OLEAN HIGH SCHOOL

"HOME OF THE HUSKIES"

**410 WEST SULLIVAN STREET
OLEAN, NEW YORK 14760**

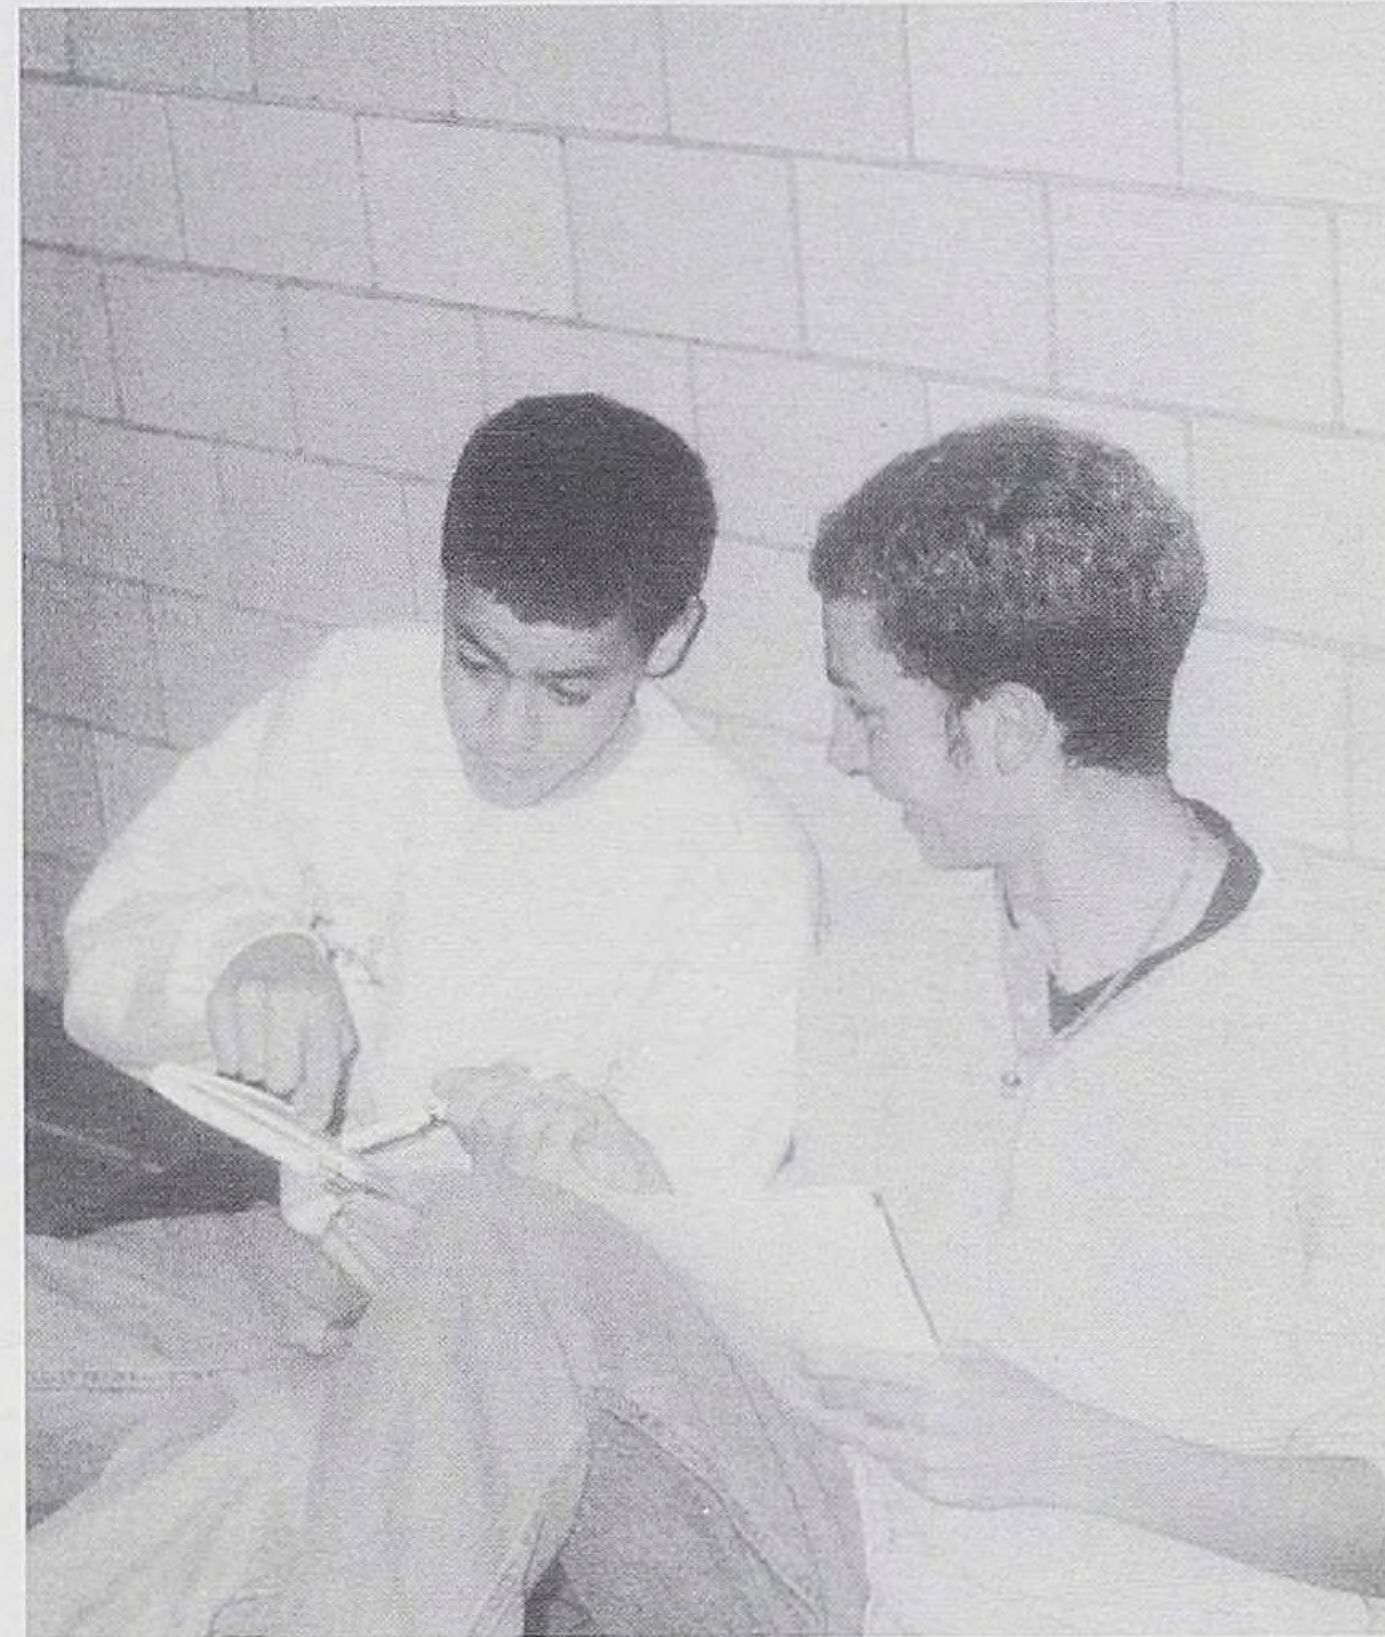

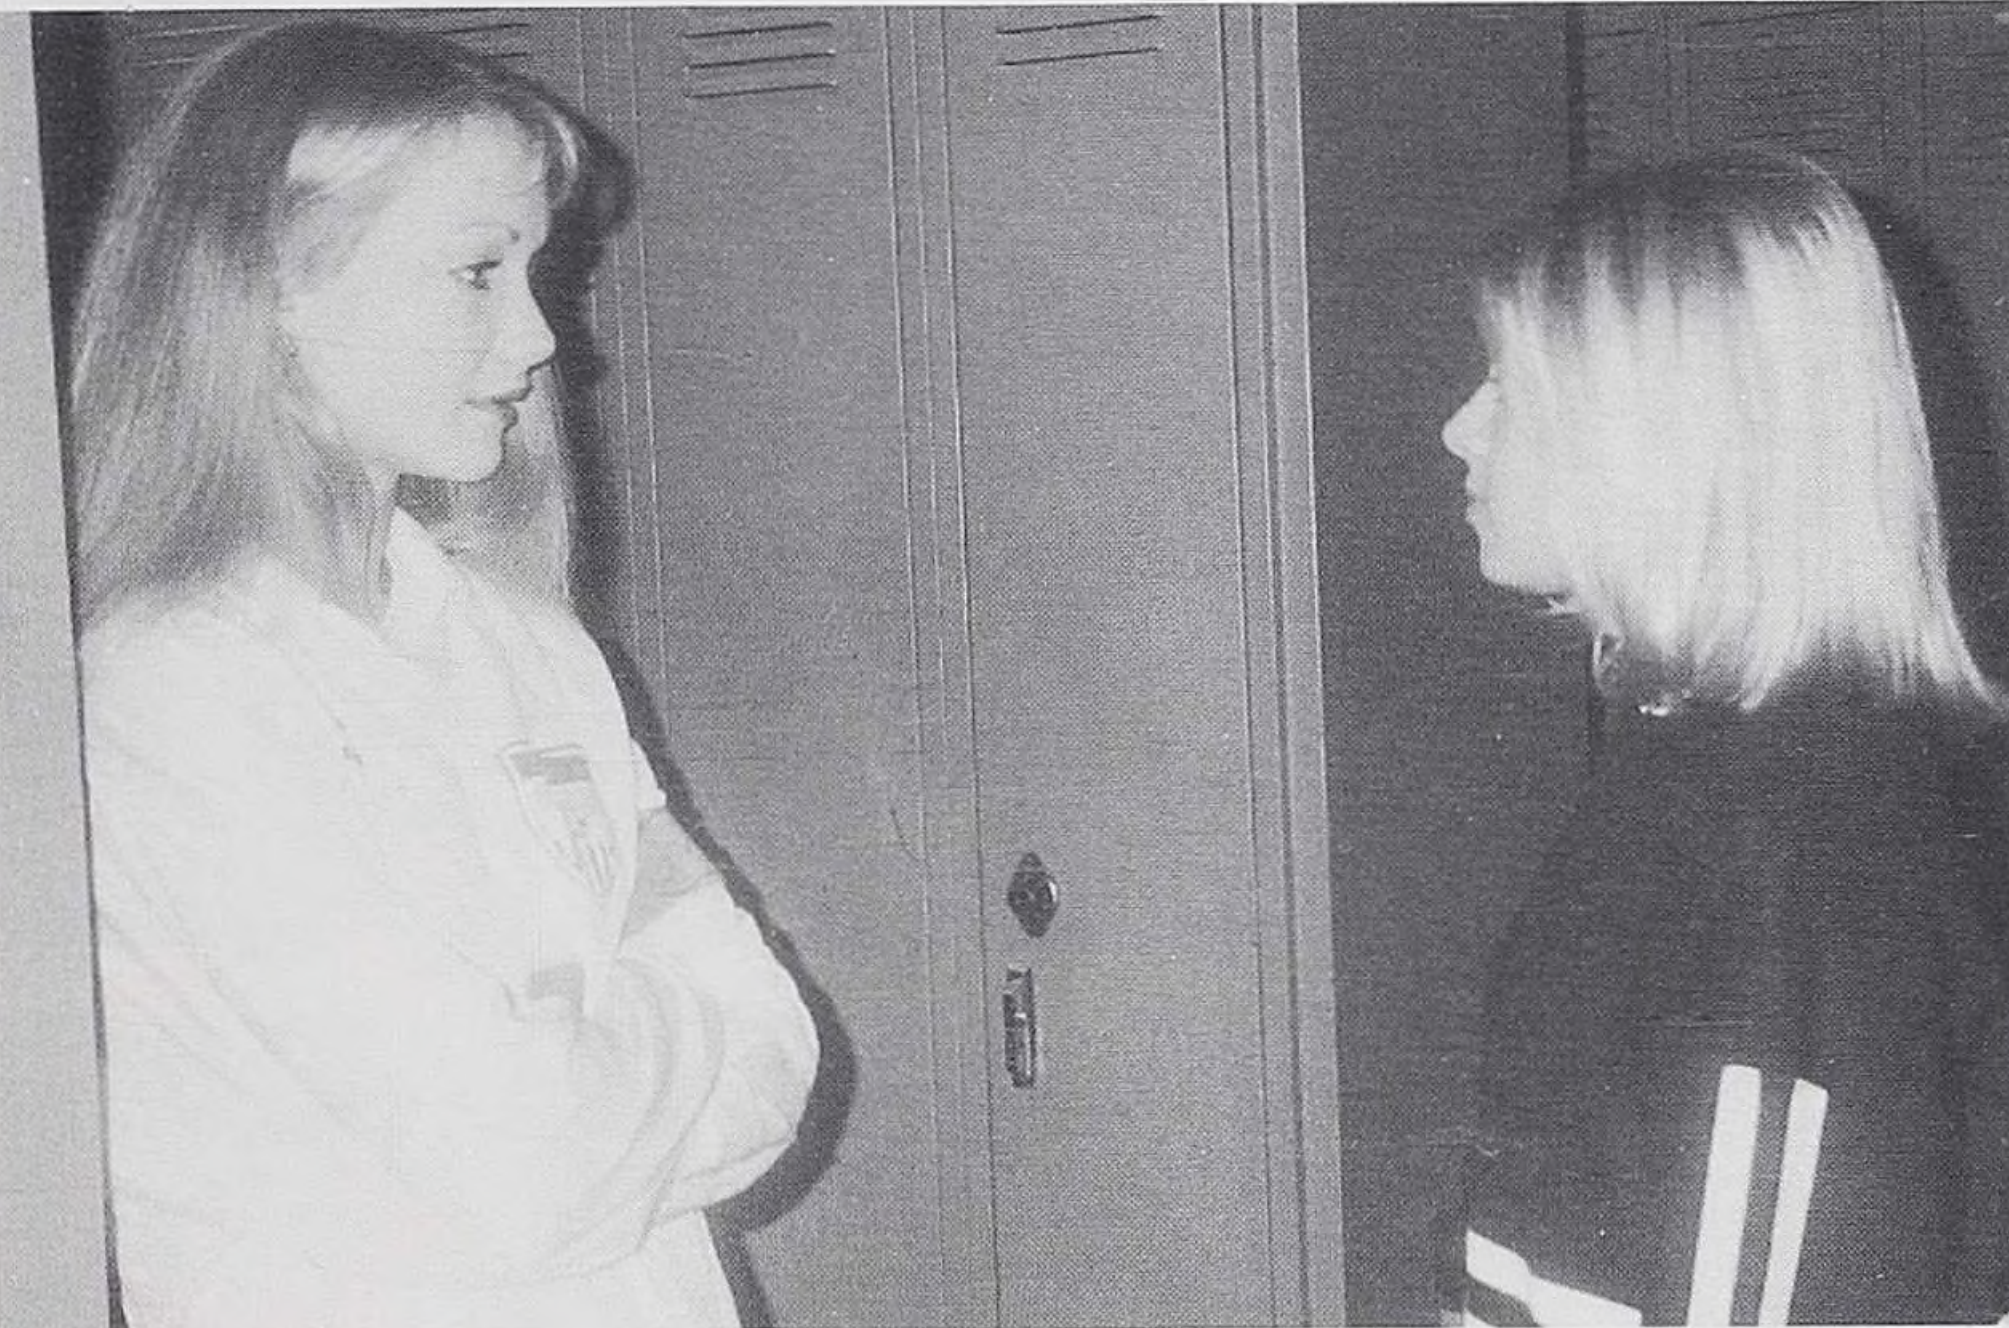

"She said what!?"

As we explore the paths of OHS in the bright and early hours, we look and see all of the different groups of students in heavy conversation. The majority of the kids updating the activities that took place over the weekend and some already making plans for the next. But, did it ever cross your mind that the topics of their conversations could be YOU!?

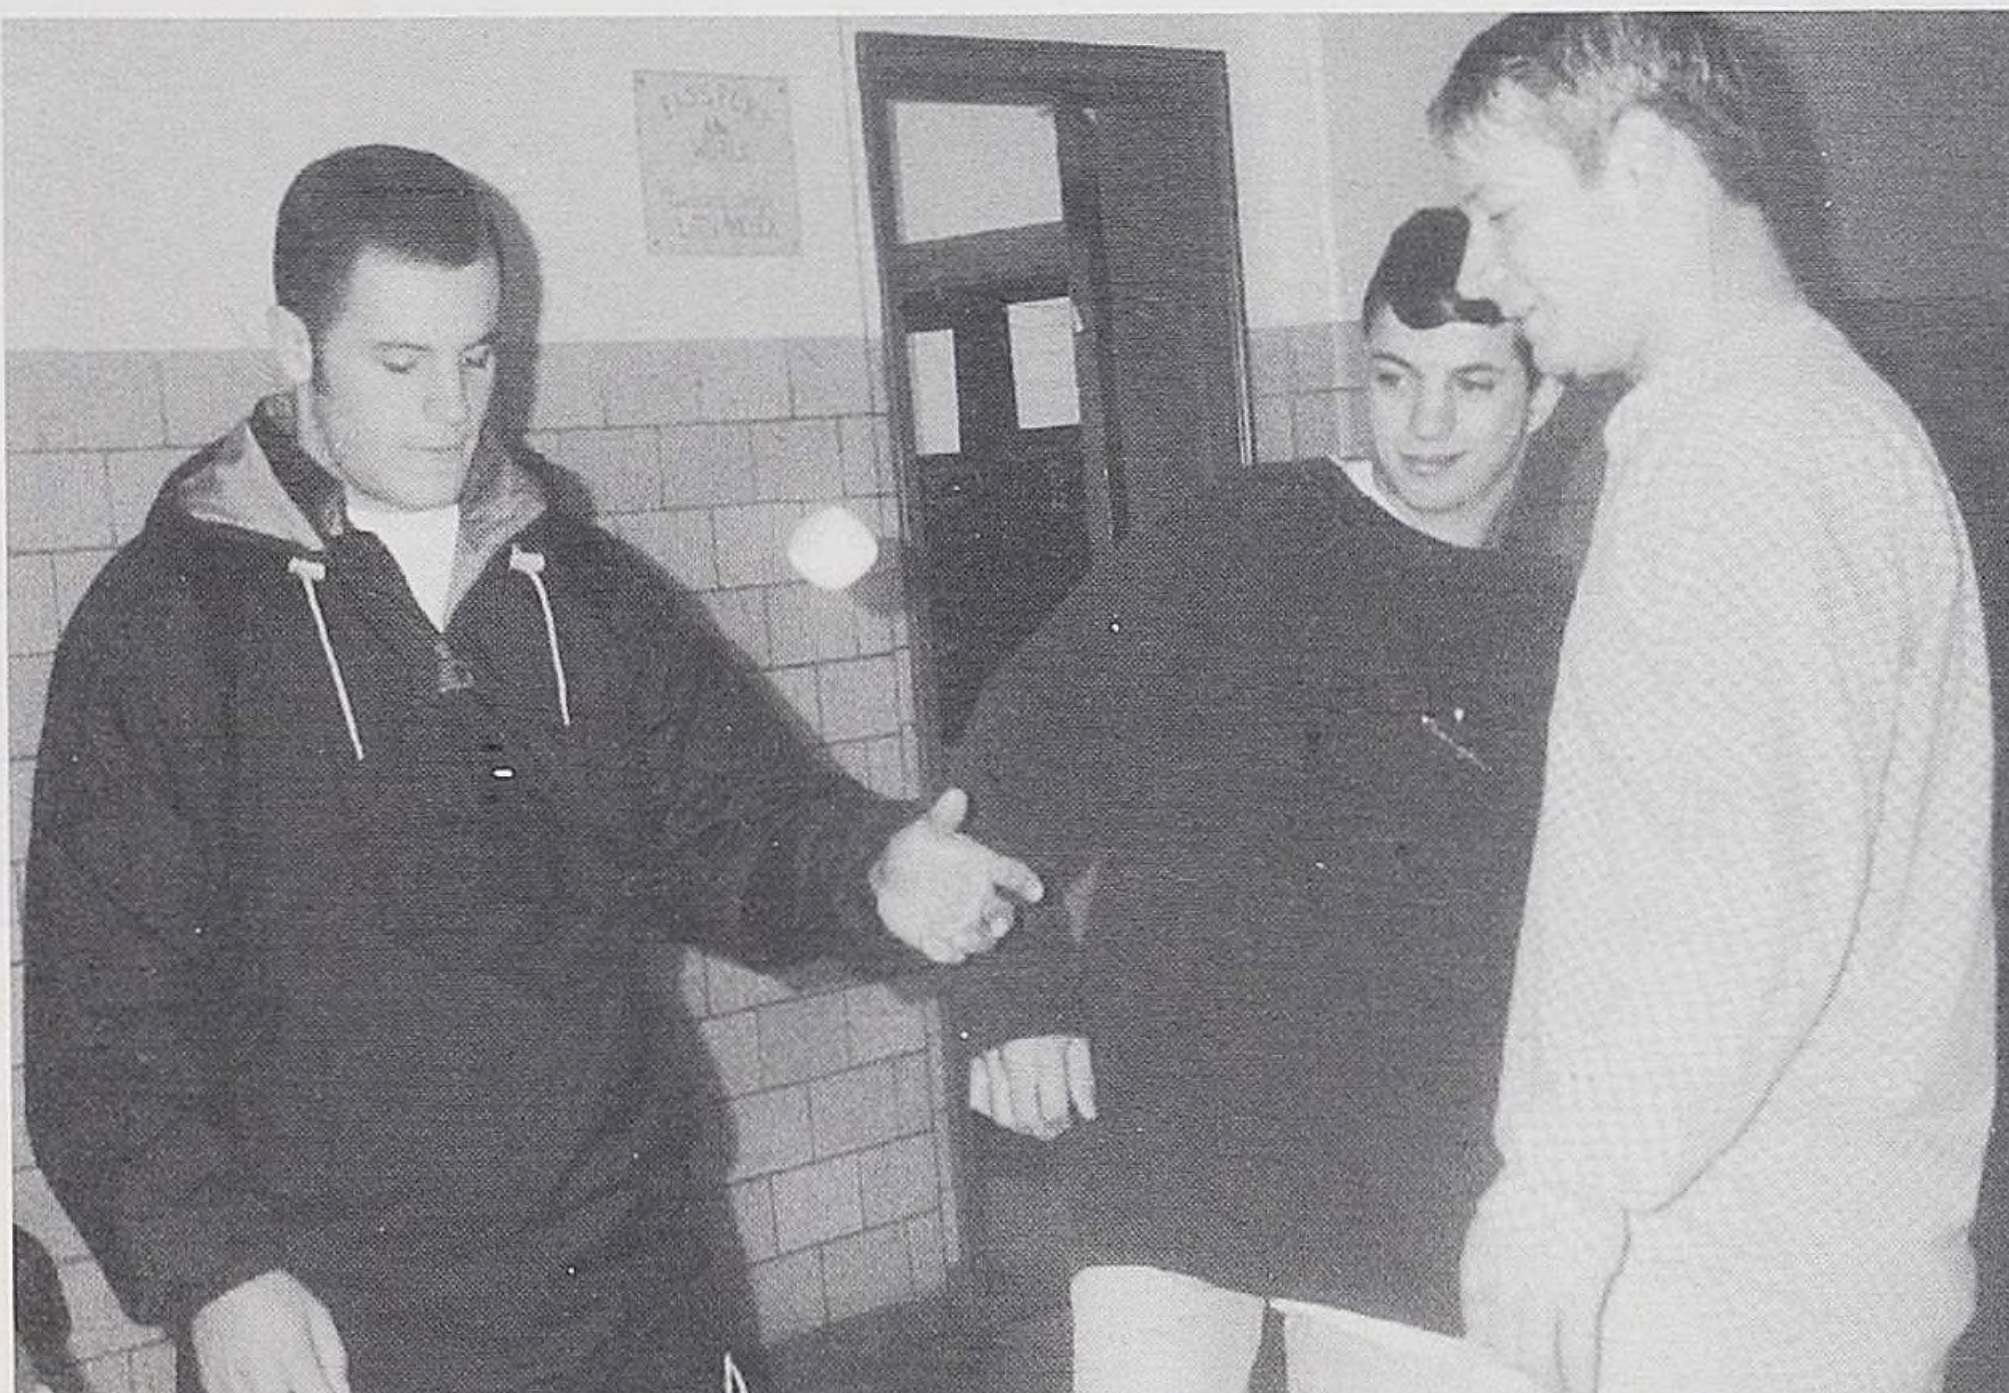

Jessica and Kim are conversing about the outstanding outcome of the "Guess how many pieces of candy are in the jar," the contest to support the seniors. Getting off track, they start talking about last weekend and how much fun they had at the dance on Friday. Jessica tells Kim she hopes she gets to dance with that cool senior stud at the next one.

Top left: Katie and Melissa are discussing their problems about guys. They start constructing their strategic plan to get the guy of their dreams.

Top right: Jess and Tommy might look like like they are doing their homework that was due last night, but really they are in an argument in who's going to the superbowl this year. Tommy, a big fan of the Buffalo Bills knows they're going and challenges Jess to hearty bet.

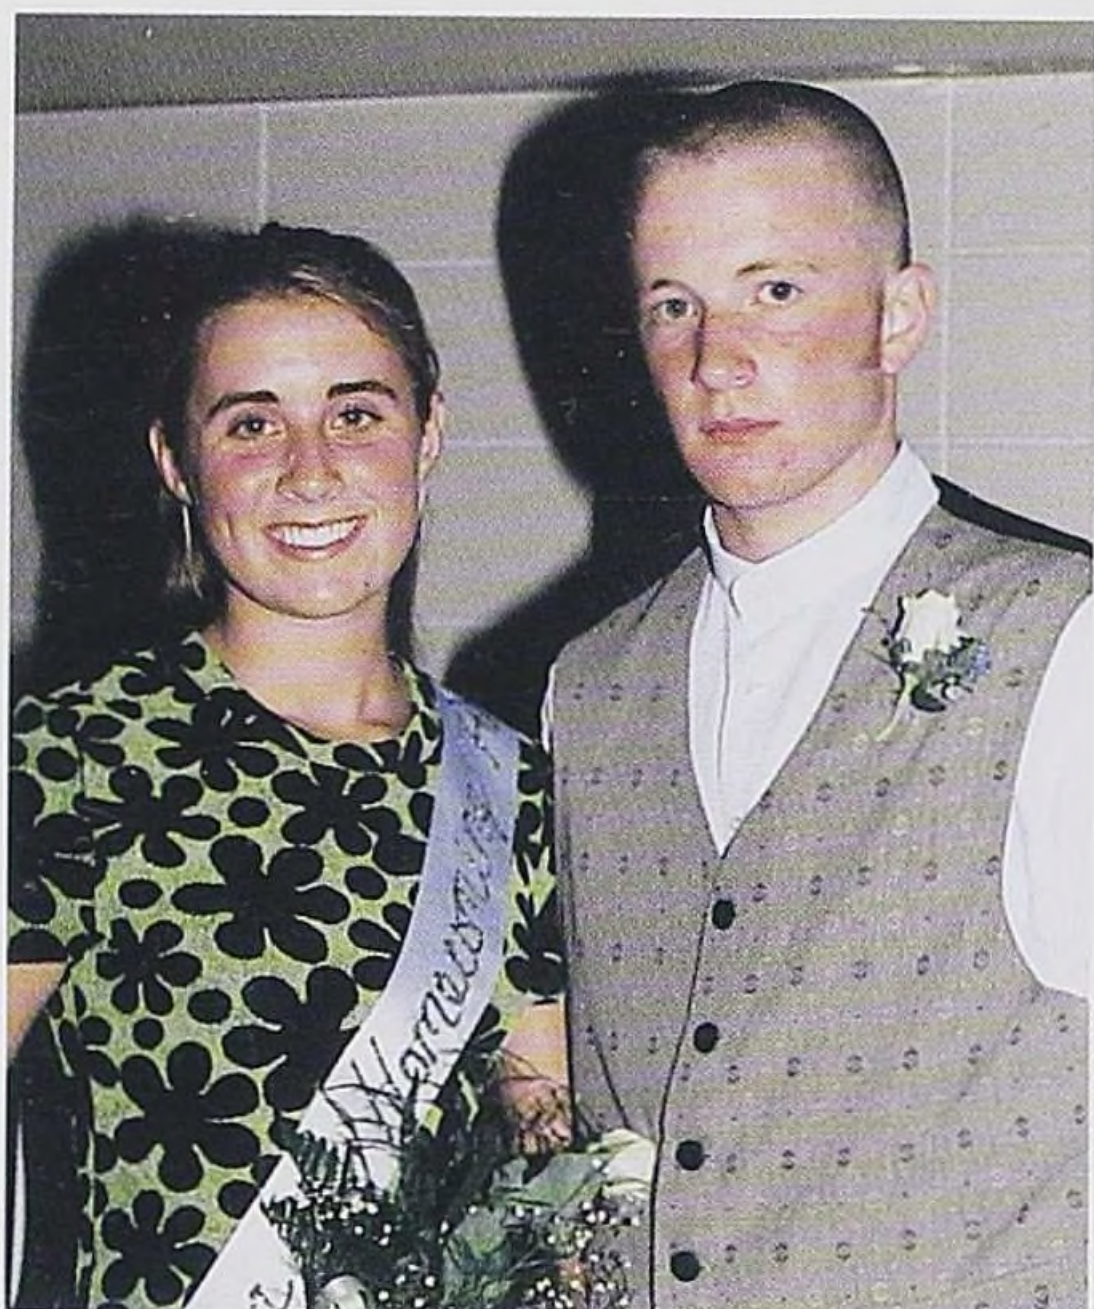

Bottom left: Steve, Kyle, and Ike discuss their weekend plans and who their next victim is over a peaceful game of hacky sack. Steve is bound to win at this game. Whoever is in his way, should he ever make a mistake, had better watch out.

This year's annual homecoming float competition ended how it usually does... Juniors on top. The first place Junior float was a devil (rotisseri style). Second place was the sophomores with their usual football player, but this time he was on the stake. The third place finishers were the freshmen with their can-o-crush. Finally, the seniors showed their usual effort with their train, that came in last place. This year's floats were well built. One could tell that the underclassmen put a lot of time and effort into their floats.

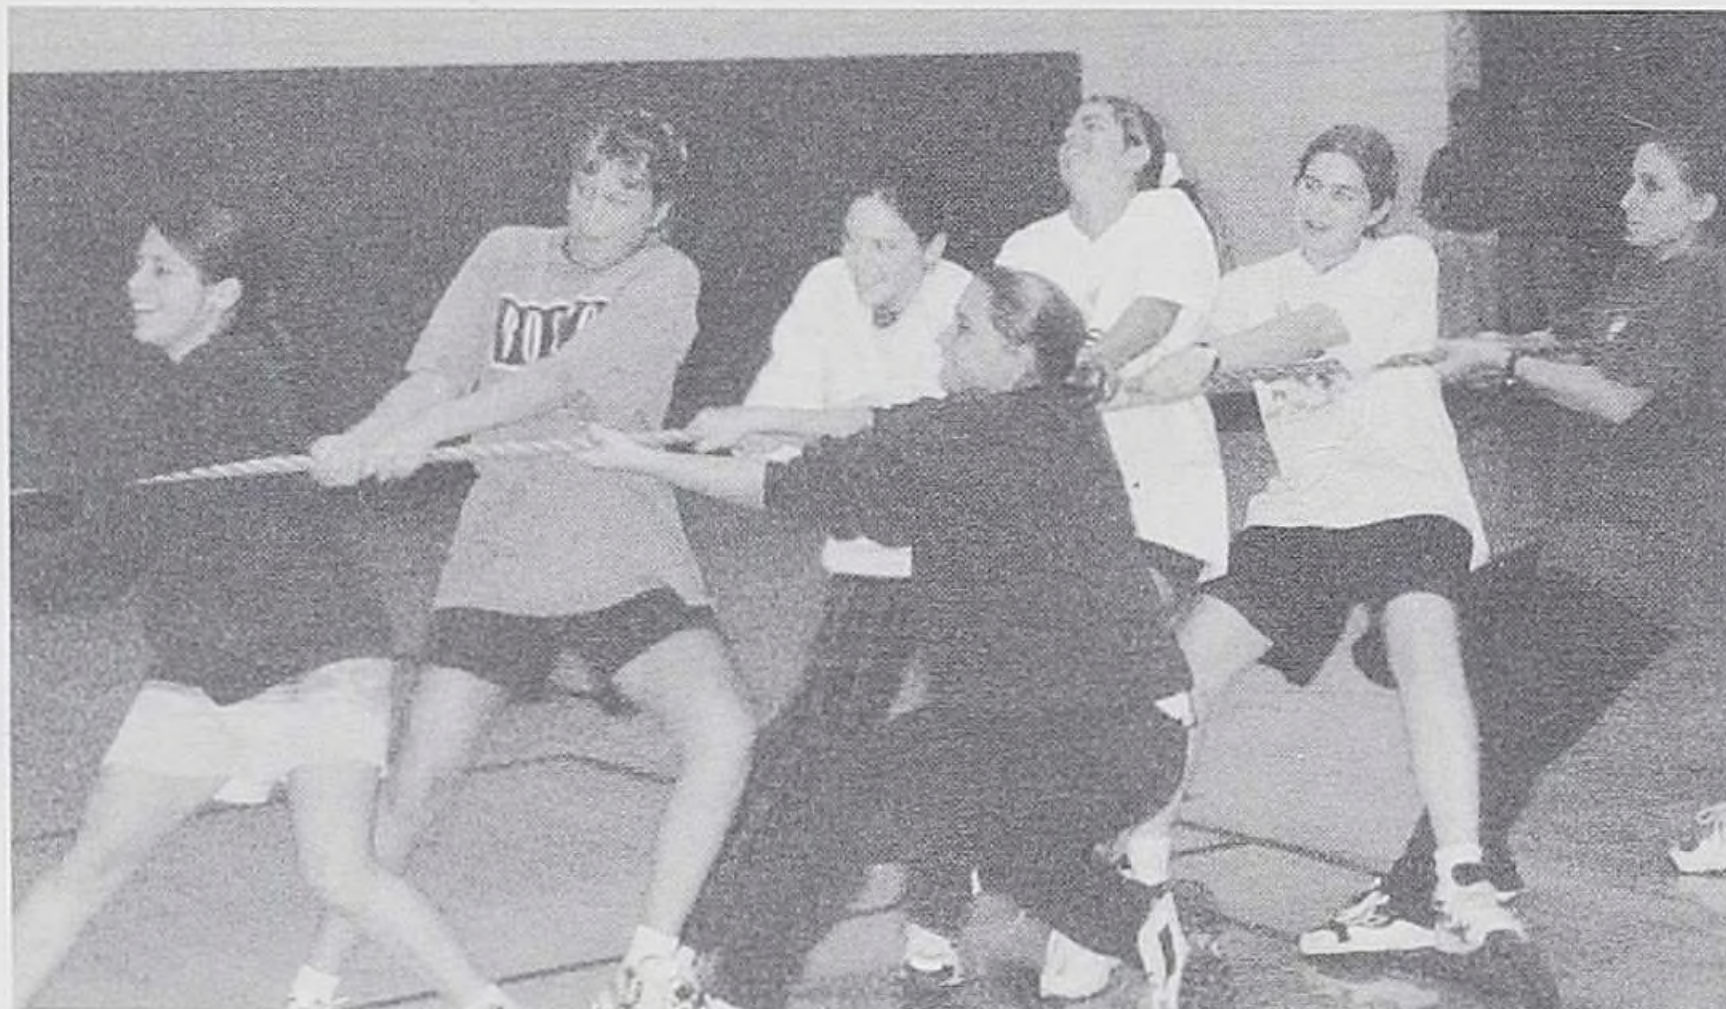

Did You See That ???

This year's Homeless Huskie activities led to the biggest turn out ever; due to the students awareness of homelessness. The weather also helped to make homeless huskie night a success. This was the warmest it has ever been for this event.

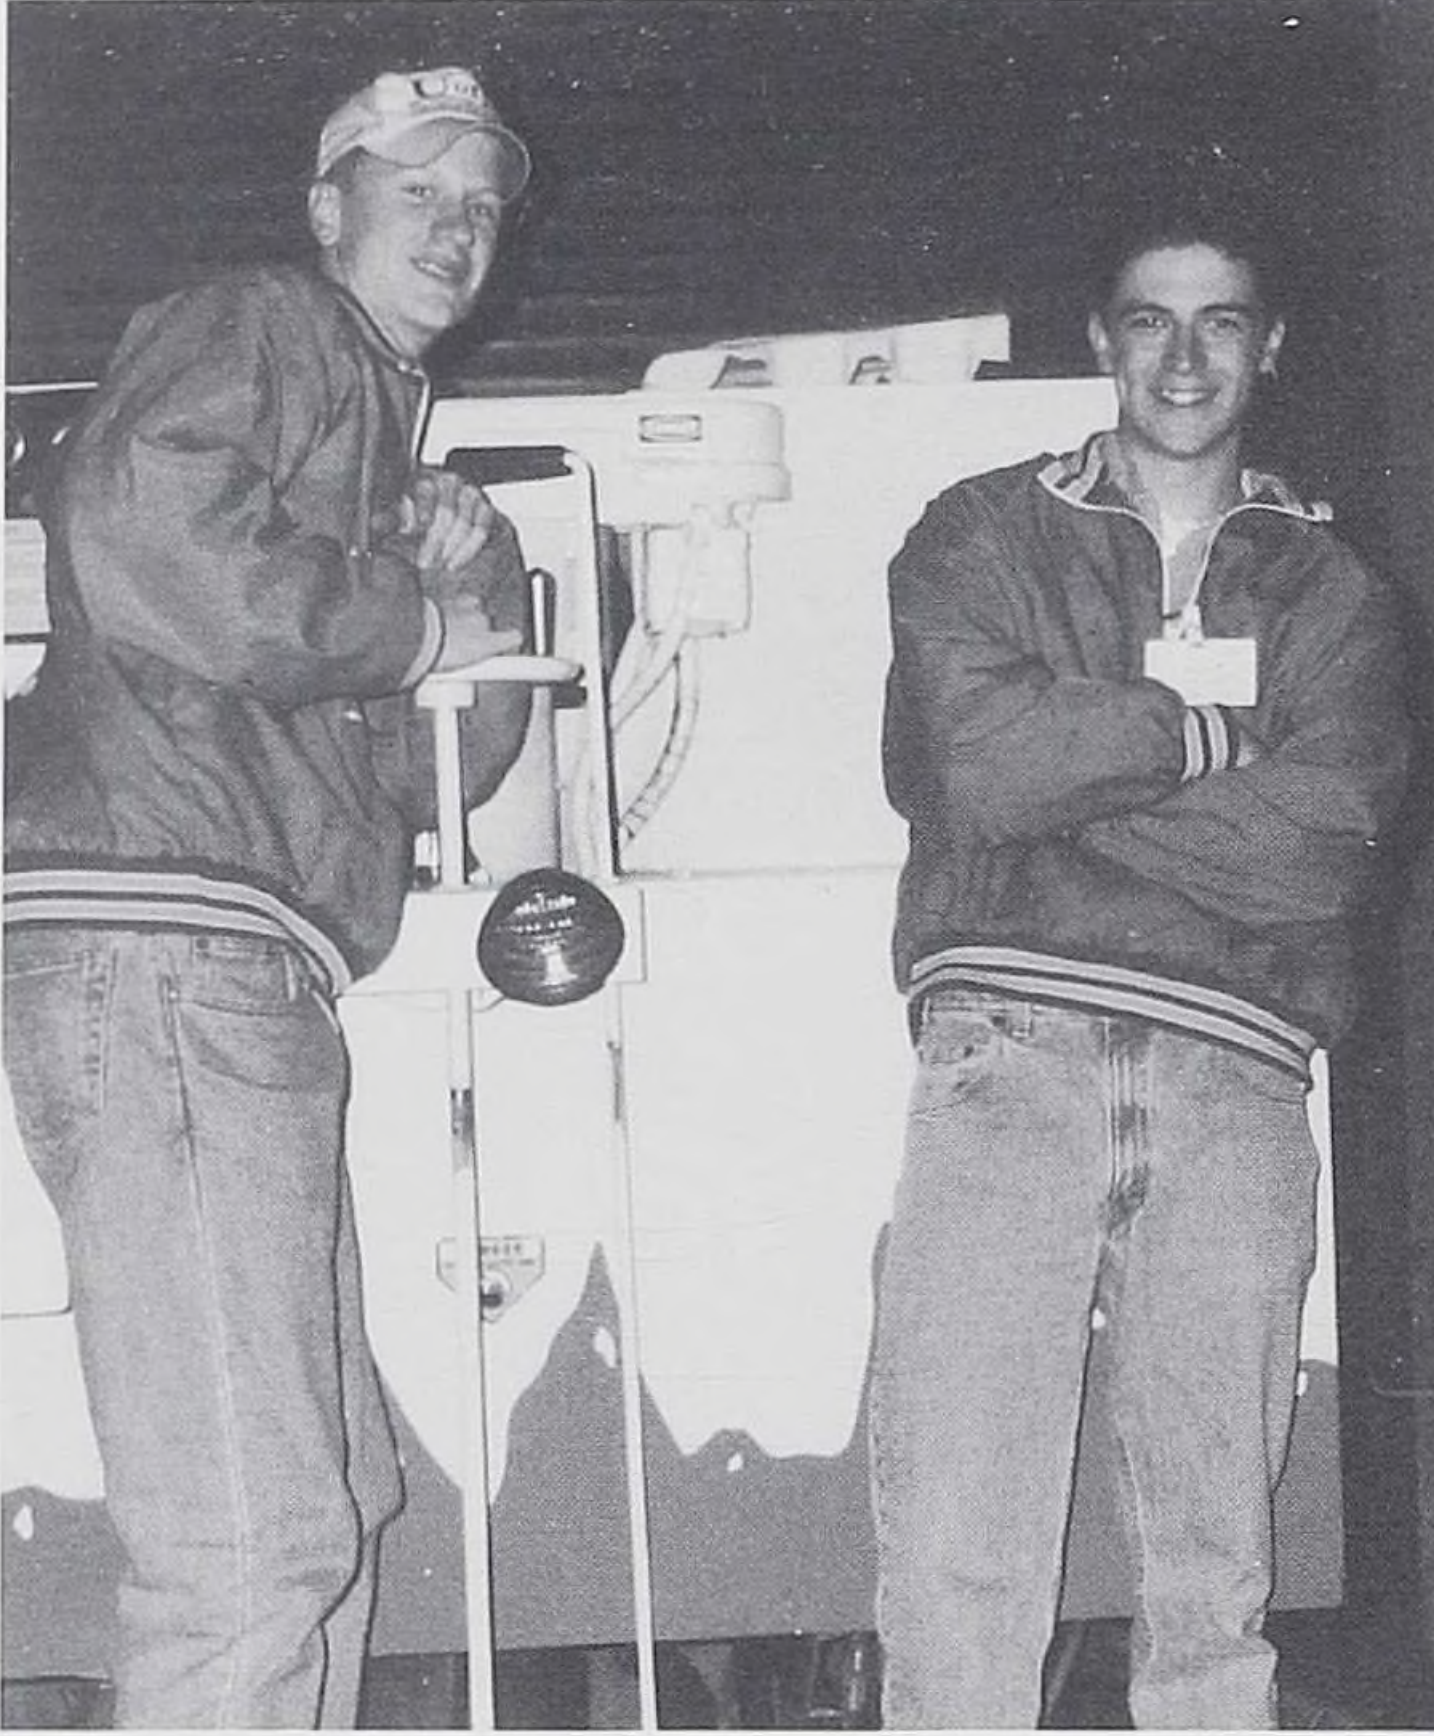

A great deal of time and effort goes into making this night a success. Donations and prizes are collected from local bussinesses. Proceeds go to the local Warming House and Genesis House.

Ferris Bueller's Day Off

Many students of Olean High work at the Olean Recreation Center. Pictured above are: Matt Kwiatkowski and Adam Jester.

Winnebago is a band made up of three Olean High students. Pictured above is Winnebago from left to right: John Caputo, Joe Holland, and Chris Hetterick.

Pictured above is Lori Buchanan tidying up in the McDonald's diningroom located in the Olean Mall.

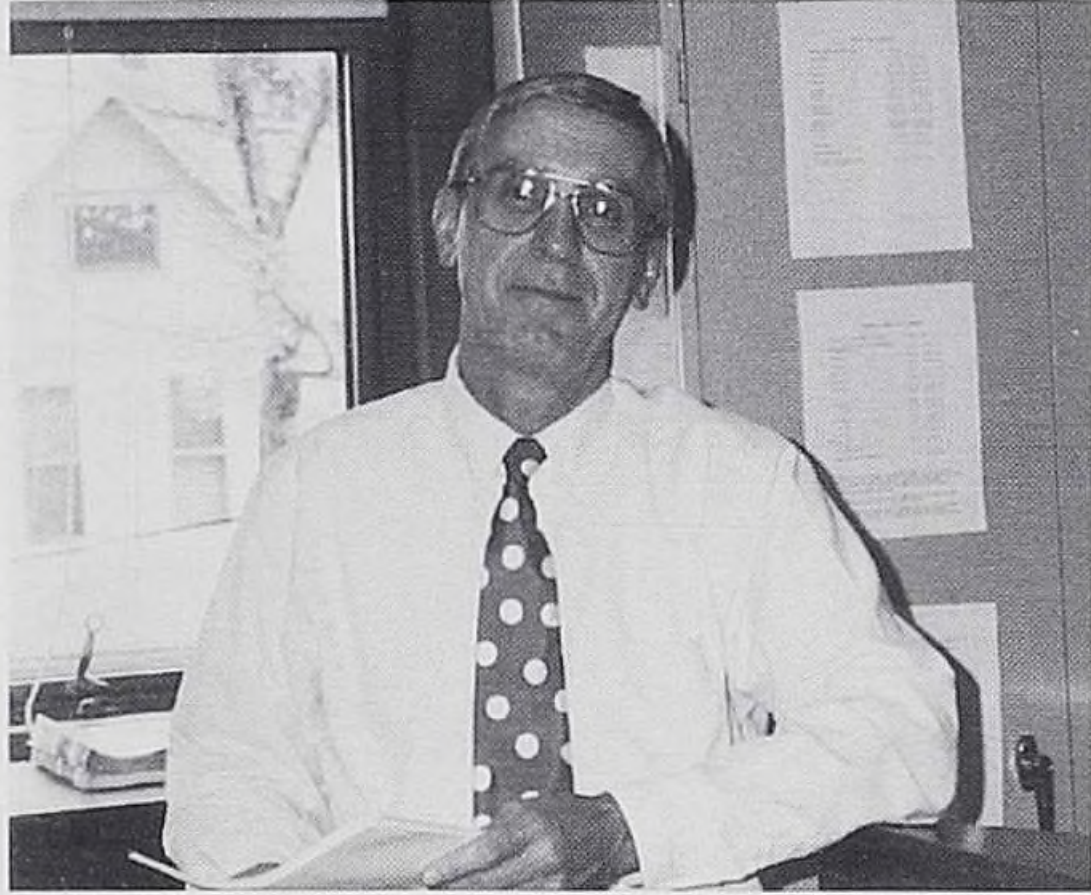

Pictured above is Kathleen Smucinski operating the cash register at CVS also located in the mall.

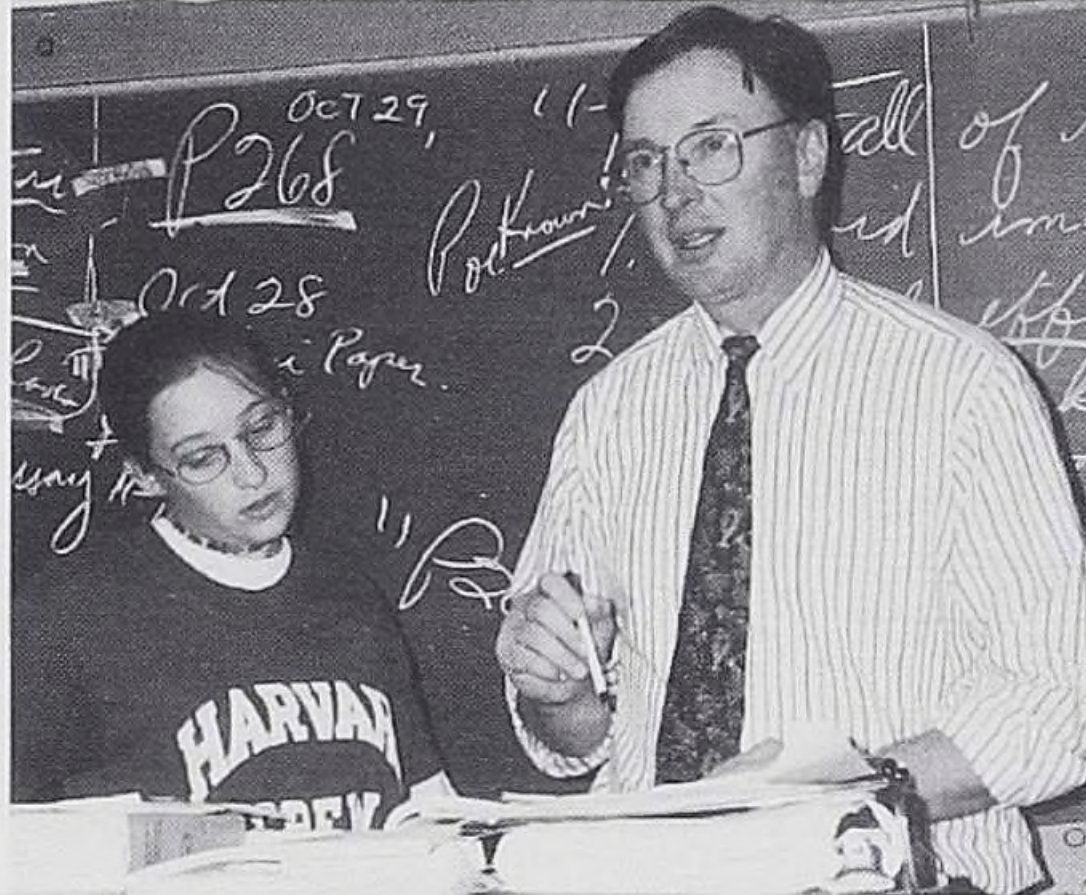

Not only do the students of Olean High concentrate on school work, but also hold down part-time jobs and do many interesting things in their free-time, like jam with Winnebago. Students come in contact with very peculiar people everyday. Many students have contributed stories about their daily encounters. Our personal favorite is a story contributed by the employees from Poppy's. They all remember the time when Pearl, discovered a pile of feces laying outside, by the main entrance. Pearl being from a place not around here, decided to clean up the feces with the store mop. The next day Kristen Brokaw attempted to clean the store floor and smelled a stinky stench. Entangled in the mop strings was the pile of feces that Pearl attempted to clean up.

Faculty Superlatives

Every year the yearbook staff recognizes the seniors that stand out above all of the rest through senior pics. However, this year we decided to spice up the yearbook through FACULTY SUPERLATIVES. We feel that the teachers and staff that we have chosen have some unique qualities that come to mind. All educators have their own teaching styles and bizarre characteristics. The yearbook staff has decided to acknowledge the staff at Olean High. The special things that the faculty puts forward shouldn't go unrecognized.

Why are Olean High School's colors red and gold? Many students ask that question often. Listed are some possible answers.

1. Olean High School is the epitome of all schools bordering this region.
2. If our school colors were not red and gold, what would they be?
3. So we can stand out at sporting events.

SAC would like to thank all students and staff who participated in this year's Spirit Day and congratulate the winning homerooms. This year's winning homerooms were Mrs. Yates' and Mr. Kopko's.

SAC PRESENTS:

MISSION IMPOSSIBLE

Picnic- At the beginning of the summer, the new SAC Officers and former SAC Officers planned a trip to the state park. The purpose of the picnic was to prepare for the upcoming school year. Other activities included rollerblading, swimming, and volleyball. While playing volleyball, Jenney was determined to impress the National Volleyball Team scouts by hiding in the woods and then diving all over the sand court to keep the ball in play.

CarWash- The SAC raised over \$750 for the Jeanette Stromberg Memorial Scholarship Fund. This fund had been set up in memory of Jenny who had been elected as Co-president of the SAC.

Make a Difference Week- Bring a can, wear a hat. We as a school brought in approximately 1,000 cans of food which was distributed to the local food pantries.

Freshman Orientation- The day before school begins SAC members and National Honor Society members come to school and explain to the incoming Freshman our school. It is an afternoon where older as well as the younger students share a common goal.

Calendar- The SAC is responsible to change the calendar every month with the various activities of that month.

Homeless Huskies- Once again money was raised for the needy and student awareness of thier plight was the goal of this program.

Ready to Wear

Dress to Impress

Fashion is the way to show your individuality. Take a walk through the halls at Olean High and you will see the rainbow of unique people; distinguishing themselves by the way they dress. There are the trend makers and the trend followers, the name brand finatics and the polyester freaks. Some like to wear the latest fashion and others choose to make up their own. We all have our own style and express ourselves through our clothing. Fashion is the way to show your true colors.

1. Courtney and Becca are wearing their newest look. These antique outfits from the 60's can be found at our local thrift shops. It may be second hand but you will rarely find someone with the same ensemble.
2. Tattoos have become a huge fad. Fake ones or real ones, they add a uniqueness to a person.

3. Several students at Olean have become obsessed with ear piercing. First it's your second hole then it's fifteen. Now students are moving on from their ears to other body parts. Some have belly rings, tongue studs, and eyebrow piercings.
4. Liz and Emilia are a prime example of students who don't mind sticking out. They choose to dress loudly and want to be noticed by others. They dress in outrageous clothes and crazy styles.
5. Clothes are not the only important part of an outfit. Your shoes not only keep your feet warm but make a look complete. Large heels and clogs have become very popular in the last year. Funky platforms and big moon-boots are also making a come back.

Footprints

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him, and the other to the LORD.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life, there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

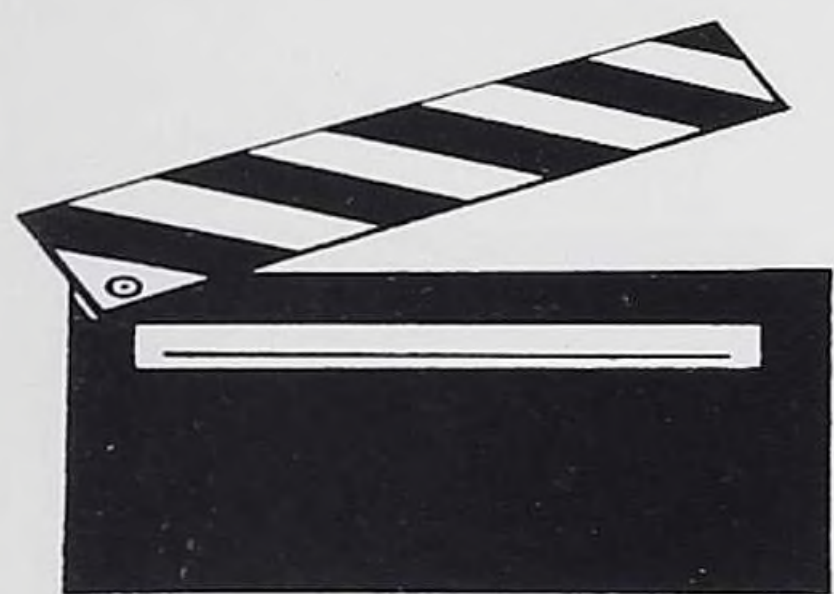

This really bothered him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "my precious, precious child. I love you and would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

Way to go!

Love,
Dad, Mom, Tracy and Matt

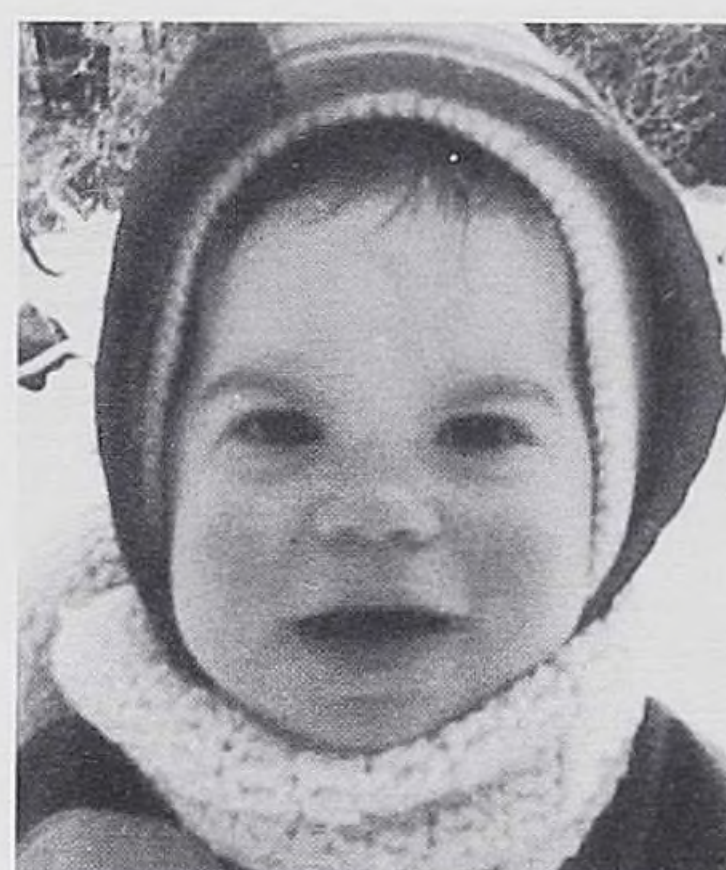

Julie,
We are very proud of all you have accomplished, but most of all, of the outstanding young woman you have become. Follow your dreams!

All of our love,
Mom, Jenny, and Jeff

Jessica,
Congratulations on your accomplishments. We are proud of you and we love you.

Love,
Fodder of you
Wadie Head
Tither, and Bros.

Alicia,
I send my love and best wishes with you- my "fuzzy bunny, brown eyed girl" who has blossomed into a beautiful young lady of whom I am so proud.

Love,
Mom

Mike,
You are the light of our life!

May your "drive" through life bring you happiness, success, and love. You deserve it.

We Love You,
Mom & Dad

Brandon,
We're very proud of you. We wish you the best of everything in life.

Love,
Mom, Tom, Matt, &
Alyssa

Jessica,
We are so very proud of you! We wish you happiness and love always, and we'll always be here if you need us. May all your dreams become realities. God Bless you.

Love,
Dad & Mom

Congratulations Jennifer. Good luck in the future. You'll always be in our hearts no matter where you go or what you do.

Love always,
Mom, Bruce,
Keith, Adam, & Alyssa

Keep striving to reach new heights. We're proud of you.

Love,
Mom & Dad

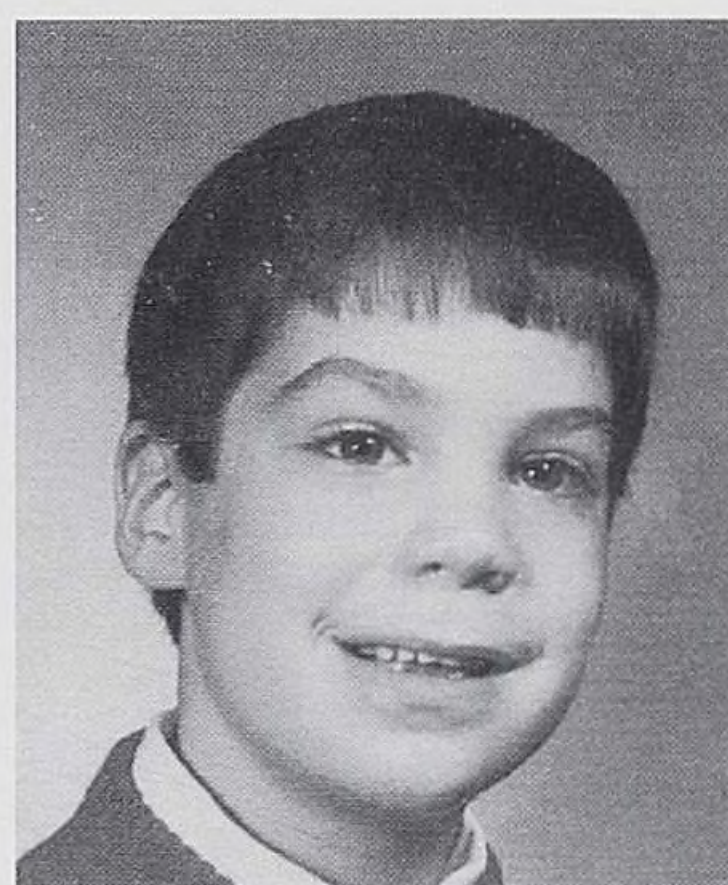

Jennifer Keyser

Love,
Grandma & Grandpa

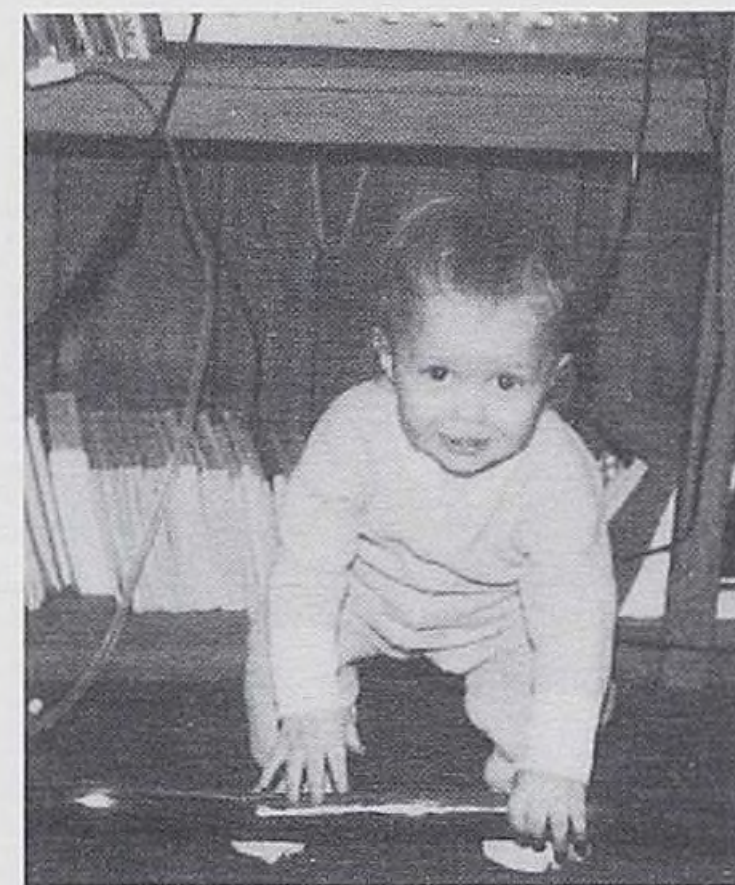

Dear Jennifer,
You've taught us so much... and the best is yet to come! Good luck at Juniata and Congratulations!

Love,
Mom, Dad,
Christine, &
Francesca

Art,
Don't let your fears stand in the way of your dreams...
May all your future dreams come true!

We love you,
"Bud Boy"
Mom, Dad, Julie, Mary, & Kate

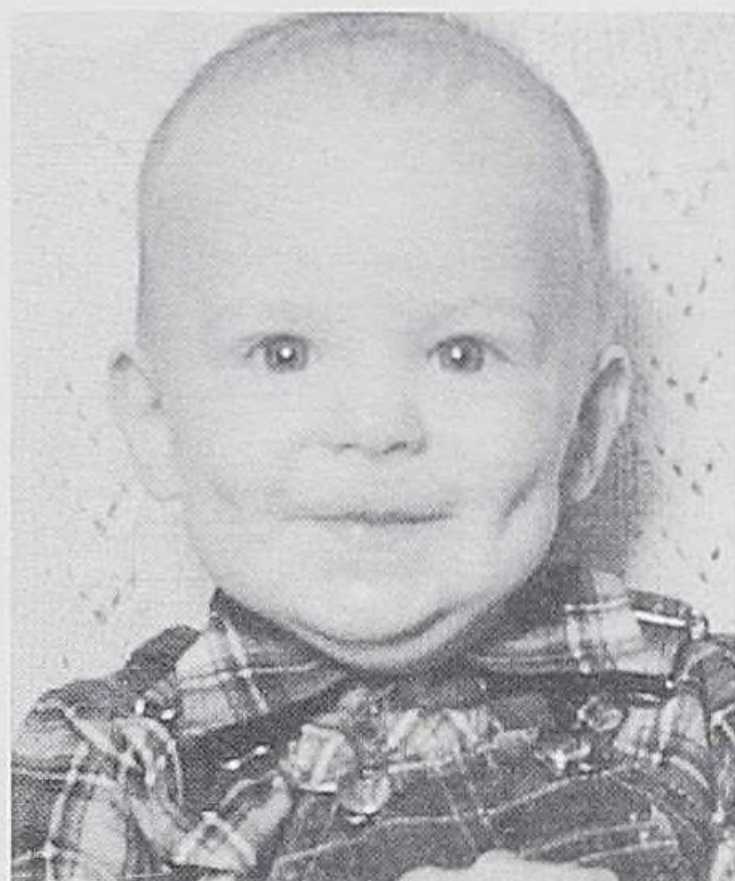

Dear Kev (Skip),
Number 10, "our allstar". We are so proud of you. Your athletic training started at such an early age. May your future be filled with success and much happiness. Remember your guardian angel. Goodluck and God bless. We love you, Mom, Dad, & Crew

Christen,
Congratulations to a wonderful daughter and sister. You've worked so very hard and we're proud of all your accomplishments.

Love,
Mom, Dad, RJ, & Scott

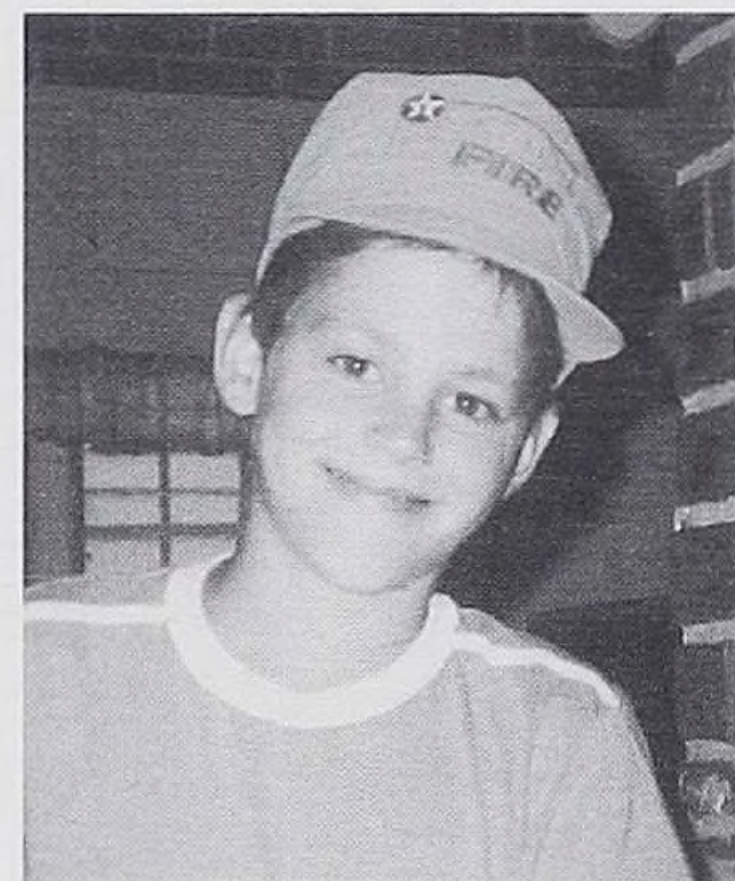

Lee,
Just remember your family believes in you.

Ashley,
You've come a long way, baby! Keep your sunny disposition and your sense of values and you'll continue to go far. Congratulations.

We love you,
Daddy, Mom, & Nathan

You always wear a smile, you create your own style, you have your whole future ahead of you, so keep your positive attitude and your smile will follow you where ever you go.

Tie,
As you start a new chapter in your life, always know how very proud we are of you, and how much we love you.

Forever,
Your Mom & Dad

Sara,
You have brought much joy to our lives. We are very proud of you and your accomplishments.
May the future bring to you as much love and happiness as you have given us.
We love you, Mom, Dad, & Sheena

Julie,
Congratulations! You have always made us proud, and we know you'll succeed in life. No matter what else changes you will always be our cute little girl.

Love,
Mom, Dad, & Ron

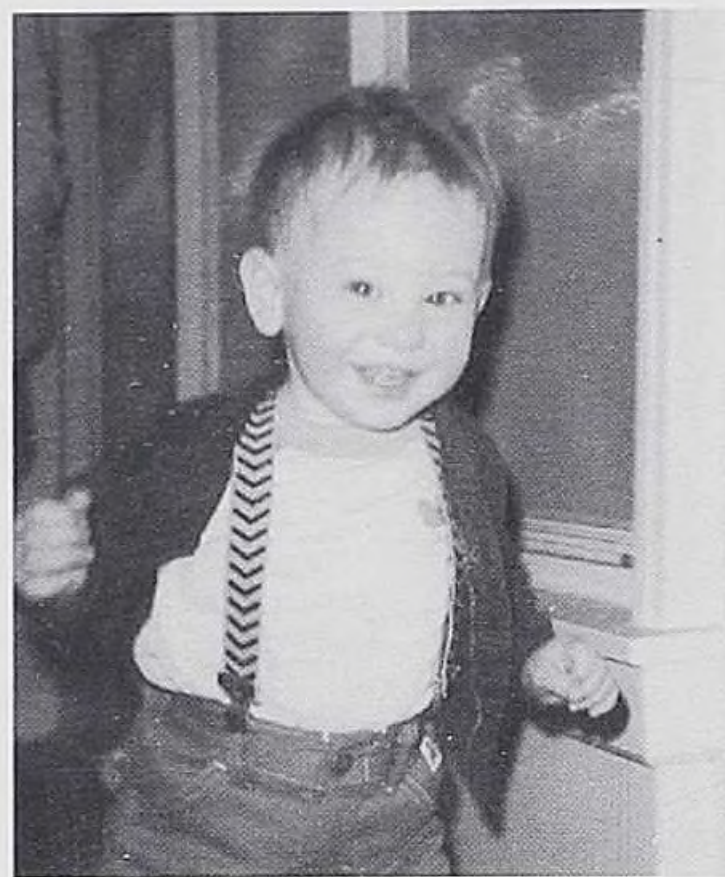

Josh,
Congratulations and best wishes.

Love,
Mom, & Dad

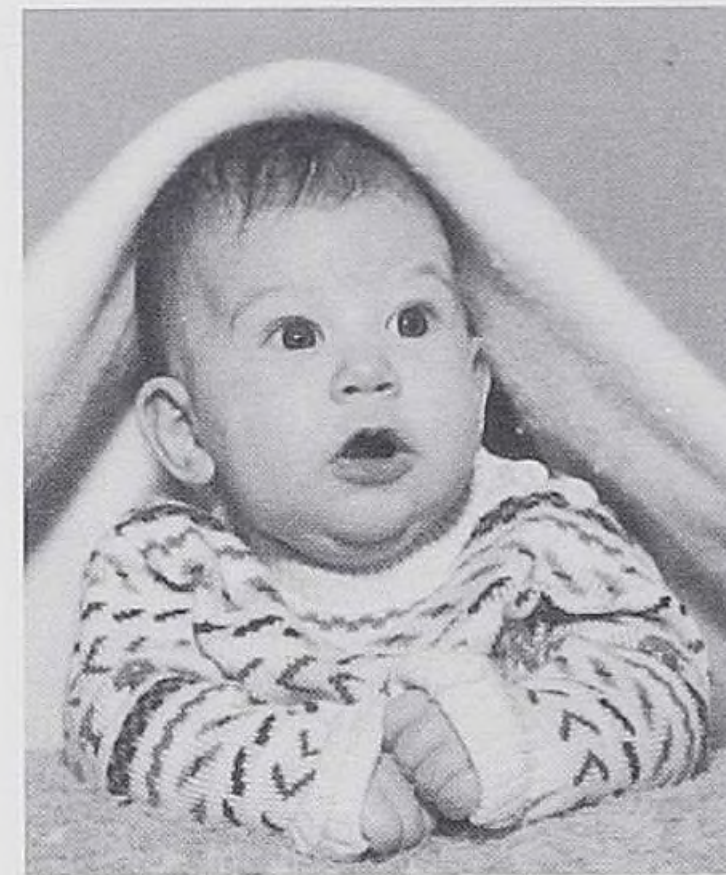

Jenn,
Congratulations. We're proud of you. May your future be as bright as your smile. Our love and prayers with you.

Love,
Mom, & Dad

DJ,
Congratulations! May you always keep your smile in your life ahead. We will always love ya!

Love Your Family

Bob,
Congratulations! You have worked hard to achieve success in the class and on the track. Good luck!

Mom, Dad, Jenn, & Kelly

David,
We're very proud of you, and sometimes, blinkers are nice!

We Love You,

Jackie,
Congratulations! What a great job you've done all through school. Always reach for your dreams, if any one can do it, you can.

Love,
Mom, Dad, Jennie, & Peter

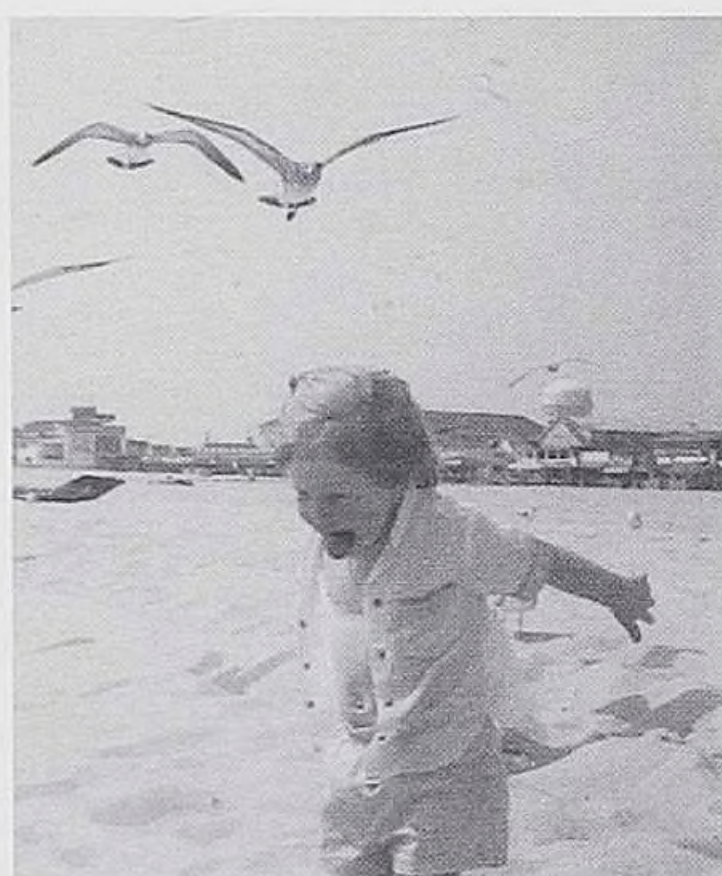

Congratulations!
You are very special!

Love,
Mom, Rich, Stephanie, & Kimberly

Jeff,
May your future bring you as much love, and happiness as you have brought us. We Love You.

Mom, Dad, & Julie

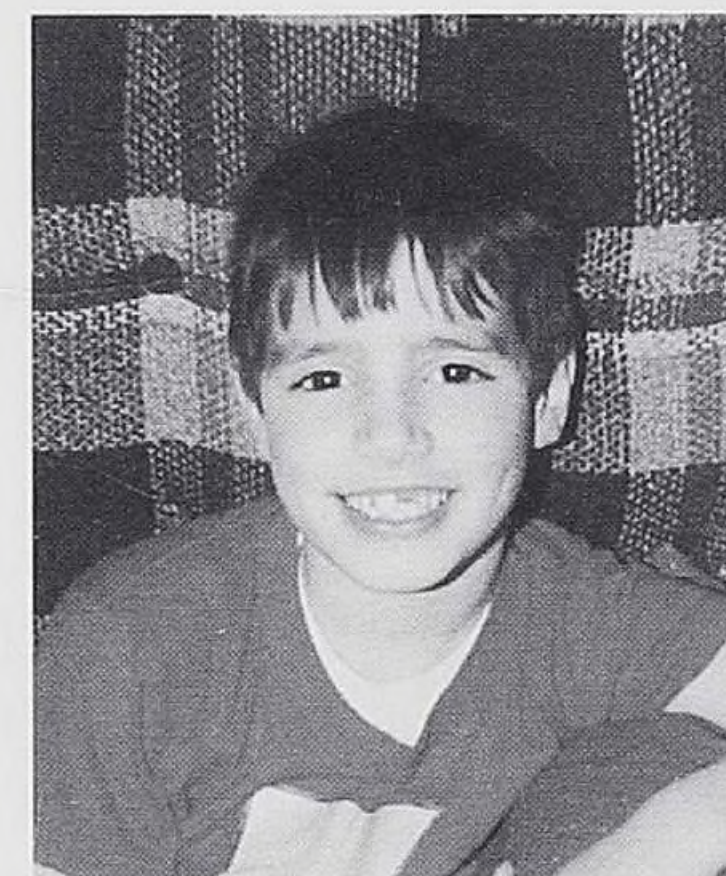

We wish that you will always find joy in the simple things in life.

Love,
Your Family

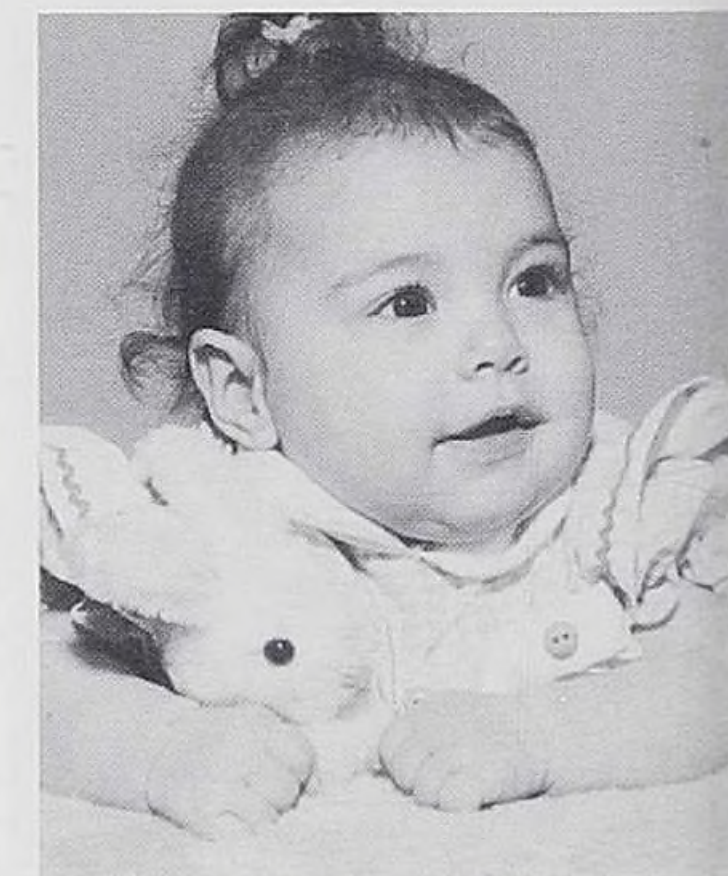

Jackie,
We are proud of your accomplishments, the person you have grown to be and your unbreakable spirit. You are precious and you will always be our "little girl" - No matter how old you are. God Bless You. We Love You, Mom, & Dad

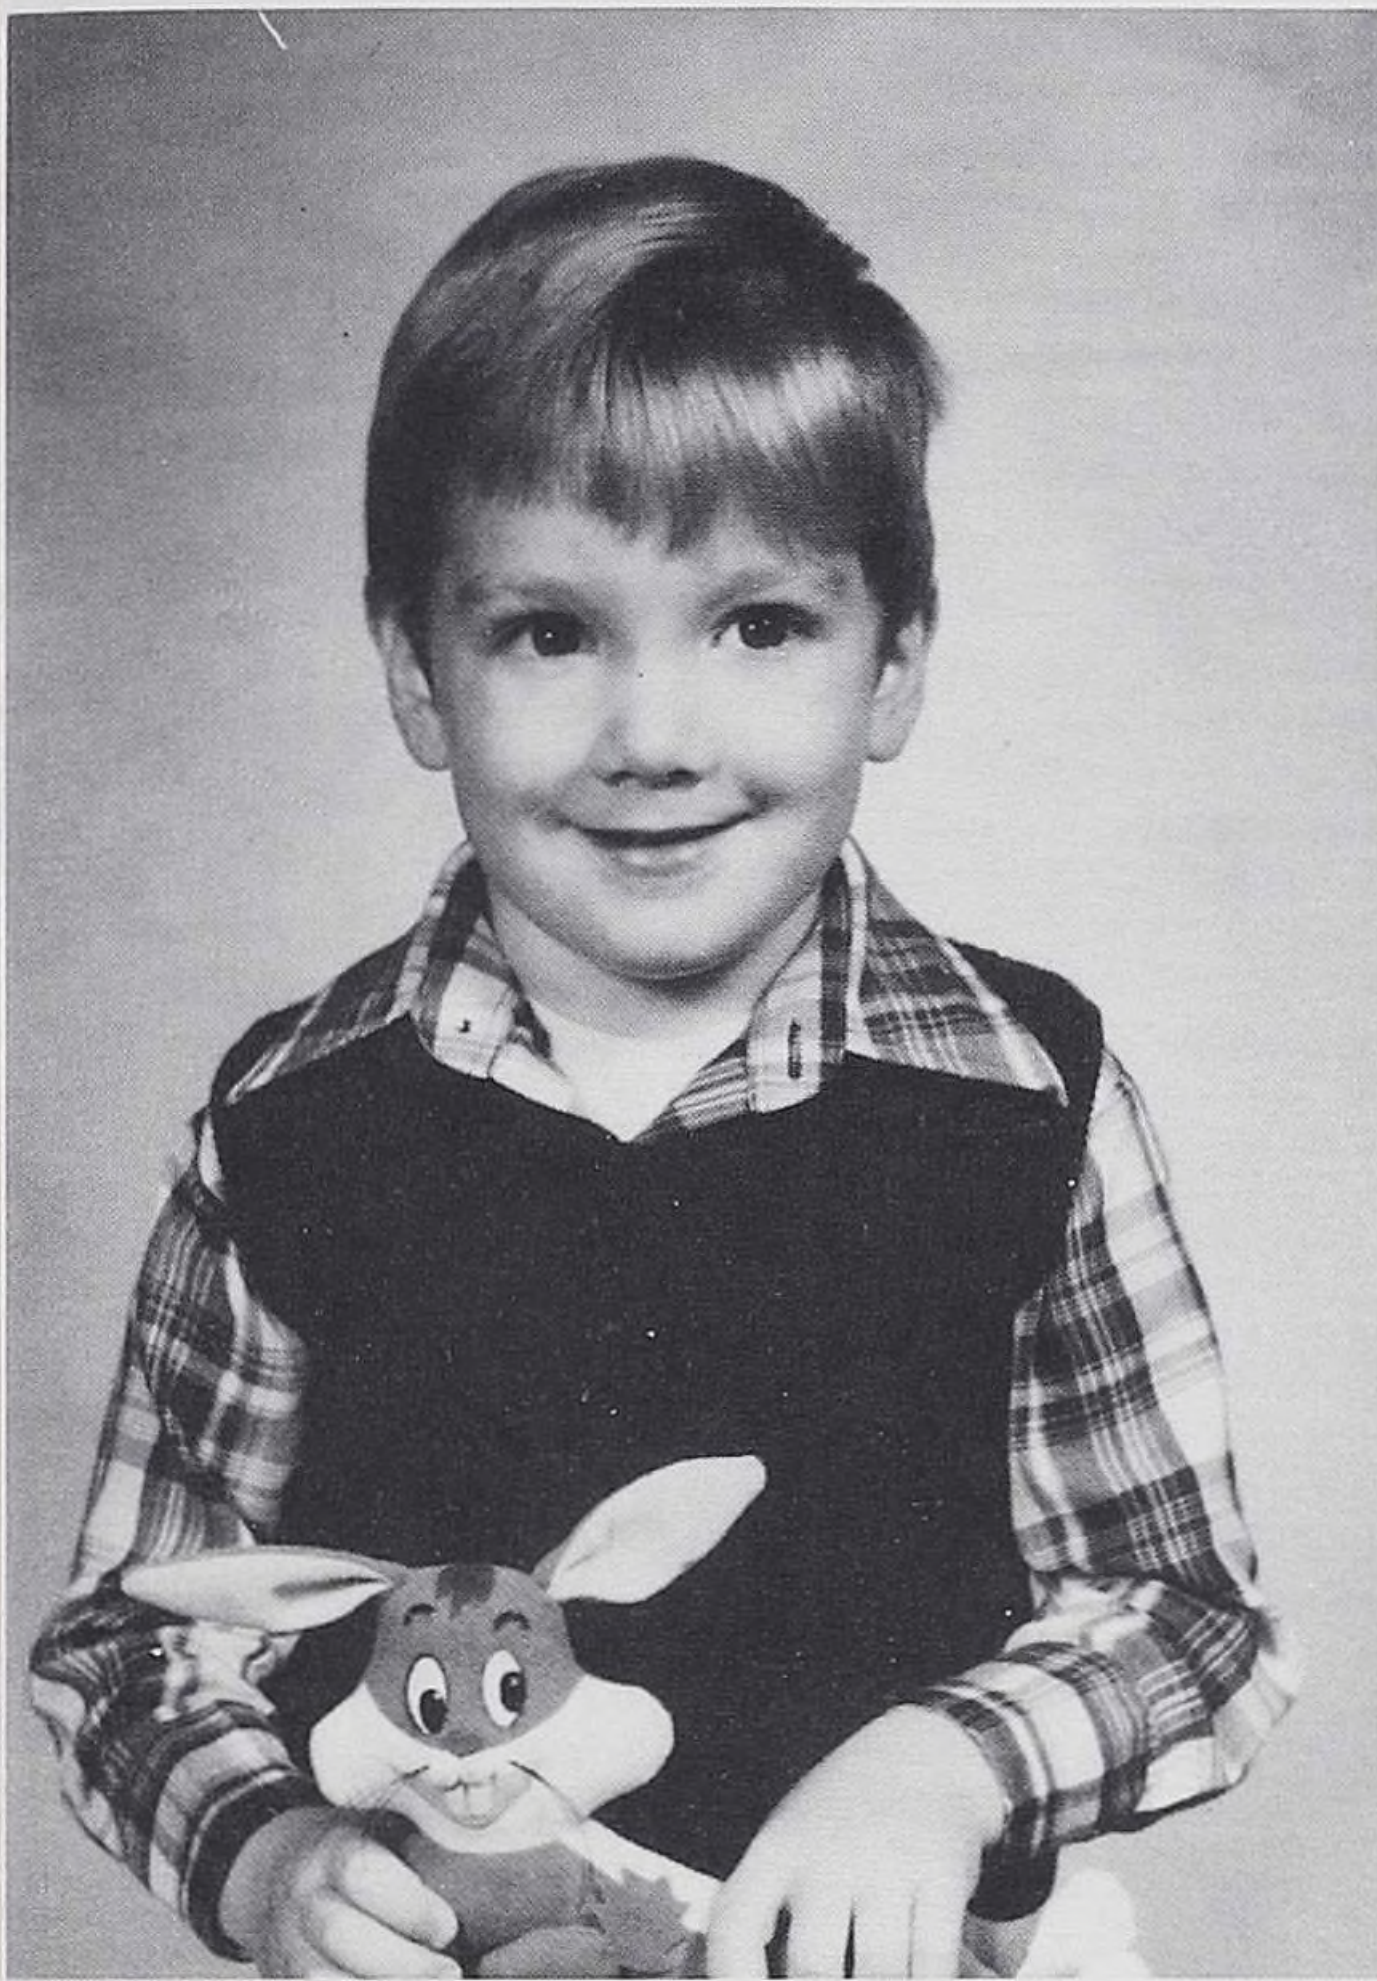

Mikey,
My big brother- How cute you were! Thanks for always being there for me, and for carting me around town. Goodluck in all you do. I love you very much.

Best Wishes,
Patti

Sarah,
Our "little pumpkin". You have always been able to see the beauty in everything. We are so proud that you have been true to yourself and your beliefs. You are such a beautiful, remarkable young woman, and we thank God for you. All Our Love,
Dad, & Mom

Joseph A. Germano

You, our first born- "A Son", we've had a bumpy road but not as bumpy as most. You've reached yet another **BIG STEP** in "our" (as parents), Big Step Program!! "Graduation from High School!"

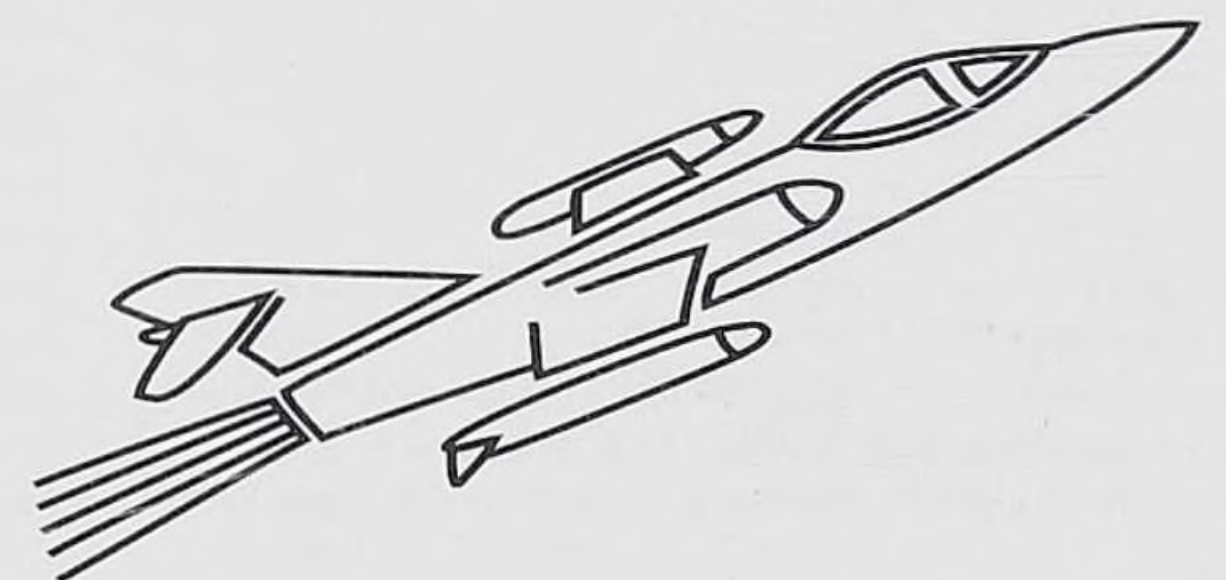

It hasn't been easy! And at times we've been hard on you. But it was and is always for You and not us. Especially getting you up in the mornings!!

Make us Proud Joey, make us **PROUD!**

Love,
Mom, & Dad

Joe, you are a unique brother, I will never forget the lovely times!

Love,
Your Sis Mary

Jim,
Jump into life. There is no
holding you back now. The world
is yours. Grab all the happiness and
success you can find.

Love,
Mom, & Dad

Jaimee,
We loved the sweet and gentle
child you were as we now love the
caring, loving young woman you've
become. May all your dreams come
true. We're proud of you!

Love,
Terry & Mom

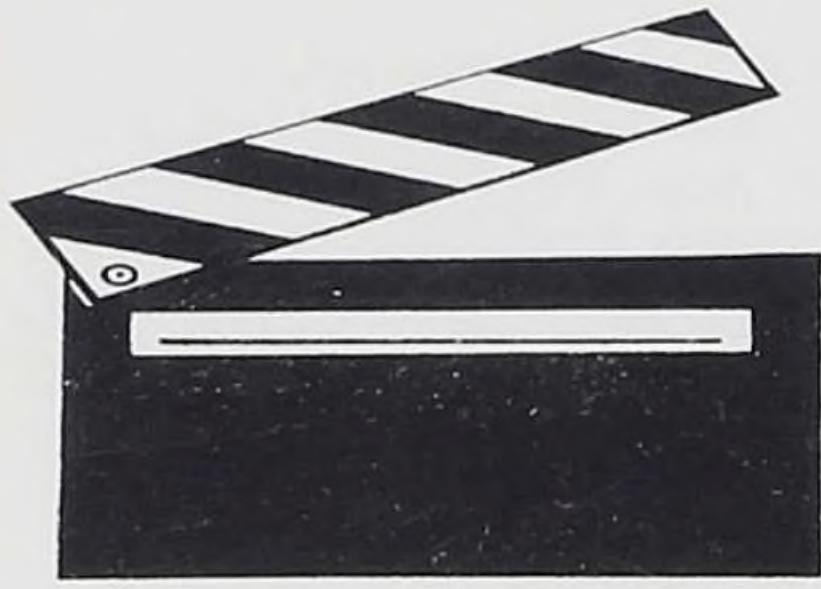

Gill,
"To everything there is a season,
a time for every purpose under
heaven." This is your time, Gill. We
wish you joy, success, and dreams
that always come true. May the Lord
bless and keep you!

We Love You,
Mom, & Dad

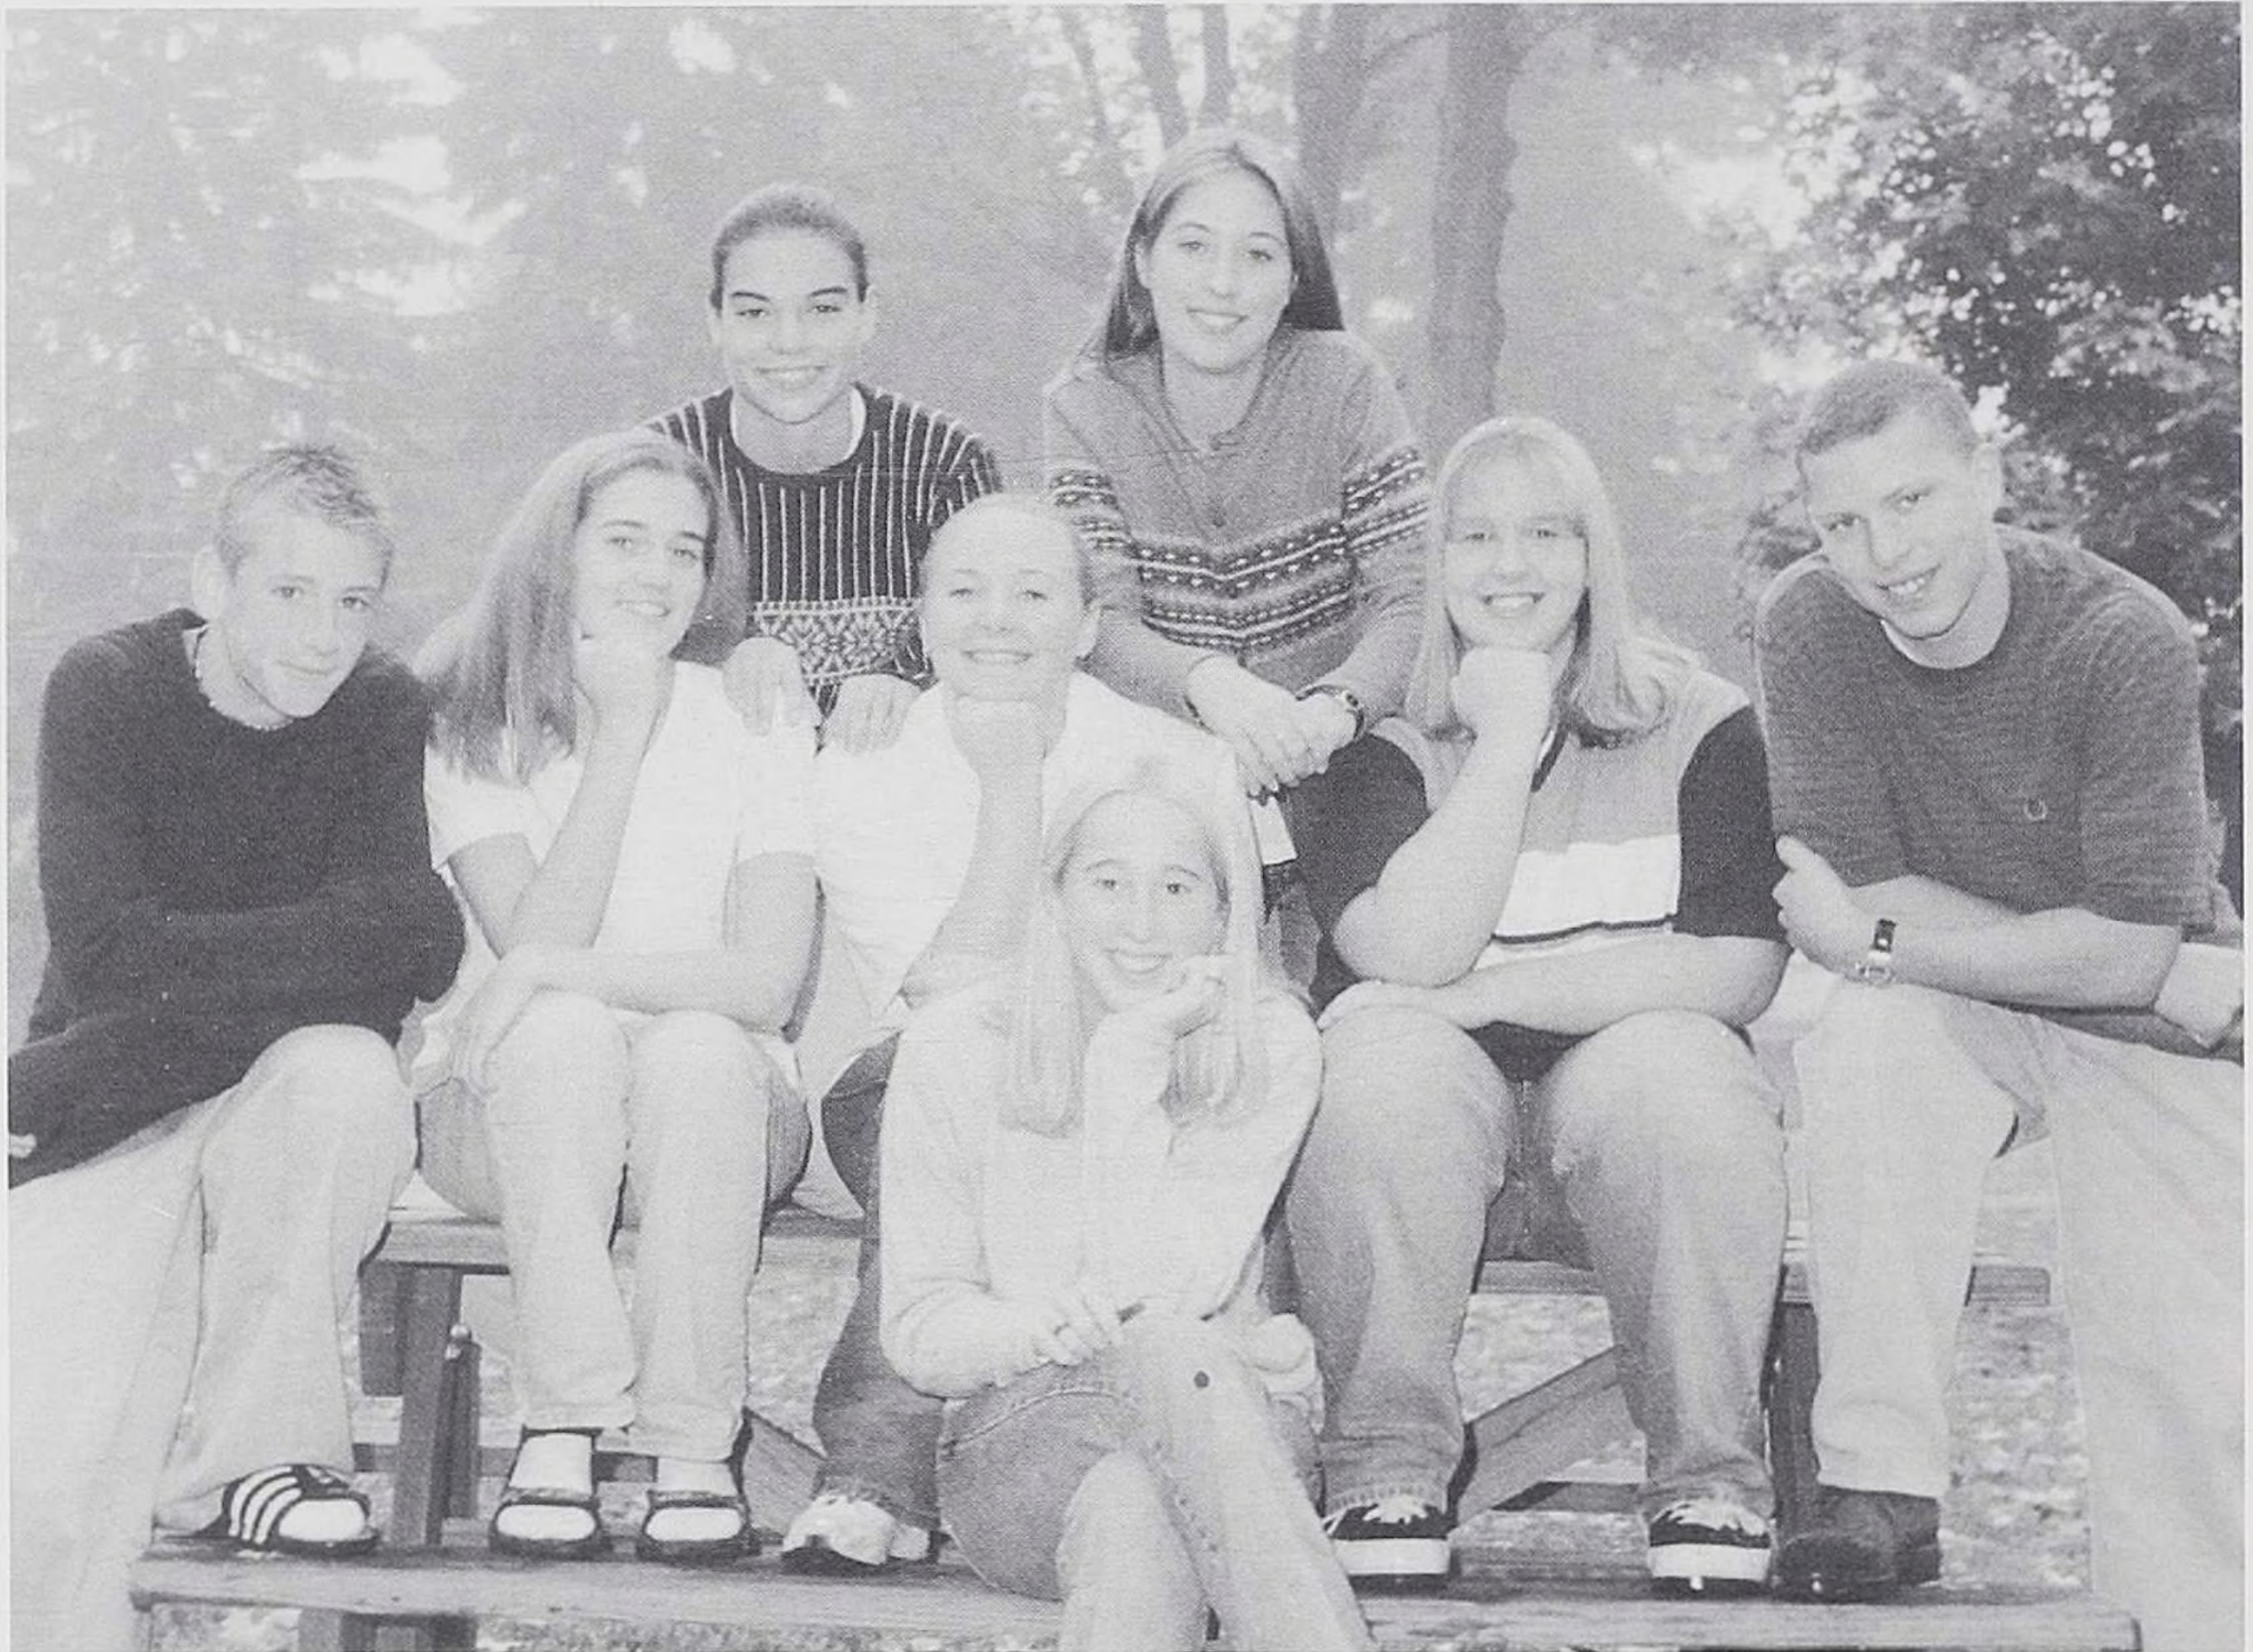

Live with intention, walk to the
edge. Listen hard, practice wellness.
Play with abandon, laugh. Choose
with no regret. Continue to learn,
and appreciate your friends. Do
what you love. Live as if this is all
there is.

I Love You,
Mom

Looking back at the memories of
our past;
Seeing how everyone has
changed so fast.
Remembering great memories,
The good ones and the bad.
Sharing the moments when we
were happy, and the times when
we were sad.

The friendships that have emerged, and the ones
that fell apart.
The ones we fell in love with, and loved with all
our heart.
Memories like this can easily be erased,
Just by thinking of all the problems we have faced.

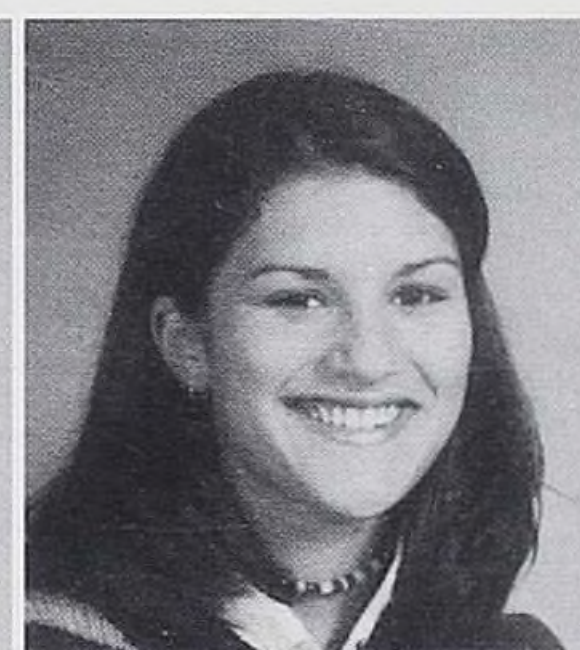

The fighting and the grudges, will they ever end?
Life is too short, it's better to keep a friend.
There is no need for all the hate and tears.
They're nothing we'd want to remember through our high school
years.
Moving on is the hardest thing to do, thinking we'll forget everyone
we knew.

Time is too important to let it slip away,
Extend the moments that we have to make them better each day.
Our lives are like a little book, we open it up and take a look.
As we see who we've grown with age, it's like we're turning another page.

As the years pass we mature and
come together like a great
overture.

We do grow older but we're still
quite naive, because we live in the
past on those great summer's
eves.

Some have great futures and plans
and like birds, will soar.

Some will need help, those yearning for more.
And when we're old and so much more wiser. The
memories coming pouring out like a great white
geyser.

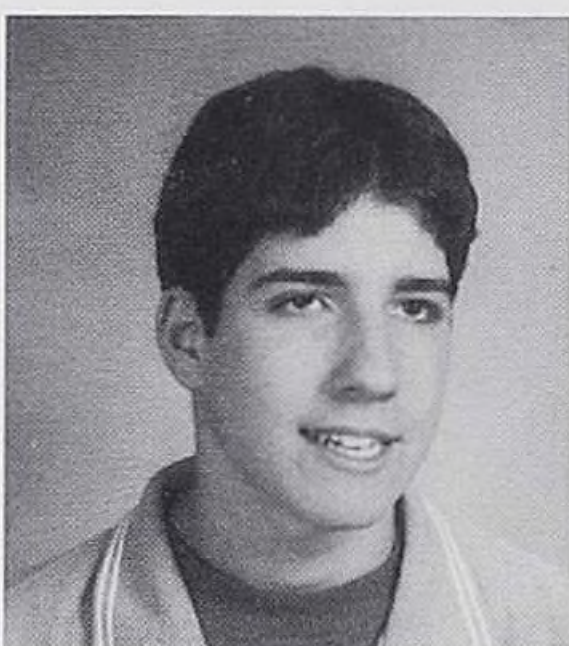

We'll think of our fears, butterflies, and tears. And all
the laughter shared with our friends through the
years.

So to your supporters and friends thank them while
young, because when you do become older it just
might not get done.

Changes are evolving through us and are taking place each day. It's like we've entered a new world and are struggling to find the way. Everything is different to us, and everything is so new.

It's time for us to grow up and take on the responsibilities to get us through.

Try not to forget about the fun we had when we were younger,

Though it will be hard with the pressure we are under.

We still have so many things to explore and great things to look forward to;

Life, Love, Prosperity, with these we can make it through.

These are the days we look back on and reminice about.

As we go on after our high school days and remember the things we forgot.

Our futures are so bright and can hold many gifts.

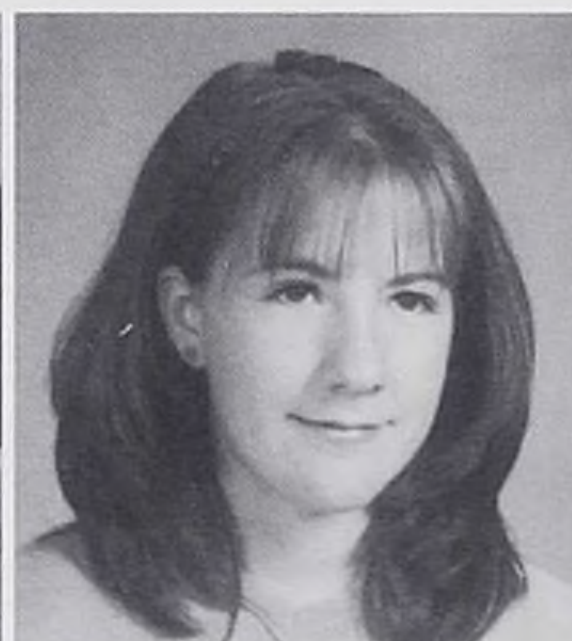

All of our paths are different and they all can shift.

So hold onto the memories and never let them go.

They can help you through the bad times and look at them when you're old.

SUPERINTENDENT OF SCHOOLS

Dr. John P. Edwards

The mystery that lies behind the door marked "**Superintendent**" is Dr. Edwards. Most of the students at Olean High know who resides in this mysterious office, but never realize all that has been done and is in progress from the work of Dr. Edwards and the School Board. This past summer there was a threat of the school budget being cut. This budget was voted on by the residents of the Olean School District and passed. This marked the first time that a public vote has been held on our school district budget. Our extracurricular programs were in threat of being cut, and Dr. Edwards motivated the students at various functions to go out and campaign. All of our efforts proved successful.

Presently the school district is in progress of examining the Olean Middle School and portions of Olean High School in hopes toward building improvements. The areas being looked at in Olean High School include the auditorium, student lockers, and the library. In the Middle School, they are awaiting approval to go ahead with a major renovation and construction project.

Olean High students continue to perform well on Regents exams and achievement tests. Dr. Edwards remarks how many students and organizations exhibit outstanding school citizenship, through the resources and time they donate to all types of community organizations. He also gives credit to the O.H.S. students who continue to excel in music, athletics, and other extracurricular activities. He congratulates us on continuing the trend that has existed for many years in Olean High's extracurricular programs.

Well, as you can see the mystery is unfolding. Dr. Edwards has given us an idea of the goals of the School Board for the near future, and given the students of Olean High a good feeling about the work they have accomplished. The door marked "**Superintendent**" is not such a mystery any more, if anything it's a comfortable place to stop in and chat with Dr. Edwards.

The purpose of SAC is to organize the activities of the students. To become a member of SAC one must be elected to a class office by their peers.

The SAC plans everything from assemblies to Jar Wars. Everything that the students take part in, the SAC officers must first plan ahead. Without the SAC this school would be very dull.

The Tel-o-scope is the Olean High School newspaper. Their goal is to make our newspaper have features that people want to read. How would our school function, without the use of fliers, posters, and announcements. It wouldn't. The tel-o-scope's purpose is to spread the news and high points of Olean High in an orderly manner. Their goal is to make the newspaper have features that people want to read about. The stories are factual with a twist of individuality. The tel-o-scope staffers work hard, and their payment is the students of O.H.S. enjoying the articles as much as they enjoyed writing them.

AP English is a course designed to help students challenge the AP exam given in May. Using recommended readings and assignments, students read novels, plays, poems and essays and learn to write and explicate their reactions.

This class is conducted by Mrs. Wehmeyer, head of the English Department. She is known by her immense singing talent and her ability to make reading and writing enjoyable.

If your a senior who loves to read and write this is the perfect class for you. You will get all the benefits of an enjoyable teacher and a challenging curriculum.

Back To The Future...

A.P. History is a class that provides students with an opportunity to explore American History in great detail. The students take part in class discussions that allows them to interpret various ideas and different view points.

A favorite activity is "agree/disagree." This is where students voice their opinions on historical events.

This class emphasizes on improving study skills, working independently, cooperatively, and creatively, and the A.P. exam.

Art Club is an organization that gets together once a week to do nothing other than art. The main goal for the members is to place in one of the art contests that they enter. Many members have done rather well in these competitions.

Another reason for the art club is to draw designs that could benefit the school. The whole group works together on the project. This year they are making the sets for the school musical "Anything Goes."

The most anticipated part of the whole year for someone from the Art Club is the annual trip to one of the many museums in the northeast United States. The Art Club raises enough money during the school year to take the one day trip.

The main emphasis of A.P. Art is portfolio development in preparation for those students pursuing a career in the visual arts. The portfolio is divided into three sections: Breath, Concentration, and Quality. The breath section consists of twenty works- 8 drawings; 8 designs, and 4 pieces of sculpture. The Concentration section involves the creation of 18 works of art that are based on a theme of the student's choice. In this area students must demonstrate technical growth in a variety of media and intellectual growth in the ongoing development of their theme. The A.P. Art portfolio is an intensive course that requires serious motivation on the part of the student for successful completion of the portfolio and college credit.

Kellie O'Brien

Many of the students enjoy this class due to the relationships between the teacher and the student.

AP Art: **Bottom Row:** Joe Holland, Andrew Kellner, Josh Townsend, Jason Woz. **Middle Row:** Jaimee Blazejewski, Tiffany Bailey, Jackie Gaynor, Danielle Zawatski, Mrs. Heinz. **Top Row:** Mrs. O'Brien, Sarah Moscato, Ricky Caskey.

Row 1: Kristy Price, Chris Keller, Jackie Gaynor, Jen Talabisco, Erin Bergstrom Row 2: Amie Payne, Valerie Waldron, Julie Ryan, Wendy Meyers, Kim Rivetti, Jamie Rosenswie, Kyle Hull

Would you like to be sitting in a plush classroom, with five big screen T.V.'s., and the newest advanced technology? Well, than sign up for A.P. Bio. This class is taught by Mr. Moser. Students engage in distance learning ,where they participate in classes with cameras on Catt. and Olean.

This class is a great experience and is taught through the newest teaching methods. If you ask the students what the worst thing about this class is, they would say that during class parties you can't fax each other food.

A.P. Bio. is also a great way to pick up people. You can meet great students through distance learning. and some really cute guys.

A couple of years ago Science Club was not so popular at O.H.S. This year that has all changed! The Science Club is taking a wild trip next year. In the spring, the seniors in the club will be taking a four day cruise to the Bahamas. They will be laying back in the sun while learning about the tropical fish in the sea. The students will be snorkling in the great ocean while getting a great tan.

But, this trip will not be cheap. The students have been working very hard raising money all year. The club sells unique "wild animal" t-shirts and "save the planet" posters. Well, don't worry you have not missed your chance. If you want to take a fabulous, adventurous, cruise you can still join.

Dangerous Minds

Principal's Advisory Board

The Principal's Advisory Board and the Building Level Team/District Planning Team are both organizations that work in trying to make Olean High a better place. They come together as the voice of the student body, and try to bring about change. Many positive changes have occurred as a result of these organizations, such as soap in the boys bathroom, Nintendo in the senior commons, ect. Those are a few examples of the petty little things that we students at Olean High take for granted. They have also dealt with some very important issues, such as student parking, which is a huge problem for the majority of us. The two organizations are now working together to come up with a comparable solution to this problem. Both organizations meet once a week and all Olean High Students are welcome.

Have you ever seen those great candy grams that float through the school. Well, all these yummy treats are all a part of the French Club fundraising. The club is planning a two to three day trip to French lands. They plan to visit Montreal and Quebec City to enhance their understanding of the culture and language of French speaking countries.

The French Club doesn't only raise money through fundraising, but also work closely with the exchange students from France. They host a reception for the exchange students, which is to introduce them to our school, our students, and to our culture.

For those of you that dream of Paris and the magic of the French language, French Club is the place to be.

Do you recall the National Lampoon's European Vacation. Well, just imagine being able to take in all the beautiful sites in Paris, minus Chevy Chase and all his blunders. The members of Students Abroad are planning a two week stay in Paris. They will do touring and spend time with host families. This year they are approaching the program differently. They have decided not to involve many home stays and the school situation will be much different. The students are working very hard to raise the money they need to take this once in a life time adventure. The students who will be traveling are anxiously awaiting their journey, and from the movies and literature on Paris, who wouldn't be!

The Olean High School Spanish Club has had many fundraisers this year. They are selling various items in order to go to Costa Rica on March 16, as part of their exchange program.

The students from Costa Rica came to Olean in January. They have been to various places. They have visited Niagra Falls and have been shopping in Buffalo. The students are staying with host families. The students also have been taking part in traditional "winter" activities, such as ice skating, going tubing at O'Dea's, and having many snow ball fights.

The Olean students will go to Costa Rica in March in a greatly anticipated trip.

Can you answer these questions?
Which creature is not oviparous?
A. condor B. bullfrog C. stingray D. platypus or E. crocodile. Which words contain the prefix meaning "fat"? A. iliocostal, iliopsoas B. rhinorrhea, rhinocoele C. lipoproteins, lipophilia D. chondric, chondroblast or E. osseofibrous.

These and another 198 questions were asked at the 29th annual Knowledge Masters Open.

Knowledge Masters is a nation and world wide program consisting of thousands of schools around the world. This brain teasing contest consisting of 200 challenging questions makes your mind go to many lengths. The questions being answered by our 21 contestants are ranged from history to fine arts in 15 categories.

The contest took place on December 3 in their own schools all over the world. The questions were asked and answered on computers that were timing the Knowledge Masters. They did very well. Way to go!

This year O.H.S. has a new club led by Mrs. Petruzzi and a group of students' thirst for language. Just like any other club, the Latin Club does all sorts of fundraising. Their ultimate goal is to take an exciting trip to Rome, Italy next year. They plan to tour the ruins of the majestic colluseum and see the fluent memorials of the Roman culture.

With Honors

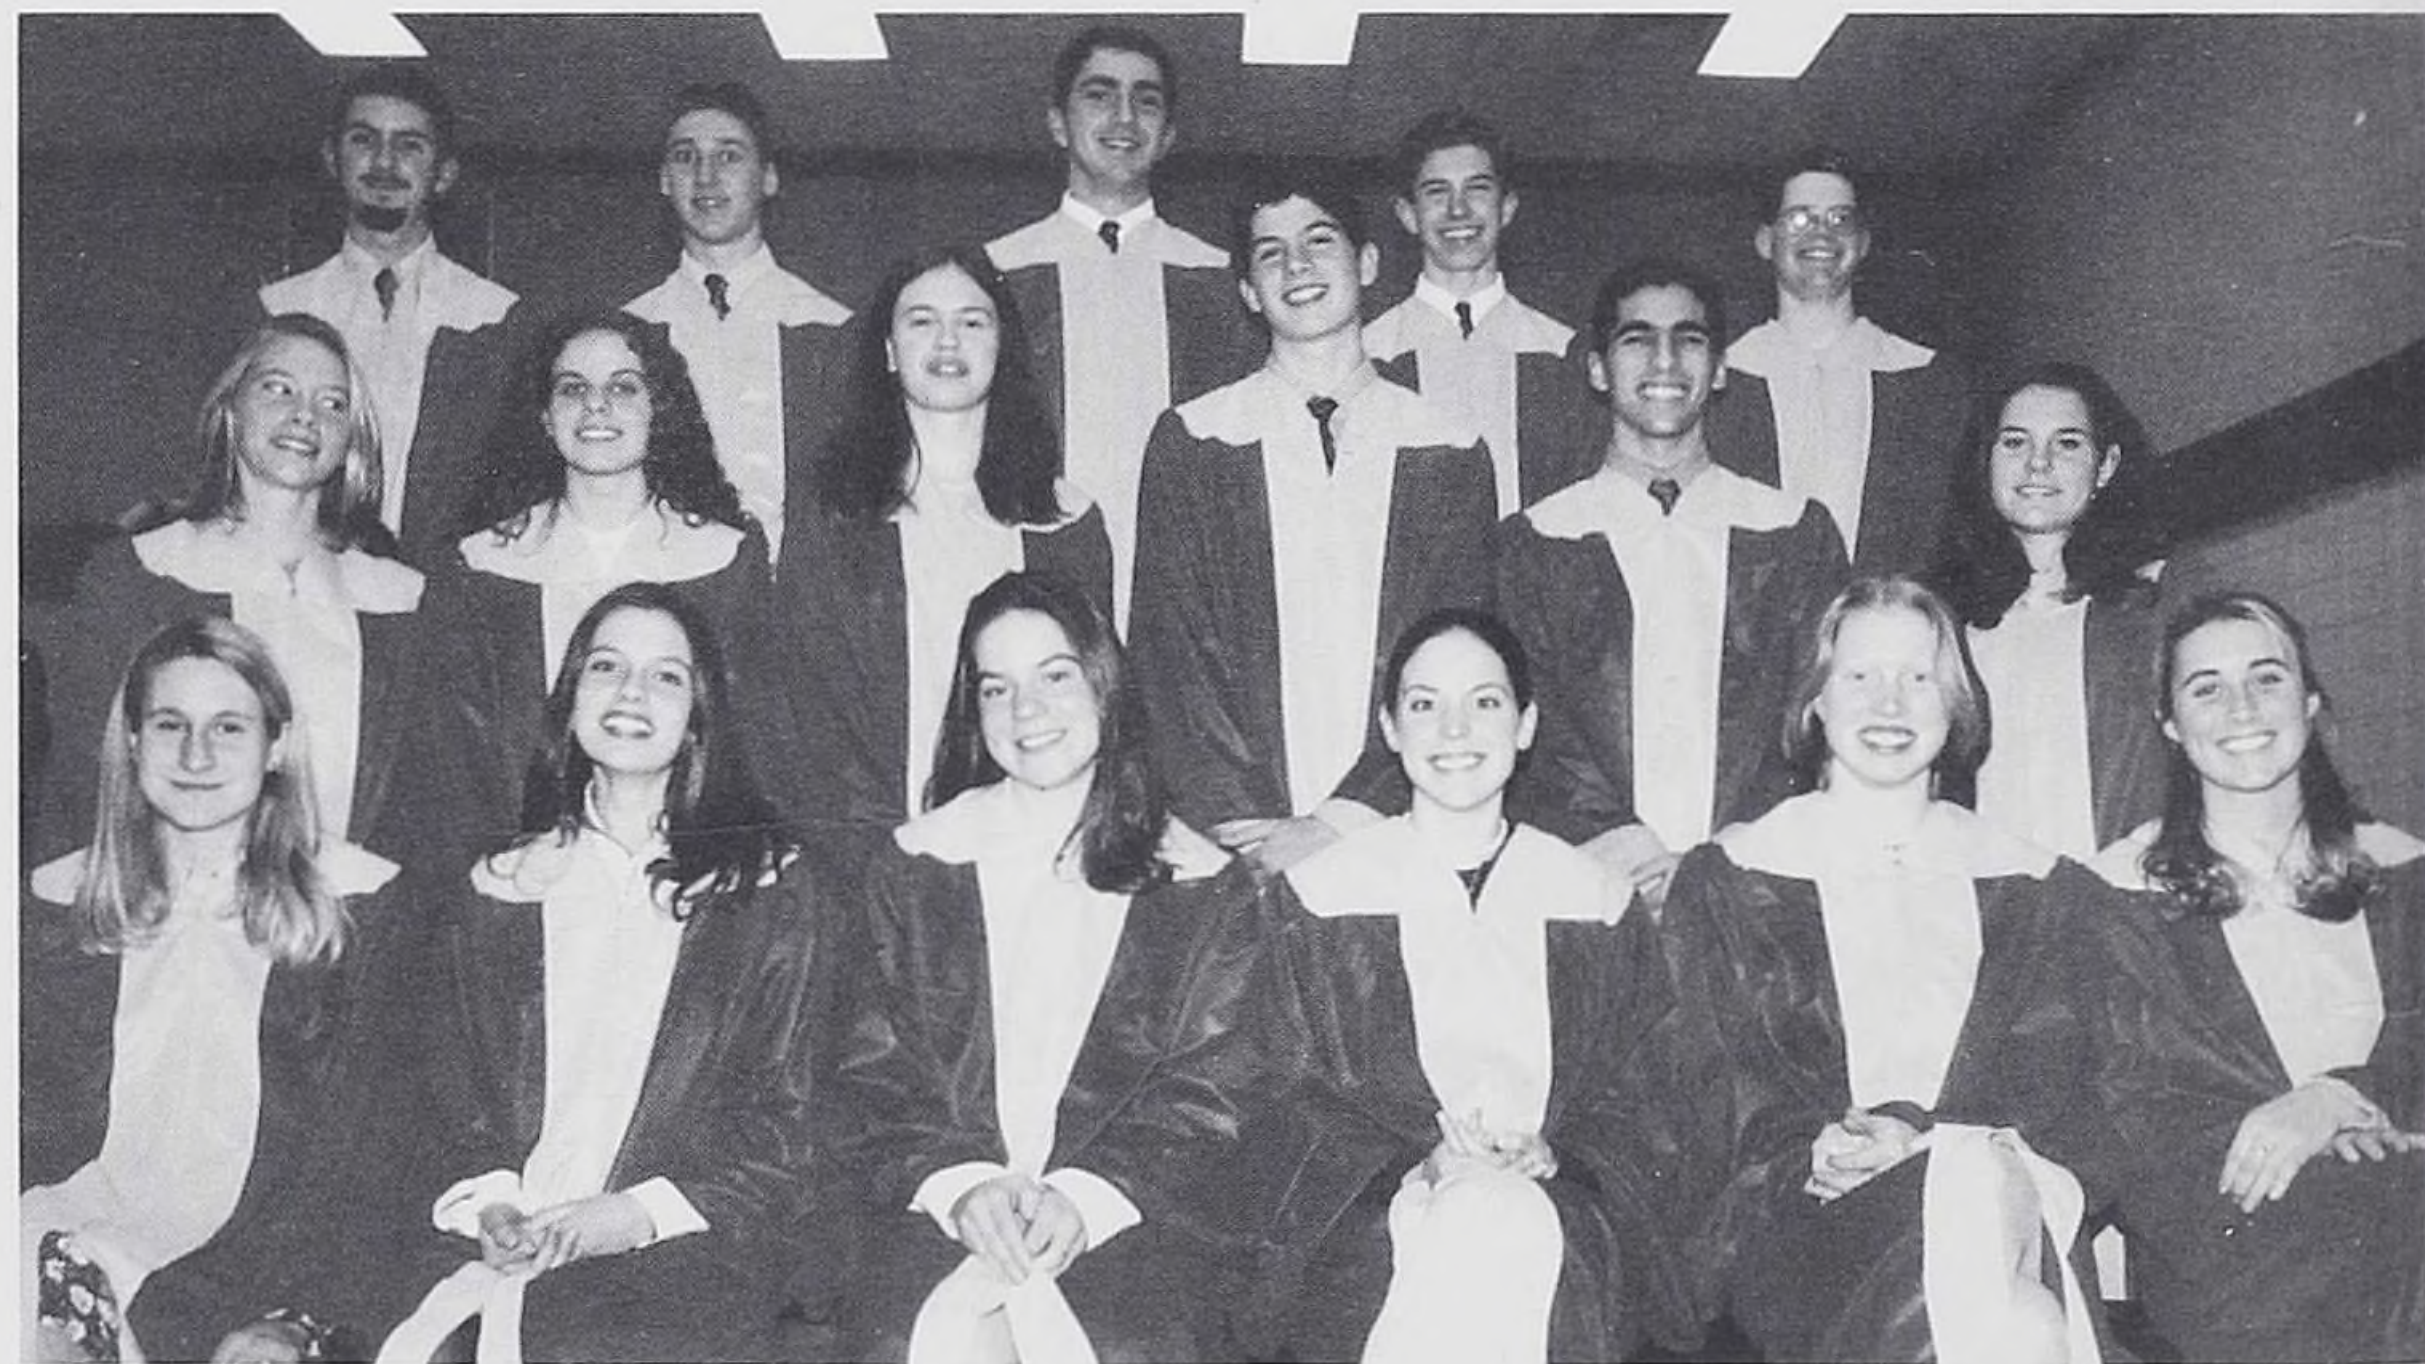

1997-1998 Inductees- Row 1: Antoinette Kraus, Noel Lamb, Michael Magnuson, Paul Malpiedi, Scott Margeson, Amy Mikolaczkyk, Crystal Potter, Matt Rake, Brianna Hardiman, Janel Snyder Row 2: Melissa Kosinski, Chris Keller, Matt Kellen, Traci Connely, Katie Bush, Carrie Sheehan, Tod Symons, Matt Cowels, Phil Gabler, Kelly Dlugosz, Angela Foster, Sarah Ash Row3: Holly DaPolito, Billy Blair, Matt Irving, Patricia Silluzio, Michael Rogers, Chris Walk, Elizabeth Turtinek, Nathan Baker, Daniel Hanes, Kelly Welch. Also inducted into the National Honor Society, post humously, Jeanette Stromberg.

Every year around Christmas time, selected juniors and seniors wait to be tapped. Tapped into National Honor Society that is. What makes these students so special, is the fact that they have busted their brains and took time to devote themselves to many school and communittee activities.

National Honor Society is not just about academic acheivment, but it's also about being a well-rounded person. NHS also looks at character, leadership, sholarship, and service. That is what makes it such an honorable award to recieve. It lets students know that when they work hard they will be recognized.

1996-1997 Intuctees- Row1: Danielle Zawatski, Jackie Gaynor, Alecia Fay, Jessica Kinney, Wendy Nevins, Kristan Price, Row 2: Valerie Waldron, Julie Rostan, Wendilorian Meyers, Joshua Dynda, Howard Balaban, Sara Thomas Row 3: David Ash, Matt Ksionzyk, John Caputo, Kevin Leary, Gary Harvey Missing: Jen Talabisco

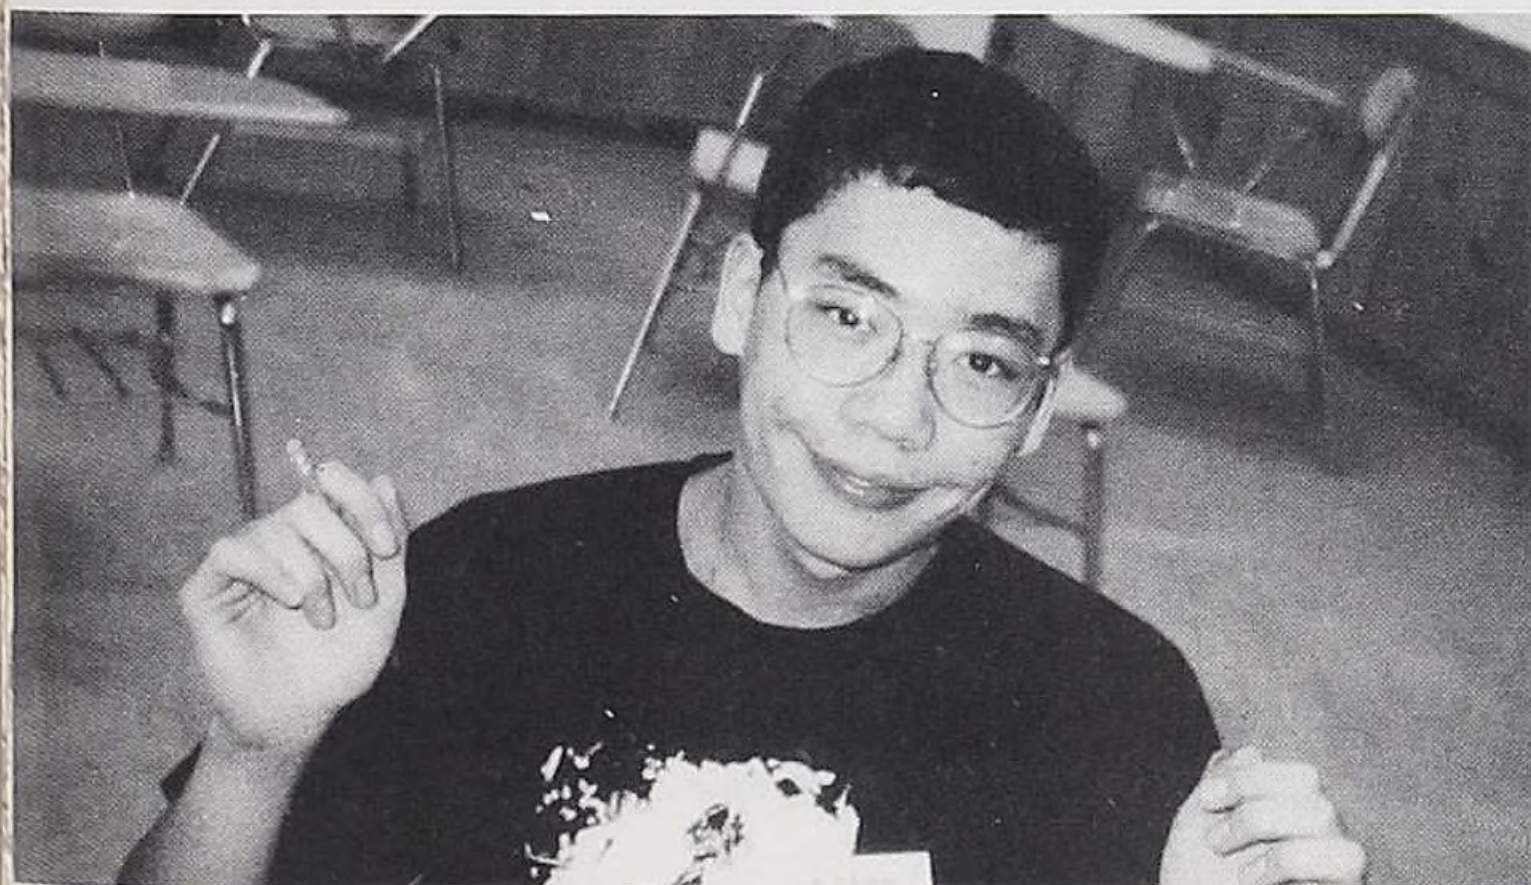

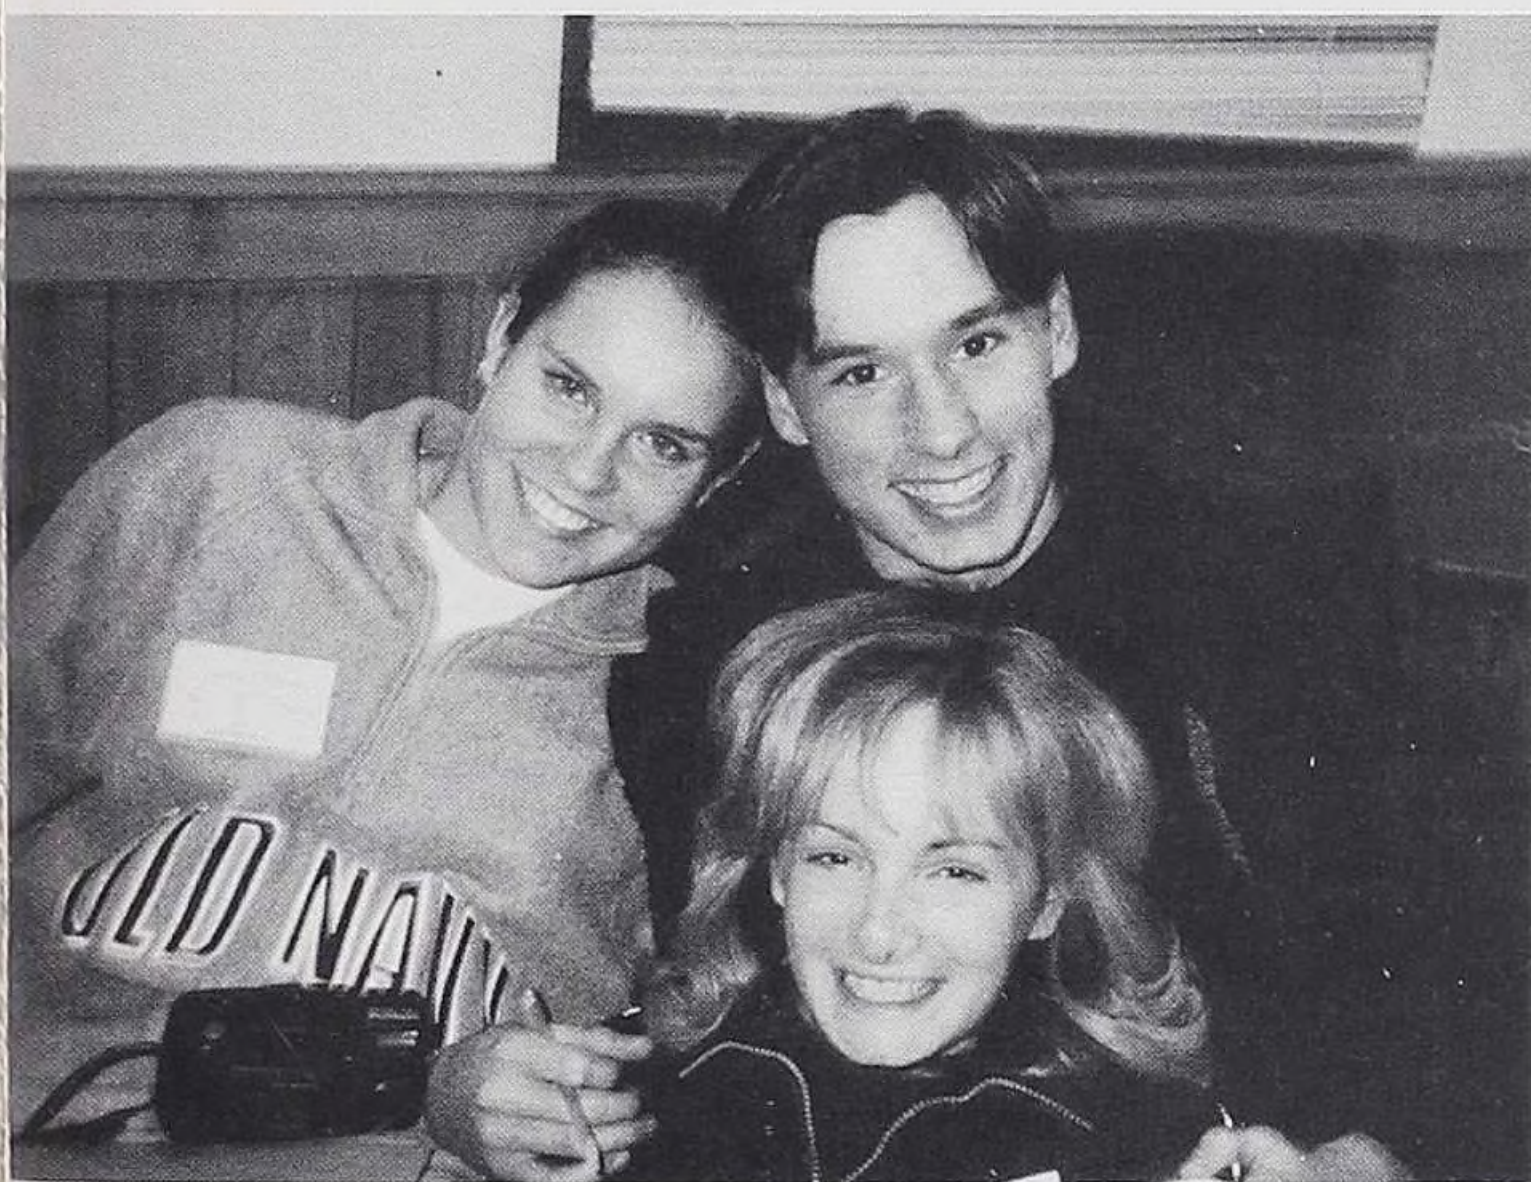

Stand By Me

To be a Peer Helper, one must be chosen by their peers. These people must be good leaders, trustworthy, and helpful to others.

This year's Peer Helper retreat was enjoyed by all. The group participated in many interesting activities. The boys, along with Mr. Bush, tied Matt Kahm up with electrical tape and left him on the doorstep of the girl's dorm. The boys also thought it would be funny to put all their leftover food on Dan Creeden's bed. When Bridgette Marting came into their room, she was pushed into the food on Dan's bed (as seen below).

The Rescuers Down Under

The OHS Key Club consists of students at Olean High that are interested in helping to improve our community. The club's members are president Antoinette Kraus, vice president Sarah Ash, Secretary Janel Snyder, Johnese Roof, Angela Foster, Nicola Dundas, and their advisor Mr. Holozman. The Key Club is a community service group sponsored by the Kiwanis Club of Olean. Our Key Club at Olean High sponsor things such as dinners at the Warming House and much more. They are invited to monthly luncheons at the Bartlett Country Club and are eligible to attend a state convention for all Key Clubs around New York State. Mr. Holozman said that they won't go this year, but maybe next year.

The Accident

S.A.D.D. is an organization devoted to helping students become more aware of the dangers of drugs and alcohol. The Olean High School Chapter accomplishes it's goals through school and community activities. For instance, around the time of a formal school dance, the S.A.D.D. organization goes around the school and asks every student they come in contact with to sign a pledge to stay drug and alcohol free on that night. S.A.D.D. also has a bulletin board outside of Mrs. Kupinski's room, their advisor, and post important facts and warnings about alcohol. The S.A.D.D. organization feels that if they change just one person's attitude about alcohol, they have been successful!

Anita Hill

Every day in American society, the issue of our rights emerge. Women, men, minorities, children, you name it, question it every day. An issue that has emerged over the past decade is sexual harrassment. Sexual harrassment is a violation to either sex, and our school had the privilege of listening to the words of Anita Hill, an activist on dealing with sexual harrassment in the work place. Miss Hill told the students and members of our community about the stand she took, and the opposition she faced. Anita Hill is a name well known when speaking of woman's rights. She took a step in the right direction , teaching us to value who we are, and not let things that we dislike continue.

After Anita Hill's speech, she presented Mrs. Lias with a copy of her book, to share with the students and faculty of OHS. Some students that listened in on Anita Hill's speech, conversed with her. Along with the students, Mr. Elder visited with Miss Hill after her presentation.

Good Morning Vietnam

What would our life be like without a media? The thought is baffling, even in our own sheltered world. The purpose of the televised morning announcements is not only to link us to the activities taking place in our school, but also to the events taking place world-wide.

It is not as easy as it looks. Students have to arrive at school at 7:30 each morning. They have to edit the school announcements and the information obtained from the internet. The students go live and are not given much time to practice. Sometimes some small slip-ups are inevitable.

We feel that our studio production crew works very hard each day to bring us the announcements. You never know our own reporters may become the next Dan Rathers.

The Great Outdoors

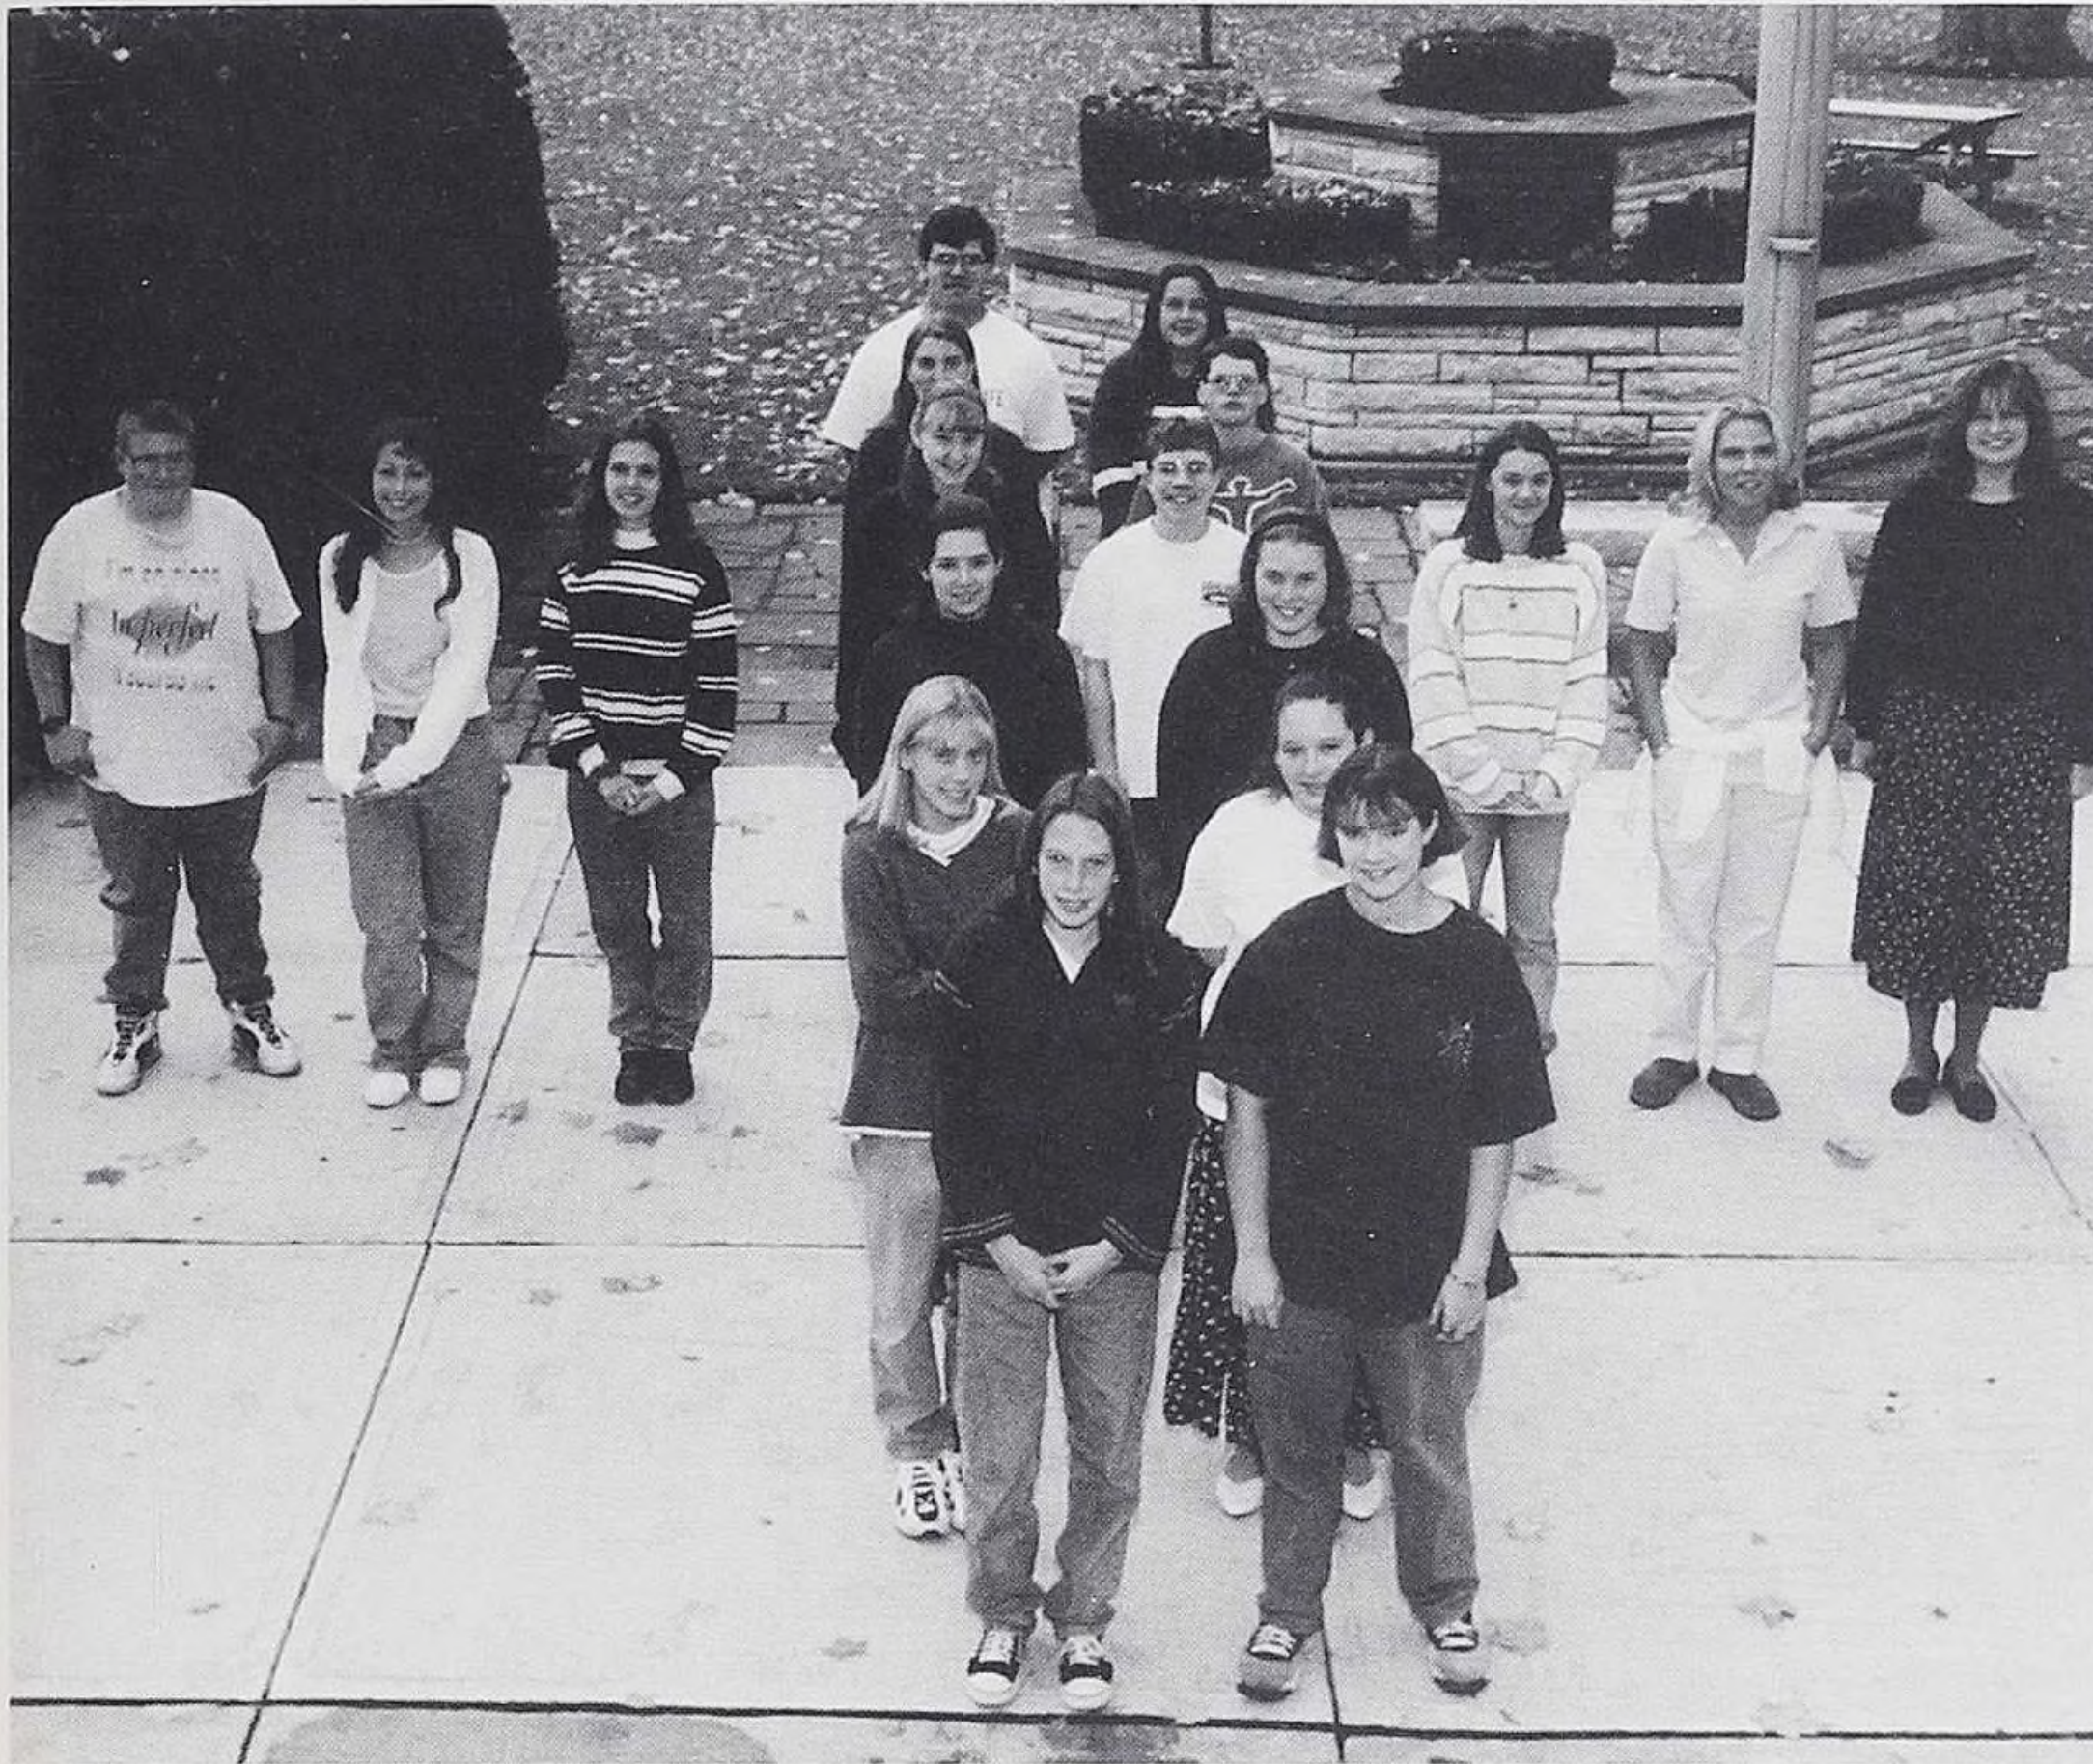

E.A.C. was started several years ago and its purpose was to clean up the school and school grounds. Several students come together to try to make out school a better place. They put boxes in all the class rooms for paper. Then the paper is collected and sorted and taken to be recycled.

The students in this club would like our school to be a safer and cleaner environment for everyone. They are trying to lower the amount of garbage made by the school. By recycling less garbage is thrown out which leads to a cleaner, better, and happier school.

The Ten Commandments

Bible Club was first organized at Olean High School during the 1996-97 school year by a group of Christian students of various denominations. These students wanted to get together regularly to pray, share their faith, and encourage each other.

Bible Club meetings are held weekly and are open to all students. A typical meeting includes sharing time, singing, a lesson from scripture presented by a member, discussion and prayer.

In this, the Bible Club's second year, attendance at meetings has grown, an outreach pizza social was held in the fall, and a weekly prayer meeting has been held in member's homes. Bible Club is considering sponsorship of a needy child overseas and members have expressed an interest in volunteering regularly in area nursing homes.

Absolute Power

Throughout the year, Model U.N. has taken the role of different countries around the world as if they were part of the United Nations. They discuss the different global issues that these countries are having problems with. They have pretended to be different countries like Poland and Libya, and have discussed issues involving the Security Council and women's Rights around the World.

EMIL RIDWAN

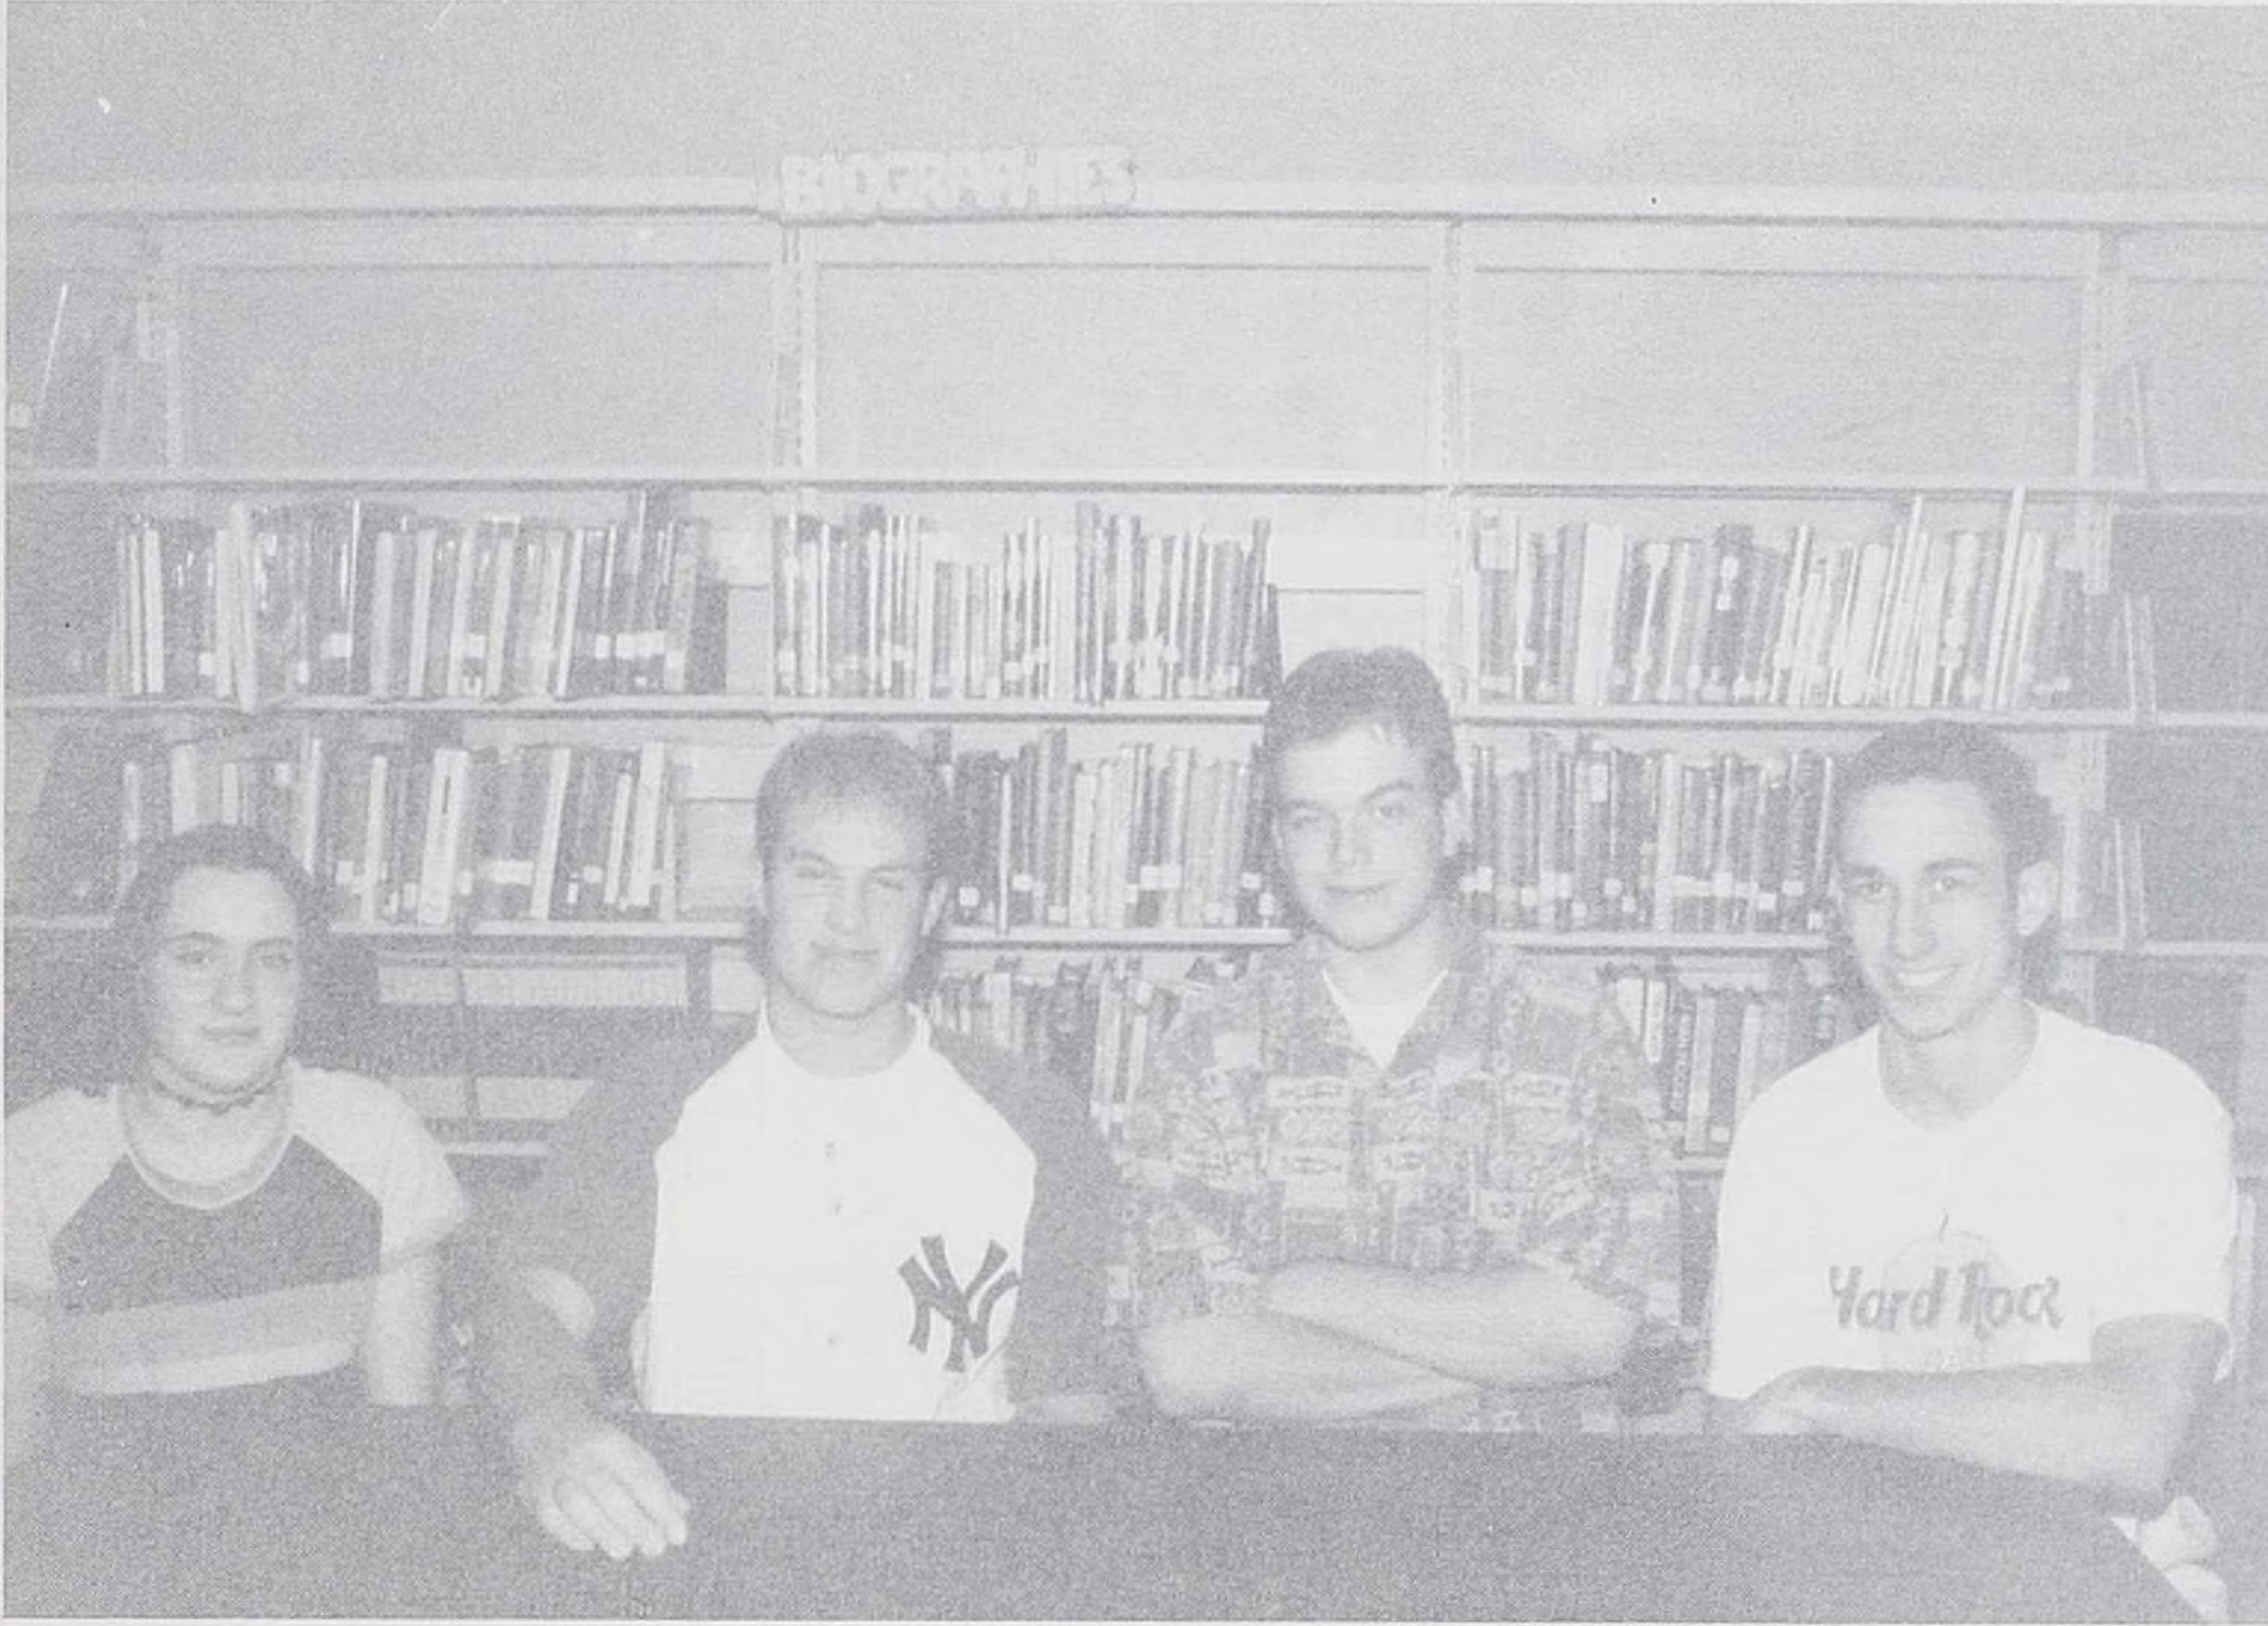

Hallo, saya siswa pertukaran pelajar dari Indonesia. Saya suka sekali belajar di OHS. Anak-anaknya baik dan sangat ramah. Dan saya juga mau mengucapkan terima kasih yang sebesar-besarnya kepada seluruh anggota SAC, karena mereka telah memperlakukan saya dan Edoardo sangat istimewa. Disini semuanya sangat beda. Satu hal yang saya tidak suka adalah udaranya yang sangat dingin. Saya harap ini semua menjadi pengalaman yang sangat berharga untuk saya.

Hola, Soy Eduardo (Venezuela)

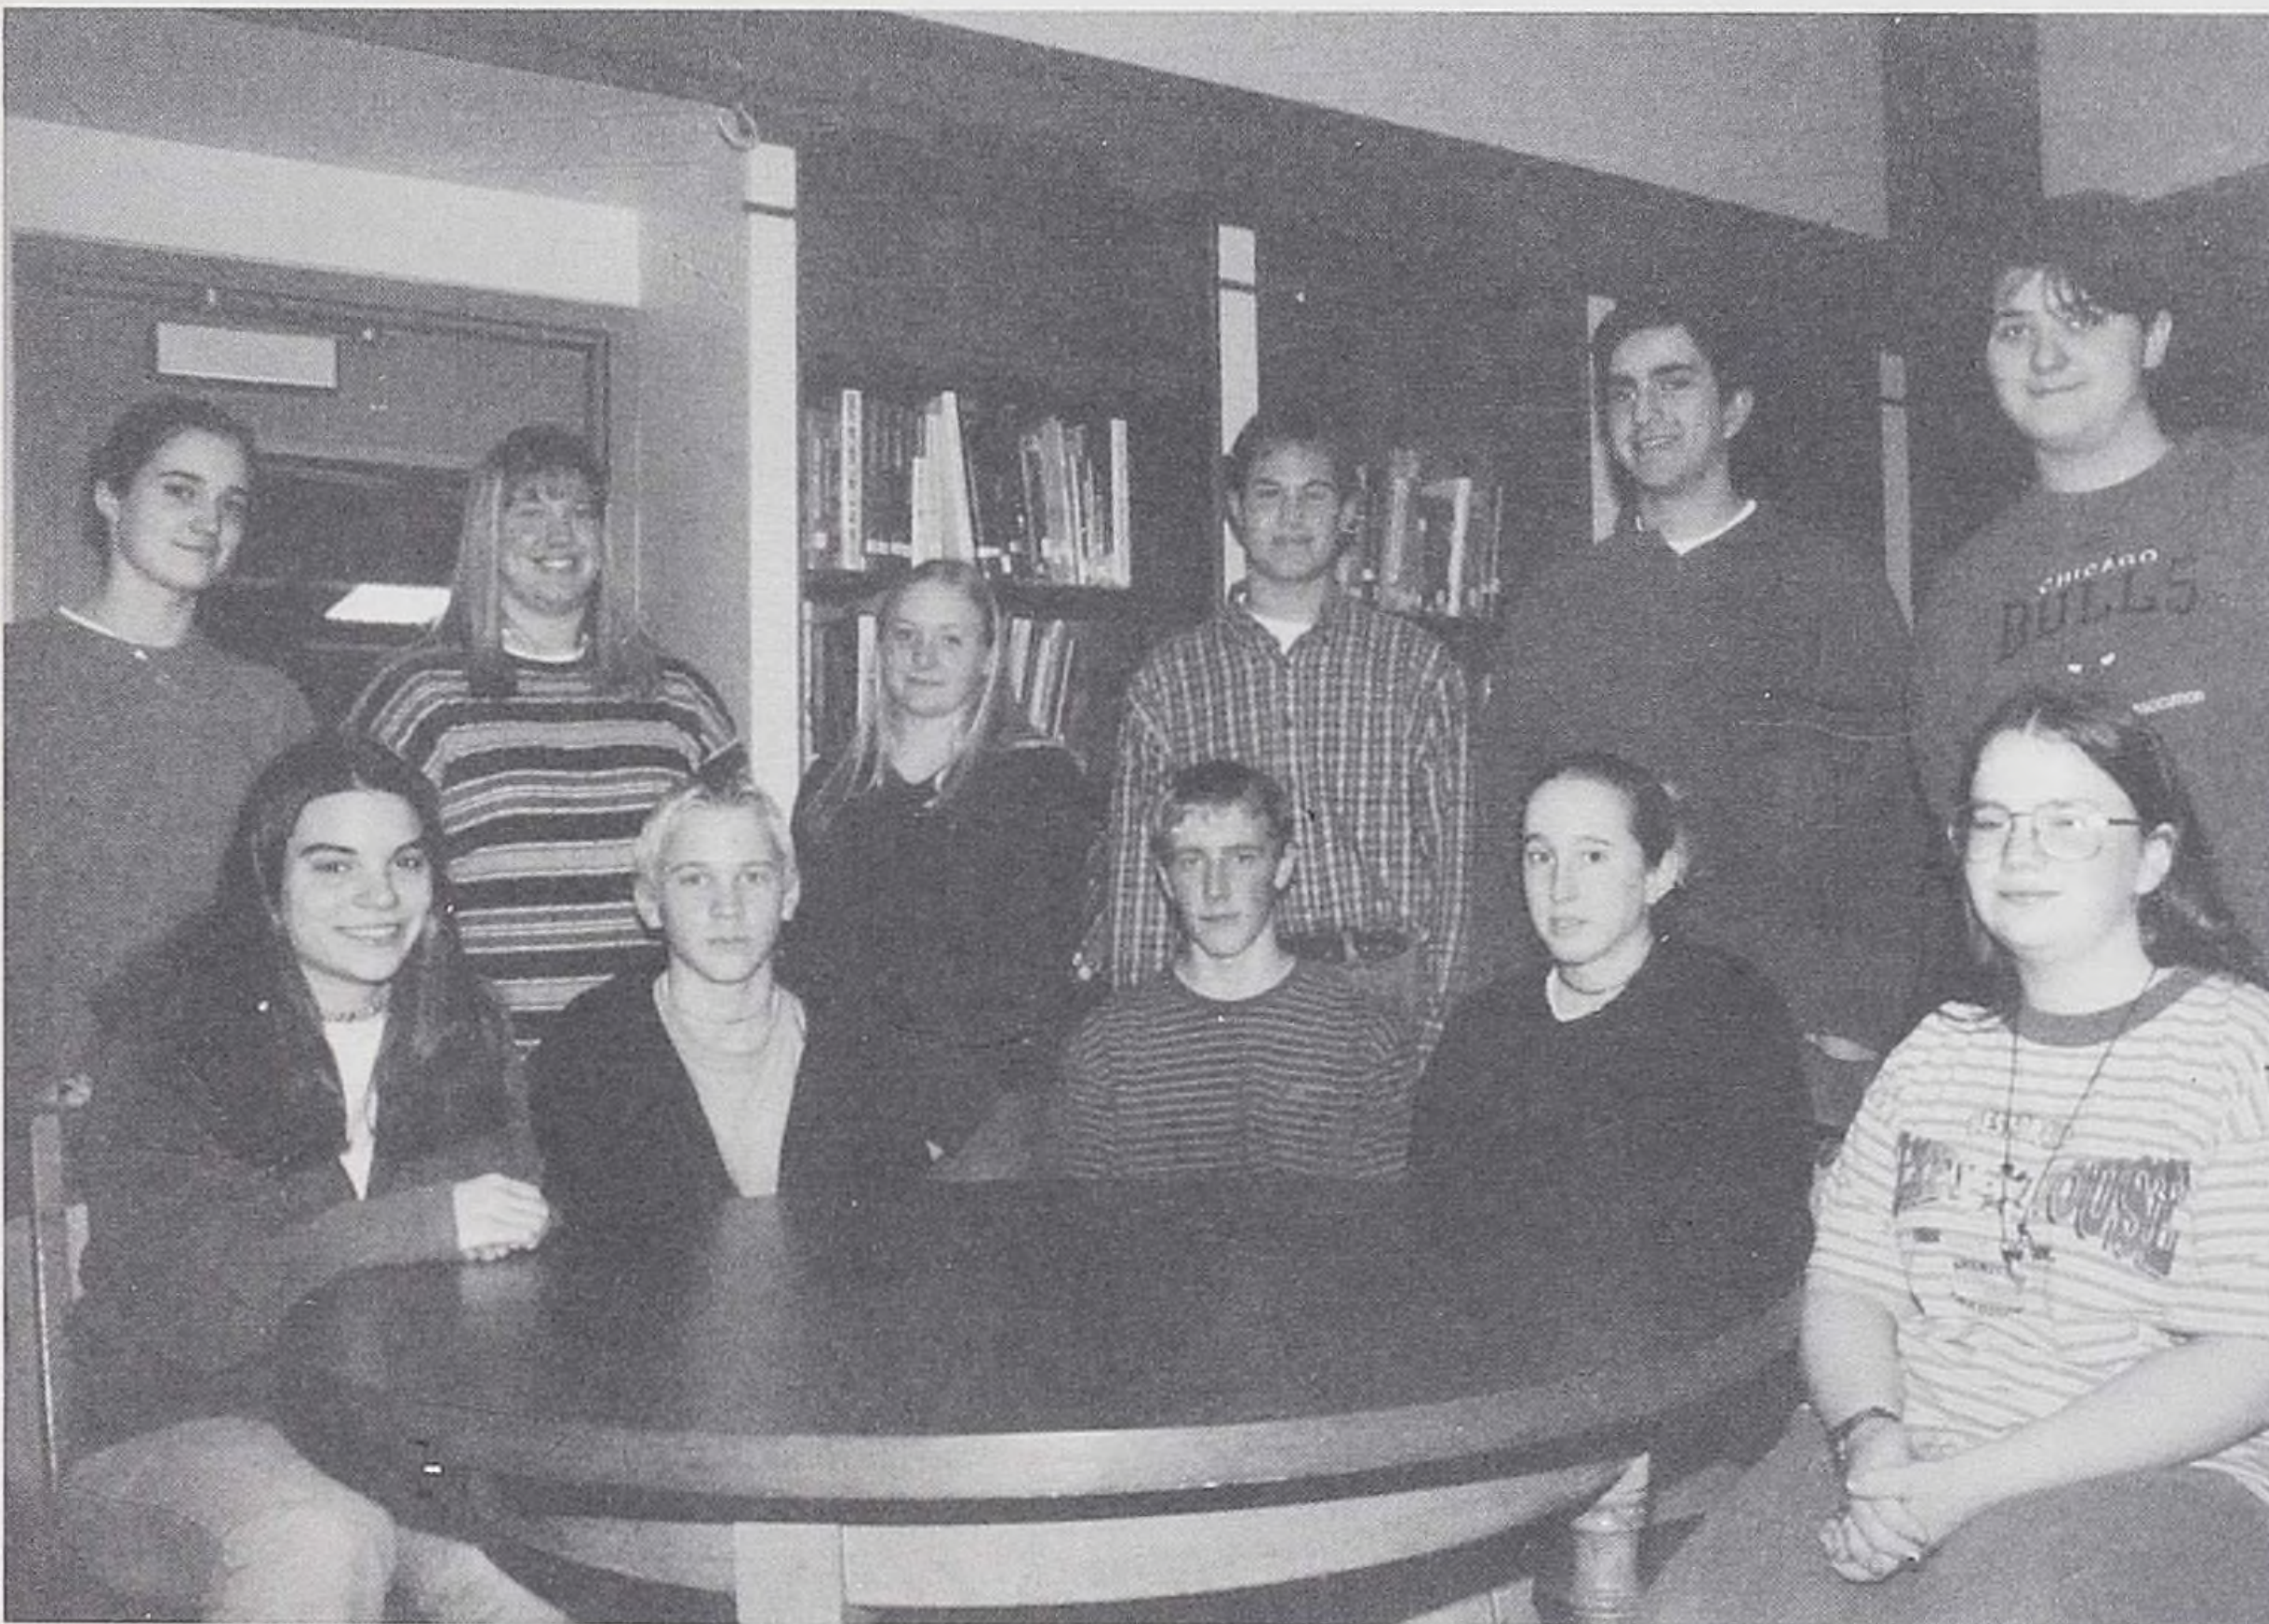

La he pasado de lo mejor aquí en Olean. Las personas son bastantes amables, tanto en el colegio como en el pueblo. He aprendido bastantes cosas que me van ayudar bastante en vida, he hecho nuevos amigos. Bueno no se más que decir ~~me~~ ha sido muy bien aquí en Olean High School.

County Government is an excellent way to learn how our government operates as well as meeting students from throughout the county. It consists of classes about leadership, debating, and the legislative process, as well as an internship with a local legislature. It is held every first semester on Wednesdays at our county seat in Little Valley, it is coordinated by Lori Vincent.

Youth Court is a great opportunity for high school students to play an active role in the court and legal system. Youth Court deals with juvenile offenders under the age of 16, and its judges can administer letters of apology, community service, and probation as sentences. Court is held at 5:30 PM every Monday and is coordinated by Cas Konieczka and Susanna Bathurst.

Labamba

On March 16th of this year, 14 Olea High students and two chaperones will be traveling to Costa Rica. They will spend 18 days there, sharing experiences and cultures. Earlier in the year, 11 Costa Rican students and their teacher came and visited our school and became a part of our lives. They taught us their way of life and learned to follow ours. These 11 students entertained us with their dance and customs. These students went to the Lion's Club for dinner and entertained them there also.

The exchange students hosts showed them our ways of amusement. They took them bowling, shopping, snow tubing, and several other entertaining places.

Through this great experience, we are hoping to strengthen the bonds between our countries and gain a life-long friendship.

Q: Despite a 2-6 season overall how do you think the team did?

A: Although our record wasn't as good as we expected we played very hard, and always gave our best effort.

Q: What was the most memorable thing that happened?

A: Playing at Rich Stadium in the 100th Bradford-Olean Game.

Q: If there was one thing that you could change during the season what would it be?

A: The mental mistakes we made cost us a much better record.

Q: What do you think the turning point of the season was?

A: Getting behind, early against Fredonia really hurt our confidence, espically, when we couldn't complete our comeback.

1997 IAABO TOURNAMENT

Balance is the Key

From an offensive game to defensive game, and from inside the three point arc to outside of it, the Olean Girls Basketball Team has balance. This year the girls worked a balanced attack and from that reached many of their seasonal goals. These include, winning the C.C.I.A.C League with an undefeated record (10-0), the first time since 1982. They ended season play with a 17-3 record. The team also won the IAABO Tournament, and won at Southwestern, the first time in eleven years.

As an individual achievement, Hollie Speroni moved up to the number two all time scorer in Olean High Basketball, which also makes her the highest scorer in Olean Girls Basketball. This is definitely an achievement that has been backed by countless hours of dedication, and many minutes of team play.

"The power to win must come from within." A quote that Coach Altmire says frequently to the team, and through playing with dedication, heart and most of all team work the power to win came from within each other.

The 1997-1998 girls varsity soccer team has accomplished many goals this year. With their green armbands at their sides they managed to make it as far as state regionals and that is further than any soccer team has made it, girls or boys, in OHS history. To add fuel to the fire Julie Smith reached a mile stone 100 + goals. At the beginning of the season the team suffered two unexpected losses to Allegany-Limestone, and Lewiston-Porter. After these two dissapointing losses the team didn't lose untill 17 games later at State Regionals against Rochester Aquinas Institute. This team wasn't just about hard work and determination, these girls also had fun. Between Juanita's antics, causing trouble in hotels at tournaments, and heckling the football players, soccer was even more fun. And as always they could be heard from miles away singing their fight song, or be seen doing their camp clap or The Great banana dance. The seniors will be greatly missed, 9 in all, but the under classmen have a legacy to uphold

The Olean High boys soccer team finished their season with a disappointing loss to Tonowanda 3-1 in the CCIAC division II sectional game. The Huskies finished their season 9-9 overall and 8-6 in their league. This year the Huskies beat famed Allegany-Limestone 2-1 with 2 penalty kicks put in by leading team scorer Ryan Wolfrom. Team captains Jared Zeigler, and Matt Ksionzyk combined together for 11 goals and 15 assists, leading the Huskies to their 8th year in a row with a winning league record. Goalie Art Mohagen seemed the backbone of the defense for Olean recording 3 shutouts and 8.5 for his career. The Huskies also had 3 seniors and a junior placed on the 2nd team all-stars, with another senior and junior on honorable mention. Returning for the Huskies will be 9 juniors and more sophomore JV players moving up. They hope next year they will win the CCIAC division II title.

This year the softball teams consist of girls with athletic ability. As the year progresses many expectations arise. The varsity team has set their goals and through their hard work and dedication hope to advance to the sectionals. To advance to sectionals the team must win at least half of their league games. The junior varsity team has set a goal of defeating all of their rivals from previous years. Both teams feel through long and hard practice they can achieve their goals.
