Dear Class of 2000:

Congratulations to a very SPECIAL CLASS OF 2000. As you graduate from Olean High, I would like to commend you most highly for your extraordinary achievements. You have impressed me throughout your four years as a truly outstanding class. You have been hard working, extremely well mannered, trustworthy, and loyal.

During the past four years I have watched you grow more poised and confident in your capabilities and have been pleased to see that growth. You have contributed much to Olean High School and that contribution has helped your own development.

Although you leave us, we will remember you always. The halls will grow quiet and your laughter and excitement will be missed. I wish you the very best of luck as you go out into the world to accomplish your dreams.

Sincerely,
