It's hard to believe that our baby is graduating from high school and leaving for college soon. It seems like only yesterday we were calling you "Peanut," and watching you take your first steps. You have grown into an incredible, intelligent, beautiful young lady, and we couldn't be more proud of you! Although we find it hard to bare the thought of you leaving home, we have no doubt that you will make the most of life and be successful in all that you do. We love you Lauren, more than words can express. Congratulations!

Olean High School

With this years renovations under way, many may have wondered what OHS looked like back in the day. Well, OHS had an original charm that could not be matched by any other school around. These photos are a commemoration of Olean High School in its early years.

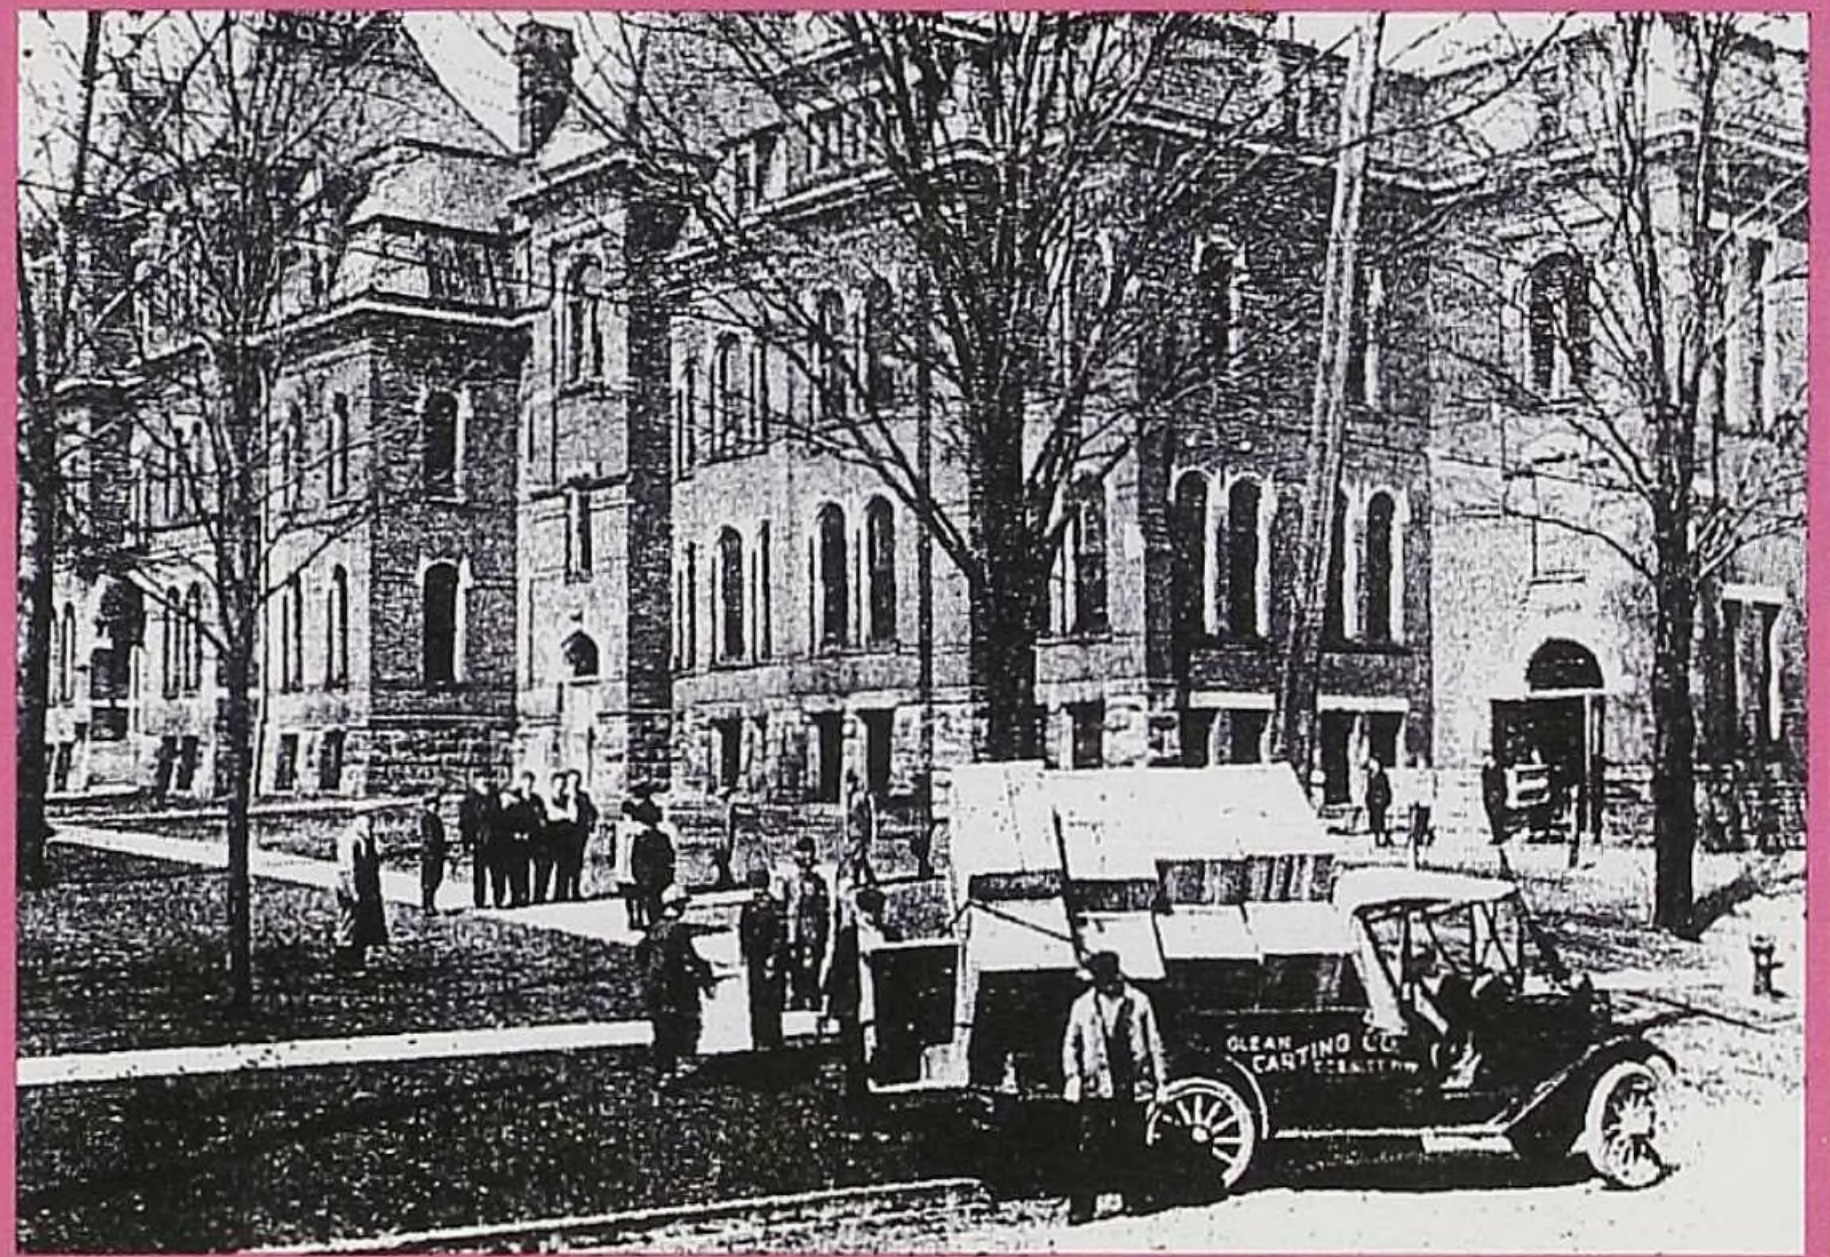

This picture is of the front lobby of the Olean High School.

This assembly had a full house.

It is not easy being a student. The role comes with challenges, responsibilities, failures and successes. Learning is very rewarding when you elect to do it right!

Congratulations to the class of 2011 for doing it right!
