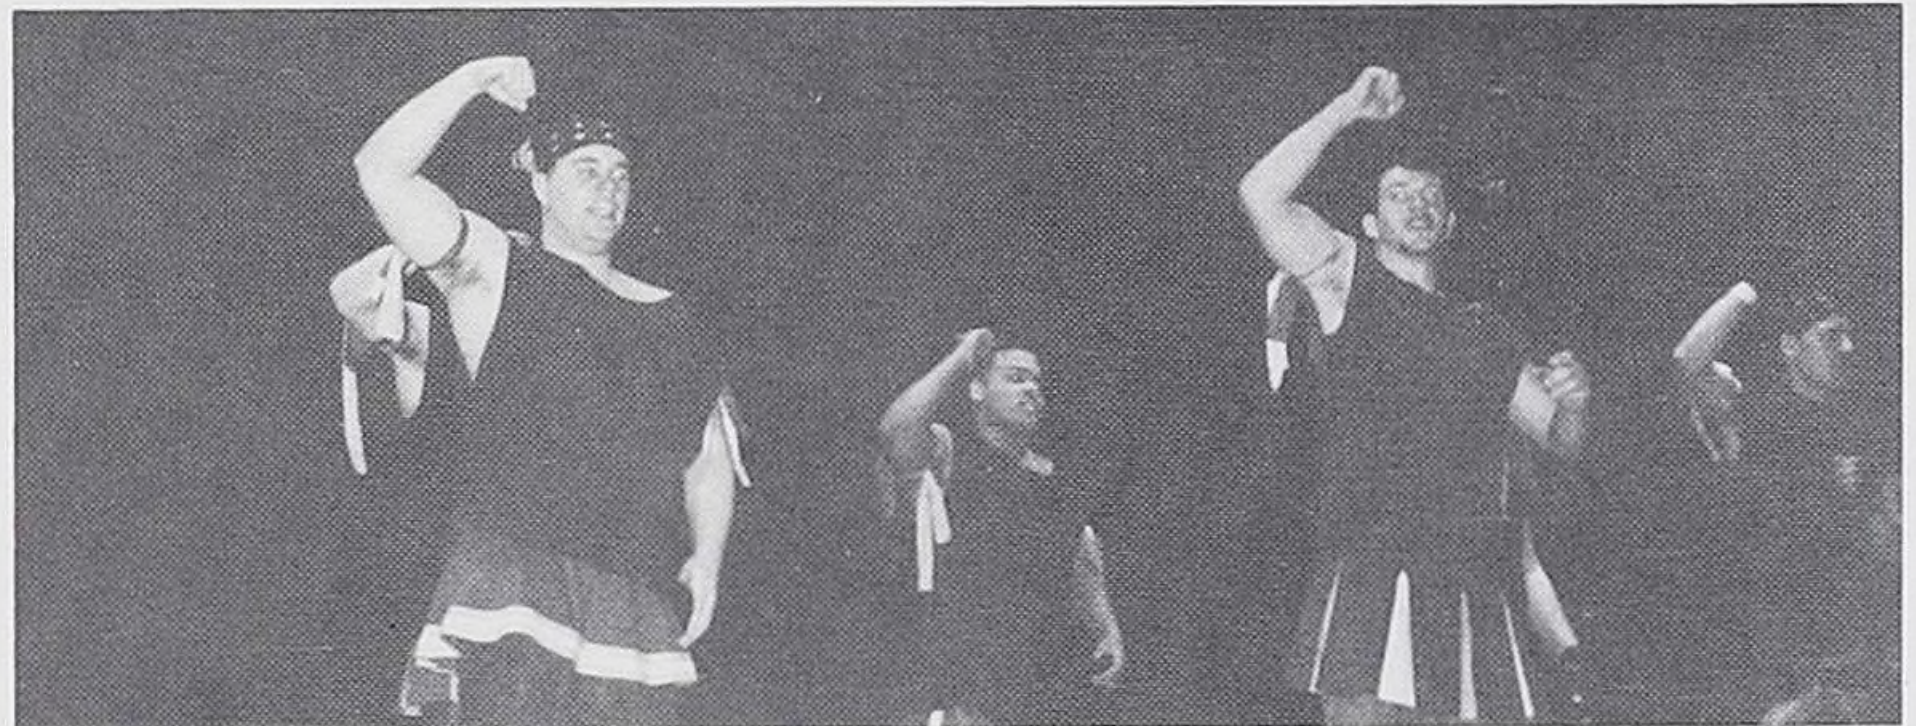

little free promotion for the Coffee Cup by Mike, Greg, Steve, and an.

The Winter Weekend activities this year had an added twist with the SAC sponsored class competition. The homeroom teachers keep a tally of the number of students that participated in the daily activities. The seniors had the most participation with the sophomores coming in second, the freshman coming in third, and the juniors took last place. The activities were as follows:

Monday: Tie-dye day
Tuesday: Mis-match day
Wednesday: Hat day
Thursday: Beach day
Friday: Red and Gold day

This year's Winter Weekend skits were not all that they could have been but with the short amount of time that the seniors had the few skits that they had were "interesting." The skits that needed that extra bit of humor got it from Jesse Turner, Aaron Backhaus and their sign that said "Please- laugh-!" Once again the Powder Puffs were the hit of the assembly with their routine done to mortal combat. The assembly was capped off with the announcement of the court. The dance on Saturday night was a success, and went off without any disturbances.

This year's Varsity Wrestling team was a nice mixture of underclassmen. The team went through a variety of highs and lows during a tough schedule. High points for the season were CJ Collins, Shane Simpson, Eric Hoffman, and Andrew Fidurko qualifying for Sectionals. Hoffman did the best by placing sixth.

Front (L-R): Dana Batesky, Dominic Tuoczso, Eric Chaffee, Mark Reynolds, CJ Collins, Shane Simpson, **Back (L-R):** Coach Jim Myers, Nate Faulkner, Nate Baker, Matt Stanford, Andrew Fidurko, Eric Hoffman, Howie Balaban, Shaun App, Coach Ron Shoup

Eric Hoffman crushes the competition.

Shane Simpson ousts the opposition.

Butterflies

"Butterflies"

In January, Mr. John MacRoy came to Olean High School and presented his program on Butterflies. His audience consisted of the BOCES classes of Mr. Lee, Mr. Izydorcyk, Miss Canzaneri, and Mrs. Stebbins. The program covered the curriculum areas of Science and Social Studies.

When the students first entered the room, they viewed a collection of butterflies from around the world. The approximately five thousand butterflies were caught by Mr. MacRoy himself. The variety as well as the beauty of the collection captivated both the students and teachers.

Mr. MacRoy gave a slide presentation of his travels to such continents as South America, Africa, and others. He showed pictures of areas such as jungles, etc., where he caught his butterflies in the various countries. He even showed pictures of himself posing with actual tribes deep in the heart of the Amazon.

His presentation also included a demonstration of how he catches butterflies, how to construct your own net, and the process of how to kill, pin, and dry out the butterflies before placing them in the display case.

The entire program was enjoyed by all. Mr. MacRoy continues to present his program in numerous schools throughout the area.

Your Page

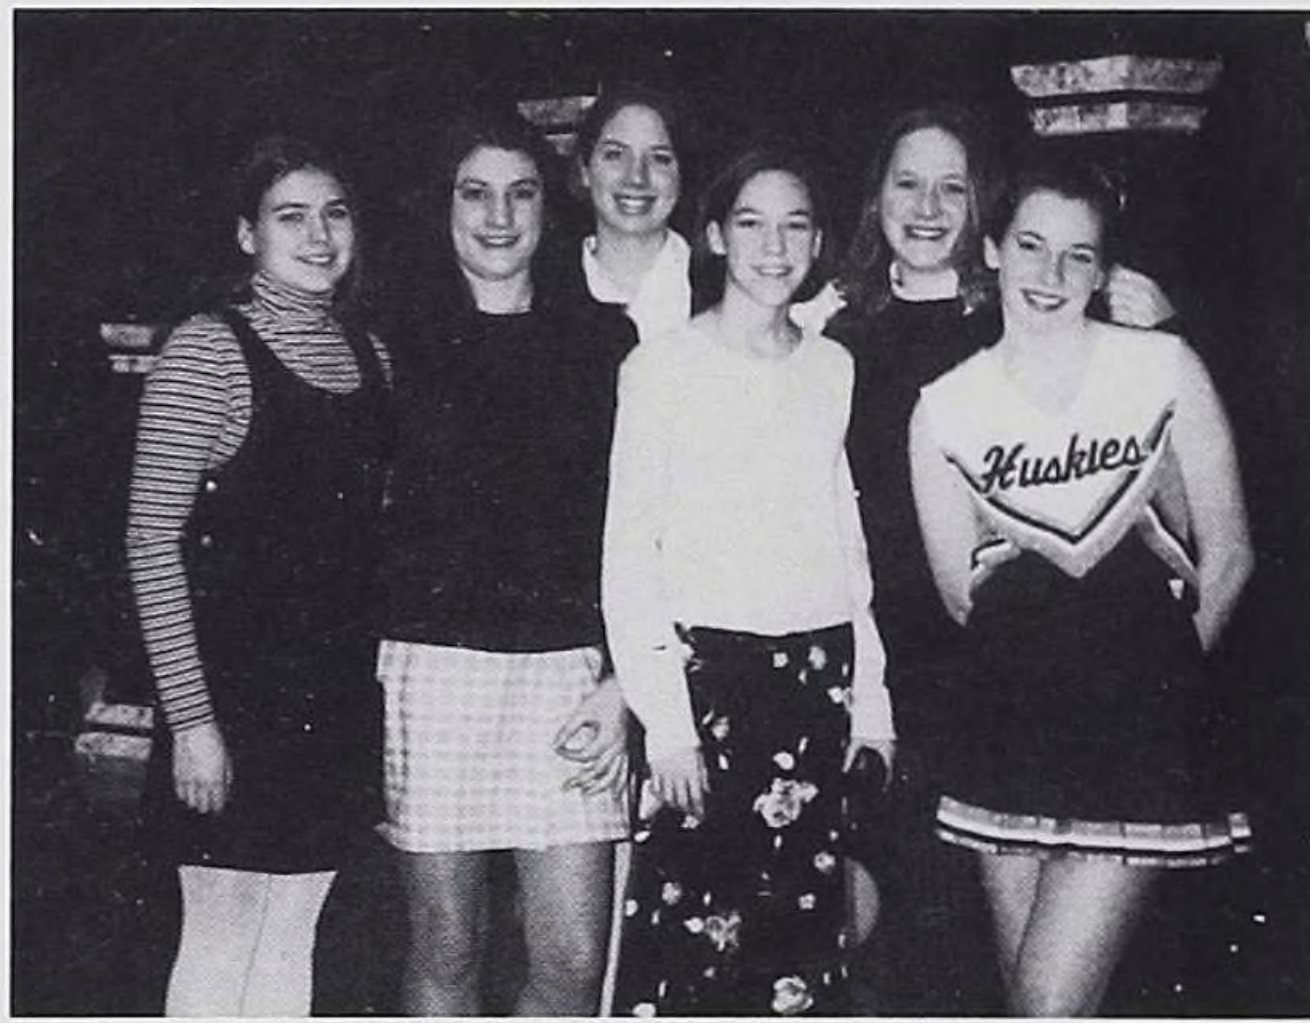

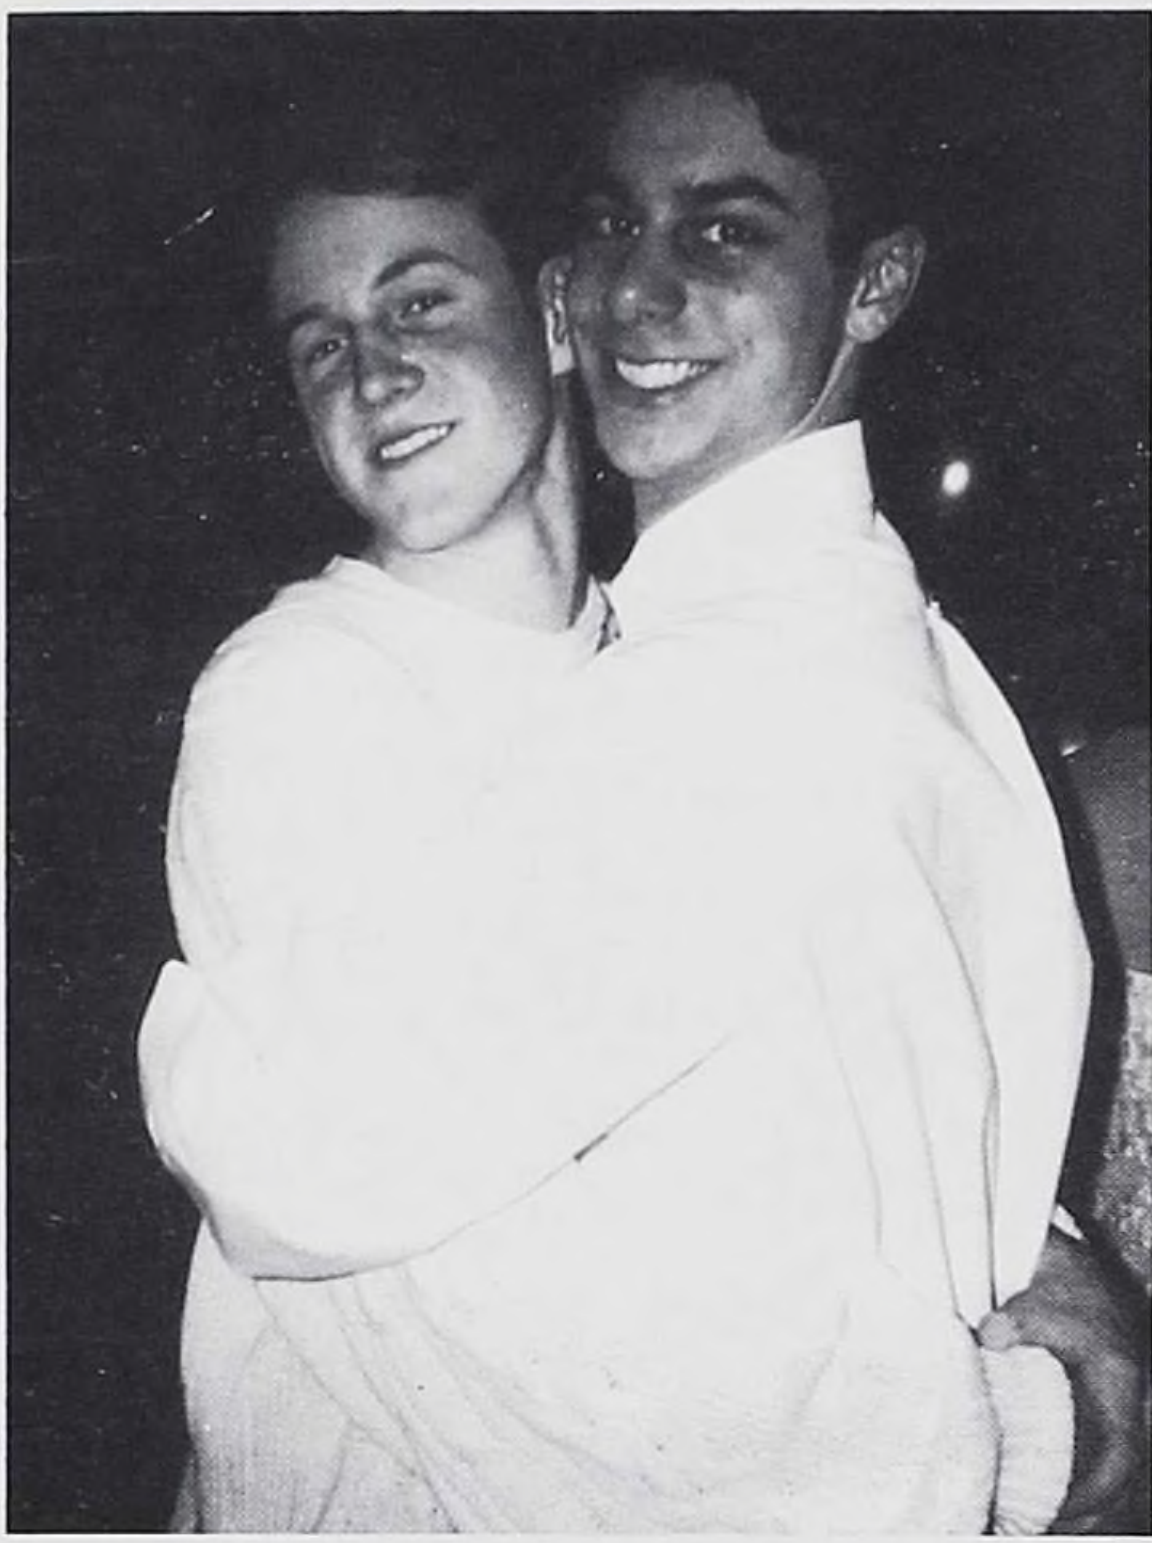

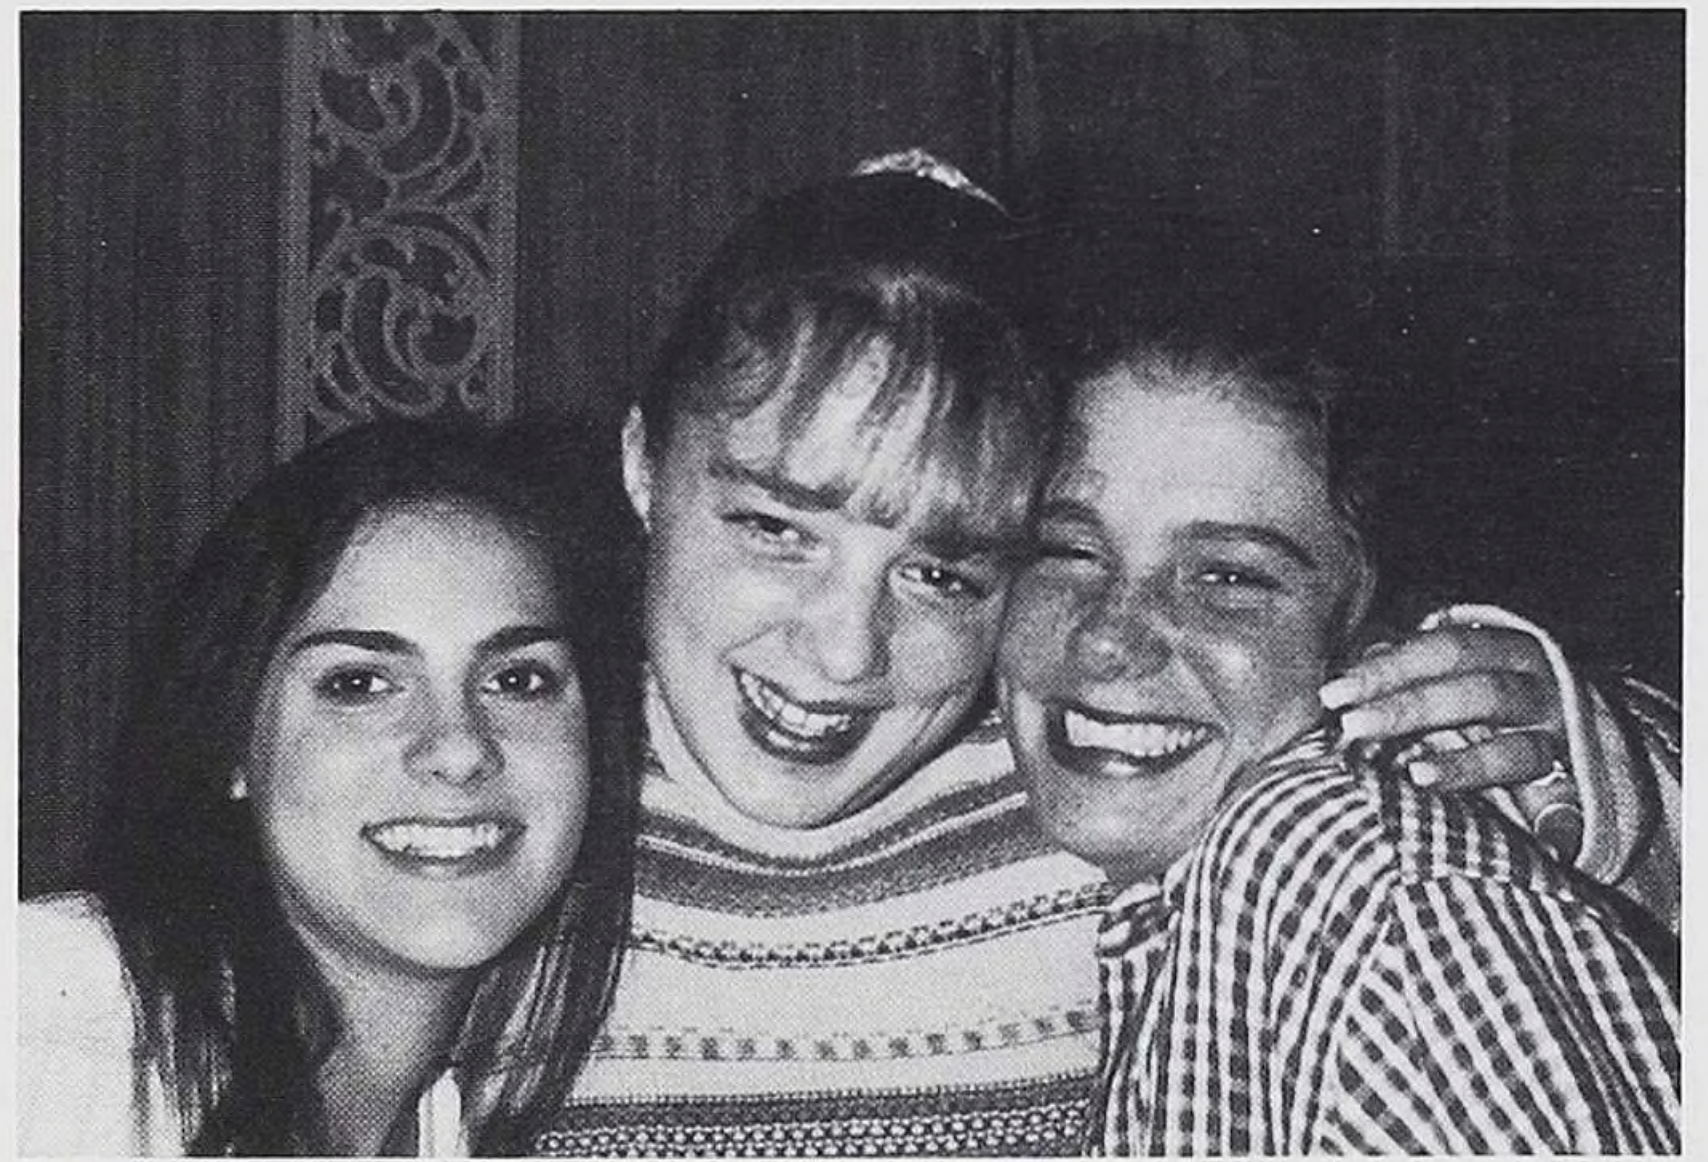

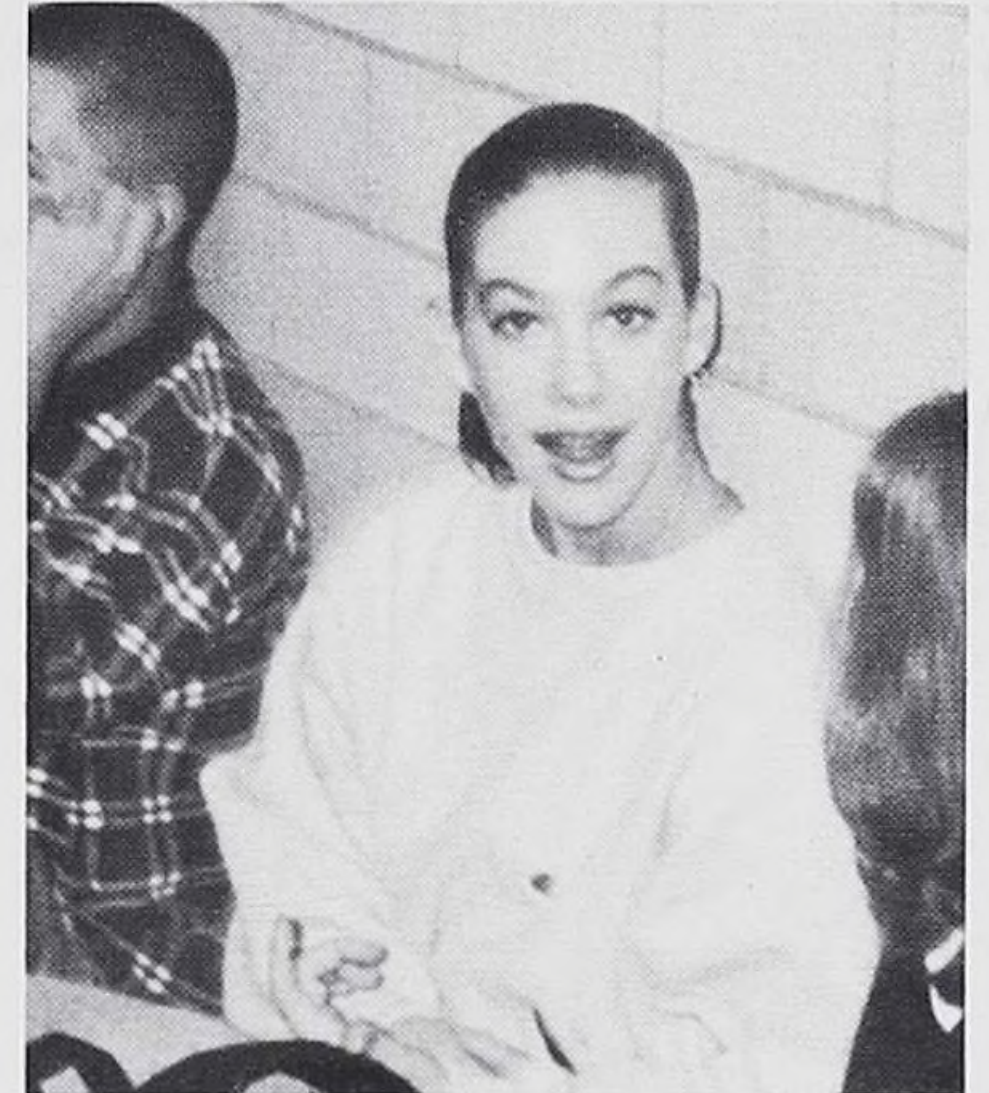

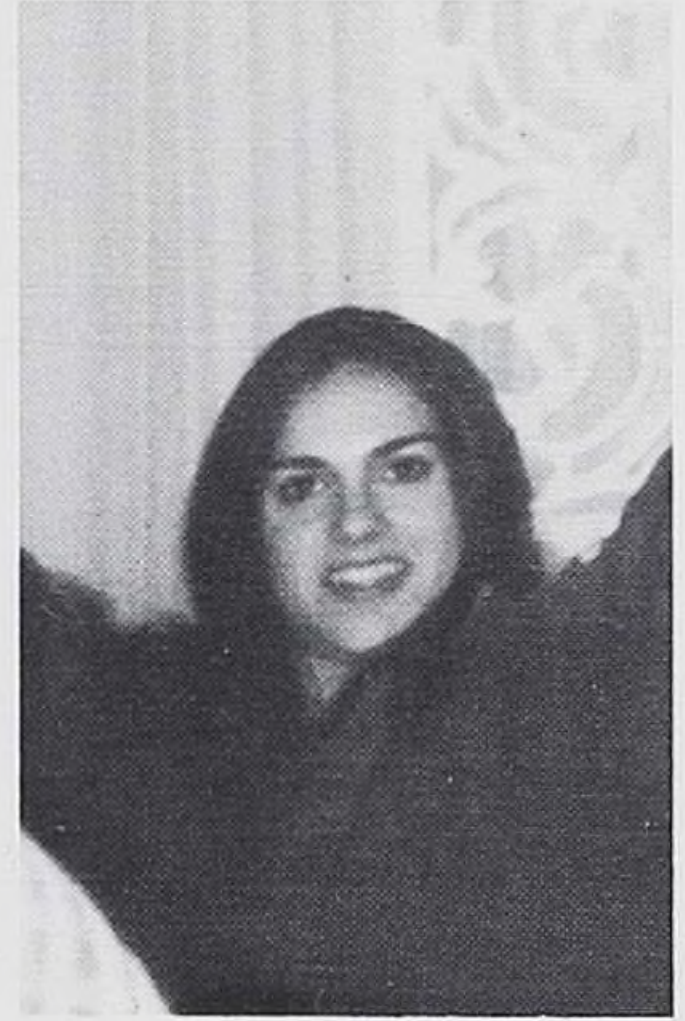

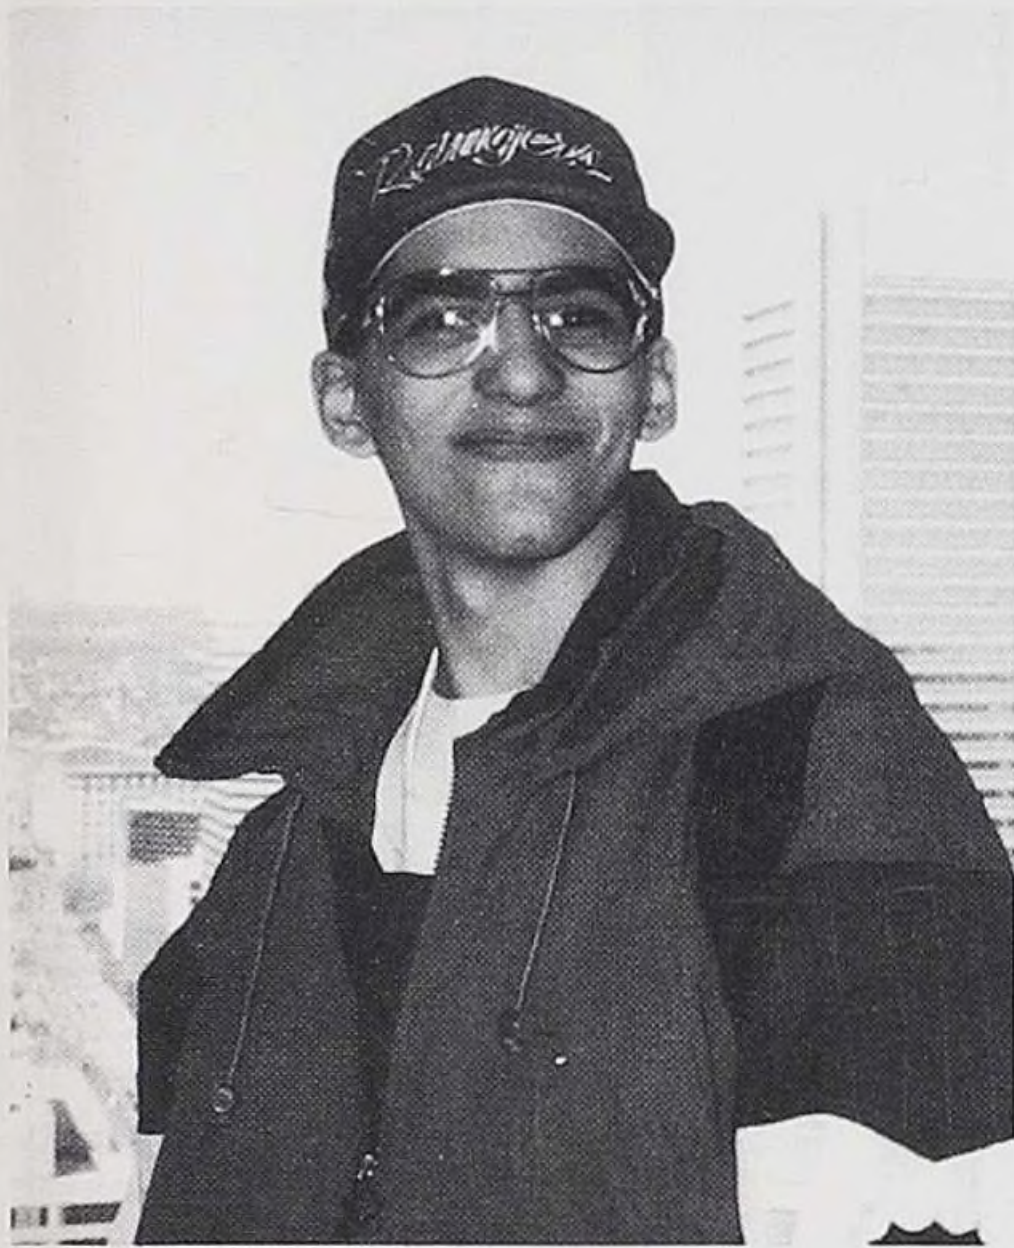

This is YOUR PAGE, we asked you to bring in your pictures and you did. So this is dedicated to YOU. We hope these next 5 pages will help you remember your years at Olean High.

In Memory Of

Mary T. Chicola

During her lifetime Mary T. Chicola touched the community in a number of ways, from education to health care. A graduate of St. Joseph's College, she received her bachelor of science degree in nursing. After graduation she worked at St. Clair's Hospital in New York City.

Mrs. Chicola contributed to Olean by working as a registered nurse and Director of Nursing at St. Francis Hospital for fifty years and then she retired. She served on boards and committees for several years. In addition to serving on the boards and committees for twenty years Mrs. Chicola was also a member of the Interfaith Caregivers Board of Directors for about five years. She was also the BOCES board president, on the Alfred Tech Advisory board and was a member of the BOCES Curriculum Board.

A member of St. Mary of the Angels Roman Catholic Church, also the National Nurses Association, and the Olean Time Capsule 1993 committee. She was recognized in the community by the YMCA's Salute to Olean in 1993, was named the Community School program Person of the year, was given the leadership and Wisdom Award by St. Francis Hospital, and was given special recognition for dedication to education by BOCES.

Her death has touched the community. She was never afraid of a confrontation. She always spoke her mind. She was very dedicated to the education of young people. She was always ready to serve and would get right to the heart of the problem in just a few words. She had very high standards and set goals not only for herself but for others as well. Mrs. Chicola will truly be missed by the OLEAN SCHOOL DISTRICT.
