

SUPERINTENDENT'S BRIEF

Dr. Genelle Morris

VOLUME 2 | ISSUE 4 | January 2024

A Message from Dr. Morris:

Dear Husky Community,

Happy New Year! As we welcome 2024, I'm pleased to provide you with the first Superintendent's Brief of the year, sharing important updates and news from our school district. The start of a new year brings fresh opportunities and renewed energy. I hope everyone had a restful and enjoyable winter break, ready to embrace the possibilities that lie ahead this year.

I'm happy to share that our students and educators are back in full swing, diving into the new year with enthusiasm and dedication. This month, we celebrated several student achievements, including welcoming new inductees into the National Honors Society and National Technical Honors Society. These scholars have academic achievements but a commitment to giving, serving, and making a meaningful contribution to our community and beyond.

Several of our students will attend the Ivy League Model United Nations Conference at the University of Pennsylvania in Philadelphia from January 25-28. We are so proud of these students for many reasons. Still, their impressive performances over the last few years have given them qualifications that led to their earning a scholarship through UPenn toward their attendance there. Thank you to our fantastic Model United Nations Advisor, Marie Rakus, for her work with our students, and we can't wait to hear how they excelled on the national stage!

With the winter season upon us, please be mindful of weather-related updates. In inclement weather, we will promptly communicate any school closures or delays. The safety of our students and staff is our utmost priority. We remind everyone to dress warmly, especially on cold, blustery days. Our buildings have hats and gloves to hand out to students who might need them. Please contact our schools if you require warm clothing for students, such as coats and sweaters. We can connect you with Operation Warm Hearts, an Olean foundation that provides children with new clothing and needed accessories.

We value the input and involvement of our school community. Please be on the lookout for upcoming opportunities to participate in forums, meetings, and events that contribute to the growth and development of our district. Your engagement is crucial to our success. To draw upon a quote by Winston Churchill: "We make a living by what we get, but we make a life by what we give."
